AN ACT making an appropriation of public money out of the treasury in accordance with section fifty-one, article six of the constitution.

[Passed March 13, 1937; in effect from passage.]

Title

1. General Provisions.
2. Appropriations.
3. Administration.

Be it enacted by the Legislature of West Virginia:

Title 1. General Provisions.

Section

1. General policy and purpose of act.
2. Definitions.
3. Classification of appropriations.
4. Method of expenditure.
5. Limitations on Expenditures.
6. Maximum expenditures.

Section 1. *General Policy.* The purpose of this act is to
2 appropriate money necessary for economical and efficient dis-
3 charge of the duties and responsibilities of the state and its
4 agencies during the fiscal years one thousand nine hundred

5 thirty-eight and one thousand nine hundred thirty-nine. To
6 give effect to this purpose, the board of public works shall
7 supervise the fiscal policy, control the assumption of obliga-
8 tions, and regulate the expenditures of the agencies of the
9 state.

Sec. 2. *Definitions.* For the purpose of this act:

2 "Board" shall mean the board of public works;

3 "Spending unit" shall mean the department, agency, or
4 institution to which an appropriation is made.

5 The "fiscal year one thousand nine hundred thirty-eight"
6 shall mean the period from July first, one thousand nine hun-
7 dred thirty-seven through June thirtieth, one thousand nine
8 hundred thirty-eight; and the "fiscal year one thousand nine

12 "From collections" shall mean the amount of the total
13 appropriation which must be collected by the spending unit
14 to be available for expenditure. If the authorized amount of
15 collections is not collected, the total appropriation for the

17 of the deficiency in the collection. If the amount collected
18 exceeds the amount designated "from collections" the excess
19 shall be set aside in a special surplus fund and may be ex-
20 pended for the purpose of the spending unit as provided by
21 section seventeen of Title III of this act.

Sec. 3. *Classifications of Appropriations.* An appropriation
2 for:

3 "Personal services" shall be extended only for the payment

7 costs other than personal services or capital outlay.

8 "Buildings" shall include construction and alteration of
9 structures and the improvement of lands and shall include
10 shelter, support, storage, protection, or the improvement of a
11 natural condition;

12 "Lands" shall be expended only for the purchase of land
13 or interests in lands;

14 "Equipment" shall be expended only for things which have
15 an appreciable and calculable period of usefulness in excess
16 of one year;

17 "Repairs and alterations" shall include all expenditures for
18 materials, supplies and labor used in repairing and altering
19 buildings, grounds and equipment.

Sec. 4. *Method of Expenditure.* Money appropriated by
2 this act, unless otherwise specifically directed, shall be appro-
3 priated and expended according to the provisions of article
4 three, chapter twelve of the code of one thousand nine hundred
5 thirty-one, or according to any law detailing a procedure
6 specifically limiting that article.

Sec. 5. *Limitations on Expenditures.* The expenditure of
2 money appropriated by this act shall be limited to the specific
3 amount appropriated to each item. There shall be no transfer
4 of amounts between items of the appropriation of the spend-
5 ing unit without prior authorization by the board of public
6 works, as provided by section eighteen, Title III of this act.

Sec. 6. *Maximum Expenditures.* No authority or require-
2 ment of law shall be interpreted as requiring or permitting
3 an expenditure in excess of the appropriations set out in this
4 act.

Sec. 3. *Appropriation for Bonded Obligations.* There is hereby appropriated out of the general fund an amount sufficient to meet the principal and interest requirements of the bonded obligations of the state other than road bonds.

Sec. 4. *Special Revenue Appropriations.* There is hereby appropriated for expenditure during the fiscal years one thousand nine hundred thirty-eight and one thousand nine hundred thirty-nine: Appropriations made by general law from special revenue which is not paid into the state fund as general revenue under the provisions of section two, article two, chapter twelve of the code of West Virginia, one thousand nine hundred thirty-one.

Sec. 5. *Appropriations Revived and Extended.* A part of an appropriation to a spending unit that remains unexpended at the end of the fiscal year one thousand nine hundred thirty-eight may, by order of the board of public works, be revived and expended to meet unforeseen contingencies arising during the fiscal year one thousand nine hundred thirty-nine.

Sec. 6. *Specific Statutory Appropriations.* Whenever the specific payment of a definite sum of money is required by general law such sum shall be paid from the proper item appropriated by this act.

Sec. 7. *Specific Funds and Collection Accounts.* A fund or collections account, which by law is dedicated to a specific use, is hereby appropriated in sufficient amount to meet all lawful demands upon the fund or collection account, and shall be expended according to the provisions of article three, chapter twelve of the code of one thousand nine hundred thirty-one.

Sec. 8. *Appropriations for Refunding Erroneous Payments.* Money that has been erroneously paid into the state treasury is hereby appropriated out of the fund into which it was paid for refund to the proper person.

When the officer authorized by law to collect money for the state finds that a sum has been erroneously paid he shall issue his requisition upon the auditor for the refunding of the proper amount. The auditor shall issue his warrant to the treasurer and the treasurer shall pay the warrant out of the fund into which the amount was originally paid.

Sec. 9. *Contingent Fund.* A contingent fund may be expended as appropriated, with the approval of the board of public works, when the expenditure will improve the governmental service and care for unexpended contingencies. A part of a contingent fund that remains unexpended at the end of the fiscal year shall automatically become available for expenditure during the second fiscal year.

The expenditure of the governor's civil contingent fund, and the legislative contingent funds shall not be conditioned upon the approval of the board of public works.

Sec. 10. *Sinking Fund Deficiencies.* There is hereby appropriated to the board of public works a sufficient amount to meet a deficiency that may arise in the fund of the state sinking fund commission because of the failure of a local taxing district to remit funds necessary for the payment of interest and sinking fund requirements. The board of public works is authorized to transfer from time to time such amounts to the state sinking fund commission as may be necessary for this purpose.

The state sinking fund commission shall reimburse the board of public works from the first remittances collected from the local taxing district for which the board of public works advanced funds, with interest at the rate carried by the bonds for which the advance was made.

Sec. 11. *Appropriations from Forfeitures and License Fees.* There is hereby appropriated from all forfeitures and license fees collected by the state tax commissioner, all necessary salaries, expenses, commissions, and attorneys' fees authorized by law for the collection of such forfeitures and license fees. All such salaries, expenses, commissions, and attorneys' fees authorized by law shall be paid by the tax commissioner through the state treasury out of gross collections. Any part of such forfeitures that may be due the state or any county, district, or municipality shall be distributed through the state treasury by the tax commissioner in the manner provided by law.

Section 1. *Appropriations Conditional.* The expenditure
2 of the appropriations made by this act, except those appro-
3 priations made to the legislative and judicial branches of the
4 state government, are conditioned upon the compliance by the
5 spending unit with the requirements of this act and the regu-
6 lations and orders made under it.

Sec. 2. *Board of Public Works.* The board of public works
2 shall control and supervise the fiscal methods of spending
3 units of the state so as to insure the expenditure of funds
4 appropriated by this act in accordance with a sound state
5 fiscal policy and a planned program of expenditure for the
6 spending unit. The provisions of this act shall not be con-
7 strued to delegate to the board a control over the policies
8 and activities of agencies and institutions that it does not
9 already possess.

Sec. 3. *Constitutional Reports.* The board shall establish a
2 unit or division of statistics. It shall be the duty of this
3 division to prepare the annual statement of assets of the state
4 as required by the Budget Amendment to the constitution,
5 a statement of the income of the state, the portion allocable
6 to revenue under the existing tax statutes, and the general
7 economic effect of the tax structure upon the social and in-
8 dustrial development of the state. From time to time the
9 division shall make reports setting forth the results of its
10 researches and its recommendations for the orderly develop-
11 ment of the revenue and expenditure policy of the state. The
12 reports shall be made to the board of public works.

Sec. 4. *Determination of Expenditure.* The board shall ex-
2 amine and survey the progress of the collection of the revenue
3 of the state and determine each quarter of the fiscal year the
4 proportion which the amount actually collected bears to the
5 collections estimated for that period. For this purpose the
6 board shall have the authority to require all necessary esti-
7 mates and reports from any office, department, or other
8 agency of state government.

Sec. 5. *Reduction of Appropriations.* The board may reduce appropriations according to any of the plans which are set forth in sections six, seven and eight, of this act.

Sec. 6. *Equal and Pro Rata Reductions.* If the board determines that the amounts, or parts thereof, appropriated from the general revenue cannot be expended without creating an overdraft or a deficit in the general fund, it may reduce equally and pro rata all appropriations out of general revenue in such a degree as may be necessary to prevent an overdraft or a deficit in the general fund.

Sec. 7. *Reduction of Separate Funds and Accounts.* The board, in the manner prescribed in section six, may reduce appropriations from:

1. Funds supported by designated taxes or fees;
2. Fees or other collections set aside for the support of designated activities or service.

Each fund and each fee or collection account shall be treated separately, but appropriations from the same fund or account shall be treated equally and reduced pro rata.

Sec. 8. *Selective Reductions.* If the board determines that the reductions provided for in sections six and seven of this title will dangerously impair the existence of the essential services of government, it may reduce the amount to be expended from separate appropriations in accordance with the following method:

1. The board shall first classify appropriations as follows:

Class One: For agencies collecting revenue and administering the fiscal operations of government, including the offices and departments of the tax commissioner, auditor, treasurer, and sinking fund commission.

Class Two: For agencies vested with the supervision, control, and direction of executive policy and law enforcement, including the governor's office, the attorney general's office, and the department of public safety.

Class Three: For state institutions, educational, charitable, and corrective.

Class Four: For other departments and services of the state government.

Class Five: For transfers from the general fund.

21 2. The board shall first reduce the appropriations from
 22 class five and then if necessary reduce the appropriations for
 23 the other classes in descending numerical order as follows:
 24 Class Four, Class Three, Class Two, Class One. All reductions
 25 shall be in multiples of five per cent, but a fixed relationship
 26 shall be maintained between the classes which shall be meas-
 27 ured by a difference of five per cent in the rate of reduction.
 28 The maximum reduction shall not exceed twenty-five per cent
 29 in Class Five and in the other classes it shall be proportional
 30 according to the following table:

31 Classes	Five	Four	Three	Two	One
32 Per cent of	(5%				
33 reductions	(10%	5%			
34 from total	(15%	10%	5%		
35 appropria-	(20%	15%	10%	5%	
36 tions	(25%	20%	15%	10%	5%

Sec. 9. *Director of Budget.* The governor, as chairman of
 2 the board of public works, shall appoint a director of the
 3 budget who shall administer the budget under the direction
 4 of the board of public works. The director of the budget
 5 shall hold office at the will and pleasure of the chairman of
 6 the board and shall receive a salary to be fixed by the chair-
 7 man of the board, but not to exceed six thousand dollars a
 8 year.

Sec. 10. *Board of Control.* In the control and supervision
 2 of the fiscal methods of the institutions named in sections
 3 three and four, article one, chapter twenty-five of the code of
 4 West Virginia, one thousand nine hundred thirty-one, the
 5 board of control shall perform such duties as the director of
 6 the budget may require.

Sec. 11. *Personnel Classification.* With the exception of
 2 those institutions under the control of the state board of edu-
 3 cation, the board of governors of West Virginia University,
 4 and the board of control, the director of the budget shall
 5 classify the offices and employments in the state government
 6 and its agencies, into a personnel classification which reflects
 7 the differences in training, experience, ability, and responsi-
 8 bility required for different types or kinds of service or em-

9 ployment, and shall establish uniform salary and wage scales
10 within each class.

11 The board shall require the state board of education, the
12 board of governors of West Virginia University, and the
13 board of control to prepare and apply personnel classifica-
14 tions to the institutions under their control.

Sec. 12. *Accrual Accounting.* The board of public works
2 shall install a system of accrual accounting for the purpose
3 of recording for each spending unit the collection of all in-
4 come, the amounts available for expenditure and obligations,
5 encumbrances and disbursements. The board shall prescribe
6 uniform records, accounts, and forms to be used by spending
7 units so far as may be necessary for the efficient administra-
8 tion of the budget.

9 The system of accrual accounting and of uniform record
10 shall be used by each spending unit, the auditor's office, the
11 treasurer's office, and the office of the budget director.

Sec. 13. *Year Expenditure Plan.* Prior to the beginning of
2 each fiscal year, the executive officers of a spending unit
3 shall submit to the board of public works a detailed plan
4 of expenditure for the ensuing fiscal year. The plan shall
5 be submitted in such form and at such time as the board
6 may require.

7 The plan shall show:

8 1. A proposed monthly rate of expenditure for amounts
9 appropriated for personal services.

10 2. A proposed quarterly rate of expenditure of amounts
11 appropriated for current expense.

12 3. A proposed yearly plan for expenditure of amounts
13 appropriated for capital outlay.

Sec. 14. *Approval of Plans.* The board shall examine the
2 plan of expenditure for each spending unit, and if it finds
3 that the plan conforms to the requirements of this act and
4 is in accordance with sound fiscal methods it shall approve
5 the plan. A plan approved by the board shall control and
6 govern the expenditures of the spending unit, unless the
7 board finds it necessary to reduce expenditures from a fund
8 in order to avoid a deficit in that fund, or the board con-
9 sents to an alteration of the plan, at the request of the

10 executive officer of the spending unit, to increase the efficiency
11 of the service.

Sec. 15. *Quarterly Plan.* At least thirty days prior to the
2 beginning of each quarter of the fiscal year the executive
3 officer of a spending unit shall submit to the board of public
4 works a request for an allotment of public funds sufficient
5 to operate his unit during the ensuing quarter in accordance
6 with the approved plan of expenditure.

7 The board shall examine the request and if the board
8 approves the request and finds that the collection of revenue
9 warrants the expenditure it shall order the allotment to be
10 credited to the account of the spending unit.

Sec. 16. *Limitation on Expenditure.* The expenditures of a
2 spending unit during a quarter of the fiscal year shall not
3 exceed the amount of the allotment made by the board of
4 public works, except upon the approval of the board of public
5 works, but any amounts remaining unexpended at the close
6 of the quarter shall be available for reallocation and expendi-
7 ture during any succeeding quarter of the same fiscal year.

Sec. 17. *Requisition for Appropriation.* A requisition for
2 the expenditure of an appropriation made by this act shall
3 be presented to the auditor only through the director of the
4 budget: *Provided,* That the expenditure of legislative appro-
5 priations nor the payment of legislative expenses shall not be
6 subject to the approval of the director of the budget, and
7 requisitions for the payment of legislative expenses shall be
8 presented by the Clerk of the Senate and the Clerk of the
9 House of Delegates direct to the Auditor.

Sec. 18. *Specific Appropriation.* Money appropriated for a
2 specific purpose shall not be used for any other purpose. The
3 director shall not forward to the auditor any requisition until
4 he is satisfied that:

5 1. It is to be expended for a purpose authorized by the
6 statute and for which an appropriation exists in the budget
7 bill;

8 2. There is an amount available to the credit of the spend-
9 ing unit to meet the requisition for the particular item of
10 expenditure;

11 3. The money will be used for the purposes for which the
12 appropriation was made.

Sec. 19. *Lump-sum Appropriations.* When a lump sum is
2 appropriated for the use of a particular spending unit, no
3 appropriation shall be available and no requisition shall be
4 honored (except for temporary services and expenses) until:

5 1. A schedule of positions and salaries has been submitted
6 and approved;

7 2. A general plan of expenditure has been approved by
8 the director, according to the provisions of this title.

Sec. 20. *Transfer of Property.* Except where a transfer of
2 personal property from one spending unit to another is other-
3 wise specifically provided for by statute, the board of public
4 works may authorize the transfer of any personal property
5 from a spending unit where it is not needed to another spend-
6 ing unit where there is a need. The determination of the
7 lack of need and the existence of need shall be the sole re-
8 sponsibility of the board of public works.

Sec. 21. *Method of Expenditure Control.* The director of the
2 budget may keep a record of receipts, accruals, and anticipated
3 income from which appropriations are expended and an ex-
4 penditure and incumbrance account so that he can determine
5 at any time whether a disbursement can be made without an
6 overdraft in the account of a particular spending unit. In
7 case he discovers that such disbursement would be in excess
8 of the amount appropriated by the legislature he shall refuse
9 to transmit the requisition to the auditor and shall return
10 it to the spending unit with a memorandum setting forth
11 the reasons for his refusal.

12 In case there is an ample credit to the account of the
13 spending unit, but the actual moneys of the state are in-
14 sufficient to meet the amount of the requisition, the budget
15 director shall forward the requisition to the auditor only if
16 he believes that there is a reasonable probability that the
17 funds will be available.

Sec. 22. *Surplus in Collections.* If the amount actually col-
2 lected by a spending unit exceeds the amount which it is
3 authorized to expend from collections, the excess of collections
4 shall be set aside in a special surplus fund for the spending

5 unit. Expenditures from this fund shall be made only in
6 accordance with the following procedure:

7 The executive officer of the spending unit shall submit to
8 the board of public works:

9 1. A plan of expenditure showing the purposes for which
10 the surplus fund is to be expended, and

11 2. A justification statement showing the reasons why the
12 expenditure is necessary and desirable.

13 If the board is satisfied that the expenditure is required
14 to defray the additional costs of the service or activity of
15 the spending unit, the demand for which is reflected by the
16 surplus of collections and that the expenditure is in accord-
17 ance with sound fiscal methods, the board may authorize the
18 use of the surplus fund during the current or next fiscal
19 year.

20 An expenditure from a surplus fund without the approval
21 of the board of public works shall be an unlawful use of
22 public funds.

Sec. 23. *Transfer Between Items.* The board of public works
2 may, at the request of the executive officer of a spending
3 unit, transfer amounts between items of the total appro-
4 priation for the spending unit in order to protect or in-
5 crease the efficiency of the service: *Provided, however,* That
6 no transfer shall be made from other items to the item "per-
7 sonal service."

Sec. 23-a. *Expenditure of Building Appropriations When*
2 *Federal Funds Are Not Available.* In reference to Account
3 No. 333, West Virginia Schools for the Deaf and Blind, lines
4 6 to 10, Account No. 431, Pinecrest Sanitarium, lines 6 to 9,
5 Account No. 432, Denmar Sanitarium, lines 7 to 11, and
6 Acct. No. 386—West Virginia Foundation for Crippled
7 Children, lines 5 to 9: In the event federal funds for match-
8 ing are not available, the board of public works may re-
9 arrange said items and select from the buildings contemplated
10 those most needed, and use any or all of said building appro-
11 priations therefor.

Sec. 24. *Duties of Spending Units.* A spending unit shall:
2 1. Keep and maintain records and accounts in the manner
3 and on forms prescribed by the board.

- 4 2. Transmit reports and estimates at such times as the
5 board shall direct.
- 6 3. Maintain such personnel classifications and uniform
7 salary scales as the board shall approve.
- 8 4. Keep its records and accounts open during business
9 hours for inspection by the budget officer or his representa-
10 tives.

Sec. 25. *Annual Inventory.* The director may require each
2 spending unit to file with his office on or before the fifteenth
3 of July of each year a certified inventory of all real and
4 personal property and all supplies and equipment in its
5 possession at the close of the preceding fiscal year.

Sec. 26. *Suspension of Certain Acts.* A provision of another
2 act, or of the code of West Virginia, one thousand nine
3 hundred thirty-one, as amended, which is in conflict with the
4 provisions of this act is hereby suspended during the oper-
5 ation of this act.

Sec. 27. *Constitutionality.* If any part of this act is declared
2 unconstitutional by a court of competent jurisdiction its de-
3 cision shall not affect any portion of this act which remains,
4 but the remaining portions shall be in full force and effect
5 as if the portion declared unconstitutional had never been a
6 part of the act.

Section

18. Limitation on loans; authorization of loans to officers and employees of banks and banking department; valuation of securities.

Be it enacted by the Legislature of West Virginia:

But the discount of commercial or business paper actually owned by the person, firm or corporation negotiating the

30 same shall not be considered as money borrowed within
31 the limitation of this section; and the obligations of

36 property is fully covered by insurance, if it is customary
36a to insure such staples, shall be considered money borrowed
36b within the meaning of this section, but shall be subject to
37 the exception that with respect thereto the limitation of ten
38 per cent of the unimpaired capital stock, including deben-
39 tures and surplus fund, to which reference has hereinbe-
40 fore been made, may be increased to twenty-five per cent
41 when the market value of such staples securing such obli-
42 gations is not at any time less than one hundred fifteen
43 per cent of the face amount of such obligations, and may
44 be increased up to fifty per cent of such unimpaired
45 capital stock, including debentures and surplus fund, with
46 a corresponding increase in market value of such staples
47 securing such obligation up to not less than one hundred
48 forty per cent of the face amount of such additional obli-

59 Federal Home Loan Bank, or the Home Owners' Loan Cor-
60 poration. Neither shall this section apply to the obligations
61 of a corporation owning the building in which the banking
62 institution is located, when such banking institution has an
63 unimpaired capital and surplus of not less than one million
64 dollars, or when approved in writing by the commissioner of
65 banking. Nothing herein shall be construed to forbid the
66 sale upon credit of a bank building owned by a banking in-
67 stitution at the time this act takes effect.

68 Indebtedness to a banking institution in excess of the
69 maximum prescribed in this section, outstanding at the date
70 this act takes effect, shall not be renewed, refunded or other-

72 vided by this section. If such indebtedness has not been col-
73 lected on or before May first, one thousand nine hundred
74 thirty-nine, and if said institution is not then diligently and
75 to the satisfaction of the commissioner of banking of the state
76 of West Virginia proceeding to collect the same, the said
77 commissioner of banking may require the said banking in-
78 stitution to charge said indebtedness to profit and loss, or
79 he may make such other requirements of such institution
80 with respect to such indebtedness as he shall deem just under
81 the circumstances, and any officer of the bank who shall re-
82 fuse to comply with such order or direction of said commis-
83 sioner of banking shall be guilty of a misdemeanor and shall
84 be punishable under the provisions of section thirty-nine of
85 this article.

86 No officer, director, clerk or other employee of any banking
87 institution or the commissioner of banking or any employee
88 of the department of banking shall borrow, directly or in-
89 directly, from the banking institution with which he is
90 connected, or is subject to his examination, any sum of money

92 directors or discount committee thereof filed in its office,
93 or embodied in a resolution adopted by a majority vote of
94 such board, exclusive of the director to whom the loan is made.
95 If an officer, clerk or other employee of any bank shall own
96 or control a majority of the stock of any other corporation, a
97 loan to such corporation shall, for the purpose of this section,
98 constitute a loan to such officer, clerk or other employee.

99 Securities purchased by a banking institution shall be
100 entered upon the books of the bank at actual cost, but may
101 be carried thereafter at market value. For the purpose of
102 calculating the undivided profits applicable to the payment
103 of dividends, securities shall not be estimated at a valuation
104 exceeding their present cost as determined by amortization;
105 that is, by deducting from the cost of a security purchased
106 at a premium, and charging to profit and loss a sum sufficient
107 to bring it to par at maturity.

Section 45. *Banking Institutions Incorporated in, But*
2 *Doing Business Entirely Without State.* Any banking in-

39 apply to any banking institution, any part of whose actual
40 business is conducted within the state of West Virginia.
41 *And provided further,* That nothing in this section contained
42 shall be interpreted as rendering any laws now in force or
43 hereafter enacted inapplicable to banking institutions doing
44 any actual business in the state of West Virginia, and such
45 future legislation, unless it specifically or by necessary im-

13 commissioner may require the production, within this state
14 at such time and place as he may designate, of any books,
15 accounts, papers or records kept within or without the state,
16 or verified copies in lieu thereof, in order that an examination
17 thereof may be made by the tax commissioner or his duly
18 designated agents. If, as the result of such examination, it

19 shall be found that any nonintoxicating beer subject to the
20 payment of a license tax, has been manufactured, brewed,
21 sold or distributed by any person, upon which the tax has
22 not been paid, the tax commissioner shall make an assess-

26 such person of the additional amount due. If the same re-

33 commissioner as hereinafter provided.

34 Within thirty days after the receipt of notice of any
35 additional amount claimed to be due from any person as
36 shown by an examination by the tax commissioner, the
37 licensee shall have the right of appeal from his findings to
38 the circuit court of Kanawha county, West Virginia, and
39 such appeal shall be heard by the said circuit court de novo.
40 Whether the finding of the tax commissioner is affirmed or
41 reversed the circuit court shall enter an order accordingly
42 and either party shall then have the right of appeal to the
43 supreme court of appeals of the state.

Sec. 9. *Restrictions on Nonresident Brewers and Distribu-*

5 for shipment into this state, except to a distributor who is
6 duly licensed under this act, and no such brewer shall con-
7 sign, ship or deliver any nonintoxicating beer to any person
8 within the state of West Virginia, or sell and deliver such
9 beer outside the state of West Virginia to be transported into
10 the state of West Virginia, except to a duly licensed dis-
11 tributor for delivery at the place of business of such dis-
12 tributor as set forth in his license. No such brewer shall have
13 any interest in the business of any distributor or retailer, nor
14 be connected directly or indirectly with any distributor or

15 retailer. Every such brewer shall mail to the tax commis-
16 sioner at Charleston, West Virginia, on or before the tenth
17 day of each calendar month, a sworn statement showing all
18 such sales and shipments of nonintoxicating beer made by
19 such brewer during the preceding calendar month. If any
20 such brewer shall violate any of the provisions of this act, he
21 shall not be permitted to sell, ship or deliver any nonintoxi-
22 cating beer to any distributor, or otherwise engage in the
23 nonintoxicating beer business, for a period of one year from
24 the date the notice shall be mailed to such brewer by the
25 tax commissioner of the fact that such brewer has violated
26 the provisions of this act. During such period of one year
27 it shall be unlawful for any distributor, or for any other
28 person within the jurisdiction of the state of West Virginia,
29 to buy or receive from such brewer any nonintoxicating beer
30 or have any dealings with such brewer with respect thereto.
31 A distributor, who has not qualified with residence require-
32 ments of this act or whose chief place of business is outside
33 the state of West Virginia shall not sell, ship, transport
34 convey or deliver, or cause to be sold, shipped, transported,
35 conveyed or delivered, directly or indirectly, any nonintoxi-
36 cating beer to any distributor within the state of West Vir-
37 ginia. If any such distributor shall violate any of the pro-
38 visions of this act, he shall be punished in like manner as
39 provided for any non-resident brewer who shall violate any
40 provisions of this section.

Sec. 10. *License in One Capacity Only; No Connection*.
2 *Between Different Licensees; When Brewer May Act as Dis-*

4 capacity under the terms of this act, and there shall be no
5 connection whatsoever between any retailer or distributor
6 or brewer, and no person shall be interested directly or
7 indirectly through the ownership of corporate stock, member-
8 ship in a partnership, or in any other way in the business
9 of a retailer, if such person is at the same time interested
10 in the business of a brewer or distributor; but a brewer
11 whose place of business is located within the state of West
12 Virginia may act as distributor of his own product from
13 the place of manufacture, or bottling but must have dis-

14 tributor's license for distribution from a place other than
15 the place of manufacture, and a brewer or distributor may
16 sell to a consumer, for personal use and not for resale,
17 draught beer in quantities of one-eighth, one-fourth and one-
18 half barrels in the original container: *Provided, however,*
19 That nothing herein contained shall prevent a brewer who
20 bottles beer manufactured by another from obtaining a
21 license as, and engaging in the business of, a distributor,
22 but on all beer bottled by a brewer other than the manu-
23 facturer of the beer the label on each bottle shall plainly
24 indicate the name of the brewer by whom the said beer was
25 manufactured.

Sec. 11. *License Not Transferable; Change of Location.* No
2 license issued under the provisions of this act shall be trans-
3 ferred to another person, nor shall the location of the
4 premises to which the license relates be changed without the
5 written consent of the tax commissioner, which consent may
6 be refused, in his discretion.

Sec. 12. *Form of Application for License; Fee and Bond;*
2 *Refusal of License.* A license may be issued by the tax com-
3 missioner to any person who submits an application therefor,
4 accompanied by license fee and bond, stating under oath:

5 (a) The name and residence of the applicant, how long he
6 has resided there, that he has been a resident of the state for
7 a period of two years next preceding the date of his applica-
8 tion, that he is twenty-one years of age, and, if a firm, associa-
9 tion, partnership or corporation, the residence of the members
10 or officers for a period of two years next preceding the date of
11 such application: *Provided,* That if any person, firm, partner-
12 ship, association or corporation applies for a license as a dis-
13 tributor, such person, or in the case of a firm, partnership,
14 association or corporation, the members or officers thereof,
15 shall state under oath that he or they have been bona fide
16 residents of the state for four years next preceding the date
17 of such application.

18 (b) The place of birth of applicant and, if a naturalized
19 citizen, when and where naturalized; and, if a corporation,
20 organized or authorized to do business under the laws of
21 the state, when and where incorporated, with the names and

22 address of each officer; and, if a firm or partnership, the
23 place of birth or place when and where naturalized of each
24 member of the firm or partnership, each of whom must
25 qualify and sign the application;

26 (c) The particular place for which the license is desired
27 and a detailed description thereof;

28 (d) The name of the owner of the building and, if the
29 owner is not the applicant, that such applicant is the actual
30 owner and bona fide lessee of the premises;

31 (e) That the place or building in which it is proposed to
32 do business conforms to all laws of health and fire regu-
33 lations applicable thereto, and is a safe and proper place or
34 building;

35 (f) That the applicant has never been convicted of a
36 felony, or a violation of the liquor laws either federal or state;

37 (g) That the applicant is the only person in any manner
38 pecuniarily interested in the business so asked to be licensed
39 and that no other person shall be in any manner pecuniarily
40 interested therein during the continuance of the license;

41 (h) That the applicant has not during one year next
42 immediately preceding the date of said application had a
43 nonintoxicating beer license revoked, nor during the same
44 period been convicted of any criminal offense.

45 The foregoing provisions and requirements are mandatory
46 prerequisites for the issuance of a license, and in the event
47 any applicant fails to qualify under the same, license shall
48 be refused. In addition to the information furnished in
49 any application, the tax commissioner may make such addi-
50 tional and independent investigation of each applicant, and
51 of the place to be occupied, as deemed necessary or advis-
52 able; and for this reason each and all applications, with
53 license fee and bond, must be filed thirty days prior to
54 the beginning of any fiscal year, and if application is for
55 an unexpired portion of any fiscal year, issuance of license
56 may be withheld for such reasonable time as necessary for
57 investigation.

58 The tax commissioner may refuse a license to any appli-
59 cant under the provisions of this act if he shall be of the
60 opinion:

61 (a) That the applicant is not a suitable person to be

62 licensed ; or

63 (b) That the place to be occupied by the applicant is not
64 a suitable place ; or

11 or to any person under the age of eighteen years.

12 (c) For any distributor to sell or offer to sell, or any
13 retailer to purchase or receive, any nonintoxicating beer
14 except for cash ; and no right of action shall exist to
15 collect any claims for credit extended contrary to the pro-
16 visions of this clause. Nothing herein contained shall pro-

75 it to such claimant, and no cost shall be taxed against such
76 claimant,

79 property and was the holder of such lien at the time of such
80 seizure and that he was ignorant of such illegal use thereof,
81 or the use so made of such conveyance or vehicle was without

103 implied, the said property shall be completely forfeited to the
104 state and turned over to the commission in accordance with
105 the provisions of this chapter.

22 do and perform any and all acts and make all contracts neces-
23 sary to effectuate the general purpose of this act, including
24 the acquisition, by original grant, gift, condemnation, or other

25 lawful means of real estate, and of all necessary permits,
26 easements and other rights in real estate, and title to and
27 possession thereof, or to make such purchase and acquisition
28 with the money borrowed, as provided in this act.

29 Such county court shall have authority, and is empowered,
30 to make such contracts, agreements and covenants between it
31 and the United States government, or the public works ad-
32 ministration, or other governmental agency, or bank, or finan-

42 and to do and perform such acts as may be necessary for the
43 construction, equipment, operation and maintenance of the
44 same, subject to such burdens, restrictions and encumbrances
45 as it may be necessary to incur and bear, in securing such
46 bonds and such real estate construction, equipment and main-
47 tenance.

48 Bonds issued hereunder shall be exempt from taxation by
49 the state of West Virginia, or any county therein, or any
50 district or municipality thereof.

Sec. 4. *Enforcement of Lien of Bond Holders.* There
2 shall be and there is hereby created a statutory mortgage
3 lien upon the said real estate, buildings and property so
4 acquired, constructed or built from the proceeds of bonds
5 authorized to be issued under this act, which shall exist
6 in favor of the holder of said bonds, and each of them,
7 and to and in favor of the holder of the interest coupons
8 attached to said bonds, and such courthouse, hospital, other
9 public buildings, or jail, and the real estate so acquired
10 and used for and in connection therewith, shall remain sub-
11 ject to such statutory mortgage lien until payment in full
12 of the principal and interest of said bonds. Any holder of
13 bonds issued under the provisions of this act, or the holder
14 of any coupons representing interest accrued thereon, may,

15 either at law or in equity, enforce the statutory mortgage
16 lien hereby created and conferred, and may, by proper suit,
17 compel the performance of the duties of the officials of the
18 said court set forth in this act. If there be default in the
19 payment of the principal of or interest upon any of said
20 bonds, any court having jurisdiction in any proper action
21 may appoint a receiver to administer said property on behalf
22 of the said court with power to charge and collect rents or
23 income sufficient to provide for the payment of said bonds
24 and interest thereon, and for the payment of the operating
25 expenses, and to apply the income, rents or other revenue in
26 conformity with this act and the order providing for the is-
27 suance of said bonds.

Sec. 5. *Form and Payment of Bonds; Use of Proceeds*
2 of Bonds. Any county court issuing bonds under the
3 provisions of this act shall thereafter, so long as any such
4 bonds remain outstanding, operate and maintain said
5 courthouse, hospital, other public buildings, or jail, to pro-
6 vide revenues sufficient to pay all operating costs, pro-
7 vide a sinking fund for, and to retire the bonds and
8 pay the interest thereon as the same may become due.
9 The amounts, as and when so set apart by said county
10 court, shall be remitted to the state sinking fund commission
11 at least thirty days previous to the time interest or principal
12 payments become due, to be retained and paid out by said
13 commission consistent with the provisions of this act and with
14 the order pursuant to which such bonds have been issued. The
15 state sinking fund commission is hereby authorized to act as
16 fiscal agent for the administration of such sinking fund un-
17 der any order passed pursuant to the provisions of this act,
18 and shall invest all sinking funds, as provided by general law.
19 Bonds issued under the provisions of this act are hereby de-
20 clared to be and to have all the qualities of negotiable instru-
21 ments. Such bonds shall bear interest at not more than six
22 per cent per annum, payable semi-annually, and shall ma-
23 ture at any time fixed by the county court, in not more than
24 thirty years from their date, and may be made redeemable
25 at the option of the county court at such price and under
26 such terms and conditions as said court may fix, by its order,
27 prior to the issuance of such bonds. Bonds issued hereunder

28 shall be payable at the office of the state treasurer, or some
29 bank in the city of New York.

30 In case any of the officers whose signatures appear on the
31 bonds or coupons shall cease to be such officers before the de-
32 livery of such bonds, such signatures shall, nevertheless, be
33 valid and sufficient for all purposes the same as if they had
34 remained in office until such delivery. The county court shall
35 by order entered prior to the issuance of said bonds, fix the
36 denominations, times and places of payment of such bonds,
37 the principal and interest of which shall be payable in lawful
38 money of the United States of America. The proceeds of
39 such bonds shall be used solely for the payment of the cost of
40 land, buildings, furniture and equipment thereon, and shall
41 be checked out by the county court under such restrictions
42 as are contained in the order providing for the issuance of
43 said bonds. If the proceeds of bonds issued for any court-
44 house, hospital, other public buildings, or jail, shall exceed
45 the cost thereof, the surplus shall be paid into the fund here-
46 in provided for the payment of principal and interest upon
47 such bonds. Such fund may be used for the purchase or re-
48 demption of any of the outstanding bonds payable from such
49 fund at the market price, but at not exceeding the price at
50 which any of such bonds shall in the same year be redeemable,
51 as fixed by the court in its said order, and all bonds redeemed
52 or purchased shall forthwith be cancelled, and shall not again
53 be issued.

53a Prior to the preparation of definitive bonds, the county
54 court may, under like restrictions, issue temporary bonds, or
55 interim certificates, with or without coupons, exchangeable
56 for definitive bonds upon the issuance of the latter. Such
57 bonds may be issued without any other proceedings or the
58 happening of any other conditions or things than those pro-
59 ceedings, conditions and things which are specified and re-
60 quired by this act.

Sec. 6 *Limitation on Character of Debt Incurred.* Nothing
2 in this act contained shall be so construed or interpreted as to
3 authorize or permit any county court to incur a debt for and
4 on behalf of said court of any kind or nature contrary to the
5 provisions of the constitution of the state in relation to debt.

Sec. 7. *Powers Conferred are Additional.* This act shall
2 be deemed to provide an additional and alternative method
3 for the doing of the things authorized hereby, and shall be
4 regarded as supplementary and additional to powers con-
5 ferred by other laws.

Sec. 8. *Act to be Liberally Construed.* This act, being
2 necessary for the health, welfare and public requirements of
3 the public of the several counties, it shall be liberally con-
4 strued to effectuate the purpose thereof.

Sec. 9. *Limitation on Amount of Debt; Increase of Levies;*
2 Notwithstanding the provisions of general law, any county
3 court authorized by this act to issue bonds, may become in-
4 debted for the purposes in this act authorized, to an amount,
5 including all other indebtedness, up to but not exceeding five
6 per cent of the value of the taxable property in such county
7 as shown by the last assessment thereof for state and county
8 purposes next prior to the authorization of such bonds, sub-
9 ject to the levy limitations as provided in the constitution.
10 For the purpose of effectuating the provisions and purposes
11 of this act and for the purpose of obtaining revenue to pay
12 said bonds and their interest, or for the purpose of redeem-
13 ing said bonds in whole or in part, such court may and is
14 authorized to increase the levies on each class of property
15 not to exceed fifty per cent of the rates authorized by section
16 ten, article eight, chapter sixty-seven, acts of the Legis-
17 lature, second extraordinary session, one thousand nine
18 hundred thirty-three, not to exceed three years, and may sub-
19 mit to the voters of the county the question of authorizing
20 such increase, not to exceed three years, at the same time
21 and as a part of the scheme to issue said bonds and provide
22 for the payment thereof. Such increase of levies shall not
23 continue for more than three years without submission to
24 the voters, but the question of future levy increases for
25 such purposes may be again submitted to the voters.

26 Upon the question of issuance of such bonds, providing for
27 the payment thereof, the increase of said levies, at least sixty
28 per cent of the votes cast shall be in favor thereof, as pro-
29 vided by general law.

Sec. 10. *Provisions of Act Severable.* The provisions of
2 this act are separable and not matters of mutual essential in-

3 ducement, and it is the intention to confer the whole or any
4 part of the powers herein provided for, and if any of the sec-
5 tions or provisions, or parts thereof, are for any reason illegal,
6 it is the intention that the remaining sections and provisions,
7 or parts thereof, shall remain in full force and effect.

[Passed March 12, 1937, in effect ninety days from passage. Approved by the Governor.]

Section

1. Definitions.
2. Summoning witness in this state to testify in another state.
3. Summoning witness in another state to testify in this state.
4. Exemption from arrest or service of process.
5. Construction of act.
6. How act cited.
7. Inconsistent acts repealed.
8. Provisions severable.

Be it enacted by the Legislature of West Virginia:

That chapter thirty-six, acts of the Legislature, regular session, one thousand nine hundred thirty-five, be amended and reenacted to read as follows:

Section 1. *Definitions.* "Witness" as used in this act shall include a person whose testimony is desired in any proceeding or investigation by a grand jury or in a criminal action, prosecution or proceeding.

The word "state" shall include any territory of the United States, and the District of Columbia.

The word "summons" shall include a subpoena, order or other notice requiring the appearance of a witness.

Sec. 2. *Summoning Witness in This State to Testify in Another State.* If a judge of a court of record in any state which by its laws has made provision for commanding persons within that state to attend and testify in this state certifies under the seal of such court that there is a criminal prosecution pending in such court, or that a grand jury investigation has commenced or is about to commence, that a person being within this state is a material witness in such prose-

9 cution, or grand jury investigation, and that his presence
10 will be required for a specified number of days, upon presen-
11 tation of such certificate to any judge of a court of record in
12 the county in which such person is, such judge shall fix a
13 time and place for a hearing, and shall make an order direct-
14 ing the witness to appear at a time and place certain for the
15 hearing.

16 If at a hearing the judge determines that the witness is
17 material and necessary, that it will not cause undue hardship
18 to the witness to be compelled to attend and testify in the
19 prosecution or a grand jury investigation in the other state,
20 and that the laws of the state in which the prosecution is
21 pending, or grand jury investigation has commenced or is
22 about to commence [and of any other state through which
23 the witness may be required to pass by ordinary course of
24 travel], will give to him protection from arrest and the
25 service of civil and criminal process, he shall issue a sum-
26 mons, with a copy of the certificate attached, directing the
27 witness to attend and testify in the court where the prosecu-
28 tion is pending, or where a grand jury investigation has com-
29 menced or is about to commence at a time and place specified
30 in the summons. In any such hearing the certificate shall be
31 prima facie evidence of all the facts stated therein.

32 If said certificate recommends that the witness be taken
33 into immediate custody and delivered to any officer of the
34 requesting state to assure his attendance in the requesting
35 state, such judge may, in lieu of notification of the hearing,
36 direct that such witness be forthwith brought before him
37 for said hearing; and the judge at the hearing being satisfied
38 of the desirability of such custody and delivery, for which
39 determination the certificate shall be prima facie proof of
40 such desirability may, in lieu of issuing subpoena or summons,
41 order that said witness be forthwith taken into custody and
42 delivered to an officer of the requesting state.

43 If the witness, who is summoned as above provided, after
44 being paid or tendered by some properly authorized person
45 the sum of ten cents a mile for each mile by the ordinary
46 traveled route to and from the court where the prosecution
47 is pending and five dollars for each day, that he is required

48 to travel and attend as a witness, fails without good cause
49 to attend and testify as directed in the summons, he shall
50 be punished in the manner provided for the punishment
51 of any witness who disobeys a summons issued from a court
52 of record in this state.

Sec. 3. *Summoning Witness in Another State to Testify*
2 *in This State.* If a person in any state, which by its laws has
3 made provisions for commanding persons within its borders
4 to attend and testify in criminal prosecutions, or grand jury
5 investigations commenced or about to commence, in this state,
6 is a material witness in a prosecution pending in a court of
7 record in this state, or in a grand jury investigation which
8 has commenced or is about to commence, a judge of such
9 court may issue a certificate under the seal of the court stating
10 the facts and specifying the number of days the witness will
11 be required. Said certificate may include a recommendation
12 that the witness be taken into immediate custody and de-
13 livered to an officer of this state to assure his attendance in
14 this state. This certificate shall be presented to a judge of a
15 court of record in the county in which the witness is found.
16 If the witness is summoned to attend and testify in this
17 state he shall be tendered the sum of ten cents a mile for
18 each mile by the ordinary travel route to and from the court
19 where the prosecution is pending, and five dollars for each
20 day that he is required to travel and attend as a witness.
21 A witness who has appeared in accordance with the pro-
22 visions of the summons shall not be required to remain within
23 this state a longer period of time than the period mentioned
24 in the certificate, unless otherwise ordered by the court. If
25 such witness, after coming into this state, fails without good
26 cause to attend and testify as directed in the summons, he
27 shall be punished in the manner provided for in the punish-
28 ment of any witness who disobeys a summons issued from a
29 court of record in this state.

Sec. 4. *Exemption from Arrest or Service of Process.* If
2 a person comes into this state in obedience to a summons
3 directing him to attend and testify in this state he shall not
4 while in this state pursuant to such summons be subject to
5 arrest or the service of process, civil or criminal, in connec-

6 tion with matters which arose before his entrance into this
7 state under the summons.

8 If a person passes through this state while going to another
9 state in obedience to a summons to attend and testify in that
10 state or while returning therefrom, he shall not while so
11 passing through this state be subject to arrest or the service
12 of process, civil or criminal, in connection with matters which
13 arose before his entrance into this state under the summons.

Sec. 5. *Construction of Act.* This act shall be so inter-
2 preted and construed as to effectuate its general purpose to
3 make uniform the law of the states which enact it.

Sec. 6. *How Act Cited.* This act may be cited as "Uniform
2 Act to Secure the Attendance of Witnesses from without a
3 State in Criminal Proceedings."

Sec. 7. *Inconsistent Acts Repealed.* All acts or parts of
2 acts inconsistent with this act are hereby repealed.

Sec. 8. *Provisions Severable.* If any provision of this act
2 or the application thereof to any person or circumstances is
3 held invalid, such invalidity shall not affect other provisions
4 or applications of the act which can be given effect without
5 the invalid provision or application, and to this end the
6 provisions of this act are declared to be severable.

relating to uniform procedure on interstate extradition.

[Passed March 12, 1937; in effect ninety days from passage. Approved by the
Governor.]

Article 1. The Governor.

Section

7. Extradition of person charged with crime in another state.
8. Warrant of governor.

9. Hearing after arrest; arrest of fugitive from another state.
10. Return of fugitive from this state.
11. Precedence of criminal proceedings; waiver of extradition.
12. How costs paid; complainant responsible for.
13. Construction of section; how cited.

Be it enacted by the Legislature of West Virginia:

That sections seven, eight, nine, ten, eleven, twelve and thirteen, article one, chapter five of the code of West Virginia, one thousand nine hundred thirty-one, be amended and reenacted to read as follows:

Section 7. *Extradition of Person Charged With Crime in*

2 *Another State.* (a) Where appearing in this article, the term
3 "governor" includes any person performing the functions of
4 governor by authority of the law of this state. The term "ex-
5 ecutive authority" includes the governor, and any person per-
6 forming the functions of governor in a state other than this
7 state. The term "state," referring to a state other than this
8 state, includes any other state or territory, organized or un-
9 organized, of the United States of America.

10 (b) Subject to the provisions of this article, the provisions
11 of the constitution of the United States controlling, and any
12 and all acts of congress enacted in pursuance thereof, it is the
13 duty of the governor of this state to have arrested and de-
14 livered up to the executive authority of any other state of the
15 United States any person charged in that state with treason,
16 felony, or other crime, who has fled from justice and is found
17 in this state: *Provided*, That the demand or application of the
18 executive authority of such other state is accompanied by an
19 affidavit or sworn evidence that the demand or application is
20 made in good faith for the punishment of crime, and not for
21 the purpose of collecting a debt or pecuniary mulct, or of
22 removing the alleged fugitive to a foreign jurisdiction with a
23 view to serve him there with civil process.

24 (c) No demand for the extradition of a person charged
25 with crime in another state shall be recognized by the gov-
26 ernor unless in writing alleging, except in cases arising
27 under subdivision (g) of this section, that the accused was
28 present in the demanding state at the time of the commis-
29 sion of the alleged crime, and that thereafter he fled from
30 the state, and accompanied by a copy of an indictment

31 found, or by information supported by affidavit, in the
32 state having jurisdiction of the crime, or by a copy of an
33 affidavit made before a magistrate or justice there, together
34 with a copy of any warrant which was issued thereupon;
35 or by a copy of a judgment of conviction or a sentence
36 imposed in execution thereof, together with a statement by
37 the executive authority of the demanding state that the per-
38 son claimed has escaped from confinement or has broken
39 the terms of his bail, probation or parole. The indictment,
40 information, or affidavit made before the magistrate or justice
41 must substantially charge the person demanded with having
42 committed a crime under the law of that state; and the
43 copy of indictment, information, affidavit, judgment of con-
44 viction or sentence must be authenticated by the executive
45 authority making the demand.

46 (d) When a demand shall be made upon the governor
47 of this state by the executive authority of another state
48 for the surrender of a person so charged with crime, the
49 governor may call upon the attorney general, any prosecut-
50 ing officer, or the department of public safety, in this state
51 to investigate or assist in investigating the demand, and to
52 report to him the situation and circumstances of the person
53 so demanded, and whether he ought to be surrendered.

54 (e) When it is desired to have returned to this state a
55 person charged in this state with crime, and such person
56 is imprisoned or is held under criminal proceedings then
57 pending against him in another state, the governor of this
58 state may agree with the executive authority of such other
59 state for the extradition of such person before the con-
60 clusion of such proceedings or his term of sentence in such
61 other state, upon condition that such person be returned
62 to such other state at the expense of this state as soon as
63 the prosecution in this state is terminated.

64 (f) The governor of this state may also surrender on
65 demand of the executive authority of any other state any
66 person in this state who is charged in the manner provided
67 in subdivision (b) of section ten of this article, with having
68 violated the laws of the state whose executive authority is
69 making the demand, even though such person left the de-
70 manding state voluntarily.

71 (g) The governor of this state may also surrender, on
72 demand of the executive authority of any other state, any
73 person in this state charged in such other state in the manner
74 provided in subdivision (c) of this section, with committing
75 an act in this state, or in a third state, intentionally result-
76 ing in a crime in the state whose executive authority is making
77 the demand, and the provisions of this article not otherwise
78 inconsistent, shall apply to such cases, even though the ac-
79 cused was not in that state at the time of the commission
80 of the crime, and has not fled therefrom.

Sec. 8. *Warrant of Governor.* (a) If the governor decides
2 that the demand should be complied with, he shall sign a war-
3 rant of arrest which shall be sealed by the secretary of state
4 with the great seal of this state, and be directed by the gover-
5 nor to any peace officer or other person whom he may think
6 fit to entrust with the execution thereof. The warrant
7 must substantially recite the facts necessary to the validity of
8 its issuance.

9 (b) Such warrant shall authorize the peace officer or
10 other person to whom directed to arrest the accused at any
11 time and any place where he may be found within the
12 state and to command the aid of all peace officers or other
13 persons in the execution of the warrant, and to deliver the
14 accused, subject to the provision of this article to the duly
15 authorized agent of the demanding state.

16 (c) The governor may recall the warrant of arrest or
17 may issue another warrant whenever he deems proper.

18 (d) Every such peace officer or other person empowered
19 to make the arrest, shall have the same authority, in arrest-
20 the accused, to command assistance therein, as peace officers
21 have by law in the execution of any criminal process directed
22 to them, with like penalties against those who refuse their
23 assistance.

Sec. 9. *Hearing After Arrest; Arrest of Fugitive From An-*
2 *other State.* (a) No person arrested upon such warrant shall
3 be delivered over to the agent whom the executive authority
4 demanding him shall have appointed to receive him unless he
5 shall first be taken forthwith before a judge of a court of rec-
6 ord in this state, who shall inform him of the demand made for
7 his surrender and of the crime with which he is charged, and

8 that he has the right to demand and procure legal counsel and
9 if the prisoner or his counsel shall state that he or they desire
10 to test the legality of his arrest, the judge of such court of rec-
11 ord shall fix a reasonable time to be allowed him within which
12 to apply for a writ of habeas corpus. When such writ is applied
13 for, notice thereof, and of the time and place of hearing there-
14 on, shall be given to the prosecuting attorney of the county in
15 which the arrest is made and in which the accused is in cus-
16 tody, and to the said agent of the demanding state.

17 (b) Any officer who shall deliver to the agent for extra-
18 dition of the demanding state a person in his custody under
19 the governor's warrant, in wilful disobedience to subdivision
20 (a) of this section, shall be guilty of a misdemeanor, and
21 on conviction shall be fined not more than one thousand
22 dollars or be imprisoned not more than six months, or both.

23 (c) The officer or persons executing the governor's war-
24 rant of arrest, or the agent of the demanding state to whom
25 the prisoner may have been delivered, may, when necessary,
26 confine the prisoner in the jail of any county or city through
27 which he may pass; and the keeper of such jail shall receive
28 and safely keep the prisoner until the officer or person
29 having charge of him is ready to proceed on his route,
30 such officer or person being chargeable with the expense of
31 keeping.

32 The officer or agent of a demanding state to whom a
33 prisoner may have been delivered following extradition pro-
34 ceedings in another state, or to whom a prisoner may have
35 been delivered after waiving extradition in such other state,
36 and who is passing through this state with such a prisoner
37 for the purpose of immediately returning such prisoner to
38 the demanding state may, when necessary, confine the
39 prisoner in the jail of any county or city through which he
40 may pass; and the keeper of such jail shall receive and
41 safely keep the prisoner until the officer or agent having
42 charge of him is ready to proceed on his route, such officer
43 or agent, however, being chargeable with the expense of
44 keeping: *Provided*, That such officer or agent shall pro-
45 duce and show to the keeper of such jail satisfactory written
46 evidence of the fact that he is actually transporting such
47 prisoner to the demanding state after a requisition by the

48 executive authority of such demanding state. Such prisoner
49 shall not be entitled to demand a new requisition while in
50 this state.

51 (d) Whenever any person within this state shall be charged
52 on the oath of any credible person before any judge or justice
53 of this state with the commission of any crime in any other
54 state and, except in cases arising under subdivision (g),
55 section seven of this article, with having fled from justice,
56 or with having been convicted of a crime in that state and
57 having escaped from confinement, or having broken the terms
58 of his bail, probation or parole, or whenever complaint shall
59 have been made before any judge or justice in this state
60 setting forth on the affidavit of any credible person in another
61 state that a crime has been committed in such state and
62 that the accused has been charged in such state with the
63 commission of the crime, and, except in cases arising un-
64 der subdivision (g), section seven of this article, has fled
65 from justice, or with having been convicted of a crime in
66 that state and having escaped from confinement, or having
67 broken the terms of his bail, probation or parole, and is be-
68 lieved to be in this state, the judge or justice shall issue a
69 warrant directed to any peace officer commanding him to
70 apprehend the person named therein, wherever he may be
71 found in this state, and to bring him before the same or any
72 other judge, justice, or court who or which may be avail-
73 able in or convenient of access to the place where the
74 arrest may be made, to answer the charge or complaint and
75 affidavit, and a certified copy of the sworn charge or com-
76 plaint and affidavit upon which the warrant is issued shall
77 be attached to the warrant.

78 (e) The arrest of a person may be lawfully made also by
79 any peace officer or a private person, without a warrant,
80 upon reasonable information that the accused stands charged
81 in the courts of a state with a crime punishable by death
82 or by imprisonment for a term exceeding one year, but
83 when so arrested the accused must be taken before a judge
84 or justice with all practicable speed and complaint must
85 be made against him under oath setting forth the ground
86 for the arrest as in the preceding section; and thereafter his
87 answer shall be heard as if he had been arrested on a war-
88 rant.

89 (f) If from the examination before the judge or justice
90 it appears that the person held is the person charged with
91 having committed the crime alleged and, except in cases
92 arising under subdivision (g), section seven of this article,
93 that he has fled from justice, the judge or justice must,
94 by a warrant reciting the accusation, commit him to the
95 county jail for such a time not exceeding thirty days, and
96 specified in the warrant, as will enable the arrest of the
97 accused to be made under a warrant of the governor on
98 a requisition of the executive authority of the state hav-
99 ing jurisdiction of the offense, unless the accused give bail
100 as provided in subdivision (g) of this section, or until he shall
101 be legally discharged.

102 (g) Unless the offense with which the prisoner is charged
103 is shown to be an offense punishable by death or life im-
104 prisonment under the laws of the state in which it was
105 committed, a judge or justice in this state may admit the
106 person arrested to bail by bond, with sufficient sureties,
107 and in such sum as he deems proper, conditioned for his
108 appearance before him at a time specified in such bond,
109 and for his surrender, to be arrested upon the warrant of the
110 governor of this state.

111 (h) If the accused is not arrested under warrant of the
112 governor by the expiration of the time specified in the war-
113 rant or bond, a judge or justice may discharge him or may
114 recommit him for a further period not to exceed sixty days.
115 or a judge or justice may again take bail for his appear-
116 ance and surrender as provided in subdivision (g) of this
117 section, but within a period not to exceed sixty days after the
118 date of such new bond.

119 (i) If the prisoner is admitted to bail, and fails to appear
120 and surrender himself according to the conditions of his
121 bond, the judge, or justice, by proper order, shall declare
122 the bond forfeited and order his immediate arrest without
123 warrant if he be within this state. Recovery may be had
124 on such bond in the name of the state as in the case of
125 other bonds given by the accused in criminal proceedings
126 within this state.

127 (j) If a criminal prosecution has been instituted against
128 such person under the laws of this state and is still pend-

129 ing, the governor, in his discretion, either may surrender
130 him on demand of the executive authority of another state
131 or hold him until he has been tried and discharged or con-
132 victed and punished in this state: *Provided*, That any
133 person under recognizance to appear as a witness in any
134 criminal proceeding pending in this state may in the discre-
135 tion of the governor be surrendered on demand of the
136 executive authority of another state or be held until such
137 criminal proceeding pending in this state has been de-
138 termined: *Provided further*, That any person who was in
139 custody upon any execution, or upon process in any suit,
140 at the time of being apprehended for a crime charged to
141 have been committed without the jurisdiction of this state,
142 shall not be delivered up without the consent of the plain-
143 tiff in such execution or suit, until the amount of such
144 execution shall have been paid, or until such person shall
145 be otherwise discharged from such execution or process.

146 (k) The guilt or innocence of the accused as to the crime
147 of which he is charged may not be inquired into by the
148 governor or in any proceeding after the demand for extra-
149 dition accompanied by a charge of crime in legal form as
150 provided in this article shall have been presented to the
151 governor, except as it may be involved in identifying the
152 person held as the person charged with the crime.

Sec. 10. *Return of Fugitive From This State.* (a) Whenever
2 the governor of this state shall demand a person charged with
3 crime or with escaping from confinement, or breaking the
4 terms of his bail, probation, or parole in this state, from the
5 executive authority of any other state, or from the chief jus-
6 tice or an associate justice of the supreme court of the Dis-
7 trict of Columbia authorized to receive such demand under
8 the laws of the United States, he shall issue a warrant under
9 the great seal of this state affixed thereon by the secretary of
10 state, to some agent, commanding him to receive the person so
11 charged if delivered to him and to convey him to the proper
12 officer of the county in this state in which the offense was
13 committed.

14 (b) When the return to this state of a person charged with
15 crime in this state is required, the prosecuting attorney shall
16 present to the governor his written application for a requisi-

17 tion for the return of the person charged, in which application
18 shall be stated the name of the person so charged, the crime
19 charged against him, the approximate time, place and circum-
20 stances of its commission, the state in which he is believed to
21 be, including the location of the accused therein, at the time
22 the application is made, and certifying that, in the opinion of
23 the said prosecuting attorney, the ends of justice require the
24 arrest and return of the accused to this state for trial and that
25 the proceeding is not instituted to enforce a private claim.

26 When the return to this state is required of a person who
27 has been convicted of a crime in this state and has escaped
28 from confinement or broken the terms of his bail, probation
29 or parole, the prosecuting attorney of the county in which
30 the offense was committed, the parole board, or the warden
31 of the institution or sheriff of the county, from which escape
32 was made, shall present to the governor a written applica-
33 tion for a requisition for the return of such person, in which
34 application shall be stated the name of the person, the
35 crime of which he was convicted, the circumstances of his
36 escape from confinement or of the breach of the terms of
37 his bail, probation or parole, the state in which he is be-
38 lieved to be, including the location of the person therein at
39 the time application is made.

40 The application shall be verified by affidavit, shall be
41 executed in duplicate and shall be accompanied by two
42 certified copies of the indictment returned, or information
43 and affidavit filed, or of the complaint made to the judge
44 or justice, stating the offense with which the accused is
45 charged, or of the judgment of conviction or of the sent-
46 ence. The prosecuting attorney, parole board, warden or
47 sheriff may also attach such further affidavits and other
48 documents in duplicate as he shall deem proper to be submit-
49 ted with such application. One copy of the application,
50 with the action of the governor indicated by endorsement
51 thereon, and one of the certified copies of the indictment,
52 complaint, information, and affidavits, or of the judgment
53 of conviction or of the sentence shall be filed in the office
54 of the secretary of state, to remain of record in that office.
55 The other copies of all papers shall be forwarded with the
56 governor's requisition.

Sec. 11. *Precedence of Criminal Proceedings; Waiver of Extradition.* (a) A person brought into this state by, or after waiver of, extradition based on a criminal charge, shall not be subject to service of personal process in civil actions until he has been convicted in the criminal proceedings, or, if acquitted, until he has had reasonable opportunity to return to the state from which he was extradited.

(b) Any person arrested in this state charged with having committed any crime in another state or alleged to have escaped from confinement, or broken the terms of his bail, probation or parole may waive the issuance and service of the warrant provided for in subsections (a) and (d), section eight, of this article, and all other procedure incidental to extradition proceedings, by executing or subscribing in the presence of a judge of any court of record, within this state a writing which states that he consents to return to the demanding state: *Provided*, That before such waiver shall be executed or subscribed by such person it shall be the duty of such judge to inform such person of his rights with respect to the issuance and service of a warrant of extradition and with respect to obtaining a writ of habeas corpus as provided for in subsection (a), section nine, of this article.

If and when such consent has been duly executed it shall forthwith be forwarded to the office of the governor of this state and be filed by him in the office of the secretary of state. The judge shall direct the officer having such person in custody to deliver forthwith such person to the duly accredited agent or agents of the demanding state, and shall deliver or cause to be delivered to such agent or agents a copy of such consent: *Provided*, That nothing in this subdivision shall be deemed to limit the rights of the accused person to return voluntarily and without formality to the demanding state, nor shall this waiver procedure be deemed to be an exclusive procedure or to limit the powers, rights, or duties of the officers of the demanding state or of this state.

(c) Nothing in this article contained shall be deemed to constitute a waiver by this state of its right, power or

41 privilege to try such demanded person for crime committed
42 within this state, or of its right, power or privilege to
43 regain custody of such person by extradition proceedings or
44 otherwise for the purpose of trial, sentence or punishment
45 for any crime committed within this state, nor shall any
46 proceedings had under this article which result in, or fail
47 to result in, extradition, be deemed a waiver by this state of
48 any of its rights, privileges or jurisdiction in any way
49 whatsoever.

50 (d) After a person has been brought back to this state
51 by, or after waiver of, extradition proceedings, he may be
52 tried in this state for other crimes which he may be charged
53 with having committed here as well as that specified in the
54 requisition for his extradition.

Sec. 12. *How Costs Paid; Complainant Responsible For.*

2 When the punishment of the crime shall be the confinement
3 of the criminal in the penitentiary, the governor may pay out
4 of the civil contingent fund any reasonable expenses incurred.
5 In all other cases such expenses shall be paid out of the county
6 treasury of the county wherein the crime is alleged to have
7 been committed.

CHAPTER 43

(Senate Bill No. 105—By Mr. Randolph)

AN ACT providing that the state of West Virginia may enter into a compact with any state or states of the United States for mutual helpfulness in relation to persons convicted of crime or offenses who may be on probation or parole.

[Passed March 12, 1937; in effect ninety days from passage. Approved by the Governor.]

Section

1. Compacts between states concerning probationers or parolees.
2. Provisions of act severable.
3. How act cited.

Be it enacted by the Legislature of West Virginia:

Section 1. *Compacts Between States Concerning Probation-
ers or Parolees.* The governor of this state is hereby author-
ized and directed to execute a compact on behalf of the state
of West Virginia with any state or states of the United States
legally joining therein, in form substantially as follows:

A compact entered into by and among the contracting states,
signatories hereto, with the consent of the congress of the United
States of America, granted by an act entitled "An act grant-
ing the consent of congress to any two or more states to enter
into agreements or compacts for cooperative effort and mutual
assistance in the prevention of crime and for other purposes."

The contracting states solemnly agree:

(1) That it shall be competent for the duly constituted
judicial and administrative authorities of a state party to
this compact, (herein called "sending state"), to permit
any person convicted of an offense within such state and
placed on probation or released on parole to reside in any
other state party to this compact, (herein called "receiving
state"), while on probation or parole, if

(a) Such person is in fact a resident of or has his family

21 residing within the receiving state and can obtain employ-
22 ment there;

23 (b) Though not a resident of the receiving state and not
24 having his family residing there, the receiving state con-
25 sents to such person being sent there.

26 Before granting such permission, opportunity shall be
27 granted to the receiving state to investigate the home and
28 prospective employment of such person.

29 A resident of the receiving state, within the meaning
30 of this section, is one who has been an actual inhabitant
31 of such state continuously for more than one year prior to
32 his coming to the sending state and has not resided within
33 the sending state more than six continuous months im-
34 mediately preceding the commission of the offense for which
35 he has been convicted.

36 (2) That each receiving state will assume the duties of
37 visitation of and supervision over probationers or parolees
38 of any sending state and in the exercise of those duties will
39 be governed by the same standards that prevail for its
40 own probationers and parolees.

41 (3) That duly accredited officers of a sending state may
42 at all times enter a receiving state and there apprehend and
43 retake any person on probation or parole. For that
44 purpose no formalities will be required other than estab-
45 lishing the authority of the officer and the identity of the
46 person to be retaken. All legal requirements to obtain
47 extradition of fugitives from justice are hereby expressly
48 waived on the part of states party hereto, as to such per-
49 sons. The decision of the sending state to retake a person
50 on probation or parole shall be conclusive upon and not
51 reviewable within the receiving state: *Provided, however,*
52 That if at the time when a state seeks to retake a proba-
53 tioner or parolee there should be pending against him within
54 the receiving state any criminal charge, or he should be
55 suspected of having committed within such state a criminal
56 offense, he shall not be retaken without the consent of the
57 receiving state until discharged from prosecution or from
58 imprisonment for such offense.

59 (4) That the duly accredited officers of the sending state
60 will be permitted to transport prisoners being retaken
61 through any and all states parties to this compact, without
62 interference.

63 (5) That the governor of each state may designate an
64 officer who, acting jointly with like officers of other con-
65 tracting states, if and when appointed, shall promulgate
66 such rules and regulations as may be deemed necessary to
67 more effectively carry out the terms of this compact.

68 (6) That this compact shall become operative immediate-
69 ly upon its execution by any state as between it and any
70 other state or states so executing. When executed it shall
71 have the full force and effect of law within such state, the
72 form of execution to be in accordance with the laws of the
73 executing state.

74 (7) That this compact shall continue in force and remain
75 binding upon each executing state until renounced by it.
76 The duties and obligations hereunder of a renouncing state
77 shall continue as to parolees or probationers residing there-
78 in at the time of withdrawal until retaken or finally dis-
79 charged by the sending state. Renunciation of this com-
80 pact shall be by the same authority which executed it, by
81 sending six months' notice in writing of its intention to
82 withdraw from the compact to the other states party hereto.

Sec. 2. *Provisions of Act Severable.* If any section, sen-
2 tence, subdivision or clause of this act is for any reason held
3 invalid or to be unconstitutional, such decision shall not affect
4 the validity of the remaining portions of this act.

Sec. 3. *How Act Cited.* This act may be cited as the "uni-
2 form act for out-of-state parolee supervision."

4. Rates, fares and charges.
5. Certificate of convenience and necessity; hearing on application; transfer; revocation.

Section 1. *Subject to Public Utility and Common Carrier Laws.* All common carriers by motor vehicle are hereby declared to be affected with a public interest and subject to the laws of this state now in force or that hereafter may be enacted pertaining to public utilities and common carriers as far as applicable, and not in conflict herewith.

Sec. 2. *Provisions of Act to Govern.* No common carrier by motor vehicle shall operate any motor facility for transportation of either persons or property for hire on any public highway in this state except in accordance with the provisions of this act and the transportation for more than one consignor, or to more than three consignees by any motor carrier shall be prima facie evidence that such motor carrier is operating as a common carrier.

Sec. 3. *Regulatory Powers of Commission.* The commission is vested with power and authority to supervise and regulate all common carriers by motor vehicle and to fix, alter, regulate, and determine just, fair, reasonable, and sufficient rates, joint rates, charges and classifications; to regulate the facilities, accounts, service and safety of operations of each such carrier, to regulate operating and time schedules so as to meet the reasonable needs of any community, so as to provide adequate transportation service to the territory traversed by such carriers, and so as to prevent unnecessary multiplication of

11 service among common carriers by motor vehicle and between
12 them and steam and electric railroads, to require the co-ordin-
13 ation of the service facilities and schedules of competing com-
14 mon carriers by motor vehicle or electric and steam railroads;
15 to require the filing of annual and other reports, tariff,
16 schedules, and other data by such common carriers, in all
17 matters affecting the relation between such carriers and
18 the public and between such carriers and other common car-
19 riers. The commission shall have power and authority, by
20 general order or otherwise, to prescribe rules and regulations
21 in conformity with this act applicable to any and all such
22 common carriers by motor vehicle and to do all things neces-
23 sary to carry out and enforce the provisions of this act.

Sec. 4. *Rates, Fares and Charges.* All rates, fares and
2 charges made by any common carrier by motor vehicle shall be
3 just and reasonable, and shall not be unlawfully discrimin-
4 atory, prejudicial nor preferential. No such carrier shall
5 charge, demand, collect, or receive a greater or less or differ-
6 ent remuneration for the transportation of passengers or prop-
7 erty, or for any service in connection therewith, than the
8 rates, fares, and charges which have been legally established
9 and filed with the commission; nor shall any such carrier re-
10 fund, remit, discount or rebate in any manner or by any de-
11 vice any portion of the rates, fares, and charges required to be
12 collected by the tariffs on file with or ordered by the commis-
13 sion.

Sec. 5. *Certificate of Convenience and Necessity; Hearing*
2 *on Application; Transfer; Revocation.* (a) It shall be unlaw-
3 ful for any common carrier by motor vehicle to operate with-
4 in this state without first having obtained from the commission
5 a certificate of convenience and necessity. Upon the filing of
6 an application for such certificate and after hearing thereon,
7 if the commission finds from the evidence that the public con-
8 venience and necessity require the proposed service or any
9 part thereof it may issue the certificate as prayed for, or issue
10 it for the partial exercise only of the privilege sought, and
11 may attach to the exercise of the right granted by such certifi-
12 cate such terms and conditions as in its judgment the public
13 convenience and necessity may require. Before granting a

14 certificate to a common carrier by motor vehicle the commis-
15 sion shall take into consideration existing transportation fa-
16 cilities in the territory for which a certificate is sought, and in
17 case it finds from the evidence that the service furnished by
18 existing transportation facilities is reasonably efficient and
19 adequate, the commission shall not grant such certificate.

20 (b) The commission shall prescribe such rules and regula-
21 tions as it may deem proper for the enforcement of the pro-
22 visions of this section, and in establishing that public con-
23 venience and necessity do exist the burden of proof shall be
24 upon the applicant. The commission may designate any of its
25 employees to take evidence at the hearing of any application
26 for a certificate and submit findings of fact as a part of a
27 report or reports to be made to the commission.

28 (c) No certificate issued in accordance with the terms of
29 this act shall be construed to be either a franchise or irre-
30 vocable, or to confer any property right upon the holder
31 thereof. No certificate issued under this act shall be assigned
32 or otherwise transferred without the approval of the com-
33 mission.

34 (d) The commission may at any time, for good cause, sus-
35 pend and, upon not less than fifteen days' notice to the
36 grantee of any certificate and an opportunity to be heard,
37 revoke or amend any certificate.

4 obtained from the commission a permit. Upon the filing of an
5 application for such permit, the commission shall fix a time
6 and place for hearing thereon and after hearing may grant or
7 deny the permit prayed for or grant it for the partial exercise
8 only of the privilege sought, and may attach to the exercise
9 of the privilege granted by such permit such terms and con-
10 ditions as in its judgment are proper and will carry out the
11 purposes of this act. No permit shall be granted unless the
12 applicant has established to the satisfaction of the commission
13 that the privilege sought will not endanger the safety of the
14 public or unduly interfere with the use of the highways or
15 impair unduly the condition or unduly increase the mainten-
16 ance cost of such highways, directly, or indirectly, or impair
17 the efficient public service of any authorized common carrier
18 or common carriers adequately serving the same territory.

19 (b) The commission shall prescribe such rules and regu-
20 lations as it may deem proper for the enforcement of the
21 provisions of this section and may designate any of its em-

23 a permit and submit findings of fact as a part of a report or
24 reports to be made to the commission.

26 act shall be construed to be either a franchise or irrevocable
27 or to confer any property right upon the holder thereof. No
28 permit issued under this act shall be assigned or otherwise
29 transferred without the approval of the commission.

30 (d) The commission may at any time, for good cause, sus-
31 pend and, upon not less than fifteen days' notice to the
32 grantee of any permit and an opportunity to be heard, re-
33 voke or amend any permit.

34 (e) Every contract carrier by motor vehicle who shall cease
35 operation or abandon his rights under a permit issued shall

36 notify the commission within thirty days of such cessation or
37 abandonment.

Sec. 4. *Regulatory Powers of Commission.* The commission
2 is hereby vested with power and authority, and it shall be its
3 duty, to supervise and regulate contract carriers by motor ve-
4 hicle for the purpose of promoting safety of their operation as
5 transportation agencies upon the highways; to regulate and
6 supervise the accounts and method of keeping the same; to
7 prescribe such rules and regulations as it may deem necessary
8 to carry out the provisions of this act; and to supervise and
9 regulate contract carriers by motor vehicle in all matters
10 affecting the relationship between such carriers and the

Sec. 5. *Undue Preference Prohibited.* Every contract car-
2 rier by motor vehicle is hereby forbidden to give or cause any
3 undue or unreasonable advantage or preference to those
4 whom it serves as compared with the patrons of any common
5 carrier by motor vehicle as that term is used in this act, or
6 the patrons of any other common carrier, or to subject the
7 patrons of any such common carriers to any undue or un-
8 reasonable discrimination or disadvantage; or by unfair com-
9 petition to destroy or impair the service or business of any
10 common carrier by motor vehicle, or of any other common
11 carrier, or the integrity of the state's regulation of any such
12 service or business; and, to the end that the said commission
13 may enforce these provisions, each such contract carrier by
14 motor vehicle shall maintain on file with the commission a
15 statement of its charges, and of such other matters as the
16 commission may require.

Sec. 6. *Rules and Regulations; Minimum Rates.* The com-
2 mission is hereby vested with power and authority, and it is
3 hereby made its duty, to prescribe rules and regulations cov-
4 ering the operations of contract carriers by motor vehicles in
5 competition with common carriers of this state, and the com-
6 mission shall prescribe minimum rates, fares, and charges to
7 be collected by such contract carriers by motor vehicle, which
8 shall not be less than the rates prescribed for common carriers
9 by motor vehicles for substantially the same service.

3 duty, to issue permits to private carriers of property by motor
4 vehicle; to require the filing of annual and other reports and
5 such additional data as may be required by the commission in
6 carrying out the provisions of this act. The commission shall
7 have power and authority, by general order or otherwise, to
8 prescribe reasonable and necessary rules and regulations gov-
9 erning all private carriers of property by motor vehicle, and
10 to supervise and regulate such private carriers in all other
11 matters affecting their relationship with the shipping and the
12 general public.

Sec. 3. *Permits Required.* It shall be unlawful for any pri-
2 vate carrier of property by motor vehicle to operate within
3 this state without first having obtained from the commission a
4 permit therefor. An application shall be made to the commis-
5 sion in writing, stating the ownership of the equipment to be
6 used, and such other information as the commission may re-

8 with the provisions of this act and the commission's rules and
9 regulations, the commission shall issue a permit to such
10 applicant.

Sec. 4. *Permits; Application; Form and Filing.* The com-
2 mission shall prescribe forms of application for such permits
3 for the use of applicants and shall make regulations for the
4 filing thereof.

Sec. 5. *Permits; Assignment, Surrender or Revocation.* No
2 permit issued under the authority of this act shall be subject

3 to assignment or transfer. Subject to any right a holder of a

7 by motor vehicle who shall cease operation or abandon his
8 rights under a permit issued shall notify the commission with-

10 sion may at any time, for good cause, suspend, and upon at
11 least fifteen days' notice to the grantee of any permit, and an
12 opportunity to be heard, revoke such permit.

Article 5. Powers and Duties of the Commission.

Section

1. Powers of commission as to rates, schedules, etc.
2. Change of rates; suspending order; hearing.
3. Joint rates and service.
4. Merger or joint ownership.
5. Further regulatory powers of commission.

Section 1. *Powers of Commission as to Rates, Schedules, Etc.*

2 The commission shall have power to originate, establish,
3 promulgate, change, investigate and enforce tariffs, rates, joint
4 rates, classifications, and schedules for all motor carriers, and
5 the practices, services and facilities of all motor carriers. And
6 whenever the commission shall, after hearing, find any exist-
7 ing rates, tariffs, joint rates, classifications, schedules, prac-
8 tices, services, or facilities unjust, unreasonable, insufficient,
9 or unjustly discriminatory or otherwise in violation of any of
10 the provisions of this act, the commission shall, by order, fix
11 and require reasonable rates, joint rates, tariffs, classifications,
12 schedules, practices, services, or facilities to be followed or
13 established in the future in lieu of those found to be unjust,
14 unreasonable, insufficient, or unjustly discriminatory or other-
15 wise in violation of any provisions of law.

Sec. 2. *Change of Rates; Suspending Order; Hearing.* No
2 motor carrier subject to this act shall change, suspend, or
3 annul any individual rate, joint rate, fare, charge, or classi-
4 fication for the transportation of passengers or property ex-
5 cept after thirty days' notice to the commission and the pub-
6 lic, which notice shall plainly state the changes proposed to
7 be made in the schedule then in force and the time when the
8 changed rates or charges shall go into effect. The commission

9 may enter an order suspending the proposed rate and prohibit-
10 ing such motor carrier from putting such proposed new rate in-
11 to effect pending the hearing and final decision of the matter,
12 in which case the proposed new rate shall stand suspended
13 until it is determined by the commission whether or not the
14 same is just or reasonable. The proposed changes shall be
15 shown by printing new schedules, or shall be plainly indicated
16 upon the schedules in force at the time, and kept open to
17 public inspection: *Provided, however,* That the commis-
18 sion may, in its discretion, and for good cause shown, allow
19 changes upon less time than the notice herein specified, or may
20 modify the requirements of this section in respect to publish-
21 ing, posting and filing of tariffs, either by particular instruc-
22 tions or by general order.

23 Whenever there shall be filed with the commission any
24 schedule stating a change in the rates or charges, or joint
25 rates or charges, or stating a new individual or joint rate
26 or charge or joint classification or any new individual or joint
27 regulation or practice affecting any rate or charge, the com-
28 mission shall have authority, either upon complaint or upon
29 its own initiative without complaint, to enter upon a hearing
30 concerning the propriety of such rate, charge, classification,
31 regulation or practice; and, if the commission so orders, it
32 may proceed without answer or other form of pleading by the
33 interested parties, but upon reasonable notice, and pending
34 such hearing and the decision thereon the commission, upon
35 filing with such schedule and delivering to the motor carrier
36 affected thereby a statement in writing of its reasons for such
37 suspension, may suspend the operation of such schedule and
38 defer the use of such rate, charge, classification, regulation or
39 practice, but not for a longer period than one hundred and
40 twenty days beyond the time when such rate, charge, classi-
41 fication, regulation or practice would otherwise go into effect;
42 and after full hearing, whether completed before or after the
43 rate, charge, classification, regulation, or practice goes into
44 effect, the commission may make such order in reference to
45 such rate, charge, classification, regulation or practice as
46 would be proper in a proceeding initiated after the rate,
47 charge, classification, regulation or practice had become effec-
48 tive: *Provided,* That if any such hearing cannot be conducted

49 within the period of suspension, as above stated, the commis-
50 sion may in its discretion extend the time of suspension for
51 a further period, not exceeding six months. At any hearing
52 involving a rate sought to be increased or involving the
53 change of any fare, charge, classification, regulation or prac-
54 tice, the burden of proof to show that the increased rate or
55 proposed increased rate, or the proposed change of fare,
56 charge, classification, regulation or practice, is just and reas-
57 onable, shall be upon the motor carrier making application
58 for such change. When in any case pending before the com-
59 mission all evidence shall have been taken, and the hearing
60 completed, the commission shall, within three months, render
61 a decision in such case.

62 The commission shall prescribe such rules and regulations
63 as to the giving of notice of a change in rates as are reason-
64 able and are deemed proper in the public interest.

Sec. 3. *Joint Rates and Service.* The commission shall have
2 power and authority to require a common carrier by motor
3 vehicle, railroad, express, air, or water to establish reasonable
4 through rates with other common carriers by motor vehicle,
5 railroad, express, air, or water and to provide safe and ade-
6 quate service, equipment, and facilities for the transportation
7 of passengers and property; to establish and enforce just
8 and reasonable individual and joint rates, charges, and
9 classifications, and just and reasonable regulations and prac-
10 tices relating thereto; and in case of such joint rates, fares,
11 and charges to establish just and reasonable divisions thereof
12 as between the carriers participating therein which shall not
13 unduly prefer or prejudice any of such participating car-
14 riers.

Sec. 4. *Merger or Joint Ownership.* (a) It shall be lawful,
2 under the conditions specified below, but under no other con-
3 ditions, for two or more motor carriers to consolidate or merge
4 their property, or any part thereof, into one corporation for
5 the ownership, management, and operation of the properties
6 theretofore owned, managed, and operated separately; or for
7 any such motor carrier or two or more such carriers jointly, to
8 purchase, lease or contract to operate the properties, or any
9 part thereof, of another such carrier; or for any such motor

10 carrier or two or more such carriers jointly, to acquire control
11 of another such carrier through purchase of its stock; or for
12 a person, not a motor carrier, to acquire control of two or
13 more motor carriers through ownership of their stock; or for
14 any person in control of one or more motor carriers to acquire
15 control of another such carrier through ownership of its
16 stock; or for a carrier by railroad, express, air, or water to
17 consolidate or merge with, purchase, or acquire control of,
18 any motor carrier, or lease or contract to operate its prop-
19 erties or any part thereof.

20 (b) When a consolidation, merger, purchase, lease, operat-
21 ing contract, or acquisition of control is proposed under this
22 section the carrier, or carriers, or person, seeking authority
23 therefor shall present an application to the commission and,
24 after hearing, if the commission deems a hearing necessary,
25 if the commission finds that the transaction proposed will be
26 consistent with the public interest, it shall enter such order
27 as it may deem proper and as the circumstances may require,
28 attaching thereto such conditions as it may deem proper,
29 consenting to the entering into or doing of the things herein-
30 above provided without approving the terms and conditions
31 thereof, and thereupon it shall be lawful to do the things
32 provided for in such order.

33 (c) Every consolidation, merger, purchase, lease, operat-
34 ing contract, or acquisition of control, or other transaction
35 referred to in this section made otherwise than as hereinabove
36 provided, shall be void.

Sec. 5. *Further Regulatory Powers of Commission.* The
2 commission may:

3 (a) Prescribe rules of practice and procedure, the method
4 and manner of holding hearings, and for taking evidence on
5 all matters that may come before it and enter such orders as
6 may be just and lawful. In the investigations, preparations,
7 and hearings of cases, the commission shall not be bound by
8 the technical rules of pleading and evidence but in that respect
9 it may exercise such discretion as will facilitate its efforts to
10 understand and learn all the facts bearing upon the right and
11 justness of the matters before it.

12 (b) Appoint such employees as may be necessary to carry

13 out the provisions of this act and shall fix their respective
14 salaries or compensation. Such employees shall hold office
15 during the pleasure of the commission. The commission may
16 designate such employees as it deems necessary to take evi-
17 dence at any hearing held or acquired by the provisions of
18 this act, which employees are hereby empowered to adminis-
19 ter oaths in all parts of the state so far as the exercise of
20 such power is properly incidental to the performance of their
21 duties in connection with the provisions of this act.

22 (c) Prescribe a schedule of fees to accompany applications
23 for certificates of convenience and necessity and permits and
24 for the filing and recordation of other papers with the com-
25 mission. The commission shall likewise prescribe a schedule
26 of fees to be charged for the certification of all records and
27 papers and sums to be paid witnesses and other costs neces-
28 sary and incident to hearings before it or its employees and
29 order the same paid by the unsuccessful party. Sums collected
30 in this manner, except witness fees, shall be paid into the
31 state treasury and be credited to the public service commission
32 fund provided for in chapter twenty-four of the code of West
33 Virginia as amended. The witness fees shall be paid to the
34 persons who are entitled thereto. The sums to be paid in-
35 to the public service commission motor carrier fund repre-
36 senting the collections of any month shall be so paid on or be-
37 fore the tenth of the following month.

38 (d) Establish a system of accounts to be kept by motor
39 carriers or classify motor carriers and establish a system of
40 accounts for each class, and prescribe the manner in which
41 such accounts shall be kept. It may also in its discretion pre-
42 scribe the form of accounts, records, and memoranda to be
43 kept by such motor carriers, including the accounts, records,
44 and memoranda for the movement of traffic as well as the
45 receipts and expenditures of moneys, and any other forms,
46 records and memoranda which in the judgment of the com-
47 mission may be necessary to carry out any of the provisions of
48 this chapter.

49 (e) Require persons subject to the provisions of this chap-
50 ter, to furnish any information which may be in their pos-
51 session, or obtainable from their accounting or other records,
52 respecting rates, charges, classifications, or practices in con-

53 ducting their business, and to furnish the commission at all
54 times for inspection any books or papers or reports and
55 statements, which reports and statements shall be under oath,
56 when so required by the commission, and the form of all re-
57 ports required under this act shall be prescribed by the com-
58 mission. The commission shall collect, receive and preserve
59 the same, and shall annually tabulate and publish the same
60 in statistical form, together with the other acts and proceed-
61 ings of the commission.

62 (f) Either as a commission or by any of its members, or
63 by designated employees, subpoena witnesses and take testi-
64 mony, and administer oaths to any witness in any proceeding
65 or examination instituted before it or conducted by it with
66 reference to any matter within its jurisdiction. In all hear-
67 ings or proceedings before the commission or its designated
68 employees the evidence of witnesses and the production of
69 documentary evidence may be required at any designated
70 place of hearing within the state; and in case of disobedience
71 to a subpoena or other process the commission or any party
72 to the proceedings before the commission may invoke the aid
73 of any circuit court in the state in requiring the evidence and
74 testimony of witnesses and the production of papers, books,
75 and documents. And such court, in case of refusal to obey
76 the subpoena issued to any person or to any motor carrier
77 subject to the provisions of this chapter, shall issue an order
78 requiring such motor carrier or any person to appear before
79 the commission or designated employees and produce all
80 books and papers, if so ordered, and give evidence touching
81 the matter in question. Any failure to obey such order of
82 the court may be punished by such court as contempt there-
83 of. A claim that any such testimony or evidence may tend
84 to incriminate the person giving the same shall not excuse
85 such witness from testifying, but such witness shall not be
86 prosecuted for any offense concerning which he is compelled
87 hereunder to testify.

88 (g) Require common carriers by motor vehicle and con-
89 tract carriers by motor vehicle subject to the provisions of
90 this act either to procure and file liability and property
91 damage insurance from a company licensed to write such in-
92 surance in West Virginia or to deposit such security for such

93 limits of liability and upon such terms and conditions as the
94 commission shall determine to be necessary for the reasonable
95 protection of the public against damage and injury for which
96 such carrier may be liable by reason of the operation of any
97 motor vehicle. In fixing the amount of said insurance policy,
98 or policies, or deposit of security, the commission shall give
99 due consideration to the character and amount of traffic and
100 the number of persons affected and the degree of danger
101 which the proposed operation involves.

102 (h) Cooperate with the federal government and the inter-
103 state commerce commission of the United States or any other
104 commission or organized delegated authority to regulate in-
105 terstate or foreign commerce by motor vehicles, and it shall
106 be its duty so to do, to the end that the transportation of
107 persons and property by motor vehicles in interstate and for-
108 eign commerce into and through the state of West Virginia
109 may be regulated and the laws of the United States and of
110 the state of West Virginia enforced and administered co-
111 operatively in the public interest.

112 (i) Make agreements on behalf of the state of West Vir-
113 ginia with any other state or states providing for reciprocal
114 rights, privileges, and courtesies between the licensees and
115 permittees of the said state or states and the state of West
116 Virginia respecting licenses and the transportation of prop-
117 erty into and through the respective state or states and the
118 state of West Virginia, and all existing agreements between
119 a state or states and the state of West Virginia for reciprocal
120 rights, privileges, and courtesies may, provided constitutional
121 and contractual rights are not violated, be declared void by
122 the commission and new agreements negotiated.

123 (j) Promulgate safety rules and regulations applicable to
124 motor vehicles subject to the provisions of this act and pro-
125 mulgate regulations governing the hours of employment of
126 drivers and chauffeurs of motor vehicles subject to the pro-
127 visions of this act and any other rules and regulations which
128 the commission may deem proper to carry out the provisions
129 and intent of this act.

Sec. 4. *Identification Card.* The commission shall prescribe
2 an identification card which must be displayed within the cab
3 of each motor vehicle required to have a permit under this
4 act, setting forth permit number and the route over, or terri-
5 tory in which, the vehicle is authorized to operate and the
6 name and address of the owner of said permit. The identifica-
7 tion card provided for herein may be in such form and con-
8 tain such other information as may be required by the com-
9 mission. It shall be unlawful for the owner of said permit,
10 his agent, servant, or employee, or any other person, to use
11 or display said identification card, the permit number, or
12 other insignia of authority from the commission after said
13 permit has expired, been cancelled, or disposed of, or to oper-
14 ate any vehicle under permit without such identification
15 card.

Sec. 5. *Identification Plate; Fee.* It shall be unlawful for
2 any motor carrier to operate any motor vehicle within this
3 state unless there shall be displayed and firmly fixed upon
4 the rear of such vehicle, an identification plate to be furnished
5 by the commission. Such plate shall be different in design for
6 the different classes of certificates or permits, shall bear the
7 number given to the vehicle by the commission, and such other
8 marks of identification as may be prescribed, and shall be in
9 addition to the regular license plates required by law. Such
10 plates shall be issued annually and attached to each such mo-
11 tor vehicle not later than July first of each year. The commis-
12 sion shall collect from the applicant a fee of one dollar for
13 each plate so issued, and all fees for such plates shall be de-
14 posited in the state treasury to the credit of the public service
15 commission motor carrier fund.

Sec. 6. *Special License Fees.* In addition to the license fees,
2 registration fees, or taxes now required by law upon common
3 carriers by motor vehicle and contract carriers by motor ve-

Section 1. *Purpose; Short Title.* The purpose of this chapter is to give effect to the "Municipal Home Rule Amendment" to the state constitution. It may be cited as the "Municipal Home Rule Law".

Sec. 2. *Definitions.* For the purpose of this chapter, unless the context clearly requires a different meaning:

"Home rule charter" shall mean a charter adopted under this chapter;

"Governing body" shall mean the council or commission created by the charter which enacts ordinances and resolutions and is responsible for the public policy of the city;

"Administrative authority" shall mean the officer or body which is responsible for the conduct and management of the affairs of the city in accordance with general law, the charter and the ordinances, resolutions and orders of the governing body;

"Voter" shall mean a person qualified to vote in accordance with the provisions of general law and the city charter.

Sec. 3. *Legislative Interpretation.* The Legislature hereby declares its interpretation of the Municipal Home Rule Amendment to be that a single classification by population of municipalities in this state is required which shall exclude any other classification of municipalities by population for any purpose. It is, therefore, the intention of the legislature that the classification established by section four of this article, shall give effect to the constitutional mandate and shall be the only classification by population applying

10 to municipalities in this state. It is the further intention of
11 the Legislature that subsequent legislation affecting muni-
12 cipalities in this state shall treat municipalities differently
13 upon the basis of population, only in accordance with the
14 general classification established by section four of this
15 article.

Sec. 4. *Classification of Municipal Corporations.* Pur-
2 suant to the mandate of the Municipal Home Rule Amend-
3 ment, municipal corporations are hereby classified by popu-
4 lation into four classes as follows:

5 (1) Every municipal corporation, the population of
6 which exceeds fifty thousand persons, shall be a class I
7 city;

8 (2) Every municipal corporation, the population of which
9 is more than ten thousand and not more than fifty thousand
10 persons shall be a class II city;

11 (3) Every municipal corporation, the population of which
12 is more than two thousand and not more than ten thousand
13 persons shall be a class III city;

14 (4) Every municipal corporation not included in any of
15 the foregoing classes shall be known as a town or village.

16 Transition from one to another class of municipal cor-
17 poration shall occur automatically when the requisite popu-
18 lation qualification has been met.

Sec. 5. *Prior Classification.* Provisions of general law
2 establishing classifications by population in effect at the
3 time of the adoption of the Municipal Home Rule Amend-
4 ment or enacted prior to the adoption of this enabling act
5 under the amendment shall operate as follows:

6 (1) The provisions of an act of the Legislature, regular
7 session, one thousand nine hundred thirty-seven, known and
8 designated as house bill number two, and chapter sixty of
9 the acts of the Legislature of one thousand nine hundred
10 thirty-three, regular session, and as amended, shall be in full
11 force and effect notwithstanding the provisions of this act as
12 to classifications by population, and nothing herein contained
13 shall supersede the provisions of said house bill number two,
14 or said chapter sixty of the acts of the Legislature, one thou-
15 sand nine hundred thirty-three, as amended, or to amend,
16 modify, or repeal any part thereof.

17 (2) The provisions of section seventeen, article four, chap-
18 ter eight of the official code shall apply only to class I, II and
19 III cities;

20 (3) The provisions of section eighteen, article four, chap-
21 ter eight of the official code shall apply only to class I, II,
22 and III cities;

23 (4) The provisions of sections nineteen and twenty, article
24 four, chapter eight of the official code shall apply only to
25 class I, II, and III cities;

26 (5) The provisions of section nine, as amended by the Legis-
27 lature of West Virginia, regular session, one thousand nine
28 hundred thirty-seven, article six, chapter eight of the
29 official code, shall apply only to class I and II, and shall be
30 optional with class III cities;

31 (6) The provisions of section fifty-three, article twelve,
32 chapter eleven of the official code shall apply only to class
33 I, II, and III cities;

34 (7) The provisions of section fifteen, article one, chap-
35 ter forty-seven of the official code shall apply only to class
36 I, II, and III cities.

Sec. 6. *Population.* For the purposes of this chapter
2 population shall be determined by reference to the last
3 preceding census taken under the authority of the Congress
4 of the United States or the Legislature of West Virginia.

Sec. 7. *General Enumeration of Powers of Home Rule*
2 *Cities.* Every city from and after the effective date of a
3 charter adopted under this chapter, shall be empowered:

4 (1) To have and use a common seal;

5 (2) To contract and be contracted with and to institute,
6 maintain and defend any action or proceeding in any court;

7 (3) For any municipal purpose to take, purchase, hold
8 and lease real and personal property within and without
9 the limits of the city, and to acquire by condemnation real
10 and personal property within or without the limits of the
11 city for the purposes set forth in and in accordance with chap-
12 ter fifty-four of the official code;

13 (4) To take by gift, grant, bequest or devise and to hold
14 and administer real and personal property within and with-
15 out the limits of the city, absolutely or in trust for any
16 public or municipal purpose, upon such terms and con-

17 ditions as may be prescribed by the grantor or donor and
18 accepted by the city.

Sec. 8. *Manner of Exercise of Municipal Powers.* Sub-
2 ject to the provisions of this or any other general law,
3 the powers granted by this chapter shall be exercised, in
4 the manner prescribed, and by the officer, officers or official
5 body designated, by a charter or charter amendment
6 adopted under this chapter, but no provision hereof or of
7 any such charter or charter amendment shall operate to en-
8 large the grant of powers contained herein, or limit the
9 jurisdiction or power of any state officer or body under
10 general law. If the matter is not covered by general law
11 or by such a charter or charter amendment, the governing
12 body of the city shall have power to determine by ordinance
13 in what manner and by whom such powers shall be
14 exercised.

Sec. 9. *Existing Status of Cities Confirmed.* The corpo-
2 rate being and powers of every city now existing is hereby
3 confirmed. General and special laws and municipal char-
4 ters in effect upon the adoption of this chapter shall remain
5 in operation and effect unless amended or repealed by this
6 chapter, or until amended or repealed by a general law
7 hereafter enacted, or until a municipal charter is amended
8 in accordance with article two of this chapter.

Sec. 10. *Adoption of Powers Granted by this Chapter*
2 *by Amendment to Existing Charter.* A city which shall
3 continue to operate under a charter in force upon the
4 effective date of this chapter may by charter amendment
5 hereunder adopt any of the powers conferred by articles
6 four and five of this chapter. It shall derive none of
7 those powers from this chapter until so adopted. It shall
8 suffice that an amendment shall make an identifying re-
9 ference to the section or subsection of this chapter, as
10 the case may be, sought to be adopted. Section three of
11 article five hereof may be so adopted only as a whole. An
12 amendment so adopted shall entirely supersede prior charter
13 provisions on the same subject.

Sec. 11. *Application of Other General Laws.* Except as
2 otherwise expressly provided in this chapter none of the pro-

3 visions of chapter eight of the official code shall apply/ to
4 cities which adopt a charter under this chapter. To the
5 extent that provisions of chapter eight constitute parts
6 of the existing charter of a city they shall not be affected
7 hereby but shall continue as such until superseded by a
8 charter or charter amendment adopted under this chapter
9 or by any other general law. All other general laws re-
10 lating to municipal corporations shall continue to apply to
11 cities except to the extent otherwise expressly provided in
12 this chapter.

Sec. 12. *Sanctions, Enforcement of Ordinances.* The
2 governing body of a city may provide by ordinance for
3 penalties, in the form of fines, forfeitures and imprisonment
4 in the city jail, for the violation of the ordinances of the
5 city. It may also maintain a suit in equity in the name of
6 the city to compel compliance with, or to restrain by injunction
7 the violation of any ordinance. The maximum fine and the
8 maximum imprisonment which may be provided shall be
9 five hundred dollars and six months, respectively, or both.
10 Provision may be made to contract for lodging city
11 prisoners in the jail of any county in which any part of the
12 city lies, or of an adjoining county, for part or all of their
13 terms of imprisonment. Police officers of a city shall have
14 the same authority of pursuit and arrest beyond their
15 normal jurisdiction as has a sheriff.

Sec. 13. *Application of Levy Provisions.* A limitation
2 placed on the amount of taxes upon real and personal prop-
3 erty that may be levied, or the amount of a mandatory levy,
4 for the support of a specific municipal service or activity
5 by any provision of general law, shall not apply to cities
6 under this chapter in the exercise of powers granted to them
7 by this chapter. But the total amount of taxes upon real
8 and personal property levied for municipal purposes in any
9 year shall not exceed the limitations stipulated by article
10 eight, chapter eleven of the official code.

Sec. 14. *Reference.* A reference contained in this chapter
2 to another provision of the official code shall be construed
3 to mean the provision as amended. Where additional sec-
4 tions are added to the subject matter of sections as referred

- 5 to in this chapter, the reference shall include such additional
6 sections.

13 through committees but their work shall be advisory only.
14 A charter board shall complete its draft of charter within
15 one hundred and twenty days after the date of its organiza-
16 tion meeting.

Sec. 8. *Reference of Draft of Charter to the Attorney*

2 *General.* A draft of charter shall, upon its completion, be
3 certified at once to the attorney general of the state. It shall

8 in the same manner as elective city officers, to hold office for
9 the remainder of the term.

10 The board shall make a continuing study of the functioning
11 of the city government under a home rule charter adopted
12 during its life and may, by a two-thirds vote of its members
13 and not less than four years after such charter shall have
14 taken effect, require the submission to the voters of the city
15 of the question whether the charter shall be revised. By a
16 like vote and at any time not less than one year after the
17 charter shall have taken effect the board may require the
18 submission of one or more proposed charter amendments to
19 the voters of the city. In the event revision is voted pursuant
20 to such submission the board as then constituted shall proceed
21 to prepare a revision of the charter and the process of revision
22 as so initiated shall be the same as that for the framing
23 and adoption of a new charter under this chapter.

Sec. 12. *Submission of Charter to the Voters.* The proposed
2 charter shall be submitted to the voters at a special
3 election to be held at the time determined by the charter
4 board. Notice of the time, place and purpose of a charter
5 election shall be given by publication once a week for three
6 consecutive calendar weeks in two newspapers of opposite
7 politics published in the city, if there be such, and if not, in
8 a newspaper of general circulation in the city. Notice shall
9 be posted at ten or more public places within the city not
10 less than thirty days prior to the date set for the election.
11 The first of said publications shall be made not less than
12 thirty days prior to the date fixed for the election. Each such
13 notice of election shall state that any qualified voter of the
14 city may obtain a copy of the proposed charter, from a designated
15 officer and place, upon request.

Sec. 13. *When a Home Rule Charter Takes Effect.* A
2 home rule charter shall take effect on the first day of the
3 fiscal year next after the date of its adoption, if the interim
4 exceeds sixty days; and otherwise on the first day of the second
5 fiscal year after its adoption.

6 If a proposed charter shall be approved by the voters of a
7 city one of the signed copies on file with the recording officer
8 of the city, with a certified copy of the declaration of result

9 of the election showing the total votes cast for and against
10 adoption attached, shall be certified forthwith to the clerk
11 of the House of Delegates of the Legislature, in his capacity
12 as keeper of the rolls. The same shall be preserved by said
13 clerk as an authentic public record. After the effective date
14 of a charter so filed all courts shall take judicial notice of
15 its provisions.

16 A copy of the declaration of the result of the election
17 showing the total votes cast for and against adoption shall
18 be certified to the clerk of the county court for filing with
19 the signed copy of the charter previously deposited with
20 him.

Sec. 14. *Home Rule Charter Supersedes Existing*
2 *Charter; Effect on Local Legislation and Administrative*
3 *Law.* A home rule charter shall entirely supersede the prior
4 charter of a city. All legislative and administrative acts or
5 rules theretofore adopted by the governing body and ad-
6 ministrative agencies of a city which are inconsistent or in
7 conflict with a home rule charter, shall continue in force for
8 sixty days after the effective date of the home rule charter,
9 unless sooner modified or repealed by competent authority;
10 but at the end of this period, shall to the extent of such
11 inconsistency or conflict, be of no further force or effect.

Sec. 15. *Charter Amendment.* The voters of a city may
2 amend an existing special charter or a charter adopted under
3 the provisions of this chapter. An amendment may be ini-
4 tiated in the same manner as for the adoption of a charter.
5 An amendment to a charter adopted hereunder may also
6 be initiated in the manner provided in section eleven of this
7 article.

8 A special election shall be called to pass upon a proposed
9 charter amendment if (1) the date of the next regular mu-
10 nicipal election shall be more than ninety days after the date
11 fixed for such special election; (2) the governing body by
12 the affirmative vote of two-thirds of its members shall deter-
13 mine as a fact that an emergency exists which requires that
14 the proposal be submitted without delay; or (3) a petition
15 expressly requesting the election, which has been signed by
16 twenty per centum of the total registration of the voters
17 in the city for the last preceding general election, in case of

18 a class I or class II city, or by fifteen per centum thereof, in
19 case of a class III city, has been filed with the governing
20 body. In any other case a proposed charter amendment shall
21 be submitted at the next regular municipal election. The
22 petition or ordinance proposing a charter amendment shall
23 set it out in full.

24 The date of a special election for the purpose shall be fixed
25 by the initiatory ordinance. The notice of the election shall
26 state the time, place and purpose thereof and shall set out the
27 proposed amendment or amendments at length or state that
28 copies may be obtained by any qualified voter from a desig-
29 nated officer at a stated place upon request. Notice shall
30 be published and posted, as in the case of a charter election.

31 A charter amendment shall take effect on the date that
32 the canvass and declaration of result showing approval by
33 the voters has been made and entered in the minutes of the
34 governing body, and one copy thereof with a copy of the
35 canvass and declaration of result attached shall be certified
36 to the clerk of the House of Delegates, as keeper of the rolls,
37 and another to the clerk of the county court.

Sec. 16. *Charter Revision.* A charter adopted pursuant
2 to this article may be revised in like manner as framed and
3 adopted but no revision shall be made within four years of
4 the effective date of such a charter or of the last preceding
5 revision, as the case may be.

Sec. 17. *Submission of Alternative Provisions.* A charter,
2 charter revision or charter amendment may be proposed with
3 alternative provisions for submission to the voters and the
4 same may be voted upon separately without prejudice to
5 the primary question whether the proposed charter, charter
6 revision or amendment shall be adopted or to other provisions
7 thereof.

Sec. 18. *Qualifications for Voting Registration.* The
2 qualifications for voting at an election held under this article

6 though conducted at the same time as another election,
7 whether general or special.

Sec. 20. *Conduct of Elections; Canvass and Declaration*
2 *of Result.* A special election held under this article shall
3 be conducted in like manner as a regular municipal election.
4 The governing body of a city shall canvass the returns at
5 relatively the same time with reference to an election held
6 hereunder and in the same manner as county courts are
7 required to do with respect to general elections, and shall
8 declare the result of the election. This requirement shall
9 apply to any election held under this article whether it be
10 special or conducted in conjunction with a regular municipal
11 election. The canvass and declaration of result shall be en-
12 tered in the minutes of the governing body on the date
13 made.

Sec. 21. *Expense of Proceeding.* The governing body of
2 a city shall make full provision for the expense of advertising
3 and holding any election and all other proper expenses in-
4 curred in complying with the provisions of this article, in-

6 a charter board shall receive no compensation.

Sec. 22. *Election Officials.* In a special election held
2 under this article, election officials shall be of the number

100 matured for hearing and heard by the circuit court of the
101 county wherein the said city or municipality for which said
102 commissioner or commissioners serves, as members of the
103 civil service commission in the same manner as chancery pro-
104 ceedings in the circuit courts of West Virginia are heard,
105 saving the right to petition the supreme court of appeals for
106 a review of the action of the circuit court of the contestant
107 or contestants against whom the circuit court's decision is

2 duty of the mayor, city manager, or principal executive officer,
3 and heads of departments of every city or municipality of five
4 thousand population or more, to cause suitable and convenient
5 rooms and accommodations to be assigned and provided, and to
6 be furnished, heated and lighted for carrying on the work and
7 examinations of the civil service commission. The civil service
8 commission may order from the proper authorities the neces-

10 to be supplied, and the necessary printing to be done, for its
11 official use. It shall be the duty of the officers of every city or
12 municipality to aid the civil service commission in all proper
13 ways in carrying out the provisions of this act, and to allow
14 the reasonable use of public buildings, and to heat and light
15 the same, for holding examinations and investigations, and in
16 all proper ways to facilitate the same.

Sec. 5. *Powers and Duties of Commission.* The civil serv-
2 ice commission in each city or municipality, within the terms
3 of this act, shall:

4 First: Keep minutes of its own proceedings, and records
5 of its examinations and other official actions. All recommen-

11 shall, subject to reasonable regulation, be open to public in-
12 spection;

13 Second: Make investigations, either by sitting as a body
14 or through a single commissioner, concerning all matters
15 touching the enforcement and effect of the provisions of this
16 act, and the rules and regulations prescribed thereunder,
17 concerning the action of any person in the public service in
18 respect to the execution of this act; and, in the course of
19 such investigation, each commissioner shall have the power

25 require, in relation to any matter which it has the authority
26 to investigate. The fees of such witnesses for attendance and
27 travel shall be the same as for witnesses before the circuit
28 courts, and shall be paid from the appropriation for the
29 incidental expense of the commission. All officers in the
30 public service, and their deputies, clerks, subordinates and
31 employees shall attend and testify when required to do so by
32 said commission and all cities and municipalities are re-

36 contempt of court, and shall be punished by any circuit court,
37 within the county in which is the city, from the civil service
38 commission of which the said subpoena had issued, as if such
39 subpoena had been issued therefrom. Any judge of any of said
40 courts shall, upon the application of any one of said commis-
41 sioners, in such cases, cause the process of said court to issue
42 to compel such person or persons, disobeying or neglecting
43 any such subpoena, to appear and to give testimony before the
44 said commissioners, or any of them and shall have power to
45 punish any such contempt;

46 Fourth: Make an annual report to the mayor, city man-

51 purpose of this act. Such report shall be available for public
52 inspection five days after the same shall have been delivered
53 to the mayor, city manager, or principal executive officer of
54 any city or municipality.

Sec. 6. *Rules and Regulations of Commission; Probationary*
2 *Period for Appointees.* The civil service commission, in each
3 city or municipality, shall make rules and regulations provid-
4 ing for examinations for positions in the paid police depart-
5 ment in each city or municipality under this act, and for ap-
6 pointments to and promotions therein, and for such other mat-

7 ters as are necessary to carry out the purposes of this act. Due
8 notice of the contents of such rules and regulations and of any
9 modifications thereof shall be given, by mail, in due season, to
10 appointing officers affected thereby; and said rules and regu-
11 lations and modifications thereof shall also be printed for pub-
12 lic distribution. All original appointments to any positions in
13 police departments within the terms of this act shall be for a
14 probationary period of six months: *Provided, however,* That
15 at any time during the probationary period the appointee may
16 be dismissed for just cause, in the manner provided in section
17 thirteen of this act. If, at the close of this probationary term,
18 the conduct or capacity of the probationer has not been satis-
19 factory to the appointing officer, the probationer shall be
20 notified, in writing, that he will not receive absolute appoint-
21 ment, whereupon his employment shall cease; otherwise, his
22 retention in the service shall be equivalent to his final ap-
23 pointment.

Sec. 7. *Examinations; Eligible Lists.* All examinations for
2 positions or promotions shall be practical in their character,
3 and shall relate to such matters, and include such inquiries,
4 as will fairly and fully test the comparative merit and fitness
5 of the person or persons examined to discharge the duties of the
6 employment sought by him or them. All examinations shall be
7 open to all applicants who have fulfilled the preliminary re-
8 quirements, stated in other sections of this act. All applicants
9 for any position in police department shall, as hereinafter stat-
10 ed, subject to regulations adopted by the civil service commis-
11 sion, be required to submit to a physical examination before be-
12 ing admitted to the regular examinations held by the commis-
13 sion. Said applicant shall have been a resident for three years
14 next preceding date of his application, of the city or municipal-
15 ity in which he seeks to obtain employment in the police depart-
16 ment. Adequate public notice of the time and place of every
17 examination held under the provisions of this act, together
18 with information as to the kind of position or place to be
19 filled, shall be given at least one week prior to such examina-
20 tion. The said commission shall adopt reasonable regulations
21 for permitting the presence of representatives of the press at
22 the examinations. The commission shall post, in a public
23 place at its office, the eligible list, containing the names and

24 grades of those who have passed examinations for positions
25 in police departments, under this act, and shall indicate
26 thereon such appointments as may be made from said lists.

Sec. 8. *Application for Examination; Refusal to Examine*
2 *or Certify; Hearing on.* The civil service commission, in each
3 city or municipality, shall require persons applying for admis-
4 sion to any examination provided for under this act or under
5 the rules and regulations of the said commission, to file in its
6 office, within a reasonable time prior to the proposed examin-
7 ation, a formal application in which the applicant shall state
8 under oath or affirmation:

9 First: His full name, residence, and post office address;

10 Second: His United States citizenship, age, and the place
11 and date of his birth;

12 Third: His health, and his physical capacity for public
13 service;

14 Fourth: His business and employments and residences for
15 at least three previous years;

16 Fifth: Such other information as may reasonably be re-
17 quired, touching the applicant's qualifications and fitness for
18 the public service.

19 Blank forms for such applications shall be furnished by the
20 said commission, without charge, to all persons requesting the
21 same. The said commission may require, in connection with
22 such application, such certificate of citizens, physicians or oth-
23 ers, having knowledge of the applicant, as the good of the ser-
24 vice may require. The said commission may refuse to examine
25 an applicant, or, after examination, to certify as eligible, one
26 who is found to lack any of the established preliminary re-
27 quirements for the examination or position or employment for
28 which he applies; or who is physically so disabled as to be ren-
29 dered unfit for the performance of the duties of the position to
30 which he seeks appointment; or who is addicted to the habitual
31 use of intoxicating liquors or drugs; or who has been guilty
32 of any crime, or of infamous or notoriously disgraceful con-
33 duct; or who has been dismissed from the public service for
34 delinquency or misconduct; or who has made a false state-
35 ment of any material fact, or practiced or attempted to prac-
36 tice any deception or fraud in his application, in his examin-

37 ation, or in securing his eligibility; or who refuses to comply
38 with the rules and regulations of the commission.

39 If any applicant feels himself aggrieved by the action of
40 the commission in refusing to examine him, or after an ex-
41 amination, to certify him as an eligible, as provided in this
42 section, the commission shall, at the request of such applicant,
43 appoint a time and place for a public hearing; at which time
44 such applicant may appear, by himself or counsel, or both,
45 and the commission shall then review its refusal to make
46 such examination or certification, and testimony shall be
47 taken. The commission shall subpoena, at the expense of the
48 applicant, any competent witnesses requested by him. After
49 such review, the commission shall file the testimony taken, in
50 its records, and shall again make a decision, which decision
51 shall be final.

Sec. 9. *Appointments From Eligible List.* Every po-
2 sition or employment, unless filled by promotion, rein-
3 statement, or reduction, shall be filled only in the fol-
4 lowing manner: The appointing officer shall notify the
5 civil service commission of any vacancy in the service
6 which he desires to fill, and shall request the certifica-
7 tion of eligibles. The commission shall forthwith certify, from
8 the eligible list, the names of three persons thereon who re-
9 ceived the highest averages at preceding examinations held
10 under the provisions of this act within a period of three years
11 next preceding the date of such appointment. The appointing
12 officer shall, thereupon, with sole reference to the relative mer-
13 it and fitness of the candidates, make an appointment from the
14 three names so certified: *Provided, however,* That should he
15 make objection, to the commission, to one or more of these per-
16 sons, for any of the reasons stated in section eight of this act,
17 and should such objection be sustained by the commission, as
18 provided in section eight of this act, the commission shall
19 thereupon strike the name of such person from the eligible list,
20 and certify the next highest name for each person so stricken off.
21 As each subsequent vacancy occurs, in the same or another po-
22 sition, precisely the same procedure shall be followed: *Pro-*
23 *vided, however,* That after any name has been three times
24 rejected for the same or another position, in favor of a name
25 or names below it on the same list, the said name shall be

26 stricken from the list. When there are a number of positions
27 of the same kind to be filled at the same time, each appoint-
28 ment shall, nevertheless, be made separately and in accord-
29 ance with the foregoing provisions. When an appointment is
30 made under the provisions of this section it shall be, in the
31 first instance, for the probationary period of six months as
32 provided in section six of this act.

33 The term "appointing officer" as used in this act shall be
34 construed to mean the city or municipal officer in whom the
35 power of appointment of members to a paid police department
36 is vested by the charter of a city or municipality in which an
37 appointment shall be made.

Sec. 10. *Filling Vacancy When There is no Eligible List.*
2 Whenever there are urgent reasons for filling a vacancy in
3 any position in the police department and there is no list of
4 persons eligible for appointment after a competitive examina-
5 tion, the appointing officer may nominate a person to the civil
6 service commission for noncompetitive examination; and if
7 such nominee shall be certified by the said commission as
8 qualified, after such noncompetitive examination, he may be
9 appointed provisionally, to fill such vacancy until a selection
10 and appointment can be made after competitive examination,
11 in the manner prescribed in section nine; but such provisional
12 appointment shall not continue for a longer period than
13 three months, nor shall successive provisional appointments
14 be made to the same position, under this provision.

Sec. 11. *Filling Vacancies by Promotion.* Vacancies in
2 positions in the police department shall be filled, so far as
3 practicable, by promotion from among persons holding posi-
4 tions in the next lower grade in the department. Promotions
5 shall be based upon merit to be ascertained by tests to be
6 provided by the civil service commission and upon the su-
7 perior qualifications of the persons promoted, as shown by
8 his previous service and experience: *Provided, however,* That
9 except for chief of police no person shall be eligible for
10 promotion from the lower grade to the next higher grade
11 until such person shall have completed at least two years'
12 service in the next lower grade in the department. The com-
13 mission shall have the power to determine in each instance
14 whether an increase in salary constitutes a promotion.

Sec. 12. *Physical Examination of Applicants; Age Limits; Reappointment of Former Member.* All applicants for any position in the police department shall undergo a physical examination which shall be conducted under the supervision of a commission composed of two doctors of medicine appointed for that mission by the mayor, city manager, or principal executive officer of the city or municipality. Said commission shall certify that an applicant is free from any bodily or mental defects, deformity or diseases that might incapacitate him from the performance of the duties of the position desired before said applicant shall be permitted to take further examination. No application will be received if the person applying is less than twenty-one years of age or more than thirty-five years of age at the date of his application: *Provided, however,* That in event any applicant has formerly served upon the police department of the city to which he makes application, for a period of more than six months, and has resigned from the department at a time when there were no charges of misconduct or other misfeasance pending against such applicant, within a period of two years next preceding the date of his application, and is a resident of the city or municipality, and is still a resident of the city or municipality of the police department on which he seeks reinstatement, then such person shall be eligible for reinstatement in the discretion of the civil service commission, even though such applicant shall be over the age of thirty-five years. Such applicant, providing his former term of service so justifies, may be reappointed to the police department without examination other than a physical examination; if such person shall be so reinstated to the police department, he shall be the lowest in rank in the department next above the probationers of the department: *Provided further,* That any person who is, at the time this act goes into effect, serving upon the police department of the city to which he makes application, and has served in such capacity for at least six months prior to the time this act takes effect, shall be eligible to take the examination provided for herein even though such applicant shall be over the age of thirty-five years.

Sec. 13. *Removal, Discharge, Retirement, etc. of Members of Police Department.* No member of any police department

3 within the terms of this act shall be removed, discharged or
4 reduced in rank or pay except for just cause, which shall not
5 be religious or political, except as hereinafter provided in
5-a section twenty-one; further, no such employee shall be
6 removed, discharged or reduced except as provided in this
7 act, and in no event until he shall have been furnished with
8 a written statement of the reasons for such action. In every
9 case of such removal or reduction, a copy of the statement
10 of reasons therefor and of the written answer thereto, if the
11 person sought to be removed desires to file such written
12 answer, shall be furnished to the civil service commission
13 and entered upon its records. If the person sought to be
14 removed or reduced shall demand it, the civil service com-
15 mission shall grant him a public hearing, which hearing shall
16 be held within a period of ten days from the filing of the
17 charges in writing and the written answer thereto. At such
18 hearing the burden shall be upon the removing officer to
19 justify his action and in event that the civil service commis-
20 sion finds the action of the removing officer unjustified, then
21 the person removed shall be reinstated with full pay
22 for the entire period during which he may have been pre-
23 vented from performing his usual employment, and no
24 charges shall be officially recorded against his record. A writ-
25 ten record of all testimony taken at such hearing shall be kept
26 and preserved by the civil service commission, which record
27 shall be sealed and not be open to public inspection,
28 if no appeal be taken from the action of the com-
29 mission. In event that the civil service commission shall
30 sustain the action of the removing officer the person removed
31 shall have an immediate right of appeal to the circuit court
32 of the county wherein the city or municipality is situated.
33 Said appeal shall be taken within ninety days from the entry
34 by the civil service commission of its final order; upon such
35 an appeal being taken and docketed with the clerk of the
36 circuit court of said county, the circuit court shall proceed
37 to hear the appeal upon the original record taken therein and
38 no additional proof shall be permitted to be introduced. The
39 circuit court's decision shall be final, saving to the employee,
40 however, the right to petition the supreme court of appeals
41 for a review of the circuit court's decision.

42 The removing officer and the person sought to be removed
43 shall at all times, both before the civil service commission and
44 upon appeal, be given the right to employ counsel to repre-
45 sent them: *Provided, however,* That if for reasons of economy
46 or other reasons it shall be deemed necessary by any city or
47 municipality to reduce the number of paid members of any po-
48 lice department then said municipality shall follow the fol-
49 lowing procedure:

50 First: If there be any paid policemen eligible for retire-
51 ment under the terms of a pension fund act, if such fund
52 exists in said city or municipality, then such reduction in
53 numbers shall be made by retirement on pension of all such
54 eligible paid members of the police department;

55 Second: If the number of paid policemen eligible for re-
56 tirement under the pension fund of said city or municipality,
57 if such pension fund exists, is sufficient to effect the reduction
58 in numbers of said paid police department desired by said
59 city or municipality, or if there is no eligible person for re-
60 tirement under the pension fund of said city or municipality,
61 or no pension fund exists in said city or municipality, then
62 reduction in members of the paid police department of said
63 city or municipality shall be effected by suspending the last
64 man or men, including probationers, that have been appointed
65 to said police department. Such removal shall be accom-
66 plished by suspending the number desired in the inverse
67 order of their appointment: *Provided, further,* That in event
68 the said police department shall again be increased in num-
69 bers to the strength existing prior to such reduction of mem-
70 bers the said policemen suspended under the terms of this
71 act shall be reinstated in the inverse order of their suspen-
72 sion before any new appointments to said police department
73 shall be made.

Sec. 14. *No Political or Religious Test Permitted.* No
2 question in any form of application or in any examination
3 shall be so framed as to elicit information concerning the
4 political or religious opinions or affiliations of any applicant;
5 nor shall inquiry be made concerning such opinions or affilia-
6 tions; and all disclosures thereof shall be discountenanced.
7 No discrimination shall be exercised, threatened, or promised
8 by any person in the police department against, or in favor

9 of, an applicant, eligible, or employee in police departments
10 under this act because of his political or religious opinions
11 or affiliations.

Sec. 15. *Failure to Comply With Provisions of Act a Misdemeanor.* Whoever makes an appointment to office, or selects a
3 person for employment, contrary to the provisions of this act,
4 or wilfully refuses or neglects otherwise to comply with, or to
5 conform to any of the provisions of this act, or violate any of
6 such provisions, shall be deemed guilty of a misdemeanor.

Sec. 16. *Offenses Constituting Misdemeanors Under Act.*
2 Any commissioner or examiner, or any other person, who
3 shall wilfully, by himself or in cooperation with one or more
4 persons, defeat, deceive or obstruct any person in respect to
5 his right of examination or registration according to this act,
6 or to any rules or regulations prescribed pursuant thereto,
7 or who shall wilfully or corruptly, falsely mark, grade, esti-
8 mate, or report upon the examination or proper standing of
9 any person examined, registered, or certified, pursuant to the
10 provisions of this act, or aid in so doing, or who shall wil-
11 fully or corruptly furnish to any person any special or secret
12 information, for the purpose of either improving or injuring
13 the prospects or chances of appointment of any person so
14 examined, registered, or certified, or to be examined, regis-
15 tered, or certified; or who shall personate any other person,
16 or permit or aid in any manner any other person to imper-
17 sonate him in connection with any examination or registra-
18 tion, or application or request to be examined or registered,
19 shall, for each offense, be deemed guilty of a misdemeanor.

Sec. 17. *Penalties.* Misdemeanors under the provisions of
2 this act shall be punishable by a fine of not less than fifty
3 dollars, nor more than one thousand dollars, or by imprison-
4 ment for a term not exceeding one year, or by both fine and
5 imprisonment, in the discretion of the court.

Sec. 18. *When Examinations Not Required.* All paid po-
2 licemen, including officers, except chiefs of police, who have
3 had four years' service, in any city or municipal police depart-
4 ment, and who are employed by any city or municipality on the
5 date this act takes effect, shall be construed to have been ap-

6 pointed under the provisions of this act and shall hold their
7 positions in accordance therewith. Policemen, including of-
8 ficers, who have not had four years' service in a paid city or
9 municipal police department, shall be subject to the exam-
10 ination provided for in this act: *Provided*, That the re-
11 quirement for examination of men who have not had four
12 years' service prior to the passage of this act, shall not
13 apply to men who have been injured in line of duty while
14 in service, which injuries would disqualify them under
15 the examination herein required, nor shall it apply to mem-
16 bers of paid police departments, including officers of such de-
17 partments, in cities or municipalities which now operate un-
18 der a city system of civil service.

Sec. 19. *Provisions Severable.* If any clause, sentence, sec-
2 tion, provision or part of this act shall be adjudged to be
3 unconstitutional or invalid for any reason by any court of
4 competent jurisdiction, such judgment shall not impair, af-
5 fect or invalidate the remainder of this act, which shall re-
6 main in full force and effect thereafter.

Sec. 20. *Inconsistent Acts Repealed.* All acts and parts of
2 acts of the Legislature of the state of West Virginia, general,
3 special, local or municipal charters, or parts thereof, in re-
4 lation to any civil service measure affecting the paid police
5 departments of any city or municipality inconsistent with
6 this act shall be, and the same are hereby repealed insofar
7 as such inconsistencies shall exist. It is understood and in-
8 tended by this act to furnish a complete and exclusive system
9 for the appointment, promotion, reduction, removal and re-
10 instatement of all officers, policemen or other employees of
11 said police departments in all cities and municipalities of
12 five thousand population or more, wherein the members of the
13 police department are paid.

Sec. 21. *Political Activity of Police Officers Prohibited.*
2 No police officer shall serve as an election official, nor shall
3 he engage in any political activity, other than to vote, in
4 behalf of, or in opposition to, any candidate, political party
5 or public issue involved in any election. Any violation by a
6 police officer of the provisions of this section shall automatic-
7 ally vacate his appointment.

Sec. 22 *Election to Determine if Act Applies to City of Five Thousand Population or Less; Cities Having Police Civil Service Not Affected.* Any municipality of five thousand population or less, may, by ordinance, provide for an election to determine whether the provisions of this act shall apply to such municipality. Such election shall be held at the first general election held in such municipality after the adoption of said ordinance and shall be conducted and the result thereof ascertained as is provided by law for other elections. The ballots shall have printed thereon:

☐ For Police Civil Service.

☐ Against Police Civil Service.

If a majority of all the votes cast on this question be against police civil service, then none of the provisions of this act shall apply within such municipality.

The provisions of this section shall not apply to any municipality now operating under police civil service.

CHAPTER 60

(Senate Bill No. 120—By Mr. Allen, by request)

AN ACT to amend and reenact section five, article seven, chapter thirty of the code of West Virginia, one thousand nine hundred thirty-one, relating to the registration and training of nurses.

[Passed March 13, 1937; in effect ninety days from passage. Approved by the Governor.]

Article 7. Nurses.

Section

5. Accredited schools for nurses; affiliated schools; school records; advance credit to pupils.

Be it enacted by the Legislature of West Virginia:

That section five, article seven, chapter thirty of the code of West Virginia, one thousand nine hundred thirty-one, be amended and reenacted to read as follows:

Section 5. *Accredited Schools for Nurses; Affiliated Schools; School Records; Advance Credit to Pupils.* An accredited school for nurses within the meaning of this article is defined to be one connected with a hospital having a daily average of at least fifteen patients, which requires its pupil nurses in training to have had at least four years of high school education, or three years of high school work after graduation from a standard junior high school, and to have received a diploma or certificate of graduation from a standard high school in this state, or from a high school outside this state having equal standards, grades and requirements; which does not send out its pupil nurses for private duty; which employs regularly at least one registered nurse; and which provides for its pupil nurses a three years' continuance theoretical and practical course of training in bedside nursing, except for a vacation not to exceed four weeks each year, and a substantial course of training in each of the subjects named in the preceding section upon which applicants for certificates are to be examined by the board of examiners for nurses. Practical bedside nursing shall include the care of medical and surgical patients, male and female, obstetrical patients and children.

If a school for nurses is unable to give a full three years' course, but provides a two years' course and otherwise meets the requirements of an accredited school, it may affiliate for a third year's training with an accredited three-year school which complements the training of the first by supplying the courses which the first lacks. An applicant who has completed a full three years' course by attendance in two such affiliated schools may, in the board's discretion, be treated as a graduate of an accredited school. A hospital which gives training to pupil nurses along special lines may, under the supervision of the board, be accredited for its particular service as an affiliated school.

Any school for nurses to receive credit under this article shall maintain accurate and current records showing in full the theoretical and practical courses of instruction given to each pupil, and shall maintain healthful and comfortable living conditions for the pupils. Schools may only give

- 39 advance credit to pupils transferring from accredited schools,
40 and then only upon a certificate from the school from which
41 the pupil is transferred, evidencing the good standing of the
42 pupil at the time of transfer.

Section 1. *Assignment by Insolvent; Form; Acknowledgement; Recordation; Assent of Trustee.* Every assignment, conveyance or transfer made by an insolvent debtor to a trustee which is intended to operate as an assignment of all of such debtor's property for the benefit of all of his creditors, or of all such property except what is exempt from execution or other process, shall be in writing, and shall specifically state therein the residence and kind of business carried on by such debtor at the time of making the assignment, the place at which such business was conducted, and the name, residence, address and place of business of the trustee and there shall be annexed thereto a statement of the assets of the debtor and the location thereof, and a list of the names and addresses of his creditors.

Every such assignment, conveyance or transfer shall be duly acknowledged before an officer authorized to take the acknowledgment of deeds and shall be recorded in the office of the clerk of the county court of the county in which the principal place of business of the debtor is situated when real property is a part of the property assigned and is situated in a county other than the one in which the original assignment is required to be recorded, a certified copy of such assignment shall be filed and recorded in the county where such property is situated. The assent of the trustee, subscribed and acknowledged by him, shall appear in writing embraced in or at

30 scribed by them shall pass to the trustee whether mentioned in
31 the assignment or not.

32 No such assignment, conveyance or transfer shall be valid
33 and no title to the property assigned, conveyed or transferred
34 shall vest in the trustee unless the same be executed as herein-
35 above provided and unless the same be recorded within five
36 days after the date of the execution thereof. The clerk shall
37 record such instruments in the deed books in his office, and
38 shall also keep them on file in his office.

Sec. 2. *Oath and Bond of Trustee.* Before the trustee shall
2 have any power or authority to sell, dispose of or convert to
3 the purposes of the trust any of the assigned property he
4 shall qualify as such by taking an oath and giving a bond in
5 a penalty double the amount of the estate, with a solvent sur-
6 ety company as surety, before the clerk of the county court of
7 the county in which such assignment, conveyance or trans-
8 fer has been recorded. The oath of the trustee shall be
9 that he will faithfully perform the duties of the office
10 of trustee to the best of his skill and judgment, and will
11 account for and pay over all money that comes into his
12 hands as such trustee. The bond of the trustee shall be
13 approved by the clerk, shall be conditioned that the trustee
14 shall faithfully perform the duties of trustee to the best
15 of his skill and judgment and account for and pay over

17 shall be filed in the office of the clerk. At any time after
18 the giving of such bond the clerk may, upon his own motion,
19 or upon the application of any party in interest, and on five
20 days' notice given to the assignor, trustee and surety, increase
21 the amount of the bond or require further security to be given,
22 whenever in his judgment the penalty of the bond or the se-
23 curity afforded by it is not adequate.

Sec. 3. *Reference to Commissioner of Accounts; Appraisers.*

2 Upon the qualification of the trustee, the clerk shall refer the
3 estate to a commissioner of accounts of the county, provided,

4 that in counties where there are two or more such commis-

6 in rotation; and the clerk shall appoint three disinterested
7 appraisers to appraise all the property belonging to the estate
8 and, within seven days after their appointment, they shall
9 make to the commissioner a report thereof in writing duly
10 sworn to.

Sec. 4. *Trustee to File Schedule; Substitute Trustee.* With-
2 in ten days after the recordation of an assignment, conveyance
3 or transfer the trustee shall cause to be made and filed with
4 the clerk of the county court of the county where the same is

7 business of the debtor;

8 2. A full and true account of all the creditors of the
9 debtor, stating the last known place of residence of each,
10 if known, or if unknown, the fact to be stated; the sum owing
11 to each, with the true cause and consideration thereof; and a
12 full statement of any existing security for the payment of the
13 same;

14 3. A full and true inventory of all the debtor's estate
15 at the date of the assignment, both real and personal,
16 in law and in equity, with the liens and encumbrances
17 existing thereon. The trustee shall verify the schedule so
18 made by him to the effect that the same is in all respects
19 just and true to the best of his knowledge and belief,
20 and shall state the sources of his information and the grounds
21 of his belief. The trustee shall at the same time file a dupli-
22 cate of the said schedule with the commissioner of accounts
23 to whom the estate has been referred. In case said trustee
24 shall be unable to make and file such schedule, within ten
25 days, the commissioner may, upon application under oath,
26 showing such inability, allow him such further time as shall
27 be necessary, not exceeding thirty days. If the trustee fails
28 to make and file such schedule within said ten days or such
29 further time as may be allowed, the commissioner shall re-
30 quire, by order, the trustee forthwith to appear before him,
31 and show cause why he should not be removed, and, if good
32 cause be not shown, such trustee shall be removed and a meet-

33 ing of the creditors shall be called by the commissioner, at
34 which meeting a substitute trustee shall be elected. Any per-
35 son interested in the trust estate may apply for such order
36 and demand such removal.

Sec. 5. Notice by Trustee to Creditors; Publication and Mail-

2 *ing.* Within ten days after the filing of the schedule the trustee
3 shall cause to be published once a week for two successive
4 weeks in some newspaper published in the county, or, if there
5 be no newspaper published in the county, in some newspaper
6 having general circulation in the county, in which the assign-
7 ment, conveyance or transfer was recorded, a notice reading
8 substantially as follows:

9 "To the Creditors of.....:

20 creditors will be held in his office at.....,
21 in.....County, West Virginia, on.....
22, at..... o'clock M.

24 (Signed)....., Trustee

25 (Address of Trustee)....."

26 A copy of the said notice shall be mailed by the trustee
27 on or before the date of the first publication thereof to
28 every creditor whose name appears in the schedule or of
29 whom the trustee has notice, to the assignor and to the
30 commissioner of accounts, and an affidavit evidencing such
31 mailing and publication shall be filed by the trustee with the
32 commissioner.

Sec. 6. Filing and Proof of Claims. The trustee shall specify
2 in the notice a date on or before which claims shall be present-
3 ed to him which date shall be not less than thirty days nor more

4 'than sixty days after the date of the first publication of the
5 notice, and no claim filed with the trustee after the date
6 specified in the notice shall be recognized or allowed, ex-
7 cept that if a surplus remain after the payment of the
8 claims presented on or before the date specified such sur-
9 plus shall be applied to the payment of the claims pre-
10 sented after that date. Claims of creditors shall be item-
11 ized, accompanied by proper vouchers, and verified by the
12 affidavit of the creditor or his duly authorized agent, stat-
13 ing the character of the claim, whether open account,
14 note, bond, bill, writing obligatory, judgment, decree or
15 other evidence of debt, and the amount thereof, and from
16 what date and on what items interest runs and at what
17 per cent per annum, and stating further that the claim is
18 just and true, and that the creditor, or any prior owner
19 of the claim, if such there was, has not received any part
20 of the money stated to be due, or any security or satis-
21 faction for the same, except what is credited. The vouchers
22 for a judgment or decree shall be an abstract thereof; for
23 a specialty, bond, note, bill of exchange, writing obliga-
24 tory, or other instrument, shall be the instrument itself,
25 or a true copy thereof, verified by the commissioner of
26 accounts, or proof of the same in case the instrument be lost;
27 and for an open account, an itemized copy of the account. A
28 surety may prove a claim of a creditor which he has
29 secured when such creditor fails or refuses to do so.
30 Every claim so itemized, so accompanied by proper vouchers,
31 and so verified, shall be taken to be proved and shall be
32 allowed unless, before the trustee shall make up his report
33 of claims, the assignor or a creditor or any party in in-
34 terest shall file before the trustee a counter-affidavit, deny-
35 ing the claim in whole or in part; and when such counter-
36 affidavit is so filed the trustee shall at once refer the claim
37 to the commissioner who shall at the request of the claimant
38 fix a time and place for hearing evidence of and against
39 such claim and give reasonable notice of such time and
40 place to the claimant and the party objecting. All hear-
41 ings on disputed claims shall be completed within seven
42 days after the last day on which claims may be presented

43 to the trustee, unless for good cause shown the commissioner
44 extends the time for such hearings.

Sec. 7. *Liens Requiring or Not Requiring Proof; Waiver
2 by Lienor; Delinquent Taxes.* Creditors holding valid liens
3 of the following character on property belonging to the estate,
4 to-wit: vendor's lien reserved in a deed duly recorded; lien
5 created by deed of trust or mortgage, duly recorded, on real
6 or personal property; judgment lien on real estate, duly dock-
7 eted in the county in which the real estate is situated; lien on
8 personal property created by execution, duly docketed in the
9 county in which the property is located; reservation of title
10 contained in conditional sales contract, duly filed, need not file
11 proof of their said secured claims with the trustee, and in the
12 event they do not do so the property affected shall be sold by
13 the trustee subject to any such liens; but if said creditors file
14 proofs of their secured claims with the trustee and request that
15 the property affected shall be sold by the trustee free of said
16 liens and deliver to the trustee a consent in writing, duly ac-
17 knowledged in the manner provided for the acknowledg-
18 ment of releases of liens, the trustee may, if he deems it
19 in the best interest of the estate, record said consent in
20 the release book in the office of the clerk of the county
21 court of the county in which the property is located, and
22 sell the property free and clear of the said lien, but the
23 said lien shall attach to the proceeds of the property at
24 the sale, and the trustee shall pay the said proceeds to
25 the secured creditor to the amount of the secured claim,
26 without any deduction for costs of administration. Creditors
27 holding landlord's liens and other liens not included in
28 those mentioned above shall file proof of their claims in
29 the manner and within the time prescribed for proving
30 unsecured claims, otherwise they shall not be recognized
31 or allowed; but if they are properly filed the lien shall
32 attach to the proceeds of the sale of the property covered
33 thereby. The trustee may sell property belonging to the
34 estate subject to delinquent taxes, or may sell free of taxes,
35 and pay the same, but no proof of delinquent taxes need
36 be filed with the trustee.

Sec. 8. *First Meeting of Creditors; Substitute Trustee.* The commissioner of accounts shall preside over the first meeting of the creditors which shall be held not less than ten nor more than twenty days after the date of the first publication of the notice thereof by the trustee. The assignor and the trustee shall attend the meeting, and either or both of them may be publicly examined at the meeting at the instance of any creditor. The creditors shall at the meeting take such steps as may be pertinent and necessary for the promotion of the best interests of the estate, and the meeting may be adjourned from time to time if the creditors see fit. If a majority in number and amount of all the unsecured creditors of the assignor, including those absent as well as those present, desire that the trustee named in the assignment shall not serve, at the first meeting of the creditors such a majority may elect a substitute trustee who shall have all the rights, powers and duties conferred upon the trustee named in the assignment. The substitute trustee shall qualify by taking the oath and giving a proper bond before the clerk, and a copy of the order appointing the substitute trustee shall be recorded in each county in which the assignment is recorded. Creditors may be represented at meetings by their agents, employees, or attorneys, duly authorized in writing.

Sec 9. *Sales by Trustee; Creditors May Prescribe Manner and Terms; Powers of Commissioner.* At the first meeting of the creditors a majority in number and amount of the creditors present may prescribe in what manner and on what terms the property belonging to the estate shall be sold, and the trustee shall not sell, or otherwise dispose of, any property belonging to the estate prior to the first meeting of the creditors, unless expressly authorized to do so by the commissioner of accounts after good cause therefor has been shown. The trustee shall not sell or otherwise dispose of, the property belonging to the estate for less than seventy-five per cent of its appraised value without the approval of the commissioner. The trustee may compromise or compound any claim or debt belonging to the estate with the approval of the commissioner. All sales by the trustee shall be made at public auction, unless otherwise ordered by the commissioner or authorized by the

17 creditors. The trustee shall give at least ten days' notice by
18 mail to all of the creditors of the time and place of sale of any
19 property belonging to the estate of the value of five hundred
20 dollars, or more, and shall advertise the sale once a week for
21 two successive weeks in some newspaper published in the
22 county, if there be one, unless such notice and advertisement
23 are waived by the creditors at their first meeting. Upon ap-
24 plication to the commissioner, and for good cause shown, the
25 trustee may be authorized to sell any portion of the estate at
26 private sale, in which case he shall keep an accurate record
27 of each article sold, the price received therefor and to whom
28 sold, which account he shall file with the commissioner. Upon
29 application by the trustee or a creditor setting forth that a
30 part or the whole of the estate is perishable, the nature and
31 location of such perishable property, and that there will be
32 loss if the same is not sold immediately, the commissioner, if
33 satisfied, of the facts stated and that the sale is required in
34 the interests of the estate, may order the same to be sold
35 without notice or with such notice as he may direct. Upon
36 application by the trustee or a creditor setting forth that it
37 is for the best interests of the estate that the trustee continue to
38 operate the business, the commissioner may authorize the
39 trustee to operate the business until the first meeting of the
40 creditors, at which meeting a majority in number and amount
41 of the creditors present shall determine whether such oper-
42 ation is to be continued thereafter.

2 *Sec. 10. Trustees Report to Commissioner; Notice to Credit-*
3 *ors of Filing and Meeting.* Within ten days after the last day
4 on which claims may be presented to him the trustee shall file
5 with the commissioner of accounts a report showing the names
6 of the creditors whose claims have not been contested and
7 who have filed proper proofs of claims, and the amounts
8 thereof; the names of the creditors whose claims have been
9 contested, and the amounts thereof; the disposition he has
10 made of the property belonging to the estate; the costs and
11 expenses he has incurred; the amount of money he has on
12 hand and the name of the bank in which it is deposited; the
13 property of the estate not disposed of and his plans for dispos-
 ing of the same. The trustee shall attach to said report all

14 proofs of claims, vouchers, exhibits, accounts, writings, affi-
15 davits and counter-affidavits which have been filed with him.
16 The trustee shall at once notify each creditor who has present-
17 ed a claim that the report has been filed, and that a meeting
18 of the creditors will be held before the commissioner on a date
19 specified in the notice, which date shall not be less than five
20 days after the notice is mailed nor more than ten days after
21 the report is filed.

Sec. 11. *Report by Commissioner; Appeal From Decision;*
2 *Directions to Trustee; Dividends; Closing Trusteeship.* At the
3 meeting of the creditors held following the filing of the trustee's
4 report the commissioner of accounts shall file a report
5 showing how much, if anything, he has allowed on each of the
6 disputed claims. Any party interested may, within ten days
7 thereafter, appeal from the decision of the commissioner to
8 the circuit court of the county without any formal bill of exceptions,
9 and the appeal shall be tried and heard in the circuit
10 court, or before the judge thereof in vacation, on the record
11 made before the commissioner. At the same meeting the commissioner
12 shall approve such expenditures, costs and expenses
13 as he may find necessary and proper in the administration of
14 the estate; shall direct the payment of proper fees and commissions;
15 shall direct the trustee to distribute the funds in his
16 hands belonging to secured creditors; and shall direct the
17 trustee to pay a dividend of an equal per cent on all
18 allowed claims, except such as have priority or are secured.
19 A secured creditor whose claim is in excess of the security
20 held may share in such dividend on such excess only. The
21 trustee shall not pay such dividend until the time has expired
22 within which an appeal may be taken from the decision of the
23 commissioner on a disputed claim, and if any such appeal is
24 pending the trustee shall retain in his hands sufficient money
25 to pay the same dividend thereon, should the claim be allowed
26 on appeal, and shall distribute the remainder to the creditors
27 entitled thereto. After paying any dividend the trustee shall
28 file with the commissioner a copy of a dividend sheet showing
29 to whom the dividend was paid. If all of the property belonging
30 to the estate has not been disposed of at the time of
31

32 said meeting, the trustee shall from time to time make further
33 reports to the commissioner, and the commissioner may di-
34 rect the trustee to pay further costs, expenses, fees and divi-
35 dends. Dividends which are unclaimed for six months shall
36 be distributed among the remaining creditors whose claims
37 have been allowed. After the trustee has disposed of all the
38 property belonging to the estate, and has paid out all of the
39 funds which have come into his hands, he shall without delay
40 make a final report in duplicate to the commissioner show-
41 ing all his receipts and disbursements, and if the commis-
42 sioner finds the same correct and approves it, the commissioner
43 shall enter an order discharging the trustee, a copy of which
44 order the commissioner shall furnish to the surety on the bond
45 of the trustee, and the commissioner shall transmit a copy of
46 said order and a copy of the final report of the trustee to the
47 clerk of the county court to be filed.

3 collect and reduce to money the property belonging to the
4 estate; to keep all funds belonging to the estate on deposit in
5 a sound bank; to report promptly to the creditors any claims

17 shall not occupy the position of relative, creditor, attorney,
18 agent or employee to the assignor, nor an officer of the as-

20 conveyance or transfer be made to such a person it shall not
21 for that reason be void, but shall be deemed to be for the benefit
22 of all the creditors of the assignor, and the clerk, at the request
23 of any party in interest, may refer the estate to a commissioner

24 of accounts who shall proceed to call a meeting of the credit-
25 ors, at which meeting a majority in number and amount of
26 the creditors present shall elect a substitute trustee. Upon the
27 petition of one or more creditors showing misconduct or in-
28 competency of the trustee, or on the petition of the trustee
29 himself, showing sufficient reason therefor, and after due no-
30 tice of not less than five days to the assignor, trustee, the sur-
31 ety on the bond of the trustee, and the creditors whose claims
32 have been filed with the trustee, the commissioner may, after
33 hearing the parties in interest, remove or discharge the trus-
34 tee; and in that event a majority in number and amount of
35 the creditors present shall elect a substitute trustee. If the
36 trustee shall die or become unable to act the commissioner
37 shall call a meeting of the creditors whose claims have been
38 filed with the trustee, after notice of not less than five days,
39 and a majority in number and amount of the creditors present
40 at the hearing shall elect a substitute trustee.

15 bring an action, which he is hereby empowered to maintain,
16 against any person who has received, taken, or in any
17 manner interfered with the estate, property or effects of the
18 debtor, in fraud of his creditors, and which might have been
19 avoided by a creditor of the assignor, and the trustee may re-
20 cover the property so transferred or its value; to require or
21 allow any inventory or schedule filed to be corrected or amend-
22 ed, and require and compel from time to time supplemental

23 inventories or schedules to be made and filed; to determine

27 for; to authorize and approve the payment of costs, expenses,
28 fees and commissions; to declare dividends; to discharge the
29 trustee and his surety after the trustee has properly completed
30 the performance of his duties; to authorize the appointment
31 of an attorney for the trustee if necessary in the best interests
32 of the estate.

28 charged against the accounts of several employers for whom
29 an individual performed employment at the same time.
30 (2) The director may prescribe regulations for the estab-
31 lishment, maintenance, and dissolution of joint accounts by

32 two or more employers, and shall, in accordance with such
33 regulations and upon application by two or more employers
34 to establish such an account, or to merge their several indi-
35 vidual accounts in a joint account, maintain such joint ac-
36 count as if it constituted a single employer's account.

37 (3) The director shall, for the year one thousand nine
38 hundred forty-one and for each calendar year thereafter,
39 classify employers in accordance with their actual experience
40 in the payment of contributions on their own behalf and
41 with respect to benefits charged against their accounts, with
42 a view to fixing such contribution rates as will reflect such
43 experience.

Sec. 10. *Merit Rating; Decreased Rates.* After the require-
2 ments of section nine have been complied with, an employer's
3 payment shall remain two and seven-tenths per cent, until:

4 (1) There have elapsed three years throughout which an
5 individual in his employ could have received benefits if un-
6 employed and eligible.

7 (2) His payments credited to his account for all past years
8 exceed the benefits charged to his account by an amount
9 equal to at least seven and one-half per cent of his average
10 annual payroll, in which case his rate shall be one and eight-
11 tenths per cent.

12 (3) His payments credited to his account for all past
13 years exceed the benefits charged to his account by an
14 amount equal to at least ten per cent of his average annual
15 payroll, in which case his rate shall be nine-tenths of one
16 per cent.

17 The director shall determine an employer's compliance
18 with these requirements.

Sec. 11. *Merit Rating; Increased Rates.* If the total pay-
2 ments credited to an employer's account for all the past pe-
3 riods or the last sixty consecutive calendar months (which-
4 ever period is the more advantageous to the employer) are less
5 than the total benefits charged against his account during the
6 same period, his rate shall be three and six-tenths per cent,
7 unless he shows to the satisfaction of the director that such ex-
8 perience is due to an act of God, fire, or other catastrophe, or
9 act of civil or military authority, directly affecting the place
10 in which individuals were employed by him, in which case the
11 rate shall be two and seven-tenths per cent.

Sec. 12. *Auxiliary Rates.* If the director determines that the
2 above rates work inequities and hardships upon particular in-
3 dividuals or industries he may hold an investigation after
4 proper notice and hearing and establish other rates more in
5 consonance with the risk of each employer and more nearly
6 calculated to increase stabilization of employment. Rates
7 fixed by the director shall be subject to the following lim-
8 itations:

9 (1) The combined rates of all employers shall be calcu-
10 lated to yield approximately two and seven-tenths per cent
11 of the total annual payrolls.

12 (2) The rate for a particular employer shall not be less
13 than two and seven-tenths per cent until there has been
14 three years throughout which an individual in his employ
15 could have received benefits if unemployed and eligible.

Sec. 19. *Adjustments and Refunds.* Within one year after
2 the date on which payment or interest thereon is due, an em-
3 ployer, who has paid such payment or interest, may make ap-
4 plication for:

5 (1) An adjustment thereof in connection with subsequent
6 payments.

7 (2) A refund thereof if adjustment cannot be made.

8 If the director determines that payments and interest were
9 erroneously collected, he shall make the adjustment without
10 interest, in connection with subsequent payments of the em-
11 ployer, or if such adjustment cannot be made, refund the
12 amount without interest from the clearing account of the un-
13 employment compensation fund.

14 For like cause and within the same period the director, on
15 his own initiative, may make an adjustment or refund.

Article 6. Employee Eligibility; Benefits.

Section

1. Eligibility qualifications.
2. Waiting period construed.
3. Extension of employment period.
4. Disqualification for benefits.
8. Payment of benefits
10. Amount of benefits; total unemployment.
11. Amount of benefits; partial unemployment.
12. Ratio of benefits.
13. Method of charging benefits.

Section 1. *Eligibility Qualifications.* An unemployed individual shall be eligible to receive benefits, only if the director finds that:

(1) He has registered for work at and thereafter continues to report at an employment office in accordance with the regulations of the director.

(2) He has made a claim for benefits in accordance with the provisions of article seven of this chapter.

(3) He is able to work, and is available for work.

(4) He has been totally unemployed for a waiting period of two weeks prior to the week for which he claims benefits for total unemployment (and for the purposes of this subsection two weeks of partial unemployment shall be deemed to be equivalent to one week of total unemployment).

(5) He has within the first three out of the last four completed calendar quarters immediately preceding the first day of his benefit year, earned wages for employment by employers equal to not less than twelve times his weekly benefit amount.

Sec. 2. *Waiting Period Construed.* The waiting period of two weeks need not be consecutive but may be accumulated during the thirteen consecutive weeks preceding the week for which benefits are claimed. This requirement shall not interrupt the payment of benefits for consecutive weeks of unemployment; but the waiting period must occur after benefits could first become payable to an individual under this chapter: *Provided further,* That no individual shall be required to accumulate more than five waiting period weeks during any sixty-five consecutive week period.

During the waiting period the individual must be eligible in all respects except for the requirements of subsections two and five, section one of this article.

No week shall be counted toward the waiting period if benefits have been paid with respect thereto.

Sec. 3. *Extension of Employment Period.* If the director finds that during the qualifying period specified by subsection (5) of section one of this article, an individual has been:

(1) Incapable of work because of some physical or mental disability; (2) engaged in self-employment; or (3) engaged

6 in the performance of services not subject to this chapter;
7 the qualifying period shall be extended by the duration of
8 the incapacity, self-employment or services. No such ex-
9 tensions shall exceed four additional calendar quarters.

Sec. 4. *Disqualification for Benefits.* Upon the determination
2 of the facts by the director, an individual shall be disqualified
3 for benefits:

4 (1) For the week in which he left work voluntarily with-
5 out good cause and for not less than one nor more than five
6 weeks which immediately follow.

7 (2) For the week in which he has been discharged for mis-
8 conduct connected with his work and for not less than one nor
9 more than nine weeks which immediately follow.

10 (3) For the week in which he failed without good cause, to
11 apply for available suitable work, accept suitable work when
12 offered, or return to his customary self employment when di-
13 rected to do so by the director and for not less than one nor
14 more than five weeks which immediately follow.

15 (4) For a week in which his total or partial unemploy-
16 ment is due to a stoppage of work which exists because
17 of a labor dispute at the factory, establishment, or other
18 premises at which he was last employed, unless the director
19 is satisfied that he was not (a) participating, financing,
20 or directly interested in such dispute, and (b) did not
21 belong to a grade or class of workers who were participating,
22 financing, or directly interested in the labor dispute which
23 resulted in the stoppage of work.

24 (5) For a week with respect to which he is receiving or
25 has received:

26 (a) Wages in lieu of notice; (b) compensation for tempo-
27 rary partial disability under the workmen's compensation
28 law of any state or under a similar law of the United States;
29 (c) old age benefits under title II of the social security
30 act or similar payments under any act of congress.

Sec. 8. *Payment of Benefits.* Benefits shall become payable
2 from the fund twenty-four months after the first day when
3 payments first accrue.

4 Benefits shall be payable only with respect to unemploy-
5 ment occurring after expiration of such twenty-four months.

Sec. 10. *Amount of Benefits; Total Unemployment.* Each
2 eligible individual who is totally unemployed in any week
3 shall be paid benefits with respect to that week at the rate of
4 fifty per cent of his full time weekly wage, but no more than
5 fifteen dollars per week nor less than five dollars or three-
6 fourths of his full time weekly wage, whichever is the lesser.

Sec. 11. *Amount of Benefits; Partial Unemployment.* An
2 eligible individual who is partially unemployed in any week
3 shall be paid with respect to such week a partial benefit. Such
4 partial benefit shall be an amount equal to the difference be-
5 tween his weekly benefit amount and five-sixths of his wages
6 (as used in the definition of "total and partial unemploy-
7 ment" in section three, article one of this act) for such week.
8 If such partial benefit for any week equal less than two
9 dollars it shall not be payable unless and until the accumu-
10 lated total of such partial benefits with respect to weeks
11 occurring within the thirteen preceding weeks equal two
12 dollars or more.

Sec. 12. *Ratio of Benefits.* (1) The full time weekly wage
2 of any individual means the weekly wages that such individual
3 would receive if he were employed at the most recent wage
4 rate earned by him for employment by an employer during
5 the period prescribed pursuant to paragraph (3) of this sub-
6 section, and for the customary scheduled full time weekly
7 hours prevailing for his occupation in the enterprise in which
8 he last earned wages for employment by an employer during
9 the same period.

10 (2) If the director finds that the full time weekly wage,
11 as above defined, would be unreasonable or arbitrary or not
12 readily determinable with respect to any individual, the
13 full time weekly wage of such individual shall be deemed
14 to be one-thirteenth of his total wages for employment by
15 employers during that quarter in which such total wages
16 were highest during the period prescribed pursuant to
17 paragraph (3) of this section.

18 (3) The full time weekly wage of any individual shall
19 be determined and redetermined at such reasonable times
20 as the director may find necessary to administer this act
21 and may by regulations prescribe. The period hereinabove
22 referred to shall consist of the next to the last completed
23 calendar quarter immediately preceding the date with re-
24 spect to which an individual's full time weekly wage is
25 determined, and such of the seven immediately preceding
26 consecutive calendar quarters as the director may by regula-
27 tion prescribe.

Sec. 13. *Method of Charging Benefits.* The director shall
2 compute wage credits for each individual by crediting him
3 with the wages earned by him for employment by employers
4 during each quarter, or three hundred ninety dollars, which-
5 ever is the lesser. Benefits paid to any eligible individual shall
6 be charged, in the same chronological order as such wages
7 were earned, against one-sixth of his wage credits which are
8 based upon wages earned during his base period and which
9 have not been previously charged hereunder. The maximum
10 total amount of benefits payable to any eligible individual dur-
11 ing any benefit year shall not exceed whichever is the lesser of
12 (1) twelve times his weekly benefit amount, and (2) one-
13 sixth of such uncharged wage credits with respect to his base
14 period.

Article 7. Claim Procedure.

Section

2. Display of regulations.
4. Initial determination by deputy.

8. Appeals; notice of decision by appeal tribunal.

Sec. 2. *Display of Regulations.* An employer shall post and
2 maintain in places readily accessible to individuals in his ser-
3 vice the claim procedure regulations prescribed by the direct-
4 or. At the time any such individual becomes unemployed, an
5 employer shall furnish such individual with a copy of the
6 regulations. The director shall provide an employer copies of
7 the regulations without cost.

Sec. 4. *Initial Determination by Deputy.* A deputy shall
2 promptly investigate a claim and shall, after the establishment

3 of the facts, determine whether or not such claim is valid ; and,
4 if valid, shall determine :

5 (1) The week with respect to which benefits will commence.

6 (2) The amount of benefit.

7 (3) The maximum duration of benefits.

8 The deputy, then, shall promptly notify the claimant and
9 interested parties of his findings and decisions.

Sec. 6. *Board Procedure in Referred Cases.* The board shall
2 follow the same procedure in referred cases as in disputed
3 cases. The board shall upon such findings and such additional
4 evidence as it may procure make and transmit to the deputy
5 a decision, which shall be deemed the decision of the deputy.

6 The deputy shall promptly notify the claimant and inter-
7 ested parties of the findings and decisions.

Sec. 8. *Appeals; Notice of Decision by Appeal Tribunal.* Up-
2 on reference by the board, or a deputy, or upon appeal from
3 the determination of a deputy, an individual shall be entitled
4 to a fair hearing and reasonable opportunity to be heard be-
5 fore an appeal tribunal as provided in section seven of this
6 article.

7 Upon a consideration of all the evidence the appeal tribunal
8 shall make a decision, and shall notify the parties of its find-
9 ings and decision.

72 is located wholly within this state.

73 Any employee within the meaning of this chapter whose
74 employment necessitates his temporary absence from this
75 state in connection with such employment, and such absence
76 is directly incidental to carrying on an industry in this state,
77 who shall have received injury during such absence in the
78 course of and resulting from his employment, shall not be
79 denied the right to participate in the workmen's compensa-
80 tion fund.

Sec. 4. *Classification of Industries; Accounts By Commis-*
2 *sioner; Rate of Premiums.* The commissioner shall distribute
3 into groups or classes the industries subject to this chapter,
4 in accordance with the nature of the business and the degree
5 of hazard incident thereto. And the commissioner shall have
6 power, in like manner, to reclassify such industries into
7 groups or classes at any time, and to create additional groups
8 or classes. The commissioner may make necessary expendi-
9 tures to obtain statistical and other information to establish

10 the classes provided for in this section.

11 The commissioner shall keep an accurate account of all
12 money or moneys paid or credited to the compensation fund,
13 and of the liability incurred and disbursements made against
14 same; and an accurate account of all money or moneys re-
15 ceived from each individual subscriber, and of the liability in-
16 curred and disbursements made on account of injuries and
17 death of the employees of each subscriber, and of the receipts
18 and incurred liability of each group or class.

19 In fatal cases and permanent disability cases exceeding
20 eighty-five per cent disability, the amount charged against
21 the employer's account shall be such sum as is estimated to be
22 the average cost of such cases to the fund; provided the
23 commissioner decides that the injury or injuries causing
24 death or permanent disability were received in the course of
25 and resulting from the employee's employment.

26 It shall be the duty of the commissioner to fix and maintain
27 the lowest possible rates of premiums consistent with the
28 maintenance of a solvent workmen's compensation fund and
29 the creation and maintenance of a reasonable surplus in each
30 group after providing for the payment to maturity of all
31 liability incurred by reason of injury or death to employees
32 entitled to benefits under the provisions of this chapter. A
33 readjustment of rates shall be made yearly on the first day
34 of July, or at any time the same may become necessary. The
35 determination of the lowest possible rates of premiums with-
36 in the meaning hereof and of the existence of any surplus or
37 deficit in the fund, shall be predicated solely upon the ex-
38 perience and statistical data compiled from the records and
39 files in the commissioner's office under this and prior work-
40 men's compensation laws of this state for the period from
41 the first day of June, one thousand nine hundred thirteen, to
42 the nearest practicable date prior to such adjustment: *Pro-*
43 *vided, however,* That any expected future return, in the na-
44 ture of interest or income from invested funds, shall be predi-
45 cated upon the average realization from investments to the
46 credit of the compensation fund for the two years next pre-
47 ceding. Any reserves set up for future liabilities and any
48 commutation of benefits shall likewise be predicated solely up-
49 on prior experience under this and preceding workmen's
50 compensation laws and upon expected realization from in-

51 vestments determined by the respective past periods, as
52 aforesaid.

53 The commissioner may fix a rate of premiums applicable
54 alike to all subscribers forming a group or class, and such
55 rates shall be determined from the record of such group or
56 class shown upon the books of the commissioner: *Provided*,
57 That if any group has a sufficient number of employers
58 with considerable difference in their degrees of hazard, the
59 commissioner may fix a rate for each subscriber of such
60 group, such rate to be based upon the subscriber's record
61 on the books of the commissioner for the twelve months last
62 ending June thirtieth of the year in which the rate is to be-
63 come effective; and the liability part of such record shall in-
64 clude such cases as have been acted upon by the commissioner
65 during such twelve months' period, irrespective of the date
66 the injury was received; and any subscriber in a group so
67 rated, whose record for such twelve months' period cannot be
68 obtained, shall be given a rate based upon his record for any
69 part of such period or such rate as may be deemed just and
70 equitable by the commissioner; and the commissioner shall
71 have authority to fix a reasonable minimum and maximum
72 for any group to which this individual method of rating is
73 applied, and to add to the rate determined from the subscrib-
74 er's record such amount as necessary to liquidate any deficit
75 in the schedule or to create a reasonable surplus.

76 It shall be the duty of the commissioner, whenever he
77 changes any rate, to notify every employer affected thereby
78 of that fact and of the new rate and when the same takes
79 effect. It shall also be his duty to furnish to each employer
80 yearly, or oftener if requested by the employer, a statement
81 giving the name of each of his employees who were paid for
82 injury and the amount so paid during the period covered by
83 the statement.

2 Sec. 8. *Election Not to Pay or Default in Payment of*
3 *Premiums; Defenses to Action Not Available.* All employers
4 subject to this chapter (except the State of West Virginia and
5 political subdivisions thereof) who shall not have elected to pay
6 into the workmen's compensation fund the premiums provided
7 by this chapter and have not elected to pay individually and di-
8 rectly or from benefit funds, compensation and expenses to
injured employees or fatally injured employees' dependents

9 under the provisions of section nine, article two of this chap-
10 ter, or, having so elected, shall be in default in the payment of
11 the same or not having otherwise fully complied with the pro-
12 visions of section five or section nine of this article, shall be
13 liable to their employees (within the meaning of this article)
14 for all damages suffered by reason of accidental personal in-
15 juries or accidental death sustained in the course of and re-
16 sulting from their employment, and in any action by any
17 such employee or personal representative thereof, such de-
18 fendant shall not avail himself of the following common law
19 defenses: The defense of the fellow-servant rule; the de-
20 fense of the assumption of risk; or the defense of contribu-
21 tory negligence; and further, shall not avail himself of any
22 defense that the negligence in question was that of someone
23 whose duties are prescribed by statute, provided no action
24 shall lie, and no recovery shall be had, against casual em-
25 ployers as hereinafter defined, without allegation and proof
26 that such accidental personal injuries or accidental death
27 were caused by the wrongful act, neglect or default of the
28 employer, or any of the employer's officers, agents or em-
29 ployees. Casual employers within the meaning hereof shall
30 be those employing at the time of such accidental personal in-
31 juries or accidental death, in and about the operation or work
32 in which such accidental injuries or death occurred, less
33 than ten employees, and those employers employing more than
34 ten employees, who have not conducted the operation or busi-
35 ness in which accidental injuries or death occurred, for more
36 than sixty days prior to such accidental injuries or death.

Section 2. Disbursement Where Injury is Self-Inflicted;

2 When Intentionally Caused by Employer; Rules and Safety

3 *Appliances.* Notwithstanding anything hereinbefore or herein-
4 after contained, no employee or dependent of any employee
5 shall be entitled to receive any sum from the workmen's com-
6 pensation fund, or to direct compensation from any employer
7 making the election and receiving the permission mentioned
8 in section nine, article two of this chapter, or otherwise under
9 the provisions of this chapter, on account of any personal
10 injury to or death of any employee caused by a self-inflicted
11 injury, wilful misconduct, wilful disobedience to such rules
12 and regulations as may be adopted by the employer and ap-
13 proved by the commissioner, and which rules and regulations
14 have been and are kept posted in conspicuous places in and
15 about the work, or the intoxication of such employee, or the
16 failure of such employee to use or make use of any protective
17 or safety appliance or appliances prescribed by the commis-
18 sioner and furnished by the employer for the use of or ap-
19 plicable to such employee. For the purpose of this chapter
20 and to prevent accidents to employees, the commissioner may
21 require all employers to adopt rules, which have been ap-
22 proved by him, for the protection and safety of their em-
23 ployees and keep the same posted in conspicuous places in
24 and about the work; and the commissioner may require em-
25 ployers to install, use or adopt such protective or safety ap-
26 pliance or appliances as in the commissioner's opinion are
27 necessary for the protection of the employees. If injury or
28 death result to any employee from the deliberate intention
29 of his employer to produce such injury or death, the em-
30 ployee, the widow, widower, child or dependent of the em-
31 ployee shall have the privilege to take under this chapter, and
32 shall also have cause of action against the employer as if this
33 chapter had not been enacted for any excess of damages over
34 the amount received or receivable under this chapter.

Sec. 3-b. *Disbursements for Medical Treatment, Etc.*

2 Payment for such medicine, medical, surgical, dental, hospital
3 treatment, crutches, artificial limbs and such other and ad-
4 ditional approved mechanical appliances authorized under
5 subdivision (a) hereof may be made to the injured employee,
6 or to the person or persons who have furnished such service,
7 or who have advanced payment for same, as the commissioner
8 may deem proper, but no such payments or disbursements

9 shall be made or awarded by the commissioner unless duly
10 verified statements on forms prescribed by the commissioner,
11 shall be filed with the commissioner within three months
12 from the time such services or appliances were authorized by
13 the commissioner.

Sec. 6-e. *Classification of Disability Benefits.* The total loss
2 of one eye, or the total and irrevocable loss of the sight thereof,
3 shall be considered a thirty-three per cent disability, and the
4 injured employee shall be entitled to compensation for a
5 period of one hundred and thirty-two weeks;

6 For the partial loss of vision in one, or both eyes, the per-
7 centage of disability shall be determined by the commissioner,
8 using as a basis the total loss of one eye;

9 Should a claimant to whom has been made a permanent
10 partial award of less than eighty-five per cent for one of the
11 specific disabilities as set forth in subdivision (d) and sub-
12 division (e) hereof die from sickness or non-compensable in-
13 jury, the unpaid balance of such award shall be paid to claim-
14 ant's dependents as defined in this chapter, if any; such pay-
15 ment to be in the same installments that would have been paid
16 to claimant if living: *Provided, however,* That no payment
17 shall be made to any widow of such claimant after her re-
18 marriage, but this liability shall not accrue to the estate of
19 such claimant and shall not be subject to any debts of, or
20 charges against, said estate.

Sec. 8. *Physical Examination of Claimant; Expenses.*
2 The commissioner shall have authority, after due notice to the
3 employer and claimant, whenever in his opinion it shall be
4 necessary, to order a claimant to appear for examination be-
5 fore a medical examiner selected by the commissioner; and the
6 claimant and employer, respectively, shall each have the right
7 to select a physician of his or its own choosing and at his or its
8 own expense to participate in such examination. The claim-
9 ant and employer shall, respectively, be furnished with a copy
10 of the report of examination made by the medical examiner
11 selected by the commissioner. The claimant shall also be en-
12 titled to reasonable traveling and other expenses necessarily
13 incurred by him in obeying said order, which shall be paid out
14 of the amount allowed under this chapter for medical, surgi-
15 cal, dental and hospital treatment. The respective physicians

16 selected by the claimant and employer shall have the right to
17 concur in any report made by the medical examiner selected
18 by the commissioner, or each may file with the commissioner a
19 separate report. Any report filed by the physician of the
20 claimant or the physician of the employer shall be considered
21 by the commissioner in passing upon the claim.

Sec. 9. *Physical and Vocational Rehabilitation.* In cases
2 where an employee has sustained a permanent disability, or
3 has sustained injuries likely to result in permanent disability,
4 and such fact has been determined by the commissioner, and
5 the employee can be physically and vocationally rehabilitated
6 and returned to remunerative employment by vocational train-
7 ing, by the use of crutches, artificial limbs, and/or other ap-
8 proved mechanical appliances, or by medicines, medical, sur-
9 gical, dental or hospital treatment, the commissioner shall
10 forthwith, after due notice to the employer, expend such an
11 amount as may be necessary for the aforesaid purposes, not,
12 however, in any case, to exceed the sum of eight hundred dol-
13 lars. No payment, however, shall be made for such purposes as
14 provided by this section unless authorized by the commissioner
15 prior to the rendering of such treatment.

Sec. 9-a. *Charge and Credit to Subscriber in Case of To-
2 tal Permanent Disability.* Where an employee in the course
3 of and resulting from his employment has suffered the loss, or
4 loss of use of a hand, arm, foot, leg or eye, and receives, in the
5 course of and resulting from his employment while employed
6 by the same employer, injury resulting in total permanent
7 disability, the commissioner in estimating the total cost of
7 such permanent total disability shall allow the subscriber
8 credit on his account for the partial permanent disability al-
9 ready received. Where an employee, in the course of and re-
10 sulting from his employment, has suffered the loss, or loss of
11 use of a hand, arm, foot, leg or eye, and in the event of
12 subsequent accidental injury received in the course of and re-
13 sulting from his employment while employed by another em-
14 ployer, resulting in total permanent disability, the cost of
15 such total permanent disability shall be paid by the commis-
16 sioner out of any funds in his hands and at his disposal, after
17 charging to said last employer an amount equal to the partial

18 permanent disability attributable to the last injury, independ-
19 ently of the pre-existing impairment.

Sec. 9-b. *Waiver by Employee Having Physical Impairment.*

2 Where an employee has a definitely ascertainable physical im-
3 pairment originating otherwise than from an injury received
4 in the course of and resulting from employment, such impair-
5 ment, and the effect thereof, in case of injury as hereinafter
6 set forth and any aggravation thereof on account of such in-
7 jury, may be waived by said employee, notwithstanding any
8 other provisions of this chapter, but such waiver shall be in
9 the manner hereinafter provided. If said physical impair-
10 ment shall be so waived, then in the event that such employee
11 shall thereafter receive an injury in the course of and resulting
12 from his employment, such physical impairment, and the ef-
13 fects thereof, and any aggravation thereof, shall not be taken
14 into consideration in fixing the amount of compensation
15 allowed by reason of such injury, and such compensation shall
16 be awarded only in the amount that would have been allow-
17 able had such employee not had such pre-existing physical im-
18 pairment. A waiver, in order to be valid under this section,
19 shall meet the following requirements: (1) It shall be in writ-
20 ing, signed prior to injury by the employee, and either ac-
21 knowledged before an officer duly qualified to administer oaths
22 in this state, or be witnessed by two persons, neither of whom
23 shall be the employer, or any officer or director of employer;
24 (2) It shall be accompanied by a certificate of a duly licensed
25 physician of this state or of another state, not connected with
26 the employer, which certificate shall contain a statement that
27 such physician has examined the said employee, has found
28 such impairment to exist, that such impairment is definitely
29 ascertainable, and a statement of the character and nature of
30 such impairment.

Sec. 14. *Computation of Benefits.* The average weekly
2 wage earnings, wherever earned, of the injured person at
3 the time of the injury, shall be taken as the basis upon which
4 to compute the benefits. The time of injury within the mean-
5 ing of this section shall be sixty days. six months, or twelve
6 months immediately preceding the date of the injury, which-
7 ever is most favorable to the injured employee.

Sec. 15-a. *Benefits to Nonresident Alien Beneficiaries.* Notwithstanding any other provisions of this chapter, benefits payable under any of the provisions of this chapter and commutation of periodical benefits payable under the provisions of section seventeen of this article to nonresident alien beneficiaries, shall be at the rate of one-half of like benefits or commutation of periodical benefits payable to resident beneficiaries. Nonresident alien beneficiaries within the meaning hereof shall mean persons not citizens of the United States residing outside of the territorial limits of the United States at the time of the injury with respect of which such benefits are paid. In case of such nonresident alien beneficiaries, the commissioner in his discretion may make, and such beneficiaries shall be required to accept, commutation of such benefits into a lump sum settlement and payment at the rate of one-half of like benefits to resident beneficiaries.

Sec. 17. *Commutation of Periodical Benefits.* The commissioner, under special circumstances and when the same is deemed advisable, may commute periodical benefits to one or more lump sum payments. Upon the application of any claimant who has received an award of partial or total disability, who is not a citizen of the United States and desires to reside permanently beyond the territorial limits of the United States, or upon the application of an alien dependent of a deceased employee with respect of whose death award of compensation has been made, such dependent residing in the territorial limits of the United States at the time of decedent's death, and desiring to reside permanently beyond such territorial limits of the United States, the commissioner may commute into one lump sum payment the periodical payments to which such claimant or dependent would be entitled, but at the rate of one-half the amount that would be payable to a citizen of the United States under like circumstances, and such lump sum payment at the rate aforesaid shall discharge all liability with respect of said award, but in no event shall such award be paid until such claimant or dependent shall have actually arrived and domiciled himself or herself outside the territorial limits of the United States, except a sufficient portion of said award to pay transportation and other necessary expenses.

Article 5. Review of Commissioner's Finding; Appeal Board.**Section**

1. Hearing on commissioner's finding; appeal.
2. Workmen's compensation appeal board.
3. Appeals to and hearings by board.
4. Appeals from final decisions of board.
5. Fees of attorney for claimant.

Section 1. *Hearing on Commissioner's Findings; Appeal.*

2 The commissioner shall have full power and authority to hear
3 and determine all questions within his jurisdiction, but upon
4 the making or refusing to make any award, or upon the making
5 or refusing to make any modification or change with respect to
6 former findings or orders, as provided by section sixteen, ar-
7 ticle four of this chapter, the commissioner shall give notice, in
8 writing, to the employer, employee, claimant, or dependent,
9 as the case may be, of his action, which notice shall state the
10 time allowed for filing an objection to such finding, and such
11 action of the commissioner shall be final unless the employer,
12 employee, claimant or dependent shall, within thirty days af-
13 ter the receipt of such notice, object, in writing, to such find-
14 ing. Upon receipt of such objection the commissioner shall,
15 within thirty days from the receipt thereof, set a time and
16 place for the hearing of evidence. Any such hearing may be
17 conducted by the commissioner or his duly authorized repre-
18 sentative at the county seat of the county wherein the injury
19 occurred, or at any other place which may be agreed upon by
20 the interested parties, and in the event the interested parties
21 cannot agree, and it appears in the opinion of the commissioner
22 that the ends of justice require the taking of evidence else-
23 where, then at such place as the commissioner may direct, hav-
24 ing due regard for the convenience of witnesses. Both the em-
25 ployer and claimant shall be notified of such hearing at least
26 ten days in advance, and the hearing shall be held within sixty
27 days after the filing of objection to the commissioner's finding
28 as hereinabove provided, unless such hearing be postponed by
29 agreement of the parties or by the commissioner for good
30 cause. The evidence taken at such hearing shall be transcribed
31 and become part of the record of the proceedings, together with
32 the other records thereof in the commissioner's office. At any
33 time within sixty days after hearing, if the commissioner is of

34 opinion that the facts have not been adequately developed at
35 such hearing, he may order supplemental hearing upon due no-
36 tice to the parties. After final hearing the commissioner shall,
37 within sixty days, render his decision affirming, reversing or
38 modifying his former action, which shall be final: *Provided,*
39 *however,* That the claimant or the employer may apply to the
40 appeal board herein created for a review of such decision;
41 but no appeal or review shall lie unless application therefor
42 be made within thirty days of receipt of notice of the com-
43 missioner's final action, or in any event within sixty days of
44 the date of such final action, regardless of notice.

Sec. 2. *Workmen's Compensation Appeal Board.* There is
2 hereby created a board to be known as the "Workmen's Com-
3 pensation Appeal Board," which shall be referred to in this ar-
4 ticle as the "Board," to be composed of three members, none
5 of whom shall be a contributor to the compensation fund or in
6 any way connected with a contributor thereto, and none of
7 whom shall be a beneficiary of the compensation fund or in
8 any way connected with the beneficiary thereof. Two members
9 of such board shall be of opposite politics to the third, and
10 all three shall be citizens of this state who have resided therein
11 for a period of at least five years. All members of said board
12 shall be appointed by the Governor for a term of six years,
13 except that the persons first appointed under this act shall be
14 appointed to serve, one for two, one for four and one for six
15 years. The Governor is hereby vested with power to remove
16 any member of the board according to section four, article
17 four, chapter six of this code. The members of such board
18 shall be paid for their services a compensation of twenty dol-
19 lars per day for each day they are in session, which shall be
20 the total compensation, including any and all expenses, of
21 such member or members. The Governor shall designate one of
22 the members of said board as chairman thereof, and said board
23 shall meet at the capitol or at such other places throughout the
24 state as it may determine in regular sessions to be fixed by the
25 board. No more than six sessions shall be held during any one
26 year and no session shall continue more than twenty consecu-
27 tive calendar days. All clerical services required by the board
28 shall be paid for by the compensation commissioner from any
29 funds at his disposal. The board shall, from time to time, com-

30 pile and promulgate such rules of practice and procedure as to
31 it shall appear proper for the prompt and efficient discharge
32 of its business, and such rules shall be submitted to the su-
33 preme court of appeals for approval, and if approved by said
34 court shall have the same force and effect as the approved
35 rules of procedure of circuit courts.

Sec. 3. *Appeal to and Hearings by Board.* Any employer,
2 employee, claimant, or dependent, who shall feel aggrieved at
3 any final action of the commissioner taken after a hearing held
4 in accordance with the provisions of section one of this article,
5 shall have the right to appeal to the board created in section
6 two of this article for a review of such action. The aggrieved
7 party shall file a written notice of appeal with the compen-
8 sation commissioner, directed to said board, within thirty days
9 after receipt of notice of the action complained of, or in any
10 event, regardless of notice, within sixty days after the date of
11 the action complained of, and the commissioner shall notify
12 the other party immediately upon the filing of said notice of
13 appeal. The commissioner shall forthwith make up a tran-
14 script of the proceedings before him and certify and transmit
15 the same to the board. In such certificate, he shall incorporate
16 a brief recital of the proceedings therein had and recite each
17 order entered and the date thereof. The board shall review
18 the action of the commissioner complained of at its next meet-
19 ing after the filing of notice of appeal, provided said notice
20 of appeal shall have been filed thirty days before said meet-
21 ing of the board, unless such review be postponed by agree-
22 ment of parties or by the board for good cause. The board
23 shall set a time and place for the hearing of arguments on
24 each claim and shall notify the interested parties thereof, and
25 briefs may be filed by the interested parties in accordance
26 with the rules of procedure prescribed by the board. And
27 thereupon, after a review of the case, the board shall sustain
28 the finding of the commissioner or enter such order or make
29 such award as the commissioner should have made and shall
30 thereupon certify the same to the commissioner, who shall
31 proceed in accordance therewith. Or, instead of affirming
32 or reversing the commissioner as aforesaid, the board may,
33 upon motion of either party or upon its own motion, remand
34 said cause to the commissioner for the taking of such new,
35 additional or further evidence as in the opinion of the board

36 may be necessary for a full and complete development of
37 the facts of the case. In the event the board shall remand
38 the cause to the commissioner for the taking of further evi-
39 dence therein, the commissioner shall proceed to take such
40 new, additional or further evidence in accordance with any
41 instructions given by the board, and shall take the same
42 within thirty days after receipt of the order remanding the
43 case, giving to the interested parties at least ten days' notice
44 of such supplemental hearing, unless the taking of evidence
45 shall be postponed by agreement of parties, or by the com-
46 missioner for good cause. After the completion of such sup-
47 plemental hearing the commissioner shall, within sixty days,
48 render his decision affirming, reversing or modifying his
49 former action, which decision shall be appealable to, and
50 proceeded with by the appeal board in like manner as in the
51 first instance. The board may remand any cause as often as
52 in its opinion is necessary for a full development and just
53 decision of the case. The board may take evidence or consider
54 ex parte statements furnished in support of any motion to
55 remand the cause to the commissioner. All evidence taken by
56 or filed with the board shall become a part of the record. All
57 appeals from the action of the commissioner shall be de-
58 cided by said board at the same session at which they are
59 heard, unless good cause for delay thereof be shown and en-
60 tered of record. In all proceedings before the board, either
61 party may be represented by counsel.

Sec. 4. *Appeals From Final Decisions of Board.* From any
2 final decision of the board, an application for review may be
3 prosecuted by either party, or by the commissioner, to the su-
4 preme court of appeals within thirty days from the date there-
5 of by the filing of a petition therefor to said court against the
6 board and the adverse party (claimant or employer, as the
7 case may be) as respondents, and the clerk of said court shall
8 notify each of said respondents and the commissioner of the
9 filing of such petition. The board shall, within ten days after
10 receipt of such notice, file with the clerk of said court the rec-
11 ord of the proceedings had before it, including all the evi-
12 dence. The court or any judge thereof in vacation may there-
13 upon determine whether or not a review shall be granted. And
14 if granted to a nonresident of this state, he shall be required
15 to execute and file with the clerk before such order of review

16 shall become effective, a bond, with security to be approved
17 by the clerk, conditioned to perform any judgment which may
18 be awarded against him thereon. The board may certify to
19 said court and request its decision of any question of law
20 arising upon the record, and withhold its further proceeding
21 in the case, pending the decision of the court on the certified
22 question, or until notice that the court has declined to docket
23 the same. If a review be granted or the certified question be
24 docketed for hearing, the clerk shall notify the board and the
25 parties litigant or their attorneys and the commissioner, of
26 that fact by mail. If a review be granted or the certified
27 question docketed, the case shall be heard by said court in the
28 same manner as in other cases, except that neither the record
29 nor briefs need be printed. Every such review granted or
30 certified question docketed prior to thirty days before the be-

36 proceedings on petition, including a reasonable attorney's
37 fee, not exceeding thirty dollars to the claimant's attorney,
38 shall be fixed by the court and taxed against the employer if
39 the latter be unsuccessful, and if the claimant, or the com-

8 in the county of which such sheriff is an officer. A sheriff
9 so collecting taxes due hereunder shall be entitled to com-
10 pensation in the amount of all penalties collected over and
11 above the principal amount of the tax due, but in no case
12 shall such compensation exceed twenty-five dollars. All taxes

20 such certificate, certifying to the payment in full of such
21 delinquent taxes, shall constitute a release and full discharge
22 of said lien.

2 Sec. 10-b. *Collection by Distraint.* The tax commissioner
3 may distraint upon any goods, chattels or intangibles repre-
4 sented by negotiable evidences of indebtedness, of any tax-
5 payer delinquent under this article for the amount of all taxes
6 and penalties accrued. The commissioner may require the
7 assistance of the sheriff of any county of the state in levying
8 such distress in the county of which such sheriff is an of-
9 ficer. A sheriff so collecting taxes due hereunder shall be en-
10 titled to compensation in the amount of all penalties collect-

6 the price to the consumer. A person who violates this provis-
7 ion shall be guilty of a misdemeanor and upon conviction shall
8 be punishable by a fine of not less than fifty, nor more than
9 one thousand dollars, or imprisonment in the county jail for
10 not exceeding one year, or both, in the discretion of the court.

Sec. 12. *Agreements by Competing Taxpayers.* To provide
2 uniform methods of adding the average equivalent of the tax
3 to the selling price in each sale or transaction subject to the
4 tax, appropriate rules and regulations, except as otherwise
5 herein provided, may be agreed upon or adopted by competing
6 taxpayers or associations of taxpayers, except that all collec-
7 tions shall be made on the basis of the total transaction at the
8 time of sale, without regard to the value of the separate
9 items making up the total amount of the sale. Such rules and
10 regulations, if they do not involve price fixing, shall not be
11 deemed illegal as in restraint of trade or commerce. The tax
12 commissioner shall cooperate in formulating such rules and
13 regulations, and, in the event appropriate rules and regu-
14 lations are not submitted to him within thirty days after this

3 at the same time engaged in some other kind of business, occu-
4 pation, or profession, not taxable under this article, shall keep

5 books to show separately the transactions used in determining
6 the tax base herein taxed. In the event of such person fail-
7 ing to keep such separate books, or records, there shall be
8 levied upon him a tax based upon the entire gross proceeds
9 of both or all of his businesses.

Sec. 15. *Sales to Affiliated Companies or Persons.* In de-
2 termining gross proceeds of sales from one to another of
3 affiliated companies or persons, or under other circumstances
4 where the relation between the buyer and seller is such that
5 the gross proceeds from a sale are not indicative of the true
6 value of the subject matter of the sale, the tax commissioner
7 shall prescribe uniform and equitable rules for determining the
8 amount upon which the tax shall be levied, corresponding as
9 nearly as possible to gross proceeds from the sale of similar
10 products of like quality or character, where no common in-
11 terest exists between the parties.

Sec. 16. *Tax Return and Payment.* The taxes levied by this
2 article shall be due and payable in monthly installments, on or
3 before the fifteenth day of the month next succeeding the month
4 in which the tax accrued. The taxpayer shall, on or before the
5 fifteenth day of each month, make out and mail to the tax
6 commissioner a return for the preceding month, in the form
7 prescribed by the tax commissioner, showing (a) the total gross
8 proceeds of his business for that month; (b) the gross proceeds
9 of his business upon which the tax is computed; (c) the
10 amount of the tax for which he is liable; and (d) any fur-
11 ther information necessary in the computation and collec-
12 tion of the tax which the tax commissioner may require. A
13 remittance for the amount of the tax shall accompany the
14 return. A monthly return shall be signed by the taxpayer or
15 his duly authorized agent.

Sec. 17. *Lien of Tax; Penalties.* A tax due and unpaid under
2 this article shall be a debt due the state. It shall be a personal
3 obligation of the taxpayer and shall be a lien upon all of the
4 property of the taxpayer. The lien shall have priority over all
5 other liens and obligations except those due the United States.
6 A taxpayer who fails to file his return and remit the tax
7 at the time required by this article shall, in addition to all
8 other penalties, pay a penalty of six per cent of the amount
9 of the tax collected during the period reported. For each

10 succeeding thirty days elapsing before payment there shall
11 be added an additional penalty of one per cent. If the tax-
12 payer is an association, or corporation, the officers thereof
13 whose duty it is to make the return and pay the tax shall be
14 personally liable, jointly and severally, for any default on
15 the part of the corporation.

Sec. 18. *Enforcement of Lien.* A lien for taxes under this
2 article shall attach when the obligation to pay the tax to the
3 tax commissioner accrues. The lien shall be enforceable by the
4 tax commissioner as any other lien against the property of a
5 debtor.

Sec. 19. *Other Times of Filing Returns.* The tax commis-
2 sioner may, upon written request, authorize a taxpayer whose
3 books and records are not kept on a monthly basis to file re-
4 turns at other times than those specified in the preceding sec-
5 tion, but in no event shall a taxpayer make less than one re-
6 turn a calendar month, except as provided by section sixteen.

Sec. 20. *Quarterly Return.* When the total tax for which a
2 person is liable does not exceed ten dollars for any month, he
3 may make quarterly return on or before the fifteenth day of
4 the first month in the next succeeding quarter in lieu of
5 monthly returns.

Sec. 21. *Annual Return.* On or before thirty days after
2 the end of the tax year, each person liable for the payment of
3 a tax hereunder shall make an annual return in such form as
4 may be required by the tax commissioner, showing total gross
5 proceeds of his business for the preceding tax year, gross pro-
6 ceeds upon which the tax for that year was computed, and any
7 other information necessary in the computation or collection of
8 the tax that the tax commissioner may require. After deducting
9 the amount of prior payments during the tax year, the tax-
10 payer shall transmit the return with a remittance for any
11 remaining tax, payable by him during the preceding tax year,
12 to the tax commissioner. The taxpayer or his duly author-
13 ized agent, shall verify the return under oath. The tax com-
14 missioner for good cause shown, may, on written applica-
15 tion of a taxpayer, extend the time for making any return
16 required by the provisions of this article.

2 Sec. 22. *Consolidated Returns.* A person engaging in two or
3 more places in the same business or businesses of like char-
4 acter, taxable hereunder, shall file consolidated returns cover-
ing all such business activities engaged in within this state.

2 Sec. 23. *Keeping and Preservation of Records.* A person
3 liable for the tax imposed hereunder shall keep the records,
4 render under oath the statements, make returns, and comply
5 with the rules and regulations that the tax commissioner may,
6 from time to time, prescribe. The tax commissioner may re-
7 quire such records, statements, or returns, upon notice, from
8 any person in order to determine whether he is liable to the
9 tax hereunder. The tax commissioner may require preservation
10 of records for not to exceed five years, and may, at any time
11 through his authorized agents, inspect all books and accounts
12 of the taxpayer, including banking accounts, which in any way
13 enter into the record of the business out of which the tax im-
posed herein arises.

2 Sec. 24. *Assessment and Collection of Tax When Return In-*
3 *complete.* If the tax commissioner has reason to believe that
4 the tax imposed by this article is insufficiently returned by a
5 taxpayer, either because the taxpayer has failed or refused to
6 make a return, or has made an incomplete return, or has made
7 a return which is deficient or otherwise erroneous, he may pro-
8 ceed to determine the amount of the tax for which the tax-
9 payer is liable. The tax commissioner may make such audits
10 and investigations, and take such evidence and testimony as
11 may be necessary for the purpose of his investigation.

12 As a result of his investigation, the tax commissioner may
13 assess the amount of the tax which he finds to be due. After
14 ten days' notice in writing to the person assessed, he may
proceed to collect the tax.

2 Sec. 25. *Records of Nonresidents Doing Business in State.*
3 A nonresident person or foreign corporation engaged in a
4 business within this state in the conduct of which the tax
5 levied by this article becomes due, shall keep within this state
6 adequate records concerning the operation of the business, and
7 all taxes collected in the course of the business. The amount of
8 the tax collected shall not be transmitted outside of this state
9 without the written consent of, and in accordance with the
conditions prescribed by the tax commissioner.

Sec. 26. *Records of Tax Commissioner; Preservation of Returns.* The tax commissioner shall keep full and accurate records of all moneys received by him. He shall preserve all returns filed with him hereunder for five years.

Sec. 27. *When Information Obtained is Confidential.* Unless, in compliance with the judicial order, or as may be required by the proper administration hereof, the tax commissioner, his agents and employees and former tax commissioners, agents and employees shall not divulge facts or information obtained in the administration hereof.

Sec. 28. *Rules and Regulations of Tax Commissioner.* The tax commissioner shall have the authority to promulgate and enforce reasonable rules and regulations necessary to the administration and enforcement of this article.

Sec. 29. *Penalty for Violations.* Except as herein otherwise provided a person who wilfully violates any of the provisions of this article, or any lawful rule or regulation promulgated under it, shall be guilty of a misdemeanor and upon conviction, shall be fined not less than fifty nor more than five thousand dollars.

Sec. 30. *Proceeds of Tax for Free Schools.* The proceeds of the tax imposed by this article shall be devoted to the support of the free schools, and be expended in such manner as may be provided by law.

Sec. 31. *Provisions of Act Severable.* The provisions of this act shall be construed as severable and if any part is held to be unconstitutional, or for any other reason invalid, the remaining provisions shall not be affected. If the application of a tax imposed by this act to any particular taxpayer or to period of time is held to be invalid, its application to other taxpayers and to other periods of time shall not be affected thereby.

[Passed March 13, 1937; in effect ninety days from passage. Approved by the Governor.]

Article 14. Gasoline Tax.

Section

3. Amount, duration, measure and lien of tax.
22. Use of tax for roads and road bonds; refunds.

Be it enacted by the Legislature of West Virginia:

That sections three and twenty-two, article fourteen, chapter eleven of the code of West Virginia, one thousand nine hundred thirty-one, be amended and reenacted to read as follows:

Section 3. *Amount, Duration, Measure and Lien of Tax.*

2 There is hereby imposed upon every person who is a dis-
3 tributor, retail dealer or importer under the terms of this ar-
4 ticle, an excise tax based on the quantities of all gasoline sold,
5 purchased or used in this state on and after the first day of
6 April, one thousand nine hundred thirty-seven (except as
7 herein provided), which tax shall until July one, one thou-
8 sand nine hundred thirty-nine, be equivalent to five cents per
9 gallon thereof and shall be paid as hereinafter provided. On
10 and after the first day of July, one thousand nine hundred
11 thirty-nine, the tax herein provided shall be equivalent to four
12 cents per gallon.

13 A distributor shall use as the measure of the tax the gallon-
14 age sold, for whatever use, in this state (as provided in section
15 four of this article), and the gallonage used by him in motor
16 vehicles operated in this state. A retail dealer shall use as the
17 measure of the tax the gallonage purchased or obtained by him.
18 An importer shall use as the measure of the tax the gallonage

19 purchased by him for use in motor vehicles to be operated in
20 this state.

21 The special excise tax imposed by this article shall be paid
22 by the person first selling, or using in this state, the gallonage
23 of gasoline which under this article shall form the measure of
24 such tax; but in no case shall any such gallonage be used more
25 than once in determining taxes due hereunder. The taxes im-
26 posed by this article are in addition to all other taxes now im-
27 posed or prescribed by law.

28 The excise tax imposed by this article shall accrue from the
29 date of sale or purchase of the gasoline, whichever accords with
30 the method of reporting required by this article, or conforms
31 with the election of the taxpayer in the case of distributors;
32 and the penalties imposed by section thirteen of this article
33 shall accrue from the date they become due and payable and
34 such taxes and penalties shall be and remain a charge and lien
35 upon the properties, both personal and real, of the person
36 liable to pay such taxes and penalties, superior to any lien
37 created after such taxes and penalties accrue. No title shall
38 vest or be transferred as to any such property, except subject
39 to the lien for such taxes and penalties, and no such property
40 shall be transferred or delivered, in whole or in part, until af-
41 ter payment to the tax commissioner is made of the amount
42 of such taxes and penalties due.

Sec. 22. Use of Tax for Roads and Road Bonds; Refunds.

2 All taxes collected under the provisions of this article shall be
3 paid into the state treasury and shall be used only for the pur-
4 pose of the reconstruction, maintenance and repair of roads
5 and highways, and for the payment of the interest and sinking
6 fund on state bonds issued for road purposes.

7 Unless required for such bond requirements, one-fifth
8 of the taxes collected under the provisions of this article
9 shall until July one, one thousand nine hundred thirty-nine,
10 be used for secondary roads.

11 Any moneys received by the state and required to be
12 repaid shall be treated as moneys erroneously paid into the
13 treasury, and refunds shall be made and be payable out of
14 the same fund into which paid.

11 3. Three hundred dollars for each individual (other than

(b) No transfer of less than one hundred dollars shall be taxable under this article. For this purpose all transfers from a decedent to the same transferee shall be treated as a unit.

(c) Property transferred to a widow of a deceased person shall be allowed exemptions from taxes under this article as follows: Transfers not in excess of fifteen thousand dollars shall be entirely exempt; transfers in excess of fifteen thousand dollars up to and not exceeding twenty-five thousand dollars shall have an exemption determined by subtracting from fifteen thousand dollars, the difference between fifteen thousand dollars and the amount of the transfer; there shall be no exemption in the case of a transfer in excess of twenty-five thousand dollars.

CHAPTER 113

(Senate Bill No. 128—By Mr. Paull, by request)

AN ACT to amend and reenact section ten, article three, chapter eleven of the code of West Virginia, one thousand nine hundred thirty-one, as amended by section ten, chapter thirty-seven, acts of the Legislature, regular session, one thousand nine hundred thirty-three, relating to listing of property of public utilities for the purpose of taxation.

(Passed March 12, 1937; in effect ninety days from passage. Approved by the Governor.)

Article 3. Assessments Generally.

Section

10. Failure to list property, etc.; collection of penalties and forfeitures.

Be it enacted by the Legislature of West Virginia:

That section ten, article three, chapter eleven of the code of West Virginia, one thousand nine hundred thirty-one, as amended by section ten, chapter thirty-seven, acts of the Legislature, regular session, one thousand nine hundred thirty-three, be amended and reenacted to read as follows:

Section 10. *Failure to List Property, Etc.; Collection of Penalties and Forfeitures.* If any person, firm or corporation, including public service corporations whose duty it is by law to list any real estate or personal property for taxation, shall refuse to furnish a proper list thereof or refuse to furnish a list within the time required by law, or to make such oath as required by this chapter; or if any person, firm or corporation, including public service corporations, shall refuse to answer or shall answer falsely any question asked by the assessor or by the tax commissioner, or shall fail or refuse to deliver any statement required by law, he or it shall forfeit not less than twenty-five nor more than one hundred dollars, and shall be denied all remedy provided by law for the correction of any assessment made by the assessor or by the board of public works. If any person, firm or corporation, including public service corporations, required by law to make return of prop-

erty for taxation, whether such return is to be made to the assessor, the board of public works, or any other assessing officer or body, fails to return a true list of all property which should be assessed in this state, including money, notes, bonds, bills and accounts receivable, stocks and any other intangible personal property, such person, firm or corporation, in addition to all other penalties provided by law, shall forfeit five per cent of the value of the property not returned and not otherwise taxed in this state. A forfeiture as to all property aforesaid may be enforced for any such default occurring in any year not exceeding five prior to the time the same is discovered, but no liability to penalty or forfeiture as to moneys, notes, bonds, bills and accounts receivable, stocks and other intangible personal property arising prior to the first day of January, nineteen hundred thirty-three, shall be enforceable on behalf of the state or of any of its subdivisions. Each failure to make a true return as herein required shall constitute a separate offense, and a forfeiture shall apply to each of them, but all such forfeitures, to which the same person, firm or corporation is liable, shall be enforced in one proceeding against such person, firm or corporation, or against the estate of any deceased person, and shall not exceed twenty-five per cent of the value of the property not returned. The state tax commissioner shall collect such forfeitures without suit, but if unable so to do, shall instruct the prosecuting attorney of the county in which the defaulting taxpayer resides or has its principal office, or in which such property should have been returned for taxation, to enforce collection. It shall thereupon be the duty of such prosecuting attorney to institute and prosecute proceedings in the name of the state of West Virginia against the defaulting taxpayer, or, in case of a decedent, against his personal representative, in the circuit court upon motion, whereof the defendant shall have at least twenty days' notice. Either party shall have the right to have the issue tried by jury, and the state, as well as the defendant, shall have the right to an appeal. Ten per cent of the amount collected and an attorney's fee of ten dollars to be taxed as a part of the cost shall be collected and paid over by the prosecuting attorney to the sheriff of the county and by him credited to the general county fund. No special counsel shall be

58 employed to institute or conduct such suits. Any prosecut-
59 ing attorney failing or refusing to perform the duties re-
60 quired of him by this section shall forfeit the sum of one
61 hundred dollars to be recovered against him by the state
62 tax commissioner in the name of the state of West Vir-
63 ginia upon twenty days' notice by motion in any court
64 having jurisdiction. The amount collected in any such suit
65 after deducting ten per cent as aforesaid, or the entire sum
66 if collected by the tax commissioner without suit, shall be
67 paid over to the sheriff of the proper county and his receipt
68 taken therefor. The sheriff shall apportion such fund among
69 the state, county, district, school district, and municipalities
70 which would have been entitled to the taxes upon such prop-
71 erty if it had been assessed, in proportion to the rates of
72 taxation for each such levying unit for the year in which
73 the judgment was obtained bears to the sum of the rates
74 for all. When the list of property returned by the appraisers
75 of the estate of any deceased person shows an amount greater
76 than the last assessment list of such deceased person next
77 preceding the appraisal of his estate, it shall be prima facie
78 evidence that such deceased person returned an imperfect
79 list of his property: *Provided, however,* That any person
80 liable for the tax of his personal representative, may always
81 be permitted to prove by competent evidence that the dis-
82 crepancy between such assessment list and the appraisal
83 of the estate is caused by a difference of valuation returned
84 by the assessor and that made by the appraisers of the
85 same property or by property acquired after assessment,
86 or that any property enumerated in the appraisers' list had
87 been otherwise listed for taxation, or that it was not liable for
88 taxation. Any judgment recovered under this section shall
89 be a lien, from the time of the service of the notice, upon all
90 real estate and personal property of such defaulting taxpayer,
91 owned at the time or subsequently acquired, in preference to
92 any other lien.

9 thereby.

10 If the governing body determines to exchange any refund-
11 ing bonds, such refunding bonds may be exchanged privately
12 for and in payment and discharge of any of the outstand-
13 ing notes, bonds or other obligations of the public body
14 issued to finance or to aid in financing the acquisition, the
15 construction, the improving, the refinancing, or the improving
16 and refinancing, of an enterprise. The refunding bonds
17 may be exchanged for a like or greater principal amount
18 of such notes, bonds or other obligations of the public body,
19 except that the principal amount of the refunding bonds
20 may exceed the principal amount of such outstanding notes,
21 bonds, or other obligations to the extent necessary or advis-
22 able, in the discretion of the governing body, to fund interest
23 in arrears or about to become due. The holder or holders
24 of such outstanding notes, bonds, or other obligations need
25 not pay accrued interest on the refunding bonds to be de-
26 livered in exchange therefor if, and to the extent that
27 interest is due or accrued and unpaid on such outstanding
28 notes, bonds, or other obligations to be surrendered.

29 If the governing body determines to sell any refunding
30 bonds, such refunding bonds shall be sold at not less than
31 par at public or private sale in such manner and upon such
32 terms as the governing body shall deem best for the interests
33 of the public body.

Sec. 8. *Security for Payment; Prior Issues Not Impaired.*

2 The refunding bonds shall be special obligations of the public
3 body and shall be payable from and secured by a lien upon

4 the revenues of the enterprise, as shall be more fully de-
5 scribed in the resolution or resolutions of the governing body
6 authorizing the issuance of the refunding bonds, having due
7 regard to the cost of operation and maintenance of the enter-
8 prise and the amount or proportion, if any, of the revenues of
9 the enterprise previously pledged, and any public body shall
10 have power by resolution of its governing body to pledge for
11 the security of the refunding bonds a fixed amount without
12 regard to any fixed proportion of the gross revenues of the en-
13 terprise.

14 As additional security for any issue of refunding bonds
15 hereunder, or any part thereof, any public body shall have
16 power, and is hereby authorized to, by resolution of its gov-
17 erning body, confer upon the holders of the refunding bonds
18 all rights, powers and remedies which said holders would be
19 entitled to if they were the owners and had possession of the
20 notes, bonds or other obligations for the refinancing of which
21 such refunding bonds shall have been issued, including, but
22 not limited to, the preservation of the lien of such notes, bonds
23 or other obligations without extinguishment, impairment or
24 diminution thereof. In the event any public body exercises the
25 power conferred by this paragraph, each refunding bond shall
26 contain a recital to the effect that the holder thereof has been
27 granted the additional security provided by this paragraph
28 and each note, bond, certificate or other obligation of the pub-
29 lic body to be refinanced by any such refunding bonds, shall be
30 kept intact and shall not be cancelled or destroyed until the re-
31 funding bonds, and interest thereon, have been finally paid
32 and discharged, but shall be stamped with a legend to the
33 effect that such note, bond, certificate or other obligation has
34 been refunded pursuant to the revenue bond refinancing act
35 of one thousand nine hundred thirty-seven.

36 All refunding bonds of the same issue shall be equally
37 and ratably secured, without priority by reason of number,
38 date of bonds, of sale, of execution or of delivery, by a
39 lien upon the revenues of the enterprise in accordance with
40 the provisions of this section and the resolution or resolu-
41 tions authorizing the issuance of such refunding bonds.

42 Nothing in this section or in any other section of this
43 act shall be deemed in any way to alter the terms of any
44 agreements made with the holders of any outstanding notes,
45 bonds, or other obligations of the public body, or to authorize
46 the public body to alter the terms of any such agreements,
47 or to impair, or to authorize the public body to impair,
48 the rights and remedies of any creditors of the public body.

49 Nothing in this section or in any other section of this
50 act shall be deemed in any way to authorize any public
51 body to do anything in any manner or for any purpose
52 which would result in the creation or incurring of a debt
53 or indebtedness or the issuance of any instrument which
54 would constitute a bond or debt within the meaning of
55 any provision, limitation, or restriction of the constitution
56 relating to the creation or incurring of a debt or indebtedness
57 or the issuance of an instrument constituting a bond or a debt.

Sec. 9. *Payable Solely From Revenues of Enterprise.* No
2 recourse shall be had for the payment of the refunding bonds,
3 or interest thereon, or any part thereof, against the general
4 fund of any public body, nor shall the credit or taxing power
5 of any public body be deemed to be pledged thereto.

6 The refunding bonds, and interest thereon, shall not be a
7 debt of the public body, nor a charge, lien or encumbrance,
8 legal or equitable, upon any property of the public body, nor
9 upon any income, receipts, or revenues of the public body
10 other than such of the revenues of the enterprise as shall
11 have been pledged to the payment thereof, and every re-
12 funding bond shall recite in substance that said bond, in-
13 cluding interest thereon, is payable solely from the revenues
14 pledged to the payment thereof and that the public body
15 is under no obligation to pay the same, except from said
16 revenues.

Sec. 10. *Tax Exempt; Exceptions.* The refunding bonds
2 and the income therefrom shall be exempt from taxation, ex-
3 cept inheritance, estate and transfer taxes.

Sec. 11. *Fiscal Agent.* Any public body shall have power,
2 in connection with the issuance of refunding bonds, to appoint
3 a fiscal agent, to provide for the powers, duties and functions
4 and compensations of such fiscal agent, to limit the liabilities

5 of such fiscal agent, to prescribe a method for the resignation,
6 removal, merger or consolidation of such fiscal agent and
7 the appointment of a successor fiscal agent and the transfer
8 of rights and properties to such successor fiscal agent.

68 or receivable from the enterprise.

2 Sec. 13. *Provisions in Resolution Authorizing Bonds.* The

37 to the terms and conditions upon which the holders of the
38 refunding bonds or any proportion or percentage of them
39 may enforce any covenants made under this act or duties
40 imposed hereby;

41 A procedure by which the terms of any resolution author-
42 izing refunding bonds, or any other contract with bond-
43 holders, including but not limited to an indenture of trust or

67 able;

68 The manner of collecting the fees, tolls, rates, rentals
69 or other charges for the services, facilities or commodities
70 of the enterprise, and the combining in one bill of the fees,
71 tolls, rates, rentals or other charges for the services,
72 facilities or commodities of the enterprise with the fees,
73 tolls, rates, rentals or charges for other services, facilities
74 or commodities afforded by the public body; and

75 The discontinuance of the services, facilities or commodi-
76 ties of the enterprise as well as any other services, facilities
77 or commodities afforded by the public body, in the event
78 that the fees, tolls, rates, rentals or other charges for the
79 services, facilities or commodities of the enterprise are not
80 paid.

81 Nothing in this section shall be construed to authorize any
82 public body to make any covenants, to perform any act or to
83 do anything which shall require the expenditure in any manner
84 or for any purposes by the public body of any funds other
85 than revenues received or receivable from the enterprise.

Sec. 14. *Receivership Upon Default; Termination.* In the
2 event that the public body shall default in the payment of the
3 principal or interest on any of the refunding bonds after
4 the same shall become due, whether at maturity or upon call

5 for redemption, and such default shall continue for a period
6 of thirty days, or in the event that the public body or the
7 governing body or officers, agents or employees thereof shall
8 fail or refuse to comply with the provisions of this act, or shall
9 default in any agreement made with the holders of the refund-
10 ing bonds, any holder or holders of refunding bonds, or
11 trustee therefor, shall have the right to apply in an appropri-
12 ate judicial proceeding to the circuit court, or any court of
13 competent jurisdiction, for the appointment of a receiver of
14 the enterprise, whether or not all refunding bonds have been
15 declared due and payable and whether or not such holder, or
16 trustee therefor, is seeking or has sought to enforce any other
17 right, or exercise any remedy in connection with such refund-
18 ing bonds. Upon such application the circuit court may ap-
19 point, and if the application is made by the holders of twenty-
20 five per cent in principal amount of such refunding bonds
21 then outstanding, or any trustee for holders of such refunding
22 bonds in such principal amount, shall appoint a receiver of
23 the enterprise.

24 The receiver so appointed shall forthwith, directly or by
25 his agents and attorneys, enter into and upon and take
26 possession of the enterprise and each and every part there-
27 of and may exclude the public body, its governing body,
28 officers, agents, and employees and all persons claiming un-
29 der them, wholly therefrom and shall have, hold, use,
30 operate, manage and control the same and each and every
31 part thereof, and, in the name of the public body or other-
32 wise, as the receiver shall deem best, shall exercise all the
33 rights and powers of the public body with respect to the
34 enterprise as the public body itself might do. Such receiver
35 shall maintain, restore, insure and keep insured, the enter-
36 prise, and from time to time shall make all such necessary
37 or proper repairs which to such receiver shall seem expedi-
38 ent, and shall establish, levy, maintain and collect such
39 fees, tolls, rentals, and other charges in connection with the
40 enterprise as such receiver shall deem necessary or proper
41 and reasonable, and shall collect and receive all revenues
42 and shall deposit the same in a separate account and apply
43 such revenues so collected and received in such manner as
44 the court shall direct.

45 Whenever all that is due upon the refunding bonds, and

46 interest thereon, and upon any other notes, bonds or other
47 obligations, and interest thereon, having a charge, lien or
48 encumbrance on the revenues of the enterprise and under
49 any of the terms of any covenants or agreements with bond-
50 holders shall have been paid or deposited as provided there-
51 in, and all defaults shall have been cured and made good,
52 the court may, in its discretion, and after such notice and
53 hearing as it deems reasonable and proper, direct the re-
54 ceiver to surrender possession of the enterprise to the
55 public body, but the same right of the holders of the re-
56 funding bonds to secure the appointment of a receiver shall
57 exist upon any subsequent default, as hereinabove pro-
58 vided.

59 Such receiver shall, in the performance of the powers
60 hereinabove conferred upon him, act under the direction and
61 supervision of the court making such appointment, and
62 shall at all times be subject to the orders and decrees of
63 such court and may be removed thereby. Nothing herein
64 contained shall limit or restrict the jurisdiction of such
65 court to enter such other and further orders and decrees
66 as such court may deem necessary or appropriate for the
67 exercise by the receiver of any functions specifically set
68 forth herein.

69 Notwithstanding anything in this section to the contrary,
70 said receiver shall have no power to sell, assign, mortgage
71 or otherwise dispose of any assets of whatever kind or char-
72 acter belonging to the municipality and useful for the enter-
73 prise, but the authority of any such receiver shall be limited
74 to the operation and maintenance of the enterprise and no
75 court shall have jurisdiction to enter any order or decree
76 requiring or permitting said receiver to sell, mortgage, or
77 otherwise dispose of any such assets.

Sec. 15. *Suits by Bondholders.* Subject to any contractual
2 limitations binding upon the holders of any issue of refund-
3 ing bonds, or the trustee therefor, including, but not limited
4 to, the restriction of the exercise of any remedy to a specified
5 proportion or percentage of such holders, any holder of re-
6 funding bonds, or trustee therefor, shall have the right and
7 power for the equal benefit and protection of all holders of re-
8 funding bonds similarly situated;

9 By mandamus or other suit, action or proceeding at law

10 or in equity to enforce his rights against the public body
11 and its governing body and any of its officers, agents and
12 employees, and to require and compel such public body
13 or such governing body or any such officers, agents or em-
14 ployees to perform and carry out its and their duties and
15 obligations under this act and its and their covenants and
16 agreements with bondholders;

17 By action or suit in equity to require the public body
18 and the governing body thereof to account as if they were
19 the trustee of an express trust;

20 By action or suit in equity to enjoin any acts or things
21 which may be unlawful or in violation of the rights of the
22 bondholders;

23 To bring suit upon the refunding bonds.

24 No remedy conferred by this act upon any holder of
25 refunding bonds, or any trustee therefor, is intended to be
26 exclusive of any other remedy, but each such remedy is
27 cumulative and in addition to every other remedy and may
28 be exercised without exhausting and without regard to any
29 other remedy conferred by this act or by any other law.
30 No waiver of any default or breach of duty or contract,
31 whether by any holder of refunding bonds, or any trustee
32 therefor, shall extend to or shall affect any subsequent de-
33 fault or breach of duty or contract or shall impair any
34 rights or remedies thereon. No delay or omission of any
35 bondholder or any trustee therefor, to exercise any right
36 or power accruing upon any default, shall impair any such
37 right or power, nor shall be construed to be a waiver of any
38 such default or acquiescence therein. Every substantive right
39 and every remedy, conferred upon the holders of refunding
40 bonds, may be enforced and exercised from time to time and
41 as often as may be deemed expedient. In case any suit,
42 action or proceeding to enforce any right or exercise any
43 remedy shall be brought or taken and then discontinued
44 or abandoned, or shall be determined adversely to the holder
45 of the refunding bonds, or any trustee therefor, then and in
46 every such case the public body and such holder, or such
47 trustee, shall be restored to their former positions and rights
48 and remedies as if no such suit, action or proceeding had been
49 brought or taken.

Sec. 16. *Act Complete Authority for Refunding Bonds.* This act constitutes full and complete authority for the issuance of refunding bonds. No procedure or proceedings, publications, notices, consents, approvals, orders, acts or things by any governing body of any public body, or any board, officer, commission, department, agency, or instrumentality of the state or any public body shall be required to issue any refunding bonds or to do any act or perform any thing under this act, except as may be prescribed in this act. The powers conferred by this act shall be in addition and supplemental to, and not in substitution for, and the limitations imposed by this act shall not affect the powers conferred by any other law. This act is remedial in nature and shall be liberally construed.

Sec. 17. *Provisions Severable.* If any section, clause, sentence, paragraph, part or provision of this act shall be found invalid by any court, it shall be conclusively presumed that this act would have been passed by the Legislature without such invalid section, clause, sentence, paragraph, part or provision, and the act as a whole shall not be declared invalid by reason of the fact that one or more sections, clauses, sentences, paragraphs, parts or provisions may be found invalid by any court.

The commission is empowered to refuse to grant a license to any applicant, or to refuse to renew any license, or to cancel and withdraw any license issued by it, for violation of any provisions of this act, or for any reasonable cause appearing to the commission.

If the commission is of opinion to refuse to issue a license that has been applied for, or to refuse to renew a license, or to cancel and withdraw a license, it shall, before any such refusal or cancellation is finally acted upon, notify the applicant or licensee affected of its opinion and contemplated action, and shall give to him an opportunity to appear before the commission and be heard in connection therewith. Such hearings shall be held under such reasonable rules and regulations as the commission may make and provide.

The commission may make and enforce rules regarding transactions between licensees and the commission and require reports as to matters of employment of or by licensees and changes of address of licensees and kindred matters.

40 Every application for a license, under the provisions of
41 this act, shall be accompanied by the license fee herein pre-
42 scribed. In the event that the commission does not issue the
43 license, the fee shall be returned to the applicant.

44 The commission may require such other proof as shall be
45 deemed desirable and in the public interest, regarding the
46 honesty, truthfulness, integrity, and competency of the ap-
47 plicant. The commission is expressly vested with the power
48 and authority to make and enforce any and all such reason-
49 able rules and regulations connected with the application

50 for any license as shall be deemed necessary to administer
51 and enforce the provisions of this act.

Section 4. *Compulsory Immunization of School Children;*

7 that a successful immunization for either or both smallpox and
8 diphtheria is impossible or improper or sufficient reason why

9 either or both immunizations should not be done, shall be im-
10 munized for both smallpox and diphtheria within the first
11 month of attendance at school. No child or person shall be ad-

CHAPTER 130

(House Bill No. 273—By Mr. Pyles)

AN ACT to amend article eleven, chapter sixteen of the code of West Virginia, one thousand nine hundred thirty-one, as amended and reenacted by chapter six, acts of the Legislature, regular session, one thousand nine hundred thirty-three, by adding thereto sections eleven, twelve, thirteen, fourteen and fifteen, relating to abatement of stream pollution by the state water commission.

[Passed March 12, 1937; in effect from passage. Became a law without the approval of the Governor.]

Article 11. State Water Commission.

Section

11. Compliance with final order of commission; methods of raising funds by a municipality.
12. How construction and operation of municipal plants, etc., governed.
13. When proceedings to comply must begin; penalty.
14. Extension of time for compliance; penalty for noncompliance.
15. Construction of act; inconsistent acts repealed.

Be it enacted by the Legislature of West Virginia:

That article eleven, chapter sixteen of the code of West Virginia, one thousand nine hundred thirty-one, as amended and reenacted by chapter six, acts of the Legislature, regular session, one thousand nine hundred thirty-three, be amended by adding thereto new sections eleven, twelve, thirteen, fourteen and fifteen, to read as follows:

Section 11. *Compliance With Final Order of Commission; Methods of Raising Funds by a Municipality.* Any person, corporation, municipal corporation, partnership or legal entity, upon whom a final order of the state water commission as herein provided is served, which order shall not have been set aside by a court of competent jurisdiction upon complaint filed as herein provided or upon whom a final order is served as modified to conform with a judgment of such court directing modification, shall, within thirty days after receipt of such order, or after judgment affirming such order is entered, take steps for the acquisition or construction of such plants, machinery or works, or for such repair, alteration or extension of existing plants, machinery or works, as may be necessary for the disposition or treatment of the organic or inorganic matter which is causing or contributing to, or is about to cause or contribute to, a polluted condition of such water or waters, or shall take such other steps as may be necessary to comply with said final order of the state water commission. If the offender be a municipal corporation, the cost of acquisition, construction, repair, alteration or extension of the necessary plant, machinery or works, or taking such other steps as may be necessary to comply with said order, shall be paid out of funds on hand available for such purpose, or out of the general funds of such municipal corporation, not otherwise appropriated; or if there be not sufficient funds on hand or unappropriated, then the necessary funds shall be raised by issuance of bonds, such bond issue to be subject to the approval of the state sinking fund commission and the attorney general of the state of West Virginia.

If the estimated cost of the steps necessary to be taken by such municipal corporation to comply with such final order of the state water commission, is such that the bond issue necessary to finance such project would not raise the total outstanding bonded indebtedness of such municipal corporation, in excess of the constitutional limit imposed upon such indebtedness by the constitution of this state, then and in that event the necessary bonds may be issued as a direct obligation of such municipal corporation, and retired by a general tax levy to be levied against all property within the limit of such municipal corporation listed and assessed for taxation. If the amount of such bonds necessary to be issued

41 would raise the total outstanding bonded indebtedness of
42 such municipal corporation above said constitutional limita-
43 tion on such indebtedness, or if such municipal corporation
44 by its governing body shall determine against the issuance of
45 direct obligation bonds, then such municipal corporation
46 shall issue revenue bonds and provide for the retirement
47 thereof in the same manner and subject to the same condi-
48 tions as provided for the issuance and retirement of bonds in
49 chapter twenty-five, acts of the Legislature, first extraordi-
50 nary session, one thousand nine hundred thirty-three, entitled
51 "An act to authorize municipal corporations and/or sanitary
52 districts to construct, own, equip, operate, maintain and ap-
53 prove works for the collection and/or treatment, purification
54 and disposal of sewerage; to authorize charges against own-
55 ers of premises for the use of such works and to provide for
56 the collection of same; to authorize municipal corporations
57 and/or sanitary districts to issue revenue bonds payable solely
58 from the revenues of such works and to make such bonds
59 exempt from taxation; to authorize contracts for the use of
60 such works by other municipal corporations and political sub-
61 divisions, and charges against owners of premises therein
62 served thereby and a lien against such premises": *Provided,*
63 *however,* That the provisions of section six of the above-
64 mentioned act, allowing objections to be filed with the gov-
65 erning body, and providing that a written protest of thirty
66 per cent or more of the owners of real estate shall require
67 a four-fifths vote of the governing body for issuance of said
68 revenue bonds, shall not apply to bond issues proposed by
69 any municipal corporation to comply with the final order
70 issued by the state water commission, under the authority of
71 this act, and such objections or submission of written pro-
72 test shall not be authorized, nor shall the same, if had, oper-
73 ate to justify or excuse failure to comply with such final
74 order of the state water commission.

75 The funds made available by the issuance of either direct
76 obligation bonds or revenue bonds as herein provided, shall
77 constitute a "sanitary fund", and shall be used for no other
78 purpose than for carrying out such order or orders of the
79 state water commission; no public money so raised shall be

80 expended by any municipal corporation for any purpose
81 enumerated in this act, unless such expenditure and the
82 amount thereof has been approved by the state water com-
83 mission.

Sec. 12. *How Construction and Operation of Municipal
2 Plants, Etc., Governed.* The construction, acquisition, improve-
3 ment, equipment, custody, operation, repair and maintenance
4 of any plants, machinery or works by any municipal corpor-
5 ation, in compliance with a final order of the state water com-
6 mission, as herein provided, other than the financing thereof,
7 and the rights, powers, and duties, of such municipal corpor-
8 ation and the respective officers and departments thereof,
9 whether the same shall be financed by the issuance of revenue
10 or direct obligation bonds, shall be governed by the provisions
11 of said chapter twenty-five, acts of the Legislature, first ex-
12 traordinary session, one thousand nine hundred thirty-three.

Sec. 13. *When Proceedings to Comply Must Begin; Penalty.*
2 It shall be the duty of each individual offender and of each
3 member of a partnership, and of each member of the govern-
4 ing body of a municipal corporation, and of each member of
5 the board of directors or other governing body of a private
6 corporation, association or other legal entity, against whom a
7 final order has been issued, as herein provided, to begin appro-
8 priate action or proceedings to comply with such order, with-
9 in thirty days from the receipt thereof, if no action has been
10 commenced in the circuit court of the county where such vio-
11 lation is alleged to exist to set aside or vacate such order, as
12 provided in this act, or, in case such action has been brought,
13 within thirty days from the date of judgment affirming such
14 order, or from the date of the receipt of such order, as modi-
15 fied in conformity with the judgment of such court. Failure of
16 the governing body in the case of a municipal corporation, or
17 of the board of directors or any other governing body of any
18 private corporation, association or other legal entity, to provide
19 for the financing and construction of such works as may be nec-
20 essary to carry out said order by appropriate ordinance or
21 resolution, shall constitute failure to begin appropriate action
22 or proceedings to comply with such order, as above provided.
23 Any individual offender, or member of a partnership, or any of-
24 ficer or member of the board of directors of a private corpor-

25 ation, association, or other legal entity, or any mayor, council-
26 man or member of sanitary board as provided for in said chap-
27 ter twenty-five, acts of the Legislature, first extraordinary ses-
28 sion, one thousand nine hundred thirty-three, of any municipi-
29 pal corporation, who fails or refuses to discharge any duty
30 imposed upon him by this act or by such final order of the
31 state water commission, or any duty imposed upon him by
32 reason of any ordinance of the governing body of any municipi-
33 pal corporation, or resolution of the board of directors or
34 other governing body of any private corporation, association
35 or other legal entity, pursuant to this act or to such final or-
36 der, shall be deemed guilty of a misdemeanor, and upon con-
37 viction thereof shall be fined in any sum of not less than
38 twenty-five dollars, nor more than one hundred dollars, to
39 which may be added imprisonment in the county jail for any
40 period not to exceed ninety days. Each day that such fail-
41 ure or refusal to discharge such duties continues, shall be and
42 constitute a separate and additional offense for the purposes
43 of this section.

Sec. 14. *Extension of Time for Compliance; Penalty for*
2 *Noncompliance.* The state water commission shall have the au-
3 thority, in its discretion, to extend the time fixed in any final
4 order issued by it, within which any offender is ordered to
5 correct or abate a condition of pollution of any water or
6 waters, upon written petition filed with such commission not
7 less than thirty days prior to the time fixed in such order, when
8 it shall appear that a good faith effort to comply with said or-
9 der is being made, and that it shall be impossible for such of-
10 fender to complete the project of work undertaken within the
11 time so fixed. Any person, corporation, municipal corpora-
12 tion, partnership, association or other legal entity, who shall
13 fail or refuse to correct or abate such polluted condition in
14 compliance with such order within the time fixed or within
15 the time additionally granted as herein provided, shall be sub-
16 ject to a penalty of one hundred dollars for each day that such
17 polluted condition continues to exist after the time so fixed, or
18 additionally granted, which may be recovered in a civil suit
19 brought in the name of the state of West Virginia and which
20 penalty shall be in addition to the penalty provided in section
21 thirteen of this act. It shall be the duty of the attorney gen-
22 eral to prosecute all actions for penalties under this section,

23 and all penalties so recovered shall be paid into the common
24 school fund of the state. The penalties accruing for any two or
25 more days under the provisions of this section may be re-
26 covered in one complaint and may be joined in one paragraph
27 of said complaint.

Sec. 15. Construction of Act; Inconsistent Acts Repealed.

2 Being for the public health, safety and welfare, this act shall
3 be liberally construed to effectuate the purposes thereof, and
4 all existing laws or parts of laws of this state inconsistent with
5 this act are hereby repealed.

25 and conditions as said city may fix, by its order, prior to
26 the issuance of such bonds. Bonds issued hereunder shall
27 be payable at the office of the state treasurer, or some bank
28 in the city of New York.

29 In case any of the officers whose signatures appear on the
30 bonds or coupons shall cease to be such officers before the

39 solely for the payment of the cost of land, buildings, furni-
40 ture and equipment thereon, and shall be checked out by the
41 said city under such restrictions as are contained in the or-
42 der providing for the issuance of said bonds. If the pro-
43 ceeds of bonds issued for any hospital shall exceed the cost
44 thereof, the surplus shall be paid into the fund herein pro-
45 vided for the payment of principal and interest upon such
46 bonds. Such fund may be used for the purchase or redemp-
47 tion of any of the outstanding bonds payable from such fund
48 at the market price, but at not exceeding the price at which
49 any of such bonds shall in the same year be redeemable, as

50 fixed by the city of Grafton in its said order, and all bonds
51 redeemed or purchased shall forthwith be cancelled, and

60 by this act.

Sec. 7. *Limitations as to Debt.* Nothing in this act con-
2 tained shall be so construed or interpreted as to authorize
3 or permit said city of Grafton to incur a debt for and on
4 behalf of said city, of any kind or nature contrary to the
5 provisions of the constitution of the state in relation to debt.

Sec. 8. *Act Additional and Supplementary to Other Powers*
2 *of City.* This act shall be deemed to provide an additional and
3 alternative method for the doing of the things authorized
4 hereby, and shall be regarded as supplementary and additional
5 to powers conferred by other laws and by the charter of the
6 city of Grafton.

Sec. 9. *Act to Be Liberally Construed.* This act, being
2 necessary for the health, welfare and requirements of the
3 public of the city of Grafton, it shall be liberally construed
4 to effectuate the purpose thereof.

Sec. 10. *Increased Levies; Election.* Notwithstanding
2 the provisions of general law, the city of Grafton, authorized
3 by this act to issue bonds, may become indebted for the pur-

6 value of the taxable property in such city, as shown by the
7 last assessment thereof for state and county purposes next
8 prior to the authorization of such bonds, subject to the levy
9 limitations as provided in the constitution. For the purpose of
10 effectuating the provisions and purposes of this act and for
11 the purpose of obtaining revenue to pay said bonds and their

12 interest, or for the purpose of redeeming said bonds in whole
13 or in part, the city of Grafton may, and is authorized to in-

23 years without resubmission to the voters, but the question
24 of future levy increases for such purposes may be again sub-

6 illegal, it is the intention that the remaining sections and pro-

26 court. In case any of the officials whose signatures appear
27 on the bonds or coupons shall cease to be such officers
28 before the delivery of such bonds, such signatures shall
29 nevertheless be valid and sufficient for all purposes the
30 same as if they had remained in office until such delivery.
31 The county court shall fix the denominations of such bonds,
32 the principal and interest of which shall be payable at
33 the office of the clerk of the county court of Wetzel county,
34 West Virginia, at New Martinsville, West Virginia, either
35 in lawful money or in gold coin of the United States of
36 America, of or equal to the then current standard of weight
37 and fineness, as may be determined by said county court.
38 Such bonds shall be exempt from taxation by the state
39 of West Virginia, or any county, school district or municipi-
40 pality therein. The county court may provide for the
41 registration of such bonds in the name of the owner as to
42 principal alone and as to both principal and interest under
43 such terms and conditions as the county court may
44 determine. The county court of Wetzel county is author-
45 ized to enter into such agreements and/or contracts as it

46 may determine to be for the best interests of the county
47 with the reconstruction finance corporation, the public
48 works administration or other federal governmental agencies
49 authorized to purchase said bonds or to make loans upon
50 the same, for the purpose of selling and/or pledging said
51 revenue bonds to secure and/or borrow funds from the
52 said federal governmental agency, in any event not to
53 exceed the sum of eighty thousand dollars, however. Said
54 revenue bonds shall not be negotiated, pledged or sold at
55 a price lower than a price which computed to maturity
56 upon the standard tables of bond values will show a net
57 return of not more than six per cent per annum to the holder
58 or purchaser upon the amount paid, pledged or advanced
59 therefor.

60 The proceeds of such bonds or the loan secured thereby
61 shall be used solely for the payment of the costs of such
62 hospital and the maintenance thereof, and shall be checked
63 out by the president of the county court and the clerk
64 of the county court and under such further restrictions,
65 if any, as the county court or the federal governmental
66 agency may provide. If the proceeds of such bonds, by
67 error or otherwise, shall be less than the cost of such
68 hospital, additional bonds may in like manner be issued
69 to provide the amount of such deficit, and shall be deemed
70 to be of the issue and shall be entitled to payment from
71 the same fund, without preference or priority of the bonds
72 first issued for the said hospital. If the proceeds of the
73 bonds issued for such hospital shall exceed the cost thereof,
74 the surplus shall be paid into the fund hereinafter pro-
75 vided for payment of the principal and interest of said
76 bonds. Such fund may be used for the purchase of any
77 of the outstanding bonds payable from such fund at the
78 market price, but not exceeding the price, if any, at which
79 such bonds shall in the same year be redeemable, and all
80 bonds redeemed or purchased shall forthwith be cancelled
81 and shall not again be issued.

82 Prior to the preparation of definitive bonds, the county
83 court may under like restrictions issue temporary bonds
84 with or without coupons, exchangeable for definitive bonds
85 upon the issuance of the latter. Such revenue bonds may

86 be issued without any other proceedings or the happening
87 of any other conditions and things than those proceedings,
88 conditions and things which are specified and required by
89 this act or by the constitution of the state.

Sec. 7. *Lease of Hospital.* The county court of Wetzel county
2 shall have the power, unless otherwise so stipulated against by
3 any agreement or contract entered into with any federal gov-
4 ernmental agency which shall agree to buy or lend funds on
5 the revenue bonds herein provided for, to lease the said
6 hospital, property and equipment to any association for
7 hospital purposes, maintaining control, however, over the
8 operation of the same during the life of the revenue bonds,
9 and only, however, upon such terms as will be satisfactory
10 and sufficient to retire the revenue bonds, including both
11 principal and interest thereon, in manner and form as pro-
12 vided herein in this act.

Sec. 10. *Board of Visitors.* The county court of Wetzel
2 county is authorized and empowered to appoint a board of
3 visitors, which shall consist of nineteen members or less in its
4 discretion. This board of visitors shall be authorized and em-
5 powered to control, manage and operate the hospital, subject,
6 however, to the other provision of this act, and subject to the
7 authority of the county court, but shall not affect the man-
8 agement of said hospital by the board of visitors of the hospital
9 association to which said property is leased and may be
10 hereafter leased, except so far as may be necessary to
11 protect and preserve the legal rights of the county court
12 of Wetzel county in respect to said lease and said hospital.
13 The rights of the lessee of said hospital to its use, occupancy
14 and management shall not be affected in any particular unless
15 and until the said hospital association shall fail to comply

By the Governor:

H. G. KUMP.

WM. S. O'BRIEN,
Secretary of State.

STATE OF WEST VIRGINIA
EXECUTIVE DEPARTMENT
CHARLESTON

June 6, 1936.

To the Members of the Senate and House of Delegates:

An extraordinary session of the Legislature will convene in the Capitol at Charleston on the afternoon of June 15, 1936. There have been many requests to include subjects in the call for the session, which, while worthy of the most serious consideration of the Legislature, have little relation to the pressing problems of the moment. It has been necessary to exclude the subjects of these requests from the call in order that the Legislature may bring all of its powers to bear on the primary questions before us, and also to avoid controversial questions which are more properly for consideration in a regular session.

The vital subjects making this extraordinary session of the Legislature necessary are embraced within Federal-State relations known as the "Social Security Program."

Of singular importance is

Item "First" of the call: Legislation pertaining to the care and security of our citizens, who, through no fault of their own, are in need of public assistance. It has been no easy task to provide for this. Your *Interim Joint Legislative Committee On Social Security* has worked over a period of a year to perfect a bill which will answer, as far as such questions can be answered, the perplexing problems of public welfare as they exist within the borders of our state.

This bill—the "Public Welfare Act of 1936"—will be submitted to you with the report of the *Interim Joint Committee*. Notwithstanding misgivings as to its sufficiency, or the sufficiency of any bill that might be drawn at this time, I commend it to your consideration as the result of long study and thought. It is much more than a bill—it is rather a revision, amendment and codification of a large part of our public welfare laws. It is based upon what seems to me to be a sound principle: *The permanent protection of our citizens against the recurring misfortunes of life.*

In providing such protection, it is the purpose of the Bill:

- (1) To assemble the public welfare services of the State into a single integrated system.
- (2) To modernize the statutory provisions pertaining to welfare activities and to promote more effective services.
- (3) To provide certain public assistance to the aged, the blind and to dependent children which will conform to the requirements of the Federal "Social Security Act."

The bill does not answer all the questions that can be raised under it. But it is based upon every available item of known experience; and, every facility and opportunity offered by the national government to assist the State in discharging this important obligation, has been studied and used to the fullest extent. Its refinement and adjustments must await further experience and the test of trial.

Closely associated with the problem of public assistance is Item "Second"—the urgent question of unemployment compensation. This question involves the most complicated technical departures. Its purpose is most worthy and rises to highest ground for con-

sideration in our social and economic structure. Your Committee has made no recommendation for action concerning it at this time. The report suggests further "investigation of the intricate fiscal, legal and administrative questions which surround this difficult problem of unemployment compensation." The Executive Department stands ready to assist you to the utmost in this behalf.

* * *

The matter of public welfare, which forms the basis of this call, presents a grave problem; at once most far-reaching in its implications and most appealing in its promise of benevolent solution. As we approach it we face the very plain fact that a social security "program," alone, cannot solve this problem.

Throughout the life of our State it has been our devoted purpose and fixed policy to care for those citizens who are in distress because of limited opportunities or impaired resources. The vicissitudes of recent years have emphasized this responsibility beyond all prior experience, but, while we gladly make provision for the conditions which confront us, we cannot avoid the stern, imperative, duty to maintain other essential functions of government that are the very warp and woof of our Statehood.

The resources of our State are for the citizens of our State and those most in need shall have first consideration. But we must temper our aid in wisdom and justice. For those who receive others must give. We cannot bring abundance into lives not fitted by nature, nor practice, to use such abundance wisely and well. We should not create false standards of living at public expense which place a premium upon indolence and a penalty upon industry.

We must foster among our citizens that civic virtue, just pride and nobility of character, which proceed from self-reliance and a consciousness of self-sustained competence.

For those who are in need we can provide subsistence; for those who suffer, we can provide care; for those who live in insecurity, we can provide protection. These things we should and will do—they reside within the second great commandment, "Thou shalt love thy neighbor as thyself." But, in this sacred mandate, we are not required to obligate the State to provide standards of living beyond its own fiscal capacity and in excess of the ability of recipients to live efficiently within such standards. This seems to me to be the viewpoint from which we should direct our welfare policy.

• • •

The purpose of Item "Third" is obvious.

• • •

The remaining articles in the call are, for the most part, of a routine character:

Item "Fourth" looks toward additional aid to our citizens in reclaiming their farms, homes and business properties which have been threatened by the adversities of the past few years.

Item "Fifth" is self-explanatory. While the policy of the Federal government toward work programs for the unemployed over the coming year is still unsettled, our local governmental units should be placed in a position to take advantage of every opportunity to participate in Federal grants for capital purposes.

Item "Sixth" proposes to make the State Planning Board a permanent part of state government in accordance with plans agreed to by the National Resources Board.

Items "Seventh," "Eighth" and "Ninth" are purposed to meet emergency highway requirements, procure Federal grants-in-aid and to secure the fiscal competence of the extraordinary session.

• • •

The call makes no provision for imposing new nor additional taxes. This subject is not eliminated with any thought that no new revenue will be required to carry out the purposes of the measures that you will consider and doubtless enact into law, but it is hoped that there will be available from the general treasury during the current calendar year, sufficient funds to carry through the next few months, which will necessarily be an experimental period, and until the next regular session of the Legislature convenes.

This extraordinary session may well offer an opportunity for achievement comparable with your distinguished work of the past three years. It is my hope that preparation has been so carefully made, that you will be able to dispose of these important questions within a few days, and return to your homes secure in the confidence of another great service to our beloved State.

H. G. KUMP,
Governor.

LEGISLATURE OF WEST VIRGINIA

ACTS OF 1936

FIRST EXTRAORDINARY SESSION

CHAPTER 1

(House Bill No. 1 — By Mr. Speaker, Mr. Pelter)

in lieu thereof new chapters nine and forty-nine and providing penalties for the violation thereof.

[Passed June 20, 1936; in effect July 1, 1936. Approved by the Governor.]

Section

1. General purposes of act.
2. How act cited.
3. Succession of offices and property.
4. Provisions of act severable.
5. Acts repealed.
6. Termination of West Virginia Relief Administration.

Be it enacted by the Legislature of West Virginia:

That chapters nine and forty-nine and article six of chapter twenty-nine of the code of West Virginia, one thousand nine hundred thirty-one, chapters two and thirty-two, acts of the Legislature of West Virginia, one thousand nine hundred thirty-one, and chapters seventy-four and seventy-five, acts of the legislature of West Virginia, one thousand nine hundred thirty-five, are hereby repealed, and new chapters nine and forty-nine are hereby enacted to read as follows:

Section 1. *General Purposes.* From the first day of its statehood the state of West Virginia has extended public assistance to those citizens who, for reasons beyond their control, were unable to care for themselves. The great economic disturbances of the past few years have emphasized this responsibility beyond all previous experience. The legislature, therefore, declares itself eager to provide, so far as it is possible to do so, for the permanent protection of its citizens against the recurring misfortunes of life. To this end, it is the purpose of this act:

- (1) To assemble the public welfare services of the state into a single integrated system.
- (2) To modernize the statutory provisions pertaining to the welfare services to promote more effective activity.
- (3) To add to this system certain public assistance services which shall conform to the requirements of the federal "Social Security Act."

Sec. 2. *How Act Cited.* This act may be cited as the "Public Welfare Law of 1936."

Sec. 3. *Succession of Offices and Property.* Persons
2 holding office under provisions of law repealed by this act
3 shall continue in office until the appointment and qualification
4 of the successors to their duties under the provisions of this
5 act, or until their duties are terminated by order of the state
6 director, because of the adoption and operation of this act.

7 Upon the taking effect of this act, the state department shall
8 have possession of the property, equipment, records and any
9 unexpended funds of the state agencies repealed by or trans-
10 ferred to the state department by this act. The county coun-
11 cil for a county shall have possession of the property, equip-
12 ment, and records of county agencies repealed by or trans-
13 ferred to the county council by this act.

Sec. 4. *Provisions Severable.* The provisions of this act
2 shall be construed as severable, and should any be held un-
3 constitutional, or for any other reason invalid, the remaining
4 provisions shall not be affected thereby.

Sec. 5. *Acts Repealed.* Acts or parts of acts general or
2 special in conflict with or superseded by, the provisions of
3 this act are hereby repealed. But the enactment of this act
4 shall not affect the operation of executive orders relating
5 to the West Virginia Relief Administration dated April
6 twenty-fifth, one thousand nine hundred and thirty-four and
7 February thirteenth, one thousand nine hundred and thirty-
8 five.

Sec. 6. *Relief Administration.* The West Virginia Relief
2 Administration shall continue in effect until its operations
3 are terminated by order of the governor. When the gover-
4 nor finds that the state department and county councils are
5 prepared to discharge the duties of the relief administration,
6 or any of them, or to discharge such duties in a particular
7 county of the state, he shall transfer such duties and activities
8 from the relief administration to the state department or
9 county council, or both, as the case may be. He shall at the
10 same time, transfer so much of the appropriation made by

3 The support of general relief is hereby declared to be the
4 responsibility of the county. To the extent that a county is
5 unable because of constitutional restrictions to meet reason-
6 able costs of general relief as required by this article, the
7 responsibility of the state is hereby recognized.

Sec. 2. *Allocation Among Counties.* At the beginning
2 of each fiscal year the state board shall budget, upon the
3 recommendation of the director, an allocation of available
4 funds for paying public assistance among the counties of the
5 state. The state board may also, upon the recommendation

10 the county.

11 (2) The relative costs per case of assuring a subsistence
12 compatible with decency and health.

13 (3) Such other factors as may be appropriate to assure

2 general relief shall mean cash or its equivalent in services
3 or commodities expended upon the order of the county council
4 or county director for general relief other than for care in
5 a county infirmary, child shelter, or similar institution.

Sec. 4. *County General Relief Fund.* A county court
2 shall include as a separate item within its levy estimate and
3 within the amount levied for current purposes a fund to
4 be known as the "General Relief Fund of
5 County". This fund, hereinafter referred to as the "county
6 fund", shall be used for general relief and for no other
7 purpose.

8 General relief shall be paid as follows: The county
9 council shall draw its requisition upon the county court.
10 The county court shall honor the requisition and, forthwith,
11 shall issue its order upon the county fund for payment as
12 other county orders are paid. Orders shall be delivered to
13 the county director for distribution to recipients.

Sec. 5. *County Funds.* The amount of the county fund
2 provided each year by a county court shall not be less than
3 fifteen percentum of the total which the county court is
4 legally authorized to levy for current purposes by section
5 ten, article eight, chapter eleven of the code of West Vir-
6 ginia, one thousand nine hundred thirty-one, as amended,
7 plus, if available, any other levy or portion of levy specifi-
8 cally allocated by law to the purpose of the county fund.
9 If a county court finds that expenditures mandatory under
10 other provisions of law aggregate in excess of eighty-five per

11 centum of the total amount which the county court is
12 authorized by law to levy for current purposes, the court
13 may petition the tax commissioner for authority to provide
14 an amount less than that required by this section. If the
15 tax commissioner finds that other mandatory expenditures
16 for the county will exceed eighty-five percentum of the
17 authorized total levy for current purposes, he may authorize
18 the county court to provide a lesser amount than that re-
19 quired by this section, but he shall require the maximum
20 amount possible under the circumstances.

Sec. 6. *Transfers.* A transfer from the county fund to
2 any other fund shall not be made without the prior approval
3 of the state department.

Sec. 7. *State General Relief.* There is hereby created
2 a "State General Relief Fund", hereinafter referred to as
3 the "state fund", to be administered by the state depart-
4 ment for the purpose of supplementing the county fund for
5 the support of general relief.

Sec. 8. *Application for Grant.* If the amount required
2 by section five of this article is insufficient to pay for general
3 relief in a county, the county council and the county court
4 may apply to the state department for a grant from the
5 state fund. The application shall be in such form and shall
6 be submitted at such time as the state department shall
7 prescribe. It shall set forth:

8 (1) The actual cost of general relief in the county for
9 the preceding fiscal year, and the estimated cost for the
10 ensuing fiscal year.

11 (2) The levies and expenditures of the county showing
12 the rate of tax delinquency, amounts provided for various
13 county activities, expenditures made mandatory by law, and
14 amounts allocated to the county fund.

15 (3) Such other information as the state department or
16 state board may require.

Sec. 9. *Investigation by Director.* Upon receipt of an
2 application for a grant from the state fund the director shall
3 examine the application and shall make such other investiga-

5 has allocated every resource available for general relief
6 during the ensuing year to the general relief fund. The
7 director shall prepare a report and recommendation for sub-
8 mission to the state board.

Sec. 10. *Determination by State Board.* The director
2 shall submit his recommendations to the state board. The
3 state board shall determine as to each county whether:

4 (1) A grant from the state fund is required to pay the
5 reasonably estimated cost of general relief during the ensuing
6 fiscal year.

7 (2) The estimated cost of general relief for the ensuing
8 fiscal year is reasonable, both as to total cost and estimated
9 cost per case.

10 (3) Every fiscal resource available to the county court
11 for general relief has been allocated to the county fund.

12 If the state board determines that a grant from the state
13 fund should be made to a county, it shall fix the proportion
14 of the total cost of general relief in the county that shall
15 be paid from the state fund. It shall set a total amount
16 which the total of state grants to the county during the fiscal
17 year shall not exceed.

18 The state board may hold a hearing upon the application
19 of a county at which the county council, the county court,
20 citizens of the county, and other interested parties may be
21 heard.

Sec. 11. *Notification.* The state director shall notify the
2 county council and the county court of the action taken by
3 the state board.

Sec. 12. *Redetermination of Grant.* If the state board
2 finds that a grant allocated to a county is either excessive,
3 or insufficient, the board may, after ten days' notice to the
4 county council and county court of the county, proceed to
5 redetermine the proportion of payment as provided by
6 section ten of this article.

Sec. 13. *Monthly Report.* The county council for a
2 county for which a grant from the state fund has been
3 made shall prepare and submit to the state director a
4 monthly report showing the number and kind of cases main-
5 tained under general relief and the amount expended. The

6 report shall be authenticated by the county court as to the
7 amounts disbursed for the purposes stated.

Sec. 14. *Determination by Director.* Upon receipt of the
2 monthly report the state director shall determine whether:

3 (1) The cases for which cost is certified were properly
4 general relief cases.

5 (2) The cost of care was reasonable.

6 If the state director finds that payment should be made,
7 he shall determine in accordance with the proportion of
8 payment fixed by the state board the amount due to the
9 county for that month. He shall draw his requisition for
10 the amount upon the state auditor in favor of the sheriff of
11 the county. The payment shall be disbursed as provided
12 by law for other payments out of the state treasury. The
13 sheriff, upon receipt of said payment, shall place the same to
14 the credit of the general relief fund of the county.

Sec. 15. *Review by State Director.* If the state director
2 finds that cases for which cost is certified by a county were
3 not properly general relief cases, that the cost per case was
4 excessive, or that a disproportionate amount of relief was
5 disbursed during the month as compared with actual or
6 anticipated needs for the month, he may reduce the amount
7 of state payment accordingly.

Sec. 16. *Non-County Residents.* The county council
2 shall certify separately the number of cases and the amount
3 expended per case for general relief of residents of the state
4 who at the time of relief granted had resided in the county
5 for less than one year.

6 Upon approval of the certification by the state director.
7 the amount so expended shall be reimbursed to the county
8 from the state fund.

Sec. 17. *Suspension of Payment.* The state director may
2 suspend the payment of a state grant if he finds that:

3 (1) Relief is being granted to ineligible persons.

4 (2) Funds dedicated for general relief have not actually
5 been made available for expenditure by the county council,
6 or are being diverted for other purposes.

7 (3) The provisions of this chapter and the rules and

8 regulations of the department with respect to general relief
9 are not being complied with.

Sec. 18. *Records and Reports.* The state director, with
2 the approval of the state board may prescribe forms and
3 methods of records and accounts, the form and content of
4 reports to the state department, and such methods and pro-
5 cedures of administration as may be necessary for the effective
6 administration of this article.

Sec. 19. *Review by State Board.* A determination made
2 under this article by the state director shall be subject to
3 review by the state board upon the petition of the county
4 council, or the county court of the county, or any interested
5 party.

Sec. 20. *Administrative Expenses.* The state board, upon
2 the recommendation of the state director, shall prescribe a
3 specific amount from the county fund of each county to be
4 applied to the administrative expenses of the county council.
5 The state board may likewise take necessary administrative
6 expenses into consideration in determining the proportion
7 payment from the equalization fund to a county, and may
8 designate an additional amount of monthly payment for ad-
9 ministrative expenses.

10 The state board may also, upon the recommendation of the
11 state director, reimburse the several counties, on the basis of
12 the expense to the county of administering public assistance,
13 from any funds available to the department to pay such
14 expense.

15 A payment or reimbursement for administrative expense
16 shall be contingent upon the maintenance by the county
17 council and the county court of adequate local administration
18 and the fulfillment by the county of any agreement made with
19 the state department with respect to the maintenance and
20 compensation of local administration.

Sec. 21. *Audits.* Financial records and accounts kept for
2 the purposes of this chapter shall be audited in accordance
3 with article nine, chapter six of the code of West Virginia,
4 one thousand nine hundred thirty-one.

A person who fails or refuses to obey the order of the circuit court may be punished by the court as for contempt.

Section 1. *Purpose.* The purpose of this chapter is to
2 provide reasonable and effective means for the promotion

3 of social and economic security by reducing as far as practi-
4 cable the hazards of unemployment. In the furtherance of
5 this objective, the Legislature establishes a compulsory
6 system of unemployment reserves in order to

7 (1) Provide a measure of security to the families of
8 unemployed persons.

9 (2) Guard against the menace to health, morals, and
10 welfare arising from unemployment.

11 (3) Maintain as great purchasing power as possible, with
12 a view to sustaining the economic system during periods of
13 economic depression.

14 (4) Stimulate stability of employment as a requisite of
15 social and economic security.

16 (5) Allay and prevent the debilitating consequences of
17 poor relief assistance.

18 To give effect to these purposes the Legislature establishes
19 the following system in the belief that the purposes are
20 reasonably within the sphere of governmental control and
21 that the agencies created for their accomplishment are the
22 fairest and most effective devices now available.

7 basis. The board shall not appoint a person who is identified
8 with the interests of either employers or employees.

Sec. 11. *Oaths and Witnesses.* The board, appeal tribunal,
2 or examiner will have the power to administer oaths, take de-
3 positions, certify official acts, and issue subpoenas to compel
4 the attendance of witnesses and the production of papers
5 necessary as evidence in connection with a dispute or dis-

Sec. 12. *Subpoenas.* The board, appeal tribunal, or ex-

5 the board, appeal tribunal, or examiner may invoke the aid
6 of a circuit court in order that the testimony or evidence
7 be produced. Upon proper showing such court shall issue
8 an order requiring such persons to appear before the board
9 appeal tribunal, or examiner and produce all evidence and
10 give all testimony touching the matter in question. A
11 person failing to obey such order may be punished by the
12 court as for contempt.

Section 1. *Employer Coverage.* An employing unit which
2 is or becomes an employer subject to this chapter during
3 any year shall be subject to the provisions of the chapter
4 for the whole of the year.

Sec. 2. *Duration.* Except as provided in section three of this article, an employing unit shall cease to be an employer subject to this chapter only as of the first day of January of any year, and only if it files with the director, prior to the fifth day of January of such year, a written application for termination of coverage, and the director finds that there were no twenty different days, each day being in a different week within the preceding calendar year, within which such employing unit employed eight or more individuals in employment subject to this chapter.

Sec. 3. *Voluntary Coverage.* Upon written election filed with the director, an employing unit not subject to this chapter, or an employer of services which do not constitute employment under this chapter, may, upon the written approval of the director qualify under this chapter for a period of not less than two years. An employing unit which voluntarily elects to become an employer subject to this chapter shall be treated as an employer for all purpose for the full period of its election.

In the case of voluntary coverage, an employing unit or employer may withdraw as of January first of any calendar year, if thirty days prior to that date it files written notice of its intention with the director.

Sec. 4. *Payments.* On and after January first, one thousand nine hundred thirty-six, an employer shall be liable for payments in respect to wages payable for employment occurring during each year.

Sec. 5. *Rate of Contribution.* An employer shall make payments to the unemployment compensation fund equal to the following percentages of wages payable by him with respect to employment as follows:

Nine-tenths of one per cent with respect to employment during the year, one thousand nine hundred thirty-six.

One and eight-tenths per cent with respect to employment during the year, one thousand nine hundred thirty-seven.

Two and seven-tenths per cent with respect to employment during the years, one thousand nine hundred thirty-eight, one thousand nine hundred thirty-nine, one thousand nine hundred forty, and thereafter.

13 The percentage determined by sections eight to thirteen of
14 this article.

 Sec. 6. *Pooled Fund.* All payments shall be made to the
2 unemployment compensation fund. All payments to the
3 fund shall be pooled and available to pay benefits to any
4 individual entitled thereto under this chapter, irrespective
5 of the source of the payment. Nothing in this chapter shall
6 be construed to grant to an employer or individual in his
7 service prior claim or right to the amount paid by him to the
8 unemployment compensation fund.

 Sec. 7. *Separate Account.* The director shall maintain a
2 separate account for each employer, crediting his account
3 with all the payments which he has made and charging his
4 account with all benefits which under article six were
5 chargeable against weeks of employment in his service.

 Sec. 8. *Merit Rating: Classification.* For the year one
2 thousand nine hundred forty-one and each year thereafter
3 the director shall classify employers according to the ratio
4 of payments credited and benefits charged to their account,
5 with a view to fixing such payment-rates as will reflect their
6 employment experience.

 Sec. 9. *Merit Ratings: Fund Stabilization.* An employer's
2 payment-rate shall be reduced only as of January one of a
3 calendar year and shall not be reduced below two and seven
4 tenths per cent:

5 (1) Prior to January one, one thousand nine hundred
6 forty-one.

7 (2) Thereafter, unless the total assets of the fund, ex
8 cluding payments payable at the beginning of the year.
9 exceed the total benefits paid from the fund within the last
10 preceding year.

11 No employer's rate shall be less than one and eight-tenths
12 per cent, unless the assets of the entire fund are at such
13 time at least twice the total benefits paid from the fund
14 within the last preceding year.

 Sec. 10. *Merit Rating: Decreased Rates.* After the require-
2 ments of section nine have been complied with, an em-

3 ployer's payment shall remain two and seven-tenths per cent,
4 until:

5 (1) There has elapsed three years throughout which an
6 individual in his employ could have received benefits if un-
7 employed and eligible.

8 (2) His payments exceed the benefits charged to his
9 account by an amount equal to at least seven and one-half
10 per cent of his average annual payroll, in which case his
11 rate shall be one and eight-tenths per cent.

12 (3) His payments exceed the benefits charged to his
13 account by an amount equal to at least ten per cent of his
14 average annual payroll, in which case his rate shall be
15 nine-tenths of one per cent.

16 The director shall determine an employer's compliance
17 with these requirements.

Sec. 11. *Merit Ratings: Increased Rates.* If the total pay-
2 ments of an employer for all past periods or the last sixty
3 consecutive calendar months (whichever period is the more
4 advantageous to the employer) are less than the total
5 benefits charged against his account during the same period,
6 his rate shall be three and six-tenths per cent, unless he shows
7 to the satisfaction of the director that such experience is
8 due to an act of God, fire, or other catastrophe, or act of
9 civil or military authority, directly affecting the place in
10 which individuals were employed by him, in which case the
11 rate shall be two and seven-tenths per cent.

Sec. 12. *Auxiliary Rates.* If the director determines that
2 the above rates work inequities and hardships upon par-
3 ticular individuals or industries he may hold an investiga-
4 tion after proper notice and hearing and establish other
5 rates more in consonance with the risk of each employer
6 and more nearly calculated to increase stabilization of em-
7 ployment. Rates fixed by the director shall be subject to
8 the following limitations:

9 (1) The combined rates of all employers shall yield ap-
10 proximately two and seven-tenths per cent of the total
11 annual payrolls.

12 (2) The rate for a particular employer shall not be less
13 than two and seven-tenths per cent until there has been

14 three years throughout which an individual in his employ
15 could have received benefits if unemployed and eligible.

Sec. 13. *Method of Payment.* All payments shall be made
2 in accordance with rules and regulations of the director.

Sec. 14. *Deduction of Wages Prohibited.* An employer
2 shall not deduct payments in whole or in part from the wages
3 of an individual in his employ.

Sec. 15. *Fractions.* In any payment, a fractional part of
2 a cent shall be disregarded unless it amount to one-half cent
3 or more, in which case, it shall be increased to one cent.

Sec. 16. *Collection of Payments.* The director in the name
2 of the state shall commence a civil action against an employer,
3 who, after due notice, defaults in any payment or interest
4 thereon. If judgment is against the employer he shall pay
5 the costs of the action.

6 Civil actions under this section shall be given preference
7 on the calendar of the court over all other civil actions ex-
8 cept petitions for judicial review under this chapter and
9 cases arising under the Workmen's Compensation Law.

Sec. 17. *Interest on Past-due Payments.* Payments un-
2 paid on the date on which due and payable, as prescribed by
3 the director, shall bear interest at the rate of one per cent
4 per month until payment plus accrued interest is received by
5 the director.

6 Interest collected pursuant to this section shall be paid
7 into the Unemployment Compensation Fund.

Sec. 18. *Priorities.* In the event of any distribution of an
2 employer's assets pursuant to an order of the court under a
3 law of this state, payments then or thereafter due shall be
4 paid in full prior to all other claims except taxes and claims
5 for wages. Wage claims in excess of two hundred fifty dollars
6 per claimant or earned more than six months before the com-
7 mencement of the proceeding, shall not be entitled to priority.
8 In the event of an employer's adjudication in bankruptcy,
9 judicially confirmed extension proposal or composition, under
10 the Federal Bankruptcy Act of one thousand eight hundred
11 ninety-eight, as amended, payments then or thereafter due

12 shall be entitled to such priority as is provided in section
13 sixty-four (b) of that act, as amended.

Sec. 19. *Refunds.* Within one year after date on which pay-
2 ment or interest thereon is due, an employer, who has paid
3 such payment or interest, may make application for:

4 (1) An adjustment thereof in connection with subsequent
5 payments.

6 (2) A refund thereof if adjustment cannot be made

7 If the director determines that payments and interest were
8 erroneously collected, he shall make the adjustment, without
9 interest, in connection with subsequent payments of the em-
10 ployer, or if such adjustment cannot be made, refund the
11 amount without interest from the Unemployment Compensa-
12 tion Fund.

13 For like cause and within the same period the director,
14 on his own initiative, may make an adjustment or refund.

Section 1. *Eligibility Qualifications.* An unemployed in-
2 dividual shall be eligible to receive benefits, only if the director
3 finds that:

4 (1) He has registered for work at and thereafter con-
5 tinues to report at an employment office in accordance with
6 the regulations of the director.

7 (2) He has made a claim for benefits in accordance with

8 the provisions of article seven of this chapter.

9 (3) He is able to work, and is available for work.

10 (4) He has been totally unemployed for a waiting period
11 of two weeks prior to the week for which he claims benefits
12 for total unemployment.

13 (5) He has had at least thirteen weeks of employment
14 within the fifty-two consecutive weeks preceding the first
15 week in any continuous period of unemployment.

Sec. 2. *Waiting Period Construed.* The waiting period of
2 two weeks need not be consecutive but may be accumulated
3 during the thirteen consecutive weeks preceding the week
4 for which benefits are claimed. This requirement shall not
5 interrupt the payment of benefits for consecutive weeks of
6 unemployment; but the waiting period must occur after bene-
7 fits could first become payable to an individual under this
8 chapter.

9 During the waiting period the individual must be eligible
10 in all respects except for the requirements of subsections two
11 and five, section one of this article.

Sec. 3. *Extension of Employment Period.* If the director
2 finds that during the period of fifty-two weeks required by
3 subsection five, section one of this article, or the period of
4 one hundred and four weeks required by section twelve of this
5 article, an individual has been:

6 (1) Incapable of work because of some physical or mental
7 disability,

8 (2) Engaged in self-employment,

9 (3) Engaged in the performance of services not subject to
10 this chapter,
11 either or both periods shall be extended by the duration of
12 the incapacity, self-employment, or services. No such exten-
13 sions shall exceed fifty-two additional weeks.

Sec. 4. *Disqualification for Benefits.* Upon the determi-
2 nation of the facts by the director or his deputy, an individual
3 shall be disqualified for benefits:

4 (1) For the week in which he left work voluntarily with-
5 out good cause and for not less than one nor more than five
6 weeks which immediately follow.

7 (2) For the week in which he has been discharged for

8 misconduct connected with his work and for not less than
9 one nor more than nine weeks which immediately follows.

10 (3) For the week in which he failed, without good cause,
11 to apply for available suitable work, accept suitable work
12 when offered, or return to his customary self-employment
13 when directed to do so by the director and for not less than
14 one nor more than five weeks which immediately follow.

15 (4) For a week in which his total or partial unemploy-
16 ment is due to a stoppage of work which exists because of a
17 labor dispute at the factory, establishment, or other premises
18 at which he was last employed, unless the director is satis-
19 fied that he was not (one) participating, financing, or inter-
20 ested in such dispute, and (two) did not belong to a grade
21 or class of workers who were participating, financing, or
22 directly interested in the labor dispute which resulted in
23 the stoppage of work.

24 (5) For a week with respect to which he is receiving or
25 has received:

26 (a) Wages in lieu of notice;

27 (b) Compensation for temporary partial disability under
28 the Workmen's Compensation Law of any state or under a
29 similar law of the United States;

30 (c) Old age benefits under Title II of the Social Security
31 Act or similar payments under any act of Congress.

Sec. 5. *Suitable Work.* In determining whether work is
2 suitable for an individual, the director shall consider:

3 (1) The degree of risk involved to the individual's health,
4 safety, and morals.

5 (2) The individual's physical fitness and prior training.

6 (3) His experience and prior earnings.

7 (4) His length of unemployment.

8 (5) His prospects of securing local work in his customary
9 occupation.

10 (6) The distance of the available work from his residence.

Sec. 6. *Suitable Work: Further Requirements.* Notwith-
2 standing any other provisions of this chapter, no work shall
3 be deemed suitable and benefits shall not be denied to an in-
4 dividual, otherwise eligible, for refusing to accept new work
5 under any of the following conditions:

6 (1) If the position offered is vacant due directly to a
7 strike, lockout, or other labor dispute.

8 (2) If the wages, hours, or other conditions of the work
9 offered are substantially less favorable to the individual than
10 those prevailing for similar work in the locality.

11 (3) If as a condition of being employed the individual
12 would be required to join a company union or to resign from
13 or refrain from joining any bona-fide labor organization.

Sec. 7. *Disqualification in Case of Labor Dispute: Ex-*
2 *ception.* In case separate branches of work commonly con-
3 ducted as separate businesses are conducted in separate de-
4 partments on the same premises, each department shall, for
5 the purposes of subsection four, section four, be treated as a
6 separate establishment.

Sec. 8. *Payment of Benefits.* Benefits shall become payable
2 from the fund twenty-four months after the first day when
3 payments first accrue.

Sec. 9. *Place of Payment.* Benefits shall be paid through
2 employment offices in accordance with such regulations as
3 the director shall prescribe.

Sec. 10. *Amount of Benefits: Total Unemployment.* Each
2 eligible individual who is totally unemployed in any week
3 shall be paid benefits with respect to that week at the rate
4 of fifty per cent of his full-time weekly wage, but no more
5 than fifteen dollars per week nor less than five dollars, or
6 three-fourths of his full-time weekly wage, whichever is the
7 lesser.

8 Benefits shall be computed to the next highest multiple
9 of twenty cents.

Sec. 11. *Amount of Benefits: Partial Unemployment.* An
2 eligible individual who is partially unemployed in any week
3 shall be paid with respect to such week a partial benefit.
4 Such partial benefit shall be an amount which if added to
5 his wages for such week would exceed his weekly benefit
6 amount by two dollars.

7 If such partial benefit for any week equal less than two
8 dollars it shall not be payable unless and until the accumu-
9 lated total of such partial benefits with respect to weeks
10 occurring within the thirteen preceding weeks equals two
11 dollars or more.

Sec. 12. *Ratio of Benefits.* An eligible individual shall be
2 paid benefits with respect to his total or partial unemploy-
3 ment in the ratio of one-fourth of his weekly benefit amount
4 to each uncharged week of employment occurring within the
5 one hundred four consecutive weeks preceding the first week
6 in any continuous period of unemployment, except that his
7 aggregate benefits thus payable within any period of fifty-
8 two consecutive weeks shall not exceed twelve times his
9 weekly benefit amount.

Sec. 13. *Method of Charging Benefits.* An individual's
2 total benefits shall be limited in accordance with the pro-
3 visions of section twelve of this article and shall be charged
4 against his weeks of employment in the inverse chronological
5 order in which such weeks occurred.

Sec. 14. *Two or More Employers.* In no event shall any
2 one calendar week be charged as more than one week of em-
3 ployment. If during any week an individual has rendered
4 services for more than one employer his benefit shall be
5 chargeable only against the week of employment for the em-
6 ployer by whom the plurality of his wages for such week was
7 payable.

Sec. 15. *Partial Benefits.* If the amount chargeable against
2 a particular week of employment is less than one-fourth of
3 the weekly benefit amount, the manner in which and the extent
4 to which such charge shall be made shall be fixed by the
5 director according to a general rule.

Sec. 16. *Full-time Weekly Hours.* An individual's full-
2 time weekly hours shall be determined as follows:

- 3 (1) The hours worked by an individual in all those weeks
4 of employment in which he worked thirty hours or more
5 occurring within the fifty-two weeks preceding the first week
6 in any continuous period of unemployment shall be added to-
7 gether.
- 8 (2) The total hours shall be divided by the number of
9 weeks in which more than thirty hours were worked.
- 10 (3) The resulting weekly average shall constitute the in-
11 dividual's full-time weekly hours.
- 12 (4) If the application of the above method produces un-
13 reasonable or arbitrary results in a particular case, the

14 director shall prescribe fair and reasonable methods of deter-
15 mination.

Sec. 17. *Hourly Rate of Earnings.* An individual's hourly
2 rate of earnings shall be determined by dividing the total
3 wages for his full-time weekly hours occurring within the
4 thirteen weeks preceding the first week in any continuous
5 period of unemployment by the total number of hours of
6 employment within such weeks. The quotient so obtained
7 shall be his hourly rate of earnings until a subsequent deter-
8 mination is made. If such method of determination is un-
9 reasonable or arbitrary in a particular case, the hourly rate
10 of earnings shall be determined by the director in accordance
11 with fair and reasonable methods.

Sec. 18. *Full-time Weekly Wage.* The full-time weekly
2 wage shall be the product of the full-time weekly hours as
3 determined in section sixteen and the hourly rate of earn-
4 ings as determined in section eighteen of this article.

Sec. 19. *Uniform Hour and Rate Determination.* After
2 fair notice and opportunity to be heard, the director may
3 determine the full-time weekly hours customarily worked
4 and the hourly rate of earnings customarily received by
5 individuals employed in any trade or industry or any type
6 of employment within the state. After such hearing he may
7 determine and publish uniform rates within industries for
8 different types of employment and for different portions of
9 the state. Until such determinations are amended or re-
10 scinded, the rates so fixed shall be the basis for determining
11 the full-time weekly wage.

12 Upon application in writing the director may exempt any
13 individual from the application of such uniform rates if the
14 applicant demonstrates their unfairness or inapplicability to
15 him.

Sec. 20. *Seasonal and Part-time Employment.* The director
2 shall study and investigate the prevalence of part-time and
3 seasonal employment in the state. He shall prepare a plan
4 covering the protections of this chapter with respect to in-
5 dividuals in part-time and seasonal employment and shall
6 submit such plan to the Legislature, which convenes in Janu-
7 ary, one thousand nine hundred thirty-nine.
