Justin

Thanks for meeting with me earlier today. I appreciate your work.

If you can add that "unlike Loughry" line, I'd appreciate it. Of course, you could always just strike the "like Loughry" allusions.

Here's the revised letter. ^{You already have copies of these} Could you make a copy for Aaron, please?

I have just placed in the mail the original and the check to Administrative Director Johnson. He should receive it no later than Monday.

Thanks

Mr. Gary Johnson
Administrative Director
West Virginia Supreme Court of Appeals
State Capitol
Building 1, Room E-100
Charleston, WV 25305

Dear Director Johnson,

On Wednesday, May 9, 2018, I learned from Legislative Post Audit Division Audit Manager Justin Robinson that I owe the State of West Virginia \$911.04 for overpayments in reimbursements for parts of several trips that will be outlined in the Division's upcoming report. I had made every attempt to prorate any personal expenses that were incurred on those trips so that there would not be such improper reimbursements; but I made several honest mistakes, errors that were not caught by the Administrative Office's Finance Division as the forms were processed.

Therefore, I have enclosed a check for \$911.04 to reimburse the state for those erroneous reimbursements to me between July 2010 and November 2016.

If you have any further questions, please contact me.

Sincerely,
