- 536 (5) Alternative method for determining reference interest 537 rates. –

In the event that the monthly average of the composite yield on seasoned corporate bonds is no longer published by Moody's investors service, inc., or in the event that the national association of insurance commissioners determines that the monthly average of the composite yield on seasoned corporate bonds as published by Moody's investors service, inc., is no longer appropriate for the determination of the reference interest rate, then an alternative method for determination of the reference interest rate, which is adopted by the national association of insurance commissioners and approved by regulation promulgated by the commissioner, may be substituted.

In making the above comparison, the mortality and interest bases stated in subsections (d) and (f) of this section shall be used.

Reserves according to the commissioners' reserve valuation method for: (i) Life insurance policies providing for a varying amount of insurance or requiring the payment of varying premiums; (ii) group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation, established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organiza-

This subsection shall apply to all annuity and pure endowment contracts other than group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under section 408 of the Internal Revenue Code (26 U. S. C. §408) as now or hereafter amended.

Reserves according to the commissioners' annuity reserve method for benefits under annuity or pure endowment contracts, excluding any disability and accidental death benefits in such contracts, shall be the greatest of the respective excesses of the present values, at the date of valuation, of the future guaranteed benefits, including guaranteed nonforfeiture benefits, provided for by such contracts at the end of each respective contract year over the present value, at the date of valuation, of any future valuation considerations derived from future gross considerations, required by the terms of such contract, that become payable prior to the end of such respective contract year.

The future guaranteed benefits shall be determined by using the mortality table, if any, and the interest rate, or rates, specified in such contracts for determining guaranteed benefits. The valuation considerations are the portions of the respective gross considerations applied under the terms of such contracts to determine nonforfeiture values.

- 657 (2) In no event shall the aggregate reserves for all policies, 658 contracts and benefits be less than the aggregate reserves 659 determined by the qualified actuary to be necessary to render 660 the opinion required by subsection (c) of this section.

# (j) Optional reserve calculation. —

Reserves for all policies and contracts issued prior to the effective date of this section may be calculated, at the option of the company, according to any standards which produce greater aggregate reserves for all such policies and contracts than the minimum reserves required by the laws in effect immediately prior to such date.

Reserves for any category of policies, contracts or benefits as established by the commissioner issued on or after the effective date of this section may be calculated, at the option of the company, according to any standards which produce greater aggregate reserves for such category than those calculated according to the minimum standard herein provided, but the rate or rates of interest used for policies and contracts, other than annuity and pure endowment contracts, shall not be higher

Any such company which at any time shall have adopted any standard of valuation producing greater aggregate reserves than those calculated according to the minimum standard herein provided may, with the approval of the commissioner, adopt any lower standard of valuation, but not lower than the minimum herein provided: *Provided*, That for the purposes of this section, the holding of additional reserves previously determined by a qualified actuary to be necessary to render the opinion required by subsection (c) of this section shall not be considered to be the adoption of a higher standard of valuation.

(k) Reserve calculation. — Valuation net premium exceeding the gross premium charged.

If in any contract year the gross premium charged by any life insurance company on any policy or contract is less than the valuation net premium for the policy or contract calculated by the method used in calculating the reserve thereon but using the minimum valuation standards of mortality and rate of interest, the minimum reserve required for such policy or contract shall be the greater of either the reserve calculated according to the mortality table, rate of interest and method actually used for such policy or contract or the reserve calculated by the method actually used for such policy or contract but using the minimum valuation standards of mortality and rate of interest and replacing the valuation net premium by the actual gross premium in each contract year for which the valuation net premium exceeds the actual gross premium. The minimum valuation standards of mortality and rate of interest referred to in this section are those standards stated in subsections (d) and (f) of this section: *Provided*, That for any life insurance policy issued on or after the first day of January, one thousand nine hundred eighty-five, for which the gross premium in the first 709 policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for 710 711 such excess and which provides an endowment benefit or a cash 712 surrender value or a combination thereof in an amount greater than such excess premium, the foregoing provisions of this 713 714 subsection shall be applied as if the method actually used in 715 calculating the reserve for such policy were the method 716 described in subsection (g) of this section, ignoring the second 717 paragraph of said subsection.

The minimum reserve at each policy anniversary of such a policy shall be the greater of the minimum reserve calculated in accordance with said subsection, including the second paragraph of that section, and the minimum reserve calculated in accordance with this subsection.

- 724 In the case of any plan of life insurance which provides for 725 future premium determination, the amounts of which are to be 726 determined by the insurance company based on then estimates 727 of future experience, or in the case of any plan of life insurance 728 or annuity which is of such a nature that the minimum reserves 729 cannot be determined by the methods described in subsections 730 (g), (h) and (k) of this section, the reserves which are held under 731 any such plan must:
- (1) Be appropriate in relation to the benefits and the patternof premiums for that plan; and
- 734 (2) Be computed by a method which is consistent with the 735 principles of this standard valuation law as determined by 736 regulations promulgated by the commissioner.
- 737 (m) Minimum standards for health (disability, accident and sickness) plans. –

- The commissioner shall promulgate a regulation containing the minimum standards applicable to the valuation of health (disability, sickness and accident) plans.

752

757

- All acts and parts of acts inconsistent with the provision of this section are hereby repealed as of the effective date of this section. This section shall take effect the first day of January, one thousand nine hundred ninety-six.
  - (p) Modification of the standard valuation law for certain types of contracts. –
- 759 (1) The commissioner may, by rule, establish alternative methods of calculating reserve liabilities, which methods shall 760 761 be used to calculate reserve liabilities for the types of policies, 762 annuities or other contracts identified in the rule: Provided, That the method specified in the rule shall be one which, in the 763 764 opinion of the commissioner and in light of the methods applied to such contracts by the insurance regulators of other states, is 765 appropriate to such contracts. This power shall be in addition to, 766 767 and in no way diminish, rule-making power granted to the 768 commissioner elsewhere in this code.

769 (2) The legislative rule filed in the state register on the 770 twentieth day of August, one thousand nine hundred ninety-six, 771 (valuation of life insurance policies, 114 CSR 49) is hereby 772 disapproved and is not authorized for promulgation: Provided, 773 That for purposes of determining the legal effects of the aforementioned rule, this provision shall be considered to have 774 775 taken effect on the thirty-first day of December, one thousand 776 nine hundred ninety-seven. 69 (g) If a surplus lines policy procured through a surplus lines licensee covers properties, risks or exposures only partially 70 located or to be performed in this state, the tax due shall be 71 computed on the portions of the premiums which are attribut-72 73 able to the properties, risks or exposures located or to be performed in this state. In determining the amount of premiums 74 taxable in this state, all premiums written, procured or received 75 76 in this state shall be considered written on properties, risks or

- 111 (2) If the information provided by the surplus lines licensee 112 is insufficient to substantiate the method of allocation used by 113 the surplus lines licensee, or if the commissioner determines 114 that the licensee's method is incorrect, the commissioner shall 115 determine the equitable and appropriate amount of tax due to 116 this state as follows:
- 117 (A) By use of the allocation schedule where the risk is 118 appropriately identified in the schedule;
- 119 (B) Where the allocation schedule does not identify a 120 classification appropriate to the coverage, the commissioner may give significant weight to documented evidence of the 121 122 underwriting bases and other criteria used by the insurer. The 123 commissioner may also consider other available information to 124 the extent sufficient and relevant, including the percentage of 125 the insured's physical assets in this state, the percentage of the insured's sales in this state, the percentage of income or 126 127 resources derived from this state, and the amount of premium 128 tax paid to another jurisdiction for the policy.
  - (i) Collection of tax.

129

130 If the tax owed by a surplus lines licensee under this section 131 has been collected and is not paid within the time prescribed, 132 the same shall be recoverable in a suit brought by the commis-133 sioner against the surplus lines licensee. The commissioner may 134 charge interest for any unpaid tax, fee, financial assessment or 135 penalty, or portion thereof: *Provided*, That interest may not be 136 charged on interest. - 11 decree" shall treat the foreign decree in the same manner as a
- 12 decree of a circuit court of this state. A foreign decree so filed
- 13 has the same effect and shall be deemed a decree of a circuit
- 14 court of this state, and is subject to the same procedures,
- 15 defenses and proceedings for reopening, vacating or staying as
- 16 a decree of a circuit court of this state and may be enforced or
- 17 satisfied in like manner.
- 18 (c) Notice of filing.
- 19 (1) At the time of the filing of the foreign decree, the
- 20 plaintiff shall make and file with the clerk of the court an

- 32 been filed.
- (3) No execution or other process for enforcement of a 33
- 34 foreign decree filed hereunder may issue until thirty days after
- 35 the date the decree is filed.

- vacated, upon proof that the defendant has furnished the 42
- 43
- security for the satisfaction of the decree required by the state
- 44 in which it was rendered.
- 45 (2) If the defendant shows the circuit court any ground upon
- 46 which enforcement of a decree of any circuit court of this state
- 47 would be stayed, the court shall stay enforcement of the foreign
- decree for an appropriate period, upon requiring the same 48
- security for satisfaction of the decree which is required in this 49
- 50 state.
- 51 (e) It shall be the policy of this state that the insurance
- 52 commissioner shall cooperate with regulatory officials in other
- 53 United States jurisdictions to the greatest degree reasonably

AN ACT to amend and reenact section thirty-a, article thirteen, chapter thirty-three of the code of West Virginia, one thousand nine hundred thirty-one, as amended, relating to the standard nonforfeiture law for individual deferred annuities.

Be it enacted by the Legislature of West Virginia:

That section thirty-a, article thirteen, chapter thirty-three of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

ARTICLE 13. LIFE INSURANCE.

§33-13-30a. Standard nonforfeiture law for individual deferred annuities.

- 1 (a) This section shall be known as the "Standard 2 Nonforfeiture Law for Individual Deferred Annuities".
- 3 (b) This section may not apply to any reinsurance, group annuity purchased under a retirement plan or plan of deferred 4 compensation established or maintained by an employer 5 (including a partnership or sole proprietorship) or by an 6 7 employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annu-9 ities under Section 408 of the Internal Revenue Code, as now or hereafter amended, premium deposit fund, variable annuity, 10 11 investment annuity, immediate annuity, any deferred annuity contract after annuity payments have commenced or reversion-12 ary annuity, nor to any contract which shall be delivered outside 13 this state through an agent or other representative of the 14 15 company issuing the contract.
- 16 (c) In the case of contracts issued on or after the operative 17 date of this section as defined in subsection (1) of this section, 18 no contract of annuity, except as stated in subsection (b) of this section, shall be delivered or issued for delivery in this state 19 20 unless it contains in substance the following provisions, or corresponding provisions which, in the opinion of the commis-21 22 sioner, are at least as favorable to the contract holder, upon 23 cessation of payment of considerations under the contract:
- 24 (1) That upon cessation of payment of considerations under 25 a contract, the company will grant a paid-up annuity benefit on 26 a plan stipulated in the contract of the value as is specified in 27 subsections (e), (f), (g), (h) and (j) of this section;
- 28 (2) If a contract provides for a lump sum settlement at 29 maturity or at any other time, that, upon surrender of the 30 contract at or prior to the commencement of any annuity 31 payments, the company will pay in lieu of any paid-up annuity 32 benefit a cash surrender benefit of the amount as is specified in

33 subsections (e), (f), (h) and (j) of this section. The company

- 34 shall reserve the right to defer the payment of the cash surren-
- 35 der benefit for a period of six months after demand therefor
- 36 with surrender of the contract;

- 37 (3) A statement of the mortality table, if any, and interest 38 rates used in calculating any minimum paid-up annuity, cash 39 surrender or death benefits that are guaranteed under the 40 contract, together with sufficient information to determine the 41 amounts of the benefits; and
  - (4) A statement that any paid-up annuity, cash surrender or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the state in which the contract is delivered and an explanation of the manner in which the benefits are altered by the existence of any additional amounts credited by the company to the contract, any indebtedness to the company on the contract or any prior withdrawals from or partial surrenders of the contract.

Notwithstanding the requirements of this subsection, any deferred annuity contract may provide that if no considerations have been received under a contract for a period of two full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid prior to the period would be less than twenty dollars monthly, the company may at its option terminate the contract by payment in cash of the then present value of the portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit and by the payment shall be relieved of any further obligation under the contract.

(d) The minimum values as specified in subsections (e), (f), (g), (h) and (j) of this section of any paid-up annuity, cash surrender or death benefits available under an annuity contract

- shall be based upon minimum nonforfeiture amounts as defined in this section:
- (1) With respect to contracts providing for flexible considerations, the minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to the time at a rate of interest of three percent per annum of percentages of the net considerations (as hereinafter defined) paid prior to the time, decreased by the sum of:
- 74 (A) Any prior withdrawals from or partial surrenders of the 75 contract accumulated at a rate of interest of three percent per 76 annum; and
- 77 (B) The amount of any indebtedness to the company on the 78 contract, including interest due and accrued; and increased by 79 any existing additional amounts credited by the company to the 80 contract.

81 The net considerations for a given contract year used to 82 define the minimum nonforfeiture amount shall be an amount not less than zero and shall be equal to the corresponding gross 83 84 considerations credited to the contract during that contract year 85 less than an annual contract charge of thirty dollars and less a 86 collection charge of one dollar and twenty-five cents per 87 consideration credited to the contract during that contract year. 88 The percentages of net considerations shall be sixty-five percent of the net consideration for the first contract year and 89 eighty-seven and one-half percent of the net considerations for 90 91 the second and later contract years. Notwithstanding the 92 provisions of the preceding sentence, the percentage shall be 93 sixty-five percent of the portion of the total net consideration 94 for any renewal contract year which exceeds by not more than 95 two times the sum of those portions of the net considerations in all prior contract years for which the percentage was sixty-fivepercent.

98

99

100

101

102103

- Notwithstanding any other provision of this section, any contract issued on or after the first day of July, two thousand three, and before the first day of July, two thousand five, the interest rate at which net considerations, prior withdrawals and partial surrenders shall be accumulated for the purpose of determining nonforfeiture amounts may not be less than one and one-half percent per annum.
- 105 (2) With respect to contracts providing for fixed scheduled considerations, minimum nonforfeiture amounts shall be 107 calculated on the assumption that considerations are paid annually in advance and shall be defined as for contracts with 109 flexible considerations which are paid annually with two 110 exceptions:
- (A) The portion of the net consideration for the first contract year to be accumulated shall be the sum of sixty-five percent of the net consideration for the first contract year plus twenty-two and one-half percent of the excess of the net consideration for the first contract year over the lesser of the net considerations for the second and third contract years.
- 117 (B) The annual contract charge shall be the lesser of: (i) 118 Thirty dollars; or (ii) ten percent of the gross annual consideration.
- (3) With respect to contracts providing for a single consideration, minimum nonforfeiture amounts shall be defined as for contracts with flexible considerations except that the percentage of net consideration used to determine the minimum nonforfeiture amount shall be equal to ninety percent and the net consideration shall be the gross consideration less a contract charge of seventy-five dollars.

- (e) Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date. The present value shall be computed using the mortality table, if any, and the interest rate specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.
- (f) For contracts which provide cash surrender benefits, the cash surrender benefits available prior to maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit which would be provided under the contract at maturity arising from consideration paid prior to the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract, the present value being calculated on the basis of an interest rate not more than one percent higher than the interest rate specified in the contract for accumulating the net considerations to determine the maturity value, decreased by the amount of any indebtedness to the company on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the company to the contract. In no event shall any cash surrender benefit be less than the minimum nonforfeiture amount at that time. The death benefit under the contracts shall be at least equal to the cash surrender benefit.
- (g) For contracts which do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid prior to the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity, the present value being calculated for

160 the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net consider-161 ations to determine the maturity value and increased by any 162 163 existing additional amounts credited by the company to the 164 contract. For contracts which do not provide any death benefits prior to the commencement of any annuity payments, the 165 present values shall be calculated on a basis of the interest rate 166 167 and the mortality table specified in the contract for determining 168 the maturity value of the paid-up annuity benefit. However, in no event shall the present value of a paid-up annuity benefit be 169 less than the minimum nonforfeiture amount at that time. 170

(h) For the purpose of determining the benefits calculated under subsections (f) and (g) of this section, in the case of annuity contracts under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date shall be deemed to be the latest date for which election shall be permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant's seventieth birthday or the tenth anniversary of the contract, whichever is later.

- (i) Any contract which does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract that the benefits are not provided.
- (j) Any paid-up annuity, cash surrender or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs.

- 192 (k) For any contract which provides, within the same 193 contract by rider or supplemental contract provision, both 194 annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross 195 considerations with interest, the minimum nonforfeiture 196 197 benefits shall be equal to the sum of the minimum nonforfeiture 198 benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if 199 200 each portion were a separate contract. The inclusion of the 210 additional benefits shall not be required in any paid-up benefits 211 unless the additional benefits separately would require mini-212 mum nonforfeiture amounts, paid-up annuity, cash surrender 213 and death benefits.
- (1) After the effective date of this section, any company 215 may file with the commissioner a written notice of its election 216 to comply with the provisions of this section after a specified date before the second anniversary of the effective date of this 217 218 section. After the filing of the notice, then upon the specified 219 date which shall be the operative date of this section for the 220 company, this section shall become operative with respect to annuity contracts thereafter issued by the company. - 66 (h) Notwithstanding the provisions of section ten of this
- 67 article, the superintendent shall make provisions for coverage

## §11-15B-2a. Streamlined sales and use tax agreement defined.

- 1 As used in this article and articles fifteen and fifteen-a of
- 2 this chapter, the term "streamlined sales and use tax agreement"
- 3 or "agreement" means the agreement adopted the twelfth day of
- 4 November, two thousand two, by states that enacted authority
- 5 to engage in multistate discussions similar to that provided in
- 6 section four of this article, except when the context in which the
- 7 term is used clearly indicates that a different meaning is
- 8 intended by the Legislature. "Agreement" does not include any
- 9 substantive changes in the agreement adopted after the Legisla-
- 10 ture enacts this section in the year two thousand three.

## §11-15B-3. Legislative findings.

- 1 (a) The Legislature finds that a streamlined sales and use
- 2 tax administration system will reduce and over time eliminate
- 3 the burden and cost for all vendors to collect this state's sales
- 4 and use tax. The Legislature further finds that this state should
- 5 participate in multistate discussions to review and/or amend the
- 6 terms of the agreement to simplify and modernize sales and use
- 7 tax administration in order to substantially reduce the burden of
- 8 tax compliance for all sellers and for all types of commerce.
- 9 (b) The Legislature finds that the streamlined sales and use
- 10 tax agreement adopted the twelfth day of November, two
- 11 thousand two, by representatives of the states participating in
- 12 multistate discussions to amend and implement the agreement
- 13 substantially complies with the requirements of section seven
- 14 of this article, as enacted in the year two thousand two, and that
- 15 this state should now sign the agreement.

# §11-15B-5. Authority to enter agreement.

- 1 (a) The tax commissioner is authorized and directed to enter
- 2 into the streamlined sales and use tax agreement, after the
- 3 thirtieth day of June, two thousand three, with one or more
- 4 states to simplify and modernize sales and use tax administra-
- 5 tion in order to substantially reduce the burden of tax compli-
- 6 ance for all sellers and for all types of commerce.
- 7 (b) In furtherance of the agreement, the tax commissioner
- 8 is authorized to act jointly with other states that are members of
- 9 the agreement to establish standards for certification of a
- 10 certified service provider and certified automated system and
- 11 establish performance standards for multistate sellers. The tax
- 12 commissioner is further authorized to take other actions
- 13 reasonably required to implement the provisions set forth in this
- 14 article. Other actions authorized by this section include, but are
- 15 not limited to, the adoption of rules and the joint procurement,
- 16 with other member states, of goods and services in furtherance
- 17 of the cooperative agreement. The tax commissioner or the
- 18 commissioner's designee is authorized to represent this state
- 19 before the other states that are signatories to the agreement.

# §11-15B-11. Seller registration under streamlined sales tax agreement.

- 1 (a) General. A seller that registers to collect West
- 2 Virginia sales and use taxes using the online sales and use tax
- 3 registration system established under the streamlined sales and
- 4 use tax agreement is not required to also register under article
- 5 twelve of this chapter unless the seller has sufficient presence
- 6 in this state that provides at least the minimum contacts
- 7 necessary for a constitutionally sufficient nexus for this state to
- 8 require registration and payment of the registration tax under
- 9 article twelve of this chapter.
- 10 (b) Registration by agent. A person appointed by a seller
- 11 to represent the seller before the states that are members of the

- 12 streamlined sales tax agreement may register the seller under
- 13 the agreement under uniform procedures adopted by the
- 14 member states. The appointment of an agent shall be in writing
- 15 and submitted to a member state if requested by a member.
- 16 (c) Cancellation of registration. A seller registered
- 17 under the streamlined sales and use tax agreement may cancel
- 18 its registration at any time under uniform procedures adopted
- 19 by the member states.

# §11-15B-12. Effect of seller registration and participation in streamlined sales and use tax administration.

- 1 (a) Collection of tax. By registering under the stream-
- 2 lined sales use tax agreement, the seller agrees to collect and
- 3 remit sales and use taxes for all taxable sales into this state, as
- 4 well as for all other states participating in the agreement.
- 5 Subsequent withdrawal or revocation of a member state does
- 6 not relieve a seller of its responsibility to remit taxes previously
- 7 or subsequently collected on behalf of the state.
- 8 (b) Effect of registration. A member state, or a state that
- 9 has withdrawn or been expelled from the streamlined sales and
- 10 use tax agreement, may not use registration with the central
- 11 registration system and the collection of sales and use taxes in
- 12 the member states as a factor in determining whether the seller
- 13 has a nexus with that state for any tax at any time.

# $\S11-15B-13$ . Amnesty for registration.

- 1 (a) Subject to the limitations in this section:
- 2 (1) The tax commissioner shall provide amnesty for

- 5 made to purchasers in this state in accordance with the terms of
- 6 the streamlined sales and use tax agreement: Provided, That the

- 7 seller was not registered in this state in the twelve-month period
- 8 preceding the effective date of this state's participation in the
- 9 streamlined sales and use tax agreement.
- 10 (2) The amnesty precludes assessment for uncollected or
- 11 unpaid sales or use tax together with additions to tax, penalty or
- 12 interest for sales made during the period the seller was not
- 13 registered in this state: *Provided*, That registration under the
- 14 agreement occurs within twelve months after the effective date
- 15 of this state's participation in the streamlined sales and use tax
- 16 agreement.
- 17 (b) *Exceptions*. The amnesty is not available:
- 18 (1) To a seller with respect to any matter or matters for
- 19 which the seller received notice of the commencement of an
- 20 audit and which audit is not yet finally resolved including any
- 21 related administrative and judicial processes; or
- 22 (2) For sales or use taxes already paid or remitted to the
- 23 state or to taxes collected by the seller for this state.
- 24 (c) Period of amnesty. The amnesty is fully effective,
- 25 absent the seller's fraud or intentional misrepresentation of a
- 26 material fact, as long as the seller continues registration under
- 27 the agreement and continues payment or collection and remit-
- 28 tance of applicable sales or use taxes for a period of at least
- 29 thirty-six months. The statute of limitations applicable to
- 30 asserting a tax liability during this thirty-six month period is
- 31 tolled.
- 32 (d) Effect of amnesty. The amnesty is applicable only to
- 33 sales or use taxes due from a seller in its capacity as a seller and
- 34 not to sales or use taxes due from a seller in its capacity as a
- 35 buyer.

## §11-15B-14. General transaction sourcing definitions.

- 1 (a) Definition of receive or receipt. For the purposes of
- 2 subsection (a), section fifteen of this article, the terms "receive"
- 3 and "receipt" mean:
- 4 (1) Taking possession of tangible personal property;
- 5 (2) Making first use of services; or
- 6 (3) Taking possession or making first use of custom 7 software, whichever comes first.
- 8 (b) Limitation. The terms "receive" and "receipt" do not
- 9 include possession by a shipping company on behalf of the
- 10 purchaser.

### §11-15B-15. General transaction sourcing rules.

- 1 (a) General rule. For purposes of articles fifteen and
- 2 fifteen-a of this chapter, the retail sale, excluding lease or
- 3 rental, of a product shall be sourced as follows:
- 4 (1) When the product is received by the purchaser at a
- 5 business location of the seller, the sale is sourced to that
- 6 business location.
- 7 (2) When the product is not received by the purchaser at a
- 8 business location of the seller, the sale is sourced to the location
- 9 where receipt by the purchaser or the purchaser's designated
- 10 donee occurs, including the location indicated by instructions
- 11 for delivery to the purchaser or donee, known to the seller.
- 12 (3) When subdivisions (1) and (2) of this subsection do not
- 13 apply, the sale is sourced to the location indicated by an address
- 14 for the purchaser that is available from the business records of
- 15 the seller that are maintained in the ordinary course of the
- 16 seller's business when use of this address does not constitute
- 17 bad faith.

32

- 18 (4) When subdivisions (1), (2), and (3) of this subsection do 19 not apply, the sale is sourced to the location indicated by an 20 address for the purchaser obtained during the consummation of 21 the sale, including the address of a purchaser's payment 22 instrument, if no other address is available, provided use of this 23 address does not constitute bad faith.
  - (5) When none of the previous subdivisions of this subsection apply, including the circumstance in which the seller is without sufficient information to apply the previous rules, then the location will be determined by the address from which tangible personal property was shipped, or computer software delivered electronically was first available for transmission by the seller, or from which the service was provided: *Provided*, That any location that merely provided the digital transfer of the product sold is disregarded for these purposes.
- 33 (b) Lease or rental. The lease or rental of tangible 34 personal property, other than property identified in subsection 35 (c) or subsection (d) of this section, shall be sourced as follows:
- 36 (1) For a lease or rental that requires recurring periodic 37 payments, the first periodic payment is sourced the same as a 38 retail sale in accordance with the provisions of subsection (a) of 39 this section. Periodic payments made subsequent to the first payment are sourced to the primary property location for each 40 41 period covered by the payment. The primary property location is as indicated by an address for the property provided by the 42 lessee that is available to the lessor from its records maintained 43 44 in the ordinary course of business, when use of this address does not constitute bad faith. The property location may not be 45 46 altered by intermittent use at different locations, such as use of 47 business property that accompanies employees on business trips and service calls. 48

section.

- 49 (2) For a lease or rental that does not require recurring 50 periodic payments, the payment is sourced the same as a retail 51 sale in accordance with the provisions of subsection (a) of this 52
- 53 (3) This subsection does not affect the imposition or 54 computation of sales or use tax on leases or rentals based on a 55 lump sum or accelerated basis, or on the acquisition of property 56 for lease.
- 57 (c) Vehicles. — The lease or rental of motor vehicles, 58 trailers, semi-trailers, or aircraft that do not qualify as transpor-59 tation equipment, as defined in subsection (d) of this section, 60 shall be sourced as follows:
- 61 (1) For a lease or rental that requires recurring periodic 62 payments, each periodic payment is sourced to the primary 63 property location. The primary property location is indicated by 64 an address for the property provided by the lessee that is 65 available to the lessor from its records maintained in the 66 ordinary course of business, when use of this address does not 67 constitute bad faith. This location shall not be altered by 68 intermittent use at different locations.
- 69 (2) For a lease or rental that does not require recurring 70 periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection (a) of this 71 72 section.
- 73 (3) This subsection does not affect the imposition or 74 computation of sales or use tax on leases or rentals based on a 75 lump sum or accelerated basis, or on the acquisition of property 76 for lease.
- 77 (d) Sale or lease or rental of transportation equipment. — 78 The retail sale, including lease or rental, of transportation 79 equipment is sourced the same as a retail sale in accordance

- 80 with the provisions of subsection (a) of this section, notwith-
- 81 standing the exclusion of lease or rental in subsection (a) of this
- 82 section. "Transportation equipment" means any of the follow-
- 83 ing:
- 84 (1) Locomotives and railcars that are utilized for the 85 carriage of persons or property in interstate commerce.
- 86 (2) Trucks and truck-tractors with a gross vehicle weight
- 87 rating of ten thousand pounds or greater, trailers, semitrailers,
- 88 or passenger buses that are:
- 89 (A) Registered through the international registration plan;
- 90 and
- 91 (B) Operated under authority of a carrier authorized and
- 92 certificated by the United States department of transportation or
- 93 another federal authority to engage in the carriage of persons or
- 94 property in interstate commerce.
- 95 (3) Aircraft that are operated by air carriers authorized and
- 96 certificated by the U.S. department of transportation or another
- 97 federal or foreign authority to engage in the carriage of persons
- 98 or property in interstate or foreign commerce.
- 99 (4) Containers designed for use on and component parts
- 100 attached or secured on the items set forth in subdivisions (1)
- 101 through (3) of this subsection.

# §11-15B-16. Application of general sourcing rule and exclusions from the rules.

- 1 (a) General. Sellers who collect the taxes levied by
- 2 articles fifteen and fifteen-a of this chapter shall source the
- 3 retail sale of a product, as provided in section fifteen of this
- 4 article. As used in this section, the term "product" includes

- 5 tangible personal property, custom software or a service, or any
- 6 combination thereof.
- 7 (b) Scope of sourcing rule. The provisions of section
- 3 fifteen of this article only apply to determine a seller's obliga-
- 9 tion to pay or collect and remit a sales or use tax with respect to
- 10 the seller's retail sale of a product. Section fifteen of this article
- does not affect the obligation of a purchaser or lessee to remit
- 12 tax on the use of the product to the taxing jurisdiction of that
- 13 use.
- 14 (c) Exceptions. The sourcing rules in this section and
- 15 section fifteen of this article do not apply to telecommunica-
- 16 tions services.

## §11-15B-17. Direct mail sourcing.

- 1 (a) General. Notwithstanding section fifteen of this
- 2 article, a purchaser of direct mail that is not a holder of a direct
- 3 pay permit shall provide to the seller in conjunction with the
- 4 purchase either a "direct mail form" or information to show the
- 5 jurisdictions to which the direct mail is delivered to recipients.
- 6 (1) Upon receipt of the direct mail form, the seller is
- 7 relieved of all obligations to collect, pay, or remit the applicable
- 8 tax and the purchaser is obligated to pay or remit the applicable
- 9 tax on a direct pay basis. A direct mail form remains in effect
- 10 for all future sales of direct mail by the seller to the purchaser
- 11 until revoked in writing.
- 12 (2) Upon receipt of information from the purchaser showing
- 13 the jurisdictions to which the direct mail is delivered to
- 14 recipients, the seller shall collect the tax according to the
- 15 delivery information provided by the purchaser. In the absence
- 16 of bad faith by the seller, the seller is relieved of any further
- 17 obligation to collect tax on any transaction where the seller has

- 18 collected tax pursuant to the delivery information provided by
- 19 the purchaser.
- 20 (b) When purchaser does not have direct pay permit and
- 21 does not provide direct mail form. If the purchaser of direct
- 22 mail does not have a direct pay permit and does not provide the
- 23 seller with either a direct mail form or delivery information, as
- 24 required by subsection (a) of this section, the seller shall collect
- 25 the tax according to subdivision (5), subsection (a), section
- 26 fifteen of this article. Nothing in this subsection (b) shall limit
- 27 a purchaser's obligation for sales or use tax to any state to
- 28 which the direct mail is delivered.
- 29 (c) Direct pay permit. If a purchaser of direct mail
- 30 provides the seller with documentation of direct pay authority,
- 31 the purchaser may not be required to provide a direct mail form
- 32 or delivery information to the seller.

# §11-15B-18. Multiple points of use of certain products and services.

- 1 (a) General. Notwithstanding the provisions of section
- 2 fifteen of this article, a business purchaser that is not a holder
- 3 of a direct pay permit that knows at the time of the business
- 4 purchase of a digital good, computer software delivered
- 5 electronically, or a service that the digital good, computer
- 6 software delivered electronically, or service will be concur-
- 7 rently available for use in more than one jurisdiction shall
- 8 deliver to the seller in conjunction with the purchase a "multi-
- 9 ple points of use" or "MPU exemption" form disclosing this
- 10 fact.
- 11 (1) Upon receipt of the MPU exemption form, the seller is
- 12 relieved of all obligation to collect, pay, or remit the applicable
- 13 tax and the purchaser shall be obligated to collect, pay, or remit
- 14 the applicable tax on a direct pay basis.

- 15 (2) A purchaser delivering the MPU exemption form may 16 use any reasonable, but consistent and uniform, method of 17 apportionment that is supported by the purchaser's business 18 records as they exist at the time of the consummation of the 19 sale.
- 20 (3) The MPU exemption form remains in effect for all future sales by the seller to the purchaser, except as to the subsequent sale's specific apportionment that is governed by the principle of subdivision (2) of this subsection and the facts existing at the time of the sale, until revoked in writing.
- 25 (b) Holders of direct pay permits. A holder of a direct pay permit may not be required to deliver a MPU exemption form to the seller. A direct pay permit holder shall follow the provisions of subdivision (2), subsection (a) of this section in apportioning the tax due on a digital good, computer software delivered electronically, or a service that will be concurrently available for use in more than one jurisdiction.

## [§11-15B-19 and §11-15B-20 Reserved.]

# §11-15B-21. Notice for state tax changes.

- 1 (a) General. The tax commissioner shall provide sellers 2 with as much advance notice as practicable of a rate change for
- 3 a tax levied by article fifteen or fifteen-a of this chapter.
- 4 (b) Effective date of rate changes. Unless the Legislature
- 5 expressly provides a different effective date for a rate change,
- 6 the change shall take effect on the first day of the calendar
- 7 quarter that begins on or after the effective date of the act of the
- 8 Legislature that makes the rate change and that is more than
- 9 sixty days after passage of the bill making the rate change.
- 10 (c) Notification of changes to tax base. The tax commissioner shall make reasonable efforts to notify sellers of legisla-

- 12 tive changes to the tax base and to amendments to sales and use
- 13 tax rules, as that term is defined in section two, article one,
- 14 chapter twenty-nine-a of this code.
- 15 (d) Liability of seller. Failure of a seller to receive notice
- 16 or failure of the state to provide notice of a rate change or a
- 17 change in the tax base, or to limit the effective date of a rate
- 18 change, does not relieve the seller of its obligation to collect
- 19 sales or use taxes for this state.

## §11-15B-22. Effective date of rate changes for certain services.

- 1 The effective date of rate changes for services covering a
- 2 service period starting before and ending after the statutory
- 3 effective date is as follows:
- 4 (1) For a rate increase, the new rate applies to the first
- 5 billing period starting on or after the effective date.
- 6 (2) For a rate decrease, the new rate applies to bills ren-
- 7 dered on or after the effective date.

## §11-15B-23. Enactment of exemptions.

- 1 (a) Product-based exemptions. The Legislature may
- 2 enact a product-based exemption from the taxes levied by
- 3 article fifteen and fifteen-a of this chapter without restriction if
- 4 the streamlined sales and use tax agreement does not have a
- 5 definition for the product or for a term that includes the
- 6 product. If the agreement has a definition for the product or for
- 7 a term that includes the product, the Legislature may exempt all
- 8 items included within the definition but may not exempt only
- 9 part of the items included within the definition, unless the
- 10 streamlined sales and use tax agreement sets out the exemption
- 11 for part of the items as an acceptable variation.

- 12 (b) Entity-based or use-based exemption. — The Legisla-13 ture may enact an entity-based or use-based exemption from a tax levied by article fifteen or fifteen-a of this chapter without 14 restriction if the streamlined sales and use tax agreement does 15 16 not have a definition for the product whose use or purchase by a specific entity is exempt or for a term that includes the 17 product. If the agreement has a definition for the product whose 18 use or specific purchase is exempt, the Legislature may enact an 19 20 entity-based or use-based exemption that applies to that 21 product, as long as the exemption utilizes the streamline sales and use tax agreement definition of the product. If the agree-22 ment does not have a definition for the product whose use or 23 24 specific purchase is exempt but has a definition for a term that 25 includes the product, the Legislature may enact an entity-based or use-based exemption for the product without restriction. 26
- 27 (c) Construction. For purposes of complying with the requirements in this section, the inclusion of a product within the definition of tangible personal property is disregarded.

# §11-15B-24. Administration of exemptions.

- 1 (a) General. When a purchaser claims an exemption 2 under article fifteen or fifteen-a of this chapter:
- 1 (1) A seller registered under the streamlined sales and use tax agreement shall obtain identifying information of the purchaser and the reason for claiming a tax exemption at the time of the purchase, as determined by the governing board established pursuant to the agreement. A seller not registered under the agreement shall obtain identifying information of the purchaser and the reason for claiming a tax exemption at the time of purchase, as determined by the tax commissioner.
- 11 (2) A purchaser is not required to provide a signature to 12 claim an exemption from tax unless a paper exemption certifi-13 cate is used.

- 14 (3) The seller shall use the standard form for claiming an 15 exemption electronically that is adopted by the governing board 16 administering the streamlined sales and use tax agreement.
- 17 (4) The seller shall obtain the same information for proof of 18 a claimed exemption regardless of the medium in which the 19 transaction occurred.
- 20 (5) The tax commissioner may utilize a system wherein the 21 purchaser exempt from the payment of the tax is issued an 22 identification number that is presented to the seller at the time 23 of the sale.
- 24 (6) The seller shall maintain proper records of exempt 25 transactions and provide the records to the tax commissioner or 26 the tax commissioner's designee.
- 27 (7) The tax commissioner shall administer use-based and 28 entity-based exemptions when practicable through a direct pay 29 permit, an exemption certificate, or another means that does not 30 burden sellers.
- 31 (8) The tax commissioner shall relieve sellers registered 32 under the streamlined sales and use tax agreement that follow 33 the requirements of this section from any tax otherwise applicable if it is determined that the purchaser improperly claimed an 34 35 exemption and shall hold the purchaser liable for the nonpay-36 ment of tax. This relief from liability does not apply to a seller 37 who fraudulently fails to collect the tax or solicits purchasers to participate in the unlawful claim of an exemption. 38

### §11-15B-25. Uniform tax returns.

- 1 (a) General. A seller who registers with this state under
- 2 the streamlined sales tax agreement is required to file one
- 3 sales/use tax return with the tax commissioner for each taxing
- 4 period.

- 5 (b) *Due date of return.* This return shall be due on the twentieth day of the month following the month in which the transaction subject to tax occurred.
- (c) Additional information returns. The tax commis-8 sioner shall allow any Model I, Model II, or Model III seller to 9 submit its sales and use tax returns in a simplified format that 10 does not include more data fields than permitted by the govern-11 ing board administering the streamlined sales and use tax 12 agreement. The tax commissioner may require additional 13 informational returns to be submitted not more frequently than 14 15 every six months under a staggered system developed by the governing board administering the streamlined sales and use tax 16 17 agreement.
- 18 (d) The tax commissioner shall allow any seller that is 19 registered with this state under the streamlined sales and use tax 20 agreement, which does not have a legal requirement to register 21 in this state under article twelve of this chapter, and is not a 22 Model I, II, or III seller, to submit its sales and use tax returns 23 as follows:
- 24 (1) Upon registration, the tax commissioner shall provide 25 to the seller the returns required by this state.
- 26 (2) The tax commissioner may require a seller to file a 27 return anytime within one year of the month of initial registra-28 tion, and future returns may be required on an annual basis in 29 succeeding years.
- 30 (3) In addition to the returns required in subdivision (2) of 31 this subsection, a seller shall submit a return by the twentieth 32 day of the month following any month in which the seller 33 accumulated state and local tax funds for the state in the amount 34 of one thousand dollars or more.

- 35 (4) The tax commissioner shall participate with other states
- 36 that are members of the streamlined sales and use tax agree-
- 37 ment in developing a more uniform sales and use tax return
- 38 that, when completed, is available to all sellers.
- 39 (5) All Model I, II, and III sellers shall file returns electron-
- 40 ically after the first day of January, two thousand four.

#### §11-15B-26. Uniform rules for remittances of funds.

- 1 (a) General. Only one remittance is required for each
- 2 return except as provided in this section.
- 3 (b) When electronic remittance required. All remittances
- 4 from sellers under Models I, II, and III shall be remitted
- 5 electronically after the thirty-first day of December, two
- 6 thousand three.
- 7 (c) Method of remittance. Electronic payments shall be
- 8 made using either the ACH credit or ACH debit method.
- 9 (d) Alternative method. The tax commission shall
- 10 provide by rule, which may be an existing rule, an alternative
- 11 method for making "same day" payments if an electronic funds
- 12 transfer fails.
- 13 (e) Format of data accompany remittance. Any data that
- 14 accompanies a remittance shall be formatted using uniform tax
- 15 type and payment type codes approved by the governing board
- 16 administering the streamlined sales and use tax agreement.

#### §11-15B-27. Uniform rules for recovery of bad debt.

- 1 (a) General. A deduction from taxable sales is allowed
- 2 for bad debts. Any deduction taken that is attributed to bad
- 3 debts may not include interest or any amount upon which the
- 4 sales or use tax imposed by this state was not previously paid.

- 5 (b) "Bad debt" defined. — The term "bad debt" has the
- same meaning as when used in the federal definition of "bad
- 7 debt" in 26 U.S.C. Sec. 166 as the basis for calculating bad debt
- 8 recovery. However, the amount calculated pursuant to 26
- U.S.C. Sec. 166 is adjusted to exclude:
- 10 (1) Financing charges or interest;
- 11 (2) Sales or use taxes charged on the purchase price;
- 12 (3) Uncollectible amounts on property that remain in the
- 13 possession of the seller until the full purchase price is paid;
- 14 (4) Expenses incurred in attempting to collect any debt; and
- 15 (5) Repossessed property.
- 16 (c) When deduction may be taken. — Bad debts may be
- 17 deducted on the return for the period during which the bad debt
- 18 is written off as uncollectible in the claimant's books and
- 19 records and is eligible to be deducted for federal income tax
- 20 purposes. For purposes of this section, a claimant who is not
- 21 required to file federal income tax returns may deduct a bad
- 22
- debt on a return filed for the period in which the bad debt is
- 23 written off as uncollectible in the claimant's books and records
- and would be eligible for a bad debt deduction for federal 24
- 25 income tax purposes if the claimant was required to file a
- 26 federal income tax return.
- 27 (d) Subsequent recovery. — If a deduction is taken for a
- 28 bad debt and the debt is subsequently collected, in whole or in
- 29 part, the tax on the amount collected shall be paid and reported
- 30 on the return filed for the period in which the collection is
- 31 made.
- 32 (e) When bad debt deduction exceeds taxable sales. —
- 33 When the amount of bad debt exceeds the amount of taxable

- 34 sales for the period during which the bad debt is written off, a
- 35 refund claim may be filed within the period specified in section
- 36 fourteen, article ten of this chapter, for filing a claim for refund
- 37 or sales or use tax, except that the statute of limitations shall be
- 38 measured from the due date of the return on which the bad debt
- 39 could first be claimed.
- 40 (f) When certified service provider is used. Where filing
- 41 responsibilities of the seller have been assumed by a certified
- 42 service provider, the certified service provider may claim, on
- 43 behalf of the seller, any bad debt allowance provided by this
- 44 section. The certified service provider shall credit or refund to
- 45 the seller the full amount of any bad debt allowance or refund
- 46 received under this section.
- 47 (g) Reporting of payment received on previously claimed
- 48 bad debt. For the purposes of reporting a payment received
- 49 on a previously claimed bad debt, any payments made on a debt
- or account is applied first proportionally to the taxable price of
- 51 the property or service and the sales tax thereon, and secondly
- 52 to interest, service charges, and any other charges.
- 53 (h) Allocation. In situations where the books and records
- 54 of the party claiming the bad debt allowance support an
- 55 allocation of the bad debts among two or more states that are
- 56 members of the streamlined sales and use tax agreement, the
- 57 allocation is permitted.

### §11-15B-28. Confidentiality and privacy protections under Model I.

- 1 (a) *Purpose*. The purpose of this section is to set forth
- 2 the policy of this state for the protection of the confidentiality
- 3 rights of all participants in the streamlined sales and use tax
- 4 administration and collection system and of the privacy
- 5 interests of consumers who deal with Model I sellers.

- 6 (b) Certain terms defined. As used in this section:
- 7 (1) The term "confidential taxpayer information" means all
- 8 information that is protected under section five-d, article ten of
- 9 this chapter;
- 10 (2) The term "personally identifiable information" means
- 11 information that identifies a person; and
- 12 (3) The term "anonymous data" means information that
- 13 does not identify a person.
- 14 (c) Certified service providers. With very limited
- 15 exceptions, a certified service provider shall perform its tax
- 16 calculation, remittance, and reporting functions without
- 17 retaining the personally identifiable information of consumers.
- 18 (d) Certification of service providers. The governing
- 19 board administering the streamlined sales and use tax agree-
- 20 ment may certify a service provider only if that certified service
- 21 provider certifies that:
- 22 (1) Its system has been designed and tested to ensure that
- 23 the fundamental precept of anonymity is respected;
- 24 (2) That personally identifiable information is only used
- 25 and retained to the extent necessary for the administration of
- 26 Model I with respect to exempt purchasers;
- 27 (3) It provides consumers clear and conspicuous notice of
- 28 its information practices, including what information it collects,
- 29 how it collects the information, how it uses the information,
- 30 how long, if at all, it retains the information and whether it
- 31 discloses the information to member states. This notice is
- 32 satisfied by a written privacy policy statement accessible by the
- 33 public on the official web site of the certified service provider;

55 56

57

58 59

- 34 (4) Its collection, use and retention of personally identifi-35 able information is limited to that required by the states that are 36 members of the streamlined sales and use tax agreement to 37 ensure the validity of exemptions from taxation that are claimed 38 by reason of a consumer's status or the intended use of the 39 goods or services purchased; and
- (5) It provides adequate technical, physical, and administra tive safeguards as to protect personally identifiable information
   from unauthorized access and disclosure.
- 43 (e) State notification of privacy policy. The tax commis-44 sioner shall provide public notification to consumers, including 45 their exempt purchasers, of this state's practices relating to the 46 collection, use and retention of personally identifiable informa-47 tion.
- 48 (f) Destruction of confidential information. When any 49 personally identifiable information that has been collected and 50 retained by the tax commissioner is no longer required for the 51 purposes set forth in subdivision (4), subsection (d) of this 52 section, the information shall no longer be retained by the tax 53 commissioner.
  - (g) Review and correction by individuals. When personally identifiable information regarding an individual is retained by or on behalf of the tax commissioner, the commissioner shall provide reasonable access by an individual to his or her own information in the commissioner's possession and a right to correct any inaccurately recorded information.
- 60 (h) Discovery by other persons. If anyone other than the 61 individual, or a person authorized in writing by the individual, 62 seeks to discover personally identifiable information, the tax 63 commissioner shall make a reasonable and timely effort to 64 notify the individual of the request.

- 65 (i) *Enforcement*. This privacy policy shall be enforced by the tax commissioner or the attorney general of this state.
- (j) Service provider's confidentiality policy may be more restrictive. This privacy policy does not preclude the governing board administering the streamlined sales and use tax agreement from certifying a certified service provider whose privacy policy is more protective of confidential taxpayer information or personally identifiable information than is
- 73 required by the agreement or the laws of this state.

#### §11-15B-29. Customer refund procedure.

- 1 (a) General. The customer refund procedures set forth
- 2 in this section apply when a purchaser seeks a return of
- 3 over-collected sales or use taxes from the seller.
- 4 (b) Applicability. These customer refund procedures
- 5 provide the first course of remedy available to purchasers
- 6 seeking a return of over-collected sales or use taxes from the
- 7 seller. A cause of action against the seller for the over-collected
- sales or use taxes does not accrue until a purchaser has provided
- 9 written notice to a seller and the seller has had sixty days to
- 10 respond. The notice to the seller must contain the information
- 11 necessary to determine the validity of the request.
- 12 (c) Presumption of reasonable business practice. In
- 13 connection with a purchaser's request from a seller of
- 14 over-collected sales or use taxes, a seller is presumed to have a
- 15 reasonable business practice, if in the collection of the sales or
- 16 use taxes, the seller:
- 17 (1) Uses either a certified service provider or a certified
- 18 automated system, including a proprietary system, that is
- 19 certified by the state; and

- 20 (2) Has remitted to the state all taxes collected less any allowable deductions, credits, or collection allowances.
- 22 (d) Statute of limitations. Nothing in this section shall
- 23 operate to extend any person's time to seek from the tax
- 24 commissioner a refund of sales or use taxes collected or
- 25 remitted by a seller in error.

### §11-15B-30. Monetary allowances for new technological models for sales tax collection; delayed effective date.

- (a) Monetary allowance under Model I. —
- 2 (1) The tax commissioner shall provide a monetary
- 3 allowance to a certified service provider in Model I. This
- 4 allowance shall be in accordance with the terms of the contract
- 5 between the governing board of the streamlined sales and use
- 6 tax agreement and the certified service provider. The details of
- 7 this monetary allowance shall be developed and provided
- 8 through the contract process. The contract shall provide that the
- 9 allowance be funded entirely from money collected in Model I.
- 10 (2) The contract between the governing board and the
- 11 certified service provider may base the monetary allowance to
- 12 a certified service provider on one or more of the following:
- 13 (A) A base rate that applies to taxable transactions pro-
- 14 cessed by the certified service provider; or
- 15 (B) For a period not to exceed twenty-four months follow-
- 16 ing a voluntary seller's registration through the agreement's
- 17 central registration process, a percentage of tax revenue
- 18 generated for a member state by the voluntary seller for each
- 19 member state for which the seller does not have a requirement
- 20 to register to collect the tax.

- 21 (b) *Monetary allowance for Model II sellers.* The 22 monetary allowance to sellers under Model II may be based on 23 the following:
- 24 (1) All sellers shall receive a base rate for a period not to 25 exceed twenty-four months following the commencement of 26 participation by a seller. The base rate is set by the governing 27 board of the streamlined sales and use tax agreement after the 28 base rate has been established for Model I certified service 29 providers. This allowance is in addition to any vendor or seller 30 discount afforded by each member state at the time.
- 31 (2) Following the conclusion of the twenty-four month 32 period, a seller will only be entitled to a vendor discount 33 afforded under each member state's law at the time the base 34 rate expires.
- 35 (c) Monetary allowance for Model III sellers and all other 36 sellers that are not under Models I or II. — A monetary 37 allowance to sellers under Model III and to all other sellers that 38 are not under Models I or II may be allowed based on the 39 following:
- (1) For a period not to exceed twenty-four months following a voluntary seller's registration through the agreement's central registration process, a percentage of tax revenue generated for a member state by the voluntary seller for each member state for which the seller does not have a requirement to register to collect the tax; and
- 46 (2) Vendor discounts afforded under each member state's 47 law.
- 48 (d) Prohibition on allowance or payment of monetary 49 allowances. — Notwithstanding subsections (a), (b) and (c) of 50 this section, the tax commissioner may not allow any vendor, 51 seller or certified service provider any monetary allowance,

- 52 discount or other compensation for collecting and remitting the
- 53 taxes levied by articles fifteen and fifteen-a of this chapter, or
- 54 for making and filing the periodic reports required by this
- 55 article, or articles fifteen and fifteen-a of this chapter, until this
- 56 section is amended by the Legislature.

57 (e) Findings and declarations. — The Legislature finds that 58 the vendor cost of collection study was not completed for use 59 by the governing board of the streamlined sales and use tax 60 agreement or this Legislature before this Legislature was asked 61 to authorize the tax commissioner to sign the streamlined sales 62 and use tax agreement. Additionally, no preliminary findings or conclusions of the study regarding vendor costs of collection 63 64 are available upon which the tax commissioner or the Legisla-65 ture can reasonably project the effect the payment of the 66 monetary allowances provided for in subsections (a) through (c) 67 of this section will have on net sales and use tax collections. 68 Because the cost of allowing monetary allowances under 69 collection Models I through IV may reduce net sales and use 70 tax collections, at least in the early years of the agreement, 71 because many states including this state are experiencing 72 revenue shortfalls, and because the Legislature is constitution-73 ally required to pass a balanced budget, the Legislature finds 74 and declares that it is both reasonable and prudent to delay 75 approving this aspect of the agreement until adequate informa-76 tion does become available and the effect the monetary allow-77 ances will have on West Virginia sales and use tax collections 78 can reasonably be quantified. The Legislature declares its 79 support for the streamlined sales and use tax agreement by adopting in this enactment all substantive changes in West 80 81 Virginia's sales and use tax laws necessary for West Virginia's 82 sales and use tax laws to be in substantial compliance with the 83 streamlined sales and use tax agreement. Additionally, the 84 Legislature declares that it can quickly act to reconsider 85 subsection (d) of this section once the requisite information 86 becomes available.

#### §11-15B-31. Conflict; partial unconstitutionality.

- 1 (a) Conflict. If a court of competent jurisdiction finds
- 2 that the provisions of this article and of article fifteen-a of this
- 3 chapter conflict and cannot be harmonized, then the provisions
- 4 of this article shall control.
- 5 (b) Severability. If any section, subsection, subdivision,
- 6 paragraph, sentence, clause or phrase of this article is for any
- 7 reason held to be invalid, unlawful or unconstitutional, that
- 8 decision does not affect the validity of the remaining portions
- 9 of this article or any part thereof.

#### §11-15B-32. Effective date.

- 1 The provisions of this article, as amended or added during
- 2 the regular legislative session in the year two thousand three,
- 3 shall take effect the first day of January, two thousand four, and
- 4 apply to all sales made on or after that date and to all returns
- 5 and payments due on or after that day, except as otherwise

Any managed care organization operating in this state which provides a formal peer review process shall report in writing to the board, within sixty days after the completion of any formal peer review process and also within sixty days after the commencement of and again after the conclusion of any resulting legal action, the name of any physician or podiatrist whose credentialing has been revoked or not renewed by the managed care organization. The managed care organization shall also report in writing to the board any other disciplinary action taken against a physician or podiatrist relating to professional ethics, professional liability, moral turpitude or drug or alcohol abuse within sixty days after completion of a formal peer review process which results in the action taken by the managed care organization. For purposes of this subsection, "managed care organization" means a plan that establishes, operates or maintains a network of health care providers who have entered into agreements with and been credentialed by the plan to provide health care services to enrollees or insureds to

Within thirty days after a person known to be a physician or podiatrist licensed or otherwise lawfully practicing medicine and surgery or podiatry in this state or applying to be licensed is convicted of a felony under the laws of this state or of any crime under the laws of this state involving alcohol or drugs in any way, including any controlled substance under state or federal law, the clerk of the court of record in which the conviction was entered shall forward to the board a certified true and correct abstract of record of the convicting court. The abstract shall include the name and address of the physician or podiatrist or applicant, the nature of the offense committed and the final judgment and sentence of the court.

112 Upon a determination of the board that there is probable cause to believe that any person, partnership, corporation, 113 association, insurance company, professional society or other 114 115 organization has failed or refused to make a report required by 116 this subsection, the board shall provide written notice to the 117 alleged violator stating the nature of the alleged violation and 118 the time and place at which the alleged violator shall appear to show good cause why a civil penalty should not be imposed. 119 The hearing shall be conducted in accordance with the provi-120 121 sions of article five, chapter twenty-nine-a of this code. After 122 reviewing the record of the hearing, if the board determines that 123 a violation of this subsection has occurred, the board shall 124 assess a civil penalty of not less than one thousand dollars nor 125 more than ten thousand dollars against the violator. The board 126 shall notify any person so assessed of the assessment in writing 127 and the notice shall specify the reasons for the assessment. If 128 the violator fails to pay the amount of the assessment to the board within thirty days, the attorney general may institute a 129 130 civil action in the circuit court of Kanawha County to recover 131 the amount of the assessment. In any civil action, the court's review of the board's action shall be conducted in accordance 132 133 with the provisions of section four, article five, chapter twenty-134 nine-a of this code. Notwithstanding any other provision of this

- article to the contrary, when there are conflicting views by recognized experts as to whether any alleged conduct breaches an applicable standard of care, the evidence must be clear and convincing before the board may find that the physician or podiatrist has demonstrated a lack of professional competence
- 140 to practice with a reasonable degree of skill and safety for

141 patients.

- Any person may report to the board relevant facts about the conduct of any physician or podiatrist in this state which in the opinion of that person amounts to medical professional liability or professional incompetence.
- The board shall provide forms for filing reports pursuant to this section. Reports submitted in other forms shall be accepted by the board.
- The filing of a report with the board pursuant to any provision of this article, any investigation by the board or any disposition of a case by the board does not preclude any action by a hospital, other health care facility or professional society comprised primarily of physicians or podiatrists to suspend, restrict or revoke the privileges or membership of the physician or podiatrist.
- 156 (c) The board may deny an application for license or other 157 authorization to practice medicine and surgery or podiatry in 158 this state and may discipline a physician or podiatrist licensed 159 or otherwise lawfully practicing in this state who, after a 160 hearing, has been adjudged by the board as unqualified due to 161 any of the following reasons:
- (1) Attempting to obtain, obtaining, renewing or attempting
   to renew a license to practice medicine and surgery or podiatry
   by bribery, fraudulent misrepresentation or through known error
   of the board;

184 185

186 187

188

- 166 (2) Being found guilty of a crime in any jurisdiction, which 167 offense is a felony, involves moral turpitude or directly relates 168 to the practice of medicine. Any plea of nolo contendere is a 169 conviction for the purposes of this subdivision;
- 170 (3) False or deceptive advertising;
- 171 (4) Aiding, assisting, procuring or advising any unautho-172 rized person to practice medicine and surgery or podiatry 173 contrary to law;
- 174 (5) Making or filing a report that the person knows to be 175 false; intentionally or negligently failing to file a report or 176 record required by state or federal law; willfully impeding or 177 obstructing the filing of a report or record required by state or 178 federal law; or inducing another person to do any of the 179 foregoing. The reports and records covered in this subdivision 180 mean only those that are signed in the capacity as a licensed physician or podiatrist; 181
  - (6) Requesting, receiving or paying directly or indirectly a payment, rebate, refund, commission, credit or other form of profit or valuable consideration for the referral of patients to any person or entity in connection with providing medical or other health care services or clinical laboratory services, supplies of any kind, drugs, medication or any other medical goods, services or devices used in connection with medical or other health care services;
- 190 (7) Unprofessional conduct by any physician or podiatrist 191 in referring a patient to any clinical laboratory or pharmacy in which the physician or podiatrist has a proprietary interest 192 unless the physician or podiatrist discloses in writing such 193 interest to the patient. The written disclosure shall indicate that 194 the patient may choose any clinical laboratory for purposes of 195 having any laboratory work or assignment performed or any 196 197 pharmacy for purposes of purchasing any prescribed drug or

any other medical goods or devices used in connection with medical or other health care services.

- As used in this subdivision, "proprietary interest" does not include an ownership interest in a building in which space is leased to a clinical laboratory or pharmacy at the prevailing rate under a lease arrangement that is not conditional upon the income or gross receipts of the clinical laboratory or pharmacy;
- 205 (8) Exercising influence within a patient-physician relation-206 ship for the purpose of engaging a patient in sexual activity;
- 207 (9) Making a deceptive, untrue or fraudulent representation 208 in the practice of medicine and surgery or podiatry;
- 209 (10) Soliciting patients, either personally or by an agent, 210 through the use of fraud, intimidation or undue influence;
- 211 (11) Failing to keep written records justifying the course of 212 treatment of a patient, including, but not limited to, patient 213 histories, examination and test results and treatment rendered, 214 if any;
- 215 (12) Exercising influence on a patient in such a way as to 216 exploit the patient for financial gain of the physician or 217 podiatrist or of a third party. Any influence includes, but is not 218 limited to, the promotion or sale of services, goods, appliances 219 or drugs;
- (13) Prescribing, dispensing, administering, mixing or 220 otherwise preparing a prescription drug, including any con-221 222 trolled substance under state or federal law, other than in good faith and in a therapeutic manner in accordance with accepted 223 224 medical standards and in the course of the physician's or 225 podiatrist's professional practice: *Provided*, That a physician 226 who discharges his or her professional obligation to relieve the pain and suffering and promote the dignity and autonomy of 227

- 228 dying patients in his or her care and, in so doing, exceeds the
- 229 average dosage of a pain relieving controlled substance, as
- 230 defined in Schedules II and III of the Uniform Controlled
- 231 Substance Act, does not violate this article;
- 232 (14) Performing any procedure or prescribing any therapy
- 233 that, by the accepted standards of medical practice in the
- 234 community, would constitute experimentation on human
- 235 subjects without first obtaining full, informed and written
- 236 consent;
- 237 (15) Practicing or offering to practice beyond the scope
- 238 permitted by law or accepting and performing professional
- 239 responsibilities that the person knows or has reason to know he
- 240 or she is not competent to perform;
- 241 (16) Delegating professional responsibilities to a person
- 242 when the physician or podiatrist delegating the responsibilities
- 243 knows or has reason to know that the person is not qualified by
- 244 training, experience or licensure to perform them;
- 245 (17) Violating any provision of this article or a rule or order
- of the board or failing to comply with a subpoena or subpoena
- 247 duces tecum issued by the board;
- 248 (18) Conspiring with any other person to commit an act or
- 249 committing an act that would tend to coerce, intimidate or
- 250 preclude another physician or podiatrist from lawfully advertis-
- 251 ing his or her services;
- 252 (19) Gross negligence in the use and control of prescription
- 253 forms;
- 254 (20) Professional incompetence; or
- 255 (21) The inability to practice medicine and surgery or
- 256 podiatry with reasonable skill and safety due to physical or

mental impairment, including deterioration through the aging process, loss of motor skill or abuse of drugs or alcohol. A physician or podiatrist adversely affected under this subdivision shall be afforded an opportunity at reasonable intervals to demonstrate that he or she may resume the competent practice of medicine and surgery or podiatry with reasonable skill and safety to patients. In any proceeding under this subdivision, neither the record of proceedings nor any orders entered by the board shall be used against the physician or podiatrist in any other proceeding.

(d) The board shall deny any application for a license or other authorization to practice medicine and surgery or podiatry in this state to any applicant who, and shall revoke the license of any physician or podiatrist licensed or otherwise lawfully practicing within this state who, is found guilty by any court of competent jurisdiction of any felony involving prescribing, selling, administering, dispensing, mixing or otherwise preparing any prescription drug, including any controlled substance under state or federal law, for other than generally accepted therapeutic purposes. Presentation to the board of a certified copy of the guilty verdict or plea rendered in the court is sufficient proof thereof for the purposes of this article. A plea of nolo contendere has the same effect as a verdict or plea of guilt.

(e) The board may refer any cases coming to its attention to an appropriate committee of an appropriate professional organization for investigation and report. Except for complaints related to obtaining initial licensure to practice medicine and surgery or podiatry in this state by bribery or fraudulent misrepresentation, any complaint filed more than two years after the complainant knew, or in the exercise of reasonable diligence should have known, of the existence of grounds for the complaint shall be dismissed: *Provided*, That in cases of conduct alleged to be part of a pattern of similar misconduct or

291 professional incapacity that, if continued, would pose risks of 292 a serious or substantial nature to the physician's or podiatrist's 293 current patients, the investigating body may conduct a limited 294 investigation related to the physician's or podiatrist's current 295 capacity and qualification to practice and may recommend conditions, restrictions or limitations on the physician's or 296 297 podiatrist's license to practice that it considers necessary for the 298 protection of the public. Any report shall contain recommenda-299 tions for any necessary disciplinary measures and shall be filed 300 with the board within ninety days of any referral. The recom-301 mendations shall be considered by the board and the case may 302 be further investigated by the board. The board after full 303 investigation shall take whatever action it considers appropri-304 ate, as provided in this section.

(f) The investigating body, as provided for in subsection (e) of this section, may request and the board under any circumstances may require a physician or podiatrist or person applying for licensure or other authorization to practice medicine and surgery or podiatry in this state to submit to a physical or mental examination by a physician or physicians approved by the board. A physician or podiatrist submitting to an examination has the right, at his or her expense, to designate another physician to be present at the examination and make an independent report to the investigating body or the board. The expense of the examination shall be paid by the board. Any individual who applies for or accepts the privilege of practicing medicine and surgery or podiatry in this state is considered to have given his or her consent to submit to all examinations when requested to do so in writing by the board and to have waived all objections to the admissibility of the testimony or examination report of any examining physician on the ground that the testimony or report is privileged communication. If a person fails or refuses to submit to an examination under circumstances which the board finds are not beyond his or her control, failure or refusal is prima facie evidence of his or her

- 326 inability to practice medicine and surgery or podiatry compe-
- 327 tently and in compliance with the standards of acceptable and
- 328 prevailing medical practice.
- (g) In addition to any other investigators it employs, the
  board may appoint one or more licensed physicians to act for it
  in investigating the conduct or competence of a physician.
- 332 (h) In every disciplinary or licensure denial action, the 333 board shall furnish the physician or podiatrist or applicant with 334 written notice setting out with particularity the reasons for its 335 action. Disciplinary and licensure denial hearings shall be 336 conducted in accordance with the provisions of article five, 337 chapter twenty-nine-a of this code. However, hearings shall be 338 heard upon sworn testimony and the rules of evidence for trial 339 courts of record in this state shall apply to all hearings. A 340 transcript of all hearings under this section shall be made, and 341 the respondent may obtain a copy of the transcript at his or her expense. The physician or podiatrist has the right to defend 342 343 against any charge by the introduction of evidence, the right to be represented by counsel, the right to present and cross-344 345 examine witnesses and the right to have subpoenas and subpoe-346 nas duces tecum issued on his or her behalf for the attendance 347 of witnesses and the production of documents. The board shall 348 make all its final actions public. The order shall contain the 349 terms of all action taken by the board.
  - (i) In disciplinary actions in which probable cause has been found by the board, the board shall, within twenty days of the date of service of the written notice of charges or sixty days prior to the date of the scheduled hearing, whichever is sooner, provide the respondent with the complete identity, address and telephone number of any person known to the board with knowledge about the facts of any of the charges; provide a copy of any statements in the possession of or under the control of the board; provide a list of proposed witnesses with addresses

Within twenty days of the date of service of the 370 written notice of charges, the board shall disclose any exculpa-371 tory evidence with a continuing duty to do so throughout the 372 disciplinary process. Within thirty days of receipt of the board's 373 mandatory discovery, the respondent shall provide the board 374 with the complete identity, address and telephone number of 375 any person known to the respondent with knowledge about the 376 facts of any of the charges; provide a list of proposed witnesses 377 with addresses and telephone numbers, to be called at hearing, with a brief summary of his or her anticipated testimony; 378 379 provide disclosure of any trial expert pursuant to the require-380 ments of rule 26(b)(4) of the West Virginia rules of civil 381 procedure; provide inspection and copying of the results of any 382 reports of physical and mental examinations or scientific tests 383 or experiments; and provide a list and copy of any proposed 384 exhibit to be used at the hearing.

- 391 (2) Administer a public reprimand;

- 392 (3) Suspend, limit or restrict his or her license or other 393 authorization to practice medicine and surgery or podiatry for 394 not more than five years, including limiting the practice of that 395 person to, or by the exclusion of, one or more areas of practice, 396 including limitations on practice privileges;
- 397 (4) Revoke his or her license or other authorization to 398 practice medicine and surgery or podiatry or to prescribe or 399 dispense controlled substances for a period not to exceed ten 400 years;
- 401 (5) Require him or her to submit to care, counseling or 402 treatment designated by the board as a condition for initial or 403 continued licensure or renewal of licensure or other authoriza-404 tion to practice medicine and surgery or podiatry;
- 405 (6) Require him or her to participate in a program of 406 education prescribed by the board;
- 407 (7) Require him or her to practice under the direction of a 408 physician or podiatrist designated by the board for a specified 409 period of time; and
- 410 (8) Assess a civil fine of not less than one thousand dollars nor more than ten thousand dollars.
- 412 (k) Notwithstanding the provisions of section eight, article 413 one, chapter thirty of this code, if the board determines the evidence in its possession indicates that a physician's or 414 415 podiatrist's continuation in practice or unrestricted practice constitutes an immediate danger to the public, the board may 416 417 take any of the actions provided for in subsection (j) of this 418 section on a temporary basis and without a hearing if institution 419 of proceedings for a hearing before the board are initiated 420 simultaneously with the temporary action and begin within 421 fifteen days of the action. - 424 (l) Any person against whom disciplinary action is taken 425 pursuant to the provisions of this article has the right to judicial 426 review as provided in articles five and six, chapter twenty-nine-427 a of this code: *Provided*, That a circuit judge may also remand 428 the matter to the board if it appears from competent evidence 429 presented to it in support of a motion for remand that there is 430 newly discovered evidence of such a character as ought to 431 produce an opposite result at a second hearing on the merits 432 before the board and:
- 433 (1) The evidence appears to have been discovered since the 434 board hearing; and
- 435 (2) The physician or podiatrist exercised due diligence in 436 asserting his or her evidence and that due diligence would not 437 have secured the newly discovered evidence prior to the appeal.

A person may not practice medicine and surgery or podiatry or deliver health care services in violation of any disciplinary order revoking, suspending or limiting his or her license while any appeal is pending. Within sixty days, the board shall report its final action regarding restriction, limitation, suspension or revocation of the license of a physician or podiatrist, limitation on practice privileges or other disciplinary action against any physician or podiatrist to all appropriate state agencies, appropriate licensed health facilities and hospitals, insurance companies or associations writing medical malpractice insurance in this state, the American medical association, the American podiatry association, professional societies of physicians or podiatrists in the state and any entity responsible for the fiscal administration of medicare and medicaid.

At the conclusion of a suspension, limitation or restriction period the physician or podiatrist may resume practice if the board has so ordered.
- 459 (n) Any entity, organization or person, including the board, 460 any member of the board, its agents or employees and any 461 entity or organization or its members referred to in this article, 462 any insurer, its agents or employees, a medical peer review 463 committee and a hospital governing board, its members or any 464 committee appointed by it acting without malice and without 465 gross negligence in making any report or other information 466 available to the board or a medical peer review committee pursuant to law and any person acting without malice and 467 without gross negligence who assists in the organization, 468 investigation or preparation of any such report or information 469 or assists the board or a hospital governing body or any 470 471 committee in carrying out any of its duties or functions pro-472 vided by law is immune from civil or criminal liability, except 473 that the unlawful disclosure of confidential information 474 possessed by the board is a misdemeanor as provided for in this 475 article.
- (o) A physician or podiatrist may request in writing to the 476 board a limitation on or the surrendering of his or her license to 477 practice medicine and surgery or podiatry or other appropriate 478 479 sanction as provided in this section. The board may grant the request and, if it considers it appropriate, may waive the 480 481 commencement or continuation of other proceedings under this 482 section. A physician or podiatrist whose license is limited or 483 surrendered or against whom other action is taken under this 484 subsection may, at reasonable intervals, petition for removal of any restriction or limitation on or for reinstatement of his or her 485 486 license to practice medicine and surgery or podiatry.

- 487 (p) In every case considered by the board under this article 488 regarding discipline or licensure, whether initiated by the board 489 or upon complaint or information from any person or organiza-490 tion, the board shall make a preliminary determination as to 491 whether probable cause exists to substantiate charges of 492 disqualification due to any reason set forth in subsection (c) of 493 this section. If probable cause is found to exist, all proceedings 494 on the charges shall be open to the public who are entitled to all 495 reports, records and nondeliberative materials introduced at the 496 hearing, including the record of the final action taken: Provided, That any medical records, which were introduced at the 497 498 hearing and which pertain to a person who has not expressly 499 waived his or her right to the confidentiality of the records, may 500 not be open to the public nor is the public entitled to the 501 records.
  - (q) If the board receives notice that a physician or podiatrist has been subjected to disciplinary action or has had his or her credentials suspended or revoked by the board, a hospital or a professional society, as defined in subsection (b) of this section, for three or more incidents during a five-year period, the board shall require the physician or podiatrist to practice under the direction of a physician or podiatrist designated by the board for a specified period of time to be established by the board.
- 510 (r) Notwithstanding any other provisions of this article, the 511 board may, at any time, on its own motion, or upon motion by 512 the complainant, or upon motion by the physician or podiatrist, or by stipulation of the parties, refer the matter to mediation. 513 514 The board shall obtain a list from the West Virginia state bar's 515 mediator referral service of certified mediators with expertise 516 in professional disciplinary matters. 13 (b) Upon request of the board, any medical peer review committee in this state shall report any information that may 14 15 relate to the practice or performance of any osteopathic 16 physician known to that medical peer review committee. Copies 17 of such requests for information from a medical peer review 18 committee may be provided to the subject osteopathic physician 19 if, in the discretion of the board, the provision of such copies 20 will not jeopardize the board's investigation. - 2 on the first day of July each year thereafter, or at such other
- 3 time specified by the commissioner, every insurer offering
- 4 malpractice insurance in this state shall make a rate filing, in
- 5 accordance with the provisions of section four, article twenty of
- 6 this chapter, regardless of whether any increase or decrease is
- 7 indicated, pursuant to subsection (a), section four, article twenty
- 8 of this chapter. The information furnished in support of a filing

When a filing is not accompa-nied by the information required by this section upon which the insurer supports the filing, the commissioner shall require the insurer to furnish the information and, in that event, the waiting period prescribed by subsection (b) of this section shall commence as of the date the information is furnished.
  - A filing and any supporting information shall be open to public inspection as soon as the filing is received by the commissioner. Any interested party may file a brief with the commissioner supporting his or her position concerning the filing. Any person or organization may file with the commissioner a signed statement declaring and supporting his or her or its position concerning the filing. Upon receipt of any such statement prior to the effective date of the filing, the commissioner shall mail or deliver a copy of the statement to the filer, which may file a reply. This section is not applicable to any memorandum or statement of any kind by any employee of the commissioner.
  - (b) Every filing shall be on file for a waiting period of ninety days before it becomes effective. The commissioner may extend the waiting period for an additional period not to exceed thirty days if he or she gives written notice within the waiting period to the insurer or rating organization which made the filing that he or she needs the additional time for the consideration of the filing. Upon written application by the insurer or rating organization, the commissioner may authorize a filing which he or she has reviewed to become effective before the expiration of the waiting period or any extension of the waiting period. A filing shall be deemed to meet the requirements of this article unless disapproved by the commissioner within the waiting period or any extension thereof.

#### §33-20F-1a. Scope of article.

- 1 This article applies only to the physicians' mutual insurance
- 2 company created as a novation of the medical professional
- 3 liability insurance programs created in article twelve-b, chapter
- 4 twenty-nine of this code.

# §33-20F-2. Findings and purpose.

- 1 (a) The Legislature finds that:
- 2 (1) There is a nationwide crisis in the field of medical
- 3 liability insurance;

- 4 (2) Similar crises have occurred at least three times during 5 the past three decades;
- 6 (3) Such crises are part of a naturally recurring cycle of a 7 hard market period, when medical professional liability 8 coverage is difficult to obtain, and a soft market period, when
- 9 coverage is more readily available;
- 10 (4) Such crises are particularly acute in this state due to the small size of the insurance market;
- 12 (5) During a hard market period, insurers tend to flee this 13 state, creating a crisis for physicians who are left without
- 14 professional liability coverage;
- 15 (6) During the current crisis, physicians in West Virginia
- 16 find it increasingly difficult, if not impossible, to obtain
- 17 medical liability insurance either because coverage is unavail-
- 18 able or unaffordable;
- 19 (7) The difficulty or impossibility of obtaining medical
- 20 liability insurance may result in many qualified physicians
- 21 leaving the state;
- 22 (8) Access to quality health care is of utmost importance to
- 23 the citizens of West Virginia;
- 24 (9) A mechanism is needed to provide an enduring solution
- 25 to this recurring medical liability crisis;
- 26 (10) A physicians' mutual insurance company or a similar
- 27 entity has proven to be a successful mechanism in other states
- 28 for helping physicians secure insurance and for stabilizing the
- 29 insurance market;
- 30 (11) There is a substantial public interest in creating a
- 31 method to provide a stable medical liability market in this state;

- 32 (12) The state has attempted to temporarily alleviate the
- 33 current medical crisis by the creation of programs to provide
- 34 medical liability coverage through the board of risk and
- 35 insurance management;
- 36 (13) The state-run program is a substantial actual and
- 37 potential liability to the state;
- 38 (14) There is substantial public benefit in transferring the
- 39 actual and potential liability of the state to the private sector and
- 40 creating a stable self-sufficient entity which will be a source of
- 41 liability insurance coverage for physicians in this state;
- 42 (15) A stable, financially viable insurer in the private sector
- 43 will provide a continuing source of insurance funds to compen-
- 44 sate victims of medical malpractice; and
- 45 (16) Because the public will greatly benefit from the
- 46 formation of a physicians' mutual insurance company, state
- 47 efforts to encourage and support the formation of such an
- 48 entity, including providing a low-interest loan for a portion of
- 49 the entity's initial capital, is in the clear public interest.
- 50 (b) The purpose of this article is to create a mechanism for
- 51 the formation of a physicians' mutual insurance company that
- 52 will provide:
- 53 (1) A means for physicians to obtain medical liability
- 54 insurance that is available and affordable; and
- 55 (2) Compensation to persons who suffer injuries as a result
- of medical professional liability as defined in subsection (d),
- 57 section two, article seven-b, chapter fifty-five of this code.

#### §33-20F-11. Liberal construction.

- 2 citizens of the state of West Virginia by providing a mechanism
- 3 for the speedy and deliberate creation of a company to begin
- 4 offering medical liability insurance to physicians in this state at
- 5 the earliest possible date; and to accomplish this purpose, this

§55-7B-6.	Prerequisites for filing an action against a health care provider; procedures; sanctions.
§55-7B-7.	Testimony of expert witness on standard of care.

  §55-7B-9c. Limit on liability for treatment of emergency conditions for which patient is admitted to a designated trauma center; exceptions; emergency rules.
- §55-7B-10. Effective date; applicability of provisions.

#### §55-7B-1. Legislative findings and declaration of purpose.

- 1 The Legislature hereby finds and declares that the citizens
- 2 of this state are entitled to the best medical care and facilities
- 3 available and that health care providers offer an essential and
- 4 basic service which requires that the public policy of this state
- 5 encourage and facilitate the provision of such service to our
- 6 citizens:
- 7 That as in every human endeavor the possibility of injury
- 8 or death from negligent conduct commands that protection of
- 9 the public served by health care providers be recognized as an
- 10 important state interest;
- 11 That our system of litigation is an essential component of
- 12 this state's interest in providing adequate and reasonable
- 13 compensation to those persons who suffer from injury or death
- 14 as a result of professional negligence, and any limitation placed
- 15 on this system must be balanced with and considerate of the
- 16 need to fairly compensate patients who have been injured as a
- 17 result of negligent and incompetent acts by health care provid-
- 18 ers;
- 19 That liability insurance is a key part of our system of
- 20 litigation, affording compensation to the injured while fulfilling
- 21 the need and fairness of spreading the cost of the risks of injury;
- That a further important component of these protections is
- 23 the capacity and willingness of health care providers to monitor
- 24 and effectively control their professional competency, so as to
- 25 protect the public and insure to the extent possible the highest
- 26 quality of care;
- 27 That it is the duty and responsibility of the Legislature to
- 28 balance the rights of our individual citizens to adequate and
- 29 reasonable compensation with the broad public interest in the
- 30 provision of services by qualified health care providers and

- 31 health care facilities who can themselves obtain the protection
- 32 of reasonably priced and extensive liability coverage;
- 33 That in recent years, the cost of insurance coverage has
- 34 risen dramatically while the nature and extent of coverage has
- 35 diminished, leaving the health care providers, the health care
- 36 facilities and the injured without the full benefit of professional
- 37 liability insurance coverage;
- 38 That many of the factors and reasons contributing to the
- 39 increased cost and diminished availability of professional
- 40 liability insurance arise from the historic inability of this state
- 41 to effectively and fairly regulate the insurance industry so as to
- guarantee our citizens that rates are appropriate, that purchasers 42
- of insurance coverage are not treated arbitrarily and that rates 43
- 44 reflect the competency and experience of the insured health
- 45 care providers and health care facilities;
- 46 That the unpredictable nature of traumatic injury health
- 47 care services often result in a greater likelihood of unsatisfac-
- tory patient outcomes, a higher degree of patient and patient 48
- 49 family dissatisfaction and frequent malpractice claims, creating
- 50 a financial strain on the trauma care system of our state,
- 51 increasing costs for all users of the trauma care system and
- 52 impacting the availability of these services, requires appropriate
- 53 and balanced limitations on the rights of persons asserting
- 54 claims against trauma care health care providers, this balance
- 55 must guarantee availability of trauma care services while
- 56 mandating that these services meet all national standards of
- 57 care, to assure that our health care resources are being directed
- 58 towards providing the best trauma care available; and
- 59 That the cost of liability insurance coverage has continued
- 60 to rise dramatically, resulting in the state's loss and threatened
- loss of physicians, which, together with other costs and taxation 61
- 62 incurred by health care providers in this state, have created a

- competitive disadvantage in attracting and retaining qualified physicians and other health care providers.
- 65 The Legislature further finds that medical liability issues have reached critical proportions for the state's long-term 66 health care facilities, as: (1) Medical liability insurance 67 68 premiums for nursing homes in West Virginia continue to increase and the number of claims per bed has increased 69 significantly; (2) the cost to the state medicaid program as a 70 71 result of such higher premiums has grown considerably in this 72 period; (3) current medical liability premium costs for some nursing homes constitute a significant percentage of the amount 73 74 of coverage; (4) these high costs are leading some facilities to 75 consider dropping medical liability insurance coverage alto-76 gether; and (5) the medical liability insurance crisis for nursing 77 homes may soon result in a reduction of the number of beds 78 available to citizens in need of long-term care.
- Therefore, the purpose of this article is to provide for a comprehensive resolution of the matters and factors which the Legislature finds must be addressed to accomplish the goals set forth in this section. In so doing, the Legislature has determined that reforms in the common law and statutory rights of our citizens must be enacted together as necessary and mutual ingredients of the appropriate legislative response relating to:

# (1) Compensation for injury and death;

87 (2) The regulation of rate making and other practices by the 88 liability insurance industry, including the formation of a 89 physicians' mutual insurance company and establishment of a 90 fund to assure adequate compensation to victims of malprac-91 tice; and 92 (3) The authority of medical licensing boards to effectively 93 regulate and discipline the health care providers under such 94 board.

# §55-7B-3. Elements of proof.

- 1 (a) The following are necessary elements of proof that an
- 2 injury or death resulted from the failure of a health care
- 3 provider to follow the accepted standard of care:

- 4 (1) The health care provider failed to exercise that degree
- 5 of care, skill and learning required or expected of a reasonable,
- 6 prudent health care provider in the profession or class to which
- 7 the health care provider belongs acting in the same or similar
- 8 circumstances; and
- 9 (2) Such failure was a proximate cause of the injury or 10 death.
- (b) If the plaintiff proceeds on the "loss of chance" theory,
- 12 *i.e.*, that the health care provider's failure to follow the accepted
- 13 standard of care deprived the patient of a chance of recovery or
- 14 increased the risk of harm to the patient which was a substantial
- 15 factor in bringing about the ultimate injury to the patient, the
- 16 plaintiff must also prove, to a reasonable degree of medical
- 17 probability, that following the accepted standard of care would
- 18 have resulted in a greater than twenty-five percent chance that
- 19 the patient would have had an improved recovery or would
- 20 have survived.

## §55-7B-6. Prerequisites for filing an action against a health care provider; procedures; sanctions.

- 1 (a) Notwithstanding any other provision of this code, no
- 2 person may file a medical professional liability action against
- 3 any health care provider without complying with the provisions
- 4 of this section.
- 5 (b) At least thirty days prior to the filing of a medical
- 6 professional liability action against a health care provider, the
- 7 claimant shall serve by certified mail, return receipt requested,
- 8 a notice of claim on each health care provider the claimant will
- 9 join in litigation. The notice of claim shall include a statement
- 10 of the theory or theories of liability upon which a cause of
- 11 action may be based, and a list of all health care providers and
- 12 health care facilities to whom notices of claim are being sent,
- 13 together with a screening certificate of merit. The screening

14 certificate of merit shall be executed under oath by a health care 15 provider qualified as an expert under the West Virginia rules of 16 evidence and shall state with particularity: (1) The expert's familiarity with the applicable standard of care in issue; (2) the 17 expert's qualifications; (3) the expert's opinion as to how the 18 applicable standard of care was breached; and (4) the expert's 19 opinion as to how the breach of the applicable standard of care 20 resulted in injury or death. A separate screening certificate of 21 22 merit must be provided for each health care provider against 23 whom a claim is asserted. The person signing the screening certificate of merit shall have no financial interest in the 24 25 underlying claim, but may participate as an expert witness in any judicial proceeding. Nothing in this subsection may be 26 27 construed to limit the application of rule 15 of the rules of civil 28 procedure.

29 (c) Notwithstanding any provision of this code, if a claimant or his or her counsel, believes that no screening certificate 30 of merit is necessary because the cause of action is based upon 31 a well-established legal theory of liability which does not 32 33 require expert testimony supporting a breach of the applicable standard of care, the claimant or his or her counsel, shall file a 34 statement specifically setting forth the basis of the alleged 35 liability of the health care provider in lieu of a screening 36 certificate of merit. 37

38 (d) If a claimant or his or her counsel has insufficient time to obtain a screening certificate of merit prior to the expiration 39 of the applicable statute of limitations, the claimant shall 40 comply with the provisions of subsection (b) of this section 41 42 except that the claimant or his or her counsel shall furnish the health care provider with a statement of intent to provide a 43 44 screening certificate of merit within sixty days of the date the 45 health care provider receives the notice of claim.

- (e) Any health care provider who receives a notice of claim pursuant to the provisions of this section may respond, in writing, to the claimant or his or her counsel within thirty days of receipt of the claim or within thirty days of receipt of the screening certificate of merit if the claimant is proceeding pursuant to the provisions of subsection (d) of this section. The response may state that the health care provider has a bona fide defense and the name of the health care provider's counsel, if any.
  - (f) Upon receipt of the notice of claim or of the screening certificate of merit, if the claimant is proceeding pursuant to the provisions of subsection (d) of this section, the health care provider is entitled to pre-litigation mediation before a qualified mediator upon written demand to the claimant.
  - (g) If the health care provider demands mediation pursuant to the provisions of subsection (f) of this section, the mediation shall be concluded within forty-five days of the date of the written demand. The mediation shall otherwise be conducted pursuant to rule 25 of the trial court rules, unless portions of the rule are clearly not applicable to a mediation conducted prior to the filing of a complaint or unless the supreme court of appeals promulgates rules governing mediation prior to the filing of a complaint. If mediation is conducted, the claimant may depose the health care provider before mediation or take the testimony of the health care provider during the mediation.
  - (h) Except as otherwise provided in this subsection, any statute of limitations applicable to a cause of action against a health care provider upon whom notice was served for alleged medical professional liability shall be tolled from the date of mail of a notice of claim to thirty days following receipt of a response to the notice of claim, thirty days from the date a response to the notice of claim would be due, or thirty days from the receipt by the claimant of written notice from the

- 79 mediator that the mediation has not resulted in a settlement of 80 the alleged claim and that mediation is concluded, whichever 81 last occurs. If a claimant has sent a notice of claim relating to 82 any injury or death to more than one health care provider, any one of whom has demanded mediation, then the statute of 83 limitations shall be tolled with respect to, and only with respect 84 to, those health care providers to whom the claimant sent a 85 86 notice of claim to thirty days from the receipt of the claimant of 87 written notice from the mediator that the mediation has not resulted in a settlement of the alleged claim and that mediation 88 89 is concluded.
- 90 (i) Notwithstanding any other provision of this code, a notice of claim, a health care provider's response to any notice 91 92 claim, a screening certificate of merit and the results of any 93 mediation conducted pursuant to the provisions of this section are confidential and are not admissible as evidence in any court 94 95 proceeding unless the court, upon hearing, determines that failure to disclose the contents would cause a miscarriage of 96 97 justice.

#### §55-7B-7. Testimony of expert witness on standard of care.

1 (a) The applicable standard of care and a defendant's failure to meet the standard of care, if at issue, shall be established in medical professional liability cases by the plaintiff by testimony 3 of one or more knowledgeable, competent expert witnesses if 4 required by the court. Expert testimony may only be admitted 5 6 in evidence if the foundation therefor is first laid establishing 7 that: (1) The opinion is actually held by the expert witness; (2) the opinion can be testified to with reasonable medical probability; (3) the expert witness possesses professional knowledge 9 and expertise coupled with knowledge of the applicable 10 standard of care to which his or her expert opinion testimony is 11 12 addressed; (4) the expert witness maintains a current license to 13 practice medicine with the appropriate licensing authority of

- 14 any state of the United States: Provided, That the expert 15 witness' license has not been revoked or suspended in the past 16 year in any state; and (5) the expert witness is engaged or qualified in a medical field in which the practitioner has 17 18 experience and/or training in diagnosing or treating injuries or 19 conditions similar to those of the patient. If the witness meets 20 all of these qualifications and devoted, at the time of the 21 medical injury, sixty percent of his or her professional time 22 annually to the active clinical practice in his or her medical 23 field or specialty, or to teaching in his or her medical field or 24 speciality in an accredited university, there shall be a rebuttable 25 presumption that the witness is qualified as an expert. The parties shall have the opportunity to impeach any witness' 26 27 qualifications as an expert. Financial records of an expert witness are not discoverable or relevant to prove the amount of 28 29 time the expert witness spends in active practice or teaching in 30 his or her medical field unless good cause can be shown to the 31 court.
- 32 (b) Nothing contained in this section may be construed to 33 limit a trial court's discretion to determine the competency or 34 lack of competency of a witness on a ground not specifically 35 enumerated in this section.

### §55-7B-8. Limit on liability for noneconomic loss.

- 1 (a) In any professional liability action brought against a 2
  - health care provider pursuant to this article, the maximum
- 3 amount recoverable as compensatory damages for noneconomic
- 4 loss shall not exceed two hundred fifty thousand dollars per
- 5 occurrence, regardless of the number of plaintiffs or the number
- of defendants or, in the case of wrongful death, regardless of 6
- 7 the number of distributees, except as provided in subsection (b)
- of this section.

32

3334

- 9 (b) The plaintiff may recover compensatory damages for noneconomic loss in excess of the limitation described in 10 11 subsection (a) of this section, but not in excess of five hundred 12 thousand dollars for each occurrence, regardless of the number of plaintiffs or the number of defendants or, in the case of 13 14 wrongful death, regardless of the number of distributees, where the damages for noneconomic losses suffered by the plaintiff 15 were for: (1) Wrongful death; (2) permanent and substantial 16 17 physical deformity, loss of use of a limb or loss of a bodily organ system; or (3) permanent physical or mental functional 18 19 injury that permanently prevents the injured person from being 20 able to independently care for himself or herself and perform 21 life sustaining activities.
- 22 (c) On the first of January, two thousand four, and in each 23 year thereafter, the limitation for compensatory damages contained in subsections (a) and (b) of this section shall 24 increase to account for inflation by an amount equal to the 25 26 consumer price index published by the United States depart-27 ment of labor, up to fifty percent of the amounts specified in subsections (b) and (c) as a limitation of compensatory 28 29 noneconomic damages.
  - (d) The limitations on noneconomic damages contained in subsections (a), (b), (c) and (e) of this section are not available to any defendant in an action pursuant to this article which does not have medical professional liability insurance in the amount of at least one million dollars per occurrence covering the medical injury which is the subject of the action.
- 36 (e) If subsection (a) or (b) of this section, as enacted during 37 the regular session of the Legislature, two thousand three, or the 38 application thereof to any person or circumstance, is found by 39 a court of law to be unconstitutional or otherwise invalid, the 40 maximum amount recoverable as damages for noneconomic 41 loss in a professional liability action brought against a health

- 42 care provider under this article shall thereafter not exceed one
- 43 million dollars.

#### §55-7B-9. Several liability.

- 1 (a) In the trial of a medical professional liability action
- 2 under this article involving multiple defendants, the trier of fact
- 3 shall report its findings on a form provided by the court which
- 4 contains each of the possible verdicts as determined by the
- 5 court. Unless otherwise agreed by all the parties to the action,
- 6 the jury shall be instructed to answer special interrogatories, or
- 7 the court, acting without a jury, shall make findings as to:
- 8 (1) The total amount of compensatory damages recoverable
- 9 by the plaintiff;
- 10 (2) The portion of the damages that represents damages for
- 11 noneconomic loss;
- 12 (3) The portion of the damages that represents damages for
- 13 each category of economic loss;
- 14 (4) The percentage of fault, if any, attributable to each
- 15 plaintiff; and
- 16 (5) The percentage of fault, if any, attributable to each of
- 17 the defendants.
- 18 (b) In assessing percentages of fault, the trier of fact shall
- 19 consider only the fault of the parties in the litigation at the time
- 20 the verdict is rendered and shall not consider the fault of any
- 21 other person who has settled a claim with the plaintiff arising
- 22 out of the same medical injury. Provided, That, upon the
- 23 creation of the patient injury compensation fund provided for in
- 24 article twelve-c, chapter twenty-nine of this code, or of some
- 25 other mechanism for compensating a plaintiff for any amount
- 26 of economic damages awarded by the trier of fact which the

36

3738

39

40 41

dant.

- 27 plaintiff has been unable to collect, the trier of fact shall, in
- 28 assessing percentages of fault, consider the fault of all alleged
- 29 parties, including the fault of any person who has settled a
- 30 claim with the plaintiff arising out of the same medical injury.
- 31 (c) If the trier of fact renders a verdict for the plaintiff, the 32 court shall enter judgment of several, but not joint, liability
- 33 against each defendant in accordance with the percentage of
- 34 fault attributed to the defendant by the trier of fact.
  - (d) To determine the amount of judgment to be entered against each defendant, the court shall first, after adjusting the verdict as provided in section nine-a of this article, reduce the adjusted verdict by the amount of any pre-verdict settlement arising out of the same medical injury. The court shall then, with regard to each defendant, multiply the total amount of damages remaining, with interest, by the percentage of fault attributed to each defendant by the trier of fact. The resulting amount of damages, together with any post-judgment interest accrued, shall be the maximum recoverable against the defendant
- 46 (e) Upon the creation of the patient injury compensation fund provided for in article twelve-c, chapter twenty-nine of 47 this code, or of some other mechanism for compensating a 48 plaintiff for any amount of economic damages awarded by the 49 50 trier of fact which the plaintiff has been unable to collect, the 51 court shall, in determining the amount of judgment to be entered against each defendant, first multiply the total amount 52 of damages, with interest, recoverable by the plaintiff by the 53 54 percentage of each defendant's fault and that amount, together 55 with any post-judgment interest accrued, is the maximum 56 recoverable against said defendant. Prior to the court's entry of 57 the final judgment order as to each defendant against whom a 58 verdict was rendered, the court shall reduce the total jury 59 verdict by any amounts received by a plaintiff in settlement of

- 60 the action. When any defendant's percentage of the verdict
- 61 exceeds the remaining amounts due plaintiff after the manda-
- 62 tory reductions, each defendant shall be liable only for the
- 63 defendant's pro rata share of the remainder of the verdict as
- 64 calculated by the court from the remaining defendants to the
- 65 action. The plaintiff's total award may never exceed the jury's
- 66 verdict less any statutory or court-ordered reductions.
- (f) Nothing in this section is meant to eliminate or diminish
- 68 any defenses or immunities which exist as of the effective date
- 69 of this section, except as expressly noted in this section.
- 70 (g) Nothing in this article is meant to preclude a health care
- 71 provider from being held responsible for the portion of fault
- 72 attributed by the trier of fact to any person acting as the health
- 73 care provider's agent or servant or to preclude imposition of
- 74 fault otherwise imputable or attributable to the health care
- 75 provider under claims of vicarious liability. A health care
- 76 provider may not be held vicariously liable for the acts of a
- 77 nonemployee pursuant to a theory of ostensible agency unless
- 78 the alleged agent does not maintain professional liability
- 79 insurance covering the medical injury which is the subject of
- 80 the action in the aggregate amount of at least one million
- 81 dollars.

# §55-7B-9a. Reduction in compensatory damages for economic losses for payments from collateral sources the same injury.

- 1 (a) In any action arising after the effective date of this
- 2 section, a defendant who has been found liable to the plaintiff
- 3 for damages for medical care, rehabilitation services, lost
- 4 earnings or other economic losses may present to the court,
- 5 after the trier of fact has rendered a verdict, but before entry of
- 6 judgment, evidence of payments the plaintiff has received for
- 7 the same injury from collateral sources.

8	(b) In any hearing pursuant to subsection (a) of this section,
9	the defendant may present evidence of future payments from
10	collateral sources if the court determines that: (1) There is a
11	preexisting contractual or statutory obligation on the collateral
12	source to pay the benefits; (2) the benefits, to a reasonable
13	degree of certainty, will be paid to the plaintiff for expenses the
14	trier of fact has determined the plaintiff will incur in the future;
15	and (3) the amount of the future expenses is readily reducible

- 17 (c) In the hearing pursuant to subsection (a) of this section, 18 the plaintiff may present evidence of the value of payments or
- 19 contributions he or she has made to secure the right to the
- 20 benefits paid by the collateral source.

to a sum certain.

- 21 (d) After hearing the evidence presented by the parties, the 22 court shall make the following findings of fact:
- 23 (1) The total amount of damages for economic loss found 24 by the trier of fact;
- 25 (2) The total amount of damages for each category of economic loss found by the trier of fact;
- 27 (3) The total amount of allowable collateral source pay-28 ments received or to be received by the plaintiff for the medical 29 injury which was the subject of the verdict in each category of 30 economic loss; and
- 31 (4) The total amount of any premiums or contributions paid 32 by the plaintiff in exchange for the collateral source payments 33 in each category of economic loss found by the trier of fact.
- (e) The court shall subtract the total premiums the plaintiff
  was found to have paid in each category of economic loss from
  the total collateral source benefits the plaintiff received with

- regard to that category of economic loss to arrive at the net amount of collateral source payments.
- 39 (f) The court shall then subtract the net amount of collateral
- 40 source payments received or to be received by the plaintiff in
- 41 each category of economic loss from the total amount of
- 42 damages awarded the plaintiff by the trier of fact for that
- 43 category of economic loss to arrive at the adjusted verdict.
- 44 (g) The court shall not reduce the verdict rendered by the
- 45 trier of fact in any category of economic loss to reflect:
- 46 (1) Amounts paid to or on behalf of the plaintiff which the
- 47 collateral source has a right to recover from the plaintiff
- 48 through subrogation, lien or reimbursement;
- 49 (2) Amounts in excess of benefits actually paid or to be
- 50 paid on behalf of the plaintiff by a collateral source in a
- 51 category of economic loss;
- 52 (3) The proceeds of any individual disability or income
- 53 replacement insurance paid for entirely by the plaintiff;
- 54 (4) The assets of the plaintiff or the members of the
- 55 plaintiff's immediate family; or
- 56 (5) A settlement between the plaintiff and another tortfea-
- 57 sor.
- 58 (h) After determining the amount of the adjusted verdict,
- 59 the court shall enter judgment in accordance with the provisions
- 60 of section nine.

#### §55-7B-9b. Limitations on third-party claims.

- 1 An action may not be maintained against a health care
- 2 provider pursuant to this article by or on behalf of a third-party

- 3 nonpatient for rendering or failing to render health care services
- 4 to a patient whose subsequent act is a proximate cause of injury
- 5 or death to the third party unless the health care provider
- 6 rendered or failed to render health care services in willful and
- 7 wanton or reckless disregard of a foreseeable risk of harm to
- 8 third persons. Nothing in this section shall be construed to
- 9 prevent the personal representative of a deceased patient from
- 10 maintaining a wrongful death action on behalf of such patient
- 11 pursuant to article seven of this chapter or to prevent a deriva-
- 12 tive claim for loss of consortium arising from injury or death to
- 13 the patient arising from the negligence of a health care provider
- 14 within the meaning of this article.

# §55-7B-9c. Limit on liability for treatment of emergency conditions for which patient is admitted to a designated trauma center; exceptions; emergency rules.

- 1 (a) In any action brought under this article for injury to or 2 death of a patient as a result of health care services or assistance
- 3 rendered in good faith and necessitated by an emergency
- tendered in good faith and necessitated by an emergency
- 4 condition for which the patient enters a health care facility
- 5 designated by the office of emergency medical services as a
- 6 trauma center, including health care services or assistance
- 7 rendered in good faith by a licensed EMS agency or an em-
- 8 ployee of an licensed EMS agency, the total amount of civil
- 9 damages recoverable shall not exceed five hundred thousand
- 10 dollars, exclusive of interest computed from the date of
- 11 judgment.
- 12 (b) The limitation of liability in subsection (a) of this
- 13 section also applies to any act or omission of a health care
- 14 provider in rendering continued care or assistance in the event
- 15 that surgery is required as a result of the emergency condition
- 16 within a reasonable time after the patient's condition is stabi-
- 17 lized.

- 18 (c) The limitation on liability provided under subsection (a)
  19 of this section does not apply to any act or omission in render20 ing care or assistance which: (1) Occurs after the patient's
  21 condition is stabilized and the patient is capable of receiving
  22 medical treatment as a nonemergency patient; or (2) is unre-
- 23 lated to the original emergency condition.
- (d) In the event that: (1) A physician provides follow-up 24 25 care to a patient to whom the physician rendered care or 26 assistance pursuant to subsection (a) of this section; and (2) a 27 medical condition arises during the course of the follow-up care that is directly related to the original emergency condition for 28 29 which care or assistance was rendered pursuant to said subsec-30 tion, there is rebuttable presumption that the medical condition was the result of the original emergency condition and that the 31 32 limitation on liability provided by said subsection applies with 33 respect to that medical condition.
- 34 (e) There is a rebuttable presumption that a medical 35 condition which arises in the course of follow-up care provided 36 by the designated trauma center health care provider who 37 rendered good faith care or assistance for the original emer-38 gency condition is directly related to the original emergency 39 condition where the follow-up care is provided within a 40 reasonable time after the patient's admission to the designated 41 trauma center.
- 42 (f) The limitation on liability provided under subsection (a) 43 of this section does not apply where health care or assistance 44 for the emergency condition is rendered:
- 45 (1) In willful and wanton or reckless disregard of a risk of 46 harm to the patient; or
- 47 (2) In clear violation of established written protocols for 48 triage and emergency health care procedures developed by the

64

65 66

67

71

- 49 office of emergency medical services in accordance with 50 subsection (e) of this section. In the event that the office of 51 emergency medical services has not developed a written triage or emergency medical protocol by the effective date of this 52 section, the limitation on liability provided under subsection (a) 53 54 of this section does not apply where health care or assistance is rendered under this section in violation of nationally recognized 55 standards for triage and emergency health care procedures. 56
- 57 (g) The office of emergency medical services shall, prior to 58 the effective date of this section, develop a written protocol 59 specifying recognized and accepted standards for triage and 60 emergency health care procedures for treatment of emergency 61 conditions necessitating admission of the patient to a designated 62 trauma center.
  - (h) In its discretion, the office of emergency medical services may grant provisional trauma center status for a period of up to one year to a health care facility applying for designated trauma center status. A facility given provisional trauma center status is eligible for the limitation on liability provided in subsection (a) of this section. If, at the end of the provisional period, the facility has not been approved by the office of emergency medical services as a designated trauma center, the facility will no longer be eligible for the limitation on liability provided in subsection (a) of this section.
- 73 (i) The commissioner of the bureau for public health may 74 grant an applicant for designated trauma center status a one-75 time only extension of provisional trauma center status, upon 76 submission by the facility of a written request for extension, 77 accompanied by a detailed explanation and plan of action to fulfill the requirements for a designated trauma center. If, at the 78 end of the six-month period, the facility has not been approved 79 80 by the office of emergency medical services as a designated 81 trauma center, the facility will no longer have the protection of

- the limitation on liability provided in subsection (a) of this section.
- (j) If the office of emergency medical services determines that a health care facility no longer meets the requirements for a designated trauma center, it shall revoke the designation, at which time the limitation on liability established by subsection (a) of this section shall cease to apply to that health care facility for services or treatment rendered thereafter.
- 90 (k) The Legislature hereby finds that an emergency exists 91 compelling promulgation of an emergency rule, consistent with 92 the provisions of this section, governing the criteria for designa-93 tion of a facility as a trauma center or provisional trauma center 94 and implementation of a statewide trauma/emergency care 95 system. The Legislature therefore directs the secretary of the 96 department of health and human resources to file, on or before 97 the first day of July, two thousand three, emergency rules 98 specifying the criteria for designation of a facility as a trauma center or provisional trauma center in accordance with nation-99 100 ally accepted and recognized standards and governing the 101 implementation of a statewide trauma/emergency care system. 102 The rules governing the statewide trauma/emergency care 103 system shall include, but not be limited to:
- 104 (1) System design, organizational structure and operation, 105 including integration with the existing emergency medical 106 services system;
- 107 (2) Regulation of facility designation, categorization and 108 credentialing, including the establishment and collection of 109 reasonable fees for designation; and
- 110 (3) System accountability, including medical review and 111 audit to assure system quality. Any medical review committees 112 established to assure system quality shall include all levels of

- care, including emergency medical service providers, and both
- 114 the review committees and the providers shall qualify for all the
- 115 rights and protections established in article three-c, chapter
- 116 thirty of this code.

#### §55-7B-10. Effective date; applicability of provisions.

- 1 (a) The provisions of House Bill 149, enacted during the
- 2 first extraordinary session of the Legislature, 1986, shall be
- 3 effective at the same time that the provisions of Enrolled Senate
- 4 Bill 714, enacted during the Regular session, 1986, become
- 5 effective, and the provisions of said House Bill 149 shall be
- 6 deemed to amend the provisions of Enrolled Senate Bill 714.
- 7 The provisions of this article shall not apply to injuries which
- 8 occur before the effective date of this said Enrolled Senate Bill
- 9 714.
- The amendments to this article as provided in House Bill
- 11 601, enacted during the sixth extraordinary session of the
- 12 Legislature, two thousand one, apply to all causes of action
- 13 alleging medical professional liability which are filed on or
- 14 after the first day of March, two thousand two.
- 15 (b) The amendments to this article provided in Enrolled
- 16 Committee Substitute for House Bill No. 2122 during the
- 17 regular session of the Legislature, two thousand three, apply to
- 18 all causes of action alleging medical professional liability
- 19 which are filed on or after the first day of July, two thousand
- 20 three.

11 (b) The plan for providing for the ongoing appropriate care, placement and transfer of each resident at Colin Anderson 12 Center shall be designed in accordance with the criteria set forth 13 in this subsection. Each resident must have a plan of service 14 developed to meet his or her individual medical, physical and 15 16 emotional needs. The plan of service shall be developed by a team which shall include, but not be limited to, the following 17 18 persons: The resident; the immediate family of the resident, if the immediate family of the resident is willing to participate; 19 the guardian of the resident, if the guardian is willing to 20 21 participate; representatives of the Colin Anderson Center; 22 community behavioral health service providers; and such other persons as may be appointed to the team by the secretary of the 23 24 department. The plan shall not compromise the health, safety and well-being of the resident. The plan will be implemented in 25 a timely manner. - 46 by the provisions of this section and may be expended by the 47 transfer of moneys from this fund to match the state's share of 48 medicaid payments necessary to effectuate the purposes of this 49 section. The secretary shall prepare a quarterly report of all 50 transfers made from the hospital services revenue account and 51 the consolidated medical service fund explaining the specific 52 reason for the transfer. In submitting a budget to the Legislature 53 for the fiscal year following the closure of Colin Anderson, the secretary shall include funding necessary for the continued care 54 55 of each resident in the appropriate account and the authority of 56 the secretary to transfer funds pursuant to this section shall be 57 void and of no further effect.
  - (d) All savings accruing to the state as a result of actions taken pursuant to this section shall be deposited in the medical services trust fund established by section two-a, article four-a, chapter nine of this code.
  - (e) The department of health and human resources, the bureau of employment programs, the public employees retirement system, the public employees insurance agency, any state agency or local community action agency receiving job training partnership act funds and any other agency of the state involved with benefits or services to the unemployed shall work individually with all employees whose jobs have been terminated by this section in order to recommend benefits, services, training, interagency employment transfer or other employment. The secretary of the department of health and human resources and secretaries of all other state agencies shall use best efforts to employ qualified employees who were employed at the facility immediately prior to its closure: Provided, That notwithstanding any other provision of this code to the contrary, in filling vacancies at other facilities or other state agencies, the secretary and the directors of other agencies shall, for a period of twelve months after the closure, give preference over all but existing employees to qualified employees who were permanently

80 employed at the facility immediately prior to its closure: 81 Provided, however, That qualified persons who were perma-82 nently employed at Colin Anderson immediately prior to its closure shall not supersede those employees with recall rights 83 84 in other state agencies. The secretary of the department of 85 health and human resources is directed to encourage vendors 86 providing mental health related services for the department to 87 hire employees who were separated from service as a result of 88 the closure of Colin Anderson.

- 89 (f) No later than the thirtieth day of November, one 90 thousand nine hundred ninety-five, the department shall report 91 to the joint committee on government and finance regarding the feasibility of establishing one or more permanent intermediate 92 93 care facilities for the mentally retarded which would house up 94 to thirty residents which is constructed and/or operated by a private contractor. Prior to preparing the report, the department 95 shall solicit requests for proposals from private contractors who 96 97 are willing to construct and/or operate such a facility within this state. In formulating the feasibility report, the department shall 98 99 consider the availability of all necessary equipment at the 100 private facility, the cost to the state of maintaining patients in 101 the private facility and the quality of care available at the privately run facility vis-a-vis the care available at a group 102 103 home in this state. The department shall also consider, when making its report, the preference of a guardian of any resident 104 105 at Colin Anderson Center who prefers the more restrictive 106 placement of that resident in an intermediate care facility for 107 the mentally retarded. The department may also consider and report on such other factors which are relevant to the feasibility 108 109 of permanently maintaining, in this state, one or more interme-110 diate care facilities for the mentally retarded which would 111 house up to an aggregate of thirty residents statewide.
- 112 (g) In order to assist the department in completing the 113 transfer of residents at Colin Anderson Center to some other

appropriate placement by the thirty-first day of December, one 114 115 thousand nine hundred ninety-six, the health care cost review 116 authority is authorized and required to expedite any certificate 117 of need review of group homes or other facilities that are 118 necessitated as a direct result of the required closure of Colin 119 Anderson Center. For the purposes of this subsection only, the 120 health care cost review authority may decrease any time 121 limitations or other requirements set forth in section seven, 122 article two-d, chapter sixteen of this code: Provided, That in no 123 event may the health care cost review authority fail to follow 124 any other provision of said article. The secretary of the depart-125 ment of health and human resources shall provide the health 126 care cost review authority with a list of the applications that are 127 to be expedited under this subsection.

(h) The Legislature shall establish a subcommittee of the joint committee on government and finance to monitor the placement and care of residents transferred from Colin Anderson Center as a result of the provisions of this section. The subcommittee shall monitor both state and federal moneys expended as a result of the implementation of this section. The subcommittee, upon approval by the joint committee and when the terms of the visitation are in compliance with any applicable law or regulation regarding confidentiality and privacy of the residents, may visit any facility or placement location.

### **CHAPTER 149**

(Com. Sub. for S. B. 204 — By Senators Oliverio, Sharpe, Ross, McKenzie and Hunter)

AN ACT to amend and reenact sections two and three, article five, chapter twenty-seven of the code of West Virginia, one thousand nine hundred thirty-one, as amended, all relating to removing language which precludes incarcerated persons from being subjected to mental hygiene proceedings; and clarifying that licensed independent clinical social workers and advanced nurse practitioners with psychiatric certification may certify persons for purposes of mental health proceedings.

#### Be it enacted by the Legislature of West Virginia:

That sections two and three, article five, chapter twenty-seven of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted, all to read as follows:

#### ARTICLE 5. INVOLUNTARY HOSPITALIZATION.

- §27-5-2. Institution of proceedings for involuntary custody for examination; custody; probable cause hearing; examination of individual.
- §27-5-3. Admission under involuntary hospitalization for examination; hearing; release.

## §27-5-2. Institution of proceedings for involuntary custody for examination; custody; probable cause hearing; examination of individual.

- 1 (a) Any adult person may make an application for involun-
- 2 tary hospitalization for examination of an individual when the
- 3 person making the application has reason to believe that:
- 4 (1) The individual to be examined is addicted, as defined in
- 5 section eleven, article one of this chapter; or
- 6 (2) The individual is mentally ill and, because of his or her
  - mental illness, the individual is likely to cause serious harm to
- 8 himself or herself or to others if allowed to remain at liberty
- 9 while awaiting an examination and certification by a physician
- 10 or psychologist.

38

- 11 Notwithstanding any language in subsection (a) of this 12 section to the contrary, if the individual to be examined under 13 the provisions of this section is incarcerated in a jail, prison or other correctional facility, then only the chief administrative 14 officer of the facility holding the individual may file the 15 application and the application must include the additional 16 statement that the correctional facility itself cannot reasonably 17 18 provide treatment and other services for the individual's mental 19 illness or addiction.
- 20 (b) The person making the application shall make the 21 application under oath.
- 22 (c) Application for involuntary custody for examination 23 may be made to the circuit court or a mental hygiene commis-24 sioner of the county in which the individual resides or of the county in which he or she may be found. When no circuit court 25 judge or mental hygiene commissioner is available for immedi-26 ate presentation of the application, the application may be made 27 28 to a magistrate designated by the chief judge of the judicial 29 circuit to accept applications and hold probable cause hearings. 30 A designated magistrate before whom an application or matter 31 is pending may, upon the availability of a mental hygiene commissioner or circuit court judge for immediate presentation 32 33 of an application or pending matter, transfer the pending matter 34 or application to the mental hygiene commissioner or circuit court judge for further proceedings unless otherwise ordered by 35 36 the chief judge of the judicial circuit.
  - (d) The person making the application shall give information and state facts in the application as may be required by the form provided for this purpose by the supreme court of appeals.
- 40 (e) The circuit court, mental hygiene commissioner or 41 designated magistrate may enter an order for the individual 42 named in the application to be detained and taken into custody

43 for the purpose of holding a probable cause hearing as provided 14 for in subsection (g) of this section for the purpose of an 45 examination of the individual by a physician, psychologist, a 46 licensed independent clinical social worker practicing in 47 compliance with article thirty, chapter thirty of this code or 48 advanced nurse practitioner with psychiatric certification 49 practicing in compliance with article seven of said chapter: 50 Provided, That a licensed independent clinical social worker or an advanced nurse practitioner with psychiatric certification 51 52 may only perform the examination if he or she has previously 53 been authorized by an order of the circuit court to do so, said 54 order having found that the licensed independent clinical social 55 worker or advanced nurse practitioner with psychiatric certifi-56 cation has particularized expertise in the areas of mental health 57 and mental hygiene sufficient to make such determinations as 58 are required by the provisions of this section. The examination 59 is to be provided or arranged by a community mental health 60 center designated by the secretary of the department of health 61 and human resources to serve the county in which the action 62 takes place. The order is to specify that the hearing be held 63 forthwith and is to provide for the appointment of counsel for 64 the individual: Provided, however, That the order may allow the 65 hearing to be held up to twenty-four hours after the person to be 66 examined is taken into custody rather than forthwith if the 67 circuit court of the county in which the person is found has 68 previously entered a standing order which establishes within 69 that jurisdiction a program for placement of persons awaiting a 70 hearing which assures the safety and humane treatment of 71 persons: Provided further, That the time requirements set forth 72 in this subsection shall only apply to persons who are not in 73 need of medical care for a physical condition or disease for 74 which the need for treatment precludes the ability to comply 75 with said time requirements. During periods of holding and 76 detention authorized by this subsection, upon consent of the 77 individual or in the event of a medical or psychiatric emer-

109

110

111

78 gency, the individual may receive treatment. The medical 79 provider shall exercise due diligence in determining the 80 individual's existing medical needs and provide such treatment as the individual requires, including previously prescribed 81 medications. As used in this section, "psychiatric emergency" 82 83 means an incident during which an individual loses control and 84 behaves in a manner that poses substantial likelihood of 85 physical harm to himself, herself or others. Where a physician, 86 psychologist, licensed independent clinical social worker or advanced nurse practitioner with psychiatric certification has 87 88 within the preceding seventy-two hours performed the examination required by the provisions of this subdivision, the commu-89 nity mental health center may waive the duty to perform or 90 91 arrange another examination upon approving the previously 92 performed examination. Notwithstanding the provisions of this 93 subsection, subsection (r), section four of this article applies regarding payment by the county commission for examinations 94 at hearings. If the examination reveals that the individual is not 95 96 mentally ill or addicted, or is determined to be mentally ill but 97 not likely to cause harm to himself, herself or others, the 98 individual shall be immediately released without the need for a 99 probable cause hearing and absent a finding of professional negligence such examiner shall not be civilly liable for the 100 rendering of such opinion absent a finding of professional 101 102 negligence. The examiner shall immediately provide the mental 103 hygiene commissioner, circuit court or designated magistrate 104 before whom the matter is pending the results of the examina-105 tion on the form provided for this purpose by the supreme court of appeals for entry of an order reflecting the lack of probable 106 107 cause.

(f) A probable cause hearing is to be held before a magistrate designated by the chief judge of the judicial circuit, the mental hygiene commissioner or circuit judge of the county of which the individual is a resident or where he or she was found.

If requested by the individual or his or her counsel, the hearing may be postponed for a period not to exceed forty-eight hours.

114 The individual must be present at the hearing and has the 115 right to present evidence, confront all witnesses and other 116 evidence against him or her and to examine testimony offered, 117 including testimony by representatives of the community 118 mental health center serving the area. Expert testimony at the 119 hearing may be taken telephonically or via videoconferencing. 120 The individual has the right to remain silent and to be proceeded against in accordance with the rules of evidence of the 121 122 supreme court of appeals, except as provided for in section 123 twelve, article one of this chapter. At the conclusion of the 124 hearing, the magistrate, mental hygiene commissioner or circuit 125 court judge shall find and enter an order stating whether or not 126 there is probable cause to believe that the individual, as a result 127 of mental illness, is likely to cause serious harm to himself or 128 herself or to others or is addicted.

(g) The magistrate, mental hygiene commissioner or circuit court judge at a probable cause hearing or at a final commitment hearing held pursuant to the provisions of section four of this article finds that the individual, as a result of mental illness. is likely to cause serious harm to himself, herself or others or is addicted and because of mental illness or addiction requires treatment, the magistrate, mental hygiene commissioner or circuit court judge may consider evidence on the question of whether the individual's circumstances make him or her amenable to outpatient treatment in a nonresidential or nonhospital setting pursuant to a voluntary treatment agreement. The agreement is to be in writing and approved by the individual, his or her counsel and the magistrate, mental hygiene commissioner or circuit judge. If the magistrate, mental hygiene commissioner or circuit court judge determines that appropriate outpatient treatment is available in a nonresidential or nonhospital setting, the individual may be released to

146 outpatient treatment upon the terms and conditions of the 147 voluntary treatment agreement. The failure of an individual 148 released to outpatient treatment pursuant to a voluntary 149 treatment agreement to comply with the terms of the voluntary treatment agreement constitutes evidence that outpatient 150 151 treatment is insufficient and, after a hearing before a magistrate, 152 mental hygiene commissioner or circuit judge on the issue of 153 whether or not the individual failed or refused to comply with 154 the terms and conditions of the voluntary treatment agreement 155 and whether the individual as a result of mental illness remains 156 likely to cause serious harm to himself, herself or others or 157 remains addicted, the entry of an order requiring admission under involuntary hospitalization pursuant to the provisions of 158 159 section three of this article may be entered. In the event a 160 person released pursuant to a voluntary treatment agreement is 161 unable to pay for the outpatient treatment and has no applicable 162 insurance coverage, including, but not limited to, private insurance or medicaid, the secretary of health and human 163 164 resources may transfer funds for the purpose of reimbursing 165 community providers for services provided on an outpatient 166 basis for individuals for whom payment for treatment is the 167 responsibility of the department: *Provided*, That the department 168 may not authorize payment of outpatient services for an 169 individual subject to a voluntary treatment agreement in an 170 amount in excess of the cost of involuntary hospitalization of 171 the individual. The secretary shall establish and maintain fee schedules for outpatient treatment provided in lieu of involun-172 173 tary hospitalization. Nothing in the provisions of this article regarding release pursuant to a voluntary treatment agreement 174 175 or convalescent status may be construed as creating a right to 176 receive outpatient mental health services or treatment or as 177 obligating any person or agency to provide outpatient services 178 or treatment. Time limitations set forth in this article relating to 179 periods of involuntary commitment to a mental health facility 180 for hospitalization do not apply to release pursuant to the terms

181 of a voluntary treatment agreement: Provided, however, That release pursuant to a voluntary treatment agreement may not be 182 183 for a period of more than six months if the individual has not 184 been found to be involuntarily committed during the previous two years and for a period of no more than two years if the 185 individual has been involuntarily committed during the preced-186 187 ing two years. If in any proceeding held pursuant to this article 188 the individual objects to the issuance or conditions and terms of an order adopting a voluntary treatment agreement, then the 189 190 circuit judge, magistrate or mental hygiene commissioner may 191 not enter an order directing treatment pursuant to a voluntary 192 treatment agreement. If involuntary commitment with release 193 pursuant to a voluntary treatment agreement is ordered, the 194 individual subject to the order may, upon request during the 195 period the order is in effect, have a hearing before a mental 196 hygiene commissioner or circuit judge where the individual 197 may seek to have the order canceled or modified. Nothing in 198 this section may affect the appellate and habeas corpus rights of 199 any individual subject to any commitment order.

(h) If the certifying physician or psychologist determines that a person requires involuntary hospitalization for an addiction to a substance which, due to the degree of addiction, creates a reasonable likelihood that withdrawal or detoxification from the substance of addiction will cause significant medical complications, the person certifying the individual shall recommend that the individual be closely monitored for possible medical complications. If the magistrate, mental hygiene commissioner or circuit court judge presiding orders involuntary hospitalization, he or she shall include a recommendation that the individual be closely monitored in the order of commitment.

212 (i) The supreme court of appeals and the secretary of the 213 department of health and human resources shall collect data and 214 report to the Legislature at its regular annual sessions in two 215 thousand three and two thousand four of the effects of the 216 changes made in the mental hygiene judicial process along with any recommendations which they may deem proper for further 217 218 revision or implementation in order to improve the administration and functioning of the mental hygiene system utilized in 219 this state, to serve the ends of due process and justice in 220 221 accordance with the rights and privileges guaranteed to all 222 citizens, to promote a more effective, humane and efficient 223 system and to promote the development of good mental health. 224 The supreme court of appeals and the secretary of the depart-225 ment of health and human resources shall specifically develop 226 and propose a statewide system for evaluation and adjudication of mental hygiene petitions which shall include payment 227 228 schedules and recommendations regarding funding sources. 229 Additionally, the secretary of the department of health and 230 human resources shall also immediately seek reciprocal 231 agreements with officials in contiguous states to develop interstate/intergovernmental agreements to provide efficient and 232 233 efficacious services to out-of-state residents found in West 234 Virginia and who are in need of mental hygiene services.

## §27-5-3. Admission under involuntary hospitalization for examination; hearing; release.

1 (a) Admission to a mental health facility for examination. 2 — Any individual may be admitted to a mental health facility 3 for examination and treatment upon entry of an order finding 4 probable cause as provided in section two of this article and upon certification by a physician, psychologist, licensed 5 6 independent clinical social worker practicing in compliance 7 with the provisions of article thirty, chapter thirty of this code or an advanced nurse practitioner with psychiatric certification 8 practicing in compliance with article seven of said chapter that 9 he or she has examined the individual and is of the opinion that 10 the individual is mentally ill and, because of such mental 11 12 illness, is likely to cause serious harm to himself or herself or

- 13 to others if not immediately restrained or is addicted: *Provided*,
- 14 That the opinions offered by an independent clinical social
- 15 worker or an advanced nurse practitioner with psychiatric
- 16 certification must be within their particular areas of expertise,
- 17 as recognized by the order of the authorizing court.
- 18 (b) Three-day time limitation on examination. If said examination does not take place within three days from the date the individual is taken into custody, the individual shall be released. If the examination reveals that the individual is not mentally ill or addicted, the individual shall be released.
- 23 (c) Three-day time limitation on certification. The 24 certification required in subsection (a) of this section shall be 25 valid for three days. Any individual with respect to whom such 26 certification has been issued may not be admitted on the basis 27 thereof at any time after the expiration of three days from the 28 date of such examination.
- 29 (d) Findings and conclusions required for certification.—
  30 A certification under this section must include findings and
  31 conclusions of the mental examination, the date, time and place
  32 thereof and the facts upon which the conclusion that involun33 tary commitment is necessary is based.
- 34 (e) Notice requirements. — When an individual is admitted 35 to a mental health facility pursuant to the provisions of this 36 section, the chief medical officer thereof shall immediately give 37 notice of the individual's admission to the individual's spouse, 38 if any, and one of the individual's parents or guardians or if 39 there be no such spouse, parents or guardians, to one of the individual's adult next of kin: Provided, That such next of kin 40 41 shall not be the applicant. Notice shall also be given to the 42 community mental health facility, if any, having jurisdiction in 43 the county of the individual's residence. Such notices other than 44 to the community mental health facility shall be in writing and

- shall be transmitted to such person or persons at his, her or their last known address by certified or registered mail, return receipt
- 47 requested.
- 48 (f) Five-day time limitation for examination and certification at mental health facility. — After the individual's admis-49 sion to a mental health facility, he or she may not be detained 50 more than five days, excluding Sundays and holidays, unless, 51 52 within such period, the individual is examined by a staff 53 physician and such physician certifies that in his or her opinion 54 the patient is mentally ill and is likely to injure himself or herself or others or will remain addicted if allowed to be at 55 56 liberty.
  - (g) Fifteen-day time limitation for institution of final commitment proceedings. If, in the opinion of the examining physician, the patient is mentally ill and because of such mental illness is likely to injure himself or herself or others or will continue to abuse a substance to which he or she is addicted if allowed to be at liberty, the chief medical officer shall, within fifteen days from the date of admission, institute final commitment proceedings as provided in section four of this article. If such proceedings are not instituted within such fifteen-day period, the patient shall be immediately released. After the request for hearing is filed, the hearing shall not be canceled on the basis that the individual has become a voluntary patient unless the mental hygiene commissioner concurs in the motion for cancellation of the hearing.
- 71 (h) Thirty-day time limitation for conclusion of all proceed-72 ings. — If all proceedings as provided in articles three and four 73 of this chapter are not completed within thirty days from the 74 date of institution of such proceedings, the patient shall be 75 immediately released.

AN ACT to amend and reenact section twenty-three, article three, chapter twenty-two of the code of West Virginia, one thousand nine hundred thirty-one, as amended, relating to surface coal mining and reclamation; and establishing requirements for bond release.

Be it enacted by the Legislature of West Virginia:

That section twenty-three, article three, chapter twenty-two of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

#### ARTICLE 3. SURFACE COAL MINING AND RECLAMATION ACT.

- §22-3-23. Release of bond or deposits; application; notice; duties of secretary; public hearings; final maps on grade release.
  - 1 (a) The permittee may file a request with the secretary for
  - 2 the release of a bond or deposit. The permittee shall publish an
  - 3 advertisement regarding the request for release in the same
  - 4 manner as is required of advertisements for permit applications.
  - 5 A copy of the advertisement shall be submitted to the secretary
  - as part of any bond release application and shall contain a
  - 7 notification of the precise location of the land affected, the
  - 8 number of acres, the permit and the date approved, the amount
  - 9 of the bond filed and the portion sought to be released, the type
  - 10 and appropriate dates of reclamation work performed and a

- 11 description of the results achieved as they relate to the
- 12 permittee's approved reclamation plan. In addition, as part of
- 13 any bond release application, the permittee shall submit copies
- 14 of letters which the permittee has sent to adjoining property
- 15 owners, local government bodies, planning agencies, sewage
- 16 and water treatment authorities or water companies in the
- 17 locality in which the surface mining operation is located,
- 18 notifying them of the permittee's intention to seek release from
- 19 the bond. Any request for grade release shall also be accompa-
- 20 nied by final maps.
- 21 (b) Upon receipt of the application for bond release, the
- 22 secretary, within thirty days, taking into consideration existing
- 23 weather conditions, shall conduct an inspection and evaluation
- 24 of the reclamation work involved. The evaluation shall con-
- 25 sider, among other things, the degree of difficulty to complete
- 26 any remaining reclamation, whether pollution of surface and
- 27 subsurface water is occurring, the probability of continuance or
- 28 future occurrence of the pollution and the estimated cost of
- 29 abating the pollution. The secretary shall notify the permittee in
- 30 writing of his or her decision to release or not to release all or
- 31 part of the bond or deposit within sixty days from the date of
- 32 the initial publication of the advertisement if no public hearing
- 33 is requested. If a public hearing is held, the secretary's decision
- 34 shall be issued within thirty days thereafter.
- 35 (c) If the secretary is satisfied that reclamation covered by
- 36 the bond or deposit or portion thereof has been accomplished as
- 37 required by this article, he or she may release the bond or
- 38 deposit, in whole or in part, according to the following sched-
- 39 ule:
- 40 (1) For all operations except those with an approved
- 41 variance from approximate original contour:

- 42 (A) When the operator completes the backfilling, regrading
- 43 and drainage control of a bonded area in accordance with the
- 44 operator's approved reclamation plan, the release of sixty
- 45 percent of the bond or collateral for the applicable bonded area:
- 46 Provided, That a minimum bond of ten thousand dollars shall
- 47 be retained after grade release;
- 48 (B) Two years after the last augmented seeding, fertilizing,
- 49 irrigation or other work to ensure compliance with subdivision
- 50 (19), subsection (b), section thirteen of this article, the release
- 51 of an additional twenty-five percent of the bond or collateral for
- 52 the applicable bonded area: Provided, That a minimum bond of
- 53 ten thousand dollars shall be retained after the release provided
- 54 for in this subdivision; and
- 55 (C) When the operator has completed successfully all
- 56 surface mining and reclamation activities, the release of the
- 57 remaining portion of the bond, but not before the expiration of
- 58 the period specified in subdivision (20), subsection (b), section
- 59 thirteen of this article: *Provided*, That the revegetation has been
- 60 established on the regraded mined lands in accordance with the
- 61 approved reclamation plan: Provided, however, That the release
- 62 may be made where the quality of the untreated post-mining
- 63 water discharged is better than or equal to the premining water
- 64 quality discharged from the mining site where expressly
- 65 authorized by legislative rule promulgated pursuant to section
- 66 three, article one of this chapter.
- 67 (2) For operations with an approved variance from approxi-
- 68 mate original contour:
- 69 (A) When the operator completes the backfilling, regrading
- 70 and drainage control of a bonded area in accordance with the
- 71 operator's approved reclamation plan, the release of fifty
- 72 percent of the bond or collateral for the applicable bonded area:
- 73 Provided, That a minimum bond of ten thousand dollars shall
- 74 be retained after grade release;

- (B) Two years after the last augmented seeding, fertilizing, irrigation or other work to ensure compliance with subdivision (19), subsection (b), section thirteen of this article, the release of an additional ten percent of the bond or collateral for the applicable bonded area: *Provided*, That a minimum bond of ten thousand dollars shall be retained after the release provided for in this subdivision; and
  - (C) When the operator has completed successfully all surface mining and reclamation activities, the release of the remaining portion of the bond, but not before the expiration of the period specified in subdivision (20), subsection (b), section thirteen of this article: *Provided*, That the revegetation has been established on the regraded mined lands in accordance with the approved reclamation plan and if applicable the necessary postmining infrastructure is established and any necessary financing is completed: *Provided*, *however*, That the release may be made where the quality of the untreated post-mining water discharged is better than or equal to the premining water quality discharged from the mining site where expressly authorized by legislative rule promulgated pursuant to section three, article one of this chapter.

No part of the bond or deposit may be released under this subsection so long as the lands to which the release would be applicable are contributing additional suspended solids to streamflow or runoff outside the permit area in excess of the requirements set by section thirteen of this article, or until soil productivity for prime farmlands has returned to equivalent levels of yield as nonmined land of the same soil type in the surrounding area under equivalent management practices as determined from the soil survey performed pursuant to section nine of this article. Where a sediment dam is to be retained as a permanent impoundment pursuant to section thirteen of this article, or where a road or minor deviation is to be retained for sound future maintenance of the operation, the portion of the

132

133

134

135

136

137

bond may be released under this subsection so long as provisions for sound future maintenance by the operator or the landowner have been made with the secretary.

112 Notwithstanding the bond release scheduling provisions of 113 subdivisions (1) and (2) of this subsection, if the operator completes the backfilling and reclamation in accordance with 114 an approved post-mining land use plan that has been approved 115 116 by the department of environmental protection and accepted by a local or regional economic development or planning agency 117 for the county or region in which the operation is located, 118 119 provisions for sound future maintenance are assured by the 120 local or regional economic development or planning agency, 121 and the quality of any untreated post-mining water discharge 122 complies with applicable water quality criteria for bond release, 123 the secretary may release the entire amount of the bond or 124 deposit. The secretary shall propose rules for legislative approval in accordance with the provisions of article three, 125 126 chapter twenty-nine-a of this code to govern a bond release 127 pursuant to the terms of this paragraph.

- (d) If the secretary disapproves the application for release of the bond or portion thereof, the secretary shall notify the permittee, in writing, stating the reasons for disapproval and recommending corrective actions necessary to secure the release and notifying the operator of the right to a hearing.
- (e) When any application for total or partial bond release is filed with the secretary, he or she shall notify the municipality in which a surface-mining operation is located by registered or certified mail at least thirty days prior to the release of all or a portion of the bond.
- 138 (f) Any person with a valid legal interest which is or may 139 be adversely affected by release of the bond or the responsible 140 officer or head of any federal, state or local governmental

Be it enacted by the Legislature of West Virginia:

That section seven, article one, chapter twenty-two-b of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

#### ARTICLE 1. GENERAL POLICY AND PURPOSE.

## §22B-1-7. Appeals to boards.

- 1 (a) The provisions of this section are applicable to all
- 2 appeals to the boards, with the modifications or exceptions set
- 3 forth in this section.

- 4 (b) Any person authorized by statute to seek review of an
  - order, permit or official action of the chief of air quality, the
- 6 chief of water resources, the chief of waste management, the
- 7 chief of mining and reclamation, the chief of oil and gas, or the
- 8 secretary may appeal to the air quality board, the environmental

- 11 known as the appellant and the appropriate chief or the secre-
- 12 tary shall be known as the appellee.
- 13 (c) An appeal filed with a board by a person subject to an 14 order, permit or official action shall be perfected by filing a 15 notice of appeal with the board within thirty days after the date upon which such order, permit or official action was received 16 by such person as demonstrated by the date of receipt of 17 18 registered or certified mail or of personal service. For parties entitled to appeal other than the person subject to such order, 19 20 permit or official action, an appeal shall be perfected by filing 21 a notice of appeal with the board within thirty days after the 22 date upon which service was complete. For purposes of this 23 subsection, service is complete upon tendering a copy to the 24 designated agent or to the individual who, based upon reason-25 able inquiry, appears to be in charge of the facility or activity 26 involved, or to the permittee; or by tendering a copy by registered or certified mail, return receipt requested to the last 27 known address of the person on record with the agency. Service 28 29 is not incomplete by refusal to accept. Notice of appeal must be 30 filed in a form prescribed by the rule of the board for such 31 purpose. Persons entitled to appeal may also file a notice of appeal related to the failure or refusal of the appropriate chief 32 33 or the secretary to act within a specified time on an application 34 for a permit; such notice of appeal shall be filed within a 35 reasonable time.
  - (d) The filing of the notice of appeal does not stay or suspend the effectiveness or execution of the order, permit or official action appealed from, except that the filing of a notice of appeal regarding a notice of intent to suspend, modify or revoke and reissue a permit, issued pursuant to the provisions of section five, article five, chapter twenty-two of this code, does stay the notice of intent from the date of issuance pending a final decision of the board. If it appears to the appropriate chief, the secretary or the board that an unjust hardship to the

45 appellant will result from the execution or implementation of a 46 chief's or secretary's order, permit or official action pending 47 determination of the appeal, the appropriate chief, the secretary or the board, as the case may be, may grant a stay or suspension 48 of the order, permit or official action and fix its terms: Pro-49 50 vided, That unjust hardship shall not be grounds for granting a stay or suspension of an order, permit or official action for an 51 order issued pursuant to article three, chapter twenty-two of this 52 53 code. A decision shall be made on any request for a stay within five days of the date of receipt of the request for stay. The 54 55 notice of appeal shall set forth the terms and conditions of the order, permit or official action complained of and the grounds 56 upon which the appeal is based. A copy of the notice of appeal 57 shall be filed by the board with the appropriate chief or secre-58 tary within seven days after the notice of appeal is filed with the 59 60 board.

61 (e) Within fourteen days after receipt of a copy of the notice 62 of appeal, the appropriate chief or the secretary as the case may be, shall prepare and certify to the board a complete record of 63 64 the proceedings out of which the appeal arises including all documents and correspondence in the applicable files relating 65 66 to the matter in question. With the consent of the board and 67 upon such terms and conditions as the board may prescribe, any person affected by the matter pending before the board may by 68 petition intervene as a party appellant or appellee. In any appeal 69 70 brought by a third party, the permittee or regulated entity shall be granted intervenor status as a matter of right where issuance 71 of a permit or permit status is the subject of the appeal. The 72 73 board shall hear the appeal de novo, and evidence may be offered on behalf of the appellant, appellee and by any 74 intervenors. The board may visit the site of the activity or 75 76 proposed activity which is the subject of the hearing and take 77 such additional evidence as it considers necessary: Provided, That all parties and intervenors are given notice of the visit and 78 are given an opportunity to accompany the board. The appeal 79

- 80 hearing shall be held at such location as may be approved by
- 81 the board including Kanawha County, the county wherein the
- 82 source, activity or facility involved is located or such other
- 83 location as may be agreed to among the parties.
- 84 (f) Any such hearing shall be held within thirty days after 85 the date upon which the board received the timely notice of 86 appeal, unless there is a postponement or continuance. The 87 board may postpone or continue any hearing upon its own motion, or upon application of the appellant, the appellee or any 88 89 intervenors for good cause shown. The chief or the secretary, as 90 appropriate, may be represented by counsel. If so represented 91 they shall be represented by the attorney general or with the 92 prior written approval of the attorney general may employ 93 counsel who shall be a special assistant attorney general. At any 94 such hearing the appellant and any intervenor may represent 95 themselves or be represented by an attorney-at-law admitted to 96 practice before the supreme court of appeals.
  - (g) After such hearing and consideration of all the testimony, evidence and record in the case:
- 99 (1) The environmental quality board or the air quality board, as the case may be, shall make and enter a written order affirming, modifying or vacating the order, permit or official action of the chief or secretary, or shall make and enter such order as the chief or secretary should have entered, or shall make and enter an order approving or modifying the terms and conditions of any permit issued; and
  - (2) The surface mine board shall make and enter a written order affirming the decision appealed from if the board finds that the decision was lawful and reasonable, or if the board finds that the decision was not supported by substantial evidence in the record considered as a whole, it shall make and

- enter a written order reversing or modifying the decision of the secretary.
- 113 (h) In appeals of an order, permit or official action taken 114 pursuant to articles six, eleven, twelve, thirteen, fifteen, chapter 115 twenty-two of this code, the environmental quality board established in article three of this chapter, shall take into 116 117 consideration, in determining its course of action in accordance 118 with subsection (g) of this section, not only the factors which 119 the appropriate chief or the secretary was authorized to consider 120 in issuing an order, in granting or denying a permit, in fixing the terms and conditions of any permit, or in taking other 121 122 official action, but also the economic feasibility of treating or 123 controlling, or both, the discharge of solid waste, sewage, 124 industrial wastes or other wastes involved.
- (i) An order of a board shall be accompanied by findings of fact and conclusions of law as specified in section three, article five, chapter twenty-nine-a of this code, and a copy of such order and accompanying findings and conclusions shall be served upon the appellant, and any intervenors, and their attorneys of record, if any, and upon the appellee in person or by registered or certified mail.
- (j) The board shall also cause a notice to be served with the copy of such order, which notice shall advise the appellant, the appellee and any intervenors of their right to judicial review, in accordance with the provisions of this chapter. The order of the board shall be final unless vacated or modified upon judicial review thereof in accordance with the provisions of this chapter.

AN ACT to amend chapter twenty-four of the code of West Virginia, one thousand nine hundred thirty-one, as amended, by adding thereto a new article, designated article eight, relating to directing the public service commission to implement the West Virginia 211 information and referral system in accordance with the recommendations of the public service commissions' appointed task force as reported to the Legislature in two thousand two.

Be it enacted by the Legislature of West Virginia:

#### ARTICLE 8. 211 INFORMATION AND REFERRAL SYSTEM.

- §24-8-1. Legislative findings.
- §24-8-2. Rule-making authority.

#### §24-8-1. Legislative findings.

- 1 The Legislature finds that it is in the best interest of the
- 2 citizens of West Virginia to implement the universally, free
- 3 access telephone number "211" made available by the federal
- 4 communications commission for states to develop an informa-
- 5 tion and referral source for human and social services. The
- 6 "211" system will provide a vital resource to the citizens of
- 7 West Virginia for social and human service information and
- 8 referral by providing a critical connection between individuals
- 9 and families in need and the appropriate community-based
- 10 organizations and government agencies.
- 11 The Legislature further finds that implementing the "211"
- 12 information and referral system will serve as a centralized
- 13 resource for human and social service professionals, medical
- 14 personnel, government agencies and charitable organizations by
- 15 providing a full spectrum of service options to the citizens of
- 16 West Virginia. The "211" system will also serve as a central-
- 17 ized point in times of natural disasters or national emergencies
- 18 by providing access to information for the coordination of
- 19 relief.
- 20 Therefore, the Legislature authorizes and directs the public
- 21 service commission to implement the "211" information and
- 22 referral system in accordance with the recommendations of the

- 24 the Legislature.

- 1 The public service commission shall propose rules for
- 2 legislative promulgation in accordance with article three,
- 3 chapter twenty-nine-a of this code regarding the implementa-
- 4 tion and administration of this system. From the effective date
- 5 of this section until the date of the promulgation of these rules,
- 6 the commission may file rules as emergency rules in accor-
- 7 dance with the applicable provisions of this code in order to
- 8 implement and administer this system.

(2) Where water, sewer, stormwater or gas services, or any combination thereof, are all furnished to any premises, the schedule of charges may be billed as a single amount for the aggregate of the charges. The board shall require all users of services and facilities furnished by the district to designate on every application for service whether the applicant is a tenant or an owner of the premises to be served. If the applicant is a tenant, he or she shall state the name and address of the owner or owners of the premises to be served by the district. The board may, under 70 reasonable rules promulgated by the public service commission, 71 shut off and discontinue water or gas services to all delinquent 72 users of either water or gas facilities, or both, ten days after the 73 water or gas services become delinquent.

(b) In the event that any publicly or privately owned utility, city, incorporated town, other municipal corporation or other public service district included within the district owns and operates separately either water facilities or sewer facilities, and the district owns and operates the other kind of facilities, either water or sewer, as the case may be, then the district and the publicly or privately owned utility, city, incorporated town or other municipal corporation or other public service district shall covenant and contract with each other to shut off and discontinue the supplying of water service for the nonpayment of sewer service fees and charges: *Provided*, That any contracts entered into by a public service district pursuant to this section shall be submitted to the public service commission for approval. 102 (c) Any district furnishing sewer facilities within the district 103 may require, or may by petition to the circuit court of the county in which the property is located, compel or may require 104 105 the division of health to compel all owners, tenants or occupants of any houses, dwellings and buildings located near any 106 107 sewer facilities where sewage will flow by gravity or be transported by other methods approved by the division of 108 109 health, including, but not limited to, vacuum and pressure systems, approved under the provisions of section nine, article 110 one, chapter sixteen of this code, from the houses, dwellings or 111 buildings into the sewer facilities, to connect with and use the 112 sewer facilities and to cease the use of all other means for the 113 collection, treatment and disposal of sewage and waste matters 114 from the houses, dwellings and buildings where there is gravity 115 116 flow or transportation by any other methods approved by the 117 division of health, including, but not limited to, vacuum and 118 pressure systems, approved under the provisions of section nine, article one, chapter sixteen of this code and the houses, 119 120 dwellings and buildings can be adequately served by the sewer facilities of the district and it is declared that the mandatory use 121 of the sewer facilities provided for in this paragraph is neces-122 sary and essential for the health and welfare of the inhabitants 123 and residents of the districts and of the state. If the public 124 125 service district requires the property owner to connect with the 126 sewer facilities even when sewage from dwellings may not flow to the main line by gravity and the property owner incurs costs 127 for any changes in the existing dwellings' exterior plumbing in 128 129 order to connect to the main sewer line, the public service 130 district board shall authorize the district to pay all reasonable costs for the changes in the exterior plumbing, including, but 131 132 not limited to, installation, operation, maintenance and purchase 133 of a pump or any other method approved by the division of 134 health. Maintenance and operation costs for the extra installation should be reflected in the users charge for approval of the 135 public service commission. The circuit court shall adjudicate 136

- 137 the merits of the petition by summary hearing to be held not
- 138 later than thirty days after service of petition to the appropriate
- 139 owners, tenants or occupants.
- 140 (d) Whenever any district has made available sewer 141 facilities to any owner, tenant or occupant of any house, 142 dwelling or building located near the sewer facility and the 143 engineer for the district has certified that the sewer facilities are 144 available to and are adequate to serve the owner, tenant or 145 occupant and sewage will flow by gravity or be transported by 146 other methods approved by the division of health from the 147 house, dwelling or building into the sewer facilities, the district 148 may charge, and the owner, tenant or occupant shall pay the 149 rates and charges for services established under this article only 150 after thirty-day notice of the availability of the facilities has 151 been received by the owner, tenant or occupant. Rates and 152 charges for sewage services shall be based upon actual water 153 consumption or the average monthly water consumption based 154 upon the owner's, tenant's or occupant's specific customer 155 class.
- 156 (e) Whenever any district has made available a stormwater 157 system to any owner, tenant or occupant of any real property 158 located near the stormwater system and where stormwater from 159 real property affects or drains into the stormwater system, it is 160 hereby found, determined and declared that the owner, tenant 161 or occupant is being served by the stormwater system and it is 162 further hereby found, determined and declared that the manda-163 tory use of the stormwater system is necessary and essential for 164 the health and welfare of the inhabitants and residents of the 165 district and of the state. - 74 may cancel any registration card and identification marker
- 75 previously issued to the person.

### PART 2. MOTOR FUEL TAX; LIABILITY.

## §11-14C-5. Taxes levied; rate.

- 1 (a) There is hereby levied on all motor fuel an excise tax
- 2 composed of a flat rate equal to twenty and one-half cents per
- 3 invoiced gallon plus a variable component comprised of either
- 4 the tax imposed by section eighteen-b, article fifteen of this
- 5 chapter or the tax imposed under section thirteen-a, article
- 6 fifteen-a of this chapter, as applicable: Provided, That the motor
- 7 fuel excise tax shall take effect the first day of January, two
- 8 thousand four: Provided, however, That on and after the first

day of August, two thousand seven, the flat rate portion of the motor fuel excise tax shall be fifteen and one-half cents per gallon: *Provided further*, That the variable component shall be equal to five percent of the average wholesale price of the motor fuel: *And provided further*, That the average wholesale price shall be no less than ninety-seven cents per invoiced

15 gallon and is computed as hereinafter prescribed in this section.

#### (b) Determination of average wholesale price. -

- 17 (1) To simplify determining the average wholesale price of 18 all motor fuel, the tax commissioner shall, effective with the period beginning the first day of the month of the effective date 19 of this section and each first day of January thereafter, deter-20 mine the average wholesale price of motor fuel for each annual 21 period on the basis of sales data gathered for the preceding 22 23 period of the first day of July through the thirty-first day of October. Notification of the average wholesale price of motor 24 fuel shall be given by the tax commissioner at least thirty days 25 in advance of each first day of January by filing notice of the 26 average wholesale price in the state register, and by any other 27 28 means as the tax commissioner considers reasonable: Provided, 29 That notice of the average wholesale price of motor fuel for the first period shall be timely given if filed in the state register on 30 the effective date of this section. 31
- (2) The "average wholesale price" means the single, 32 statewide average per gallon wholesale price, rounded to the 33 third decimal (thousandth of a cent), exclusive of state and 34 federal excise taxes on each gallon of motor fuel, as determined 35 36 by the tax commissioner from information furnished by suppliers, importers and distributors of motor fuel in this state, 37 or other information regarding wholesale selling prices as the 38 tax commissioner may gather, or a combination of information: 39 Provided, That in no event shall the average wholesale price be 40

- 41 determined to be less than ninety-seven cents per gallon of 42 motor fuel.
- 43 (3) All actions of the tax commissioner in acquiring data necessary to establish and determine the average wholesale 44 45 price of motor fuel, in providing notification of his or her 46 determination prior to the effective date of any change in rate, 47 and in establishing and determining the average wholesale price of motor fuel, may be made by the tax commissioner without 48 compliance with the provisions of article three, chapter twenty-49 50 nine-a of this code.
- 51 (4) In any administrative or court proceeding brought to 52 challenge the average wholesale price of motor fuel as deter-53 mined by the tax commissioner, his or her determination is 54 presumed to be correct and shall not be set aside unless it is 55 clearly erroneous.
- 56 (c) There is hereby levied a floorstocks tax on motor fuel 57 held in storage outside the bulk transfer/terminal system as of 58 the close of the business day preceding the first day of January, two thousand four, and upon which the tax levied by this 59 60 section has not been paid. For the purposes of this section, 61 "close of the business day" means the time at which the last transaction has occurred for that day. The floorstocks tax is 62 payable by the person in possession of the motor fuel on the 63 64 first day of January, two thousand four. The amount of the floorstocks tax on motor fuel is equal to the sum of the tax rate 65 specified in subsection (a) of this section multiplied by the 66 67 gallons in storage as of the close of the business day preceding 68 the first day of January, two thousand four.
- 69 (1) Persons in possession of taxable motor fuel in storage 70 outside the bulk transfer/terminal system as of the close of the 71 business day preceding the first day of January, two thousand 72 four, shall:

- 73 (A) Take an inventory at the close of the business day 74 preceding the first day of January, two thousand four, to 75 determine the gallons in storage for purposes of determining the 76 floorstocks tax;
- 77 (B) Report no later than the thirty-first day of January, two 78 thousand four, the gallons on forms provided by the commis-79 sioner; and
- 80 (C) Remit the tax levied under this section no later than the 81 first day of June, two thousand four.
- 82 (2) In the event the tax due is paid to the commissioner on 83 or before the thirty-first day of January, two thousand four, the 84 person remitting the tax may deduct from their remittance five 85 percent of the tax liability due.
- 86 (3) In the event the tax due is paid to the commissioner 87 after the first day of June, two thousand four, the person 88 remitting the tax shall pay, in addition to the tax, a penalty in 89 the amount of five percent of the tax liability due.
- 90 (4) In determining the amount of floorstocks tax due under 91 this section, the amount of motor fuel in dead storage may be 92 excluded. There are two methods for calculating the amount of 93 motor fuel in dead storage:
- 94 (A) If the tank has a capacity of less than ten thousand 95 gallons, the amount of motor fuel in dead storage is two 96 hundred gallons and if the tank has a capacity of ten thousand 97 gallons or more, the amount of motor fuel in dead storage is 98 four hundred gallons; or
- 99 (B) Use the manufacturer's conversion table for the tank 100 after measuring the number of inches between the bottom of the 101 tank and the bottom of the mouth of the drainpipe: *Provided*, 102 That the distance between the bottom of the tank and the

- bottom of the mouth of the draw pipe is presumed to be six inches.
- 105 (d) Every licensee who, on the effective date of any rate 106 change, has in inventory any motor fuel upon which the tax or 107 any portion thereof has been previously paid shall take a 108 physical inventory and file a report thereof with the commis-
- 109 sioner, in the format as required by the commissioner, within
- 110 thirty days after the effective date of the rate change, and shall
- 111 pay to the commissioner at the time of filing the report any
- 112 additional tax due under the increased rate.

### §11-14C-6. Point of imposition of motor fuels tax.

- 1 (a) The tax levied pursuant to section five of this article is
- 2 imposed at the time motor fuel is imported into this state, other
- 3 than by a bulk transfer, is measured by invoiced gallons
- 4 received outside this state at a refinery, terminal or bulk plant
- 5 for delivery to a destination in this state and is payable by the
- 6 person importing the motor fuel unless otherwise specified in
- 7 this section.
- 8 (b) Except as provided in subsection (a) of this section, the
- 9 tax levied pursuant to section five of this article is measured by
- 10 invoiced gallons of motor fuel removed, other than by a bulk
- 11 transfer:
- 12 (1) From the bulk transfer/terminal system within this state;
- 13 (2) From the bulk transfer/terminal system outside this state
- 14 for delivery to a location in this state as represented on the
- shipping papers: *Provided*, That the supplier imports the motor
- 16 fuel for the account of the supplier; and
- 17 (3) Upon sale or transfer in a terminal or refinery in this
- 18 state to any person not holding a supplier's license and payable
- 19 by the person selling or transferring the motor fuel.

- 20 (c) The tax levied pursuant to section five of this article 21 upon motor fuel removed from a refinery or terminal in this 22 state shall be collected by the supplier, as shown in the records 23 of the terminal operator, acting as trustee, from the person 24 removing the motor fuel from the facility.
- 25 (d) The tax levied pursuant to section five of this article
  26 shall not apply to motor fuel imported into this state in the
  27 motor fuel supply tank or tanks of a motor vehicle, other than
  28 in the motor fuel supply tank of a vehicle being hauled:
  29 *Provided*, That the person owning or operating as a motor
  30 carrier is not relieved of any taxes imposed by article fourteen-a
  31 of this chapter.
- (e) The tax imposed pursuant to section five of this article 32 33 at the point that blended motor fuel is made in West Virginia outside the bulk transfer/terminal system is payable by the 34 35 blender. The number of gallons of blended motor fuel on which the tax is payable is the difference, if any, between the number 36 of gallons of blended motor fuel made and the number of 37 gallons of previously taxed motor fuel used to make the blended 38 39 motor fuel.
  - (f) The terminal operator of a terminal in this state is jointly and severally liable with the supplier for the tax levied pursuant to section five of this article and shall remit payment to this state at the same time and on the same basis as a supplier under section twenty-two of this article upon:

41

42 43

- 45 (1) The removal of motor fuel from the terminal on account 46 of any supplier who is not licensed in this state: *Provided*, That 47 the terminal operator is relieved of liability if the terminal 48 operator establishes all of the following:
- 49 (A) The terminal operator has a valid terminal operator's 50 license issued for the facility from which the motor fuel is 51 withdrawn;

- 52 (B) The terminal operator has a copy of a valid license from
- 53 the supplier as required by the commissioner; and
- 54 (C) The terminal operator has no reason to believe that any
- 55 information is false; or
- 56 (2) The removal of motor fuel that is not dyed and marked
- 57 in accordance with Internal Revenue Service requirements, if
- 58 the terminal operator provides any person with any bill of
- 59 lading, shipping paper, or similar document indicating that the
- 60 motor fuel is dyed and marked in accordance with the Internal
- 61 Revenue Service requirements.

## §11-14C-7. Tax on unaccounted for motor fuel losses; liability.

- 1 (a) There is hereby annually levied a tax at the rate speci-
- 2 fied by section five of this article on taxable unaccounted for
- 3 motor fuel losses at a terminal in this state, "Taxable unac-
- 4 counted for motor fuel losses" means the number of net gallons
- 5 of unaccounted for motor fuel losses that exceed one half of one
- 6 percent of the number of net gallons removed from the terminal
- 7 during the year by a bulk transfer or at the terminal rack.
- 8 "Unaccounted for motor fuel losses" means the difference
- 9 between: (1) The amount of motor fuel in inventory at the
- 10 terminal at the beginning of the year plus the amount of motor
- 11 fuel received by the terminal during the year; and (2) the
- 12 amount of motor fuel in inventory at the terminal at the end of
- 13 the year plus the amount of motor fuel removed from the
- 14 terminal during the year. Accounted for motor fuel losses which
- 15 have been approved by the commissioner or motor fuel losses
- 16 constituting part of a transmix shall not constitute unaccounted
- 17 for motor fuel losses.
- 18 (b) The terminal operator whose motor fuel is unaccounted
- 19 for is liable for the tax levied by this section. Motor fuel
- 20 received by a terminal operator and not shown on an informa-
- 21 tional return filed by the terminal operator with the commis-

- 22 sioner as having been removed from the terminal is presumed
- 23 to be unaccounted for motor fuel losses. A terminal operator
- 24 may rebut this presumption by establishing that motor fuel
- 25 received at a terminal, but not shown on an informational return
- 26 as having been removed from the terminal, was an accounted
- 27 for loss or constitutes part of a transmix.

### §11-14C-8. Backup tax; liability.

- 1 (a) The tax levied pursuant to section five of this article is 2 levied on the following:
- 3 (1) Dyed diesel fuel that is used to operate a highway
- 4 vehicle for a taxable use other than a use exempt under 26
- 5 U.S.C. §4082;
- 6 (2) Motor fuel that was allowed an exemption from the
- 7 motor fuel tax and was then used or consumed on a highway;
- 8 and
- 9 (3) Motor fuel that is used to operate a highway vehicle
- 10 after an application for a refund of tax paid on the motor fuel is
- 11 made or allowed on the basis that the motor fuel was used for
- 12 an off-highway purpose.
- 13 (b) The operator of a highway vehicle that uses untaxed or
- 14 refunded motor fuel that is taxable under this section is liable
- 15 for the tax. If the highway vehicle that uses the motor fuel is
- 16 owned by or leased to a motor carrier, the operator of the
- 17 highway vehicle and the motor carrier are jointly and severally
- 18 liable for the tax. If the end seller of motor fuel taxable under
- 19 this section knew or had reason to know that the motor fuel
- 20 would be used for a purpose that is taxable under this section,
- 21 the operator of the highway vehicle and the end seller are
- 22 jointly and severally liable for the tax.
- 23 (c) The tax liability levied by this section is in addition to
- 24 any other penalty imposed pursuant to this article.

#### §11-14C-9. Exemptions from tax; claiming refunds of tax.

- 1 (a) Per se exemptions for flat rate. Sales of motor fuel to
- 2 the following, or as otherwise stated in this subsection, is
- 3 exempt per se from the flat rate of the tax levied by section five
- 4 of this article and the flat rate shall not be paid at the rack:
- 5 (1) All motor fuel exported from this state to any other state
- 6 or nation: Provided, That the supplier collects and remits to the
- 7 destination state or nation the appropriate amount of tax due on
- 8 the motor fuel transported to that state or nation: Provided,
- 9 however, That this exemption shall not apply to any motor fuel
- 10 which is transported and delivered outside this state in the
- 11 motor fuel supply tank of a highway vehicle;
- 12 (2) Sales of aircraft fuel;
- 13 (3) All sales of dyed special fuel; and

- 17 component of the tax levied by section five of this article and
- 18 the variable component shall not be paid at the rack:
- All motor fuel exported from this state to any other state or
- 20 nation: Provided, That the supplier collects and remits to the
- 21 destination state or nation the appropriate amount of tax due on
- 22 the motor fuel transported to that state or nation: Provided,
- 23 however, That this exemption shall not apply to any motor fuel
- 24 which is transported and delivered outside this state in the
- 25 motor fuel supply tank of a highway vehicle.
- 26 (c) Refundable exemptions for flat rate. Any person
- 27 having a right or claim to any of the following exemptions to
- 28 the flat rate of the tax levied by section five of this article that

- 29 is set forth in this subsection shall first pay the tax levied by this
- 30 article and then apply to the tax commissioner for a refund:

- 39 emergency service program pursuant to a government contract
- 40 for use in conjunction therewith, or to any person on whom is
- 41 imposed a requirement to maintain an inventory of motor fuel
- 42 for the purpose of the program: Provided, That motor fueling
- 43 facilities used for these purposes are not capable of fueling
- 44 motor vehicles and the person in charge of the program has in
- 45 his or her possession a letter of authority from the tax commis-
- 46 sioner certifying his or her right to the exemption: Provided,
- 47 however, That in order for this exemption to apply, motor fuel
- 48 sold under subdivisions (1) through (6) of this subsection shall
- 49 be used in vehicles or equipment owned and operated by the
- 50 respective government entity or government agency or author-
- 51 ity and purchased for delivery in bulk quantities of five hundred
- 52 gallons or more;
- 53 (7) All gallons of motor fuel purchased by a licensed
- 54 exporter and subsequently exported from this state to any other
- 55 state or nation: Provided, That the exporter has paid the
- 56 applicable motor fuel tax to the destination state or nation prior
- 57 to claiming this refund: Provided, however, That a refund shall
- 58 not be granted on any motor fuel which is transported and

- 26 (c) Determination of average wholesale price. —
- 27 (1) To simplify determining the average wholesale price of
- 28 all gasoline and special fuel, the tax commissioner shall,
- 29 effective with the period beginning the first day of the month of

Every 68 person who operates or causes to be operated a motor carrier in 69 this state shall pay the tax imposed by this section on the 69 average wholesale price of all gallons of gasoline or special fuel 67 used in the operation of any motor carrier within this state, 67 under the following rules:

- (2) A motor carrier shall first determine the gross amount of tax due under this section on the average wholesale value, determined under subsection (c) of this section, of all gasoline and special fuel used in the operation of the motor carrier within this state during the preceding quarter, as if all gasoline and special fuel had been purchased outside this state.

- 85 (3) Next, the taxpayer shall determine the total tax paid 86 under article fifteen of this chapter on all gasoline and special 87 fuel purchased in this state for use in the operation of the motor 88 carrier.
- 4) The difference between (2) and (3) is the amount of tax due under this article when (2) is greater than (3), or the amount to be refunded or credited to the motor carrier when (3) is greater than (2), which refund or credit is allowed in the same manner and under the same conditions as a refund or credit is allowed for the tax imposed by article fourteen-a of this chapter.

- 121 (g) Dedication of tax to highways. All tax collected 122 under the provisions of this section after deducting the amount 123 of any refunds lawfully paid shall be deposited in the "road 124 fund" in the state treasurer's office, and used only for the 125 purpose of construction, reconstruction, maintenance and repair 126 of highways, and payment of principal and interest on state

- (j) Validation. Inasmuch as there is currently litigation 141 challenging the lawfulness of this section in the situation where 142 a motor carrier purchases gasoline or special fuel in another 143 state paying to that other state a sales tax thereon and then 144 145 consumes that gasoline or special fuel in its operation of a 146 motor carrier in this state, without being statutorily allowed a 147 credit for the sales tax against the tax imposed by this article with respect to the gallonage of tax paid fuel consumed in this 148 state: and inasmuch as section ten-a of this article reestablishes 149

150 the allowance of a credit and makes the allowance effectively retroactive and applicable to gasoline and special fuel con-151 sumed in this state after the thirtieth day of June, one thousand 152 153 nine hundred eighty-five, the purported constitutional infirmity is cured. To avoid any question about whether this section was 154 155 in effect subsequent to the thirtieth day of June, one thousand 156 nine hundred eighty-five, this section is reenacted and expressly 157 made retroactive to the first day of July, one thousand nine 158 hundred eighty-five, and the tax commissioner shall not refund 159 or credit any tax previously paid under this section due to a 160 claim that the tax was not lawfully imposed subsequent to the thirtieth day of June, one thousand nine hundred eighty-five. 161

Be it enacted by the Legislature of West Virginia:

That section eleven, article ten, chapter eleven of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

#### ARTICLE 10. PROCEDURE AND ADMINISTRATION.

#### §11-10-11. Collection of tax.

- 1 (a) General. The tax commissioner shall collect the
- 2 taxes, additions to tax, penalties and interest imposed by this
- 3 article or any of the other articles of this chapter to which this
- 4 article is applicable. In addition to all other remedies available
- 5 for the collection of debts due this state, the tax commissioner
- 6 may proceed by foreclosure of the lien provided in section
- 7 twelve, or by levy and distraint under section thirteen.

- 8 (b) Prerequisite to final settlement of contracts with 9 nonresident contractor; user personally liable.
- 10 (1) Any person contracting with a nonresident contractor
- 11 subject to the taxes imposed by articles thirteen, twenty-one and
- 12 twenty-four of this chapter, shall withhold payment, in the final
- 13 settlement of the contract, of a sufficient amount, not exceeding
- 14 six percent of the contract price, as will in the person's opinion
- 15 be sufficient to cover the taxes, until the receipt of a certificate
- 16 from the tax commissioner to the effect that the above refer-
- 17 enced taxes imposed against the nonresident contractor have
- 18 been paid or provided for.
- 19 (2) If any person shall fail to withhold as provided in
- 20 subdivision (1) of this subsection, that person is personally
- 21 liable for the payment of all taxes attributable to the contract,
- 22 not to exceed six percent of the contract price. The taxes
- 23 attributable shall be recoverable by the tax commissioner by
- 24 appropriate legal proceedings, which may include issuance of
- 25 an assessment under this article.
- 26 (c) Prerequisite for issuance of certificate of dissolution or
- 27 withdrawal of corporation. The secretary of state shall
- 28 withhold the issuance of any certificate of dissolution or
- 29 withdrawal in the case of any corporation organized under the
- 30 laws of this state, or organized under the laws of another state
- 31 and admitted to do business in this state, until the receipt of a
- 32 certificate from the tax commissioner to the effect that every
- 33 tax administered under this article imposed against any corpora-
- 34 tion has been paid or provided for, or that the applicant is not
- 35 liable for any tax administered under this article.
- 36 (d) Prerequisite to final settlement of contract with this
- 37 state or political subdivision; penalty. All state, county,
- 38 district and municipal officers and agents making contracts on
- 39 behalf of this state or any political subdivision thereof shall

40 withhold payment, in the final settlement of any contract, until the receipt of a certificate from the tax commissioner to the 41 42 effect that the taxes imposed by articles thirteen, twenty-one 43 and twenty-four of this chapter against the contractor have been paid or provided for. If the transaction embodied in the contract 44 45 or the subject matter of the contract is subject to county or municipal business and occupation tax, then the payment shall 46 also be withheld until receipt of a release from the county or 47 municipality to the effect that all county or municipal business 48 49 and occupation taxes levied or accrued against the contractor 50 have been paid. Any official violating this section is subject to 51 a civil penalty of one thousand dollars, recoverable as a debt in a civil action brought by the tax commissioner. 52

- (e) Limited effect of tax commissioner's certificates. The certificates of the tax commissioner provided for in subsections (b), (c) and (d) of this section shall not bar subsequent investigations, assessments, refunds and credits with respect to the taxpayer.
- 58 (f) Payment when person sells out or quits business; 59 liability of successor; lien.
- 60 (1) If any person subject to any tax administered under this article sells out his, her or its business or stock of goods, or 61 ceases doing business, any tax, additions to tax, penalties and 62 interest imposed by this article or any of the other articles of 63 64 this chapter to which this article is applicable shall become due and payable immediately and that person shall, within thirty 65 days after selling out his, her or its business or stock of goods 66 67 or ceasing to do business, make a final return or returns and pay any tax or taxes which are due. The unpaid amount of any tax 68 69 is a lien upon the property of that person.
- 70 (2) The successor in business of any person who sells out 71 his, her or its business or stock of goods, or ceases doing

business, is personally liable for the payments of tax, additions to tax, penalties and interest unpaid after expiration of the thirty-day period allowed for payment: Provided, That if the business is purchased in an arms-length transaction, and if the purchaser withholds so much of the consideration for the purchase as will satisfy any tax, additions to tax, penalties and interest which may be due until the seller produces a receipt from the tax commissioner evidencing the payment thereof, the purchaser is not personally liable for any taxes attributable to the former owner of the business unless the contract of sale provides for the purchaser to be liable for some or all of the taxes. The amount of tax, additions to tax, penalties and interest for which the successor is liable is a lien on the property of the successor, which shall be enforced by the tax commissioner as provided in this article. 

- (g) Priority in distribution of estate or property in receivership; personal liability of fiduciary. All taxes due and unpaid
  under this article shall be paid from the first money available
  for distribution, voluntary or compulsory, in receivership,
  bankruptcy or otherwise, of the estate of any person, firm or
  corporation, in priority to all claims, except taxes and debts due
  the United States which under federal law are given priority
  over the debts and liens created by this article. Any trustee,
  receiver, administrator, executor or person charged with the
  administration of an estate who violates the provisions of this
  section is personally liable for any taxes accrued and unpaid
  under this article, which are chargeable against the person, firm
  or corporation whose estate is in administration.
- (h) *Injunction*. If the taxpayer fails for a period of more than sixty days to fully comply with any of the provisions of this article or of any other article of this chapter to which this article is applicable, the tax commissioner may institute a proceeding to secure an injunction to restrain the taxpayer from doing business in this state until the taxpayer fully complies

- with the provisions of this article or any other articles. No bond is required of the tax commissioner in any action instituted under this subsection.
- 109 (i) Costs. In any proceeding under this section, upon judgment or decree for the tax commissioner, he or she shall be awarded his or her costs.
- (j) Refunds; credits; right to offset.
- (1) Whenever a taxpayer has a refund or credit due it for an overpayment of any tax administered under this article, the tax commissioner may reduce the amount of the refund or credit by the amount of any tax administered under this article, whether it be the same tax or any other tax, which is owed by the same taxpayer, and collectible as provided in subsection (a) of this section.
- 120 (2) The tax commissioner may enter into agreements with 121 the Internal Revenue Service that provide for offsetting state tax 122 refunds against federal tax liabilities; offsetting federal tax 123 refunds against state tax liabilities; and establishing the amount 124 of the offset fee per transaction which both agencies may 125 charge each other: *Provided*, That offsets under subdivision (1) 126 of this subsection shall occur prior to offset under this subdivi-127 sion. At the times moneys are received as a result of an offset 128 of a taxpayer's federal tax refund under the provisions of 129 section 6402(e) of the Internal Revenue Code, the taxpayer is 130 given credit against state tax liability for the amount of the offset less a deduction for the offset fee imposed by the Internal 131 132 Revenue Service.
- 133 (k) Spouse relieved of liability in certain cases.
- 134 (1) *In general.* Under regulations prescribed by the tax commissioner, if:

- 136 (A) A joint personal income tax return has been made for 137 a taxable year;
- 138 (B) On the return there is a substantial understatement of 139 tax attributable to grossly erroneous items of one spouse;
- 140 (C) The other spouse establishes that in signing the return 141 he or she did not know, and had no reason to know, that there 142 was a substantial understatement; and
- (D) Taking into account all the facts and circumstances, it is inequitable to hold the other spouse liable for the deficiency in tax for the taxable year attributable to the substantial understatement, then the other spouse is relieved of any liability for tax, including interest, additions to tax, and other amounts for the taxable year to the extent the liability is attributable to the substantial understatement.
- 150 (2) Grossly erroneous items. For purposes of this subsection, the term "grossly erroneous items" means, with 152 respect to any spouse:
- 153 (A) Any item of gross income attributable to a spouse 154 which is omitted from gross income; and
- (B) Any claim of a deduction, credit, or basis by a spouse in an amount for which there is no basis in fact or law.
- 157 (3) Substantial understatement. For purposes of this subsection, the term "substantial understatement" means any understatement, as defined in regulations prescribed by the tax commissioner which exceed five hundred dollars.
- 161 (4) Understatement must exceed specified percentage of spouse's income.

- (A) Adjusted gross income of \$20,000 or less. If the spouse's adjusted gross income for the preadjustment year is twenty thousand dollars or less, this subsection applies only if the liability described in paragraph (1) of this subsection is greater than ten percent of the adjusted gross income.
- 168 (B) Adjusted gross income of more than twenty thousand 169 dollars. — If the spouse's adjusted gross income for the 170 preadjustment year is more than twenty thousand dollars, 171 subparagraph (A) of this subdivision is applied by substituting 172 "twenty-five percent" for "ten percent."
- 173 (C) Preadjustment year. For purposes of this paragraph, 174 the term "preadjustment year" means the most recent taxable 175 year of the spouse ending before the date the deficiency notice 176 is mailed.
- 177 (D) Computation of spouse's adjusted gross income. If 178 the spouse is married to another spouse at the close of the 179 preadjustment year, the spouse's adjusted gross income shall 180 include the income of the new spouse whether or not they file 181 a joint return.
- 182 (E) Exception for omissions from gross income. This 183 paragraph shall not apply to any liability attributable to the 184 omission of an item from gross income.
- 185 (5) Adjusted gross income. For purposes of this subsection, the term "adjusted gross income" means the West Virginia adjusted gross income of the taxpayer, determined under article twenty-one of this chapter.

(H. B. 3199 — By Delegate Perdue)

[Passed March 6, 2003; in effect ninety days from passage. Approved by the Governor.]

AN ACT to amend and reenact sections one, two, three, four and five, article two-c, chapter twenty-four of the code of West Virginia, one thousand nine hundred thirty-one, as amended, all relating to reduced telephone service rates for qualified low-income residential consumers; updating terms; expanding the scope of qualified persons; including additional categories of tel-assistance services; providing for additional rules and emergency rules; providing for agreements regarding revenue deficiencies; and allocating revenue deficiencies among eligible telecommunications carriers.

Be it enacted by the Legislature of West Virginia:

That sections one, two, three, four and five, article two-c, chapter twenty-four of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted, all to read as follows:

# ARTICLE 2C. REDUCED RATES FOR CERTAIN LOW-INCOME RESIDENTIAL CUSTOMERS OF TELEPHONE SERVICE.

- §24-2C-1. Legislative findings; utilities subject to public service commission to file new rates.
- §24-2C-2. Tel-assistance; definitions.
- §24-2C-3. Monthly rate set by public service commission; prohibited and permissible charges.
- §24-2C-4. Availability of tel-assistance service; determination of eligibility; promulgation of rules.
- §24-2C-5. Recovery of revenue deficiencies.

# §24-2C-1. Legislative findings; utilities subject to public service commission to file new rates.

- 1 (a) The Legislature finds that universal telephone service
- 2 contributes to the state's economic, social and political integra-
- 3 tion and development. The preservation of universal telephone
- 4 service is therefore of utmost importance to the state and its
- 5 citizens.
- 6 (b) Recent changes in the telecommunications industry,
- 7 however, both in its structure and in the national policy which
- 8 governs it, have begun to exert a general, upward pressure on
- 9 the rates for basic telephone service. Although neither the
- 10 extent to which basic telephone rates may rise in the future, nor
- 11 the effect of any such future increases on the general
- 12 affordability of telephone service can be ascertained at this
- 13 time, the Legislature finds that anticipatory action should
- 14 nonetheless be taken to preserve the universal telephone service
- 15 which has been substantially achieved in this state.
- 16 (c) All eligible telecommunications carriers providing local
- 17 exchange dial access line service subject to the jurisdiction of
- 18 the public service commission shall file with the commission
- 19 tariffs providing for the offering of a new class of basic
- 20 residential service, at a special reduced rate, to certain low-

- 21 income households. Such tariffs shall be filed after the adoption
- 22 of the rules mandated by subsections (b) and (c), section four of
- 23 this article.

### §24-2C-2. Tel-assistance; definitions.

- 1 For purposes of this article, the following terms apply:
- 2 (a) "Eligible telecommunications carrier" means a common
- 3 carrier that offers telephone services that are supported by
- 4 federal universal service support mechanism, advertises the
- 5 availability of such services and the charges for the services
- 6 using media of general distribution, and that otherwise is
- 7 qualified as an eligible telecommunications carrier pursuant to
- 8 the provisions of 47 U.S.C. Section 214.
- 9 (b) "Qualifying low-income consumer" means a consumer
- 10 who is a recipient of Medicaid, food stamps, supplemental
- 11 security income, federal public housing assistance, low-income
- 12 home energy assistance program benefits, temporary assistance
- 13 to needy families benefits or other income-related state or
- 14 federal programs.
- 15 (c) "Tel-assistance service" means a wholly measured or
- 16 message individual, residential local exchange dial access line
- 17 offered through the provisions of this article and that provides
- 18 for an allowance for usage not to exceed two dollars in value.
- 19 (d) "Usage" means the local exchange service and the long
- 20 distance service provided by the eligible telecommunications
- 21 carrier furnishing the tel-assistance service.

# §24-2C-3. Monthly rate set by public service commission; prohibited and permissible charges.

- 1 (a) The monthly rate for tel-assistance service shall be set
- 2 initially by the commission at the lower of: (1) The lowest
- 3 priced service available to the consumer at the time of his or her

- application; or (2) seven dollars and fifty cents. All usage exceeding two dollars in value shall be charged for at the otherwise applicable tariff rate. No other local voice telephone 6 service may be provided to the dwelling place of a tel-assis-7 8 tance consumer, nor may individual line foreign zone or foreign 9 exchange service be provided to a tel-assistance consumer. An eligible telecommunications carrier may not impose an order 10 processing charge or line charge when an existing consumer 11 who is eligible for tel-assistance service changes to such 12 service, nor may any charge be made when a tel-assistance 13 service consumer loses his or her eligibility and changes to 14 15 another class of residential service: Provided, That charges for the initial installation of service for a new consumer, or charges 16 for moving a consumer's service from one dwelling place to 17
- 19 (b) The commission may, upon having set the rate initially 20 for tel-assistance service as herein provided, change such rate 21 from time to time upon a finding that is reasonable to do so, and 22 may, in connection therewith increase or decrease the amount 23 of local service usage provided as a part thereof.

another shall be made at the otherwise applicable tariff rate.

18

# §24-2C-4. Availability of tel-assistance service; determination of eligibility; promulgation of rules.

- 1 (a) All eligible telecommunications carriers shall make tel-2 assistance services available to qualified low-income consum-3 ers pursuant to tariffs or agreements filed with and approved by 4 the public service commission.
- 5 (b) Insofar as permitted under federal law, eligible telecom-6 munications carriers may file with the public service commis-7 sion tariffs or agreements that, without limitation, offer tel-8 assistance service which includes a broader group of services, 9 or make tel-assistance service available to a broader group of 10 low-income residential consumers.

- 11 (c) The public service commission shall establish rules to 12 implement the provisions of this article. The rules shall include, 13 but not be limited to, procedures governing the application for and the provision of tel-assistance service; the determination, 14 calculation and certification of the revenue deficiency resulting 15 from the provision of tel-assistance service; criteria for estab-16 17 lishing maximum levels of revenue deficiencies that may be claimed; establishing the methods by which telephone utilities 18 19 shall maintain records pertaining to such deficiency and the 20 methods by which such deficiency shall be calculated; and providing for alternate methodologies to simplify the record 21 keeping of the eligible telecommunications carriers. The rules 22 23 shall be promulgated pursuant to section seven, article one of this chapter and adopted within one hundred twenty days of the 24 effective date of this article. The public service commission 25 26 shall timely amend the rules thereafter as may be required by any provision of state or federal law. 27
- 28 (d) The department of health and human resources shall 29 propose rules for legislative approval in accordance with the provisions of article three, chapter twenty-nine-a of this code to 30 31 establish, procedures to inform eligible telecommunications 32 carriers of the eligibility of applicants for tel-assistance service, 33 to assist applicants for tel-assistance service in proving their eligibility therefor, to determine on a continuing basis the 34 eligibility of persons receiving tel-assistance service, and 35 36 communicate such determinations to the eligible telecommunications carriers. Initially, rules shall be adopted and filed in the 37 state register within one hundred twenty days of the effective 38 39 date of this article and shall not otherwise be subject to the requirements of chapter twenty-nine-a of this code. Rules 40 promulgated pursuant to this subsection shall become effective 41 42 immediately upon filing in the state register and remain in effect until supplanted by legislative rules promulgated pursu-43 ant to chapter twenty-nine-a of this code. 44

- (e) The secretary of the department of health and human
- 46 resources or the public service commission may propose
- 47 emergency rules for legislative approval in accordance with the
- 48 provisions of article three, chapter twenty-nine-a of this code to
- 49 implement additional provisions of this article as may be
- 50 required.

### §24-2C-5. Recovery of revenue deficiencies.

- 1 (a) In order to provide the special reduced rate mandated by
- 2 section one of this article and still maintain the integrity of the
- 3 earnings of the eligible telecommunications carriers offering
- 4 tel-assistance service, the commission shall determine, upon
- 5 application by any affected eligible telecommunications carrier,
- 6 that eligible telecommunications carrier's revenue deficiency
- 7 for the eligible telecommunications carrier's taxable year
- 8 resulting from the special reduced rates. Upon determining any
- 9 eligible telecommunications carrier's revenue deficiency, the
- 10 commission shall issue an order certifying the amount of that
- 11 deficiency. Certified revenue deficiencies shall thereafter be
- 12 recovered by the affected eligible telecommunications carrier
- 13 as follows:
- 14 (1) An eligible telecommunications carrier's certified
- 15 revenue deficiency, if any, resulting from the provision of tel-
- 16 assistance service shall be allowed as a tax credit against the
- 17 liability of the eligible telecommunications carrier pursuant to
- 18 the provisions of article thirteen-g, chapter eleven of this code.
- 19 (2) After allowance of such a tax credit pursuant to the
- 20 provisions of article thirteen-g, chapter eleven of this code, an
- 21 eligible telecommunications carrier's remaining certified
- 22 revenue deficiency, if any, resulting from the provision of tel-
- 23 assistance service shall be allowed as a tax credit against the
- 24 liability of the eligible telecommunications carrier pursuant to
- 25 the provisions of section eleven-a, article twenty-four, chapter
- 26 eleven of this code.

- 27 (b) An eligible telecommunications carrier's revenue deficiency under the provisions of section five of this article 28 shall be limited to the amounts generated from providing tel-29 30 assistance service to qualified low-income consumers who are either disabled or age sixty or older. The agreements or tariffs 31 required by this article shall specify the methodology by which 32 the eligible telecommunications carrier will calculate the 33 revenue deficiency, and may include a provision to freeze the 34 revenue deficiency at certain levels as determined by the public 35 service commission. No such agreement or tariff by an eligible 36 telecommunications carrier may be effective unless first 37 38 approved by the public service commission.
- 39 (c) In determining such revenue deficiency in the case of resale of tel-assistance service, the commission shall allocate 40 41 the revenue deficiency between the eligible telecommunications carrier that physically provided the tel-assistance line, and the 42 eligible telecommunications carrier that provided the tel-43 assistance service at retail to an eligible consumer. Such 44 allocation shall be based on the wholesale resale discount 45 applicable to such tel-assistance service. 46

- 8 after live birth or to remove a dead embryo or fetus.
- 9 (b) "Attempt to perform an abortion" means an act, or an
- 10 omission of a statutorily required act, that, under the circum-

- 15 (c) "Medical emergency" means any condition which, on
- 16 the basis of a physician's good-faith clinical judgment, so

- 23 licensed to practice medicine in this state.
- 24 (e) "Probable gestational age of the embryo or fetus" means
