

WEST VIRGINIA LEGISLATURE

2026 REGULAR SESSION

Introduced

Senate Bill 633

By Senators Woodrum, Oliverio, and Rucker

[Introduced January 27, 2026; referred

to the Committee on Education]

1 A BILL to amend and reenact §5-28-1, §5-28-2, and §5-28-3 of the Code of West Virginia, 1931, as
2 amended; and to amend the code by adding a new section, designated §5-28-1a, relating
3 to the West Virginia Commission on Holocaust Education; establishing legislative findings;
4 modernizing commission membership in light of the passing of Holocaust survivors and
5 second-generation witnesses; strengthening safeguards for historical accuracy and
6 mission integrity; authorizing limited commission-appointed voting members; authorizing
7 non-voting advisory members, including students; clarifying governance, transparency,
8 and duties; and ensuring Holocaust education remains the central and primary purpose of
9 the commission.

Be it enacted by the Legislature of West Virginia:

ARTICLE 28. COMMISSION ON HOLOCAUST EDUCATION.

§5-28-1. Legislative findings. Short Title.

The Legislature finds and declares:

1 (1) ~~That the holocaust perpetrated by the Nazis during the period between one thousand~~
2 ~~nine hundred thirty-three and one thousand nine hundred forty-five resulted in the genocide of six~~
3 ~~million Jews and millions of nonJews as part of a carefully orchestrated central government~~
4 ~~program;~~

5 (2) ~~That the holocaust stands as a grim reminder and warning to all generations of~~
6 ~~genocidal crimes and atrocities committed by man based on ignorance and fear and that all people~~
7 ~~should rededicate themselves to the principles of human rights and equal protection under the~~
8 ~~laws of a democratic society;~~

9 (3) ~~That education can ensure that citizens are knowledgeable about the events leading up~~
10 ~~to the holocaust and about the organizations and facilities that were created and used purposefully~~
11 ~~for the systematic destruction of human beings and that the lessons of holistic trust and respect for~~
12 ~~peoples of various cultures are important for the citizens of West Virginia as they enter the global~~
13 ~~marketplace and economy;~~

14 (4) That programs, workshops, institutes, seminars, exhibits and other teacher training and

15 public awareness activities for the study of the holocaust have taken place during recent years, but

16 a central resource for schools, churches and communities studying the holocaust is needed;

17 (5) That, toward that end, the Governor, by executive order No. 2-98, dated April 16, one

18 thousand nine hundred ninety-eight, created and established the West Virginia holocaust

19 commission on education; and

20 (6) That, in furtherance of the intent and purposes of the aforesaid executive order, it is the

21 intent of the Legislature to create a permanent state commission which, as an organized body and

22 on a continuous basis, will survey, design, encourage and promote implementation of holocaust

23 education and awareness programs in West Virginia and will be responsible for organizing and

24 promoting the memorialization of the holocaust on a regular basis throughout the state.

25 This article shall be known and cited as the "West Virginia Holocaust Education Act."

§5-28-1a. Additional legislative findings; purpose.

1 (a) The Legislature finds that the Holocaust — the systematic, state-sponsored

2 persecution and murder of six million Jews by Nazi Germany and its collaborators — is a singular

3 historical event whose memory must be preserved with accuracy, integrity, and moral clarity.

4 (b) The Legislature further finds that the original statutory structure of the West Virginia

5 Commission on Holocaust Education relied in part upon the participation of Holocaust survivors,

6 liberators, eyewitnesses, and second-generation descendants. Due to the passage of time, most

7 such individuals have now passed away, and those who remain are often advanced in age,

8 geographically dispersed, or otherwise unable to participate regularly in commission duties.

9 (c) The Legislature finds that antisemitism has risen significantly in the United States and

10 globally, and that the terrorist attack of October 7, 2023, in Israel constituted the deadliest mass

11 murder of Jews since the Holocaust. Education concerning contemporary manifestations of

12 antisemitism is necessary to understand the enduring relevance of Holocaust education.

13 (d) The Legislature therefore concludes that the commission must be modernized to

14 ensure continuity of expertise, protection of historical truth, and fidelity to its mission, while
15 maintaining the Holocaust as the central and primary focus of its work.

16 (e) It is the intent of the Legislature that Holocaust education remain the sole and primary
17 purpose of the commission. References to other acts of mass violence may be used only as
18 supplemental historical context to enhance understanding of the Holocaust, its origins, its warning
19 signs, or the nature of antisemitism, and shall diminish or redefine the singular nature of the
20 Holocaust.

21 (f) It is further the intent of the Legislature that the commission be structured to endure
22 across generations, including the engagement of students and future educators, while
23 safeguarding against political, ideological, or revisionist distortion.

§5-28-2. Commission on holocaust education; continued; membership; appointment;
terms; governance; compensation.

1 (a) Effective July 1, 2001, there is created the West Virginia commission on holocaust
2 education.

13 recommended by the chair of the present holocaust education commission, created by executive
14 order, who, by virtue of their interest, education or long term involvement in human rights,

15 ~~prejudice reduction and holocaust education have demonstrated, through their past commitment~~
16 ~~and cooperation with the existing holocaust commission on education, their willingness to work for~~
17 ~~holocaust awareness and education in West Virginia.~~

18 ~~(c) Members of the commission shall be appointed for terms of three years or until their~~
19 ~~prospective successors are appointed and qualified. Members are eligible for reappointment. Any~~
20 ~~member of the commission who fails to attend more than two consecutive meetings without an~~
21 ~~excuse approved by the commission may be removed from the commission. All vacancies shall be~~

23 ~~to fill the vacancy serves for the remainder of the unexpired term.~~

25 ~~and until his or her successor is appointed and qualified.~~

26 ~~(e) The Speaker of the House of Delegates shall appoint a member of the House of~~

28 ~~advisors to the commission.~~
