In case, however, the levy hereunder, including the supplemental apportionment of the general school fund hereinafter provided, will not produce a sufficient fund to pay minimum salaries to a sufficient number of teachers for all the schools of the district for the minimum term it shall be the duty of the board of education to lay an additional levy to make up the deficiency in the teachers' fund.

- (c) In any district or independent district where the term of 63 school has been, or shall hereafter be, extended for a longer period 64 than the minimum term by a majority of the votes cast at an elec-65 tion therein as provided by law, and the maximum rate of levy 66 hereinbefore provided for maintenance building fund purposes and 67 teachers' fund purposes will not provide sufficient funds to defray 68 the expenses of the term provided by such election, the board of 69 education shall lay a levy sufficiently high to provide the funds 70 necessary to conduct the schools in such district for the term pro-71 vided by such election, and such levy shall be separated into, and 72 designated as, maintenance fund levy, and teachers' fund 73 levy. The term of school fixed by such election shall continue from 74 year to year so long as a majority of the votes cast at the election 75 at which the question of "school levy" is submitted, be in favor of 76 such "school levy," or until the term so fixed shall be changed by 77 a majority vote of the people in such district.
- (d) If the majority of the taxpayers of a sub-district within 79 an incorporated municipality, the boundaries of which sub-district 80 are, or shall be made, co-extensive with the boundaries of such 81 municipality, file with the board of education of the district in 82 which such sub-district is a part, at their meeting on the second 83 Tuesday in August, a petition praying for an extension of the 84 school term therein for a given number of months, the board shall 85 extend the term of such school for the number of months, prayed 86 for in such petition, and shall lay levies sufficiently high on 87 each one hundred dollars' assessed valuation of the taxable property 88 in such sub-district according to the last assessment thereof, for 89 such extension, which levies shall be separated into and designated 90 as mainteance building fund levy and a sub-district teachers' fund 91 levy. 105

94 thereafter, unless the same be rescinded by a similar petition 95 requesting that the same be revoked.

96 For High School Purposes.

97 For high school purposes, including junior high schools, and for 98 the purpose of paying the tuition of high school pupils in districts 99 which do not have regularly established high schools, under such 100 regulations as are prescribed by law, the said board shall levy a 101 rate sufficiently high to defray the expenses for such high school 102 purposes for the current fiscal year. This levy, other than for 103 paying high school tuition shall be divided into maintenance 104 fund purposes and teacher's fund purposes.

For New Building and Improvement Fund Purposes.

For new building and improvement fund purposes, for the pur107 chase of land and for the purpose of erecting and equipping
108 buildings for elementary and high school purposes, for the pur109 chase of furniture and apparatus, for rent and permanent
110 improvements of old buildings, a levy not to exceed twenty cents.
111 Where, however, an exigency exists for additional housing, and
112 the levy herein provided is not sufficient to provide the necessary
113 funds an additional levy hereunder may be laid not to exceed
114 twenty cents, but the levy shall not be made until the grounds
115 showing the emergency shall be fully set out in an order made
116 and entered of record by the board of education and then sub117 mitted to and approved in writing by the state superintendent of
118 of free schools, and the state tax commissioner.

In case the election com-7 missioners find the affidavit properly executed and attested, that 8 the signatures correspond, that the applicant is a duly qualified 9 elector of the precinct, that he is duly registered, or that the 10 applicant has not voted in person at such election, or, in case 11 of a primary election, if he has not previously exercised the 12 right of suffrage, if he shall have executed the proper declar-13 ation relative to his age and qualifications and the party with 14 which he intends to affiliate, the election inspector shall open the 15 envelope containing the absent voter's ballot in such manner as 16 not to deface or destroy the affidavit thereon and take out the

17 ballot or ballots enclosed therein without unfolding or permit-18 ting the same to be unfolded or examined. The commissioners 19 shall then deliver such ballot or ballots to the poll clerks, who 20 shall at once proceed to write their names on the back of each 21 of such ballots, and in the same manner as other ballots are re-22 quired to be endorsed. A commissioner shall thereupon deposit 23 the same in the ballot box and enter the absent voter's name in 24 the poll book, the same as if he had been present and voted in 25 person. In the event that such affidavit is found to be insuffi-26 cient, or that the signatures do not correspond, or that the appli-27 cant is not a duly qualified elector in such precinct or that he 28 has voted in person at such election, or that he has not regis-29 istered, or that the ballot is open, or has been opened and re-30 sealed, or that the ballot envelope contains more than one bal-31 lot of any one kind, or in case of a primary election, if he shall 32 have failed to execute the proper declarations relative to his age 33 and qualifications and the party with which he intends to affiliate, 34 such ballot or ballots shall not be accepted or counted. 35 ballot not accepted or counted for any of the reasons hereinbe-36 fore enumerated shall, without unfolding the same to disclose 37 how it is marked, be endorsed on the back thereof with the words 38 "Rejected," (giving the reason or rea-39 sons therefor). All rejected absent voter's ballots shall be en-40 closed and securely sealed in an envelope on which the election 41 commissioners shall endorse the words "Absent voter's defective 42 ballots," and return to the same officer and in the same manner 43 as by law provided for the return and preservation of official 44. ballots cast and uncast at the election.

Right of Challenge.

Sec. 11. The vote of any absent voter may be challenged for 2 cause and the election commissioners shall have all the power 3 and authority given by law to hear and determine the legality 4 of such ballot or ballots the same as though the ballot or ballots 5 were cast by the voter in person.

Deceased Voter's Ballot.

Sec. 12. Whenever it shall be made to appear by due proof 2 to the commissioners that any elector who has marked and for-3 warded his ballot as hereinbefore provided in this act, has died, 4 then the ballot of such deceased voter shall be returned by the

5 commissioners with defective ballots to the officer issuing it, but 6 the casting of an absent voter's ballot by a deceased voter shall 7 not invalidate the election.

Application of Existing Law.

Sec. 13. The provisions of the election law and not inconsist-2 ent with the provisions of this act shall apply with full force, 3 so far as applicable, to absent voters.

False Affidavits-Violations-Penalty.

Sec. 14. If any person shall wilfully swear falsely to any 2 such affidavit he shall be guilty of perjury and shall upon con-3 viction thereof be punished as provided by law. If any per-4 son who, having procured an official ballot or ballots, as herein-5 before provided, shall wilfully neglect or refuse to cast or return 6 the same in the manner hereinbefore provided, or who shall wil-7 fully violate any of the provisions of this act shall be deemed 8 guilty of a misdemeanor and upon conviction thereof shall be 9 fined not to exceed two hundred and fifty (\$250) dollars, or be 10 imprisoned in the county jail for a period not to exceed six (6) 11 months. If the clerk of the circuit court of any county, or any 12 election officer shall refuse or neglect to perform any of the 13 duties prescribed in this act, or shall violate any of the provisions 14 thereof, he shall be deemed guilty of a misdemeanor and shall 15 upon conviction thereof, be subject to a fine of not less than 16 two hundred and fifty (\$250) dollars, nor more than five hun-17 dred (\$500) dollars, or by imprisonment in the county jail for 18 a period of not to exceed six months.

Act Supplementary.

Sec. 15. The provisions of this act shall be deemed to con-2 stitute a method of voting in addition to the method now pro-3 vided by law, and to such extent shall be deemed as supplemen-4 tary and amendatory of existing laws relating to the manner and 5 method of voting.

Return of Applicant.

Sec. 16. This act shall not be so construed as to prohibit 2 any absent voter, returning to his place of residence, from voting 3 in person within his precinct at any election contemplated in 4 this act, notwithstanding that he may have made application for

5 an absent voter's ballot or ballots, and such ballot or ballots may

6 have been mailed or otherwise delivered by the proper clerk;

7 provided, that such voter has not availed himself of the privi-

8 leges of an absent voter, as provided in this act, and voted the

9 ballot or ballots mailed or otherwise delivered to him by such

10 clerk; and provided, he shall return such ballot or ballots, if re-

11 ceived to the commissioner of the election of the precinct of his

12 residence by whom it shall be marked "cancelled," and preserved

13 with other ballots.

Ballots, Official—Record and Delivery.

Sec. 17. The ballot or ballots to be delivered to and marked 2 by any absent voter shall be of the regular official ballots to be 3 used at such election. The 5 seller shall be liable to the buyer for the breach of all promises 6 and warranties, express or implied, made in the conditional
 - 7 contract, whether or not the property in the goods has passed 8 to the buyer.
 - Sec. 3. [Primary Rights of Seller.] The buyer shall 2 liable to the seller for the purchase price, or for installments

 - 4 promises made by him in the conditional sale contract, whether

 - Sec. 6. [Place of Recording.] The conditional sale contract 2 or copy shall be recorded in the office of the clerk of the

 - 7 section shall not apply to the contracts described in section eight.

Sec. 7. [Fixtures.] If the goods are so affixed to realty, 2 at the time of a conditional sale or subsequently, as to become 3 a part thereof and not to be severable wholly or in any portion 4 without material injury to the freehold, the reservation of prop-5 erty as to any portion not so severable shall be void after the 6 goods are so affixed, as against any person who has not ex-7 pressly assented to the reservation. If the goods are so affixed 8 to realty at the time of a conditional sale or subsequently as to 9 become part thereof but to be severable without material injury 10 to the freehold, the reservation of property shall be void after 11 the goods are so affixed as against subsequent purchasers of 12 the realty for value and without notice of the conditional seller's 13 title, unless the conditional sale contract, or a copy thereof, to-14 gether with a statement signed by the seller briefly describing 15 the realty and stating that the goods are or are to be affixed 16 thereto, shall be recorded before such purchase in the office where 17 a deed of the realty would be recorded or registered to affect 18 such realty. As against the owner of realty the reservation of 19 the property in goods by a conditional seller shall be void when 20 such goods are to be so affixed to the realty as to become part 21 thereof but to be severable without material injury to the free-22 hold, unless the conditional sale contract, or a copy thereof, to-23 gether with a statement signed by the seller briefly describing 24 the realty and stating that the goods are to be affixed thereto, 25 shall be recorded before they are affixed, in the office where a deed 26 would be recorded or registered to affect such realty.

Sec. 8. [Railroad Equipment or Rolling Stock.] No con2 ditional sale of railroad, or street or internrban railway equip3 ment or rolling stock shall be valid as against the purchasers
4 and creditors described in section five, unless the contract shall
5 be acknowledged by the buyer or attested in like manner as a
6 deed of real property, and the contract, or a copy thereof, shall
7 be recorded in the office of the secretary of state; and
8 unless when any engine or car so sold is delivered there shall then
9 be plainly and conspicuously marked upon each side thereof the
10 name of the seller, followed by the word "owner."

Sec. 9. [Conditional Sale of Goods for Resale.] When goods 2 are delivered under a conditional sale contract and the seller 3 expressly or impliedly consents that the buyer may resell them 4 prior to performance of the condition, the reservation of property

5 shall be void against purchasers from the buyer for value in 6 the ordinary course of business, and as to them the buyer shall 7 be deemed the owner of the goods, even though the contract or 8 a copy thereof shall be recorded according to the provisions of this 9 act.

Sec. 10. [Recording.] The recording officer shall mark upon 2 the contract or copy filed with him for record the day and hour of 3 filing and shall record the contract or copy in his office in a separ-4 ate book kept for that purpose. Such book shall be indexed under 5 the names of both seller and buyer. For recording such contract or 6 copy the same fees shall be charged as are now provided by law for 7 recording deeds.

Sec. 11. [Recording.] The recording of conditional sale con-2 tracts provided for in sections five, six and seven, shall be valid for 3 a period of three years only. The recording of the contract provided 4 for by section eight shall be valid for a period of fifteen years 5 only. The validity of the recording may in each case be extended 6 for successive additional periods of one year from the date of ? re-recording by recording in the proper county a copy of the 8 original contract within thirty days next preceding the expiration 9 of each period, with a statement attached signed by the seller, 10 showing that the contract is in force and the amount remaining 11 to be paid thereon. Such copy, with statement attached, shall 12 be recorded in the same manner as a contract or copy 13 for the first time, and the recording officer shall be 14 entitled to a like fee as upon the original recording.

Sec. 12. [Cancellation of Contract.] After the performance 2 of the condition, upon written demand delivered personally or by 3 registered mail by the buyer or any other person having an in-4 terest in the goods, the seller shall execute, acknowledge and de-5 liver to the demandant a statement that the condition in the 6 contract has been performed. If for ten days after such demand 7 the seller fails to mail or deliver such a statement of satis-8 faction, he shall forfeit to the demandant five dollars and 9 be liable for all damages suffered. Upon presentation of 10 such statement of satisfaction the recording officer shall record the 11 same and note the cancellation of the contract and the date thereof 12 on the margin of the page where the contract has been entered. 13 For recording the statement of satisfaction the recording 14 officer shall charge a fee of thirty-five cents, except that the

15 secretary of state shall charge a fee of fifty cents for 16 entering a statement of the satisfaction of a contract described 17 in section eight.

Sec. 13. [Prohibition of Removal or Sale Without Notice.] 2 Unless the contract otherwise provides, the buyer may, without 3 the consent of the seller, remove the goods from any 3-a county wherein the contract is recorded, and sell, mort-4 gage or otherwise dispose of his interest in them; but 5 prior to the performance of the condition, no such buyer 6 shall remove the goods from a county in which the contract 7 or a copy thereof is recorded, except for temporary uses for a period 8 of not more than thirty days, unless the buyer not less than 9 ten days before such removal shall give the seller personally 10 or by registered mail written notice of the place to which the 11 goods are to be removed and the approximate time of such in-12 tended removal; nor prior to the performance of the condition 13 shall the buyer sell, mortgage or otherwise dispose of his in-14 terest in the goods, unless he, or the person to whom he is about 15 to sell, mortgage or otherwise dispose of the same, shall notify 16 the seller in writing personally or by registered mail of the name 17 and address of the person to whom his interest in the goods is 18 about to be sold, mortgaged or otherwise transferred, not less 19 than ten days before such sale, mortgage or other disposal. If 20 any buyer does so remove the goods, or does so sell, mortgage 21 or otherwise dispose of his interest in them without such notice or 22 in violation of the contract, the seller may retake possession of 23 the goods and deal with them as in case of default in payment 24 of part or all of the purchase price. The provisions of this 25 section regarding the removal of goods shall not apply, however, 26 to the goods described in section eight.

Sec. 14. [Re-recording on Removal.] When, prior to the per2 formance of the condition, the goods are removed by the buy3 er from one county in this state to another county in
4 this state in which such contract or a copy thereof is not recorded,
5 or are removed from another state into a county in this
6 state where such contract or copy is not recorded, the reservation of
7 the property in the seller shall be void, as to the purchasers and
8 creditors described in section five, unless the conditional sale con9 tract or a copy thereof shall be recorded in the county to
10 which the goods are removed, within ten days after the seller

11 had received notice of the county to which the goods have 12 been removed. The provisions of this section shall not apply, 13 however, to the goods described in section eight. The provisions 14 of section eleven regarding the duration of the validity of the

15 recording and the necessity for re-recording shall apply to contracts

16 or copies which are recorded in a county other than that where

17 the goods are originally kept for use by the buyer after the sale.

[Fraudulent Injury, Concealment, Removal or Sale.] 2 When, prior to the performance of the condition, the buyer mal-3 iciously or with intent to defraud, shall injure, destroy or con-4 ceal the goods, or remove them to a county where the 5 contract or a copy thereof is not recorded, without having given the 6 notice required by section thirteen, or shall sell, mortgage, or 7 otherwise dispose of such goods under claim of full ownership, 8 he shall be guilty of a misdemeanor and upon conviction thereof 9 shall be imprisoned in the county jail for not more than one year, 10 or be fined not more than five hundred dollars, or both.

Sec. 16. [Retaking Possession.] When the buyer shall be 2 in default in the payment of any sum due under the contract, 3 or in the performance of any other condition which the contract 4 requires him to perform in order to obtain the property in the 5 goods, or in the performance of any promise, the breach of 6 which is by the contract expressly made a ground for the re-7 taking of the goods, the seller may retake possession thereof. 8 Unless the goods can be retaken without breach of the peace, 9 they shall be retaken by legal process; but nothing herein shall be 10 construed to authorize a violation of the criminal law.

Sec. 17. [Notice of Intention to Retake.] Not more than 2 forty nor less than twenty days prior to the retaking, the seller, 3 if he so desires, may serve upon the buyer personally, or by reg-4 istered mail, a notice of intention to retake the goods on account 5 of the buyer's default. The notice shall state the default and 6 the period at the end of which the goods will be retaken, and 7 shall briefly and clearly state what the buyer's rights under 8 this act will be in case they are retaken. If the notice is so served 9 and the buyer does not perform the obligations in which he has 10 made default before the day set for retaking, the seller may re-11 take the goods and hold them subject to the provisions of scc-12 tions nineteen, twenty, twenty-one, twenty-two and twenty-three 13 regarding resale, but without any right of redemption.

Sec. 18. [Redemption.] If the seller does not give the no-2 tice of intention to retake described in section seventeen, he shall 3 retain the goods for ten days after the retaking within the state 4 in which they were located when retaken, during which period 5 the buyer, upon payment or tender of the amount due under 6 the contract at the time of retaking and interest, or upon per-7 formance or tender of performance of such other condition as 8 may be named in the contract as precedent to the passage of the 9 property in the goods, or upon performance or tender of per-10 formance of any other promise for the breach of which the 11 goods were retaken, and upon payment of the expenses of re-12 taking, keeping and storage, may redeem the goods and become 13 entitled to take possession of them and to continue in the per-14 formance of the contract as if no default had occurred. Upon 15 written demand delivered personally or by registered mail by 16 the buyer, the seller shall furnish to the buyer a written state-17 ment of the sum due under the contract and the expense of re-18 taking, keeping and storage. For failure to furnish such state-19 ment within a reasonable time after demand, the seller shall for-20 feit to the buyer ten dollars and also be liable to him for all dam-21 ages suffered because of such failure. If the goods are perishable 22 so that retention for ten days as herein prescribed would result 23 in their destruction or substantial injury, the provisions of this 24 section shall not apply, and the seller may resell the goods im-25 mediately upon their retaking. The provision of this section re-26 quiring the retention of the goods within the state during the 27 period allowed for redemption shall not apply to the goods de-28 scribed in section eight.

Sec. 19. [Compulsory Resale by Seller.] If the buyer does 2 not redeem the goods within ten days after the seller has retaken 3 possession, and the buyer has paid at least fifty per cent. of the 4 purchase price at the time of the retaking, the seller shall sell 5 them at public auction in the state where they were at the time 6 of the retaking, such sale to be held not more than thirty days 7 after retaking. The seller shall give to the buyer not less than 8 ten days' written notice of the sale, either personally or by regis-9 tered mail, directed to the buyer at his last known place of busi-10 ness or residence. The seller shall also give notice of the sale 11 by at least three notices posted in different public places within 12 the county where the goods are to be sold, at least five days

13 before the sale. If at the time of the retaking five hundred dollars 14 or more has been paid on the purchase price, the seller shall also 15 give notice of the sale at least five days before the sale by publication in a newspaper published or having a general circulation with-17 in the county where the goods are to be sold. The seller may 18 bid for the goods at the resale. If the goods are of the kind described in section eight, the parties may fix in the conditional 20 sale contract the place where the goods shall be resold.

Sec. 20. [Resale at Option of Parties.] If the buyer has not 2 paid at least fifty per cent. of the purchase price at the time of 3 the retaking, the seller shall not be under a duty to resell the 4 goods as prescribed in section nineteen, unless the buyer serves 5 upon the seller, within ten days after the retaking, a written 6 notice demanding a resale, delivered personally or by registered 7 mail. If such notice is served, the resale shall take place within 8 thirty days after the service, in the manner, at the place and upon 9 the notice prescribed in section nineteen. The seller may voluntarily resell the goods for account of the buyer on compliance with 11 the same requirements.

Sec. 21. [Proceeds of Resale.] The proceeds of the resale 2 shall be applied (1) to the payment of the expenses thereof, (2) 3 to the payment of the expenses of retaking, keeping and storing 4 the goods, (3) to the satisfaction of the balance due under the 5 contract. Any sum remaining after the satisfaction of such claims 6 shall be paid to the buyer.

Sec. 22. [Deficiency on Resale.] If the proceeds of the resale 2 are not sufficient to defray the expenses thereof, and also the 3 expenses of retaking, keeping and storing the goods and the bal-4 ance due upon the purchase price, the seller may recover the 5 deficiency from the buyer, or from anyone who has succeeded to 6 the obligations of the buyer.

Sec. 23. [Rights of Parties Where There is no Resale.] Where 2 there is no resale, the seller may retain the goods as his own 3 property without obligation to account to the buyer except as pro4 vided in section twenty-five, and the buyer shall be discharged 5 of all obligation.

Sec. 24. [Election of Remedies.] After the retaking of 2 possession as provided in section sixteen the buyer shall be liable 3 for the price only after a resale and only to the extent provided 4 in section twenty-two. Neither the bringing of an action by the sel-

5 ler for the recovery of the whole or any part of the price, nor the 6 recovery of judgment in such action, nor the collection of a por-7 tion of the price, shall be deemed inconsistent with a later retak-8 ing of the goods as provided in section sixteen. But such right 9 of retaking shall not be exercised by the seller after he has collected the entire price, or after he has claimed a lien upon the 11 goods, or attached them, or levied upon them as the goods of the 12 buyer.

Sec. 25. [Recovery of Part Payments.] If the seller fails to 2 comply with the provisions of sections eighteen, nineteen, twenty, 3 twenty-one and twenty-three after retaking the goods, the buyer 4 may recover from the seller his actual damages, if any, and in no 5 event less than one-fourth of the sum of all payments which have 6 been made under the contract, with interest.

Sec. 26. [Waiver of Statutory Protection.] No act or agree-2 ment of the buyer before or at the time of the making of the 3 contract, nor any agreement or statement by the buyer in such 4 contract, shall constitute a valid waiver of the provisions of sec-5 tions eighteen, nineteen, twenty, twenty-one and twenty-five except 6 that the contract may stipulate that on such default of the buyer r as is provided for in section sixteen, the seller may rescind the 8 conditional sale, either as to all the goods or as to any part there-9 of for which a specific price was fixed in the contract. If the con-10 tract thus provides for rescission, the seller at his option may retake 11 such goods without complying with or being bound by the pro-12 visions of sections seventeen to twenty-five, inclusive, as to the 13 goods retaken, upon crediting the buyer with the full purchase 14 price of those goods. So much of this credit as is necessary to can-15 cel any indebtedness of the buyer to the seller shall be so applied, 16 and the seller shall repay to the buyer on demand any surplus not 17 so required.

Sec. 27. [Loss and Increase.] After the delivery of the goods 2 to the buyer and prior to the retaking of them by the seller, the 3 risk of injury and loss shall rest upon the buyer. The increase 4 of the goods shall be subject to the same conditions as the original goods.

Sec. 28. [Act Prospective Only.] This act shall not apply to 2 conditional sales made prior to the time when it takes effect.

Sec. 29. [Rules for Cases not Provided for.] In any case not 2 provided for in this act the rules of law and equity, including

į

- 3 the law merchant, and in particular those relating to principal
- 4 and agent and to the effect of fraud, misrepresentation, duress
- 5 or coercion, mistake, bankruptcy, or other invalidating cause, shall
- 6 continue to apply to conditional sales.
- Sec. 30. [Uniformity of Interpretation.] This act shall be 2 so interpreted and construed as to effectuate its general purpose
- 3 to make uniform the law of those states which enact it.
- Sec. 31. [Short Title.] This act may be cited as the Uniform 2 Conditional Sales Act.
- Sec. 32. [Inconsistent Laws Repealed.] Except so far as
- 2 they are applicable to conditional sales made prior to the time
- 3 when this act takes effect, all acts and parts of acts inconsistent
- 4 herewith shall be and hereby are repealed.

Any tract or parcel of land which has been 27 heretofore forfeited or treated as forfeited, waste and unappro-28 priated or escheated to the state of Virginia or this state, and 29 which has been sold and conveyed as such under decree or order 30 of the circuit court in any suit or proceeding under chapter one 31 hundred and five of the code or other act at any time since one 32 thousand eight hundred and seventy-two, or which any instru-33 ment executed under such decree or order purports to convey, 34 shall not again be proceeded against or sold in any suit or pro-35 ceeding now pending or hereafter brought under said chapter 36 or otherwise, unless since the execution of such conveyance or 37 instrument such tract or parcel of land has become forfeited for 38 the non-payment of taxes charged or chargeable thereon, since 39 such conveyance or instrument, in the name of the purchaser 40 thereof, his heirs, devisees or assigns. No circuit court shall 41 have jurisdiction, power or authority to sell any such tract or 42 parcel of land or to permit any such truct or parcel to be re-43 deemed by any party in any suit or proceeding now pending or 44 hereafter brought under chapter one hundred and five of the 45 code aforesaid, or otherwise, against any other grant, survey, 46 piece or boundary of land which has been or may be forfeited 47 or claimed to be forfeited and which may be claimed to embrace 48 such tract or parcel within its bounds and as part thereof, unless 49 the state alleges and proves by a certificate of the auditor of the 50 state, or of the clerk of the county court of the county where 51 such tract or parcel of land or the greater part thereof lies, that

If any defendant to any suit now pending or 73 which may hereafter be brought under the chapter aforesaid, or 74 otherwise, which alleges the forfeiture of any particular grant, 75 survey, piece or boundary of land granted by the commonwealth 76 of Virginia, or this state, and prays that the same or some part 77 thereof may be sold for the benefit of the school fund, shall file 78 in such suit letters patent or a certified copy thereof, issued by 79 the governor of Virginia or of West Virginia granting or pur-80 porting to grant any tract or parcel of land, and shall show by 81 proof or by the admission of the state of her attorney prose-82 cuting such suit that such tract or parcel so granted, or pur-83 porting to be granted, lies wholly or partly within what are 84 claimed either by the state in said suit, or by any other defendant 85 or party in said suit, as the bounds of the particular, grant, sur-86 vey, piece or boundary of land mentioned in the said suit, then 87 the court shall dismiss the suit and all proceedings as to and 88 against so much of the land therein proceeded against as may 89 be embraced in the bounds of such letters patent or certified 90 copy so filed, unless, at or before the next regular

91 term of said court, the state shall amend her bill 92 and allege and show by the certificates of the auditor or 93 of the clerk of the county court as aforesaid that such tract or 94 parcel of land so granted is now forfeited to the state in the 95 name of the grantee named in such letters patent or copy 96 thereof so filed, his heirs, devisees or assigns, or unless some 97 other claimant of such land shall within the time aforesaid by 98 answer or petition filed for the purpose make such allegation 99 and file such proof. Whenever it shall appear to the court, by 100 motion or otherwise, in any such suit now pending, or that may 101 be hereafter brought, that any parcel or tract of land, or any 102 part thereof, mentioned or claimed in the suit as forfeited or 103 escheated to the state of Virginia or this state, or as waste 104 or unappropriated has been in the actual continuous possession. 105 under color or claim of title, for ten years, by any person who 106 or those under whom he claims shall have paid the state taxes 107 thereon for any five years during such possession, or if it shall 108 appear that any parcel or tract of such land mentioned or 109 claimed in the suit, to which any person shall have claim, or 110 title to, regularly derived, mediately or immediately from or 111 under a grant from the commonwealth of Virginia or this state, 112 not forfeited, which but for the title forfeited, would be valid, 113 and who, or those under whom he claims has, or shall have paid 114 all state taxes charged or chargeable thereon for five successive 115 years, after the year one thousand eight hundred and sixty-five, 116 or from the date of the grant, if it shall have issued 117 since that year, or if it shall appear that any parcel 118 or tract of such land mentioned or claimed in the suit 119 to which any person has had claim to and actual continuous 120 possession of under color of title, for any five successive years 121 after the year one thousand eight hundred and sixty-five, and 122 on which all state taxes charged or chargeable for such period of 123 five years have been paid, the court shall thereupon enter an 124 order dismissing the suit as to any such parcel or tract of land, 125 and proceed no further against the same. And if at any 126 time during the pendency of any suit for the sale of school 127 lands, whether now pending or hereafter brought, the commis-128 sioner of school lands of the county where such suit was or may 129 be instituted shall become satisfied that part or the whole of the 130 land sought to be sold therein is not liable to sale for the benefit

of the school fund, such commissioner shall report in writing to 132 the court the facts and reasons which lead him to that concluing sion, which report shall be filed and made part of the record; 134 and if the court upon consideration thereof, and upon such interest as it may be advised to make, shall concur in such report, 136 in whole or in part, it shall confirm the same to that extent, 137 and shall dismiss such suit as to the lauds embraced in such 138 report as far as it may be confirmed.

Before any non-resi-146 dent defendant or petitioner, as is mentioned in this section, 147 shall be permitted to file his answer or petition, as provided 148 herein, he shall deposit with the clerk of said circuit court a 149 sum of money sufficient to cover any costs that might be decreed 150 against him, or give bond with security, to be approved by the 151 court or clerk, for the payment thereof, the amount of such 152 deposit and the penalty of such bond to be fixed by the court.

The provisions of this section as to the filing of any amend-154 ments to the plaintiff's bill, the defendant's answers, petitions 155 and amendments thereto, the dismissal of the plaintiff's suit 156 upon the conditions herein specified, the recovery of costs and 157 the security therefor by non-residents shall be construed as 158 mandatory.

If any person liable for any tax under paragraph (a) shall ship or transport his products, or any part thereof, out of the state, and before making sale of such products, shall further manufacture, transform, or consume the same, the value of the products or articles in the condition or form in which they existed when transported out of the state, shall be the basis for the assessment of the tax imposed in said paragraph; and the tax commissioner shall prescribe equitable and uniform rules for ascertaining such value.

33 In determining value, however, in cases of sales from one to 33-a another of affiliated corporations, or under other circumstances 34 where the relation between the buyer and seller is such that the 35 gross proceeds from the sale are not indicative of the true value 36 of the subject matter of the sale, the tax commissioner shall pre-37 scribe uniform and equitable rules for determining the value 38 upon which such privilege tax shall be levied, corresponding, as 39 nearly as possible, to the gross proceeds from the sale of similar 40 products of like quantity by the other tax-payers where no com-41 mon interest exists between buyer and seller, but otherwise under 42 similar circumstances and conditions.

(b) Upon the privilege of selling any tangible property what-43 44 soever, real or personal, (not including, however, bonds or other 45 evidence, of indebtedness, or stocks), there is likewise hereby 46 levied, and shall be collected, a like tax of one-fifth of one 47 per centum of the gross proceeds of such sales: Provided, how-48 ever, that in the case of sales of merchandise by wholesalers or 49 jobbers, as distinguished from sales at retail to the consumer or 50 users of the article sold, the tax shall be equal to one-third 51 of one per centum of the excess of the gross proceeds from the 52 sales over and above the purchase price paid by such wholesaler 53 or jobber, instead of one-fifth of one per centum of the gross pro-54 ceeds of such sales; and there shall be excepted from the tax pro-55 vided by this paragraph (b) the proceeds of any sale of articles, 56 substances, or commodities, by the person, firm or corporation 57 manufacturing, compounding or preparing the same for sale,

58 when such proceeds are included in determining the amount of 59 the tax imposed in paragraph (a) of this section; and there is ex-60 cepted also from the tax provided in paragraph (b) of this section 61 sales of articles, substances or commodities for continuous trans-62 portation and delivery outside this state, in commerce between 63 this state and other states of the United States, or between this 64 state and foreign countries, and sales of articles, substances or 65 commodities by the importer thereof from any foreign country or 66 from any other state of the United States, when sold in the origi-67 nal package before being commingled with the mass of property 68 in the state.

- (c) There is likewise levied, and shall be collected, upon the privilege of engaging in their respective businesses, a tax of one-fifth of one per centum upon the gross income of banks, banking institutions, trust companies, railroad, street railroad (whether steam or electric), telephone, telegraph, oil pipe line, water, navi-gation, and express companies; excepting, however, from such gross income so to be taxed, so much thereof as is derived from business conducted in commerce between this state and other states of the United States, or between this state and foreign countries.
- 79 (d) There is likewise levied and shall be collected upon the 80 privilege of engaging in any gainful business or profession with-81 in this state, not included in the preceding paragraphs (a), (b) 82 and (c), an annual tax equal to one-fifth of one per centum upon 83 the grass income derived from such businesses or professions, of 84 any individual or corporation engaging or continuing therein.
- There shall be included in the gross income of any individual 86 taxable under paragraph (d) that part of the gross income not 87 taxed under clauses (a), (b) or (c) of this section, of any co-88 partnership or association of which he is a member, represented 89 by his interest in, or share of the co-partnership or association's 90 business.
- 91 In computing the amount of the tax levied hereunder, how-92 ever, for any year, there shall be deducted in addition to the other 93 exemptions herein provided for, from the gross proceeds of sales, 94 or gross value of articles produced, manufactured, compounded 95 and prepared, mentioned in paragraph (a) and from the gross 96 proceeds of sales or gross income mentioned in paragraphs (b), 97 and from the gross income mentioned in paragraphs (c) and (d),

98 respectively, of this section, of each tax-payer, an exemption of 99 ten thousand dollars of the amount of such gross proceeds of 100 sales or value of articles, or gross income, as the case may be. 101 Each person who shall engage in any business or profession, upon 102 which a tax is imposed under the provisions of this act, for any 103 fractional part of a tax year, shall be entitled to an exemption of 104 that part of the sum of ten thousand dollars which bears the same 105 proportion to the total sum that the period of time during which 106 he is engaged in such business or occupation bears to a whole 107 year.

Sec. 3. If any person shall, after the thirtieth day of June, 2 A. D., nineteen hundred and twenty-one, engage or continue in 3 any of the businesses or professions for which a privilege tax is 4 imposed by this act, he shall be deemed to have applied for and to 5 have duly obtained from the state of West Virginia a license to 6 engage in and to conduct such business or profession for the year 7 ending on the thirtieth day of June next following the date on 8 which he shall so engage therein, upon the condition that he shall 9 pay the tax accruing to the state of West Virginia under the pro- 10 visions of this act; and he shall hereby be duly licensed to en- 11 gage in and conduct such business or engage in such profession.

Sec. 4. There are, however, exempted from the provisions of 2 this act; (a) insurance companies which pay to the state of West 3 Virginia a tax of two per centum upon premiums levied under the 4 provisions of chapter seventy-seven of the acts of the legislature 5 A. D., one thousand, nine hundred and seven; (b) mutual savings 6 banks not having a capital stock represented by shares, and which 7 are operated exclusively for the benefit of their depositors; labor, 8 agricultural and horticultural societies and organizations not op-9 erated for profit; cemetery companies which are organized and 10 operated exclusively for the benefit of their members; fraternal 11 benefit societies, orders or associations operating under the lodge 12 system, or for the exclusive benefit of the members of the frater-13 nity itself operating under a lodge system, and providing for the 14 payment of death, sick, accident or other benefits to the members 15 of such societies, orders or associations, and to their dependents; 16 domestic loan and building associations operated exclusively for 17 the benefit of their members; corporations, associations or societies 18 organized and operated exclusively for religious, charitable, scien-19 tific or educational purposes; business leagues, chambers of com20 merce, boards of trade, civic leagues, or organizations operated ex-21 clusively for the benefit of the community and for the promotion 22 of social welfare; none of which companies, organizations, cor-23 porations or societies named in this section are organized for 24 profit and no part of the net income of which inures to the benefit 25 of any private stockholder or individual.

Sec. 5. In case of a sale of tangible property in which the pay-2 ment of a part of the consideration is deferred beyond the current 3 tax year, the seller may elect to pay the taxes thereon upon the 4 entire consideration in the year in which the sale is made, or he 5 may treat the amount of the consideration paid in each year as the 6 proceeds of a sale made in that particular year, or as a part of 7 the gross value of that year, in which event the privilege tax shall 8 be based upon, or the sales tax payable upon, the amount of the 9 consideration paid in the tax year in which the payment is made. 10 When goods are sold at a delivered price and estimated or act-11 ual freight charges have been added to the price from the point of 12 shipment to the point of delivery the actual charges so added may 13 be deducted from the gross invoice price to ascertain the value 14 upon which to compute the tax. Trade discounts which are reg-15 ularly allowed under similar conditions of sale may be allowed for 16 excise tax purposes if such discounts are allowed and deducted 17 upon the face of the invoice by the seller. Likewise cash dis-18 counts may be allowed for excise tax purposes if allowed and de-19 ducted on the face of the invoices by the seller.

Sec. 6. The taxes levied hereunder shall be payable in quar-2 terly installments on or before the expiration of thirty days from 3 the end of the quarter in which the tax accrues. The tax-payer 4 shall, within thirty days from the expiration of each quarter, 5 make out an estimate of the tax for which he is liable for such 6 quarter, verify the same by oath, and mail the same together with 7 a remittance for the amount of the tax, to the office of the state 8 tax commissioner, at Charleston, West Virginia. In estimating 9 the amount of the tax due for each quarter the tax-payer may 10 deduct one-fourth of the total exemption allowed for the year. 11 Provided, however, that when the total tax for which any person 12 is liable under this act does not exceed the sum of one hundred 13 dollars in any year, the total amount of said tax shall be payable 14 at the end of the month next following the close of the tax year. On or before thirty days from the end of any tax year, each 15

16 person liable for the payment of a tax under clause (a) of section 17 two of this act shall make a return showing the gross proceeds of 18 sales, or gross value of articles produced during the preceding tax 19 year; and if liable for a tax under clause (b) of section two of 20 this act, he shall make a return showing the gross proceeds of sales 21 for such tax year, or gross income, as the case may be; and if li-22 able for a tax under clause (c) or (d) of section two of this act, 23 he shall make a return showing the gross income during such tax 24 year; and compute the amount of the tax chargeable against him 25 in accordance with the provisions of this act, and deduct the 26 amount of quarterly payments, if any made upon the tax for the 27 preceding tax year, and transmit with his report the residue of the 28 tax chargeable against him, to the office of the state tax com-29 missioner; such return shall be verified by the oath of the tax-30 payer, if made by an individual, or by the oath of the president, 31 vice-president, secretary or treasurer of a corporation, if made on 32 behalf of a corporation. If for any reason it is not practicable for 33 the individual tax-payer to make the oath, the same may be made 34 by any duly authorized agent.

35 All taxes shall be remitted to the state tax commissioner who 36 shall issue his receipts therefor to the tax-payers, and shall pay the 37 moneys into the state treasury to be kept and accounted for as \$8 provided by law.

39 The tax commissioner may, for good cause shown, extend the 40 time for making a return on the application of any tax-payer and 41 grant such reasonable additional time within which to make the 42 same as may, by him, be deemed advisable.

Sec. 7. If the tax-payer shall make any error in computing 2 the tax assessable against him, or if the state tax commissioner 3 shall be dissatisfied with the tax as computed and paid, the tax 4 commissioner shall correct such error or re-assess the proper 5 amount of taxes, and notify the tax-payer of his action by mail-6 ing to him promptly a copy of the corrected assessment, and any 7 additional tax for which such tax-payer may be liable shall be 8 paid within ten days after the receipt of such statement.

9 The tax-payer may recover any tax improperly collected, in the 10 manner prescribed in section nine of this act.

Sec. 8. If any person liable for the payment of a tax here-2 under shall fail or refuse to make a return to the tax commis-3 sioner as herein provided, and pay the tax, the tax commissioner 4 shall proceed to ascertain the facts and information necessary to

- 5 enable him to assess the proper tax against such person, and in so
- 6 doing he shall be entitled to call upon and require the assessor
- 7 of the county in which the tax-payer resides, as well as the prose-
- 8 cuting attorney of the county, to make investigation, examine the
- 9 books, records and papers of the tax-payer, and to take evidence
- 10 under oath; all of which shall be transmitted to the state tax com-
- 11 missioner.
- 12 From the information so obtained the state tax commissioner
- 13 shall assess the tax chargeable against the party, and the tax so
- 14 assessed shall at once become due and payable, and the party
- 15 charged with the same shall not be permitted to dispute or con-
- 16 test the amount of such tax until he shall first file with the tax
- 17 commissioner the return required of him under section six of
- 18 this act.
- 19 Upon receipt of such return the tax commissioner may correct
- 20 the assessment if erroneous or improper, and within ten days after
- 21 the same shall have been corrected, or after the tax commissioner
- 22 shall have refused to correct the same, the party liable for the tax
- 23 shall pay the tax so assessed, but if improperly assessed the tax-
- 24 payer may recover the same in the manner prescribed in the fol-
- 25 lowing section.
 - Sec. 9. A tax assessed under this act shall constitute a debt
- 2 due the state and may be collected by action of assumpsit or other
- 3 appropriate judicial proceeding. If not paid when due it shall
- 4 constitute a lien upon all the property of the tax-payer, and the
- 5 same shall be collected, together with a penalty of ten per centum
- 6 of the amount of the tax and the costs of collection.
- 7 No injunction shall be awarded by any court or judge to restrain
- 8 the collection of any tax imposed by this act, except upon the
- 9 ground that the assessment thereof was in violation of the consti-
- 10 tution of the United States or the constitution of the state of West
- 11 Virginia, or that the same was fraudulently assessed.
- 12 Any person improperly charged with any tax and required to
- 13 pay the same, may recover the amount paid, together with inter-

- 15 and the circuit court of the county in which the tax-payer resides
- 16 or is located shall have original jurisdiction of any action to re-
- 17 cover any tax improperly collected. It shall not be necessary for
- 18 the tax-payer to protest against the payment of the tax or to make
- 19 any demand to have the same refunded in order to maintain such

20 suit. In any suit to recover taxes paid or to collect taxes the 21 court shall adjudge costs to such extent and in such manner as 22 may be deemed equitable.

Sec. 10. The assessment of taxes herein made and the returns required thereof shall be for the fiscal year ending on the 3 thirtieth day of June; provided, however, that if the tax-payer in 4 transacting his business keeps his books reflecting the same on the 5 basis of the calendar year, and makes the calendar year his annual 6 accounting period, the taxes chargeable against him shall be com-7 puted on the basis of the calendar year, and the annual returns re-8 quired of such tax-payer shall be for the calendar year. If the 9 tax-payer's annual accounting period is other than the fiscal year 10 or the calendar year, he may, with the assent of the tax commis-11 sioner, make his annual returns and pay taxes for the year cov-12 ering his accounting period as shown by the method of keeping 13 the books of his business.

Sec. 11. The tax imposed by this act shall be in addition to 2 all other licenses and taxes levied by law as a condition precedent 3 to engaging in any business, occupation, trade or profession, or 4 doing any act taxable hereunder, except as in this act otherwise 5 specifically provided.

Sec. 12. It shall be unlawful for any person to refuse to make 2 the return provided to be made in section six of this act; or 3 to make any false or fraudulent return or false statement in any 4 return, with intent to defraud the state or to evade the payment 5 of the tax, or any part thereof, imposed by this act; or for any 6 person to aid or abet another in any attempt to evade the payment 7 of the tax, or any part thereof, imposed by this act; or for the S president, vice president, secretary or treasurer to make or permit 9 to be made for any corporation any false return, or any false state-10 ment in any return required in this act, with the intent to evade the 11 payment of any tax hereunder. In addition to the 17 foregoing penalties, any person who shall knowingly swear to or 18 verify any false or fraudulent return, or any return containing 19 any false or fraudulent statement, with the intent aforesaid, shall 20 be guilty of the offense of false swearing, and, on conviction there21 for, shall be punished in the manner provided by law. Any cor22 poration for which a false return, or a return containing a false
23 statement as aforesaid shall be made, shall be guilty of a misde24 meanor and may be punished by a fine of not more than five thou25 sand dollars. The circuit and criminal courts of the county in
26 which the offender resides, or if a corporation, in which it carries
27 on business, shall have jurisdiction to enforce this section.

Sec. 13. If the tax commissioner shall have any reason to be-2 lieve that any person liable for the payment of a tax has made a 3 false or fraudulent return and is thereby evading the payment of a 4 tax, or any part thereof, he may cause an investigation to be made 5 by the attorney general through the prosecuting attorney of the 6 county in which the tax-payer resides or is located. In order to 7 conduct such investigation the prosecuting attorney may notify S the tax-payer to appear before the circuit court of the county, 9 which court shall require the production of all books, papers, and 10 documents necessary to ascertain the facts in the premises, and 11 may examine the delinquent and other witnesses under oath, and no 12 witness shall be excused from testifying concerning any perti-13 nent matter on the ground that his testimony might incriminate, 14 or tend to incriminate, him, or render him liable to punishment 15 or to any penalty. But no person shall thereafter be prosecuted 16 and punished or suffer any penalty in any court in the state for 17 any offense which he shall have been required to disclose, or about 18 which he shall have been required to testify in such proceedings.

Sec. 14. The state tax commissioner shall prescribe forms to 2 be used in making returns and in the assessment and payment of 3 the taxes imposed by this act, but all such forms shall be as simple 4 as practicable, and the tax-payer shall not be required to disclose 5 any matter not germane to the ascertainment of the amount of the 6 tax with which he is properly chargeable.

7 The tax commissioner may prescribe reasonable rules of pro-8 cedure in conformity with this act for the ascertainment, assess-9 ment and collection of the taxes imposed hereunder.

Sec. 15. The administration of this act is vested in and shall 2 be exercised by the state tax commissioner for the state of West 3 Virginia, but the enforcement of any of the provisions of this 4 act in any of the courts of the state shall be under the exclusive 5 jurisdiction of the attorney general of the state who may require

Sec. 15-a. The board of public works shall not, for the year 2 one thousand nine hundred and twenty-one and for the year 3 one thousand nine hundred and twenty-two, lay any state levy 4 or levies exceeding in the aggregate the sum of ten cents, as now 5 authorized by law, except that such board shall lay such levies 6 as may be required under the Virginia debt act and under the 7 good roads bond act.

Sections five to seventeen, both inclusive, of chapter 2 three of the acts of the legislature of West Virginia, of nineteen 3 hundred and fifteen, second extra session, and sections one to five, 4 both inclusive, of chapter six of the acts of the second extraordi-5 nary session of the legislature of West Virginia of one thousand 6 nine hundred and seventeen, and chapter seven of the acts 7 of the legislature of West Virginia of nineteen hundred and nine-8 teen, extra session, and sections one to nine both inclusive, of chap-9 ter five of the acts of the legislature of West Virginia, extraordi-10 nary session of one thousand nine hundred and nineteen, and all 11 other acts and parts of acts inconsistent with the provisions of this 12 act, are hereby repealed. Sec. 11. The authority and control over the construction, 2 maintenance and regulation of all public roads within the state 3 is hereby vested in the state road commission, and in the several 4 county courts, respectively, to the extent and under the provisions and regulations herein prescribed. Such 9 county courts under the regulations aforesaid shall have the superintendence and administration of the construction, reconstruction, 11 repair and maintenance of county-district roads only, except as 12 may be specified in this act.

Sec. 12 The state road commission is hereby authorized and 2 empowered to make and enforce from time to time such rules, regu3 lations and orders as it may deem necessary, not inconsistent with 4 law or otherwise provided herein, for the preservation of state 5 roads, and to regulate the use of the same by tractors, traction 6 engines, wagons and such other vehicles or conveyances as by 7 such uses produce more than an ordinary amount of wear aud 8 tear thereon. Every general regulation adopted by the commission shall state the date on which it takes effect, which shall not 10 be less than ten days after the date of publication. Such rules, 11 regulations and orders when and as promulgated or authorized, 12 shall be printed by the commission for free distribution to any 13 applicant therefor. A copy of such rules and regulations, duly 14 signed by the chairman and the secretary of the commission shall 14-a be sent by the secretary to the secretary of state, to each officer

15 and to each county court affected thereby. Any person violating 16 such order or regulation shall be deemed guilty of a misdemeanor, 17 and upon conviction thereof shall be fined not less than one, nor 18 more than one hundred dollars, or imprisoned for not less than 19 ten days nor more than three months, or both fined and im-20 prisoned, at the discretion of the court or justice trying the 21 case.

Sec. 13. Whenever any person, firm or corporation has dam2 aged or is likely to damage by means of heavy loading or un3 usual traffic any county-district or state road to such an extent
4 that the cost of repairs or maintenance will be more than the aver5 age cost of repairs or maintenance of other roads of like type
6 and construction, the county court or the road commission as
7 the case may be, shall have power to regulate the loading of such
8 vehicles and to assess the excessive cost of repairs and maintenance
9 of such roads against the person, firm or corporation causing such
10 damage and require the payment thereof before further use of such
11 road by such person, firm or corporation is permitted.

Sec. 14. Nothing in the general rules contained in this act regulating traffic shall be so construed as to authorize the use 3 of any road, street or alley by any person, firm or corporation in 4 such manner or for such purpose as would be destructive thereof.

Any person making use of any road, street or alley in this 6 state in such a manner or to such an extent as to be destructive 7 thereof or as is mentioned in the preceding section, shall be liable 8 to the state road commission, the county court or the municipality, as the case may be, for damages by reason thereof and the 10 same may be recovered by appropriate action in any court having 11 jurisdiction thereof.

When any money is collected from any of the sources afore30 said, it shall be paid into the state treasury by the officer whose
31 duty it is to collect and account for the same, and credited to the
32 state road fund, and shall be used only for the purposes named in
33 this act, that is to say (1) to pay the principal and interest due
34 on all state bonds issued for the benefit of said fund, and set aside
35 and appropriated for that purpose; (2) to pay the expenses of the
36 administration of said road commission; (3) to pay the ex37 penses and costs of maintenance of all state roads; and (4) to pay
38 the expenses and costs of all construction, re-construction and

42 roads.

The net proceeds of all moneys heretofore collected by the 44 state road commission, or that shall hereafter be collected by the 45 commission created by this act, as license, registration and trans-46 fer taxes, other than special privilege taxes, imposed upon the 47 owners of motor or steam driven vehicles, and the license taxes 48 imposed upon chauffeurs and operators of motor vehicles, or de-49 rived from the government of the United States for road pur-

52 not appropriated and set aside by the commission under contracts
53 made pursuant to law with county courts, shall be used and ex54 pended by the commission for the construction and maintenance
55 of state roads to be taken over by the commission pursuant to
56 the provisions of this act.

57 All moneys heretofore collected, or that shall be hereafter col-58 lected by the commission as special privilege taxes for the calendar 59 year one thousand nine hundred and twenty-one shall be ex-60 pended for the purposes and in the manner provided by chapter 61 sixty-six of the acts of the legislature of one thousand nine hun-62 dred and seventeen.

Location and Establishment of State Roads.

Sec. 16. As soon as may be after this act becomes effective, the 2 state road commission shall locate, establish, construct and main-3 tain under the authority and as herein provided, a system of state 4 roads and highways connecting at least the various county seats 5 of the state and with important roads of adjoining states.

In the location and establishment of said system, the said commission shall give due consideration to the roads and routes designated and approved as Class A roads and routes as of the date
of the passage of this act, and in so far as practicable, having regard to alignment, distance, important cities and towns, facilities of transportation, commercial centers and agricultural sections it shall adopt or take over so much thereof as may be necsessary or advisable for the completed system aforesaid and when
so located and established said system shall be designated and
known as the "State road system."

Any portion or section of the state road system, prior to its 17 being taken over by the commission shall be known and designated as a "State Route."

Sec. 17. The state road commission as soon as practicable 2 after it has located and established a system of state roads, as pro3 vided in the preceding section, shall furnish to the clerks of the 4 county courts of the several counties road maps of their several 5 counties, respectively, showing the state routes designated by 6 said commission constituting the state road system. As sections 7 of such routes are taken over by the state road commission for

8 maintenance or are constructed the commission shall as soon as 9 practicable deliver to the clerk of the county court of each county 10 in which such roads so taken over shall lie, complete record plans 11 of such roads, together with accurate descriptions by metes 12 and bounds of the rights of way thereof, and the said clerk shall 13 file in his office such record plans and record such descriptions of 14 rights of way in the road record book in his office.

Sec. 18. A copy of any map, plat, document, or writing of 2 any character, required to be filed or recorded, by any of the pro3 visions of this act, in the office of the state road commission or 4 in the office of the clerk of any county court, when duly certified 5 or attested by any member of the commission, or by the clerk of 6 the county court as the case may be, may be admitted as evi7 dence, in lieu of the original, in any of the courts of this state.

Sec. 19. No bridge hereafter constructed on any state road, 2 shall be less than eighteen feet wide. All state roads shall occupy 3 a right of way not less than forty feet wide, exclusive of land nec-4 essary for slopes for cuts and fills, unless the commission shall 5 make an order for a different width, which order shall be recorded 6 in the office of the commission, and a duly certified copy thereof 7 shall be delivered by the commission to the clerk of the county 8 court of the county in which such roads shall lie, and the same 9 shall be recorded by the said clerk in the road record book in his 10 office.

As soon as may be after the passage of this act, and 2 when funds are available for that purpose, the state road com-3 mission shall, by an order entered of record, take over and assume 4 charge of the further construction, reconstruction and maintenance 5 of all roads, or sections of roads on the state routes in the several 6 counties which have been improved with a hard surface, and which 7 in the opinion of the commission shall have been constructed and 8 maintained in accordance with approved methods, or in accordance 9 with recognized standard plans and specifications, and said com-10 mission shall also in like manner take over and assume charge of 11 the further maintenance of all graded earth roads on state routes 12 which have been constructed with the aid of the state 13 or federal moneys, or have been constructed in accordance 14 with the standards for state and federal aid road work; provided, 15 that no roads lying within any incorporated town or city having 16 a population of more than two thousand five hundred persons, ex-17 cept the National or Cumberland road through the city of Wheel18 ing, in Ohio county, shall be so taken over by the commission; 19 provided, further, that certified copies of the order required herein 20 to be entered by the commission shall be delivered by it to the 21 clerks of the county courts of the several counties in which the 22 roads to be taken over as provided by this section shall lie; and 23 each of said clerks shall record in the road record book in his office 24 the copy so delivered to him.

Sec. 21. The state road commission is hereby empowered and 2 directed to construct, reconstruct, maintain and repair at the cost 3 and expense of the state, the roads forming the state road system 4 in the several counties of the state as soon as it shall have taken 5 over such roads in the manner herein provided, and to that end 6 the commission may purchase or lease all necessary equipment and 7 materials, and shall appoint and employ all necessary agents, ser-8 vants and employees; and the commission shall have and possess, in the construction and maintenance of the roads constituting 10 parts of the state road system, in addition to the powers conferred 11 upon it by this act, all the rights and powers conferred by law on 12 county courts in the construction and maintenance of county-13 district roads.

Sec. 22. All roads constituting parts of the state road system, 2 as designated and established by the commission, not yet construction, shall be taken over in part from time to time, in the manner 4 hereinbefore provided, as the commission shall be prepared to proceed with construction work thereon, until the whole of such roads 6 shall have been taken over by the said commission.

Method of Distribution of State Road Fund.

Sec. 23. On or before the first day of July, one thousand nine 2 hundred and twenty-one, and every two years thereafter, the state 3 road commission shall ascertain, fix and determine the total 4 amount of available funds for expenditure in the whole state for 5 the construction and reconstruction of state roads and highways 6 therein during such biennial period. Of the amount so ascertained, fixed and determined, the commission may set aside as a 8 "Reserve Fund" not to exceed twenty precentum thereof, to be 9 used and expended by it at its discretion in making desirable 10 connections or economizing in construction. If at the end of any 11 biennial period any money in said reserve fund remains unexpended or unappropriated, it shall be placed in the general funds 13 for reserve and distribution during the next biennial period. The 14 remaining eighty percentum of the funds so fixed and determined,

15 shall be apportioned to the various counties of the state for the 16 construction and reconstruction of the state roads and highways 17 therein in the proportion that the mileage of Class A roads or 18 routes in each county, as heretofore designated and approved under 19 existing law, bears to the total Class A road mileage, as heretofore 20 designated and approved in the entire state. When the apportion-21 ment aforesaid is made, work on construction and reconstruction in each county shall be commenced as soon thereafter as practicable, and prosecuted with all reasonable dispatch until apportationed funds are expended, or until the construction, or recon-25 struction of said roads therein is completed.

When all the state roads in any county shall have been constructed ted or reconstructed, and surfaced, then the allotment for that 28 county shall cease, and the mileage of state roads and routes in 29 such county or counties shall not thereafter be taken into consideration in future apportionments until the state roads in all the 31 counties are constructed and surfaced, or until further construction or reconstruction therein shall become necessary or advisable.

Sec. 24. Except as may be herein otherwise provided, any and 2 all moneys now or hereafter to come into the hands of any county 3 court or incorporated city or town having a population of less 4 than twenty-five hundred persons, as the proceeds of any bond 2 issue or special levy heretofore voted or authorized to be voted in 6-7 any such county, district or incorporated city or town 8 for the construction or improvement of roads or streets, shall be 9 paid out and expended by such court or incorporated city or town, 10 as the case may be, in the manner provided therefor at the time 11 such bond issue or such levy was authorized; provided, that the expenditure of the proceeds of such special levies or bond issues for 13 the construction or improvement of roads or streets constituting 14 a part of the state road system, by any such county court or in-15 corporated city or town, shall be made under the charge and su-16 perintendence of the state road commission.

Any moneys so expended by said county or municipality upon 18 any such state road or route, shall be in addition to and not in di19 minution of the part of the state road fund to be apportioned to 20 such county under the provisions of section twenty-three of this act.
21 All county and district road levies heretofore authorized by any 22 county court, and all contracts heretofore entered into by it, re-

23 lating to the construction or improvement of roads, shall remain 24 valid and effective, and all orders of any county court heretofore 25 made respecting labor and commutation payments by virtue of 26 sections fifty-nine and sixty of chapter forty-three of the code, as 27 amended, shall remain in full force and effect. The funds derived from such levics and commutation, not 29 needed in carrying out any contract heretofore entered into may 30 be expended on any of the roads in such county. Any county 31 court may contract or agree with the state road commission for 32 the expenditure of such fund or any part thereof on the state 33 roads or routes within said county, but the funds so expended shall 34 not be regarded as a part of the allotment of the state road funds to 35 be expended in such county; provided, however, that nothing this act shall be construed as compelling any 37 county or municipality to issue or sell bonds which have been 38 authorized by it but have not been issued or sold; provided, fur-

41 such sale upon any road designated as a state road.
42 Upon the completion of any such work of construction or im43 provement, the road or street so constructed shall be taken over by
44 the commission as a part of the state highway system in the man45 ner herein provided.

39 ther that if said bonds have been sold, nothing herein shall be 40 construed as compelling the expenditure of the funds derived from

Bids and Contracts for State Road Work.

Sec. 25. All work of construction and reconstruction of state 2 roads and bridges, and the furnishing of all materials and sup-3 plies therefor, and for the repair thereof, unless manufactured or 4 assembled by the commission, shall be done and furnished pursu-5 ant to contract, except that the commission shall not be required 6 to award any contract for work or for materials or supplies for 7 an amount less than three thousand dollars. When the commission is about to construct, reconstruct or improve any road or 9 highway, it shall file with the clerk of the county court, or of the 10 municipality, as the case may be, in which such road lies, a certified copy of plans and specifications therefor, and a notice that 12 said commission is about to enter upon and proceed with the 13 work in question. If the said work is to be done, or the materials 14 therefor are to be furnished by contract, the commission shall 15 thereupon advertise for at least four weeks in two newspapers. of

16 opposite politics, if there be such, but if not then in one newspa-17 per, published in each county or municipality in which the 18 road lies, and for one week in at least one daily newspaper pub-19 lished in the city of Charleston, and in such other journals or mag-20 azines as may to the commission seem advisable, for sealed pro-21 posals for the construction or other improvement of said road, and 22 for the furnishing of materials required therefor, accurately de-23 scribing the same, and stating the time and place for opening said 24 proposals, and reserving the right to reject any and all proposals. 25 Said proposals shall be publicly opened and read at the time and 26 place specified in said advertisement, and the contract for such 27 work, or for the supplies or materials required therefor, shall, if 28 let, be awarded by the commission to the lowest responsible bid-29 der for the type of construction selected. 29-a commission shall reject all bids, it thereafter 30 do the work with its own forces or with prison labor, or it 31 may re-advertise in the same manner as before, and let a contract 32 for such work pursuant thereto, but no such contract shall be let at 33 a higher price than the lowest responsible bid theretofore received 34 for the same, without a re-advertisement. In any case where a 35 contract for work and materials shall be let as a result of compet-36 itive bidding, the successful bidder shall promptly and within 37 twenty days after notice of award, execute a formal contract to be 38 approved as to its form, terms and conditions by the commission, 39 and shall also execute and deliver to the commission a good and 40 sufficient surety or collateral bond, payable to the state of West 41 Virginia, to be approved by the commission, in such amount as 42 the commission shall require, but not to exceed one-half of the 43 contract price. To all such bids there shall be attached the certi-44 fied check of the bidder, or bidder's acceptable bond 44-a commission, such amount the commission in as 45 specify in the advertisement, but not to exceed five per centum of 46 the aggregate amount of the bid; provided, that such amount shall 47 never be less than five hundred dollars. The bidder who has the 48 contract awarded to him and who fails within fifteen days after no-49 tice of award, to execute the required contract and bond, shall 50 forfeit the said check or bond and the said check or bond shall be 51 taken and considered as liquidated damages and not as a penalty 52 for failure of said bidder to execute said contract and bond. Upon 53 the execution of said contract and bond by the successful bidder,

54 his check or bond shall be returned to him. The checks or bonds 55 of the unsuccessful bidders shall be returned to them promptly 56 after the bids are opened and the contract awarded to the suc-57 cessful bidder.

Sec. 26. Before the state road commission, or any political 2 subdivision shall let any contract for the paving of any road or 3 highway, it shall determine upon and approve plans and specifi-4 cations for the construction of brick, concrete, asphalt, bituminous 5 or other standard types of paving, suitable for the project confemplated, and shall include in the advertisement and proposals 7 for such work each type of paving so approved.

Sec. 27. Every contract made by the state road commission, 2 under the provisions of this act, shall be made in the name of the 3 state and shall be signed by the state road commission and by the 4 contractor, and shall be approved as to form and regularity by the 5 attorney general of the state or by other competent counsel.

Method of Disbursement.

Sec. 28. The chairman and the secretary of the state road 2 commission shall certify monthly to the state auditor the amount 3 due to each member and each employee of the commission for 4 services as such commissioners and employees, and the auditor 5 shall issue his warrant therefor on the state treasurer, payable 6 out of the state road fund appropriated for such purpose.

Any claim of a contractor or contractors or others, not herein8 after provided for, for labor done or for materials and supplies
9 furnished to the state road commission, pursuant to the pro10 visions of this act, shall be audited by the commission, and, if
11 found to be correct, the commission shall issue its requisition upon
12 the auditor of the state therefor, showing the nature of the said
13 claim and whether it is for labor done or materials and supplies
14 furnished for construction of state roads, or for other purposes,
15 and the said auditor shall issue his warrant upon the state treasur16 er therefor, and the treasurer shall pay the same to the person, firm
17 or corporation entitled thereto, out of the funds in the treasury
18 provided for that purpose.

To provide a fund for the purpose of making prompt payments, 20 refunds on license fees, and to secure cash discounts wherever pos-21 sible, the state road commission may, from time to time, issue its 22 requisition upon the state auditor for such sum as may by it be

23 deemed necessary to pay such claims, and the said auditor shall 24 issue his warrant upon the state treasurer for such amount, sub-25 ject to the limitation imposed by this section, and the treasurer 26 shall pay the same to the said commission out of the road fund 27 or funds provided for that purpose. The commission shall im-28 mediately deposit such funds to its credit in some bank, or banks, 29 designated pursuant to chapter seventeen of the code of West 30 Virginia, as a state depository or depositories. Such requisition 31 upon the auditor shall be accompanied with a statement duly veri-32 fied by a member of the commission, showing the amount of 23 money in the hands of the commission to the credit of the said 34 fund at the time said requisition is presented to the auditor. The 35 amount of such funds in the hands of the commission shall not 36 exceed at any one time the sum of five thousand dollars. When 37 the commission makes such requisition it shall at the same time file 38 with the state auditor an itemized statement, showing what items 39 and amounts have been paid by it out of such fund and for what 40 purpose, and such statement shall be accompanied with a voucher 41 for each item, duly signed by the party to whom payment was 42 made, in consideration of labor done or materials or supplies fur-43 nished to the said commission. The amounts so reported as paid 44 by the commission, under its direction or authority, out of such 45 fund, if found to be correct, shall be reported by the auditor to the 46 said treasurer and credited by him to the commission on account 47 of the advances made to it pursuant to this section; provided, that 48 the commission may require any person, designated by it to make 49 payments or handle any funds pursuant to the provisions of this 50 section, to furnish a bond, conditioned according to law, payable 51 to the state of West Virginia, with good and sufficient surety or 52 sureties, acceptable to the commission, in a sum equal to at least 53 twice the amount of funds coming into the hands or under the 54 control of such person at any one time.

Plants for Manufacture of Road Materials.

Sec. 29. For the purpose of obtaining materials to be used in 2 the construction and maintenance of state roads and highways, the 3 state road commission is hereby authorized and empowered, on 4 behalf of the state, to establish stone quarries, stone crushing 5 plants, brick kilns, cement plants, and other plant or plants 6 deemed by it needful or necessary in the prosecution of its work,

7 as provided by this act, and to acquire lands and appurtenances 8 thereto. The commission shall also have the power to rent, pur-9 chase or condemn, or to acquire by any other lawful means, stone 10 quarries, gravel, clay, sand, and other deposits, with rights of 11 way thereto, and wharves, landings and switches for shipping or 12 receiving materials; to acquire storage places; to hire and pur-13 chase all means of transportation for the same; to remove such 14 materials from such lands and other places; to prepare the said 15 materials for use; and to manufacture such materials into road 16 making products; to purchase all necessary machinery, tools and 17 other equipment; to make such contracts and employ such labor as 18 may be needful or necessary to establish such plants; to acquire, 19 prepare, manufacture and transport such materials for use, and 20 to do all other things needful or necessary in connection with the 21 purchase, production, accumulation and distribution of such 22 materials for the uses aforesaid; and all costs and expenses in-23 cidental thereto shall be paid out of the state road fund. The com-24 mission may sell any surplus of such materials, products or equip-25 ment to any county or counties, or to any municipality of the 26 state, or to any person, firm or corporation, at not less than actual 27 cost or value, exclusively for use in the building of roads, streets 28 and alleys, in this state, and the commission shall pay to the 29 state treasurer the funds received therefor, to be credited to the 30 state road fund.

Whenever the commission shall deem it necessary or desirable 31 32 to acquire such property, rights and easements for the purposes 33 aforesaid, it shall, when possible, enter into an agreement, with 34 the owner or owners of said property, as to the amount of damage, 35 if any, to be paid to them by the state; but in case an agreement 36 satisfactory to the commission and said owner or owners cannot 37 be made, the commission may proceed without delay to take, use 38 and enjoy such property, rights and easements, for the purposes 39 aforesaid; and the owner or owners of said property, rights and 40 easements, damaged thereby, may present their petition to the cir-41 cuit court of the county wherein the property taken shall lie, or 42 where such rights and easements have been so taken and exercised, 43 for the appointment of viewers to ascertain and assess such dam-44 ages, if any. The proceedings upon said petition and by the 45 viewers shall be governed by provisions of section one hundred 46 and thirty-eight of this act.

The commission is empowered to enter into contracts with the 48 proper authorities of other states to establish jointly plants for 49 the preparation and manufacture of cement, brick, stone, and 50 other materials to be used in the construction of roads as provided 51 for herein, and to operate such plants, and acquire all materials 52 and do all other things that may be deemed necessary for the 53 operation thereof and for the more economic prosecution of the 54 work of building and maintaining public roads as provided for 55 by this act.

Sec. 30. All materials of every kind used upon state roads 2 shall be carefully tested, or caused to be tested by the commission, 3 when by it deemed necessary, and no such materials shall be used 4 in the construction or maintenance of any such road until approved in writing by said commission. The county courts of the 6 several counties may make arrangements with said commission for 7 the testing of materials in the construction of county-district 8 roads.

Sec. 31. Whenever it shall be necessary from any cause to 2 acquire any lands for the purpose of constructing, widening, 3 straightening, grading or altering any state road which cannot be 4 acquired at a satisfactory price by purchase or grant, the said 5 commission is hereby empowered to condemn the necessary lands 6 therefor, together with all necessary rights and easements, under 7 the right of eminent domain, or it may proceed as provided in 8 section one hundred and thirty-eight of this act. The cost of 9 all rights of way acquired for any state or county-district road, 10 or roads, or for the purpose of widening, straightening, grading, 11 or altering any such road or roads, shall be paid by the county 12 court of the county in which such road or roads shall lie.

Sec. 32. Whenever the state road commission shall find it 2 necessary to close any state road, about to be constructed or re3 paired under the provisions of this act, so as to permit a proper 4 execution of such work, it may direct a detour by proper signs 5 and guides or provide a new location by the construction of a tem6 porary road to be used by the traveling public in lieu of the closed 7 public road and may erect temporary bridges when necessary.
8 For the purpose of locating such temporary road and bridge, the 9 engineer or other representative of the commission in charge may 10 enter upon the land adjoining or near the closed public road and 11 may, with the approval of the commission, agree with the owner

12 of such lands, for the damages, if any, caused thereby. If the 13 engineer or other representative of the commission is unable to 14 agree with such owner for the amount of damages, if any, the 15 amount thereof shall be ascertained, determined and paid in the 16 manner and pursuant to the procedure provided by section twenty-17 nine of this act, and pending such determination the commission 18 may proceed without delay to take, use and enjoy such property 19 and easements for the purpose aforesaid.

Sec. 33. The state road commission shall not construct, re-2 construct, improve or repair any section of a state road or high-3 way within any city or incorporated town, until such city or in-4 corporated town shall have been given notice and a reasonable 5 opportunity to lay all necessary pipes and make all necessary con-6 nections for sewerage, water, gas, heating, lighting and any other 7 purpose whatsoever, where the duty to lay such pipes and make 8 such connections is imposed by law upon such city or town; and 9 shall, by ordinance duly passed by the city or town council, com-10 pel all public service companies and abutting property owners to 11 lay all necessary pipes and to make all necessary connections for 12 sewerage, water, gas, heating, lighting or any other purposes what-13 soever, along and in the line of said section of state road or high-14 way before the work of construction, reconstruction or improve-15 ment of the same is started; but in the event that such city or town. 16 after it shall have been served with notice in writing by said com-17 mission of its intention to improve such street or highway, and 18 shall have been requested to lay all necessary pipe and make all 19 necessary connections, as aforesaid, and to compel all public 20 service companies and abutting property owners to lay all neces-21 sary pipes and make all necessary connections for the purposes 22 aforesaid, shall fail to comply with such request, within 23 sixty days after service of such notice, the commission 24 may thereupon lay such pipes and make such connections, 24-a and the necessary cost and expense thereof shall be chargeable by 25 the commission against such city or town; and upon the neglect 26 or refusal of such city, town or public service company, to pay 27 such costs and expenses within sixty days after the completion of 28 the laying of such pipes and making such connections, the com-29 mission may collect the same by proper action in any court hav-30 ing jurisdiction thereof; provided, that such costs and expenses 31 shall not be chargeable against any such city or town to the extent 32 that the same would impose an indebtedness against such city 33 or town in excess of the amount allowed by existing law.

Sec. 104. The county court of any county may contract or 2 pay for making, improving and keeping in order the whole or any 3 part of any county-district road within the county. The court 4 may permanently improve by the use of asphaltum, concrete. 5 brick, stone, block, or by macadamizing or other process of equal 6 merit, the county-district roads within its county, and may con7 tract therefor with any contractor for the use of any of the fore8 going systems and take bonds and security in a penalty equal to 9 fifty per centum of the estimated cost of the work in question, 10 from any such contractor for the faithful performance of his con11 tract.

The county court shall have authority to designate as a connecting part of a county-district road any street, or portion of a street, in any incorporated city, town or village, having a population of less than twenty-five hundred persons, and may expend labor and money thereon as far as may be necessary to put the same in good condition, and the municipality shall thereafter maintain the same in good condition; but in case such municipality is financially unable to maintain the same in good condition, or to construct and maintain any bridge on any county-district road within its corporate limits, the county court shall construct and

22 maintain the same, or aid in constructing and maintaining the 23 same to the extent that may be necessary in order to supplement 24 the funds of the municipality available or that may be made avail-25 able for that purpose. A county court may purchase or construct 26 and maintain, or may aid any municipality within the county in 27 the purchase or construction and in the maintenance of any bridge 28 already constructed or in process of construction or which may 29 hereafter be constructed by such municipality, whether such 30 bridge be located or intended for location wholly within the 31 county or across the boundary thereof. The county court of 32 any county may take over any bridge, road or street theretofore 33 built by any municipality and lying within its limits and designated 34 by the county court as a connecting part of a county-district road, 35 when requested so to do by the authorities of such municipality, 36 and thereafter maintain the same.

Such petition shall contain a statement speci-

18 fying the roads to be built and improved, and a prayer for the 19 submission of a road bond proposition or a special road fund levy 20 proposition to provide funds for such improvements. Upon the 21 filing of such petition with the clerk of the county court, said 22 court shall without delay instruct the county engineer, or some 23 other engineer specially employed by it, or apply to the state road 24 commission for an engineer to make an investigation and to report 25 to the court an estimate of the probable cost of the proposed 26 improvement. Upon the approval of such proposed plan, said court 27 shall submit to the legal voters of the county, district or dis-28 tricts, a proposition for such issue and sale of bonds, or for such 29 special road fund levy, as the case may be. The order of the 30 county court submitting such proposition shall contain a summary 31 of the report herein provided for, setting forth the approximate 32 extent and estimated cost of the proposed road improvement, the 33 kind and class of work, the valuation of all the property of the 34 county, district or districts as the case may be, and the existing 35 indebtedness. Such order shall specify the work for which the 36 money to be raised by the sale of bonds or the laying of a special 37 road fund levy is to be appropriated, and shall provide that no part 38 of the proceeds of such bonds or levy shall be used for any other 39 purpose than the improvement of the road or roads specified in 40 such order; subject to the power and rights of the county court 41 to alter or change the location of any such road so as to obtain a 42 better grade or alignment thereof or to reduce the cost of con-43 struction, improvement or maintenance. The county court shall 44 cause a vote to be taken upon the question of such bond issue or 45 such levy at the several voting places in said county, district or 46 districts, at the succeeding general election for state and county 47 officers, or any special election which is first held in the county 48 after such vote is ordered taken; or, if the petition so specifies, the 49 court shall order a special election for the purpose within ninety 50 days from the ccrtification of approval of the engineer's report . 51 herein provided for; but such order for any election on the ques-52 tion of a bond issue or a special road fund levy together with a 53 summary of the engineer's report herein provided for, shall be 54 published throughout the said county, district or districts, in 55 which said vote is to be taken, in the following manner: 56

The clerk of the county court shall cause as many copies of such

57 order to be made or printed as may be necessary, and sign the 58 same; he shall forthwith post one in a conspicuous place in his 59 office, and one at the front door of the court house.

The court shall direct a copy to be published once each week for four consecutive weeks prior to the date of said election in 62 two newspapers of opposite politics, if such there be, published 63 in said county, district or districts, or if there be no such news-64 papers then in some newspaper of general circulation therein.

Sec. 107. A vote shall thereupon be taken and the result as2 certained under the regulations prescribed for a general elec3 tion of county and district officers; or, if the said vote is taken
4 at a special election ordered for the purpose, the same shall be
5 held by commissioners appointed for the purpose by the county
6 court at the time said election is ordered, and the result shall be
7 ascertained and certified according to the regulations prescribed
8 by law for ascertaining and certifying the election of county and
9 district officers.

The ballots used in taking such poll shall be the same as those 11 used in voting for officers at the general election for state and 12 county officers, except, when the same is taken at a special election, as herein before provided, and there shall be written or printed 14 thereon a brief statement of the question submitted, such as, in the 15 case of a bond election:

20 "For Road Bond Issue and Levy for Payment."

21 "Against Road Bond Issue and Levy for Payment."

22 and in the case of an election on a special road fund levy propo-23 sition:

26 according to the order of the.....

27 entered on theday of...........; and directly 28 underneath, in two separate lines, shall be printed the words:

29 "For Special Road Fund Levy."

30 "Against Special Road Fund Levy."

31 If it shall appear by said poll that not less than three-fifths of

32 the voters of the county or magisterial district or group of dis-33 tricts, who voted upon the proposed issuance of bonds or the pro-34-35 posed special road fund levy, have voted in favor of the same, the 36 county court shall then have authority to issue the amount of 37 the bonds or to lay the levy so voted in the name of the county, 38 magisterial district, or magisterial districts grouped together for 39 the purpose of making one improvement, or any less amount, on 40 any such terms as they may deem advisable, and provide for the 41 payment of such bonds by taxation on the county, district or group 42 of districts, or to lay such levy, as the case may be.

The county court shall have authority to issue and shall issue 44 as provided by law, said bonds for and in the name of said county, 45 district or group of districts, and shall make provision for the 46 payment of principal and interest of the same by said county, district or group of districts as is specified in the order under which 48 said vote is taken, or shall lay such levy on all the taxable property 49 of such county, district or group of districts, as the case may be.

The president of the county court shall have power, when so di-51 rected by such court, by an order entered of record therein, to 52 execute, sell and deliver the bonds of said county, district or dis-53 tricts and receive the proceeds therefrom. The said bonds of 54 said county, district or group of districts shall be valid and binding 55 thereon when signed by the president of the county court of such 56 county and countersigned by the clerk thereof, with the seal of 57 the county attached thereto.

Sec. 108. The proceeds of such bond issue or of such special 2 road fund levy shall constitute a fund to be expended by the 3 county court for the purpose specified in the order under which 4 said vote was taken, and for no other purpose. This section and 5 the two sections hereof immediately preceding shall be so confirmed as to permit a single district or group of districts to issue 7 bonds or authorize such levy for the construction and improvement of county-district roads in such district or districts; provided, however, that the interest accruing from the deposit of 10 funds derived from the sale of county or district road bonds in 11 any and all county depositories shall be credited to the county or 2 district road bond fund, as the case may be, by the sheriff of the 13 county.

Sec. 109. No county wherein any magisterial district or dis-2 tricts have heretofore issued bonds for the construction of roads 3 and such district bonds, or any part thereof, are still outstanding
4 and unpaid, shall authorize the issuance of county road bonds
5 or authorize a special county road fund levy as provided in sec6 tion one hundred and six and section one hundred and seven of
7 this act, unless three-fifths of the voters of each of such district or
8 districts, who vote on any such county or district bond proposi9 tion or such county or district proposition for a special road fund
10 levy, shall vote in favor of such bond proposition, or such special
11 road fund levy proposition in an election at which such county
12 or district proposition may be submitted under the provisions of
13 this act.

Sec. 110. In addition to the general county and district levy, 2 the county court shall lay a district levy not to exceed fifteen cents 3 on each one hundred dollars' assessed valuation of all taxable 4 property in each of the several districts of said county, the pro-5 ceeds of which shall be known as the district road fund of such 6 district, and shall be expended only for the construction, improve-7 ment and maintenance of the county-district roads and parts 8 thereof in said district, and for the construction and maintenance 9 of bridges thereon after said roads are properly located. In case 10 of calamity, such as floods and the like, which shall result in un-11 usual damage, or the washing away of bridges or roads, 12 or other urgent necessity, the county court of any county, with the 13 written approval of the state tax commissioner, may lay a special 14 emergency district levy in excess of the dictrict road levy hereinbe-15 fore provided, not to exceed ten cents on each one hundred dollars' 16 assessed valuation of the taxable property of the district, for such 17 year or years as may be named in such approval, but in no case 18 shall the combined district road levy and emergency district levy, 19 exceed twenty-five cents on each one hundred dollars' assessed val-20 uation of the taxable property of said district.

Nothing contained in section two of chapter twenty-eight-a of 22 the code shall be so construed as to limit the power and authority 23 of the county court to lay the respective county and district road 24 levies provided for in this act, though by so doing the total levies 25 laid may exceed the limit provided by said section.

Sec. 111. The county court of each county shall levy for road 2 purposes a capitation tax of one dollar on each male inhabitant 3 of the county who has attained the age of twenty-one years and

4 who is not a pauper or of unsound mind; such capitation tax 5 shall be collected by the assessor as provided by section fifty-three 6 of chapter twenty-nine of the code, and the proceeds thereof shall 7 be credited to the county road fund.

With the consent of the owner of land in which a 2 change is proposed to be made, given in writing, setting forth the 3 exact changes proposed, the county road engineer or supervisor 4 may change any county-district road in his county; provided, 5 such change does not materially increase the length or grade or 6 require more work to keep the road in repair, or place the same 7 on worse ground than it was before such change, or render the 8 said road in any respect worse than it was before the change.

Sec. 136. The county court of the county may, upon petition, 2 direct that any county-district road, bridge or landing other 3 than a turnpike, or bridge or landing in which private citizens 4 may hold a majority of the stock, be discontinued, but notice of 5 such petition must be published according to the provisions of this 6 act, and in addition, notices must be placed at three public places 7 in every district in which any part of the said road or landing may Upon such petition, after notice given as aforesaid, the 9 county court shall appoint two or more viewers or a committee of 10 their own body, who, together with the county road engineer, shall 11 view such road or landing and report in writing whether, in their 12 opinion, any, and if so, what inconvenience would result from dis-13 continuing the same. Upon such report and other evidence, if any, 14 the court may discontinue the road, bridge or landing, taking care 15 in the case of an established post road, not to discontinue the 16 same until another has been established.

Sec. 137. When any person desires the establishment or altera2 tion of a county-district road, bridge or landing in any county,
3 he shall petition the county court of the county in which the
4 road, bridge or landing is situated, setting forth in his peti5 tion specifically the nature and location of the proposed work,
6 and the county court shall thereupon (and they may do so without
7 such petition in any case in which they deem the interests of the
8 people of the county require it) appoint two or more viewers, or a
9 committee of their own body, who together with the county road
10 engineer, shall view the ground and report in writing the advan11 tages and disadvantages which, in their opinion, will result as
12 well to individuals as to the public from the proposed work and
13 the grades and bearings of the proposed roads and the facts and

14 circumstances that may be useful to enable the county court to 15 determine whether such work ought to be undertaken by the 16 county, or if the petition be for the establishment or alteration of 17 a county-district road leading from another public road or roads, 18 whether such road should be established, stating specifically 19 whether it would be necessary to take any burying ground, garden. 20 yard, orchard or any part thereof or to injure or destroy any 21 buildings and the probable cost of the work, the names of the land 22 owners whose property would have to be taken or injured, which 23 of them would require compensation and the probable amount to 24 which each of them would be entitled. They shall make careful 25 examination of other routes or locations than that proposed or 26 petitioned for, keeping in view at all times the possible future 27 development of the country and the accommodation of the general 28 traveling public, and shall report in favor of the one they prefer, 29 with the reasons for their preference. A map giving the grades 30 and bearings of the routes and locations shall be returned with 31 their report. The report may be recommitted by the court, with 32 or without special instructions, or upon petition, or upon their 33 own motion the court may appoint a special committee of viewers, 34 who shall make examination and report according to the provisions 35 of this section. In any case where it shall appear to the county 36 court that the interests of the general public may be promoted 37 thereby, they shall personally examine the proposed work, or shall 38 appoint a committee of their own body to make examination as 39 herein provided.

If the court at any time have sufficient evidence before it to 41 enable it to ascertain what would be a just compensation to the 42 proprietors and tenants, and if such proprietors and tenants are 43 willing to accept what the court deems just, the said court upon 44 such acceptance, being reduced to writing and signed by the 45 proprietors and tenants, may determine to undertake the work.

Sec. 138. Upon hearing the parties interested in an applica-2 tion for a county-district road, said county court shall decide for 3-4 or against undertaking the proposed work on behalf of the county. 5 If it decides in favor of the same and the compensation for dam-6 ages, if any, to be paid to any proprietor or tenant be not fixed by 7 agreement, it shall order proceedings to be instituted and pre-8 sented in its corporate name in the circuit court of the county, 9 pursuant to chapter forty-two of the code of West Virginia, to ascer10 tain what will be a just compensation, if any, to each proprietor or 11 tenant for the land proposed to be taken, and the said court shall 12 lay a sufficient levy for that purpose. But when such compensa-13 tion, if any, shall be so ascertained, it shall be at the option of the 14 county court to pay the same or to abandon the proposed under-15 taking. If it decides to pay the same, it shall lay a sufficient levy, 16 for that purpose as provided in this act. In any case where the 17 petition is for the establishment or alteration of a county-district 18 road leading from the main public road or roads, the court may 19 refuse to undertake the proposed work, unless the petitioner or 20 some one for him, shall deposit with said county court a sufficient 21 sum to pay all damages and costs sustained by reason of the es-22 tablishment or alteration of such road. In such case, if it seems 23 proper so to do, the court may establish any such road, upon con-24 ditions that the petitioner shall pay all costs and damages as 25 aforesaid, and make and keep in repair such road, and erect and 26 maintain in good repair one or more gates across such road where 27 the road passes through a fence or fences, as is provided in section 28 one hundred and sixty-nine of this act; and the court may also 29 impose upon such petitioner, his heirs or assigns, and upon the 30 public such other conditions in reference to such road as the 31 court may deem just. In the event that any of the conditions, so 32 imposed by the court are not fully complied with, the court at 33 any time, after giving at least sixty days notice to the public and 34 to the petitioner, his heirs or assigns, in such manner as the court 35 may prescribe, may discontinue or ahandon such road.

But the court, instead of proceeding in the manner hereinbefore provided in this section, is authorized to enter upon any
lands, other than those prohibited by law, and locate and build
said road, and sixty days after said road is completed, cause to be
summoned thirteen freeholders, to be nominated by the court, of
the whom the court may strike off four or any less number from the
list, and the property owners or their representatives, or such of
them as appear, may also strike off four or any less number, and
after eight names are stricken from the list the remaining five
shall be commissioners appointed to assess the damages hereindefined for provided. But where there is no appearance for the proptry owners, or if they appear and do not agree as to any one or
more of the names to be stricken off on their behalf, or the right
to strike off any one or more names is waived on the part of either

50 of the property owners, or their representatives, or from any 51 cause the full number shall not be stricken off by the court or 52 the parties aforesaid, the names or additional names, as the case 53 may be, to be stricken from the list in order to reduce the number 54 to five, shall be ascertained by lot under the direction of the court. 55 Vacancies shall be filled, and any commissioner, for good cause 56 shown, may be removed by the court.

The said freeholders or commissioners shall go upon the land and assess the damages and benefits, taking into consideration the benefits accruing to the property and the damages to it sustained, and shall fix the compensation or damages as said commissioners and may see proper, and the amount so fixed shall be paid out of the road fund of the county or district at the discretion of the court.

If the damage so assessed be not satisfactory to the property 64 owner or owners, proprietor or tenant, or to the court, he or they, 65 or said court, may within six months after the assessment afore-66 said, appeal or apply to the circuit court of the county and de-67 mand a trial therein, as in other condemnation proceedings; pro-68 vided, however, before entering upon said land as authorized by 69 this section, it shall be the duty of the county court or its repre-70 sentative to serve notice upon the owner or owners of said land, 71 as provided by law, notifying such owner or owners that the road 72 is to be located upon their land under the authority of this sec-Any person who shall obstruct said road while in process 74 of construction or repair, or interfere with the engineer or other 75 persons in charge of said work or construction, their agents or 76 employees, shall be guilty of a misdemeanor and upon conviction 77 thereof shall be fined not to exceed fifty dollars, and may be 78 imprisoned not to exceed one month, or both, in the discretion 79 of the court.

80 In any proceeding authorized by this section, the revenues ap-81 plicable to the payment of any damage assessed shall be deemed 82 sufficient security, and to have been pledged for the payment 83 thereof.

Sec. 139. When it is necessary to build or repair a toll 2 bridge on any county-district road, or to purchase any existing 3 toll bridge on such road within any county, or across the boundary 4 thereof, the county court of the county may contract for the same, 5 or any part thereof on such terms as may be agreed upon and take 6 bond and security from the contractors in the sum of fifty per

7 cent of the amount of such contract, and pay for the same out of 8 the county treasury or out of the funds of the district or districts 9 in which said improvement is located, or by issuing bonds or other 10 evidence of debt for the amount as may be agreed upon; and to 11 this end they shall appoint a competent engineer to make a thor-12 ough investigation and estimate of the cost of such improvement. 13 Upon receiving the estimate of cost, the court, being satisfied with 14 the correctness of same and the necessity and importance of such 15 improvement, may advertise for and receive proposals and make 16 such other orders in the premises from time to time as shall be 17 necessary and proper.

Sec. 140. When it becomes necessary to build or repair any 2 bridge across any stream on a county-district road on the line 3 between two counties, or to keep in repair any county-district 4 road or roads between two counties, or along the boundary lines 5 thereof, the county courts of such counties may enter into such 6 agreement therefor, as to them shall seem best; but if they dis-7 agree in relation thereto, it shall be the duty of the county 8 court of each county to appoint two special commissioners, who, 9 together with the county road engineer or road supervisor of each 10 county, shall meet and arrange the matter, and if they should 11 disagree, or if the court of either county, upon being required so 12 to do, shall fail to appoint commissioners, or if either court 13 shall fail in any respect to fulfill its part of the agreement with 14 respect to the work, the remedy by mandamus shall lie before 15 the circuit court of the county whose county court is complained 16 of on behalf of the county court of the other county, and the 17 circuit court shall compel the county court complained of, to do 18 what ought to be done in the matter.

Sec. 141. The county courts of any two or more adjoin-2 ing counties are hereby authorized and empowered, where the 3 interests of the public in both or all of such counties will be 4 served thereby, to join in the construction and maintenance of 5 bridges at points convenient to the public, and may locate such 6 bridge wholly within one county; but before beginning the con-7 struction of such bridge the county court of the counties inter-8 ested shall enter into a contract designating the location of such 9 bridge and agreeing upon the proportionate part of the cost of con-10 struction and maintenance thereof to be borne by each county, 11 which contract shall be entered of record in each of said counties; 12 provided, however, that no county shall join in the construction of 13 a bridge wholly within another county when such bridge is located 14 more than one mile from the line of either county; provided, 15 further, that any county in which such bridge is located shall 16 pay at least one-half of the cost of the construction and main-17 tenance thereof.

Sec. 142. If the county courts shall determine to make 2 such improvements, they shall have prepared plans and speci-3 fications for such work, and shall advertise for bids as provided 4 in section one hundred and fifty of this act in each of the counties, 5 and the contract shall be awarded to the lowest responsible bid-6 der who shall furnish satisfactory security to be approved by said 7 county courts, and said county courts voting separately shall approve the plans and specifications, and shall jointly award the 9 contract.

The commissioners of said county courts with the county road 11 engineer of each of the counties, shall constitute a joint committee and such joint committee shall receive the bids at the 13 time and place specified in the advertisemnt and shall open and 14 publicly announce the items comprising each bid according to the 15 provisions of section one hundred and fifty of this act, and the 16 members of the committee from each county shall forthwith re-17 port such bids to their respective county courts for action there-18 on.

Sec. 143. The contract for such work shall specify such 2 share or portion of the costs thereof as is to be borne and paid 3 by each county court, and each county court shall be sev-4 erally liable for such share or proportion.

Scc. 144. After the completion of the work, the improvement 2 so made shall be maintained by the county court or courts 3 or other authorities of the counties or other political sub-divisions 4 joining in the improvement, which shall bear and pay the same 5 share and cost of maintenance and repair that they severally 6 bore toward the cost of the improvement.

Sec. 145. It shall be the duty of the clerk of the county 2 court to keep a complete record in the road record book in 3 his office of all titles to rights of ways, all maps, plats and sur-4 veys, and all discontinuances of county-district roads within 5 the county, which are now, or may hereafter be reported to the 6 county court of the county.

Sec. 146. Any person or persons who may desire to do so, 2 with the permission of the state road commission as to state 3 roads, and the county court as to county-district roads, may build 4 a sidewalk, composed of plank, gravel, concrete or other suitable 5 material, along the side of any public road in this state; pro-6 vided that the construction and repairing of the same and the 7 use thereof shall be without expense of any kind to the public 8 or to any person who may want to use the same; provided 9 further, that all persons who may desire, be permitted to use the 10 same and that said sidewalk does not in any way interfere with 11 the traveling public on any public road; and such sidewalk shall 12 be removed if ordered by the commission or by the county court, 13 as the case may be; provided further, that if it is desired to build 14 any such walk in a city or incorporated town, the consent of the 15 council of such city or town shall be obtained before such walk 16 is built.

Sec. 147. Any person or persons who shall in any manner de-2 stroy, take up, or in any way injure any sidewalk already con-3 structed, or that may hereafter be constructed according to the 4 provisions of the foregoing section, and shall fail to repair the 5 same, shall be deemed guilty of a misdemeanor, and on conviction 6 thereof, shall be fined not less than five nor more than fifty dollars.

Sec. 148. Nothing contained in this act shall be construed to 2 take from the jurisdiction, charge or control of the council, trus3 tees or other authority of any incorporated city, town or village,
4 so much of any county-district road, bridge landing or wharf, as
5 by the laws now in force, is exclusively under such jurisdiction,
6 charge or control, and authority is hereby given to such cities,
7 towns, and villages to make and enforce by-laws, resolutions,
8 ordinance or other appropriate orders, rules and regulations
9 governing the streets and alleys within their respective bor10 ders and the traffic thereon; provided, however, that where any
11 street or alley in such municipality constitutes a connecting link
12 in the system of state roads and highways, the speed and load limit
13 shall be in conformity with that prescribed on state roads and
14 highways.

Sec. 149. In addition to and independently of the powers and 2 duties given to and imposed upon the state road commission, upon 3 the county courts of the several counties of the state, and the count cils, or other municipal authorities acting in lieu thereof, of in-

5 corporated cities and towns, by the general traffic rules and regu6 lations in this act prescribed, the said commission as to state
7 roads, the county courts as to county-district roads, and the coun8 cils or other bodies acting in lieu thereof as to streets and alleys
9 in incorporated cities and towns, (except as to streets forming
10 a part of the state road system,) shall have power and authority
11 to classify their respective roads, streets and alleys and designate
12 such class of vehicles, kind of wheel base or bearing and loading
13 that may travel theron. Such regulation shall be by proper order
14 or ordinance duly made and entered designating the road or roads,
15 street or streets affected thereby.

Be it enacted by the Legislature of West Virginia:

Section 1. There is hereby established for the treatment and 2 training of mental defectives a state institution to be known as 3 the "West Virginia Training School." It shall belong to that class 4 of institutions mentioned in section three, chapter fifteen-m of the 5 code, and shall be managed and controlled as provided in said chap-6 ter, all the provisions whereof shall be applicable to said school

- 7 except as in this act provided. The chief executive officer thereof.
- 8 shall be a superintendent, who shall be a legally qualified physician,
- 9 scientifically trained in mental medicine and of not less than five
- 10 years' experience in the treatment and care of insane persons and
- 11 mental defectives, and who shall be appointed by the governor
- 12 with the advice and consent of the senate.

- Sec. 2. As soon as practicable hereafter the state board of 2 control shall select and acquire a suitable site and adequate lands, 3 construct the necessary buildings and purchase the necessary 4 equipment for said school. The state board of education 5 shall have general control and management of the educational 6 affairs of said school when established and shall employ professors and teachers for said school and shall fix a yearly and monthly 8 salary to be paid to each person so employed, to be approved by 9 the state board of control, according to law.
- Sec. 3. There shall be admitted to said school any person with 2 mental defectiveness from birth or au early age, so pronounced 3 that he or she is unable to care for himself or herself and manage 4 his or her affairs with ordinary prudence, and who because of 5 mental defect is a menace to the happiness and welfare of himself 6 or herself or of others in the community, and therefore requires 7 care, training or control for the protection of himself or herself 8 or of others, and yet who is not insane. This type of persons, 9 commonly classed as feeble-minded, including idiots, imbeciles 10 and morons, shall be known and designated as mental defectives 11 for the purposes of this act. Should the school at any time not 12 be able to accommodate all persons of such class offered for ad13 mission, preference in admission shall be given to children and 14 women of child-bearing age.
- Sec. 4. Mental defectives shall be admitted to said school in 2 the following manner:
- 4 diction of all applicants for commitment of persons to said school.
 5 Any relative of a person affected may make application, by com6 plaint under oath, to have the person adjudged a mental defective;
 7 but when the relatives of a mentally defective person either neg8 lect or refuse to place said person in said school, or in some
 9 private institution of a like nature, and shall permit him or her
 10 to go at large, then any reputable citizen of the county may, by
 11 complaint under oath, make application to the mental hygiene
 12 commission for such commitment; and said complaint shall not
 13 be subject to exception for defects of form. When application is
 14 filed for commitment of an alleged mentally defective person,
 15 the commission shall appoint two physicians to examine such
 16 person and determine whether or not he is mentally defective.
 17 Beth of these physicians shall be selected as being the most ca-

18 pable physicians available because of knowledge of and training 19 in mental medicine, and neither of them shall be related in 20 any wise to the person sought to be committed.

21 (b) Where any court of the state has on trial before it a 22 prisoner for an offense, and the judge shall have cause to believe 23 that the prisoner is mentally defective, he may appoint two phy-24 sicians as aforesaid to examine the prisoner, to ascertain whether 25 or not he is in reality mentally defective; and if said physicians 26 shall pronounce said prisoner to be mentally defective, the judge 27 may commit him to said school.

In either of the cases named above, the physicians making the examination shall be required to make such examination complete and thorough, both mentally and physically, and shall be required to make to the commission or court appointing them certification as to their findings in the matter. This certification shall be in the form prescribed by the state board of control, and shall be made in duplicate, one copy of the same being sent with the patient when committed to the school, and the other copy being filed with the commission or court committing such person; and it shall be the duty of the superintendent of said school to refuse admission to any person unless he or she shall present a copy of said certification.

The commission or court, by order, shall designate some rep-41 utable person to convey such mentally defective person to the 42 school and to protect such person until such time as he or she 43 can be conveyed to the institution. In the case of a female be-44 ing taken to the school, a female attendant must be provided.

All expenses connected with the commitment of persons here-46 under and conveying of such mentally defective person to the 47 school shall be borne by the county in which said person has legal 48 settlement.

49 (c) The relative, guardian or friend of any inmate of any 50 state institution shall have the right and power to apply to the 51 mental hygiene commission for an order directing an examination 52 of said inmate, in the manner aforesaid, to determine whether 53 or not he or she is mentally defective, then the said commission 54 shall have the right to remove him or her from the institution 55 in which said inmate may be, and commit him or her to the 56 "West Virginia Training School"; provided, that this clause 57 shall apply only to those who might in the first instance have 58 been committed to said school.

Sec. 5. The training and treatment of persons admitted to 2 the school shall be along such educational, medical and indus-3 trial lines as have proved most effective in approved institutions for mental defectives. The medical staff of such institution, and the medical staffs of Weston, Spencer and Huntington 6 state hospitals, are hereby authorized to administer such medical 7 treatment and perform such surgical operations for the inmates 8 therein as may be necessary and expedient for the cure and pre-9 vention of mental defectiveness or disease.

Sec. 6. When, in the judgment of the superintendent of the 2 school, a patient or inmate thereof shall, under the treatment and 3 training given therein, improve mentally and physically to such 4 an extent as no longer to constitute a menace to himself or 5 others, the superintendent shall have the right and it shall be 6 his duty to parole such person, under such rules and regulations 7 as the board of control may prescribe.

Sec. 7. That sections four, six, eight, nine, ten, cleven, twelve, 2 thirteen, nineteen, twenty, twenty-three, twenty-seven, twenty-eight, 3 twenty-nine, thirty-three and thirty-four of chapter fifty-eight 4 of the code of one thousand nine hundred and sixteen, be amended 5 and re-enacted so as to read as follows:

There is hereby established in each county a mental 2 hygiene commission, to be composed of the president of the 3 county court, the prosecuting attorney and the clerk of the county 4 court, who shall serve as such without compensation, except for 5 traveling or other necessary expenses incurred in the discharge 6 of their duties as members of the commission, which expenses 7 shall be audited by the county court and paid out of the county 8 treasury; provided, that if the president of the county court 9 shall not reside conveniently to the county seat and for that 10 reason, or for other reason, shall desire not to serve as a mem-11 ber of the commission, the county court may choose one of its other 12 members as a member of said commission. The president of 13 the county court, or other member thereof chosen in his stead. 14 as above provided, shall be the chairman of the commission. 15 his absence, the prosecuting attorney shall act as such chair-16 man, the clerk of the county court shall be the clerk of the com-17 mission, and shall keep in a proper book provided for the pur-18 pose the full and careful proceedings of all the acts, orders and 19 resolutions of the commission. Two members of the commission 20 shall be a quorum thereof.

"Sec. 6. If the person so found to be a lunatic by the com-2 mission is a resident of another county of this state, the com-3 mission shall make up and transmit to the sheriff of its county 4 a copy of the evidence taken on the examination of such person, 5 and shall find and certify to the sheriff the following facts con-6 cerning such person, namely: His name, color, age and sex, 7 and the county of which he is a resident, giving the name of 8 the city, town or postoffice of such residence, if known. Such 9 certificate and copy of the evidence shall be signed by the chair-10 man and clerk of the commission, attested by the seal of the 11 county. Upon receipt of such certificate and copy of evidence, 12 the sheriff shall thereupon remove such person to the county of 13 which he is a resident and deliver him into the custody of the 14 clerk of the county court; or, in his absence, to the sheriff, and 15 take a receipt in writing for him, which shall show the name of 16 such insane person, the date of delivery, the person who delivered 17 him and the person receiving him. The sheriff shall make due 18 return to the clerk of the county court of his county, showing 19 the manner in which he removed such insane person, making the 20 above mentioned receipt part of such return. Such return shall 21 be entered by the county clerk in the record of the proceedings 22 of the county mental hygiene commission. The expenses neces-23 sarily incurred in effecting such removal, including the compensa-24 tion to the person making the same, not to exceed three dollars 25 per day, and one guard when necessary, not to exceed one dollar 26 and a half per day, for each day actually so employed, shall be 27 paid out of the county treasury, and shall be refunded to the 28 county paying the same by the county court of the county to 29 which such lunatic was removed and of which he was a resident. 30 The mental hygiene commission of the last named county shall 31 proceed in the case of such lunatic as in the case of a person 32 brought before them charged with being a lunatic, and in such 33 case may consider the evidence and certificate delivered to them 34 by the commission of the other county.

"Sec. 8. The superintendent of the hospital to whom applica-2 tion is made as hereinbefore provided, shall, on receipt of such 3 application, carefully consider the same, and if he be of the 4 opinion that the person named is a proper one to be admitted to 5 his institution, and there is room for him therein, he shall, with-6 out delay, cause such person to be brought to his hospital by one of 7 the attendants thereof, the actual expenses whereof shall be paid 8 out of the proper fund of the hospital, and repaid to the state by 9 the county as hereinafter provided. If there be no room in the 10 hospital to which the application is made, the superintendent 11 thereof shall immediately communicate the fact to the state board, 12 which he may do when deemed necessary by telegraph or tele-13 phone, and transmit the commitment papers to the state board, 14 whose duty it shall be to ascertain whether there is room in any 15 one of the other hospitals, and if there is, to cause him to be 16 admitted thereto, and the superintendent thereof to send attendant 17 for such person; provided, that any reputable and trustworthy 18 relative or friend of such insane person may be allowed by the 19 county mental hygiene commission to deliver him to the hospital, 20 if such relative or friend will do so, without expense to the county 21 or state.

When a person committed to a state hospital is re-2 ceived therein he shall be carefully examined by the superintend-3 ent and the assistant thereof, who are hereby constituted the 4 examining board of such institution. Such examination shall be 5 made as soon after such person is received in the hospital as may 6 be prudent; and, if from such examination (or from a subsequent 7 examination, if the first one be not satisfactory to the examining 8 board) he is found to be insane and a proper person to be re-9 ceived therein, he shall be registered as an inmate of such hos-10 pital, and receive maintenance, treatment and care therein; but 11 if he is not a proper person to be received in such hospital, or 12 if in the opinion of the examining board such person be not in-13 sane, the superintendent shall cause him to be returned by an 14 attendant to the sheriff of the county from which he was received. 15 On receiving any such person it shall be the duty of the sheriff 16 immediately to notify the clerk of the county court thereof; and 17 it shall be the duty of the mental hygiene commission of such 18 county promptly to consider and dispose of such case.

"Sec. 10. The county court of any county may make contract 2 with two or more competent physicians respecting the compensa-3 tion to be paid to them for their services in examining lunatics 4 and other persons brought before the mental hygiene commission 5 of the county, the county court, or the circuit court, or confined 6 in jail. The compensation of physicians, of all witnesses, and 7 of all other persons and officers whose compensation is not fixed

8 in this chapter or by any other law, employed in examination of 9 such persons, or for their care and maintenance, or for other 10 services in connection therewith, unless the same shall have been 11 agreed upon before or at the time such service was performed, 12 or is fixed by law, shall be such as may be prescribed by the county 13 court of the county, and shall be paid out of the county treasury.

Any resident of this state who is in the early stages 2 of insanity, or believes himself about to become insane, or any 3 epileptic who is not insane, or any other person so afflicted as to 4 believe that treatment in one of said hospitals would be beneficial 5 to him, may make application to the state board for the benefit 6 of treatment in one of the state hospitals, as a voluntary patient. 7 The application must be in writing, in such form as the state 8 board may prescribe, and be signed by the applicant, who shall 9 acknowledge his signature before a justice or a notary public. 10 The state board may require the certificate of one or more phy-11 sicians and such other evidence of the mental and bodily condi-12 tion of the applicant as they may think proper; and the board may 13 admit him for treatment in any state hospital upon such terms and 14 conditions, and with such security for payment of the price agreed 15 upon for treatment and maintenance therein, as the board may 16 deem proper. A voluntary patient may be discharged upon cer-17 tificate of the superintendent of the hospital, because he is cured 18 or because further treatment therein is unnecessary or undesir-19 able. A voluntary patient shall have the right to leave the hos-20 pital at any time if in the judgment of the superintendent he is 21 in fit condition, and it is prudent for him to go at large, by 22 giving five days' notice of his desire to do so. Any relative or 23 friend of any such person, may make application to the state 24 board for his treatment in a state hospital, and the board may take 25 such action thereon as is provided above in this section, all the 26 provisions of which shall apply to such case, so far as applicable, 27 as when the application is made by the person himself.

"Sec. 12. There shall also be admitted to the Huntington state 2 hospital such patients as the state board may deem eligible; but 3 in no case to include tubercular, cancerous or leprous persons. 4 Such persons shall be committed by county courts, or in such 5 other manner as the state board may prescribe, and according 6 to regulations prescribed by said board.

When any patient in any state hospital is restored 2 to sanity the superintendent shall give him a certificate of restor-3 ation and discharge him from custody. Any patient out on 4 parole, or on bond, or otherwise temporarily released from a hos-5 pital, who has been restored to sanity, may present himself to 6 the superintendent. If after examination the superintendent 7 shall find him sane, he shall give him a certificate of restoration 8 and a discharge. Any person who has been found insane by a 9 county mental hygiene commission or any other board or tri-10 bunal other than a circuit court, and any person who is con-11 fined in any hospital or other place of confinement or otherwise 12 restrained of his liberty in violation of law, or a patient who has 13 been restored to sanity and to whom the superintendent of the 14 hospital refuses to give a certificate of restoration and discharge, 15 may present his petition, or any relative or friend may present 16 a petition in his behalf, to the circuit court of the county in 17 which the hospital is located in case of a patient denied the cer-18 tificate of restoration, and in other cases to the circuit court of 19 the county in which the person is confined or is in custody, stating 20 the facts. The courts shall treat such petition as an application 21 for a writ of habeas corpus, so far as applicable and necessary, 22 and cause such process to issue as the court may deem proper, 23 and fix a time for the hearing of the case, which may be heard by 24 the court either with or without a jury, as the court may order; 25 and if the person is found sane, or it is found that he is held in 26 custody in violation of law, he shall be discharged. In cases of 27 patients who have been denied certificates of restoration and dis-28 charge by the superintendent of a hospital, or in which it is 29 alleged that a patient is held in custody illegally in any state 30 hospital, the superintendent shall have at least five days' notice 31 of the time and place of the trial in the circuit court. In all 32 such cases the prosecuting attorney shall represent the sheriff or 33 other county officer or the commission who shall be a defendant 34 in such proceedings; and the attorney general shall represent 35 the superintendent of any hospital who is a defendant. In case 36 the decision shall be against the applicant, he or his bondsmen 37 (if any), or the person signing the petition, shall pay the costs 38 of the proceeding. In any case in which a court may find a 39 person sane upon an inquest or trial respecting his sanity, he 40 shall be discharged and entitled to a certified copy of the order of 41 the court made in the case. Nothing in this section shall be con-42 strued as applying to patients charged with or convicted of crime, 43 as provided in section fifteen hereof.

"Sec. 19. If any reputable person present to the clerk of the 2 county court of a county wherein a person is confined as a lunatic, 3 other than one charged with or convicted of crime, or other than 4 one confined in a state hospital, or a duly licensed private hospital, an application in writing for the discharge of such lunatic 6 on the ground that he has been restored to sanity, the mental 7 hygiene commission for the county must consider the same, and 8 may proceed to make an inquest upon such lunatic as is hereing before provided. If the commission find that such person has 10 been restored to sanity, they shall set him at liberty, if they have 11 authority to do so; and if they have not such authority, they shall 2 give a certificate of their finding to the person making the ap-

"Sec. 20. When a person is found insane or to be mentally de-2 fective, by the county mental hygiene commission, or be committed 3 to a state hospital by the county court, the county court shall 4 appoint a guardian or a committee for him; and when a person 5 is found insane by the circuit court, such court shall appoint 6 a guardian or committee for him.

"Sec. 23. If the personal estate of such insane person or men2 tally defective, be insufficient for the discharge of his debts, or
3 if such estate or the residue thereof after payment of the debts,
4 and the rents and profits of his real estate, be insufficient for his
5 maintenance and that of his family, if any, the guardian or
6 committee of such person may petition the circuit court of the
7 county in which he was appointed, for authority to mortgage,
8 lease or sell so much of the real estate of such insane person as
9 may be necessary for the purposes aforesaid, or any of them;
10 setting forth in the petition the particulars and the amount of
11 the estate, real and personal, the application which may have
12 been made of any personal estate, and an account of the debts
13 and demands existing against the estate.

"Sec. 27. For the purposes of this chapter no person shall be 2 considered a resident of this state unless he is a citizen of the 3 United States and has been a bonu fide resident of this state for 4 at least one year, and was not insane when he came into this state. 5 And as among the counties, no person shall be considered a res-

6 ident of a county who is not a resident of the state as above de-7 fined, and has been a resident of the county for at least sixty 8 days, and was not insane when he came into the county. In the 9 inquest on a person before them suspected of insanity, the county 10 mental hygiene commission, if it appear that he is not a resident 11 of this state, shall make diligent inquiry to ascertain his residence, 12 and if it be ascertained, shall state in the commitment papers 13 as definitely as their information shall justify, the city, town or 14 other place, as well as the state or country, of which he is a 15 resident. When a person who is a non-resident of the state is 16 sequestered as an inmate of a state hospital, the superintendent 17 thereof shall immediately report the fact to the state hospital 18 board. The board shall take proper steps to cause such a per-19 son to be deported, if an alien; or, if otherwise a non-resident 20 of this state, to be taken to the state, territory or place of his resi-21 dence and delivered to the proper authorities thereof.

"Sec. 28. No private hospital for the care and treatment of the 2 insane or mental defectives for compensation shall be established 3 unless a permit therefor shall be first obtained from the state 4 board. The application for such permit must be accompanied by 5 the plan of the premises to be occupied, and with such other data 6 and facts as the board may require, who may make such terms 7 and regulations in regard to the conduct of such hospital as it 8 may think proper and necessary. The state board, or any mem-9 ber thereof, or any person by the board authorized to do so, shall 10 have full authority to investigate and inspect such private hos-11 pital; and the state board may revoke the permit of any such hos-12 pital for good cause, after reasonable notice to the superintend-13 ent or other person in charge thereof.

"Sec. 29. Any physician who shall sign a certificate respecting 2 the sanity of any person without having made the examination 3 as provided for by this chapter, or shall make any statement in 4 any such certificate maliciously for the purpose of having such 5 person declared insane, and any person who shall maliciously make 6 application to any mental hygiene commission or other tribunal 7 for the purpose of having another person declared insane, shall 8 be fined not exceeding five hundred dollars, or imprisoned not 9 exceeding one year, or both fined and imprisoned at the discretion 10 of the court. Not more than one physician of any firm or asso-

11 ciation of physicians practicing medicine together, shall sign a 12 certificate provided for in this chapter respecting the mental or 13 bodily condition of any person suspected of insanity.

"Sec. 33. Every county shall pay into the state treasury at the 2 rate of fifty dollars per annum for every epileptic, idiot, imbecile, 3 or such other incurable defective heretofore or hereafter admitted 4 as a patient or inmate to a state hospital or training school from 5 such county, but the counties shall not be required to pay at said 6 rate of fifty dollars per annum or any other sum to the state 7 for the maintenance of any insane person proper, anything in 8 this act or any provision of the laws of this state to the contrary 9 notwithstanding. At every levy term of each county court it shall 10 estimate for and levy a sufficient amount to meet all such expenses. 11 The superintendent of said hospital, on or before the tenth day of 12 January of each year, shall certify to the auditor a list of all 13 the patients in the said hospital during the whole or any part 14 of the preceding year for which the counties are to pav, show-15 ing on such list under the name of the county, the number from 16 each county and the length of time he was in said hospital dur-17 ing the year, and showing the amount due from each county for 18 each patient, and the total amount due from each county for the 19 year. As soon as such list is received by the auditor he shall 20 charge to each county the amount appearing to be due from the 21 the certificates of the said superintendent. Within ten days after 22 the receipt of such certificate the auditor shall make out a copy 23 thereof for each county and certify the same to the county court 24 thereof, which list shall show the name of each patient in said 25 hospital from the county during the year, the length of time he 26 was in such hospital during the year, the amount charged for 27 each patient, and the total amount charged on account of all 28 such patients from the county; and said total amount shall con-29 stitute a debt against the county due the state. Whenever there is 30 in the state treasury a sum of money due any county from any 31 source the same shall be at once applied on the debt aforesaid 32 against the county, and the fact of such application of such fund 33 shall be reported by the auditor to the county court of the county, 34 which report shall be a receipt for the amount therein named. 35 All moneys paid into the state treasury by counties as herein pro-36 vided shall be credited by the auditor to the current expense or 37 maintenance fund of said hospital, and shall be subject to be

"Sec. 34. All moneys which any county shall pay or become 2 liable for under the provisions of this chapter on account of any 3 inmate from the county in any state hospital or training school, 4 the county court of the county may recover, within five years 5 after payment of the same by the county or from the time the 6 county became liable therefor, from the persons and in the man-7 ner following, namely: If the inmate be a minor, from his guar-8 dian; or, if he have no estate, or it be insufficient, from his father; 9 or, if he have no father or his estate be insufficient, from his 10 mother. If the inmate be an adult, from his or her estate; 11 but if such estate be insufficient, and the inmate be a wife, from 12 the estate of her husband; or, if his estate be insufficient, from 13 the estate of her children, or such of them as have sufficient es-14 tate. If the inmate be a husband, and his estate be insufficient, 15 from the estate of his wife; or, if her estate be insufficient from 16 the estate of his children, or such of them as have sufficient es-17 tate. It shall be the duty of the guardian or committee of any 18 such inmate to pay to the county of which his ward is a resi-19 dent, if he have sufficient estate in his hands to do so, the money 20 so due to the county from his ward. The county court may order 21 its clerk to make out a bill against any such inmate for the sum 22 so due to the county, which bill shall show the different items 23 and the amount of each, and be certified by the clerk as correct, 24 and by him delivered to the sheriff for collection. The clerk shall 25 charge against the sheriff the amount of each of such bills, show-26 ing the date when delivered to the sheriff. It shall be the duty of 27 the sheriff to collect the same from the proper person, or the 28 guardian or committee of such inmate. Within sixty days after 29 receiving any such bill, or at the next session of the county court 30 held after the expiration of such sixty days, the sheriff shall make 31 a report to the county court of his acts in respect thereto and re-32 turn all such bills he has been unable to collect. The county court 33 may re-deliver any of such bills to the sheriff for collection, and 34 in respect thereto the sheriff shall make report as above provided." Sec. 8. Be it enacted by the Legislature of West Virginia:

That chapter one hundred and ten of the acts of nineteen hundred and nineteen be amended and re-enacted so as to read as follows:

There is hereby created a state board of children's 2 guardians, which shall be a corporation, and as such may con-3 tract and be contracted with, plead and be impleaded, sue and be 4 sued, and have and use a common seal. It shall consist of three 5 members, who shall be citizens of the state, one of whom shall be

6 a woman, and not more than two of whom shall be chosen from

7 the same political party. They shall be appointed by the governor,

8 by and with the consent of the senate. The members first ap-

9 pointed shall hold office as designated by the governor for the

10 period of two, four and six years, respectively, beginning the first

11 day of July, one thousand nine hundred and nineteen.

12 quent appointments shall be made as above provided, and, except

13 to fill vacancies, each appointment shall be for a term of six years.

14 The board shall biennially choose one of its members to be president 15 thereof. The governor may remove any member for incompetency,

16 neglect of duty, gross immorality, malfeasance in office or for

17 other good cause; and in case of vacancy occurring by death, 18 resignation, removal or otherwise, may declare the office vacant

19 and fill the same by appointment for the unexpired term.

20 board shall be provided by the board of public works with offices

21 at the state capital.

22 The board shall hold its annual meetings as soon as practicable 23 after the close of each fiscal year. There shall be not more than 24 four regular meetings each year.

25 The financial transactions of the board shall be supervised by 26 the state board of control. The members of the board shall be 27 paid a per diem of eight dollars for time actually employed or 28 assigned and necessary traveling and hotel expenses; provided, no

29 member shall be assigned more than five days in any one month. The board shall make a biennial report to the governor, cover-

31 ing fully all its work, investigations, needs, and recommendations.

- Sec. 2. Without charge to the board, the state department of 2 health shall make such skin and blood tests and the public printer 3 shall do such printing for said board as its work and needs may 4 require.
- Sec. 3. The board shall make such by-laws, rules and regula-2 tions relative to its management, government and work, not con-3 trary to law, as it may deem proper and shall appoint such offi-4 cers, employees and general and district agents as it may deem 5 necessary to carry on the operations of said board, designating 6 their duties and fixing their compensation; provided, that said 7 district agents shall not exceed ten in number; and provided, 8 further, that at least five of such agents shall be women.
- Sec. 4. It shall be lawful for the board, its officers or agents, 2 to take or receive into its custody or control children as herein-3 after provided.
- 4 (a) The term dependent children, as used herein or in any 5 statute concerning the care, custody or control of children, shall 6 mean any boy under the age of sixteen years and any girl under 7 the age of eighteen years, who is dependent upon public charity or 8 who is destitute, homeless, or abandoned.
- 9 (b) The term neglected children as used herein, shall mean 10 any boy sixteen years or under or any girl eighteen years or under 11 who has not proper parental care or guardianship; or who habit-12 ually begs or receives alms, or who is found living in any house 13 of ill fame, or with any vicious or disreputable persons; or whose 14 home by reason of neglect, cruelty or disrepute on the part of its 15 parents, guardians or other persons in whose care it may be, is an 16 improper place for a child to live, or whose environment is such 17 as to warrant the state in the interest of the child in assuming its 18 guardianship.
- 19 (c) Whenever the board, any member, officer or agent thereof 20 or any reputable person shall have probable cause to believe that 21 a child is dependent or neglected, said board, member, officer, 22 agent or person may at any time present a petition setting forth 23 such facts, verified by the oath of some credible person having 24 a personal knowledge thereof, to the circuit, common pleas, crim-25 inal, intermediate or juvenile court (or to the judge thereof in 26 vacation) of the county in which said child resides, which or who 27 may require such child to be delivered into the custody of said 28 board, or such other custody as the court or judge may deem

29 proper, to care for such child until a hearing can be had upon 30 such petition; and reasonable notice of the time and place of such 31 hearing shall be given to the local district agent of said board and 32 served upon the person from whose custody said child was taken, 33 or who is sought to be deprived of the custody of said child; and 34 such agent or any parent or other persons legally entitled to stand 35 in *loco parentis* or other relative of such child may appear and 36 be heard at such hearing.

If the facts set forth in said petition, constituting dependency 38 or neglect, shall on the hearing be maintained, and it shall appear 39 to the judge or court that the interest and welfare of such child 40 require the custody thereof to be changed, the judge or court 41 shall order the custody thereof to be changed, and may by order 42 commit the child to the care of said board. No child shall be 43 committed to the board who is not mentally normal, and all 44 children committed to the board shall first receive a physical and 45 medical examination based upon blank forms to be provided by 46 said board. All pertinent information adduced or developed at 47 such hearing regarding the history and situation of the child, 48 its parents and forebears shall be supplied by the court or judge to 49 the board at the time of its commitment, on blank forms to be 50 provided by the said board, to enable the board to deal intelli-51 gently with the child and eventually to provide the child with such 52 information as is deemed advisable by the said board. All such 53 information shall be kept by the board in permanent form and 54 shall be in the custody of its secretary. Such record shall be 55 open to inspection only by permission granted by said board.

- 56 (d) All costs and expenses necessary or proper in connection 57 with a hearing or commitment under this section shall be a proper 58 charge against the county in which the hearing is held, and shall 59 be paid by the county court thereof upon submission to it of an 60 itemized statement thereof, verified by affidavit of an agent of the 61 board. The fees allowed for such hearings shall be the same as 62 are allowed in proceedings for the commitment of boys to the 63 West Virginia industrial school for boys.
- 64 (e) Whenever application is made to the board to accept the 65 care and custody of children hereunder, said board shall make a 66 careful and thorough investigation; and, if it is found that it is 67 a case of a poor but otherwise worthy parent or guardian, the 68 board may upon application to said court or judge secure an

69 order for the maintenance of said parent and children, which 70 maintenance, when so fixed, shall be a proper charge against the 71 county in which such parent and children reside and shall be 72 paid by the county court thereof, and furnished under the 73 mother's pension act or otherwise according to law.

- 74 (f) This act shall be liberally construed to the end that proper 75 guardianship may be provided for such children as are herein-76 before described, and that said children may be educated, and 77 cared for, as far as practicable, in such manner as best subserves 78 their moral, intellectual and physical welfare, and as far as prac-79 ticable in proper cases that the parent or persons having such 80 children in their care, custody or control may be enabled and com-81 pelled to perform their moral and legal duty in the interests of 82 such children.
- 83 (g) All children declared public wards under the provisions 84 of this act shall remain public wards until they reach the age of 85 twenty-one years, unless they shall upon a proper showing made 86 be returned by order of the board to their parents, or other 87 guardian, or shall be adopted in the manner prescribed by law.
- Sec. 5. If the court or judge shall find any male child under 2 the age of sixteen years or female child under the age of eighteen 3 years to be dependent or neglected within the meaning of this act, 4 the court or judge may allow such child to remain at its home 5 subject to the friendly visitation of an agent of the board or to 6 report to the court, judge or such agent from its home or school 7 at such times as the court, judge or board may require. And if 8 the parent, guardian or custodian consent thereto, or if the court 9 or judge shall further find that the parents, parent, guardian or 10 custodian of such child are unfit or improper guardians or are 11 unable or unwilling to care for, protect, train, educate in accord-12 ance with the general school law of the state, correct or discipline 13 such child and that it is for the interest of such child and of the 14 people of this state that such child be taken from the custody 15 of its parents, parent, custodian or guardian, the court or judge 16 may make an order appointing as guardian of the person of such 17 child some reputable citizen of good moral character; or the 18 court or judge may enter an order committing such child to some 19 suitable state institution, organized for the care of dependent or 20 neglected children, or to some training or industrial school or 21 children's homefinding society, or to some association embracing

22 in its objects the purpose of caring for or obtaining homes for 23 neglected or dependent children, which association shall have 24 been accredited as hereinafter provided.

Sec. 6. In every case where such child is committed to an 2 institution or association, the court or judge shall appoint the 3 president, secretary or superintendent of such institution or asso-4 ciation, guardian over the person of such child, and shall order 5 such guardian to place such child in such institution or with such 6 association whereof he is such officer, and to hold such child, care 7 for, train and educate it therein subject to the rules and laws 8 that may be in force from time to time governing such institution or association.

Sec. 7. All children surrendered to the care or committed to 2 the custody of such board shall be under its supervision and con-3 trol in the manner herein provided, until they are received into an 4 orphan asylum or children's home, or other suitable home, as 5 herein provided, or until otherwise ordered by the said circuit, 6 criminal, intermediate, common pleas or juvenile court in session 7 or the judge thereof sitting in vacation. Any person who shall 8 either personally or by agent entice or attempt to entice away a 9 child from the custody of such board, its officers or agents, or 10 private homes in which such child may be placed hereunder, or 11 who shall by threats, menace or force, deprive or attempt to 12 deprive the board, its officers or agents, or such home, of the 13 custody of a child, shall be guilty of a misdemeanor, and shall 14 be fined not less than ten nor more than one hundred dollars and 15 may at the discretion of the court be imprisoned in the county 16 jail not less than one nor more than six months; and justices of 17 the peace shall have concurrent jurisdiction with the circuit, 18 criminal and intermediate courts, in the trial of such offenses.

Sec. 8. Said board may place any of such children in any 2 orphan asylum or children's home, incorporated under the laws of 3 the state of West Virginia and approved by said board, and it shall 4 be lawful for any orphan asylum or children's home to receive 5 from said board, its officers or agents, any such children. As to 6 any child or children so received, such orphan asylum or children's 7 home shall have the same rights, powers, privileges and authority 8 and be subject to the same duties, requirements and responsibiligies as in the case of children placed under its care and management in any of the modes now allowed by law.

Sec. 9. Said board may, when in its discretion it shall appear 2 proper, place any of said children in suitable private homes, and, 3 in such cases the said board and the person or persons with 4 whom said child or children are placed, shall observe and be governed by all the provisions of the laws of this state concerning the 6 placing of children in private homes and the rules and regulations 7 of said board.

Sec. 10. The said board shall, upon request of the state board 2 of control, make investigations, visitations and reports to the said 3 board of control of youths paroled from the state industrial 4 home for girls, the state industrial school for boys, or the state 5 colored orphans' home, or on the homes to or in which youths 6 from said institutions are about to be or have been paroled or 7 placed.

Said board may upon the request of the principal of the schools for the deaf and the blind also investigate applications for admission to such schools, and upon request of the state board of control investigate applications for admission to the state hospitals for orthopedic treatment, and in all such cases covered by this paragraph said board shall have authority to procure proper medical and surgical examinations; and all expenses of such examinations and of transportation of the applicant to the hospital and therefrom to the home of the applicant shall be a proper charge against the county from which the applicant comes, and shall be allowed by the county court thereof, upon the submission to it of an itemized statement of such expenses, verified by the affidavit of an agent of said board.

Sec. 11. All institutions, hospitals, lying-in or maternity 2 homes, or associations receiving children for the purpose of care, 3 training or placing in other institutions or in private homes under 4 this act shall be subject to visitation, inspection and supervison by 5 the state board of children's guardians, other than state institutions 6 subject to the management of the state board of control, and it 7 shall be the duty of the state board of children's guardians to 8 pass annually upon the fitness of every such institution, hospital, 9 home or association as may receive, or desire to receive children 10 for the purposes aforesaid and every such institution, hospital, 11 home or association shall make report thereto, showing its con-12 dition, management and competency to adequately care for or 13 train such children as are or may be received by or committed

14 to it, and such other facts as said board may require, annually at 15 such time as the said board may direct; and upon said board being 16 satisfied that such association or institution is competent, and has 17 adequate facilities to care for or train such children, the board 18 shall issue to the same a certificate to that effect, which certificate 19 shall continue in force for one year, unless sooner revoked by 20 said board, and no child shall be received by or committed to any 21 such institution or association which shall not have received such 22 certificate within eighteen months next preceding the commit-23 ment. The board may, at any time, require from any association 24 receiving or desiring to receive children for the purpose of care, 25 training or placing in other institutions or private homes, such 26 reports, information and statements as the board shall deem 27 proper or necessary for its action.

On the basis of its investigations and of the reports submitted to it, the board may offer to the officials in charge or to those in control of eleemosynary, charitable and correctional institutions included in this act and to those dispensing relief funds, such suggestions as in its judgment it shall deem expedient; and it is authorized to institute proceedings for the revocation of charters of such institutions, organizations or societies as wilfully fail to sestablish within a reasonable length of time such standards of work as are suggested by said board. All proceedings under this section shall be included by the board in its biennial report to the governor.

Sec. 12. No association whose objects embrace the training, 2 caring for or placing in institutions or private homes dependent 3 or neglected children shall hereafter be incorporated unless the 4 proposed articles of incorporation shall first have been submitted 5 for examination by the state board of children's guardians, and 6 the secretary of state shall not issue such a certificate of incorpo-7 ration unless there shall first be filed in his office the certificate 8 of said board that it has examined the said articles of incorpora-9 tion, that in its judgment the incorporators are reputable, reliable 10 and responsible persons, that the proposed work is needed and that 11 the incorporation of such association is desirable for the public 12 good and the welfare of dependent or neglected children. Any 13 amendment proposed to the article of incorporation of any such 14 association now existing or hereafter created shall be submitted in 15 like manner to the state board of children's guardians, and the

16 secretary of state shall not record such amendment or issue his 17 certificate thereof unless there shall be filed in his office the cer18 tificate of said board that it has examined said amendment, that 19 the association in question is, in the judgment of said board, per20 forming in good faith the work undertaken by it, and that the 21 said amendment is, in the judgment of the board, a proper one 22 for the public good, and in the interest of neglected and dependent 23 children.

Sec. 13. Whenever a petition filed as provided in section four 2 hereof, or a supplemental petition filed at any time after the ap-3 pointment of the guardian, shall pray that the guardian appointed 4 or to be appointed shall be authorized to consent to the legal 5 adoption of the child, and the court upon the hearing shall find 6 that it is to the best interests of such child that the guardian be 7 given such authority, the court may, in its order appointing such 8 guardian, empower him to appear in court where any proceedings 9 for the adoption of such child may be pending, and to consent to 10 such adoption. Such consent shall be sufficient to authorize the 11 court where adoption proceedings are pending to enter a proper 12 order or decree of adoption without further notice to, or consent 13 by, the parents or relatives of such child; provided, however, that 14 before entering such order the court shall find from the evidence 15 (1) the parents or surviving parent of a legitimate child or the 16 mother of an illegitimate child, or if the child has no parents 17 living, the guardian of the child, if any, or if there is no parent 18 living, and the child has no guardian or the guardian is not 19 known to the petitioner, then a known near relative of the child, 20 if any there be, consents to such order; or (2) that one parent 21 consents and the other is unfit for any of the reasons hereinafter 22 specified to have the child, or that both parents are, or that the 23 surviving parent is unfit, or that the mother of an illegitimate 24 is so unfit for any such reasons—the grounds of unfitness being 25 (a) depravity, (b) open and notorious adultery or fornication, 26 (c) habitual drunkenness for the space of one year prior to the 27 filing of the petition, (d) extreme and repeated cruelty to the 28 child, (e) abandonment of or (f) desertion of the child for more 29 than six months next preceding the filing of the petition; and (3) 30 that such child, if of the age of fourteen years or over, consents to 31 such order.

Sec. 14. No association, incorporation or unincorporated, ex-2 isting under the laws of any other state shall place any child in 3 any family home within this state, either with or without indenture 4 or for adoption, unless the said association shall have furnished 5 the state board of children's guardians with such guaranty as it 6 may require that no child shall be brought into the state by such 7 society or its agents, having any contagious or incurable disease, 8 or having any deformity, or being of feeble mind, or of vicious 9 character, and that said association shall promptly receive and 10 remove from the state any child brought into the state by its 11 agent, which shall become a public charge within the period of 12 five years after being brought into this state. Any person who 13 shall receive to be placed in a home, or shall place in a home 14 any child in behalf of any such association of any other state, 15 which shall not have complied with the requirements of this act 16 shall be guilty of a misdemeanor, and upon conviction thereof be 17 imprisoned in the county jail not more than thirty days, or fined 18 not less than five dollars nor more than one hundred dollars, or 19 both, in the discretion of the court.

Sec. 15. The board in placing children shall place them as far 2 as practicable in the care and custody of some individual holding 3 the same religious belief as the parents or relatives of said child, 4 or with some association which is controlled by persons of like 5 religious belief with that of the parents of the said child.

Sec. 16. If it shall appear upon the hearing of the case that 2 the parents, parent, or any person or persons named in the petition 3 mentioned in section three hereof, who are in law liable for the 4 support of such child, are able to contribute to the support of 5 such child, the court or judge shall enter an order requiring such 6 parents, parent or other person to pay to the guardian so ap-7 pointed or to the institutions, associations, society or persons to 8 whom such child may be committed, a reasonable sum from time 9 to time for the support, maintenance or education of such child, 10 and may order such parents, parent or other person to pay to the 11 guardian so appointed or to the institution, association, society 12 or person, to which such child may be committed, a reasonable 13 sum from time to time for the support, maintenance or education 14 of such child, and may order such parents, parent or other persons 15 to give reasonable security for the payment of such sum or sums, 16 and upon failure to pay, may enforce obedience to such order by 17 proceeding as for contempt of court. The court or judge may, on 18 application and on such notice as the court or judge may direct, 19 from time to time, make such alterations in the allowance as shall 20 appear reasonable and proper.

Sec. 17. If the person so ordered to pay for the support, 2 maintenance or education of a dependent or neglected child shall 3 be employed for wages, salary or commission, the court or judge 4 may also order that the sum to be paid to him shall be paid to the 5 guardian or institution, who has custody of such child, out of his 6 wages, salary or commission, and that he shall execute an assignment thereof pro tanto. The court or judge may also order the 8 parent or the person so ordered to pay the sum of money for the 9 support, maintenance or education of a child, from time to time 10 to make discovery to the court or judge as to his place of employment and the amount earned by him. Upon his failure to obey the 12 order of court or judge he may be punished as for contempt of 13 court.

Sec. 18. It shall be unlawful for any person having a veneral 2 disease in an infectious stage, to be engaged as a barber in any 3 barber shop in the state, or to be engaged in any capacity in any 4 bakery in the state, or to be employed at any hotel, restaurant, 5 cating house, lunch counter, or other public place, as a cook, or 6 cook's helper, or as a waiter, or in any other capacity whatever, 7 where liable to come in contact with food about to be served; 8 and it shall be the duty of every physician or other person reporting a case of venereal disease hereunder required, to state in 10 said report whether or not said person so reported is so engaged, 11 and if so, to give the place where such party is so employed; 12 and it shall be the duty of the local health officer upon receipt of 13 a report showing a person is so engaged to at once notify the party 14 to discontinue such employment; and if said party so notified fails

15 or refuses to discontinue such employment within twenty-four 16 hours after notice, then the party or parties employing said in17 fected person shall be notified of the fact, and if such employer 18 fails or refuses to take steps to have such infected person discon19 tinue work within twenty-four hours after receiving notice from 20 the health officer, he shall be guilty of a misdemeanor, and every 21 twenty-four hours thereafter that such infected party continues in 22 the employment of said employer shall be a separate offense upon 23 the part of said employer. In the meantime said health officer 24 may, if the infected party is not under treatment, have the in25 fected person arrested, detained and quarantined, or otherwise 26 dealt with as may seem best to said health officer.

Sec. 19. Any resident of the state may at any time report to 2 any municipal or county health officer having jurisdiction in the 3 case, and voluntarily submit himself to all tests and examination 4 as are necessary to ascertain whether in fact the person submitting 5 himself for examination is infected with a venereal disease; and 6 said health officer to whom any party has applied as above for 7 tests and examination shall provide for making all such tests 8 and examinations as are necessary to ascertain whether in fact 9 said party so applying be so infected with a venereal disease. 10 If such tests and examinations shows said party so applying to be 11 so infected, then said party so applying shall elect whether he 12 will take treatment of a private physician, or whether he will 13 take treatment to be provided by the health officer through a 14 clinic or otherwise, and if he elects to take treatment through the 15 local health officer's arrangement, he may be required to pay for 16 such treatment at a charge which shall in no case exceed the 17 sum of five dollars for each dose of "nco" or arsphenamine ad-18 ministered for syphilis, and at a nominal cost for other medicines 19 used; but if the patient is unable to pay anything, he shall be 20 treated free of charge under the direction of the local health 21 officer, at a clinic or otherwise. All proper charges for such ex-22 amination and treatment as may be necessary hereunder shall be a 23 proper charge against the municipality or county, as the case may 24 be whether said party so taking treatment lived in or out of a 25 municipal corporation. And whether said person proposing to 26 take treatment as provided hereunder, elect to take from a private 27 physician or elects to take treatment under the direction of the 28 local health officer, he shall first sign the agreement required to

Sec. 20. It shall be unlawful for any person suffering with an 2 infectious venereal disease to perform any act which exposes 3 another person to infection with said disease, or to knowingly 4 infect, or expose another person to infection of such disease; and 5 no physician, health officer or other person shall give any certificate showing a person to be free from a venereal disease, but such 7 certificate shall simply state the results of tests and examinations 8 as may have been made, and what tests were made to arrive at 9 the results stated.

And if no such place has been provided, then 9 such person shall be confined in the county or city jail under a 10 quarantine order, and such jails shall always be available for such 11 purposes. But if such person is to be quarantined in his home, 12 then said health officer shall designate the area, room, or rooms 13 that such person is to occupy while so confined, and no one 14 except the attending physician, or his immediate attendants shall 15 enter or leave such room or rooms so designated without permis-16 sion of said health officer, and no one except the local health

17 officer shall terminate said quarantine, and this shall not be done 18 until the diseased person has become non-infectious as determined 19 by thorough clinical tests, or permission has been given by the 20 state health council or by the director of the bureau of venercal 21 diseases for the state. If to make any quarantine effective as 22 provided herein, it becomes necessary the local health officer may 23 summons a sufficient guard for the enforcement of his orders in 24 the premises. 10 has expired for making said statement without statement having
11 been made, shall be a misdemeanor, to be punished as hereinafter
12 to be provided.

Sec. 23. A sale by a clerk shall also be considered as a sale by the 22 owner or proprietor, and both may be prosecuted hereunder, for 23 a misdemeanor.

Sec. 24. All costs and expenses necessary to reasonably carry 2 out the provisions of this act, touching the care, custody, detention, 3 and treatment of persons coming within the purview of its pro4 visions shall be a general charge against the municipalities or 5 counties as the case may be, unless special arrangements have 6 been made to defray such expenses. Sec. 25. Any person violating any provision of this chapter, 2 where no other punishment is provided, shall be punished by a 3 fine of not less than ten nor more than one hundred dollars, and 4 may in addition thereto, at the discretion of the judge or justice 5 trying the case, be imprisoned in jail for a period of not to ex-6 ceed thirty days.

Section 172. The West Virginia industrial home, established 2 by chapter eight of the acts of one thousand eight hundred and 3 ninety-seven, shall be and remain where now located, at Industrial, in Harrison county, and shall be exclusively charged with 5 the care, training and reformation of girls between the ages of 6 twelve and eighteen years; but white and colored girls shall be kept 7 separate as far as practicable. Said home shall be managed, 8 controlled and governed by the state board of control, as herein 9 provided, and as provided in chapter fifty-eight of the acts of 10 one thousand nine hundred and nine; but no girl shall be 11 committed thereto as an inmate thereof, who is of unsound 12 mind or imbecilic, or idiotic, or has epilepsy.

13 All agents, officers and servants for the internal management 14 of said home shall be women.

Sec. 173. Any girl, a legal resident of the state, between the 2 ages of twelve and eighteen years, may be committed to and be 3 received into the West Virginia industrial home, for any one of 4 the following causes, and in the manner following:

First—By a justice of the peace of the county in which said 7 girl resides, on complaint under oath, and due proof made 8 to him, by the parent, guardian or other person having the 9 custody or control of such girl, that by reason of incorrigible 10 or vicious conduct such girl has rendered her control beyond the 11 power of such parent, guardian, or other person, and made it 12 manifestly for the best interests of such girl and of society that 13 she be placed in said home.

Second—By a justice of the peace of the county in which said 15 girl resides, upon complaint under oath, and due proof made to 16 him by three reputable citizens that such girl is a vagrant, or 17 is incorrigible or vicious in disposition and conduct, and that 18 her parents, guardian, or other person having custody of, or 19 authority to control her, are depraved or otherwise unfit, unable 20 or unwilling to exercise proper care and discipline over such 21 girl, or has been convicted before any justice of the peace in said 22 state for any offense involving sex immorality upon the part of 23 said girl; and vagrancy as herein contemplated shall be con-24 strued to include, among other things, the following: loitering 25 for purposes of prostitution; street-walking or loitering on public 26 roads or streets at night, without good excuse; living, working or 27 residing in, or loitering or loafing in or about any house of ill-

28 fame or bawdy house or house of like character or kind; automo-29 bile joy riding at unseemly hours in the night time when unac-30 companied by parents or other proper persons, frequenting or 31 loitering or loafing in any and around any public dance hall or 32 public show; and associating with prostitutes or other persons of 33 low morals, either male or female.

34 Third—By the judge of the police or municipal court of any 35 town or city in this state upon complaint made to him under 36 either the first or second clause of this section; or upon due com- 37 plaint and proof made to such judge that such girl is under the 38 age of sixteen years, and has been found in a house of ill-fame or 39 assignation house.

40 Fourth-By any criminal, intermediate, circuit or other court 41 of this state, when any girl who is a resident of this state, and 42 under the age of eighteen years shall have been convicted in 43 said court of a felony, or of a misdemeanor punishable by im-44 prisonment, in which case the judge of said court, in his discre-45 tion, instead of sentencing such girl to be confined in the peni-46 tentiary or the county jail, may order her to be removed to said 47 West Virginia industrial home, there to remain until she shall 48 have attained the age of twenty-one years, unless sooner dis-49 charged or parolled by the state board of control. Any such girl 50 convicted as aforesaid in any of the courts of the United States 51 of the districts of West Virginia, may also be received in said 52 home, upon such regulations and terms as to her maintenance 53 and support, as may be agreed upon by the state board of 54 control, and the proper authorities of the United States.

Sec. 174. When any such complaint as is named in the 2 next preceding section is made to a justice or the judge of a 3 police or municipal court, he shall issue his warrant, directing 4 such girl to be brought before him at the time named therein. 5 Upon the hearing before him such justice or judge shall appoint 6 some discreet and disinterested person other than the person 7 making the complaint, as a guardian ad litem for such girl, whose 8 duty it shall be to represent her interests and see that no injustice 9 is done her. Such guardian, or the girl, shall have the right 10 to demand a jury of six citizens to try the truth of the charges 11 made against her; and in such case the jury shall be selected 12 and the trial conducted in the manner provided for the trial of 13 criminal cases before justices by juries. Such guardian or the

14 girl, shall have the right of appeal from any final decision made 15 against her in any such proceeding, either upon a trial by jury or 16 otherwise, as is provided by law in other criminal cases tried be-17 fore justices. If the jury finds the girl guilty, or if the hearing 18 be without a jury, and the justice or the judge be of opinion that 19 it is best for the morals and future welfare of such girl, and the 20 peace and good order of society, that she shall be committed to 21 said home, he shall order her to be committed thereto, there to be 22 kept until she is twenty-one years of age, unless sooner released 23 or discharged by the state board of control. If an appeal is 24 taken in the case, the finding or sentence of the justice or the judge shall be suspended.

Sec. 175. Before committing a girl to the industrial home, 2 the justice or other authority committing her, shall cause her 3 to be examined by a reputable physician, who is authorized to 4 practice medicine in this state, in order to ascertain whether such 5 girl is sound in mind, and whether or not she is an imbecile or an 6 idiot, or is pregnant, or afflicted with epilepsy, syphilis, gonor-7 rhoea or any other infectious or contagious disease, and as to any 8 other particulars that may be prescribed in the rules and regula-9 tions of the state board of control. The board of control of the state of 45 West Virginia is hereby authorized and directed to provide suit-46 able buildings, wards and equipment at said hospital as may be 47 necessary to carry out the provisions of this section, including 48 the expense of transferring the girls to Salem.

It is provided, however, that any girl who is committed under 50 the provisions of this act and found to be pregnant, shall first be 51 sent to the Florence Crittenden Home at Elm Grove and later 52 transferred to Fairmont or Salem, as her condition may appear to 53 demand.

1t shall be the duty of justices or judges of court upon com-55 mitting a girl who is infected with a venereal disease to the Fair-56 mont hospital No. 3 or to the industrial school, as provided 57 herein, to notify the director of the bureau of venereal diseases of 58 West Virginia of the fact, giving name, age and address of the 59 girl and the diseases from which she is suffering; and it shall be 60 the duty of the superintendent of the hospital receiving such girl 61 as provided herein, to notify said director when any girl is re-62 ceived and when she is transferred to the industrial school, as pro-63 vided herein.

If it be found at the time of, or 14 after her admission to said home, that any girl was pregnant, or 15 had syphilis, gonorrhoea, or any other infectious or contagious 16 disease, at the time of her commitment, or was otherwise ineligible 17 for admission, or should she become incorrigible or unmanageable. 18 such girl may be returned to the court or officer by whom she was 19 committed to said home; or, at the discretion of the state board 20 of control, may be transferred temporarily to some other institu-21 tion for care or treatment, or otherwise disposed of as in the 22 judgment of said board may be best. The expense incurred in 23 returning such girl to the court or officers by whom she was com-24 mitted for any or all of the above stated reasons, or by reason 25 of transfer to any other state institution, shall be borne by the 26 county court out of the treasury of the county from which the 27 girl was committed to the school.

Such 14 escort shall be designated by the authority by whom the commit15 ment was made, and her compensation, which shall be fixed by the
16 same authority and not exceed three dollars per day, of twenty17 four hours, and her charges, or the girl's necessary travel18 ing expenses, fully itemized and sworn to by the escort, shall be
19 paid out of the treasury of the county from which the commit20 ment was made, by the county court thereof. No girl committed
21 to said industrial home shall be lodged in any jail or lock-up;
22 but the authority committing her shall designate an officer or
23 other proper person, preferably a woman, in whose custody she
24 will be kept until she is delivered to the person duly authorized to
25 conduct her to said home. The expenses of keeping such girl shall
26 be paid like any other expense of the hearing or trial.

Sec. 175-c. Justices, constables, jurors and witnesses shall re-2 receive the same fees in proceedings for committing a girl to the 3 said industrial home, or to the said Fairmont hospital No. 3, or 4 to the said Florence Crittenden Home, held before a justice or a 5 judge of a police or municipal court, as are allowed by law for sim-6 ilar services in misdemeanor cases; and such fees shall be paid in 7 like manner as fees of such officers and persons are paid in misde-8 meanor cases. The compensation of the physician for examin-9 ation, and of the woman or matron present at such examination, 10 shall be fixed by the justice or such police or municipal court 11 judge, when the hearing is held before him, and paid in the same 12 manner as the other costs of the case are paid, as in this section 13 provided. The compensation of such physician and matron in 14 trials before a criminal, intermediate or circuit court shall be 15 fixed by the court and taxed and paid as the other costs of the 16 case are taxed and paid; provided, that the compensation of the 17 physician shall not exceed three dollars and of the matron shall 18 not exceed one dollar, for each examination.

Sec. 175-d. Girls eligible to admission to the industrial home 2 may be admitted thereto at the instance of their parents, guard-3 ians, or next friends, under such agreement as to payment for 4 their maintenance, as may be made with the state board of control; 5 but all such girls shall be subject to the same treatment, training 6 and discipline, as the other inmates of the home, and shall be 7 discharged or paroled only in such manner and under such rules 8 and regulations as are provided for those who have been regularly 9 committed.

Sec. 175-e. The state board of control has authority to make 2 such rules and regulations relative to the management and govern-3 ment of said industrial home, and the instruction, discipline, train-4 ing, employment and disposition of the girls of the home and their 5 transportation to and from the home, not contrary to law, that 6 they may deem proper. And said board has authority, also, 7 under such rules and regulations as they may prescribe, to grant, 8 on recommendations of the superintendent, a discharge or parole 9 to any inmate of the home; but while any inmate is on such 10 parole and until she is finally discharged, she shall remain in the 11 legal custody of the board, and shall be subject to be returned to 12 the home at any time when, in the judgment of the board, the 13 interests of such paroled inmate will best be served thereby. 14 written order of said board, countersigned by the superintendent, 15 shall be sufficient warrant for any officer or person named therein 16 to arrest and return to the home any paroled inmate named in 17 such order; and it is hereby made the duty of any such officer of 18 person to make such arrest, and return such girl to the home. 19 Expenses incurred in returning to the home paroled inmates shall 20 be paid out of the funds provided for the support of the home, 21 when such inmates are returned upon order of said board.

Sec. 175-f. In any case where a girl is committed to the in-2 dustrial home for an offense punishable by confinement in the 3 penitentiary, and it is found by the state board of control that 4 said home is unable to benefit such girl, and that her presence is 5 a detriment and menace to the other girls in said institution, or 6 to the general good of the home, she may be returned to the 7 custody of the court from which she was committed to said home, 8 and thereupon such sentence may be passed upon her as to con-9 finement in the penitentiary, as may be proper in the premises, 10 or as might have been passed had such girl not been committed 11 to said industrial home. SENATE JOINT RESOLUTION No. 3.

(Adopted January 22, 1921.)

"Raising a commission to obtain plans for a new capitol building."

WHEREAS, the capitol building erected in the city of Charleston,
Kanawha county, West Virginia, pursuant to an act of the legislature,
being chapter fifty-eight of the acts of one thousand eight hundred
and seventy-seven, passed February twenty-one, one thousand eight
hundred and seventy-seven, was on the third day of January, one
thousand nine hundred and twenty-nine, destroyed by fire; and

WHEREAS, The business of the state of West Virginia requires proper quarters for the purpose of conducting such business and in order that the officers and employees thereof may properly perform their duties; now, therefore, be it

Resolved by the Legislature of West Virginia:

That a commission to be composed of the board of public works of the state of West Virginia and five members of the senate, to be appointed by the president of the senate, and five members of the house of delegates, to be appointed by the speaker of the house if delegates, together with the president and speaker, be, and the same are hereby constituted a commission for the purpose of procuring plans and specifications for the erection of a state capitol building, and said commission is further instructed to take under consideration the plans suggested by Governor John J. Cornwell, in his biennial message to this legislature, relative to the erction of a state capitol building and an office building, for the proper conduct of the business of the state of West Virginia.

Provided, the said committee shall not proceed to carry into effect this resolution until after such time as the question of the re-location of the seat of government is finally determined in the regular constitutional manner.

SENATE JOINT RESOLUTION NO. 8.

(Adopted January 25, 1921)

"Requesting the senate of the United States to approve the bill providing for adjusted compensation to be paid to the soldiers of the world war."

WHEREAS, The house of representatives at the second session of the sixty-sixth congress passed H. R. No..... providing for adjusted compensation to be paid to the soldiers of the world war; therefore, be it

Resolved by the Legislature of West Virginia:

That we respectfully request the seante of the United States to approve the action of the house in the passage of said bill at the earliest date consistent with the business of the senate. It is further

Resolved, That a copy of this resolution be forwarded by the clerk of the senate to the senators representing the state of West Virginia in the United States Senate, and that a copy also be sent to the vice president of the United States.

SENATE JOINT RESOLUTION NO. 13. .

(Adopted January 26, 1921)

"Expressing it as the sense of the legislature that the seat of government should remain in Charleston."

WHEREAS, The city of Charleston is the capital of the state of West Virginia, the seat of government having been located in said city by a vote of the people in one thousand eight hundred and seventy-seven, and the mere burning of the capitol building has not had the effect to change the seat of government, but on the contrary the state government is in full operation in said city with all of its departments discharging their functions; and

Whereas, The city of Charleston is the capital of the state of West Virginia, which not only owns the ground upon which the capitol building stood, but also owns the handsome capitol annex, in which have been located for many years the auditor's office, the treasurer's office, the court rooms of the supreme court of appeals, the offices of the judges and of the clerk of said court, the law library and the department of archives and history, and also owns the land upon which is located the governor's mansion and the offices of the board of control and other governmental offices, none of which were affected by the fire which destroyed the capitol building; and

Whereas, The officers of the state government and the clerks and the attaches of the various departments are all living in Charleston, many of them having moved to this city and acquired their homes there because it was the capital city, and this is true also of several of the judges, the clerk and the attaches of the supreme court of appeals; and

Whereas, A change in the location of the seat of government would disrupt all this, would seriously interfere with the work of the legislature, would interrupt for a long time the orderly work of the government, cause great confusion and inflict great loss and distress upon many persons, as well as tremendous expense upon the state; and

Whereas, If a serious effort should now be made to remove the seat of government from Charleston it would result not only in delaying the rebuilding of the capitol building, but also in a bitter and unseemly contest which would be a calamity to the state, both politically and economically, and would interfere with the important work of the legislature and probably destroy the spirit of co-operation which now exists between the different sections of the state in sustaining and cordially supporting the different public institutions of the state which have heretofore been designedly located in different sections of the state, and would set a precedent for the inauguration in the future of movements to change the locations of other state institutions which have been regarded as permanently fixed, and such a contest for the removal of the capital would be a great economic waste involving the expenditure of large sums of money; and

WHEREAS, We believe it is imperative that this question should be settled at this session of the legislature so that the work of the adjourned session in March may not be interrupted and embarrassed by the useless agitation of this matter and in order that an unseemly and disastrous contest may be avoided; be it

Resolved by the Legislature of West Virginia:

That the seat of government should not be changed, but should remain at the city of Charleston and the capitol building should be rebuilt at said city without any unreasonable or unnecessary delay, and that for good order, the peace and welfare of the state all efforts for the removal of the capital from said city should be abandoned.

SENATE JOINT RESOLUTION NO. 18.

(Adopted April 29, 1921)

"Authorizing the governor to appoint a commission to consider water power legislation looking to the development of the natural water power sites owned by the state, and to prepare a bill for such purpose for submission to the next session of the West Virginia legislature."

Whereas, It is the belief of the legislature that a law should be passed looking to the development of the natural water power sites of this state, with proper safeguards protecting the public ownership and control of such power sites, which constitute the sole remaining publicly-owned asset of the state, and which will safeguard all the other interests of the state and its people in such development; and,

WHEREAS, Such a law needs the most careful consideration and thought in its preparation on behalf of the state, in order to guard the public against mistakes that may be irreparable in dealing with this important subject; therefore, be it

Resolved by the Legislature of West Virginia:

That the governor is hereby authorized to appoint, on or before July first, one thousand nine hundred and twenty-one, a commission on water power legislation, to consist of five citizens of this state, at least one of whom shall be a competent civil engineer, and none of whom shall directly or indirectly be employed by or interested with any water power company, or other person or persons, who are seeking power sites in this state, or with any railroad company.

It shall be the duty of said commission upon its appointment to organize, and to give full consideration and make careful investigation as to what water power legislation ought to be passed in this state, and to submit its findings together with a draft of a proposed law on the subject, to the governor before the next session of the legislature. Said commission shall have power to employ such clerical, engineering, or other expert assistance as it shall deem necessary to the proper and efficient discharge of its duties, not to exceed in cost the sum of five thousand dollars.

It shall be the duty of the governor to transmit such report and proposed law to the legislature, with such recommendations as he shall deem proper, and to have five thousand copies of such proposed law printed for free distribution to such citizens of the state as shall make request therefor. The governor is authorized to pay out of his contingent fund any necessary expense, as aforesaid, that shall be incurred by said commission in the discharge of its duties, which payments shall only be made upon itemized statements certified by the commission to be correct.

"Authorizing the governor to appoint a commission to provide a memorial for soldiers of the world war to be erected in a place of honor in the new capitol building to be constructed in West Virginia."
