

WEST VIRGINIA LEGISLATURE

2026 REGULAR SESSION

Introduced

Senate Bill 512

By Senator Chapman

[Introduced January 20, 2026; referred to

the Committee on Finance]

1 A BILL to amend and reenact §33-15-4t, §33-16-3ee, §33-24-7t, §33-25-8q, and §33-25A-8t of the
2 Code of West Virginia, 1931, as amended, relating to cost-sharing calculations on behalf of
3 an insured; defining terms; requiring insurer to provide credit toward in-network cost
4 sharing; prohibiting insurer from discriminating in the form of payment; and setting effective
5 date.

Be it enacted by the Legislature of West Virginia:

ARTICLE 15. ACCIDENT AND SICKNESS INSURANCE.

§33-15-4t.	Fairness	in	Cost-Sharing	Calculation.
-------------------	-----------------	-----------	---------------------	---------------------

1 (a) As used in this section:

2 "Average allowed amount" means the average of all contractually agreed upon amounts
3 paid by an insurer to a health care provider or other entity participating in the insurer's network.
4 The average shall be calculated according to payments within a reasonable amount of time not to
5 exceed one calendar year. The insurance commissioner may approve methodologies for
6 calculating the average allowed amount that are based on any of the following: a specific covered
7 person's insurer, all insurer plans offered in the state by a specific insurer, or a geographic area.

8 "Cost sharing" means any copayment, coinsurance, or deductible required by or on behalf
9 of an insured in order to receive a specific health care item or service covered by a health plan.

10 "Discounted cash price" means the price charged to individuals who pay cash (or cash
11 equivalent) for an individual item or service or service package.

12 "Drug" means the same as the term is defined in §30-5-4 of this code.

13 "Person" means a natural person, corporation, mutual company, unincorporated
14 association, partnership, joint venture, limited liability company, trust, estate, foundation, nonprofit
15 corporation, unincorporated organization, or government or governmental subdivision or agency.

16 "Pharmacy benefits manager" means the same as that term is defined in §33-51-3 of this
17 code.

18 (b) When calculating an insured's contribution to any applicable cost sharing requirement,

19 including, but not limited to, the annual limitation on cost sharing subject to 42 U.S.C. § 18022(c)
20 and 42 U.S.C. § 300gg-6(b):

21 (1) An insurer shall include any cost sharing amounts paid by the insured or on behalf of
22 the insured by another person; and

23 (2) A pharmacy benefits manager shall include any cost sharing amounts paid by the
24 insured or on behalf of the insured by another person;

25 (3) A covered person who elects to receive a covered health care service at a discounted
26 cash price that is below the average allowed amount shall receive credit toward the covered
27 person's in-network cost-sharing as specified in the covered person's insurer's plan, as if the
28 health care service is provided by an in-network health care provider; and

29 (4) An insurer may not discriminate in the form of payment for any covered in-network
30 health care service solely on the basis that the covered person was referred for the health care by
31 an out-of-network health care provider.

32 (c) The commissioner ~~is authorized to~~ may propose rules for legislative approval in
33 accordance with §29A-3-1 et seq. of this code to implement the provisions of this section.

34 (d) This section is effective for policy, contract, plans, or agreements beginning on or after
35 January 1, 2020. The amendments made to this article during the 2026 regular session of the
36 Legislature are effective on January 1, 2027. This section applies to all policies, contracts, plans,
37 or agreements, subject to this article that are delivered, executed, issued, amended, adjusted, or
38 renewed in this state on or after the effective date of this section.

39 (e) If under federal law application of subsection (b) of this section would result in Health
40 Savings Account ineligibility under Section 223 of the Internal Revenue Code, this requirement
41 shall apply only for Health Savings Account-qualified High Deductible Health Plans with respect to
42 the deductible of such a plan after the enrollee has satisfied the minimum deductible under Section
43 223 of the Internal Revenue Code: Provided, That with respect to items or services that are
44 preventive care pursuant to Section 223(c)(2)(C) of the Internal Revenue Code, the requirements

45 of subsection (b) of this section shall apply regardless of whether the minimum deductible under
46 Section 223 of the Internal Revenue Code has been satisfied.

ARTICLE 16. GROUP ACCIDENT AND SICKNESS INSURANCE.

§33-16-3ee.	Fairness	in	Cost-Sharing	Calculation.
--------------------	-----------------	-----------	---------------------	---------------------

1 (a) As used in this section:

2 "Average allowed amount" means the average of all contractually agreed upon amounts

3 paid by an insurer to a health care provider or other entity participating in the insurer's network.

4 The average shall be calculated according to payments within a reasonable amount of time not to

5 exceed one calendar year. The insurance commissioner may approve methodologies for

6 calculating the average allowed amount that are based on any of the following: a specific covered

7 person's insurer, all insurer plans offered in the state by a specific insurer, or a geographic area.

8 "Cost sharing" means any copayment, coinsurance, or deductible required by or on behalf

9 of an insured in order to receive a specific health care item or service covered by a health plan.

10 "Discounted cash price" means the price charged to individuals who pay cash (or cash

11 equivalent) for an individual item or service or service package.

12 "Drug" means the same as the term is defined in §30-5-4 of this code.

13 "Person" means a natural person, corporation, mutual company, unincorporated

14 association, partnership, joint venture, limited liability company, trust, estate, foundation, nonprofit

15 corporation, unincorporated organization, or government or governmental subdivision or agency.

16 "Pharmacy benefits manager" means the same as that term is defined in §33-51-3 of this

17 code.

18 (b) When calculating an insured's contribution to any applicable cost sharing requirement,

19 including, but not limited to, the annual limitation on cost sharing subject to 42 U.S.C. § 18022(c)

20 and 42 U.S.C. § 300gg-6(b):

21 (1) An insurer shall include any cost sharing amounts paid by the insured or on behalf of

22 the insured by another person; and

(2) A pharmacy benefits manager shall include any cost sharing amounts paid by the insured or on behalf of the insured by another person;

(3) A covered person who elects to receive a covered health care service at a discounted cash price that is below the average allowed amount shall receive credit toward the covered person's in-network cost-sharing as specified in the covered person's insurer's plan, as if the health care service is provided by an in-network health care provider; and

(4) An insurer may not discriminate in the form of payment for any covered in-network health care service solely on the basis that the covered person was referred for the health care by an out-of-network health care provider.

32 (c) The commissioner is authorized to may propose rules for legislative approval in
33 accordance with §29A-3-1 *et seq.* of this code, to implement the provisions of this section.

34 (d) This section is effective for policy, contract, plans, or agreements beginning on or after
35 January 1, 2020. The amendments made to this article during the 2026 regular session of the
36 Legislature are effective on January 1, 2027. This section applies to all policies, contracts, plans,
37 or agreements, subject to this article that are delivered, executed, issued, amended, adjusted, or
38 renewed in this state on or after the effective date of this section.

39 (e) If under federal law application of subsection (b) of this section would result in Health
40 Savings Account ineligibility under Section 223 of the Internal Revenue Code, this requirement
41 shall apply only for Health Savings Account-qualified High Deductible Health Plans with respect to
42 the deductible of such a plan after the enrollee has satisfied the minimum deductible under Section
43 223 of the Internal Revenue Code: *Provided*, That with respect to items or services that are
44 preventive care pursuant to Section 223(c)(2)(C) of the Internal Revenue Code, the requirements
45 of subsection (b) of this section shall apply regardless of whether the minimum deductible under
46 Section 223 of the Internal Revenue Code has been satisfied

ARTICLE 24. HOSPITAL SERVICE CORPORATIONS. MEDICAL SERVICE

CORPORATIONS, DENTAL SERVICE CORPORATIONS AND HEALTH SERVICE CORPORATIONS.

§33-24-7t.	Fairness	in	Cost-Sharing	Calculation.

23 (2) A pharmacy benefits manager shall include any cost sharing amounts paid by the
24 insured or on behalf of the insured by another person;

25 (3) A covered person who elects to receive a covered health care service at a discounted
26 cash price that is below the average allowed amount shall receive credit toward the covered
27 person's in-network cost-sharing as specified in the covered person's insurer's plan, as if the
28 health care service is provided by an in-network health care provider; and

29 (4) An insurer may not discriminate in the form of payment for any covered in-network
30 health care service solely on the basis that the covered person was referred for the health care by
31 an out-of-network health care provider.

32 (c) The commissioner is authorized to may propose rules for legislative approval in
33 accordance with §29A-3-1 *et seq.* of this code, to implement the provisions of this section.

34 (d) This section is effective for policy, contract, plans, or agreements beginning on or after
35 January 1, 2020. The amendments made to this article during the 2026 regular session of the
36 Legislature are effective on January 1, 2027. This section applies to all policies, contracts, plans,
37 or agreements subject to this article that are delivered, executed, issued, amended, adjusted, or
38 renewed in this state on or after the effective date of this section.

39 (e) If under federal law application of subsection (b) of this section would result in Health
40 Savings Account ineligibility under Section 223 of the Internal Revenue Code, this requirement
41 shall apply only for Health Savings Account-qualified High Deductible Health Plans with respect to
42 the deductible of such a plan after the enrollee has satisfied the minimum deductible under Section
43 223 of the Internal Revenue Code: *Provided*, That with respect to items or services that are
44 preventive care pursuant to Section 223(c)(2)(C) of the Internal Revenue Code, the requirements
45 of subsection (b) of this section shall apply regardless of whether the minimum deductible under
46 Section 223 of the Internal Revenue Code has been satisfied

ARTICLE 25. HEALTH CARE CORPORATIONS.

S33-25-8a. Fairness in Cost-Sharing Calculation.

(a) As used in this section:

"Average allowed amount" means the average of all contractually agreed upon amounts

paid by an insurer to a health care provider or other entity participating in the insurer's network.

The average shall be calculated according to payments within a reasonable amount of time not to

exceed one calendar year. The insurance commissioner may approve methodologies for

calculating the average allowed amount that are based on any of the following: a specific covered

person's insurer, all insurer plans offered in the state by a specific insurer, or a geographic area.

"Cost sharing" means any copayment, coinsurance, or deductible required by or on behalf

of an insured in order to receive a specific health care item or service covered by a health plan.

"Discounted cash price" means the price charged to im-

"Drug" means the same as the term is defined in §30-5-4 of this code.

"Person" means a natural person, corporation, mutual company, unincorporated

association, partnership, joint venture, limited liability company, trust, estate, foundation, nonprofit

corporation, unincorporated organization, or government or governmental subdivision or agency.

"Pharmacy benefits manager" means the same as that term is defined in §33-51-3 of this

code.

(b) When calculating an insured's contribution to any applicable cost sharing requirement,

including, but not limited to, the annual limitation on cost sharing subject to 42 U.S.C. § 18022(c)

and 42 U.S.C. § 300gg-6(b):

(1) An insurer shall include any cost sharing amounts paid by the insured or on behalf of

the insured by another person; and

(2) A pharmacy benefits manager shall include any cost sharing amounts paid by the

insured or on behalf of the insured by another person;

(3) A covered person who elects to receive a covered health care service at a discounted

cash price that is below the average allowed amount shall receive credit toward the covered

27 person's in-network cost-sharing as specified in the covered person's insurer's plan, as if the
28 health care service is provided by an in-network health care provider; and
29 (4) An insurer shall not discriminate in the form of payment for any covered in-network
30 health care service solely on the basis that the covered person was referred for the health care by
31 an out-of-network health care provider.

32 (c) The commissioner is authorized to may propose rules for legislative approval in
33 accordance with §29A-3-1 *et seq.* of this code, to implement the provisions of this section.

34 (d) This section is effective for policy, contract, plans, or agreements beginning on or after
35 January 1, 2020. The amendments made to this article during the 2026 regular session of the
36 Legislature are effective on January 1, 2027. This section applies to all policies, contracts, plans,
37 or agreements, subject to this article that are delivered, executed, issued, amended, adjusted, or
38 renewed in this state on or after the effective date of this section.

39 (e) If under federal law application of subsection (b) of this section would result in Health
40 Savings Account ineligibility under Section 223 of the Internal Revenue Code, this requirement
41 shall apply only for Health Savings Account-qualified High Deductible Health Plans with respect to
42 the deductible of such a plan after the enrollee has satisfied the minimum deductible under Section
43 223 of the Internal Revenue Code: *Provided*, That with respect to items or services that are
44 preventive care pursuant to Section 223(c)(2)(C) of the Internal Revenue Code, the requirements
45 of subsection (b) of this section shall apply regardless of whether the minimum deductible under
46 Section 223 of the Internal Revenue Code has been satisfied.

ARTICLE 25A. HEALTH MAINTENANCE ORGANIZATION ACT.

§33-25A-8t.	Fairness	in	Cost-Sharing	Calculation.
--------------------	-----------------	-----------	---------------------	---------------------

1 (a) As used in this section:

2 "Average allowed amount" means the average of all contractually agreed upon amounts
3 paid by an insurer to a health care provider or other entity participating in the insurer's network.
4 The average shall be calculated according to payments within a reasonable amount of time not to

5 exceed one calendar year. The insurance commissioner may approve methodologies for
6 calculating the average allowed amount that are based on any of the following: a specific covered
7 person's insurer, all insurer plans offered in the state by a specific insurer, or a geographic area.

8 "Cost sharing" means any copayment, coinsurance, or deductible required by or on behalf
9 of an insured in order to receive a specific health care item or service covered by a health plan.

10 "Discounted cash price" means the price charged to individuals who pay cash (or cash
11 equivalent) for an individual item or service or service package.

12 "Drug" means the same as the term is defined in §30-5-4 of this code.

13 "Person" means a natural person, corporation, mutual company, unincorporated
14 association, partnership, joint venture, limited liability company, trust, estate, foundation, nonprofit
15 corporation, unincorporated organization, or government or governmental subdivision or agency.

16 "Pharmacy benefits manager" means the same as that term is defined in §33-51-3 of this
17 code.

18 (b) When calculating an insured's contribution to any applicable cost sharing requirement,
19 including, but not limited to, the annual limitation on cost sharing subject to 42 U.S.C. § 18022(c)
20 and 42 U.S.C. § 300gg-6(b):

21 (1) An insurer shall include any cost sharing amounts paid by the insured or on behalf of
22 the insured by another person; and

23 (2) A pharmacy benefits manager shall include any cost sharing amounts paid by the
24 insured or on behalf of the insured by another person;

25 (3) A covered person who elects to receive a covered health care service at a discounted
26 cash price that is below the average allowed amount shall receive credit toward the covered
27 person's in-network cost-sharing as specified in the covered person's insurer's plan, as if the
28 health care service is provided by an in-network health care provider; and

29 (4) An insurer shall not discriminate in the form of payment for any covered in-network
30 health care service solely on the basis that the covered person was referred for the health care by

31 an out-of-network health care provider.

32 (c) The commissioner ~~is authorized to~~ may propose rules for legislative approval in
33 accordance with §29A-3-1 *et seq.* of this code, to implement the provisions of this section.

34 (d) This section is effective for policy, contract, plans, or agreements beginning on or after
35 January 1, 2020. The amendments made to this article during the 2026 regular session of the
36 Legislature are effective on January 1, 2027. This section applies to all policies, contracts, plans,
37 or agreements, subject to this article that are delivered, executed, issued, amended, adjusted, or
38 renewed in this state on or after the effective date of this section.

39 (e) If under federal law application of subsection (b) of this section would result in Health
40 Savings Account ineligibility under Section 223 of the Internal Revenue Code, this requirement
41 shall apply only for Health Savings Account-qualified High Deductible Health Plans with respect to
42 the deductible of such a plan after the enrollee has satisfied the minimum deductible under Section
43 223 of the Internal Revenue Code: *Provided*, That with respect to items or services that are
44 preventive care pursuant to Section 223(c)(2)(C) of the Internal Revenue Code, the requirements
45 of subsection (b) of this section shall apply regardless of whether the minimum deductible under
46 Section 223 of the Internal Revenue Code has been satisfied.

NOTE: The purpose of this bill is to provide for the administration of cost-sharing calculations on behalf of an insured.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
