Introduced

House Bill 4783

By Delegate Burkhammer

[Introduced January 23, 2026; referred to the

Committee on the Judiciary then Finance]

1 A BILL to amend and reenact §33-3-14d of the Code of West Virginia, 1931, as amended, relating
2 to providing equal share of funds from the fire and casualty premium tax to part volunteer
3 departments.

Be it enacted by the Legislature of West Virginia:

ARTICLE 3. LICENSING, FEES AND TAXATION OF INSURERS.

§33-3-14d. Additional fire and casualty insurance premium tax; allocation of proceeds; effective date.

1 (a)(1) For the purpose of providing additional revenue for municipal policemen's and
2 firemen's pension and relief funds and the Teachers Retirement System Reserve Fund and for
3 volunteer and part volunteer fire companies and departments, there is hereby levied and imposed
4 an additional premium tax equal to one percent of taxable premiums for fire insurance and
5 casualty insurance policies. For purposes of this section, casualty insurance does not include
6 insurance on the life of a debtor pursuant to or in connection with a specific loan or other credit
7 transaction or insurance on a debtor to provide indemnity for payments becoming due on a
8 specific loan or other credit transaction while the debtor is disabled as defined in the policy.

9 (2) All moneys collected from this additional tax shall be received by the commissioner and
10 paid by him or her into a special account in the State Treasury, designated the Municipal Pensions
11 and Protection Fund: *Provided*, That on or after January 1, 2010, the commissioner shall pay 10
12 percent of the amount collected to the Teachers Retirement System Reserve Fund created in §18-
13 7A-18 of this code, 25 percent of the amount collected to the Fire Protection Fund created in §33-
14 3-33 of this code for allocation by the Treasurer to volunteer and part volunteer fire companies and
15 departments and 65 percent of the amount collected to the Municipal Pensions and Protection
16 Fund: *Provided, however*, That upon notification by the Municipal Pensions Oversight Board
17 pursuant to the provisions of §8-22-18b this code, on or after January 1, 2010, or as soon
18 thereafter as the Municipal Pensions Oversight Board is prepared to receive the funds, 65 percent
19 of the amount collected by the commissioner shall be deposited in the Municipal Pensions

20 Security Fund created in §8-22-18b of this code. The net proceeds of this tax after appropriation
21 thereof by the Legislature is distributed in accordance with the provisions of this section, except for
22 distribution from proceeds pursuant to §8-22-18a(d) of this code.

23 (b)(1) Before August 1 of each year, the treasurer of each municipality in which a municipal
24 policemen's or firemen's pension and relief fund is established shall report to the State Treasurer
25 the average monthly number of members who worked at least 100 hours per month and the
26 average monthly number of retired members of municipal policemen's or firemen's pension and
27 relief fund or the Municipal Police Officers and Firefighters Retirement System during the
28 preceding fiscal year: *Provided*, That beginning in the year 2010 and continuing thereafter, the
29 report shall be made to the oversight board created in §8-22-18a of this code. These reports
30 received by the oversight board shall be provided annually to the State Treasurer by September 1.

31 (2) Before September 1 of each calendar year, the State Treasurer, or the Municipal
32 Pensions Oversight Board, once in operation, shall allocate and authorize for distribution the
33 revenues in the Municipal Pensions and Protection Fund which were collected during the
34 preceding calendar year for the purposes set forth in this section. Before September 1 of each
35 calendar year and after the Municipal Pensions Oversight Board has notified the Treasurer and
36 commissioner pursuant to §8-22-18b of this code, the Municipal Pensions Oversight Board shall
37 allocate and authorize for distribution the revenues in the Municipal Pensions Security Fund which
38 were collected during the preceding calendar year for the purposes set forth in this section. In any
39 year the actuarial report required by §8-22-20 of this code indicates that no actuarial deficiency
40 exists in the municipal policemen's or firemen's pension and relief fund and that no pension
41 funding revenue bonds of the building commission of such municipality remain outstanding, no
42 revenues may be allocated from the Municipal Pensions and Protection Fund or the Municipal
43 Pensions Security Fund to that fund. The revenues from the Municipal Pensions and Protection
44 Fund shall then be allocated to all other pension and relief funds which have an actuarial
45 deficiency. Pension funding revenue bonds include bonds of a municipality's building commission

46 the net proceeds of which were used to fund either or both of a municipality's policemen's or
47 firemen's pension and relief fund or bonds issued to refinance such bonds.

48 (3) The Municipal Pensions Oversight Board shall annually review the investment
49 performance of each municipal policemen's or firemen's pension and relief fund. If the municipal
50 pension and relief fund's board fails for three consecutive years to comply with the investment
51 provisions established in §8-22-22a of this code, the oversight board may require the municipal
52 policemen's or firemen's pension and relief fund to invest with the Investment Management Board
53 to continue to receive its allocation of funds from the premium tax. If the municipal pension and
54 relief fund fails to move its investments to the Investment Management Fund within the 18-month
55 drawdown period, provided in §8-22-19(e) of this code, the revenues shall be reallocated to all
56 other municipal policemen's or firemen's pension and relief funds that have drawn down one
57 hundred percent of their allocations.

58 (4) The moneys, and the interest earned thereon, in the Municipal Pensions and Fire
59 Protection Fund allocated to ~~volunteer and part volunteer~~ fire companies and departments, shall
60 be allocated and distributed quarterly to the ~~volunteer~~ fire companies and departments. Before
61 each distribution date, the State Fire Marshal shall report to the State Treasurer the names and
62 addresses of all ~~volunteer and part volunteer~~ fire companies and departments within the state
63 which meet the eligibility requirements established in §8-15-8A of this code.

64 (c)(1) Each municipal pension and relief fund shall have allocated and authorized for
65 distribution a pro rata share of the revenues allocated to municipal policemen's and firemen's
66 pension and relief funds based on the corresponding municipality's average monthly number of
67 police officers and firefighters who worked at least 100 hours per month during the preceding fiscal
68 year. On and after July 1, 1997, from the growth in any moneys collected pursuant to the tax
69 imposed by this section and interest thereon there shall be allocated and authorized for distribution
70 to each municipal pension and relief fund, a pro rata share of the revenues allocated to municipal
71 policemen's and firemen's pension and relief funds based on the corresponding municipality's

72 average number of police officers and firefighters who worked at least 100 hours per month and
73 average monthly number of retired police officers and firefighters. For the purposes of this
74 subsection, the growth in moneys collected from the tax collected pursuant to this section is
75 determined by subtracting the amount of the tax collected during the fiscal year ending June 30,
76 1996, from the tax collected during the fiscal year for which the allocation is being made and
77 interest thereon. All moneys received by municipal pension and relief funds under this section may
78 be expended only for those purposes described in §8-22-16 through 28a inclusive, of this code.
79 Notwithstanding the foregoing provision of this subdivision, if a municipality has outstanding
80 pension funding revenue bonds and continues to pay the normal cost of its policemen's and
81 firemen's pension and relief funds, then the allocable share of revenues to be allocated which
82 would otherwise have been allocated to a municipal policemen's or firemen's pension and relief
83 fund shall instead be allocated to the trustee of any outstanding pension funding revenue bonds.

84 (2) Each volunteer fire company or department shall receive an equal share of the
85 revenues allocated for volunteer and part volunteer fire companies and departments.

86 (3) In addition to the share allocated and distributed in accordance with subdivision (1) of
87 this subsection, each municipal fire department composed of full-time paid members and
88 volunteers and part volunteer fire companies and departments shall receive a share equal to the
89 share distributed to volunteer fire companies under subdivision (2) of this subsection reduced by
90 an amount equal to the share multiplied by the ratio of the number of full-time paid fire department
91 members who are also members of a municipal firemen's pension and relief fund or the Municipal
92 Police Officers and Firefighters Retirement System to the total number of members of the fire
93 department. If a municipality has outstanding pension funding revenue bonds and continues to
94 pay the normal cost of its policemen's and firemen's pension and relief funds, then the share that
95 would otherwise be payable to the municipality's firemen's pension and relief fund pursuant to this
96 subsection shall be paid to the trustee of such outstanding pension funding revenue bonds.

97 (d) The allocation and distribution of revenues provided in this section are subject to the

98 provisions of §8-22-20 of this code and §8-15-8a and §8-15-8b of this code.

99 (e) Based upon the findings of an audit by the Treasurer, the Legislature hereby finds and
100 declares that during the period of 1982 through April 27, 2012, allocations from the Municipal
101 Pensions and Protection Fund were miscalculated and errors were made in amounts transferred,
102 resulting in overpayments and underpayments to the relief and pension funds and to the Teachers
103 Retirement System, and that the relief and pension funds and the Teachers Retirement System
104 were not at fault for any of the overpayments and underpayments. The Legislature hereby further
105 finds and declares that any attempt by the Municipal Pension Oversight Board or other entity to
106 recover any of the overpayments would be unjust and create economic hardship for the entities
107 that received overpayments. No entity, including, without limitation, the Municipal Pension
108 Oversight Board, may seek to recover from a relief or pension fund, the Teachers Retirement
109 System or the state any overpayments received from the Municipal Pensions and Protection Fund
110 and the overpayments are not subject to recovery, offset or litigation. Pursuant to the audit by the
111 Treasurer, the amount of \$3,631,846.55 is determined owed to specific relief and pension funds
112 through the period of April 27, 2012. The Treasurer is hereby authorized to may transfer the
113 amount of \$3,631,846.55 from the Unclaimed Property Trust Fund to the Municipal Pensions and
114 Protection Fund, which is hereby reopened for the sole purpose of the transfer and remittances
115 pursuant to this subsection, and to use the amount transferred to remit the amounts due to the
116 pension and relief funds. The payment of \$3,631,846.55 to the pension and relief funds is
117 complete satisfaction of any amounts due and no entity, including, without limitation, the Municipal
118 Pension Oversight Board and any pension or relief fund, may seek to recover any further amounts.

NOTE: The purpose of this bill relates to providing equal share of funds from the fire and casualty premium tax to the departments.
