AN ACT to amend and reenact §56-3-33 of the Code of West Virginia, 1931, as amended, relating to amending the manner of service of process on nonresident persons or corporate entities.

Be it enacted by the Legislature of West Virginia:

ARTICLE 3. WRITS, PROCESS, AND ORDER OF PUBLICATION.

§56-3-33. Actions by or against nonresident persons having certain contacts with this state; authorizing Secretary of State to receive process; bond and fees; service of process; definitions; retroactive application.

(a) The engaging by a nonresident, or by his or her duly authorized agent, in any one or more of the acts specified in subdivisions (1) through (7), inclusive, of this subsection shall be considered equivalent to an appointment by a nonresident of the Secretary of State, or his or her successor in office, to be his or her true and lawful attorney upon whom may be served all lawful process in any action or proceeding against him or her, in any circuit court in this state, including an action or proceeding brought by a
nonresident plaintiff or plaintiffs, for a cause of action arising from, or growing out of, such act or acts, and the engaging in such act or acts shall be a signification of such nonresident’s agreement that any such process against him or her, which is served in the manner hereinafter provided, shall be of the same legal force and validity as though such nonresident were personally served with a summons and complaint within this state:

(1) Transacting any business in this state;

(2) Contracting to supply services or things in this state;

(3) Causing tortious injury by an act or omission in this state;

(4) Causing tortious injury in this state by an act or omission outside this state if he or she regularly does or solicits business, or engages in any other persistent course of conduct, or derives substantial revenue from goods used or consumed or services rendered in this state;

(5) Causing injury in this state to any person by breach of warranty expressly or impliedly made in the sale of goods outside this state when he or she might reasonably have expected the person to use, consume, or be affected by the goods in this state: Provided, That he or she also regularly does or solicits business, or engages in any other persistent course of conduct, or derives substantial revenue from goods used or consumed or services rendered in this state;

(6) Having an interest in, using, or possessing real property in this state; or

(7) Contracting to insure any person, property, or risk located within this state at the time of contracting.

(b) When jurisdiction over a nonresident is based solely upon the provisions of this section, only a cause of action arising from or growing out of one or more of the acts specified in subdivisions (1) through (7), inclusive,
subsection (a) of this section may be asserted against him or her.

(c) Service shall be made:

By leaving the original and two copies of both the summons and the complaint, and the fee required by §59-1-2 of this code with the Secretary of State, or in his or her office, and this service shall be sufficient upon the nonresident: Provided, That notice of the service and a copy of the summons and complaint shall forthwith be sent by registered or certified mail, return receipt requested, by a means which may include electronic issuance and acceptance of electronic return receipts, by the Secretary of State to the defendant at his or her nonresident address and the defendant’s return receipt signed by himself or herself or his or her duly authorized agent or the registered or certified mail so sent by the Secretary of State which is refused by the addressee and which registered or certified mail is returned to the Secretary of State, or to his or her office, showing thereon the stamp of the post-office department that delivery has been refused. After receiving verification from the United States Postal Service that acceptance of process, notice, or demand has been signed, the Secretary of State shall notify the clerk’s office of the court from which the process, notice, or demand was issued by a means which may include electronic notification. If the process, notice, or demand was refused or undeliverable by the United States Postal Service, the Secretary of State shall create a preservation duplicate from which a reproduction of the stored record may be retrieved which truly and accurately depicts the image of the original record. The Secretary of State may destroy or otherwise dispose of the original returned or undeliverable mail. Written notice of the action by the Secretary of State must then be provided by certified mail, return receipt requested, facsimile, or by electronic mail, to the clerk’s office of the court from which the process, notice, or demand was issued. If any defendant served with summons and complaint fails to appear and
defend within 30 days of service, judgment by default may be rendered against him or her at any time thereafter. The court may order such continuances as may be reasonable to afford the defendant opportunity to defend the action or proceeding. If the certified mail was returned by the United States Postal Service as unclaimed, unable to forward, or with any other notation other than “accepted” or “refused”, notice may be served as follows:

(1) In any manner accepted as service within the domiciled state of the nonresident, or otherwise; or

(2) In any manner otherwise permitted by sections 4(d)(7) or (8) of the West Virginia Rules of Civil Procedure for corporations and any way permitted by section 4(c) of the West Virginia Rules of Civil Procedure for individuals or noncorporate entities.

d) The fee remitted to the Secretary of State at the time of service shall be taxed in the costs of the action or proceeding. The Secretary of State shall keep a record in his or her office of all such process and the day and hour of service thereof.

e) The following words and phrases, when used in this section, shall for the purpose of this section and unless a different intent be apparent from the context, have the following meanings:

(1) “Duly authorized agent” means and includes among others a person who, at the direction of or with the knowledge or acquiescence of a nonresident, engages in such act or acts and includes among others a member of the family of the nonresident or a person who, at the residence, place of business, or post office of the nonresident, usually receives and receipts for mail addressed to the nonresident.

(2) “Nonresident” means any person, other than voluntary unincorporated associations, who is not a resident of this state or a resident who has moved from this state
subsequent to engaging in such act or acts, and among others includes a nonresident firm, partnership, or corporation or a firm, partnership, or corporation which has moved from this state subsequent to any of said such act or acts.

(3) “Nonresident plaintiff or plaintiffs” means a nonresident of this state who institutes an action or proceeding in a circuit court in this state having jurisdiction against a nonresident of this state pursuant to the provisions of this section.

(f) The provision for service of process herein is cumulative and nothing herein contained may be construed as a bar to the plaintiff in any action or proceeding from having process in such action served in any other mode or manner provided by the law of this state or by the law of the place in which the service is made for service in that place in an action in any of its courts of general jurisdiction.

(g) This section may not be retroactive and the provisions hereof may not be available to a plaintiff in a cause of action arising from or growing out of any of the acts occurring prior to the effective date of this section.

(Com. Sub. for H. B. 4693 - By Delegates Pack, Steele, Cooper, Paynter, Summers and J. Jeffries)

[Passed March 7, 2020; in effect ninety days from passage.]
[Approved by the Governor on March 25, 2020.]

AN ACT to amend and reenact §19-1-12 of the Code of West Virginia, 1931, as amended, relating to renaming the Veteran and Warriors to Agriculture Program to the Veterans and Heroes to Agriculture Program; renaming Veterans and Warriors to Agriculture fund; eliminating outdated language; and authorizing the Commissioner of Agriculture to expand the scope of the program to additional classes of persons.

Be it enacted by the Legislature of West Virginia:

ARTICLE 1. DEPARTMENT OF AGRICULTURE.

§19-1-12. Veterans and Heroes to Agriculture Program and fund.

(a) Legislative findings. — West Virginians have a longstanding tradition of service in the armed forces of the United States. Many veterans suffer from physical and emotional afflictions and are often unable to find gainful employment upon returning from combat. Exploring opportunities to engage West Virginia’s veterans in agriculture is beneficial to the health and welfare of
veterans, as well as to the future of West Virginia’s agricultural economy.

(b) Veterans and Heroes to Agriculture Program. — The Department of Agriculture shall develop a Veterans and Heroes to Agriculture Program to integrate veterans into the field of agriculture, and support veterans currently working in agriculture. These programs may include, but are not limited to, using post-mine land for agricultural development, promoting high tunnel crops and production, expanding the apiary industry, developing cottage industries, exploring niche crops, raising more livestock, increasing the aquaculture industry and helping veterans promote their agricultural products through farmers markets and cooperatives. The department may call on the Department of Veterans’ Assistance and the state’s Adjutant General for assistance to recruit and train eligible veterans, and develop and support the program.

(c) Veterans and Heroes to Agriculture Fund. — The Veterans and Warriors to Agriculture Fund is continued, but is renamed the Veterans and Heroes to Agriculture Fund. The fund shall consist of income from leasing the department’s property for the program, surplus funds which may be transferred from the fund created by §19-12A-6a, gifts, grants and donations, and legislative appropriations which may be made to support the program. Expenditures from the fund shall be used exclusively, in accordance with appropriations by the Legislature, to pay costs, fees and expenses necessary to administer the Veterans and Heroes to Agriculture Program.

(d) Notwithstanding any provision in this code to the contrary, should the Department of Agriculture deem it necessary to provide land for activities within this program, it is exempt from the purchasing requirements as they relate to the competitive leasing of state property.

(e) The commissioner may propose emergency or legislative rules for approval in accordance with the
provisions of §29A-3-1 *et seq.* to effectuate the provisions of this section.

(f) *Expansion of Veterans and Heroes to Agriculture Program.* — The Legislature finds that West Virginians also proudly answers the call to serve domestically in emergency response and law enforcement roles, including as police officers, sheriffs, firefighters, emergency medical technicians, and first responders. The Legislature further finds that farming, including growing corn, is a process that involves more than digging a hole, putting a seed in with dirt on top, and adding water. To that end, the commissioner is hereby authorized to expand the scope of the Veterans and Heroes to Agriculture Program to provide agriculture assistance and training to additional West Virginia heroes that will allow these brave individuals to continue to answer the call of duty by producing and providing fresh, healthy, and local food to their fellow West Virginians.

(i)(1) The commissioner may issue a special license for the retail sale of wine in a professional baseball stadium. A license to sell wine granted pursuant to this subsection entitles the licensee to sell and serve wine, for consumption in a professional baseball stadium. For the purpose of this subsection, “professional baseball stadium” means a facility constructed primarily for the use of a major or minor league baseball franchisee affiliated with the National Association of Professional Baseball Leagues, Inc., or its successor, and used as a major or minor league baseball park. Any special license issued pursuant to this subsection shall be for a term
beginning on the date of issuance and ending on the next
following June 30, and its fee is $250 regardless of the
length of the term of the license. The application for the
special license shall contain information required by the
commissioner and must be submitted to the commissioner
at least 30 days prior to the first day when wine is to be sold
at the professional baseball stadium. The special license
may be issued in the name of the baseball franchisee or the
name of the primary food and beverage vendor under
contract with the baseball franchisee. These sales must take
place within the confines of the professional baseball
stadium. The exterior of the area where wine sales may
occur must be surrounded by a fence or other barrier
prohibiting entry except upon the franchisee’s express
permission, and under the conditions and restrictions
established by the franchisee, so that the wine sales area is
closed to free and unrestricted entry by the general public.

(2) A license issued under this subsection and the
licensee holding the license are subject to all other
provisions of this article and the rules and orders of the
commissioner relating to the special license: Provided, That
the commissioner may by rule or order grant certain waivers
or exceptions to those rules or orders as the circumstances
of each professional baseball stadium may require,
including, without limitation, the right to revoke or suspend
any license issued pursuant to this section prior to any notice
or hearing notwithstanding §60-8-27 and §60-8-28 of this
code; and Provided, however, That under no circumstances
may §60-8-20(c) or §60-8-20(d) of this code be waived nor
shall any exception be granted concerning those
subsections.

(3) The commissioner may propose rules for
promulgation in accordance with §29A-3-1 et seq. of this
code to implement this subsection.

(j) A license to sell wine granted to a private wine bed
and breakfast, private wine restaurant, private wine spa, or
a private club under the provisions of this article entitles the
operator to sell and serve wine, for consumption on the premises of the licensee, when the sale accompanies the serving of food or a meal to its members and their guests in accordance with the provisions of this article: Provided, That a licensed private wine bed and breakfast, private wine restaurant, private wine spa, or a private club may permit a person over 21 years of age to purchase wine, consume wine, and recork or reseal, using a tamper resistant cork or seal, up to two separate bottles of unconsumed wine in conjunction with the serving of food or a meal to its members and their guests in accordance with the provisions of this article and in accordance with rules promulgated by the commissioner for the purpose of consumption of said wine off premises; Provided, however, That for this article, food or a meal provided by the private licensee means that the total food purchase, excluding beverage purchases, taxes, gratuity, or other fees is at least $15; and Provided further, That a licensed private wine restaurant or a private club may offer for sale, for consumption off the premises, sealed bottles of wine to its customers provided that no more than one bottle is sold per each person over 21 years of age, as verified by the private wine restaurant or private club, for consumption off the premises. Such licensees are authorized to keep and maintain on their premises a supply of wine in quantities appropriate for the conduct of operations thereof. Any sale of wine is subject to all restrictions set forth in §60-8-20 of this code. A private wine restaurant may also be licensed as a Class A retail dealer in nonintoxicating beer as provided by §11-16-1 et seq. of this code.

(k) With respect to subsections (h), (i), (j), (o), and (p) of this section, the commissioner shall propose rules for promulgation in accordance with §29A-1-1 et seq. of this code, including, but not limited to, the form of the applications and the suitability of both the applicant and location of the licensed premises.

(l) The commissioner shall propose rules for promulgation in accordance with the provisions of §29A-1-
1 et seq. of this code to allow restaurants to serve wine with meals, and to sell wine by the bottle for off-premises consumption as provided in subsection (j) of this section. Each licensed restaurant shall be charged an additional $100 per year fee.

(m) The commissioner shall establish guidelines to permit wines to be sold in all stores licensed for retail sales.

(n) Wineries and farm wineries may advertise off premises as provided in §17-22-7 of this code.

(o) A wine specialty shop under this article may also hold a wine sampling license authorizing the wine specialty shop to conduct special wine sampling events at a licensed wine specialty shop location during regular hours of business. The wine specialty shop may serve up to three complimentary samples of wine, consisting of no more than two fluid ounces each, to any one consumer in one day. Persons serving the complimentary samples must be 21 years of age and an authorized representative of the licensed wine specialty shop, winery, farm winery, or a representative of a distributor or registered supplier. Distributor and supplier representatives attending wine sampling events must be registered with the commissioner. No licensee, employee, or representative may furnish, give, sell, or serve complimentary samples of wine to any person less than 21 years of age or to a person who is physically incapacitated due to the consumption of alcoholic liquor or the use of drugs. The wine specialty shop shall notify and secure permission from the commissioner for all wine sampling events one month prior to the event. Wine sampling events may not exceed six hours per calendar day. Licensees must purchase all wines used during these events from a licensed farm winery or a licensed distributor.

(p) The commissioner may issue special one-day licenses to duly organized, nonprofit corporations and associations allowing the sale and serving of wine, and may, if applicable, also allow the charitable auctioning of certain
sealed bottles of wine for off-premises consumption only, when raising money for athletic, charitable, educational, or religious purposes. “Auction or auctioning”, for the purposes of this subsection, means any silent, physical act, or verbal bid auction, whether or not such auction requires in-presence bidding or online Internet-based electronic bidding through a secure application or website, but shall not include any action in violation of §47-20-10, §47-20-11, or §61-10-1 et seq. of this code. The license application shall contain information required by the commissioner and shall be submitted to the commissioner at least 30 days prior to the event. Wines used during these events may be donated by, or purchased from, a licensed retailer, a distributor, winery, or a farm winery. A licensed winery or farm winery which is authorized in writing by a representative of the duly organized, nonprofit corporation and association which has obtained the one-day license; is in good standing with the state; and obtains the commissioner’s approval prior to the one-day license event may, in conjunction with the one-day licensee, exhibit, conduct complimentary tastings, or sell samples not to exceed three, two-fluid ounce tastings or samples per patron, for consumption on the premises during the operation of the one-day license event; and may sell certain sealed wine bottles manufactured by the licensed winery or farm winery for off-premises consumption: Provided, That for a licensed winery or farm winery at a licensed one-day event, the tastings, samples and off-premises sales shall occur under the hours of operation as required in this article, except on Sunday, tastings, samples, and off-premises sales are unlawful between the hours of 2:00 a.m. and 10:00 a.m., from the one-day licensee’s submitted floor plan for the event subject to the requirements in the code and rules. Under no circumstances may the provisions of §60-8-20(c) or §60-8-20(f) of this code be waived nor may any exception be granted with respect to those subsections. No more than six licenses may be issued to any single licensee during any calendar year.
(q)(1) In addition to the authorization granted to licensed wineries and farm wineries in sub-sections (h) and (p), an unlicensed winery, regardless of its designation in another state, but that is duly licensed in its domicile state, may pay a $150 nonrefundable and nonprorated fee and submit an application for temporary licensure on a one-day basis for temporary sampling and sale of wine in sealed containers for off-premises consumption at a special one-day license nonprofit event.

(2) The application shall include, but is not limited to, the person or entity’s name, address, taxpayer identification number, and location; a copy of its licensure in its domicile state; a signed and notarized verification that it produces 50,000 gallons or less of wine per year; a signed and notarized verification that it is in good standing with its domicile state; copies of its federal certificate of label approvals and certified lab alcohol analysis for the wines it desires to temporarily provide samples and temporarily sell wine in sealed containers for off-premises consumption at a special one-day license for a nonprofit event issued under sub-section (p); and such other information as the commissioner may reasonably require.

(3) The applicant winery shall include a list of all wines proposed to be temporarily sampled and temporarily sold in sealed containers at a special one-day license for a nonprofit event so that the wines may be reviewed in the interest of public health and safety. Once approved, the submitted wine list will create a temporary wine brand registration for up to two special one-day license for a nonprofit event for no additional fee.

(4) An applicant winery that receives this temporary special one-day license for a nonprofit event will provide a signed and notarized agreement where the applicant winery agrees to pay all municipal, local, and sales taxes applicable to the sale of wine in West Virginia.
(5) An application must be submitted per special one-day license for a nonprofit event the applicant winery desires to attend, and the license fee shall cover up to two special one-day license for nonprofit events before an additional fee would be paid. In no circumstance would such a winery be permitted to attend more than four special one-day license for nonprofit events per year. Any such applicant or unlicensed winery desiring to attend more than four special one-day license for nonprofit events per year or otherwise operate in West Virginia would need to seek appropriate licensure as a winery or a farm winery in this state.

(6) Notwithstanding the provisions of this article and requirements for licensure, wine brand registration, payment of wine liter tax, and the winery’s appointment of suppliers and distributors, this temporary special one-day license for a nonprofit event, once granted, permits such a winery to operate in this limited capacity only at the approved specific, special one-day license for a nonprofit event subject to the limitations noted in this section.

(7) The applicant winery will need to further apply for and receive a transportation permit in order to legally transport wine in the state per §60-6-12 of this code.

(8) The applicant winery is subject to all applicable violations and/or penalties under this article and the legislative rules that is not otherwise excepted by this subsection: Provided, That the commissioner may by rule or order provide for certain waivers or exceptions with respect to the provisions, rules, or orders as the circumstances of each festival or fair may require, including, without limitation, the right to revoke or suspend any license issued pursuant to this section prior to any notice or hearing notwithstanding the provisions §60-8-27 and §60-8-28 of this code: Provided, however, That under no circumstances shall the provisions of §60-8-20(c) or §60-8-20(d) of this code be waived nor shall any exception be granted with respect to those subsections.
(r) The commissioner may issue special licenses to heritage fairs and festivals allowing the sale, serving, and sampling of wine from a licensed farm winery. The license application shall contain information required by the commissioner and shall be submitted to the commissioner at least 30 days prior to the event. Wines used during these events may be donated by or purchased from a licensed farm winery. Under no circumstances may the provision of §60-8-20(c) of this code be waived nor may any exception be granted with respect thereto. The commissioner shall propose rules for legislative approval in accordance with §29A-3-1 et seq. of this code to implement the provisions of this subsection.

(s)(1) The commissioner may issue a special license for the retail sale of wine in a college stadium. A license to sell wine granted pursuant to this subsection entitles the licensee to sell and serve wine for consumption in a college stadium. For the purpose of this subsection, “college stadium” means a facility constructed primarily for the use of a Division I, II, or III college that is a member of the National Collegiate Athletic Association, or its successor, and used as a football, basketball, baseball, soccer, or other Division I, II, or III sports stadium. A special license issued pursuant to this subsection shall be for a term beginning on the date of its issuance and ending on the next following June 30, and its fee is $250 regardless of the length of the term of the license. The application for the special license shall contain information required by the commissioner and must be submitted to the commissioner at least 30 days prior to the first day when wine is to be sold. The special license may be issued in the name of the National Collegiate Athletic Association Division I, II, or III college or university or the name of the primary food and beverage vendor under contract with that college or university. These sales must take place within the confines of the college stadium: Provided, That the exterior of the area where wine sales may occur must be surrounded by a fence or other barrier prohibiting entry except upon the college or university’s
express permission, and under the conditions and restrictions established by the college or university, so that the wine sales area is closed to free and unrestricted entry by the general public.

(2) A license issued under this subsection and the licensee are subject to the other requirements of this article and the rules and orders of the commissioner relating to the special license: Provided, That the commissioner may by rule or order grant certain waivers or exceptions to those rules or orders as the circumstances of each the college stadium may require, including, without limitation, the right to revoke or immediately suspend any license issued pursuant to this section prior to any notice or hearing notwithstanding §60-8-27 and §60-8-28 of this code; and Provided, however, That §60-8-20(c) or §60-8-20(d) of this code may not be waived, nor shall any exception be granted concerning those subsections.

(3) The commissioner may propose rules for promulgation in accordance with §29A-3-1 et seq. of this code to implement this subsection.

Be it enacted by the Legislature of West Virginia:
ARTICLE 4. BANKING INSTITUTIONS AND SERVICES
GENERALLY.

§31A-4-26. Limitation on loans and extensions of credit;
limitation on investments; loans to executive officers and
directors of banks and employees of the banking
department; exceptions; valuation of securities.

(a) (1) The total loans and extensions of credit made by
a state-chartered banking institution to any one person or
common enterprise and not fully secured, as determined in
a manner consistent with subdivision (2) of this subsection,
may not exceed 15 percent of the unimpaired capital and
unimpaired surplus of that state-chartered banking
institution initially determined for the period such loan or
extension of credit is made.

(2) Where the total loans and extensions of credit by a
state-chartered banking institution to any one person or
common enterprise are fully secured by readily marketable
collateral having a market value, as determined by reliable
and continuously available price quotations, at least equal to
the outstanding amount of such loans and extensions, then
the bank may provide such loans or extensions of up to 10
percent of the unimpaired capital and unimpaired surplus of
that state-chartered banking institution initially determined
for the period such loan or extension is made. This
limitation shall be separate from and in addition to the
limitation contained in subdivision (1) of this subsection.

(3) For the purposes of this subsection:

(A) The term “loans and extensions of credit” includes
all direct or indirect advances of funds to a person made on
the basis of any obligation of that person to repay the funds
or repayable from specific property pledged by or on behalf
of the person and to the extent specified by the
Commissioner of Financial Institutions; the terms also
include any liability of a state-chartered banking institution
29 to advance funds to or on behalf of a person pursuant to a contractual commitment;

31 (B) The term “person” includes an individual, partnership, sole proprietorship, society, association, firm, institution, company, public or private corporation, not-for-profit corporation, state, governmental agency, bureau, department, division or instrumentality, political subdivision, county commission, municipality, trust, syndicate, estate or any other legal entity whatsoever, formed, created or existing under the laws of this state or any other jurisdiction;

40 (C) The term “unimpaired capital and unimpaired surplus” means the amount of tier 1 (core) capital, as defined in federal regulations, that is outstanding as indicated in the bank’s most recent quarterly report of condition and income as filed with the Commissioner of Financial Institutions pursuant to §31A-4-19 of this code, plus the amount of the allowance for loan losses; and

47 (D) The term “common enterprise” includes, but is not limited to, persons and entities who are so related by business or otherwise that the expected source of repayment on the loan or extension of credit is substantially the same for each person or entity.

52 (4) The limitations contained in this subsection are subject to the following exceptions:

54 (A) Loans or extensions of credit arising from the discount of commercial or business paper evidencing an obligation to the person negotiating it with recourse are not subject to any limitation based on capital and surplus;

58 (B) The purchase of bankers’ acceptances of the kind described in Section 13 of the Federal Reserve Act and issued by other banks are not subject to any limitation based on capital and surplus;
(C) Loans and extensions of credit having a term of 10 months or less and secured by bills of lading, warehouse receipts or similar documents transferring or securing title to readily marketable staples are subject to a limitation of 20 percent of unimpaired capital and unimpaired surplus in addition to the general limitations set forth in subdivision (1) of this subsection, provided the market value of the staples securing each additional loan or extension of credit at all times equals or exceeds 115 percent of the outstanding amount of such loan or extension of credit. The staples shall be fully covered by insurance whenever it is customary to insure the staples. If collateral values of the staples fall below the levels required herein, to the extent that the loan is no longer in conformance with its collateral requirements and exceeds the general 15 percent limitation, the loan must be brought into conformance within five business days, except where judicial proceedings, regulatory actions or other extraordinary occurrences prevent the bank from taking action;

(D) Loans or extensions of credit secured by bonds, notes, certificates of indebtedness or treasury bills of the United States or by other such obligations fully guaranteed as to principal and interest by the United States or by bonds, notes, certificates of indebtedness which are general obligations of the State of West Virginia or by other such obligations fully guaranteed as to principal and interest by the State of West Virginia are not subject to any limitation based on capital and surplus;

(E) Loans or extensions of credit to or secured by unconditional takeout commitments or guarantees of any department, agency, bureau, board, commission or establishment of the United States or of the State of West Virginia or any corporation wholly owned directly or indirectly by the United States are not subject to any limitation based on capital and surplus;
(F) Loans or extensions of credit secured by a segregated deposit account in the lending bank are not subject to any limitation based on capital and surplus;

(G) Loans or extensions of credit to any banking institution or to any receiver, conservator or other agent in charge of the business and property of such banking institution or other federally insured depository institution, when the loans or extensions of credit are approved by the Commissioner of Financial Institutions, are not subject to any limitation based on capital and surplus;

(H) (i) Loans and extensions of credit arising from the discount of negotiable or nonnegotiable installment consumer paper which carries a full recourse endorsement or unconditional guarantee by the person or common enterprise transferring the paper are subject under this section to a maximum limitation equal to 25 percent of such unimpaired capital and unimpaired surplus, notwithstanding the collateral requirements set forth in subdivision (2) of this subsection;

(ii) If the bank’s files or the knowledge of its officers of the financial condition of each maker of consumer paper is reasonably adequate and an officer of the bank designated for that purpose by the board of directors of the bank certifies in writing that the bank is relying primarily upon the responsibility of each maker for payment of such loans or extensions of credit and not upon any full or partial recourse endorsement or guarantee by the transferor, the limitations of this section as to the loans or extensions of credit of each such maker are the sole applicable loan limitations;

(I)(i) Loans and extensions of credit secured by shipping documents or instruments transferring or securing title covering livestock or giving a lien on livestock when the market value of the livestock securing the obligation is not at any time less than 115 percent of the face amount of the note covered shall be subject under this section to a
maximum limitation equal to 25 percent of the unimpaired capital and unimpaired surplus, notwithstanding the collateral requirements set forth in subdivision (2) of this subsection;

(ii) Loans and extensions of credit which arise from the discount by dealers in livestock of paper given in payment for livestock, which paper carries a full recourse endorsement or unconditional guarantee of the seller and which are secured by the livestock being sold, are subject under this section to a limitation of 25 percent of the unimpaired capital and unimpaired surplus, notwithstanding the collateral requirements set forth in subdivision (2) of this subsection;

(iii) If collateral values of the livestock documents, instruments or discount paper fall below the levels required herein, to the extent that the loan is no longer in conformance with its collateral requirements and exceeds the general 15 percent limitation, the loan must be brought into conformance within 30 business days, except where judicial proceedings, regulatory actions or other extraordinary occurrences prevent the bank from taking action;

(J) Loans or extensions of credit to the Student Loan Marketing Association are not subject to any limitation based on capital and surplus; and

(K) Loans or extensions of credit to a corporation owning the property in which that state-chartered banking institution is located, when that state-chartered banking institution has an unimpaired capital and surplus of not less than $1 million or when approved in writing by the Commissioner of Financial Institutions, are not subject to any limitation based on capital and surplus.

(5) (A) The Commissioner of Financial Institutions may prescribe rules to administer and carry out the purposes of this subsection including rules to define or further define
terms used in this subsection and to establish limits or
requirements other than those specified in this subsection
for particular classes or categories of loans or extensions of
credit;

(B) The Commissioner of Financial Institutions may
also prescribe rules to deal with loans or extensions of
credit, which were not in violation of this section prior to
the effective date of this article, but which will be in
violation of this section upon the effective date of this
article; and

(C) The Commissioner of Financial Institutions may
also determine when a loan putatively made to a person is,
for purposes of this subsection, attributed to another person.

(b) (1) Except as hereinafter provided or otherwise
permitted by law, nothing herein contained authorizes the
purchase by a state-chartered banking institution for its own
account of any shares of stock of any corporation: Provided,
That a state-chartered banking institution may purchase and
sell securities and stock without recourse, solely upon the
order and for the account of customers.

(2) The total amount of investment securities of any one
obligor or maker held by a state-chartered banking
institution for its own account may not exceed that
percentage of the unimpaired capital and unimpaired
surplus of that state-chartered banking institution as is
permitted for investment by national banks or for any
federally insured depository institution.

(3) For purposes of this subsection:

(A) The term “investment securities” means a
marketable obligation in the form of a stock, bond, note or
debenture commonly regarded as an investment security
and that is salable under ordinary circumstances with
reasonable promptness at a fair value. “Derivative security”
means a type of investment security involving a financial
contract whose value depends on the values of one or more underlying assets or indexes of asset values. The term “derivative” refers inter alia to financial contracts such as collateralized mortgage obligations, forwards, futures, forward rate agreements, swaps, options and caps/floors/collars whose primary purpose is to transfer price risks associated with fluctuations in asset values;

(B) The term “person” includes any individual, partnership, sole proprietorship, society, association, firm, institution, company, public or private corporation, not-for-profit corporation, state, governmental agency, bureau, department, division or instrumentality, political subdivision, county commission, municipality, trust, syndicate, estate or any other legal entity whatsoever, formed, created or existing under the laws of this state or any other jurisdiction; and

(C) The term “unimpaired capital and unimpaired surplus” has the same meaning as set forth in subsection (a) of this section.

(4) Notwithstanding any other provision of this subsection, a state-chartered banking institution may invest its funds in any investment authorized for national banking associations or for any other federally insured depository institution. The investments by state-chartered banking institutions shall be on the same terms and conditions applicable to national banking associations or any other federally insured depository institution: Provided, That: (i) The purchase of investment securities under this subdivision may be made only when in the bank’s prudent judgment, which judgment may be based in part on estimates which it believes to be reliable, there is adequate evidence that the obligor will be able to perform all it undertakes to perform in connection with the securities, including all debt service requirements, and that the securities may be sold with reasonable promptness at a price that corresponds to their fair value; and (ii) the purchase conforms to the requirement of subdivision (5) of this subsection. The Commissioner of
Financial Institutions may, from time to time, provide notice to state-chartered banking institutions of authorized investments under this paragraph.

(5) The purchase of investment securities, including derivative securities, in which the investment characteristics are considered distinctly or predominantly speculative, or the purchase of such securities that are in default, whether as to principal or interest, is prohibited. The proper management of interest rate risk through the use of derivative or other investment securities may not be held a speculative purpose.

(6) The Commissioner of Financial Institutions may prescribe rules to administer and carry out the purposes of this subsection, including rules to define or further define terms used in this subsection and to establish limits or requirements other than those specified in this subsection for particular classes or categories of investment securities.

(c) If there is a material decline of unimpaired capital and unimpaired surplus of a state-chartered bank during any quarterly reporting period of more than 20 percent from that amount reported in the bank’s most recent report of income and condition, or where there is a decrease of more than 30 percent in any 12 month period, the bank shall review its outstanding loans, extensions of credit and investments and report to the Commissioner of Financial Institutions those loans, extensions and investments that exceed the limitations of this section using the bank’s current reevaluated unimpaired capital and unimpaired surplus. The report shall detail the bank’s position in each such loan, extension of credit and investment. The commissioner may, within his or her discretion, require that such loans, extensions of credit and investments be brought into conformity with the bank’s current reevaluated legal lending and investment limitation.

(d) Notwithstanding any other provision of this section, in order to ensure a bank’s safety and soundness, the
Commissioner of Financial Institutions retains the authority to direct any state-chartered bank to recalculate its lending and investment limits at more frequent intervals than otherwise provided herein and to require all outstanding loans, extensions of credit and investments be brought into conformance with the reevaluated limitations. In such cases, the commissioner will provide the bank a written notice explaining briefly the specific reasons why the determination was made to require the more frequent calculations.

(e) Loans to directors or executive officers are subject to the following limitations:

(1) A director or executive officer of any banking institution may not borrow, directly or indirectly, from a banking institution with which he or she is connected more than $25,000 or five percent of unimpaired capital and surplus to a maximum aggregate amount of $500,000 without the prior approval of a majority of the board of directors or discount committee of the banking institution, or of any duly constituted committee whose duties include those usually performed by a discount committee. The approval shall be by resolution adopted by a majority vote of the board or committee, exclusive of the director or executive officer to whom the loan is made.

(2) If any director or executive officer of any bank owns or controls a majority of the stock of any corporation, or is a partner in any partnership, a loan to the corporation or partnership constitutes a loan to the director or officer.

(3) For purposes of this subsection, an “executive officer” means:

(A) A person who participates or has authority to participate, other than in the capacity of a director, in major policy-making functions of the company or bank, regardless of any official title, salary or other compensation. The chairman of the board, the president, every vice president,
the cashier, the secretary and the treasurer of a company or bank are considered executive officers unless the officer is excluded, by resolution of the board of directors or by the bylaws of the bank or company from participation, other than in the capacity of director, in major policy-making functions of the bank or company and the officer does not actually participate therein.

(B) An executive officer of a company of which the bank is a subsidiary, and any other subsidiary of that company, unless the executive officer of the subsidiary is excluded, by name or by title, from participation in major policy-making functions of the bank by resolutions of the boards of directors of both the subsidiary and the bank and does not actually participate in such major policy-making functions.

(4) Prior approval under subdivision (1) of this subsection is not required for:

(A) Payments of overdrafts pursuant to: (i) A written, preauthorized, interest-bearing extension of credit plan that has been approved by the board of directors or an appropriate committee and that specifies a method of repayment; or (ii) a written, preauthorized transfer of funds from another account of the account holder at the bank; or

(B) Payments of inadvertent overdrafts on an account in an aggregate amount of $1,000 or less: Provided, That: (i) The account is not overdrawn for more than five consecutive business days; and (ii) the bank charges the director or executive officer the same fee charged to any other customer of the bank in similar circumstances.

(f) An employee of the Division of Financial Institutions whose regulatory activities involve participation in an examination, audit, visitation, review, investigation or any other particular matter involving depository institutions chartered by the division may not borrow, directly or indirectly, any sum of money from a state-chartered bank or
state-chartered credit union. An employee of the Division of
Financial Institutions whose regulatory activities involve
participation in an examination, audit, visitation, review,
investigation or any other particular matter involving
nondepository institutions licensed by the division may not
borrow, directly or indirectly, any sum of money from a
nondepository entity that is licensed by the division. The
commissioner, deputy commissioner and in-house legal
counsel of the Division of Financial Institutions may not
borrow, directly or indirectly, any sum of money from any
entity that is under the jurisdiction of the division.

(g) Securities purchased by a state-chartered banking
institution shall be entered upon the books of the bank at
actual cost. For the purpose of calculating the undivided
profits applicable to the payment of dividends, securities
may not be valued at a valuation exceeding their present cost
as determined by amortization of premiums and accretion
of discounts pursuant to generally accepted accounting
principles, that is, by charging to profit: Provided, That
securities held for trade or permissible marketable equity
securities and any other types of debt securities which
pursuant to generally accepted accounting principles are to
be carried on the bank’s books at fair market value shall
have the unrealized market appreciation and depreciation
included in the income and capital as permitted by generally
accepted accounting principles.

(h) The market value of securities purchased and loans
extended by a state-chartered banking institution shall be
reported in all public reports and quarterly reports to the
commissioner pursuant to §31A-4-19 of this code in
accordance with generally accepted accounting principles
and any applicable state or federal law, rule or regulation.
AN ACT to amend and reenact §31-17-8 of the Code of West Virginia, 1931, as amended, relating to the West Virginia Residential Mortgage Lender, Broker and Servicer Act; and adjusting the allowable final installment payment on mortgage loans.

Be it enacted by the Legislature of West Virginia:

ARTICLE 17. WEST VIRGINIA RESIDENTIAL MORTGAGE LENDER, BROKER AND SERVICER ACT.

§31-17-8. Maximum interest rate on subordinate loans; prepayment rebate; maximum points, fees and charges; overriding of federal limitations; limitations on lien documents; prohibitions on primary and subordinate mortgage loans; civil remedy.

(a) The maximum rate of finance charges on or in connection with any subordinate mortgage loan may not exceed 18 percent per year on the unpaid balance of the amount financed.

(b) A borrower has the right to prepay his or her debt, in whole or in part, at any time and shall receive a rebate for any unearned finance charge, exclusive of any points, investigation fees and loan origination fees, which rebate shall be computed under the actuarial method.
(c) Except as provided by §46A-3-109 of this code and by subsection (g) of this section, no additional charges may be made, nor may any charge permitted by this section be assessed unless the loan is made: Provided, That if the loan is not made, the licensee is not required to refund an appraisal fee that is collected from a loan applicant by the licensee and paid to an unrelated third-party appraiser unless the fee is required to be refunded pursuant to federal law.

(d) Where loan origination fees, investigation fees or points have been charged by the licensee, the charges may not be imposed again in any refinancing of that loan or any additional loan on that property made within 24 months thereof, unless the new loan has a reasonable, tangible net benefit to the borrower considering all of the circumstances, including the terms of both the new and the refinanced loans, the cost of the new loan and the borrower’s circumstances. The licensee shall document this benefit in writing on a form prescribed by the commissioner and maintain the documentation in the loan file. To the extent this subdivision overrides the preemption on limiting points and other charges on first lien residential mortgage loans contained in the United States Depository Institutions Deregulation and Monetary Control Act of 1980, 12 U. S. C. §1735f-7a, the state law limitations contained in this section apply.

(e) Notwithstanding other provisions of this section, a delinquent charge or late charge may be charged on any installment made 10 or more days after the regularly scheduled due date in accordance with §46A-3-112 or §46A-3-113 of this code, whichever is applicable. The charge may be made only once on any one installment during the term of the primary or subordinate mortgage loan.

(f) Hazard insurance may be required by the lender. The charges for any insurance may not exceed the standard rate approved by the Insurance Commissioner for the insurance.
Proof of all insurance in connection with primary and subordinate mortgage loans subject to this article shall be furnished to the borrower within 30 days from and after the date of application therefor by the borrower.

(g) Except for fees for services provided by unrelated third parties for appraisals, inspections, title searches and credit reports, no application fee is allowed whether or not the mortgage loan is consummated; however, the borrower may be required to reimburse the licensee for actual expenses incurred by the licensee in a purchase money transaction after acceptance and approval of a mortgage loan proposal made in accordance with the provisions of this article which is not consummated because of:

(1) The borrower’s willful failure to close the loan; or

(2) The borrower’s false or fraudulent representation of a material fact which prevents closing of the loan as proposed.

(h) A licensee may not make, offer to make, accept or offer to accept any primary or subordinate mortgage loan except on the terms and conditions authorized in this article.

(i) A licensee may not induce or permit any borrower to become obligated to the licensee under this article, directly or contingently, or both, under more than one subordinate mortgage loan at the same time for the purpose or with the result of obtaining greater charges than would otherwise be permitted under the provisions of this article.

(j) An instrument evidencing or securing a primary or subordinate mortgage loan may not contain:

(1) A power of attorney to confess judgment;

(2) A provision whereby the borrower waives any rights accruing to him or her under the provisions of this article;
(3) A requirement that more than one installment be payable in any one installment period, or that the amount of any installment be greater or less than that of any other installment, except for the final installment which may be in a lesser amount or no more than $5 greater than any previous payment installment, or unless the loan is structured as a revolving line of credit having no set final payment date: Provided, That this prohibition does not apply to any mortgage modification or refinancing loan made in participation with and in compliance with the federal Making Homes Affordable program, or any other mortgage modification or refinancing loan eligible under any government sponsored enterprise requirements or funded through any federal or state program or litigation settlement;

(4) An assignment of or order for the payment of any salary, wages, commissions or other compensation for services, or any part thereof, earned or to be earned;

(5) A requirement for compulsory arbitration which does not comply with federal law; or

(6) Blank or blanks to be filled in after the consummation of the loan. A borrower must be given a copy of every signed document executed by the borrower at the time of closing.

(k) A licensee may not charge a borrower or receive from a borrower money or other valuable consideration as compensation before completing performance of all services the licensee has agreed to perform for the borrower unless the licensee also registers and complies with all requirements set forth for credit service organizations in §46A-6C-1 et seq. of this code, including all additional bonding requirements as may be established therein.

(l) A licensee may not make or broker revolving loans secured by a primary or subordinate mortgage lien for the
retail purchase of consumer goods and services by use of a lender credit card.

(m) In making any primary or subordinate mortgage loan, a licensee may not, and a primary or subordinate mortgage lending transaction may not, contain terms which:

1. Collect a fee not disclosed to the borrower; collect any attorney fee at closing in excess of the fee that has been or will be remitted to the attorney; collect a fee for a product or service where the product or service is not actually provided; misrepresent the amount charged by or paid to a third party for a product or service; or collect duplicate fee or points to act as both broker and lender for the same mortgage loan, however, fees and points may be divided between the broker and the lender as they agree, but may not exceed the total charges otherwise permitted under this article: Provided, That the fact of any fee, point or compensation is disclosed to the borrower consistent with the solicitation representation made to the borrower;

2. Compensate, whether directly or indirectly, coerce or intimidate an appraiser for the purpose of influencing the independent judgment of the appraiser with respect to the value of real estate that is to be covered by a deed of trust or is being offered as security according to an application for a primary or subordinate mortgage loan;

3. Make or assist in making any primary or subordinate mortgage loan with the intent that the loan will not be repaid and that the lender will obtain title to the property through foreclosure: Provided, That this subdivision may not apply to reverse mortgages obtained under §47-24-1 et seq. of this code;

4. Require the borrower to pay, in addition to any periodic interest, combined fees, compensation or points of any kind to the lender and broker to arrange, originate, evaluate, maintain or service a loan secured by any encumbrance on residential property that exceed, in the
aggregate, six percent of the loan amount financed, including any yield spread premium paid by the lender to the broker: Provided, That reasonable closing costs, as defined in §46A-1-102 of this code, payable to unrelated third parties may not be included within this limitation: Provided, however, That no yield spread premium is permitted for any loan for which the annual percentage rate exceeds 18 percent per year on the unpaid balance of the amount financed: Provided further, That if no yield spread premium is charged, the aggregate of fees, compensation or points can be no greater than five percent of the loan amount financed. The financing of the fees and points are permissible and, where included as part of the finance charge, does not constitute charging interest on interest. To the extent that this section overrides the preemption on limiting points and other charges on first lien residential mortgage loans contained in the United States Depository Institutions Deregulation and Monetary Control Act of 1980, 12 U. S. C. §1735f-7a, the state law limitations contained in this section apply;

(5) Secure a primary or subordinate mortgage loan by any security interest in personal property unless the personal property is affixed to the residential dwelling or real estate;

(6) Allow or require a primary or subordinate mortgage loan to be accelerated because of a decrease in the market value of the residential dwelling that is securing the loan;

(7) Require terms of repayment which do not result in continuous monthly reduction of the original principal amount of the loan: Provided, That the provisions of this subdivision do not apply to reverse mortgage loans obtained under §47-24-1 et seq. of this code, home equity, open-end lines of credit, bridge loans used in connection with the purchase or construction of a new residential dwelling or commercial loans for multiple residential purchases;

(8) Secure a primary or subordinate mortgage loan in a principal amount that, when added to the aggregate total of the outstanding principal balances of all other primary or subordinate mortgage loans secured by the same property,
exceeds the fair market value of the property on the date that
the latest mortgage loan is made. For purposes of this
paragraph, a broker or lender may rely upon a bona fide
written appraisal of the property made by an independent
third-party appraiser, duly licensed or certified by the West
Virginia Real Estate Appraiser Licensing and Certification
Board and prepared in compliance with the uniform
standards of professional appraisal practice: Provided, That
this prohibition does not apply to any mortgage
modification or refinancing loan made in participation with
and in compliance with the federal Making Homes
Affordable program, or any other mortgage modification or
refinancing loan eligible under any government sponsored
enterprise requirements or funded through any federal or
state program or litigation settlement;

(9) Advise or recommend that the consumer not make
timely payments on an existing loan preceding loan closure
of a refinancing transaction; or

(10) Knowingly violate any provision of any other
applicable state or federal law regulating primary or
subordinate mortgage loans, including, without limitation,
§46A-1-1 et seq. of this code.

§31A-8G-4. Scope; testing period; licenses; consumer protections.

(B) For a regulatory sandbox participant testing an innovative product or service that would normally require a money transmission license pursuant to this code, the Division of Financial Institutions may, on a case-by-case
basis, specify the maximum amount of a single transaction for an individual consumer and the maximum aggregate amount of transactions for an individual consumer.

(c) This section does not restrict a regulatory sandbox participant who holds a license or other authorization in another jurisdiction from acting in accordance with that license or other authorization.

(d) A regulatory sandbox participant is deemed to possess an appropriate license under the laws of this state for the purposes of any provision of federal law requiring state licensure or authorization.

(e) Except as otherwise provided in this chapter, including subsections (f), (g), and (h), a regulatory sandbox participant that is testing an innovative product or service is not subject to state laws that regulate financial products or services.

(f) Regulatory sandbox participants and the innovative products and services that they are testing in the regulatory sandbox program are subject to all applicable consumer protection laws, including, but not limited to those contained in chapter 46A of this code, the Collection Agency Act contained in chapter 47A of this code, and any limitations on interest rates, whether or not those interest rates would otherwise require licensure.

(g)(1) The Division of Financial Institutions may determine that additional state laws that regulate a financial product or service apply to a regulatory sandbox participant if the Division of Financial Institutions, at its sole discretion, determines that an applicant’s proposed testing plan or the innovative product or service to be tested poses significant risk to consumers or to the safety and soundness of other institutions within the financial services marketplace as to warrant the imposition of other applicable state laws.
(2) The Division of Financial Institutions shall determine the applicability of certain state laws to each innovative product or service prior to approval of any application to participate in the regulatory sandbox program and shall notify the regulatory sandbox participant of the specific regulatory provisions that shall apply to the innovative product or service throughout the duration of the regulatory sandbox testing period.

(3) If at any time during the regulatory sandbox testing period, the Division of Financial Institutions determines that the imposition of certain state laws is necessary to eliminate the risk of harm to consumers or the safety and soundness of other institutions operating within the financial services marketplace, the division may require that the regulatory sandbox participant come into compliance with such state laws within a reasonable time.

(h) Notwithstanding any other provision of this chapter, a regulatory sandbox participant does not have immunity related to any criminal offense committed during the regulatory sandbox participant’s participation in the regulatory sandbox program.

(i) By written notice, the Division of Financial Institutions may end a regulatory sandbox participant’s participation in the regulatory sandbox program at any time and for any reason, including if the Division of Financial Institutions determines a regulatory sandbox participant is not operating in good faith to bring an innovative product or service to market.

(j) The Division of Financial Institutions shall require a regulatory sandbox participant to post a consumer protection bond as security for potential losses suffered by consumers. The bond amount shall be determined by the commissioner in an amount not less than $5,000 and shall be commensurate with the risk profile of the innovative product or service. The commissioner may require that a bond be increased or decreased at any time based on risk
profile and shall provide the regulatory sandbox participant with 30 days prior written notice of such increase or decrease. The commissioner may use bond proceeds to offset losses suffered by consumers as a result of an innovative product or service. The bond shall expire two years after the date of the conclusion of the regulatory sandbox testing period. The commissioner may accept electronic bonds from any regulatory sandbox participant.

§31A-8G-5. Additional consumer protections; disclosures.

(1) The name and contact information of the regulatory sandbox participant;

(2) That the innovative product or service is authorized pursuant to the regulatory sandbox program and, if applicable, that the regulatory sandbox participant does not have a license or other authorization to provide a product or service under state laws that regulate products or services outside the regulatory sandbox program;

(3) That the innovative product or service is undergoing testing, may not function as intended, and may expose the consumer to financial risk;

(4) That the provider of the innovative product or service is not immune from civil liability for any losses or damages caused by the innovative product or service;

(5) That the state does not endorse or recommend the innovative product or service;

(6) That the innovative product or service is a temporary test that may be discontinued at the conclusion of the regulatory sandbox testing period;
(7) The expected end date of the regulatory sandbox testing period; and

(8) That a consumer may contact the Division of Financial Institutions to file a complaint regarding the innovative product or service being tested and provide the Division of Financial Institution’s telephone number and website address where a complaint may be filed.

(b) The disclosures required by subsection (a) of this section shall be provided to a consumer in a clear and conspicuous form and, for an internet or application-based innovative product or service, a consumer shall acknowledge receipt of the disclosure before a transaction may be completed.

(c) The Division of Financial Institutions may investigate all consumer complaints made against a regulatory sandbox participant pursuant to subsection (a) of this section: Provided, That the consumer making the complaint was directly provided the innovative product or service by the regulatory sandbox participant, and the innovative product or service was provided in the course of participation in the regulatory sandbox program.

(d) The Division of Financial Institutions may require that a regulatory sandbox participant make additional disclosures to a consumer.

§31A-8G-6. Exiting requirements; extensions.

(a) At least 30 days before the conclusion of the regulatory sandbox testing period, a regulatory sandbox participant shall:

(1) Notify the Division of Financial Institutions that the regulatory sandbox participant will exit the regulatory sandbox program, discontinue the regulatory sandbox participant’s test, and stop offering any innovative product or service in the regulatory sandbox program within 60 days
after the day on which the regulatory sandbox testing period ends; or

(2) Seek an extension in accordance with §31A-8G-7 of this code.

(b) Subject to subsection (c) of this section, if the Division of Financial Institutions does not receive notification as required by subsection (a) of this section, the regulatory sandbox participant shall immediately stop offering each innovative product or service being tested at the conclusion of the regulatory sandbox testing period.

(c) If a test includes offering an innovative product or service that requires ongoing duties, such as servicing a loan, the regulatory sandbox participant shall continue to fulfill those duties or arrange for another person to fulfill those duties after the date on which the regulatory sandbox participant exits the regulatory sandbox program, and not less than 30 days before the conclusion of the regulatory sandbox testing period, notify, in writing, any consumer of the innovative product or service of the plan related to continuation or discontinuation of duties with respect to the innovative product or service.

(a) Thirty days prior to the conclusion of the regulatory sandbox testing period, a regulatory sandbox participant may request an extension of the regulatory sandbox testing period for the purpose of obtaining a license or other authorization required by law.

(b) The Division of Financial Institutions shall grant or deny a request for an extension in accordance with subsection (a) of this section by the conclusion of the regulatory sandbox testing period.

(c) The Division of Financial Institutions may grant an extension in accordance with this section for not more than
12 months after the conclusion of the regulatory sandbox testing period.

(d) A regulatory sandbox participant that obtains an extension in accordance with this section shall provide the Division of Financial Institutions with a written report every three months that provides an update on efforts to obtain a license or other authorization required by law, including any submitted applications for licensure or other authorization, rejected applications, or issued licenses or other authorization.

§31A-8G-8. Recordkeeping and reporting requirements; participant removal.

(a) A regulatory sandbox participant shall retain records, documents, and data produced in the ordinary course of business regarding an innovative product or service tested in the regulatory sandbox program, and shall maintain comprehensive records for not less than five years after the conclusion of the regulatory sandbox testing period.

(b) If an innovative product or service fails before the conclusion of a regulatory sandbox testing period, the regulatory sandbox participant shall notify the Division of Financial Institutions and report on actions taken by the regulatory sandbox participant to ensure consumers have not been harmed as a result of the failure.

(c) The Division of Financial Institutions will collaborate with a regulatory sandbox participant to establish periodic and reasonable reporting requirements for the regulatory sandbox participant.

(d) The Division of Financial Institutions may request records, documents, and data from a regulatory sandbox participant, and, upon the division’s request, a regulatory sandbox participant shall make such records, documents, and data available for inspection by the division.
(e) If the Division of Financial Institutions determines that a regulatory sandbox participant has engaged in, is engaging in, or is about to engage in any practice or transaction that is in violation of this chapter or that constitutes a violation of a state or federal criminal law, the Division of Financial Institutions may remove a regulatory sandbox participant from the regulatory sandbox program and may refer suspected violations of law relating to this act to appropriate state or federal agencies for investigation, prosecution, civil penalties, and other appropriate enforcement actions.

Be it enacted by the Legislature of West Virginia:

ARTICLE 1. BROADBAND ENHANCEMENT COUNCIL.

§31G-1-3. Broadband Enhancement Council; members of council; administrative support.

(a) The Broadband Enhancement Council is hereby established and continued. ARTICLE 5. VERTICAL REAL ESTATE MANAGEMENT AND AVAILABILITY ACT.

§31G-5-1. Short title.

This article shall be known and cited as the Vertical Real Estate Management and Availability Act.

§31G-5-2. Definitions.

For the purposes of this article unless the context otherwise requires:

“Ground facilities” means any shed, buildings, server rooms, or other ancillary structure providing essential services to a tower, including, but not limited to, distributing power, providing communications backhaul, or other service necessary to carry out the purposes of the tower.

“Tower” means a structure which hosts an antenna or other equipment used for the purposes of transmitting cellular or wireless signals for communications purposes,
including telephonically, or, for computing purposes, including any antenna and all associated equipment; and

“Vertical Real Estate” means any communication or broadcast tower, or any other structure or similar installation mounted on a rooftop or other prominent place, and any other such facilities associated with that structure, upon which is suitable to mount communications equipment thereon, and the associated ground facilities necessary to accommodate that communications purpose, or other real estate suitable for the installation of a telecommunications vertical asset: Provided, That any excess telecommunications facilities owned or controlled by the West Virginia Division of Highways that do not meet this definition of Vertical Real Estate, shall be subject to the provisions of §17-2E-6a of this code: Provided further, That nothing in this definition may serve to prohibit terrestrial, middle-mile or last-mile broadband or high speed internet wiring or facilities installation pursuant to §17-2E-1 et seq. nor may classification as such facilities serve to prevent utility installation including, but not limited to, water, electric and sewer services.

(a) Beginning on July 1, 2020, the Department of Administration shall coordinate with the executive to issue a request for proposals to manage state-owned vertical real estate. This request for proposals shall contain at a minimum the following information from each prospective manager:

(1) A standard method for valuation of space on each tower that is reasonable and customary for the reach of and the numbers of the population served by the vertical real estate.

(2) A clause which forbids any vendor to enter into an exclusive arrangement with any person for the right to use the vertical real estate, unless no other entity is interested,
and a clause which forbids the sharing of information, backhaul, or any other resources gleaned from managing the assets competitively with any competitors.

(3) A clause forbidding the vendor from engaging in any preferential treatment to their own operations as a competing provider of wireless broadband access.

(4) A minimum of 50 percent rental reduction for any entity whose utilization of that vertical real estate is providing broadband access which is rate unlimited or unthrottled; subject to current load/demand network management.

(b) There is hereby created in the state treasury a special account to be known as the Technology Infrastructure Reinvestment Fund to be administered by the Office of Technology. All revenue derived from the management of the vertical real estate shall be deposited into the fund pursuant to §31G-5-3 of this code. Expenditures from the fund shall be made by the Office of Technology for the purpose of reinvestment in the vertical real estate or technology infrastructure supporting broadband on state-owned property. Expenditures are not authorized from collections but are to be made in accordance with appropriation by the Legislature pursuant to the provisions of §12-3-1, et seq. of this code and upon the fulfillment of the provisions of §11B-2-1, et seq. of this code.

(c) The Office of Technology shall remit to the manager the compensation as per the contract and then on June 30 each year shall distribute any funds received in excess of the compensation due the manager as follows:

(1) Fifty percent to the Technology Infrastructure Reinvestment Fund,

(2) Fifty percent will go to the Broadband Expansion Fund established in §31G-1-5 of this code in control of the
Broadband Enhancement Council with the specific purpose of:

(A) Funding the ongoing operations of the Broadband Enhancement Council, and

(B) To provide funds to match federal grants.

(d) Counties, municipalities and other political subdivisions, as applicable, may join or participate in an awarded agreement with a successful manager under the same terms and conditions: Provided, That distribution of funds attributable to their assets may be expended at the discretion of their governing body.

§31G-5-4 Exceptions to the management of vertical real estate.

Any vertical real estate shall be exempted from management if:

(A) The rental of that vertical real estate would potentially affect the operations of any public safety, emergency management or homeland security operations: Provided, That if there is a showing that a reasonable, technically feasible, nondiscriminatory design can prevent such adverse effect on any public safety, emergency management or homeland security operations then such management may occur; or

(B) It would have an adverse effect on historic preservation of a property: Provided, That if there is a showing that a reasonable, technically feasible, nondiscriminatory, and technologically neutral design or concealment measures can prevent such adverse effect on the property’s historic preservations then such management may occur.

Be it enacted by the Legislature of West Virginia:

CHAPTER 24. PUBLIC SERVICE COMMISION.
ARTICLE 2. POWER AND DUTIES OF PUBLIC SERVICE COMMISSION.

§24-2-1p. Middle-Mile Fiber Broadband Infrastructure Expansion Program.

(a) Legislative findings. The Legislature finds:

1. That access to broadband services is of critical importance to and a necessary prerequisite for enabling economic development in the state and for improving education, health care, public safety and government services, among other benefits to its citizens;

2. That broadband expansion into unserved rural areas of the state continues to be an issue of importance to the Legislature, and progress is hindered by lack of full development of middle-mile broadband fiber infrastructure within the state;

3. That the issues which have hindered the provision of broadband access to rural areas of the state especially disadvantage the elderly and low-income households;

4. That it continues to be a primary goal of the Legislature to make every municipality, community, and rural area in this state accessible to Internet communications through the expansion, extension, and general availability of broadband services and technology;

5. That regulated electric utilities have existing distribution infrastructure in place throughout the state, and that their existing and new infrastructure could be utilized in connection with construction of middle-mile broadband fiber assets;

6. That it is in the public interest to expedite construction of middle-mile broadband fiber infrastructure to provide the necessary architecture to facilitate additional broadband Internet access to individuals and institutions in unserved areas of the state; and
(7) That it is appropriate to establish a program to allow electric utilities to construct middle-mile fiber broadband assets within the power supply zone utilizing existing and new electric utility distribution assets in a manner that addresses the needs of the public and is consistent with the operational concerns of the electric utilities that may participate in this program.

(b) Definitions. For purposes of this section:

“Commission” means the Public Service Commission of West Virginia.

“Council” means the Broadband Enhancement Council, as defined in §31G-1-1, et seq. of this code.

“Electric utility” means any electric utility operating within this state that is regulated by the commission: Provided, That an electric utility that has installed middle-mile fiber broadband infrastructure pursuant to this section shall not be considered a public utility engaged in the transmission of messages by telephone, telegraph or radio for purposes of §24-2-1(a) of this code.

“Program” means the Middle-mile fiber Broadband Expansion Program established pursuant to subsection (c) of this section.

“Project” means one or more middle-mile fiber infrastructure expansion projects, including any portion of such projects to be used for the electric utility’s communication needs, proposed by an electric utility and approved by the commission pursuant to subsection (e) of this section as part of the program.

“Served” means any area with broadband service as defined in §31G-1-2 of this code.

“Unserved” means any area without broadband service as defined in §31G-1-2 of this code.
(c) Establishment of program. Commencing July 1, 2020, the Middle-Mile Fiber Broadband Infrastructure Expansion Program is hereby authorized and established.

(d) Authorizing participation. An electric utility having distribution infrastructure in this state may participate in the program pursuant to the provisions of this section.

(e) Powers and duties of Public Service Commission to act on written plans and amendments to written plans. The commission shall have the following powers and duties in connection with the program:

(1) Review, approve, or reject each written plan submitted by an electric utility pursuant to subsection (f) of this section. A written plan shall be approved if the commission determines that the proposed plan is reasonable, prudent, useful, and is not contrary to the public interests, considering the interests of the potential broadband users and the electric utility customers.

(2) Review, approve, or reject amendments to written plans submitted by an electric utility pursuant to subsection (f) of this section. Amendments to a written plan shall be approved if the commission determines that the proposed amendments to a written plan are reasonable, prudent, useful and not contrary to the public interest considering the interests of the potential broadband users and the electric utility customers.

(3) Perform any other duties necessary to effectuate the provisions of this section.

(f) Written plan. Following the council’s determination that construction, installation, operation, and repair of a middle-mile broadband infrastructure expansion project by an electric utility is feasible pursuant to §31G-4-5 of this code, the electric utility shall file a written plan and application seeking the commission’s approval of the project and its associated cost recovery. The written plan
and application is in lieu of a proceeding pursuant to §24-2-11 of this code and shall contain the following:

(1) The route of the middle-mile fiber infrastructure proposed for the project, the number of fiber strands that would be utilized in connection with the proposed project and dedicated to serve as the middle-mile, the location of the electric utility’s distribution infrastructure that will be utilized in connection with the proposed project, the capacity or number of fiber strands of the middle-mile that will be available to lease to non-governmental last-mile broadband Internet providers and other third parties upon completion of the proposed project, and the commitment of at least one non-governmental last-mile broadband Internet provider that will lease access to the middle-mile fiber assets constructed as part of the proposed project, and an estimate of potential broadband customers, determined in consultation with the council, that would be served by the middle-mile infrastructure;

(2) The estimated cost of the proposed project, including, but not limited to, engineering costs, construction costs, permitting costs, right of way costs and a reasonable allowance for funds used during construction;

(3) Proposed schedule of construction of the proposed project;

(4) Method of attachment and connection of the middle-mile broadband fiber assets to the electric utility’s distribution infrastructure;

(5) Testimony, exhibits or other evidence that demonstrates the project is reasonable, prudent, useful and not contrary to the public interest;

(6) A cost recovery mechanism that allocates all net costs to be recovered under this section on a distribution-level basis; and
(7) Other information the applicant considers relevant or the commission requires.

(g) The electric utility shall publish, in the form the commission directs, which form shall include, but not be limited to, the anticipated monthly and yearly electric rate increase, if any, and actual rates under the proposal, by average percentage and dollar amount for customers within a class of service, as a Class I legal advertisement in compliance with the provisions of §59-3-1 et seq. of this code, the publication area to be each county in which service is provided by the electric utility, a notice of the filing of the application and that the commission shall hold a hearing on the application within 90 days of the notice; unless no opposition to the plan or the rate change is received by the commission within the time limits established by the commission, in which case the hearing can be waived, and the commission shall issue a final order within 150 days of the application filing date: Provided, That upon the request of any interested person or entity, the commission shall allow for the submission of comments on the feasibility of the plan.

(h) Upon notice and hearing, if required by the commission, the commission shall approve the plan and allow expedited recovery of costs related to the expenditures as provided in subsection (f) of this section if the commission finds that the expenditures and the associated rate requirements are just, reasonable, not contrary to the public interest, and will allow for the provision and maintenance of adequate, efficient, safe, reliable and reasonably priced middle-mile fiber broadband service.

(i) The council or the commission may not act to limit the number of last-mile broadband Internet providers eligible to be contracted to utilize the middle-mile fiber infrastructure constructed as part of a project proposed pursuant to this section. No board, commission, agency, or other governmental body may regulate the costs extended to
a broadband customer from any last-mile broadband Internet service provider. Nothing in this subsection shall prevent the commission from reviewing, modifying, and approving or denying the cost or means of providing a middle-mile fiber proposed project pursuant to this section.

(j) Upon commission approval, an electric utility will be authorized to implement the plan and to recover related project costs, net of any middle-mile broadband revenues or contributions in aid of construction, as provided in the following:

(1) An allowance for return shall be calculated by applying a rate of return to the planned net incremental increase to rate base attributable to the project for the coming year, considering the projected amount and timing of expenditures under the project, plus any expenditures in previous years of the project. The rate of return shall be determined by utilizing the rate of return on equity authorized by the commission in the electric utility’s most recent rate case proceeding or in the case of a settled rate case, a rate of return on equity as determined by the commission, and the projected cost of the electric utility’s debt during the period of the project to determine the weighted cost of capital based upon the electric utility’s capital structure.

(2) Income taxes applicable to the return allowed on the project shall be calculated for inclusion in rates at the federal and state statutory rates.

(3) Depreciation and property tax expenses directly attributable to the project shall be estimated for the upcoming year.

(4) Operation and maintenance expense specifically and directly related to operation and maintenance of the middle-mile fiber broadband facilities.
(5) Following commission approval of the project and related cost recovery mechanism, an electric utility shall place into effect a commission approved reconcilable rate surcharge that recovers the revenue requirement of the allowance for return, related income taxes, operation and maintenance expenses, depreciation, property tax expenses associated with the electric utility’s estimated project investments for the upcoming year, net of middle-mile revenue or contributions in aid of construction recovery of those costs provided by last mile broadband Internet providers upon completion of the project, if any (“middle-mile cost recovery rates”). In each year subsequent to the order approving the project and middle-mile cost recovery rates, the electric utility shall file a petition with the commission setting forth new proposed middle-mile cost recovery rates that recover the revenue requirement of the project investments previously installed and projected costs of the project based on investments to be made in the subsequent year, plus any under-recovery or minus any over-recovery of actual costs attributable to the project, for the preceding year.

(k) The electric utility may make any accounting accruals necessary to establish a regulatory asset or liability through which actual costs incurred and costs recovered through the rate mechanism are tracked.

(l) Construction, installation, operation, maintenance, and repair of middle-mile fiber expansion projects. Subject to continuing authority of the commission to determine the reasonableness of acts and practices, for all projects contained in a written plan approved by the commission pursuant to subsection (e) of this section, and constructed, installed, operated, maintained, and repaired by an electric utility pursuant to this section, the electric utility shall have control of the scope, scheduling and execution of the project to construct, install, operate, maintain and repair middle-mile fiber assets, including fiber build route selection and build and splice schedules. The electric utility shall be
entitled to reestablish electric service and assure safety of its workers prior to restoration of middle-mile fiber broadband service in order to ensure operational safety matters of the shared infrastructure. Additionally, the electric utility shall be entitled to use contractors chosen and approved by the electric utility to construct, install, operate, maintain, and repair middle-mile fiber assets pursuant to this section because of its or electric utility’s knowledge of hazards in the power supply zone and the associated controls to reduce the risks involved. Nothing in this section confers any rights to work in the power supply space except by the electric utility and its designated contractors.

(m) Attachment and connection of middle-mile fiber assets. An electric utility participating in the program shall have sole control of the location and method of attachment and connection of middle-mile fiber assets to the electric utility’s distribution infrastructure, unless otherwise ordered by the commission.

(n) Management of fiber projects. In order to manage operations, an electric utility participating in the program shall manage and document the entities that lease middle-mile fiber assets for last-mile operations, including, but not limited to, outage notification and management.

(o) Notwithstanding anything in this code or in the articles of incorporation of an electric utility to the contrary, an electric utility may, either directly or indirectly or through an affiliate or subsidiary, pursuant to a written plan approved by the commission:

(1) Own, manage or control any broadband capacity, number of fiber strands, equipment and electronics, including any plant, works, system, lines, facilities or properties, or any part or parts thereof, together with all appurtenances thereto, used or useful in connection with the provisions and extension of such broadband services;
(2) Lease such broadband capacity, number of fiber strands, equipment, or electronics to non-governmental Internet service providers and other third parties, on a nonexclusive basis; and

(3) Provide access points that are outside the electric utility’s power supply zone to allow connection between the electric utility’s broadband capacity system or fiber strands, and any non-governmental Internet service provider’s or other third party’s system.

CHAPTER 31G. BROADBAND ENHANCEMENT AND EXPANSION POLICIES.

ARTICLE 4. MAKE-READY POLE ACCESS.

(3) “Electric utility” shall mean any electric utility operating within this state that is regulated by the commission.

(4) “Project” shall mean a middle-mile broadband infrastructure expansion project proposed by an electric utility.

(b) Each electric utility may investigate the feasibility of constructing and operating a project within the electric utility distribution system and, if it so elects, may submit a feasibility study of a proposed project to the council on or before December 1, 2019. Additional feasibility studies may
be submitted to the council after December 1, 2019, without penalty.

(c) The council and the commission shall assist each such electric utility in its preparation of such a feasibility study.

(d) The feasibility study shall include an evaluation of the following:

(1) The scope of the proposed project for which the feasibility study is conducted, which shall include, but not be limited to:

(A) The route of the middle-mile infrastructure proposed for the project, the number of fiber strands that would be utilized in connection with the proposed project and dedicated to serve as the middle-mile, the location of the electric utility’s distribution infrastructure that will be utilized in connection with the proposed project, the capacity of the middle-mile broadband infrastructure that will be available to lease to last-mile broadband Internet providers upon completion of the proposed project;

(B) The estimated cost of the proposed project, including but not limited to engineering costs, construction costs, permitting costs, materials and labor, right-of-way costs, and a reasonable rate of return to the electric utility;

(C) The proposed schedule of construction of the proposed project; and

(D) The method of attachment and connection of the middle-mile broadband fiber assets to the electric utility’s distribution infrastructure;

(2) The regulatory and legal barriers to an electric utility constructing a project and operating middle-mile broadband infrastructure to provide access to unserved areas of the state, as defined in §31G-1-2 of this code, and proposed legislation to address such regulatory barriers;
(3) Whether it is in the public interest and the interest of the electric utility to make improvements to the distribution grid in furtherance of providing such middle-mile broadband Internet services in conjunction with its program of electric distribution projects;

(4) Whether it is in the public interest and the interest of the electric utility to operate middle-mile broadband Internet assets to provide access to unserved areas of the state;

(5) Whether it is in the public interest and the interest of the electric utility to permit a third party to lease such capacity to provide last-mile broadband Internet services to unserved areas of the state;

(6) Whether construction of middle-mile broadband Internet infrastructure utilizing electric utility distribution systems is feasible with respect to the maturity of the relevant technology, the compatibility of such services with existing electric services, and the financial requirements to undertake such project;

(7) The anticipated level of rate adjustment necessary to allow the electric utility to recover its costs associated with the proposed project, and a reasonable rate of return, on an expedited basis, that will be recovered by the electric utility through a rate adjustment at the commission; and

(8) Such other information that is pertinent to the project.

(e) Upon receipt of a feasibility study, the council shall post the same on the council website for written public comment for a period of seven days and then shall render a determination, by a majority vote of the council, as to the feasibility of the proposed project.

(f) In its consideration of the feasibility of a project, the council shall identify one or more last-mile broadband Internet providers that may lease the middle-mile broadband
Internet capacity created by the proposed project pursuant to lease terms and conditions set by the council.

(g) The council shall render such feasibility determination within 60 days from the date the feasibility study is submitted to the council.

(h) Commencing January 1, 2020, and each year thereafter, the council shall give a report of its consideration of feasibility studies submitted pursuant to this section to the Governor, the President of the Senate, the Speaker of the House of Delegates, and the Joint Committee on Government and Finance.

An electric cooperative organized pursuant to state and federal law, including the Rural Electrification Act of 1936, may utilize its distribution system, poles, or rights of way to provide for critical infrastructure, which may include the construction or operation, or both, of a broadband infrastructure project consisting of middle mile or last mile services, or both.

(f) The duties and requirements provided in this section do not create an independent cause of action, including a cause of action for breach of contract. Violations of these rights may be reported to and investigated by the foster care ombudsman. On or before December 15, 2021 and on or before December 15 of every year thereafter, the foster care ombudsman shall submit a written summary of the number and nature of reports received, and investigations conducted in response to said reports, to the Joint Standing Committee on Government and Finance, the West Virginia Supreme Court of Appeals, and the Governor: Provided, That the summary required by this section may not include any personally identifying information of a person named in a report or a person submitting a report to the ombudsman.
§49-2-128. Reasonable and prudent foster parent standard.

(a) As used in this section, the following terms have the following meanings:

“Age-appropriate” means activities or items that are generally accepted as suitable for children of the same chronological age or level of maturity. Age-appropriateness is based on the development of cognitive, emotional, physical, and behavioral capacity that is typical for an age or age group.

“Caregiver” means a foster parent, kinship parent, or a designated official in a residential treatment facility.

“Reasonable and prudent foster parent standard” means the standard characterized parental decisions that maintain the child’s health, safety, and best interests, while at the same time encouraging the child’s emotional and developmental growth, that a caregiver shall use when determining whether to allow a child to participate in extracurricular, enrichment, and social activities.

(b) Each child who comes into care under this chapter is entitled to participate in age-appropriate extracurricular, enrichment, and social activities.

(c) Caregivers shall use a reasonable and prudent foster parent standard in determining whether to give permission for a child in out-of-home care to participate in extracurricular, enrichment, and social activities. When using the reasonable and prudent foster parent standard, the caregiver shall consider:

(1) The child’s age, maturity, and developmental level, to maintain the overall health and safety of the child;

(2) The potential risk factors and the appropriateness of the extracurricular, enrichment, and social activity;
(3) The best interest of the child based on information known to the caregiver;

(4) The importance of encouraging the child’s emotional and developmental growth;

(5) The importance of providing the child with the most family-like living experience possible; and

(6) The behavioral history of the child and the child’s ability to safely participate in the proposed activity, as with any other child.

(d) Child placing agencies and residential treatment facilities shall have policies consistent with this section and shall promote and protect the ability of children to participate in age-appropriate extracurricular, enrichment, and social activities.

(e) A foster or kinship parent may use persons to care for or babysit for the child or permit overnight stays outside of the home using the reasonable and prudent foster parent standard.

(f) There is a rebuttable presumption that a caregiver has acted as a reasonable and prudent foster parent.

(g) A caregiver is not liable for harm caused to a child in his or her care who participates in an activity approved by the caregiver, provided that the caregiver has acted as a reasonable and prudent foster parent, unless the foster parent commits an act or omission that is an intentional tort or conduct that is willful, wanton, grossly negligent, reckless, or criminal.

§49-2-129. Transitional living services, scattered-site living arrangements, and supervised group settings; eligibility criteria.

(a) The department shall establish minimum standards, by legislative rule, for transitional living services, such as
scattered-site living arrangements and supervised group settings, to which all child placing agencies or child welfare agencies who provide this service must conform.

(b) Agencies shall establish eligibility criteria for serving transitioning children and adults and shall require, at a minimum, the following:

1. That a transitioning child or adult receiving a transitional living placement is between 16 and 26 years of age;

2. Written permission from the child’s parents or guardian for a child less than 18 years of age to enter a scattered-site living arrangement;

3. A written service agreement with a transitioning adult entering a transitional living arrangement;

4. A determination by an agency that a transitioning child or adult has shown that he or she is stable, mature, and responsible enough for entry into the determined level of transitional living arrangement;

5. A life skills assessment by an agency of the transitioning child or adult, prior to placing him or her in a transitional living arrangement, and an annual reassessment; and

6. A written transition plan, developed with the transitioning child or adult, that provides an educational, training, or employment program or a plan for the child or adult to pursue employment while in transitional living.

(c) The agency and transitioning child or adult shall determine if a roommate is appropriate for the child or adult prior to placement in a transitional living setting. The roommate must be able to support himself or herself and contribute at least a pro rata share of the living expenses for the setting.
(d) An agency shall document face-to-face contact and hours spent with a transitioning child or adult in a transitional living setting in the service plan that meet the child’s or adult’s needs and program level.

(e) After a child or adult is in a transitional living placement, an agency shall assess the child’s or adult’s progress in acquiring basic living skills at a minimum of once every six months.

(f) An agency shall develop and implement policies and procedures to ensure that any child or adult in a transitional living setting receives training and guidance on appropriate health screening and services, including medical and dental screening and services.

(g) An agency shall develop policies and procedures for assisting a transitioning child or adult in searching for an appropriate dwelling that will be used as a scattered-site living setting, that meets the following criteria:

(1) The dwelling is safe and affordable;

(2) The dwelling has a working telephone or other means of communication in an emergency;

(3) The dwelling has appropriate equipment for indoor cooking; and

(4) The dwelling has an appropriate water source for cooking, cleaning, and bathing.

(h) The department shall promulgate legislative rules, including emergency rules if necessary, to implement the provisions of this section.

ARTICLE 4. COURT ACTIONS.

When a child is removed from his or her home, placement preference is to be given to relatives or fictive kin
of the child. If a child requires out-of-home care, placement of a child with a relative is the least restrictive alternative living arrangement. The department must diligently search for relatives of the child and fictive kin within the first days of a child’s removal and must identify and provide notice of the child’s need for a placement to relatives and fictive kin who are willing to act as a foster or kinship parent.

(1) After a petition alleging abuse and neglect of a child is filed, the department shall commence a search for every relative and fictive kin of the child.

(2) No later than seven calendar days after the petition for removal has been filed, the department shall file, with the court, a list of all of the relatives and fictive kin of the child known to the department at the time of the filing, whether or not those persons have expressed a willingness to take custody of the child.

(3) Within seven days after the department files the list described in subdivision (2) of this subsection, any party to the case may file, with the court, his or her own list containing names and addresses of relatives and fictive kin of the child.

(4) The department shall investigate and determine whether any of the persons identified in the lists filed pursuant to this section are willing and able to act as foster or kinship parents to the child. The department shall file its determinations with the court within 45 days from the filing of the petition alleging abuse or neglect of a child.

§49-4-601b. Substantiation by the department of abuse and neglect.

(a) Notwithstanding any provision of this code to the contrary, when the department substantiates an allegation of abuse or neglect against a person, but there is no judicial finding of abuse or neglect as a result of the allegation, the department shall provide written notice of the substantiation to the person by certified mail, return receipt requested.
(b) The individual against whom an abuse or neglect allegation has been substantiated, as described in subsection (a) of this section, has the right to contest the substantiation by filing a grievance with the board of review of the department and has the right to appeal the decision of the board of review to the court, in accordance with the provisions of §29A-5-1 et seq. of this code regarding administrative appeals.

(c) The secretary of the department shall promulgate legislative rules in accordance with §29A-3-1 et seq. of this code, within the applicable time limit to be considered by the Legislature during its regular session in the year 2021, which rules shall include, at a minimum:

(1) Provisions for ensuring that an individual against whom the department has substantiated an allegation of abuse and neglect, but against whom there is no judicial finding of abuse or neglect, receives written notice of the substantiation in a timely manner. The written notice must, at a minimum, state the following:

(A) The name of the child the person is alleged to have abused or neglected, the place or places where the abuse or neglect allegedly occurred, and the date or dates on which the abuse or neglect is alleged to have occurred;

(B) That the person has a right to file a grievance protesting the substantiation of abuse and neglect with the board of review of the department and clear instructions regarding how to file a grievance with the board of review, including a description of any applicable time limits;

(C) That the person has a right to appeal an adverse decision of the board of review of the department to the courts and notice of any applicable time limits; and

(D) A description of any public or nonpublic registry on which the person’s name will be included as a result of a substantiated allegation of abuse and neglect and a
statement that the inclusion of the person’s name on the registry may prevent the person from holding jobs from which child abusers are disqualified, or from providing foster or kinship care to a child in the future;

(2) Provisions for ensuring that a person against whom an allegation of abuse and neglect has been substantiated, but against whom there is no judicial finding of abuse or neglect, may file a grievance with the department and provisions guaranteeing that any such person will have a full and fair opportunity to be heard; and

(3) Provisions requiring the department to remove a person’s name from an abuse and neglect registry maintained by the department if a substantiation is successfully challenged in the board of review or in a court.

§49-4-604. Disposition of neglected or abused children; case plans; dispositions; factors to be considered; reunification; orders; alternative dispositions.

(a) Child and family case plans. — Following a determination pursuant to §49-4-602 of this code wherein the court finds a child to be abused or neglected, the department shall file with the court a copy of the child’s case plan, including the permanency plan for the child. The term “case plan” means a written document that includes, where applicable, the requirements of the family case plan as provided in §49-4-408 of this code and that also includes, at a minimum, the following:

(1) A description of the type of home or institution in which the child is to be placed, including a discussion of the appropriateness of the placement and how the agency which is responsible for the child plans to assure that the child receives proper care and that services are provided to the parents, child, and foster or kinship parents in order to improve the conditions that made the child unsafe in the care of his or her parent(s), including any reasonable accommodations in accordance with the Americans with
Disabilities Act of 1990, 42 U. S. C. §12101 et seq., to parents with disabilities in order to allow them meaningful access to reunification and family preservation services;

(2) A plan to facilitate the return of the child to his or her own home or the concurrent permanent placement of the child; and address the needs of the child while in kinship or foster care, including a discussion of the appropriateness of the services that have been provided to the child.

The term “permanency plan” refers to that part of the case plan which is designed to achieve a permanent home for the child in the least restrictive setting available. The plan must document efforts to ensure that the child is returned home within approximate time lines for reunification as set out in the plan. Reasonable efforts to place a child for adoption or with a legal guardian should be made at the same time, or concurrent with, reasonable efforts to prevent removal or to make it possible for a child to return to the care of his or her parent(s) safely. If reunification is not the permanency plan for the child, the plan must state why reunification is not appropriate and detail the alternative, concurrent permanent placement plans for the child to include approximate time lines for when the placement is expected to become a permanent placement. This case plan shall serve as the family case plan for parents of abused or neglected children. Copies of the child’s case plan shall be sent to the child’s attorney and parent, guardian or custodian or their counsel at least five days prior to the dispositional hearing. The court shall forthwith proceed to disposition giving both the petitioner and respondents an opportunity to be heard.

(b) Requirements for a Guardian ad litem. —

A guardian ad litem appointed pursuant to §49-4-601(f)(1) of this code, shall, in the performance of his or her duties, adhere to the requirements of the Rules of Procedure for Child Abuse and Neglect Proceedings and the Rules of Professional Conduct and such other rules as the
West Virginia Supreme Court of Appeals may promulgate, and any appendices thereto, and must meet all educational requirements for the guardian ad litem. A guardian ad litem may not be paid for his or her services without meeting the certification and educational requirements of the court. The West Virginia Supreme Court of Appeals is requested to provide guidance to the judges of the circuit courts regarding supervision of said guardians ad litem. The West Virginia Supreme Court of Appeals is requested to review the Rules of Procedure for Child Abuse and Neglect Proceedings and the Rules of Professional Conduct specific to guardians ad litem.

(c) Disposition decisions. — The court shall give precedence to dispositions in the following sequence:

(1) Dismiss the petition;

(2) Refer the child, the abusing parent, the battered parent or other family members to a community agency for needed assistance and dismiss the petition;

(3) Return the child to his or her own home under supervision of the department;

(4) Order terms of supervision calculated to assist the child and any abusing parent or battered parent or parents or custodian which prescribe the manner of supervision and care of the child and which are within the ability of any parent or parents or custodian to perform;

(5) Upon a finding that the abusing parent or battered parent or parents are presently unwilling or unable to provide adequately for the child’s needs, commit the child temporarily to the care, custody, and control of the department, a licensed private child welfare agency, or a suitable person who may be appointed guardian by the court. The court order shall state:

(A) That continuation in the home is contrary to the best interests of the child and why;
(B) Whether or not the department has made reasonable efforts, with the child’s health and safety being the paramount concern, to preserve the family, or some portion thereof, and to prevent or eliminate the need for removing the child from the child’s home and to make it possible for the child to safely return home;

(C) Whether the department has made reasonable accommodations in accordance with the Americans with Disabilities Act of 1990, 42 U. S. C. § 12101 et seq., to parents with disabilities in order to allow them meaningful access to reunification and family preservation services;

(D) What efforts were made or that the emergency situation made those efforts unreasonable or impossible; and

(E) The specific circumstances of the situation which made those efforts unreasonable if services were not offered by the department. The court order shall also determine under what circumstances the child’s commitment to the department are to continue. Considerations pertinent to the determination include whether the child should:

(i) Be considered for legal guardianship;

(ii) Be considered for permanent placement with a fit and willing relative; or

(iii) Be placed in another planned permanent living arrangement, but only in cases where the child has attained 16 years of age and the department has documented to the circuit court a compelling reason for determining that it would not be in the best interests of the child to follow one of the options set forth in subparagraphs (i) or (ii) of this paragraph. The court may order services to meet the special needs of the child. Whenever the court transfers custody of a youth to the department, an appropriate order of financial support by the parents or guardians shall be entered in accordance with §49-4-801 through §49-4-803 of this code;
(6) Upon a finding that there is no reasonable likelihood that the conditions of neglect or abuse can be substantially corrected in the near future and, when necessary for the welfare of the child, terminate the parental, custodial and guardianship rights and responsibilities of the abusing parent and commit the child to the permanent sole custody of the nonabusing parent, if there be one, or, if not, to either the permanent guardianship of the department or a licensed child welfare agency. The court may award sole custody of the child to a nonabusing battered parent. If the court shall so find, then in fixing its dispositional order the court shall consider the following factors:

(A) The child’s need for continuity of care and caretakers;

(B) The amount of time required for the child to be integrated into a stable and permanent home environment; and

(C) Other factors as the court considers necessary and proper. Notwithstanding any other provision of this article, the court shall give consideration to the wishes of a child 14 years of age or older or otherwise of an age of discretion as determined by the court regarding the permanent termination of parental rights. No adoption of a child shall take place until all proceedings for termination of parental rights under this article and appeals thereof are final. In determining whether or not parental rights should be terminated, the court shall consider the efforts made by the department to provide remedial and reunification services to the parent. The court order shall state:

(i) That continuation in the home is not in the best interest of the child and why;

(ii) Why reunification is not in the best interests of the child;
(iii) Whether or not the department made reasonable efforts, with the child’s health and safety being the paramount concern, to preserve the family, or some portion thereof, and to prevent the placement or to eliminate the need for removing the child from the child’s home and to make it possible for the child to safely return home, or that the emergency situation made those efforts unreasonable or impossible; and

(iv) Whether or not the department made reasonable efforts to preserve and reunify the family, or some portion thereof, including a description of what efforts were made or that those efforts were unreasonable due to specific circumstances.

(7) For purposes of the court’s consideration of the disposition custody of a child pursuant to this subsection, the department is not required to make reasonable efforts to preserve the family if the court determines:

(A) The parent has subjected the child, another child of the parent or any other child residing in the same household or under the temporary or permanent custody of the parent to aggravated circumstances which include, but are not limited to, abandonment, torture, chronic abuse, and sexual abuse;

(B) The parent has:

(i) Committed murder of the child’s other parent, guardian or custodian, another child of the parent, or any other child residing in the same household or under the temporary or permanent custody of the parent;

(ii) Committed voluntary manslaughter of the child’s other parent, guardian, or custodian, another child of the parent, or any other child residing in the same household or under the temporary or permanent custody of the parent;
(iii) Attempted or conspired to commit murder or voluntary manslaughter, or been an accessory before or after the fact to either crime;

(iv) Committed a malicious assault that results in serious bodily injury to the child, the child’s other parent, guardian, or custodian, to another child of the parent, or any other child residing in the same household or under the temporary or permanent custody of the parent;

(v) Attempted or conspired to commit malicious assault, as outlined in subparagraph (iv), or been an accessory before or after the fact to the same;

(vi) Committed sexual assault or sexual abuse of the child, the child’s other parent, guardian, or custodian, another child of the parent, or any other child residing in the same household or under the temporary or permanent custody of the parent; or

(vii) Attempted or conspired to commit sexual assault or sexual abuse, as outlined in subparagraph (vi), or been an accessory before or after the fact to the same.

(C) The parental rights of the parent to another child have been terminated involuntarily;

(D) A parent has been required by state or federal law to register with a sex offender registry, and the court has determined in consideration of the nature and circumstances surrounding the prior charges against that parent, that the child’s interests would not be promoted by a preservation of the family.

(d) As used in this section, “No reasonable likelihood that conditions of neglect or abuse can be substantially corrected” means that, based upon the evidence before the court, the abusing adult or adults have demonstrated an inadequate capacity to solve the problems of abuse or neglect on their own or with help. Those conditions exist in the following circumstances, which are not exclusive:
(1) The abusing parent or parents have habitually abused or are addicted to alcohol, controlled substances or drugs, to the extent that proper parenting skills have been seriously impaired and the person or persons have not responded to or followed through the recommended and appropriate treatment which could have improved the capacity for adequate parental functioning;

(2) The abusing parent or parents have willfully refused or are presently unwilling to cooperate in the development of a reasonable family case plan designed to lead to the child’s return to their care, custody and control;

(3) The abusing parent or parents have not responded to or followed through with a reasonable family case plan or other rehabilitative efforts of social, medical, mental health, or other rehabilitative agencies designed to reduce or prevent the abuse or neglect of the child, as evidenced by the continuation or insubstantial diminution of conditions which threatened the health, welfare, or life of the child;

(4) The abusing parent or parents have abandoned the child;

(5) The abusing parent or parents have repeatedly or seriously injured the child physically or emotionally, or have sexually abused or sexually exploited the child, and the degree of family stress and the potential for further abuse and neglect are so great as to preclude the use of resources to mitigate or resolve family problems, or assist the abusing parent or parents in fulfilling their responsibilities to the child; and

(6) The battered parent’s parenting skills have been seriously impaired and the person has willfully refused or is presently unwilling or unable to cooperate in the development of a reasonable treatment plan, or has not adequately responded to or followed through with the recommended and appropriate treatment plan.
(e) The court may, as an alternative disposition, allow the parents or custodians an improvement period not to exceed six months. During this period the court shall require the parent to rectify the conditions upon which the determination was based. The court may order the child to be placed with the parents, or any person found to be a fit and proper person, for the temporary care of the child during the period. At the end of the period, the court shall hold a hearing to determine whether the conditions have been adequately improved and at the conclusion of the hearing shall make a further dispositional order in accordance with this section.

(d) Beginning in July 1, 2021, and each year thereafter, the Secretary of the Department of Health and Human Resources shall provide a status report to the Legislative Oversight Committee on Health and Human Resources Accountability.

(e) The secretary shall implement and administer this program at least until December 31, 2022. The secretary may administer this program after such date.
AN ACT to amend and reenact §49-4-722 of the Code of West Virginia, 1931, as amended, relating to persons 18 years of age or older in the custody of the Bureau of Juvenile Services; and authorizing the Commissioner of the Division of Corrections and Rehabilitation to designate a unit in one or more institutions to house adults remaining under the juvenile jurisdiction of the circuit court to ensure that such persons are not within sight or sound of adult inmates.

Be it enacted by the Legislature of West Virginia:

ARTICLE 4. COURT ACTIONS.

§49-4-722. Conviction for offense while in custody.

(a) Notwithstanding any other provision of law to the contrary, any person who is 18 years of age or older who is convicted as an adult of an offense that he or she committed while in the custody of the Bureau of Juvenile Services and who is sentenced for the conviction to a regional jail or state correctional facility for the offense may not be returned to the custody of the Bureau upon the completion of his or her adult sentence.

(b) Whenever a person of 18 years of age or older is charged with an offense while in the custody of the Bureau of Juvenile Services, the Bureau shall provide notice of the
person’s custodial status to the court in which the charge is pending and provide notice of the pending charge to the circuit court having juvenile jurisdiction over the person.

(c) At least 10 days prior to the sentencing on a criminal charge referred to in subsection (b) of this section, the sentencing court shall provide written notice of the sentencing hearing to the Commissioner of the Division of Corrections and Rehabilitation and to the circuit court having juvenile jurisdiction over the person. The person may not be released from custody until the sentencing court has received notice from the circuit court having juvenile jurisdiction over the person that it has held the hearing required by subsection (d) of this section.

(d) Prior to completion of the adult sentence referenced in subsection (c) of this section, the circuit court having jurisdiction over the underlying juvenile matter shall conduct a hearing to determine whether the person who has turned 18 years of age shall remain in the regional jail during pendency of the underlying juvenile matter or if another disposition or pretrial placement is appropriate and available: Provided, That the court may not remand a child who reached the age of 18 years to a juvenile facility or placement during the pendency of the underlying juvenile matter.

(e) Notwithstanding the provisions of §15A-3-12(i) of this code, the Commissioner of the Division of Corrections and Rehabilitation is authorized to designate a unit in one or more institutions, either juvenile facilities, jails, or prisons, under his or her management to house adults remaining under the juvenile jurisdiction of the circuit court to ensure that such persons are not within sight or sound of adult inmates.
AN ACT to amend and reenact §49-4-112 of the Code of West Virginia, 1931, as amended, relating to subsidies; providing for adoption subsidies; providing for legal guardianship subsidies; updating availability; requiring payment for attorney’s fees; updating requirements for insurance coverage; requiring certification; eliminating requirements with respect to child who is dependent of voluntary licensed child placing agency; prohibiting subsidy payment under certain circumstances; requiring adoptive parents and legal guardians receiving subsidy to inform department; and making technical changes.

Be it enacted by the Legislature of West Virginia:

ARTICLE 4. COURT ACTIONS.

§49-4-112. Subsidized adoption and legal guardianship; conditions.

(a) From funds appropriated to the Department of Health and Human Resources, the secretary shall establish a system of assistance for facilitating the adoption or legal guardianship of children. An adoption subsidy shall be available for children who are legally free for adoption and who are dependents of the department. A legal guardianship subsidy may not require the surrender or termination of parental rights. For either subsidy, the children must be in special circumstances because one or more of the following
conditions inhibit their adoption or legal guardianship placement:

(1) They have a physical or mental disability;

(2) They are emotionally disturbed;

(3) They are older children;

(4) They are a part of a sibling group; or

(5) They are a member of a racial or ethnic minority.

(b)(1) The department shall provide assistance in the form of subsidies or services to parents who are found and approved for adoption or legal guardianship of a child certified as eligible for subsidy by the department, but before the final decree of adoption or order of legal guardianship is entered, there shall be a written agreement between the family entering into the subsidized adoption or legal guardianship and the department.

(2) Adoption or legal guardianship subsidies in individual cases may commence with the adoption or legal guardianship placement and will vary with the needs of the child as well as the availability of other resources to meet the child’s needs. The subsidy may be for services, money payments, for a limited period, or for a long term, or for any combination of the foregoing.

(3) The specific financial terms of the subsidy shall be included in the agreement between the department and the adoptive parents or legal guardians. The agreement may recognize and provide for direct payment by the department of attorney’s fees to an attorney representing the adoptive parent or legal guardian. Any such payment for attorney’s fees shall be made directly to the attorney representing the adoptive parent or legal guardian.

(4) The amount of the subsidy may in no case exceed that which would be allowable for the child under foster
family care or, in the case of a service, the reasonable fee for the service rendered.

(5) The department shall provide either Medicaid or other health insurance coverage for any special needs child for whom there is an adoption or legal guardianship assistance agreement, and who the department determines cannot be placed without medical assistance.

(c) The department shall certify the child as eligible for a subsidy to obtain adoption or a legal guardianship if it is in the best interest of the child.

(d) All records regarding subsidized adoptions or legal guardianships are to be held in confidence; however, records regarding the payment of public funds for subsidized adoptions or legal guardianships shall be available for public inspection provided they do not directly or indirectly identify any child or person receiving funds for the child.

(e) A payment may not be made to adoptive parents or legal guardians of child:

(1) Who has attained 18 years of age, unless the department determines that the child has a special need which warrants the continuation of assistance or the child is continuing his or her education or actively engaging in employment;

(2) Who has obtained 21 years of age;

(3) Who has not attained 18 years of age, if the department determines that the adoptive parent or legal guardian is no longer supporting the child by performing actions to maintain a familial bond with the child.

(f) Adoptive parents and legal guardians who receive subsidy payments pursuant to this section shall keep the department informed of circumstances which would, pursuant to §49-4-112(e) of this code, make them ineligible for the payment.
AN ACT to amend and reenact §49-2-810 of the Code of West Virginia, 1931, as amended, relating to immunity from criminal and civil liability and amending the provision of immunity to explicitly grant immunity from civil or criminal liability for individuals providing information or assistance to a good faith report of child abuse or neglect.

Be it enacted by the Legislature of West Virginia:

ARTICLE 2. STATE RESPONSIBILITIES FOR CHILDREN.

§49-2-810. Immunity from liability.

Any person, official, or institution participating in good faith in any act permitted or required by this article is immune from any civil or criminal liability that otherwise might result by reason of those actions, including individuals making good faith reports of suspected or known instances of child abuse or neglect, or who otherwise provide information or assistance, including medical evaluations or consultations, in connection with a report, investigation or legal intervention pursuant to a good faith report of child abuse or neglect.
CHAPTER 46

(Com. Sub. for S. B. 522 - By Senators Trump, Weld and Rucker)

[Passed March 6, 2020; in effect July 1, 2020.]
[Approved by the Governor on March 24, 2020.]

AN ACT to amend and reenact §14-2A-3 and §14-2A-14 of the Code of West Virginia, 1931, as amended, all relating to compensation awards to victims of crimes; providing for an altered definition of an “allowable expense”; establishing conditions to satisfy reporting requirements for juvenile abuse and neglect cases; providing for expanded benefits for juvenile victims of abuse and neglect cases; and establishing agency authority to file an application on behalf of a minor child for expanded benefits for juvenile victims of abuse and neglect cases.

Be it enacted by the Legislature of West Virginia:

ARTICLE 2A. COMPENSATION AWARDS TO VICTIMS OF CRIMES.

1 As used in this article, the term:

2 (a) “Claimant” means any of the following persons, whether residents or nonresidents of this state, who claim an award of compensation under this article:

3 (1) A victim, except the term “victim” does not include a nonresident of this state where the criminally injurious act did not occur in this state;
(2) A dependent, spouse, or minor child of a deceased victim or, if the deceased victim is a minor, the parents, legal guardians, and siblings of the victim;

(3) A third person, other than a collateral source, who legally assumes or voluntarily pays the obligations of a victim or a victim’s dependent when the obligations are incurred as a result of the criminally injurious conduct that is the subject of the claim;

(4) A person who is authorized to act on behalf of a victim, dependent, or a third person who is not a collateral source including, but not limited to, assignees, persons holding power of attorney or others who hold authority to make or submit claims in place of or on behalf of a victim, a dependent, or third person who is not a collateral source and if the victim, dependent, or third person who is not a collateral source is a minor or other legally incompetent person, their duly qualified fiduciary; and

(5) A person who is a secondary victim in need of mental health counseling due to the person’s exposure to the crime committed whose award may not exceed $1,000.

(b) “Collateral source” means a source of benefits or advantages for economic loss otherwise compensable that the victim or claimant has received or that is readily available to him or her from any of the following sources:

(1) The offender, including restitution received from the offender pursuant to an order by a court sentencing the offender or placing him or her on probation following a conviction in a criminal case arising from the criminally injurious act for which a claim for compensation is made;

(2) The government of the United States or its agencies, a state or its political subdivisions, or an instrumentality of two or more states;

(3) Social Security, Medicare, and Medicaid;
(4) State-required, temporary, nonoccupational disability insurance or other disability insurance;

(5) Workers’ compensation;

(6) Wage continuation programs of an employer;

(7) Proceeds of a contract of insurance payable to the victim or claimant for loss that was sustained because of the criminally injurious conduct;

(8) A contract providing prepaid hospital and other health care services or benefits for disability; and

(9) That portion of the proceeds of all contracts of insurance payable to the claimant on account of the death of the victim which exceeds $25,000.

(c) “Criminally injurious conduct” means conduct that occurs or is attempted in this state, or in any state not having a victim compensation program, which poses a substantial threat of personal injury or death and is punishable by fine or imprisonment. “Criminally injurious conduct” also includes criminally injurious conduct committed outside of the United States against a resident of this state. “Criminally injurious conduct” does not include conduct arising out of the ownership, maintenance, or use of a motor vehicle unless the person engaging in the conduct intended to cause personal injury or death or committed negligent homicide, driving under the influence of alcohol, controlled substances or drugs, leaving the scene of the accident, or reckless driving.

(d) “Dependent” means an individual who received over half of his or her support from the victim. For the purpose of making this determination there shall be taken into account the amount of support received from the victim as compared to the entire amount of support the individual received from all sources including self-support. The term support includes, but is not limited to, food, shelter, clothing, medical and dental care and education. The term
dependent includes a child of the victim born after his or her death.

(e) “Economic loss” means economic detriment consisting only of allowable expense, work loss, and replacement services loss. If criminally injurious conduct causes death, economic loss includes a dependents economic loss and a dependents replacement services loss. Noneconomic detriment is not economic loss; however, economic loss may be caused by pain and suffering or physical impairment. For purposes of this article, the term economic loss includes a lost scholarship as defined in this section.

(f) “Allowable expense” includes the following:

(1) Reasonable charges incurred or to be incurred for reasonably needed medical care, including products, services, and accommodations related to medical and psychological care, prosthetic devices, eye glasses, dentures, rehabilitation, and other remedial treatment and care but does not include that portion of a charge for a room in a hospital, clinic, convalescent home, nursing home, or other institution engaged in providing nursing care and related services which is in excess of a reasonable and customary charge for semiprivate accommodations unless accommodations other than semiprivate accommodations are medically required;

(2) A total charge not in excess of $10,000 for expenses in any way related to funerals, cremations and burials;

(3) Victim relocation costs not to exceed $2,500;

(4) Reasonable travel expenses not to exceed $1,000 for a claimant to attend court proceedings conducted for the prosecution of the offender;

(5) Reasonable travel expenses for a claimant to return a person who is a minor or incapacitated adult who has been unlawfully removed from this state to another state or
country if the removal constitutes a crime under the laws of
this state which may not exceed $2,000 for expenses to
another state or $3,000 to another country; and

(6) Reasonable travel expenses for the transportation of
a victim to and from a medical facility.

(g) “Work loss” means loss of income from work that
the injured person would have performed if he or she had
not been injured and expenses reasonably incurred or to be
incurred by him or her to obtain services in lieu of those he
or she would have performed for income. “Work loss” is
reduced by income from substitute work actually performed
or to be performed by him or her or by income he or she
would have earned in available appropriate substitute work
that he or she was capable of performing but unreasonably
failed to undertake. “Work loss” also includes loss of
income from work by the parent or legal guardian of a minor
victim who must miss work to take care of the minor victim.

(h) “Replacement services loss” means expenses
reasonably incurred or to be incurred in obtaining ordinary
and necessary services in lieu of those the injured person
would have performed for the benefit of himself or herself
or his or her family if he or she had not been injured.
“Replacement services loss” does not include services an
injured person would have performed to generate income.

(i) “Dependents’ economic loss” means loss after a
victim’s death of contributions or things of economic value
to his or her dependents but does not include services they
would have received from the victim if he or she had not
suffered the fatal injury. This amount is reduced by
expenses avoided by the dependent due to the victim’s
death.

(j) “Dependents’ replacement service loss” means loss
reasonably incurred or to be incurred by dependents after a
victim’s death in obtaining ordinary and necessary services
in lieu of those the victim would have performed for their
benefit if he or she had not suffered the fatal injury. This amount is reduced by expenses avoided due to the victim’s death but which are not already subtracted in calculating a dependent’s economic loss.

(k) “Victim” means the following:

A person who suffers personal injury or death as a result of any one of the following:

(A) Criminally injurious conduct;

(B) The good faith effort of the person to prevent criminally injurious conduct; or

(C) The good faith effort of the person to apprehend a person that the injured person has observed engaging in criminally injurious conduct or who the injured person has reasonable cause to believe has engaged in criminally injurious conduct immediately prior to the attempted apprehension.

(l) “Contributory misconduct” means any conduct of the claimant or of the victim through whom the claimant claims an award that is unlawful or intentionally tortious and that, without regard to the conduct’s proximity in time or space to the criminally injurious conduct, has a causal relationship to the criminally injurious conduct that is the basis of the claim and includes the voluntary intoxication of the claimant, either by the consumption of alcohol or the use of any controlled substance, when the intoxication has a causal connection or relationship to the injury sustained.

(m) “Lost scholarship” means a scholarship, academic award, stipend, student loan, or other monetary scholastic assistance which had been awarded, conferred upon, or obtained by a victim in conjunction with a post-secondary school educational program and which the victim is unable to receive or use, in whole or in part, due to injuries received from criminally injurious conduct.
§14-2A-14. Grounds for denial of claim or reduction of awards; maximum awards.

(a) Except as provided in §14-2A-10(b) of this code, the commissioner may not approve an award of compensation to a claimant who did not file his or her application for an award of compensation within two years after the date of the occurrence of the criminally injurious conduct that caused the injury or death for which he or she is seeking an award of compensation.

(b) The commissioner may not approve an award of compensation if the criminally injurious conduct upon which the claim is based was not reported to a law-enforcement officer or agency or, in the case of sexual offense, the victim did not undergo a forensic medical examination, within 96 hours after the occurrence of the conduct, unless it is determined that good cause existed for the failure to report the conduct or undergo a forensic medical examination within the 96-hour period: Provided,

That no reporting to a law-enforcement officer or agency or a forensic medical examination is required if the victim is a juvenile in order for a commissioner to approve an award of compensation: Provided, however, That the filing of a civil abuse and neglect petition in a circuit court satisfies the reporting requirement, thereby allowing the minor child who is the subject of the petition to file an application for benefits, with the claims process to proceed in accordance with this code. The agency filing the civil abuse and neglect petition shall file an application for benefits on behalf of the minor child.

(c) The commissioner may not approve an award of compensation to a claimant who is the offender or an accomplice of the offender who committed the criminally injurious conduct, nor to any claimant if the award would unjustly benefit the offender or his or her accomplice.

(d) A commissioner, upon a finding that the claimant or victim has not fully cooperated with appropriate law-
enforcement agencies or the claim investigator, may deny a claim, reduce an award of compensation, or reconsider a claim already approved.

(e) A commissioner may not approve an award of compensation if the injury occurred while the victim was confined in any state, county, or regional jail, prison, private prison, or correctional facility.

(f) After reaching a decision to approve an award of compensation, but prior to announcing the approval, the commissioner shall require the claimant to submit current information as to collateral sources on forms prescribed by the Clerk of the West Virginia Legislative Claims Commission. The commissioner shall reduce an award of compensation or deny a claim for an award of compensation that is otherwise payable to a claimant to the extent that the economic loss upon which the claim is based is or will be recouped from other persons, including collateral sources, or if the reduction or denial is determined to be reasonable because of the contributory misconduct of the claimant or of a victim through whom he or she claims. If an award is reduced or a claim is denied because of the expected recoupment of all or part of the economic loss of the claimant from a collateral source, the amount of the award or the denial of the claim shall be conditioned upon the claimant’s economic loss being recouped by the collateral source. Provided, That if it is thereafter determined that the claimant will not receive all or part of the expected recoupment, the claim shall be reopened and an award shall be approved in an amount equal to the amount of expected recoupment that it is determined the claimant will not receive from the collateral source, subject to the limitation set forth in subsection (g) of this section.

(g)(1) Except in the case of death, or as provided in subdivision (2) of this subsection, compensation payable to a victim and to all other claimants sustaining economic loss because of injury to that victim may not exceed $35,000 in the aggregate. Compensation payable to all claimants
because of the death of the victim may not exceed $50,000 in the aggregate.

(2) In the event the victim’s personal injuries are so severe as to leave the victim with a disability, as defined in Section 223 of the Social Security Act, as amended, as codified in 42 U. S. C. §423, the commission may award an additional amount, not to exceed $100,000, for special needs attributable to the injury.

(h) If an award of compensation of $5,000 or more is made to a minor, a guardian shall be appointed pursuant to the provisions of §44-10-1 et seq. of this code to manage the minor’s estate.

CHAPTER 47

(Com. Sub. for S. B. 529 - By Senator Trump)

[Passed March 7, 2020; in effect July 1, 2020.]
[Approved by the Governor on March 24, 2020.]

AN ACT to amend and reenact §14-2-13a of the Code of West Virginia, 1931, as amended; and to amend said code by adding thereto a new section, designated §14-2A-14a, all relating to establishing limitations on claims and benefits; establishing a two-year time limit for a claimant to file a claim for unjust arrest, conviction, or imprisonment; and establishing a 10-year limitation on eligibility to receive benefits under certain conditions.

Be it enacted by the Legislature of West Virginia:

ARTICLE 2. CLAIMS AGAINST THE STATE.

§14-2-13a. Claims for unjust arrest and imprisonment or conviction and imprisonment.
(a) Legislative intent. — The Legislature finds and declares that innocent persons who have been wrongly convicted of crimes and subsequently imprisoned and innocent persons wrongly arrested, charged with a crime, or imprisoned, who have subsequently been released when another person was arrested, prosecuted, and convicted of the same criminal offense have been frustrated in seeking legal redress due to a variety of substantive and technical obstacles in the law and that affected persons should have an available avenue of redress over and above the existing tort remedies. Therefore, the Legislature intends by enactment of the provisions of this section that those innocent persons who can demonstrate that they were wrongly arrested and imprisoned or unjustly convicted and imprisoned are able to seek damages against the state for loss of liberty.

(b) Notice of claim. — The claimants notice of claim shall state facts in sufficient detail to permit the court to find that a claimant is likely to succeed at a trial on the merits. If the court finds in its discretion after reviewing a claim that the claimant has failed to allege sufficient facts upon which relief can be granted, the court may dismiss the claim, either on its own motion or by a motion of the state. Any claimant filing a claim under this article shall file his or her claim within two years of the date of the final order vacating the claimant’s conviction, a pardon was granted, or the dismissal of the accusatory instrument.

(c) Burden of proof. — A claimant shall demonstrate by clear and convincing evidence that they were unjustly arrested and imprisoned or unjustly convicted and imprisoned, and the court shall, in the interest of justice, give due consideration to difficulties of proof caused by the passage of time, the death or unavailability of witnesses, the destruction of evidence, or other factors not caused by such persons or those acting on their behalf. Specifically, the following shall be proven by clear and convincing evidence:
(1) (A) The claimant has been convicted of one or more felonies or misdemeanors against the state and subsequently sentenced to a term of confinement, and has served all or any part of the sentence; or

(B) The claimant has been arrested and confined, and charged by warrant, information, or any other accusatory instrument for one or more felonies or misdemeanors, and that the charges were dismissed against the claimant; and

(2) (A) The claimant has been pardoned upon the ground of innocence of the crime or crimes for which the claimant was sentenced and which are the grounds for the complaint; or

(B) The claimant’s judgment of conviction was reversed or vacated, and the accusatory instrument dismissed or, if a new trial was ordered, either the claimant was found not guilty at the new trial or the claimant was not retried and the accusatory instrument dismissed.

(d) Type of relief granted and the claimant’s burden to prove damages. — If the court finds that the claimant is entitled to a judgment, the court shall award damages in a sum of money as the court determines will fairly and reasonably compensate the claimant based upon the sufficiency of the claimant’s proof at trial. The damages shall depend upon the unique facts and circumstances of each claim. The claimant shall bear the ultimate burden of proving all damages associated with the claimant’s claim.

ARTICLE 2A. COMPENSATION AWARDS TO VICTIMS OF CRIMES.

§14-2A-14a. Establishing a limitation on benefits.

All claims shall be considered closed and no longer eligible for benefits at the expiration of available benefits or 10 years after filing the claim, whichever occurs first: Provided, That this provision shall not apply to claimants or victims receiving benefits under §14-2A-14(g)(2) of this code.
AN ACT finding and declaring certain claims against the state and its agencies to be moral obligations of the state; and directing the Auditor to issue warrants for the payment thereof.

CHAPTER 49

(H. B. 4582 - By Delegates Criss, Pack, Hardy, Bates, Pethtel, Barrett, Hartman and Williams)

[Passed February 29, 2020; in effect from passage.]
[Approved by the Governor on March 25, 2020.]

AN ACT recognizing and declaring certain claims against agencies of the state to be moral obligations of the state; and directing the Auditor to issue warrants for the payment thereof.

Be it enacted by the Legislature of West Virginia:

CLAIMS AGAINST THE STATE.
§1. Finding and declaring certain claims against the Department of Health and Human Resources to be moral obligations of the state and directing payments thereof.

The Legislature has heretofore made findings of fact that the state has received the benefit of the commodities received and/or services rendered by certain claimants herein and has considered these claims against the state, and agency thereof, which have arisen due to over-expenditures of the departmental appropriations by officers of the state spending units, the claims having been previously considered by the Legislative Claims Commission which also found that the state has received the benefit of the commodities received and/or services rendered by the claimants, but were denied by the Legislative Claims Commission on the purely statutory grounds that to allow the claims would be condoning illegal acts contrary to the laws of the state. The Legislature, pursuant to its findings of fact and also by the adoption of the findings of fact by the Legislative Claims Commission as its own, while not condoning such illegal acts, hereby declares it to be the moral obligation of the state to pay these claims in the amounts specified below and directs the Auditor to issue warrants upon receipt of properly executed requisitions supported by itemized invoices, statements, or other satisfactory documents as required by §12-3-10 of the Code of West Virginia, 1931, as amended, for the payments thereof out of any fund appropriated and available for the purpose.

preparedness has been declared by the Governor or by the Legislature pursuant to the provisions of §15-5-6 of this code.

(m) “Transportation, freight, and storage services” means any service that is performed by any company that contracts to move, store, or transport personal or business property, or rents equipment or storage space for those purposes.

(a) Upon the declaration of a state of emergency or state of preparedness, and continuing for the existence of the state of emergency or state of preparedness, or for 30 days following the declaration, whichever period is longer, it is unlawful for any person, contractor, business, or other entity to sell or offer to sell to any person in the area subject to the declaration any consumer food items, essential consumer items, goods used for emergency cleanup, emergency supplies, medical supplies, home heating oil, building materials, housing, transportation, freight and storage services, or gasoline or other motor fuels, for a price greater than 10 percent above the price charged by that person for those goods or services on the 10th day immediately preceding the declaration of emergency state of preparedness, unless the increase in price is directly attributable to additional costs imposed on the seller by the supplier of the goods or directly attributable to additional costs for labor or materials used to provide the services: Provided, That in those situations where the increase in price is attributable to additional costs imposed by the seller’s supplier or additional costs of providing the good or service during the state of emergency or state of preparedness, the price is no greater than 10 percent above the total of the cost to the seller plus the markup customarily applied by the seller for that good or service in the usual course of business on the 10th day immediately preceding the declaration: Provided, however, That where a supplier of gasoline or other motor fuels cannot determine its daily
costs, the supplier may sell gasoline or other motor fuels to
distributers on any day at a rate not to exceed the average of
the Oil Price Information Service’s average wholesale rack
price for that product at the Montvale/Roanoke, Virginia,
Fairfax, Virginia, and Pittsburgh, Pennsylvania, wholesale
racks for the previous day.

(b) Upon the declaration of a state of emergency or state
of preparedness, and for a period of 180 days following that
declaration, it is unlawful for any contractor to sell or offer
to sell any repair or reconstruction services or any services
used in emergency cleanup in the area subject to the
declaration for a price greater than 10 percent above the
price charged by that person for those services on the 10th
day immediately preceding the declaration, unless the
increase in price was directly attributable to additional costs
imposed on it by the supplier of the goods or directly
attributable to additional costs for labor or materials used to
provide the services: Provided, That in those situations
where the increase in price is attributable to the additional
costs imposed by the contractor’s supplier or additional
costs of providing the service, the price is no greater than 10
percent above the total of the cost to the contractor plus the
markup customarily applied by the contractor for that good
or service in the usual course of business on the 10th day
immediately preceding to the declaration of the state of
emergency or state of preparedness.

(c) Any business offering an item for sale at a reduced
price 10 days immediately prior to the declaration of the
state of emergency or state of preparedness may use the
price at which it usually sells the item to calculate the price
pursuant to subsection (a) or (b) of this section.

(d) Whenever the Governor declares a state of
preparedness, the provisions of this article only apply to
those items or services specifically set forth in the
proclamation.
(e) On the 15th day after the declaration of a state of emergency, and each 15th day thereafter for so long as the state of emergency persists, the Governor shall review the scope of goods to which this article applies and may issue a proclamation maintaining, limiting, terminating, or extending the price restrictions imposed by this article with respect to any categories of goods.

[Approved by the Governor on March 24, 2020.]

AN ACT to amend and reenact §60A-2-201 of the Code of West Virginia, 1931, as amended, relating to drugs; providing for the sale, wholesale, distribution, or prescribing of nabiximols in a product approved by the Food and Drug Administration; and providing that nabiximols shall be placed on the schedules of controlled substances or descheduled as provided by the Drug Enforcement Administration.

Be it enacted by the Legislature of West Virginia:

ARTICLE 2. STANDARDS AND SCHEDULES.

§60A-2-201. Authority of Board of Pharmacy; recommendations to Legislature.
(a) The Board of Pharmacy shall administer the provisions of this chapter. It shall also, on the first day of each regular legislative session, recommend to the Legislature which substances should be added to or deleted from the schedules of controlled substances contained in this article or reschedule therein. The Board of Pharmacy shall also have the authority between regular legislative sessions, on an emergency basis, to add to or delete from the schedules of controlled substances contained in this article or reschedule such substances based upon the recommendations and approval of the federal food, drug and cosmetic agency, and shall report such actions on the first day of the regular legislative session immediately following said actions.

In making any such recommendation regarding a substance, the Board of Pharmacy shall consider the following factors:

schedule has a potential for abuse, it shall recommend to the Legislature that the substance be added to the appropriate schedule. If it finds that any substance already controlled under any schedule should be rescheduled or deleted, it shall so recommend to the Legislature.

(c) If the Board of Pharmacy designates a substance as an immediate precursor, substances which are precursors of the controlled precursor shall not be subject to control solely because they are precursors of the controlled precursor.

(d) If any substance is designated, rescheduled or deleted as a controlled substance under federal laws and notice thereof is given to the Board of Pharmacy, the board shall recommend similar control of such substance to the Legislature, specifically stating that such recommendation is based on federal action and the reasons why the federal government deemed such action necessary and proper.

(e) The authority vested in the board by subsection (a) of this section shall not extend to distilled spirits, wine, malt beverages or tobacco as those terms are defined or used in other chapters of this code nor to any nonnarcotic substance if such substance may under the “Federal Food, Drug and Cosmetic Act” and the law of this state lawfully be sold over the counter without a prescription.

(f) Notwithstanding any provision of this chapter to the contrary, the sale, wholesale, distribution or prescribing of a cannabidiol or nabiximols in a product approved by the Food and Drug Administration is permitted and shall be placed on the schedule or descheduled as provided for by the Drug Enforcement Administration.

consecutively. A person sentenced under this program may be required to provide his or her own transportation to and from the work site, lunch, and work clothes; or

(b) In no event may the duration of the alternate sentence exceed the maximum period of incarceration otherwise allowed.

(c) In imposing a sentence under the provisions of this section, the court shall first make the following findings of fact and incorporate them into the court’s sentencing order:

(1) The person sentenced was not convicted of an offense for which a mandatory period of confinement is imposed by statute;

(2) In circuit court cases, that the person sentenced is not a habitual criminal within the meaning of §61-11-18 and §61-11-19 of this code;

(3) In circuit court cases, that the offense underlying the sentence is not a felony offense for which violence or the threat of violence to the person is an element of the offense;

(4) In circuit court cases, that adequate facilities for the administration and supervision of alternative sentencing programs are available through the court’s probation officers or the county sheriff or, in magistrate court cases, that adequate facilities for the administration and supervision of alternative sentencing programs are available through the county sheriff; and

(5) That an alternative sentence under provisions of this article will best serve the interests of justice.

(d) A person sentenced by the circuit court under the provisions of this article remains under the administrative custody and supervision of the court’s probation officers or the county sheriff. A person sentenced by a magistrate remains under the administrative custody and supervision of the county sheriff. A person sentenced by a municipal judge
would be under the supervision of the city department for whom work is performed.

(e) A person sentenced under the provisions of this section may be required to pay the costs of his or her incarceration, including meal costs: *Provided*, That the judge or magistrate considers the person’s ability to pay the costs.

(f) A person sentenced under the provisions of this section remains under the jurisdiction of the court. The court may withdraw any alternative sentence at any time by order entered with or without notice and require that the remainder of the sentence be served in the county jail, a regional jail or a state correctional facility: *Provided*, That no alternative sentence directed by the sentencing judge or magistrate or administered under the supervision of the sheriff, his or her deputies, a jailer, or a guard may require the convicted person to perform duties which would be considered detrimental to the convicted person’s health as attested to by a physician.

(g) No provision of this section may be construed to limit a circuit judge’s ability to impose a period of supervision or participation in a community corrections program created pursuant to §62-11C-1 *et seq.* of this code, except that a person sentenced to a day report center must be identified as moderate to high risk of reoffending and moderate to high criminogenic need, as defined by the standardized risk and needs assessment adopted by the Supreme Court of Appeals of West Virginia under §62-12-6(d)* of this code, and applied by a probation officer or day report staff: *Provided*, That a judge may impose a period of supervision or participation in a day report center, notwithstanding the results of the standardized risk and needs assessment, upon making specific written findings of fact as to the reason for departing from the requirements of this section.

*NOTE:* Correction of apparent word to number translation error.
(h) Magistrates may only impose a period of participation in a day report center with the consent by general administrative order of the supervising judge or chief judge of the judicial circuit in which he or she presides. The day report center staff shall determine which services a person receives based on the results of the standardized risk and needs assessment adopted by the Supreme Court of Appeals of West Virginia under §62-12-6(d)* of this code, along with any other conditions of supervision set by the court.

(i) There is hereby authorized a program whereby a sentenced person in a regional jail or state correctional facility may be assigned to participate in performing requested tasks approved by the commissioner for municipal, county, and state agencies that could use such services as cleaning up streams, state parks, streets and highways, and similar services.

(S. B. 620 - By Senators Clements, Trump, Baldwin and Weld)

[Passed February 19, 2020; in effect ninety days from passage.]
[Approved by the Governor on March 5, 2020.]

AN ACT to amend and reenact §62-12-13 of the Code of West Virginia, 1931, as amended; and to amend said code by adding thereto a new section, designated §62-12-13c, all relating to authorizing the Commissioner of the Division of Corrections and Rehabilitation to approve home plans for inmates; authorizing the Commissioner of the Division of Corrections and Rehabilitation to establish a nonviolent offense parole program; establishing eligibility requirements for said program; clarifying that inmates released under said program

*NOTE: Correction of apparent word to number translation error.
are subject to the same conditions of release and sanctions; clarifying that inmate’s failing to successfully complete the rehabilitation treatment program are ineligible for release; and clarifying that inmates not otherwise released may be eligible for said program at the time of successful completion of the rehabilitation treatment program.

*Be it enacted by the Legislature of West Virginia:*

**ARTICLE 12. PROBATION AND PAROLE.**

§62-12-13. Powers and duties of board; eligibility for parole; procedure for granting parole.

(a) The Parole Board, whenever it is of the opinion that the best interests of the state and of the inmate will be served, and subject to the limitations provided in this section, shall release any inmate on parole for terms and upon conditions provided by this article.

(b) Any inmate of a state correctional institution is eligible for parole if he or she:

(1) (A) Has served the minimum term of his or her indeterminate sentence or has served one fourth of his or her definite term sentence, as the case may be; or

(B) He or she has applied for and been accepted by the Commissioner of Corrections and Rehabilitation into an accelerated parole program. To be eligible to participate in an accelerated parole program, the commissioner must determine that the inmate:

(i) Does not have a prior criminal conviction for a felony crime of violence against the person, a felony offense involving the use of a firearm, or a felony offense where the victim was a minor child;

(ii) Is not serving a sentence for a crime of violence against the person, or more than one felony for a controlled substance offense for which the inmate is serving a consecutive sentence, a felony offense involving the use of
a firearm, or a felony offense where the victim was a minor child; and

(iii) Has successfully completed a rehabilitation treatment program created with the assistance of a standardized risk and needs assessment.

(C) Notwithstanding any provision of this code to the contrary, any inmate who committed, or attempted to commit, a felony with the use, presentment, or brandishing of a firearm is not eligible for parole prior to serving a minimum of three years of his or her sentence or the maximum sentence imposed by the court, whichever is less: Provided, That any inmate who committed, or attempted to commit, any violation of §61-2-12 of this code, with the use, presentment, or brandishing of a firearm, is not eligible for parole prior to serving a minimum of five years of his or her sentence or one third of his or her definite term sentence, whichever is greater. Nothing in this paragraph applies to an accessory before the fact or a principal in the second degree who has been convicted as if he or she were a principal in the first degree if, in the commission of or in the attempted commission of the felony, only the principal in the first degree used, presented, or brandished a firearm. An inmate is not ineligible for parole under the provisions of this paragraph because of the commission or attempted commission of a felony with the use, presentment, or brandishing of a firearm unless that fact is clearly stated and included in the indictment or presentment by which the person was charged and was either: (i) Found guilty by the court at the time of trial upon a plea of guilty or nolo contendere; (ii) found guilty by the jury upon submitting to the jury a special interrogatory for such purpose if the matter was tried before a jury; or (iii) found guilty by the court if the matter was tried by the court without a jury.

(D) The amendments to this subsection adopted in the year 1981:
(i) Apply to all applicable offenses occurring on or after August 1 of that year;

(ii) Apply with respect to the contents of any indictment or presentment returned on or after August 1 of that year irrespective of when the offense occurred;

(iii) Apply with respect to the submission of a special interrogatory to the jury and the finding to be made thereon in any case submitted to the jury on or after August 1 of that year or to the requisite findings of the court upon a plea of guilty or in any case tried without a jury: Provided, That the state gives notice in writing of its intent to seek such finding by the jury or court, as the case may be. The notice shall state with particularity the grounds upon which the finding will be sought as fully as the grounds are otherwise required to be stated in an indictment, unless the grounds upon which the finding will be sought are alleged in the indictment or presentment upon which the matter is being tried;

(iv) Does not apply with respect to cases not affected by the amendments and in those cases the prior provisions of this section apply and are construed without reference to the amendments; and

(v) Insofar as the amendments relate to mandatory sentences restricting the eligibility for parole, all matters requiring a mandatory sentence shall be proved beyond a reasonable doubt in all cases tried by the jury or the court.

(E) As used in this section, “felony crime of violence against the person” means felony offenses set forth in §61-2-1 et seq., §61-3E-1 et seq., §61-8B-1 et seq., or §61-8D-1 et seq. of this code.

(F) As used in this section, “felony offense where the victim was a minor child” means any felony crime of violence against the person and any felony violation set forth in §61-8-1 et seq., §61-8A-1 et seq., §61-8C-1 et seq., or §61-8D-1 et seq. of this code.
(G) For the purpose of this section, the term “firearm” means any instrument which will, or is designed to, or may readily be converted to, expel a projectile by the action of an explosive, gunpowder, or any other similar means;

(2) Is not in punitive segregation or administrative segregation as a result of disciplinary action;

(3) Has prepared and submitted to the Parole Board a written parole release plan setting forth proposed plans for his or her place of residence, employment and, if appropriate, his or her plans regarding education and post-release counseling and treatment which has been approved by the Division of Corrections and Rehabilitation:

Provided, That an inmate’s application for parole may be considered by the board without the prior submission of a home plan, but the inmate shall have a home plan approved by the division prior to his or her release on parole. The Commissioner of the Division of Corrections and Rehabilitation, or his or her designee, shall review and investigate the plan and provide findings to the board as to the suitability of the plan: Provided, however, That in cases in which there is a mandatory 30-day notification period required prior to the release of the inmate, pursuant to §62-12-23 of this code, the board may conduct an initial interview and deny parole without requiring the development of a plan. In the event the board believes parole should be granted, it may defer a final decision pending completion of an investigation and receipt of the commissioner’s findings. Upon receipt of the plan, together with the investigation and findings, the board, through a panel, shall make a final decision regarding the granting or denial of parole; and

(4) Has satisfied the board that if released on parole he or she will not constitute a danger to the community.

(c) Except in the case of an inmate serving a life sentence, a person who has been previously twice convicted of a felony may not be released on parole until he or she has
served the minimum term provided by law for the crime for which he or she was convicted. An inmate sentenced for life may not be paroled until he or she has served 10 years, and an inmate sentenced for life who has been previously twice convicted of a felony may not be paroled until he or she has served 15 years: Provided, That an inmate convicted of first degree murder for an offense committed on or after June 10, 1994, is not eligible for parole until he or she has served 15 years.

(d) In the case of an inmate sentenced to a state correctional facility regardless of the inmate’s place of detention or incarceration, the Parole Board, as soon as that inmate becomes eligible, shall consider the advisability of his or her release on parole.

(e) If, upon consideration, parole is denied, the board shall promptly notify the inmate of the denial. The board shall, at the time of denial, notify the inmate of the month and year he or she may apply for reconsideration and review. The board shall at least once a year reconsider and review the case of every inmate who was denied parole and who is still eligible: Provided, That the board may reconsider and review parole eligibility any time within three years following the denial of parole of an inmate serving a life sentence with the possibility of parole.

(f) Any inmate in the custody of the commissioner for service of a sentence who reaches parole eligibility is entitled to a timely parole hearing without regard to the location in which he or she is housed.

(g) The board shall, with the approval of the Governor, adopt rules governing the procedure in the granting of parole. No provision of this article and none of the rules adopted under this article are intended or may be construed to contravene, limit, or otherwise interfere with or affect the authority of the Governor to grant pardons and reprieves, commute sentences, remit fines, or otherwise exercise his or her constitutional powers of executive clemency.
(h) (1) The Division of Corrections and Rehabilitation shall promulgate policies and procedures for developing a rehabilitation treatment plan created with the assistance of a standardized risk and needs assessment. The policies and procedures shall provide for, at a minimum, screening and selecting inmates for rehabilitation treatment and development, using standardized risk and needs assessment and substance abuse assessment tools, and prioritizing the use of residential substance abuse treatment resources based on the results of the standardized risk and needs assessment and a substance abuse assessment. The results of all standardized risk and needs assessments and substance abuse assessments are confidential.

(2) An inmate shall not be paroled under paragraph (B), subdivision (1), subsection (b) of this section solely due to having successfully completed a rehabilitation treatment plan, but completion of all the requirements of a rehabilitation treatment plan along with compliance with the requirements of subsection (b) of this section creates a rebuttable presumption that parole is appropriate. The presumption created by this subdivision may be rebutted by a Parole Board finding that, according to the standardized risk and needs assessment, at the time parole release is sought the inmate still constitutes a reasonable risk to the safety or property of other persons if released. Nothing in subsection (b) of this section or in this subsection may be construed to create a right to parole.

(i) Notwithstanding the provisions of subsection (b) of this section, the Parole Board may grant or deny parole to an inmate against whom a detainer is lodged by a jurisdiction other than West Virginia for service of a sentence of incarceration, upon a written request for parole from the inmate. A denial of parole under this subsection precludes consideration for parole for a period of one year or until the provisions of subsection (b) of this section are applicable.
(j) If an inmate is otherwise eligible for parole pursuant to subsection (b) of this section, and has completed the rehabilitation treatment program required under subdivision (1), subsection (h) of this section, the Parole Board may not require the inmate to participate in an additional program, but may determine that the inmate must complete an assigned task or tasks prior to actual release on parole. The board may grant parole contingently, effective upon successful completion of the assigned task or tasks, without the need for a further hearing.

(k) (1) The Division of Corrections and Rehabilitation shall supervise all probationers and parolees whose supervision may have been undertaken by this state by reason of any interstate compact entered into pursuant to the Uniform Act for Out-of-State Parolee Supervision.

(2) The Division of Corrections and Rehabilitation shall provide supervision, treatment/recovery, and support services for all persons released to mandatory supervision under §15A-4-17 of this code.

(l) (1) When considering an inmate of a state correctional facility for release on parole, the Parole Board panel considering the parole shall have before it an authentic copy of, or report on, the inmate’s current criminal record as provided through the West Virginia State Police, the United States Department of Justice, or any other reliable criminal information sources and written reports of the superintendent of the state correctional institution to which the inmate is sentenced:

(A) On the inmate’s conduct record while in custody, including a detailed statement showing any and all infractions of disciplinary rules by the inmate and the nature and extent of discipline administered for the infractions;

(B) On the inmate’s industrial record while in custody which shall include: The nature of his or her work, occupation or education, the average number of hours per
day he or she has been employed or in class while in custody
and a recommendation as to the nature and kinds of
employment which he or she is best fitted to perform and in
which the inmate is most likely to succeed when he or she
leaves the state correctional institution; and

(C) On any physical, mental, psychological, or
psychiatric examinations of the inmate.

(2) The Parole Board panel considering the parole may
waive the requirement of any report when not available or
not applicable as to any inmate considered for parole but, in
every case, shall enter in its record its reason for the waiver:
Provided, That in the case of an inmate who is incarcerated
because the inmate has been found guilty of, or has pleaded
guilty to, a felony under the provisions of §61-8-12 of this
code or under the provisions of §61-8B-1 et seq. or §61-8C-
et seq. of this code, the Parole Board panel may not waive
the report required by this subsection. The report shall
include a study and diagnosis of the inmate, including an
on-going treatment plan requiring active participation in
sexual abuse counseling at an approved mental health
facility or through some other approved program: Provided,
however, That nothing disclosed by the inmate during the
study or diagnosis may be made available to any law-
enforcement agency, or other party without that inmate’s
consent, or admissible in any court of this state, unless the
information disclosed indicates the intention or plans of the
parolee to do harm to any person, animal, institution, or to
property. Progress reports of outpatient treatment are to be
made at least every six months to the parole officer
supervising the parolee. In addition, in such cases, the
Parole Board shall inform the prosecuting attorney of the
county in which the person was convicted of the parole
hearing and shall request that the prosecuting attorney
inform the Parole Board of the circumstances surrounding a
conviction or plea of guilty, plea bargaining, and other
background information that might be useful in its
deliberations.
Before releasing any inmate on parole, the Parole Board shall arrange for the inmate to appear in person before a Parole Board panel and the panel may examine and interrogate him or her on any matters pertaining to his or her parole, including reports before the Parole Board made pursuant to the provisions of this section: Provided, That an inmate may appear by video teleconference if the members of the Parole Board panel conducting the examination are able to contemporaneously see the inmate and hear all of his or her remarks and if the inmate is able to contemporaneously see each of the members of the panel conducting the examination and hear all of the members’ remarks: Provided, however, That the requirement that an inmate personally appear may be waived where a physician authorized to do so by the Commissioner of the Division of Corrections and Rehabilitation certifies that the inmate, due to a medical condition or disease, is too debilitated, either physically or cognitively, to appear. The panel shall reach its own written conclusions as to the desirability of releasing the inmate on parole and the majority of the panel considering the release must concur in the decision. The superintendent shall furnish all necessary assistance and cooperate to the fullest extent with the Parole Board. All information, records, and reports received by the Parole Board shall be kept on permanent file.

The Parole Board and its designated agents are at all times to have access to inmates imprisoned in any state correctional facility or in any jail in this state and may obtain any information or aid necessary to the performance of its duties from other departments and agencies of the state or from any political subdivision of the state.

The Parole Board shall, if requested by the Governor, investigate and consider all applications for pardon, reprieve, or commutation and shall make recommendation on the applications to the Governor.

Prior to making a recommendation for pardon, reprieve or commutation, the board shall notify the
sentencing judge and prosecuting attorney at least ten days before the recommendation.

(q) A parolee shall participate as a condition of parole in the litter control program of the county to which he or she is released to the extent directed by the Parole Board, unless the board specifically finds that this alternative service would be inappropriate.

§62-12-13c. Authority of commissioner to establish a nonviolent offense parole program.

(a) The commissioner is authorized to establish a nonviolent offense parole program for any inmate of a state correctional facility in which an inmate may be paroled without action of the Parole Board based upon objective standards as set forth in this section, to commence on July 1, 2021.

(b) Notwithstanding any provision of this code to the contrary, any inmate of a state correctional facility is eligible for parole under the nonviolent offense parole program if:

(1) He or she has served at least the minimum term of his or her sentence and is eligible for parole as determined by the parole board; and

(2) He or she qualifies for the nonviolent offense parole program as authorized by this section.

(c) To qualify for the nonviolent offense parole program, the commissioner must determine that the inmate:

(1) Is not serving a sentence for a crime of violence against the person, crime of violence against an animal, or felony for a controlled substance offense which involves actual or threatened violence to a person, a felony offense involving the use of a firearm, or a felony offense where the victim was a minor child;
(2) Has successfully completed an individualized rehabilitation treatment program as determined by the division; and

(3) Has otherwise satisfied the requirements for parole eligibility set forth in §62-12-13 of this code.

d) Any person released under the nonviolent offense parole program shall be subject to all conditions of release and sanctions for violations applicable to persons released on parole by the Parole Board, and all parole revocations of persons granted parole pursuant to this section shall be heard in accordance with the provisions of §62-12-19 of this code.

e) The nonviolent offense parole program authorized by subsection (a) of this section requires no action by the Parole Board as to the release decision if the inmate qualifies for the program and has successfully completed his or her rehabilitation treatment program as determined by the commissioner.

f) The commissioner shall develop a policy directive setting forth the processes and procedures to determine successful completion of the rehabilitation treatment program and to provide notice to the inmate. If the inmate fails to successfully complete his or her rehabilitation treatment program, his or her parole shall be determined in accordance with the provisions of §62-12-13 of this code. An inmate who has been denied parole pursuant to the provisions of §62-12-13 of this code and who thereafter successfully completes his or her rehabilitation treatment program prior to his or her next parole review shall be eligible for release under the nonviolent offense parole program within a reasonable time after he or she may successfully complete such program as determined by the commissioner, provided the inmate remains qualified for release under the nonviolent offense parole program.

[Approved by the Governor on March 24, 2020.]

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section, designated §15A-5-10, relating to requiring that successful completion of the Getting Over Addicted Lifestyles Successfully Program be deemed as successful completion of the Division of Motor Vehicles’ DUI Safety and Treatment Program; requiring the Division of Corrections and Rehabilitation to provide each individual that completes the Getting Over Addicted Lifestyles Successfully Program with a certificate of completion; and requiring the Division of Motor Vehicles to accept the certificate of completion as evidence of completion of the DUI Safety and Treatment Program.

The Commissioner of the Division of Corrections and Rehabilitation shall provide each individual that completes the Getting Over Addictive Lifestyles Successfully Program with a certificate of completion. Upon completion of the Getting Over Addictive Lifestyles Successfully Program, the individual shall provide the certificate of completion to the Division of Motor Vehicles. CHAPTER 15A. DEPARTMENT OF MILITARY AFFAIRS AND PUBLIC SAFETY.

ARTICLE 5. BUREAU OF PRISONS AND JAILS.

(a) Notwithstanding any other provision of this code, the commissioner, or any employee or agent of the division, having authority to accept offenders in a jail is not required to accept those offenders if an offender appears to be in need of medical attention of a degree necessitating treatment by a physician. If an offender is refused pursuant to the provisions of this section, he or she may not be accepted for detention until a written clearance is received from a licensed physician reflecting that the offender has been examined and if necessary treated, and which states that it is the physician’s medical opinion that the offender can be safely housed in a jail.

(b) Notwithstanding the provisions of subsection (a) of this section, the division, the commissioner, or any employee or agent of the division, may accept an offender into custody who appears to be in need of medical attention of a degree necessitating treatment by a licensed medical professional, who refuses a medical examination or medical treatment to a licensed medical professional, and is immune from civil or criminal liability for accepting the person into custody.

CHAPTER 62. CRIMINAL PROCEDURE.

ARTICLE 1C. BAIL.

§62-1C-14. Bailpiece; issuance to surety; taking accused into custody.

(a) A bailpiece is a certificate stating that the bail became such for the accused in a particular case and the amount thereof. Upon demand therefor, the court, magistrate, or clerk shall issue to the bail bondsperson a bailpiece. Any officer having authority to execute a warrant
of arrest shall assist the bail bondsperson holding such bailpiece to take the accused into custody and produce him or her before the court or magistrate. The bail bondsperson may take the accused into custody and surrender him or her to the court or magistrate without such bailpiece.

(b) If bailpiece is inaccessible due to unavailability of the court’s circuit clerk or magistrate, the bail bondsperson, or his or her designee, can take an offender to a regional jail without bailpiece, and the jail must accept the offender, provided:

1. The bail bondsperson, or his or her designee, delivering an offender to a jail without a bailpiece issued by the court’s circuit clerk or magistrate appears on the registered list maintained at the jails and approved by the court of original jurisdiction;

2. The bail bondsperson signs an agreement provided by the jail indicating that the offender has been booked in lieu of bailpiece. Such agreement shall contain a clause indicating the incarceration of such offender is lawful and that the jail accepting the offender shall be held harmless from any claims of illegal incarceration or other relative charges; thereby, such bail bondsperson assumes the risk and liability of such incarceration; and

3. Bailpiece must be applied for by the bail bondsperson or his or her designee from the court’s circuit clerk or magistrate and hand-delivered by the bail bondsperson or his or her designee to the jail housing such offender on the next judicial day following the initial intake.

(c) Any bail bondsperson who willfully fails to attempt to obtain the appropriate bailpiece within the allotted time period provided in subsection (b) of this section is guilty of a misdemeanor and, upon conviction thereof, shall be prohibited from continuing to conduct business in this state and shall be fined not more than $1,000 and confined in the regional jail not more than one year.
(d) No officer, jailer, or other person having authority to accept offenders in a regional jail is required to accept such offenders being housed in lieu of bailpiece except as set forth in §15A-5-9 of this code.

(e) The Division of Corrections and Rehabilitation, the county sheriff, county commission, or any of their agents or employees, shall be immune from liability for any claims of illegal incarceration or other relative charges for any offender accepted into a facility under this section.

ARTICLE 6. MISCELLANEOUS PROVISIONS CONCERNING CRIMINAL PROCEDURES.

§62-6-6a. Disposition of prisoners.

[Repealed]
§62-8-1. Offenses by inmates; conspiracy.

(a) A person imprisoned or otherwise in the custody of the Commissioner of Corrections and Rehabilitation is guilty of a felony if he or she kills, wounds, or inflicts other bodily injury upon any person at any correctional facility; or breaks, cuts, or injures, or sets fire to any building, fixture, or fastening of any correctional facility, or jail or any part thereof, for the purpose of escaping or aiding any other inmate to escape therefrom, or renders any correctional facility or jail less secure as a place of confinement; or makes, procures, secretes, or has in his or her possession, any instrument, tool, or other thing for such purpose, or with intent to kill, wound, or inflict bodily injury; or resists the lawful authority of an officer or guard of any correctional facility or jail for such purpose or with such intent. Any three or more inmates confined, or in custody, who conspire together to commit any offense mentioned in this section are each guilty of a felony.

(b) Any person in the custody of the Commissioner of Corrections and Rehabilitation who commits an act of bodily intrusion is guilty of a felony and, upon conviction thereof, shall be imprisoned for not less than one year nor more than five years. As used in this subsection “bodily intrusion” means penetration, however slight, of the anus of a male or female or the sex organ of a female without his or her consent by means of forcible compulsion and for reasons other than the sexual gratification of either person.
AN ACT to amend and reenact §8-12-5a of the Code of West Virginia, 1931, as amended, relating to prohibiting municipalities from limiting in any manner inconsistent with or in conflict with state law, the rights of persons to purchase, possess, transfer, own, carry, transport, sell, or store deadly weapons, firearms, or pepper spray; defining terms; extending restrictions on municipal regulation of firearms to pepper spray and deadly weapons; removing authority of municipalities to prohibit possession of deadly weapons or pepper spray in areas where temporary events are held; and limiting award of attorney’s fees and costs to petitioners prevailing in certain actions.

Be it enacted by the Legislature of West Virginia:

ARTICLE 12. GENERAL AND SPECIFIC POWERS, DUTIES, AND ALLIED RELATIONS OF MUNICIPALITIES, GOVERNING BODIES, AND MUNICIPAL OFFICERS AND EMPLOYEES; SUITS AGAINST MUNICIPALITIES.

§8-12-5a. Limitations upon municipalities’ power to restrict the purchase, possession, transfer, ownership, carrying, transport, sale, and storage of certain weapons and ammunition.
(a) Neither a municipality nor the governing body of any municipality may, by ordinance or otherwise, limit the right of any person to purchase, possess, transfer, own, carry, transport, sell, or store any deadly weapon, firearm, or pepper spray, or any ammunition or ammunition components to be used therewith nor to so regulate the keeping of gunpowder so as to directly or indirectly prohibit the ownership of the ammunition in any manner inconsistent with or in conflict with state law.

(b) For the purposes of this section:

(1) “Deadly weapon” has the meaning provided in §61-7-2 of this code.

(2) “Firearm” has the meaning provided in §61-7-2 of this code.

(3) “Municipally owned or operated building” means any building that is used for the business of the municipality, such as a courthouse, city hall, convention center, administrative building, or other similar municipal building used for a municipal purpose permitted by state law: Provided, That “municipally owned or operated building” does not include a building owned by a municipality that is leased to a private entity where the municipality primarily serves as a property owner receiving rental payments.

(4) “Municipally owned recreation facility” means any municipal swimming pool, recreation center, sports facility, facility housing an after-school program, or other similar facility where children are regularly present.

(5) “Pepper spray” means a temporarily disabling aerosol that is composed partly of capsicum oleoresin and causes irritation, blinding of the eyes, and inflammation of the nose, throat, and skin that is intended for self-defense use.
(c)(1) A municipality may enact and enforce an ordinance or ordinances that prohibit or regulate the carrying or possessing of a deadly weapon, firearm, or pepper spray in municipally owned or operated buildings.

(2) A municipality may enact and enforce an ordinance or ordinances that prohibit a person from carrying or possessing a deadly weapon, firearm, or pepper spray openly or that is not lawfully concealed in a municipally owned recreation facility: Provided, That a municipality may not prohibit a person with a valid concealed handgun license from carrying an otherwise lawfully possessed firearm into a municipally owned recreation facility and securely storing the firearm out of view and access to others during their time at the municipally owned recreation facility.

(3) A person may keep an otherwise lawfully possessed deadly weapon, firearm, or pepper spray in a motor vehicle in municipal public parking facilities if the vehicle is locked and the deadly weapon, firearm, or pepper spray is out of view.

(4) A municipality may not prohibit or regulate the carrying or possessing of a deadly weapon, firearm, or pepper spray on municipally owned or operated property other than municipally owned or operated buildings and municipally owned recreation facilities pursuant to subdivisions (1) and (2) of this section: Provided, That a municipality may prohibit persons who do not have a valid concealed handgun license from carrying or possessing a firearm on municipally owned or operated property.

(d) It shall be an absolute defense to an action for an alleged violation of an ordinance authorized by this section prohibiting or regulating the possession of a deadly weapon, firearm, or pepper spray that the person: (1) Upon being requested to do so, left the premises with the deadly weapon, firearm, or pepper spray or temporarily relinquished the deadly weapon, firearm, or pepper spray in response to
being informed that his or her possession of the deadly weapon, firearm, or pepper spray was contrary to municipal ordinance; and (2) but for the municipal ordinance the person was lawfully in possession of the deadly weapon, firearm, or pepper spray.

(e) Any municipality that enacts an ordinance regulating or prohibiting the carrying or possessing of a deadly weapon, firearm, or pepper spray pursuant to subsection (c) of this section shall prominently post a clear statement at each entrance to all applicable municipally owned or operated buildings or municipally owned recreation facilities setting forth the terms of the regulation or prohibition.

(Com. Sub. for S. B. 209 - By Senators Rucker and Maynard)

[Passed February 20, 2020; in effect from passage.]
[Approved by the Governor on March 5, 2020.]

Be it enacted by the Legislature of West Virginia:

ARTICLE 6. ANNEXATION.

PART III. ANNEXATION WITHOUT ELECTION.

§8-6-4a. Annexation without election for municipalities in counties that have an adopted countywide zoning ordinance which includes urban growth boundaries.
(a) This section applies to municipalities in counties that have adopted a countywide zoning ordinance with designated urban growth boundaries and, prior to January 1, 2009, have adopted local impact fees pursuant to the provisions of §7-20-1 et seq. of this code that want to annex additional property without an election.

(b) For purposes of this section only:

(1) “Contiguous” means property that is next to, abutting, and having a boundary that is coterminous with the municipality’s designated urban growth boundary. The length of a street, highway, road, or other traffic or utility easement, streams, rivers, or other natural topography are not to be used to determine if a property is contiguous: Provided, That the width of a street, highway, road, or other traffic or utility easement, streams, rivers, or other natural topography may be used to determine contiguous boundaries.

(2) “Urban growth boundary” means a site-specific line, delineated on a zoning map or a written description in a zoning ordinance identifying an area around and outside the corporate limits of a municipality within which there is a sufficient supply of developable land within the boundary for at least a prospective 20-year period of municipal growth based on demographic forecasts and the time reasonably required to effectively provide municipal services to the identified area. The urban growth boundary may be called by any name chosen by the county commission, but the word “boundary” shall be used in the name of the boundary. The boundary shall be established by the county commission in agreement with each individual municipality regarding that municipality’s boundary. If the county commission and municipality cannot agree upon the location or size of the boundary, either party may file for declaratory judgment relief in the circuit court which shall submit the dispute to mediation or arbitration prior to final resolution by the circuit court. Once a county has adopted an urban growth boundary by its designation on an adopted
county zoning map, the gross area inside the boundary may
not be reduced without written consent of the municipality.
The county commission shall review each urban growth
boundary at a period not to exceed 10 years or upon request
of the individual municipality.

(c) Procedure for a municipality to annex property
within an urban growth boundary. —

(1) If the proposed property to be annexed by a
municipality is entirely within the municipality’s designated
urban growth boundary, then the municipality may annex
without an election the proposed property pursuant to the
provisions of §8-6-4 of this code. Agreement with the
county commission is not required.

(2) If the proposed property to be annexed by minor
boundary adjustment by a municipality is entirely within the
municipality’s designated urban growth boundary, then the
municipality may annex without an election the proposed
property pursuant to the provisions of §8-6-4 of this code if
the provisions of §8-6-5 of this code are followed, except
that agreement with the county commission is not required.

(d) Procedure for a municipality to annex property
within urban growth boundaries of two or more
municipalities. —

If the proposed property to be annexed by a municipality
is partially or wholly within another municipality’s urban
growth boundary, then the municipality may annex without
an election the proposed property pursuant to the provisions
of §8-6-4 of this code if the two municipalities have
executed an intergovernmental agreement regarding the
annexation of the subject property. Agreement with the
county commission is not required.

(e) Procedure for a municipality to annex contiguous
property outside an urban growth boundary. —
(1) If the proposed property to be annexed by a municipality is outside the municipality’s designated urban growth boundary, then the municipality may annex without an election the proposed property pursuant to the provisions of §8-6-4 of this code, if:

(A) The proposed property to be annexed is contiguous to the municipality, as defined in this section; and

(B) The municipality has the county commission’s agreement.

(2) Prior to the agreement of the county commission to the annexation of the proposed property, the county commission shall:

(A) Hold a public hearing;

(B) Place a notice on the subject property, which notice shall be the same as that required for property to be rezoned; and

(C) At least 15 days prior to the public hearing, publish a notice of the date, time, and place of the public hearing as a Class I legal advertisement in compliance with the provisions of §59-3-1 et seq. of this code.

(f) Procedure for a municipality to annex noncontiguous property outside an urban growth boundary. —

(1) If the proposed property to be annexed by a municipality is entirely outside the municipality’s designated urban growth boundary and is not contiguous to the municipality, as defined in this section, then the municipality may annex without an election the proposed property pursuant to the provisions of §8-6-4 of this code if the municipality has the county commission’s agreement and, prior to the agreement of the county commission to the annexation of the proposed property, the county commission shall:
(A) Hold a public hearing;

(B) Place a notice on the subject property, which notice shall be the same as that required for property to be rezoned; and

(C) At least 15 days prior to the public hearing, publish a notice of the date, time, and place of the public hearing as a Class I legal advertisement in compliance with the provisions of §59-3-1 et seq. of this code.

(2) After the public hearing and on-site notice, if the county commission finds, by a written record, that the proposed annexation is for the good of the county as a whole, then the county commission may agree to the annexation.

(g) Prior to the county commission entering an order for any annexation pursuant to this section, the annexed property shall be surveyed by a licensed professional surveyor and a metes and bounds description of the annexed property must be provided to the county commission of the county in which the property is located.

(h) After a municipality has annexed property pursuant to this section and the property has been surveyed, the county commission shall enter an order. After the order is entered, the corporate limits of the municipality include the annexed property.

PART IV. ANNEXATION BY MINOR BOUNDARY ADJUSTMENT.

§8-6-5. Annexation by minor boundary adjustment.

(a) In the event a municipality desires to increase its corporate limits by making a minor boundary adjustment, the governing body of the municipality may apply to the county commission of the county wherein the municipality or the major portion of the territory thereof, including the territory to be annexed, is located for permission to effect annexation by minor boundary adjustment. The
municipality shall pay the costs of all proceedings before
the commission.

(b) In addition to any other annexation configuration, a
municipality may incorporate by minor boundary
adjustment: (i) Territory that consists of a street or highway
as defined in §17C-1-35 of this code and one or more
freeholders; or (ii) territory that consists of a street or
highway as defined in §17C-1-35 of this code which does
not include a freeholder but which is necessary for the
provision of emergency services in the territory being
annexed.

c) A county commission may develop a form
application for annexation for minor boundary adjustment.
An application for annexation by minor boundary
adjustment shall include, but not be limited to:

(1) The number of businesses located in and persons
residing in the additional territory;

(2) An affidavit of each business located in, each person
residing in, and each freeholder of the additional territory
stating that he, she, or it has consented to be included in the
annexation, in such form as the county commission deems
sufficient. In the event the municipality cannot obtain an
affidavit from a business, resident, or freeholder within 90
days after sending the affidavit form and a letter explaining
the purpose of the affidavit via certified mail, return receipt
requested, to the best available address for the business,
resident, or freeholder, such business, resident, or freeholder
shall be deemed to have consented to the annexation;

(3) An accurate map showing the metes and bounds of
the additional territory;

(4) A statement setting forth the municipality’s plan for
providing the additional territory with all applicable public
services such as police and fire protection, solid waste
collection, public water and sewer services, and street
maintenance services, including to what extent the public
services are or will be provided by a private solid waste collection service or a public service district;

(5) A statement of the impact of the annexation on any private solid waste collection service or public service district currently doing business in the territory proposed for annexation in the event the municipality should choose not to utilize the current service providers;

(6) A statement of the impact of the annexation on fire protection and fire insurance rates in the territory proposed for annexation;

(7) A statement of how the proposed annexation will affect the municipality’s finances and services; and

(8) A statement that the proposed annexation meets the requirements of this section.

(d) Upon receipt of a complete application for annexation by minor boundary adjustment, the county commission shall determine whether the application meets the threshold requirements for consideration as a minor boundary adjustment including whether the annexation could be efficiently and cost effectively accomplished under §8-6-2 or §8-6-4 of this code. If the county commission determines that the annexation could be cost effectively and efficiently accomplished under §8-6-2 or §8-6-4 of this code, that the application lacks sufficient evidence that all affected parties of the additional territory consent to the annexation, or that the application otherwise fails to meet the threshold requirements for consideration as a minor boundary adjustment, it shall enter an order denying the application, which order shall include the reasons upon which it is based.

(e) If the application meets the threshold requirements, the county commission shall order publication of a notice of the proposed annexation to the corporate limits and of the date and time set by the commission for a hearing on the
proposal. Publication shall be as in the case of an order calling for an election, as set forth in §8-6-2 of this code. A like notice shall be prominently posted at not less than five public places within the area proposed to be annexed.

(f) In making its final decision on an application for annexation by minor boundary adjustment, the county commission shall, at a minimum, consider the following factors:

(1) Whether the territory proposed for annexation is contiguous to the corporate limits of the municipality. For purposes of this section, “contiguous” means that at the time the application for annexation is submitted, the territory proposed for annexation either abuts directly on the municipal boundary or is separated from the municipal boundary by an unincorporated street or highway, or street or highway right-of-way, a creek or river, or the right-of-way of a railroad or other public service corporation, or lands owned by the state or the federal government;

(2) Whether the proposed annexation is limited solely to a Division of Highways right-of-way or whether the Division of Highways holds title to the property in fee;

(3) Whether affected parties of the territory to be annexed oppose or support the proposed annexation. For purposes of this section, “affected parties” means freeholders, firms, corporations, and qualified voters in the territory proposed for annexation and in the municipality, and a freeholder whose property abuts a street or highway, as defined in §17C-1-35 of this code, when: (i) The street or highway is being annexed to provide emergency services; or (ii) the annexation includes one or more freeholders at the end of the street or highway proposed for annexation;

(4) Whether the proposed annexation consists of a street or highway as defined in §17C-1-35 of this code and one or more freeholders;
(5) Whether the proposed annexation consists of a street or highway as defined in §17C-1-35 of this code which does not include a freeholder but which is necessary for the provision of emergency services in the territory being annexed;

(6) Whether another municipality has made application to annex the same or substantially the same territory; and

(7) Whether the proposed annexation is in the best interest of the county as a whole.

(g) If the county commission denies the application for annexation by minor boundary adjustment, the commission may allow the municipality to modify the proposed annexation to meet the commission’s objections. The commission must order another public hearing if significant modifications are proposed.

(h) The final order of the commission shall include the reasons for the grant or denial of the application.

(i) The municipality applying for annexation or any affected party may appeal the commission’s final order to the circuit court of the county in which the municipality or the major portion thereof, including the area proposed to be annexed, is located. The county commission may participate in any appeal taken from its order in the same manner and to the same extent as a party to the appeal. The order may be reviewed by the circuit court as an order of a county commission ordering an election may be reviewed under §8-5-16 of this code.

(j) If the final order of the county commission is a denial of the application for annexation, the municipality may appeal as set forth in this section, but the municipality may not present the commission with another application for annexation relating to the same proposed change or any part thereof for a period of two years after issuance of the final order of the commission, unless such application is directed by the circuit court as the result of an appeal.

[Passed February 29, 2020; in effect ninety days from passage.] [Approved by the Governor on March 24, 2020.]

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section, designated §8-12-20, relating to empowering municipalities to enact Adopt-A-Street programs; and establishing eligibility criteria.

Be it enacted by the Legislature of West Virginia:

ARTICLE 12. GENERAL AND SPECIFIC POWERS, DUTIES, AND ALLIED RELATIONS OF MUNICIPALITIES, GOVERNING BODIES AND MUNICIPAL OFFICERS AND EMPLOYEES; SUITS AGAINST MUNICIPALITIES.

§8-12-20. Authorizing municipalities to enact Adopt-A-Street programs.

(a) In addition to all other powers and duties conferred by law upon municipalities, municipalities are empowered to enact municipality Adopt-A-Street programs.

(b) The state Adopt-A-Highway Program was established in the late 1980s to improve the quality of the state’s environment by encouraging public involvement in the elimination of highway litter. That program is cosponsored by the Division of Highways and the Department of Environmental Protection, REAP Program. Its objective is to save taxpayer money by increasing public awareness and to serve as an educational tool by focusing
on the consequences of littering. The program offers
volunteers the opportunity to take charge of their own
environment by making a positive effort to create a cleaner,
more aesthetic place in which to live.

In West Virginia, there are currently 25,000 volunteers
who regularly pick up litter on 4,000 miles of highway.
They have been responsible for removing more than 40
million pounds of litter since the program began.

(c) As with the state program, individuals, families,
churches, businesses, schools, civic organizations,
government agencies, scouting groups, fraternities, and
communities may participate in a municipality’s Adopt-A-
Street program. Anyone who is at least 12 years old may
participate. Any street that is maintained by that
municipality is eligible for adoption, with the exception of
interstates and streets deemed unsafe. Volunteers may select
a street to adopt and then have it approved by the
municipality, or they may ask the municipality to suggest an
adoptable street. Alleys, dirt roads, and streets off the beaten
path, as well as major streets, may be adopted. Adopted
streets must be at least six blocks long.

(d) Adoptions are for a period of two years, during
which time three cleanups are required per year. As
volunteers pick up litter, bags that have been filled are
placed on street sides for removal and disposal by the
municipality. Garbage bags, safety vests, safety training,
traffic warning signs, and gloves shall be furnished by the
municipality.

(e) Adopted streets may be identified by a sign at each
end of the section bearing the Adopt-A-Street logo and the
name of the adopting entity. Volunteers who complete six
required litter pickups within the two-year contract period
are awarded a certificate of accomplishment signed by the
mayor of the municipality.

(F) Compute the percentage of active member’s accrued liability computed to the sheriffs by dividing paragraph (E) by paragraph (D) of this subdivision; and

(G) Determine the asset share to be transferred from Public Employees Retirement System to the plan by multiplying paragraph (C) times paragraph (F) of this subdivision.

Be it enacted by the Legislature of West Virginia:

(a) In case:

(1) Any member of a paid police or fire department who has been in continuous service for more than five years dies from any cause other than as specified in subsection (b) of this section before retirement on a disability pension under the provisions of, prior to July 1, 1981, section twenty-four of this article, or after June 30, 1981, §8-22-23a and §8-22-24 of this code, or a retirement pension under the provisions of §8-22-25(a) or §8-22-25(a) and §8-22-25(b) of this code, leaving in either case surviving a spouse, or any dependent child or children under the age of eighteen years, or dependent father or mother or both, or any dependent brothers or sisters or both under the age of eighteen years, or any dependent child over the age of eighteen years of age who is totally physically or mentally disabled so long as such condition exists; or
(2) Any former member of any such department who is on a disability pension prior to July 1, 1981, under section twenty-four of this article, or after June 30, 1981, under §8-22-23a and §8-22-24 of this code, or is receiving or is entitled to receive retirement pension benefits under the provisions of §8-22-25(a) or §8-22-25(a) and §8-22-25(b) of this code, dies from any cause other than as specified in subsection (b) of this section leaving in either case surviving a spouse or any dependent child or children under the age of eighteen years or dependent father or mother or both, or any dependent brothers or sisters or both under the age of eighteen years, or any dependent child over the age of eighteen years of age who is totally physically or mentally disabled so long as such condition exists; then in any of the cases set forth in subdivisions (1) and (2) of this subsection, the board of trustees of such pension and relief fund shall, immediately following the death of the member, pay to or for each entitled surviving dependents the following pension benefits: To the surviving spouse, until death or remarriage, a sum per month equal to sixty percent of the member’s pension or, in the event the member was not receiving a pension at the time of the member’s death, a sum per month equal to sixty percent of the monthly retirement pension such member would have been entitled to receive pursuant to §8-22-25 of this code on the date of the member’s death if the member had then been eligible for a retirement pension, or the sum of $300 per month, whichever is greater; to each dependent child, a sum per month equal to twenty percent of the member’s pension or, in the event the member was not receiving a pension on the date of the member’s death, a sum per month equal to twenty percent of the monthly retirement pension the member would have been entitled to receive pursuant to §8-22-25 of this code on the date of the member’s death if the member had then been eligible for a retirement pension, or until the child attains the age of eighteen years or marries, whichever first occurs; to each dependent orphaned child, a sum per month equal to twenty-five percent of the member’s pension or, in the event the member was not receiving a
pension at the time of the member’s death, a sum per month equal to twenty-five percent of the monthly retirement pension the member would have been entitled to receive pursuant to §8-22-25 of this code on the date of the member’s death if the member had then been eligible for a retirement pension, until the child attains the age of eighteen years or marries, whichever first occurs; to each dependent orphaned child, a sum per month equal to twenty-five percent of the member’s pension or, in the event the member was not receiving a pension on the date of the member’s death, a sum per month equal to twenty-five percent of the monthly retirement pension the member would have been entitled to receive pursuant to §8-22-25 of this code on the date of the member’s death if the member had then been eligible for a retirement pension, until the child attains the age of eighteen years or marries, whichever first occurs; to each dependent father or mother, a sum per month for each equal to ten percent of the member’s pension or, in the event the member was not receiving a pension on the date of the member’s death, a sum per month equal to ten percent of the monthly retirement pension the member would have been entitled to receive pursuant to §8-22-25 of this code on the date of the member’s death if the member had then been eligible for a retirement pension; to each dependent brother or sister, the sum of $50 per month until he or she attains the age of eighteen years or marries, whichever first occurs, but in no event shall the aggregate amount paid to all brothers and sisters of the member exceed $100 per month. If at any time, because of the number of dependents, all dependents cannot be paid in full as herein provided, then each dependent shall receive his or her pro rata share of the payments. In no case shall the payments to the surviving spouse and children be cut below sixty-five percent of the total amount paid to all dependents.

(b) The surviving spouse, child or children, or dependent father or mother, or dependent brothers or sisters, of any member who dies by reason of service rendered in the performance of the member’s duties shall, regardless of

If the member had less than three years’ service at the time of the member’s death, the member’s pension shall be computed on the basis of the actual number of years of service.

(c) If a member dies without leaving a spouse, dependent child or children, or dependent father or mother, or dependent brothers or sisters, the member’s contributions to the fund plus six percent interest shall be refunded to the member’s named beneficiary or, if no beneficiary has been named, to the member’s estate to the extent that the contributions plus interest exceed any disability or retirement benefits that the member may have received before the member’s death.

(d) The provisions of this section shall not be construed as creating or establishing any contractual or vested rights in favor of any individual who may be or become qualified as a beneficiary of the death benefits authorized to be made pursuant to this section. All the provisions of this section and benefits provided pursuant to this section are expressly subject to subsequent legislative enactments as may provide for any change, modification or elimination of the beneficiaries or benefits specified herein.

(e) Notwithstanding the provisions of §8-22-24 of this code, the benefit provided for in this section shall be calculated as if the member had remained unemployed throughout any period of disability.

(f) For the purpose of distributing premium tax proceeds as required by §33-3-14d of this code, one beneficiary of the death benefit authorized by this section shall be included in the average monthly number of retired police officers and firefighters.
AN ACT to amend and reenact §8-22-25a of the Code of West Virginia, 1931, as amended, relating to the distribution of premium tax proceeds to municipal policemen’s and firemen’s pension and relief funds which have members participating in a deferred retirement option plan.

Be it enacted by the Legislature of West Virginia:

§8-22-25a. Deferred retirement option plans; authorization; requirements; limitations.

(a) A deferred retirement option plan (DROP) is a method to encourage retention of a worker beyond normal retirement age by permitting the worker to freeze retirement benefits at a certain time prior to ceasing work, to continue to work for a specified period, and to have retirement benefits which accrue while the employee continues working set aside in an account which the worker will then receive in a lump sum upon finally discontinuing work. The Legislature acknowledges that a DROP may be a useful and economical tool for retaining experienced and trained employees and for planning for turnovers in the workforce. Experience, however, dictates that a DROP may place a heavy financial burden on the employer and the affected retirement system, negating any positive benefit offered by the DROP if the DROP is not carefully planned to be economically favorable to the employer and revenue neutral
for the affected retirement system while remaining attractive to the targeted employee.

(b)(1) The governing bodies of municipalities participating in policemen’s and firemen’s pension and relief funds pursuant to §8-22-16 through §8-22-28 of this code, are authorized to voluntarily offer DROPs. A participating municipality may design and establish a DROP to best meet the municipality’s needs so long as the DROP complies with federal law, the requirements set forth in this section and be approved by the Municipal Pensions Oversight Board.

(2) Prior to approval by the Municipal Pensions Oversight Board, a municipality shall submit a proposed DROP to the board for analysis by the qualified actuary retained or employed by the board. The actuary shall examine the plan and, in light of the elements of the DROP and the actuarial projections of the impact of the DROP on the affected pension and relief fund, advise the board of the anticipated impact on the municipal pension and relief fund. The board shall seek to approve only those DROPs which, in the best judgment of the actuary, are designed to have no negative impact on the member’s pension and relief fund. The submitting municipality shall reimburse the board for actuarial costs of analyzing the plan.

(c) To be eligible to enter a DROP, the member of the policemen’s or firemen’s pension and relief fund must be in active employment and an active member of his or her pension and relief fund for at least six months beyond attaining eligibility for regular retirement as provided in §8-22-25 of this code and have received a satisfactory performance evaluation within the prior 12 months. The member may defer retirement for a period of not less than one nor more than five years but must complete the period by age 65. The member may elect to commence participation after July 1, 2011.
(d)(1) During the DROP participation period, the member shall continue with full-time employment in a covered position subject to the municipality’s requirements. A member’s retirement benefits are calculated as of the DROP participation date and a member may not accumulate additional retirement benefits during the DROP participation period. Upon beginning participation, the member is treated as retired and receiving benefits for purposes of the retirement system: Provided, That for the purpose of distributing premium tax proceeds required in §33-3-14d of this code, he or she shall be included in the calculation of the municipality’s average number of policemen or firemen for each month that he or she works at least one hundred hours. During the DROP participation period, the employer shall continue to make regular contributions to the employee’s pension and relief fund.

(2) Benefit payments are accumulated for the member in the pension and relief fund in an accumulation account during the DROP participation period. At the end of the participation period, the amount in the accumulation account owing to the member, plus interest not to exceed three and one-half percent, shall be paid to the member in a lump sum. Monthly retirement payments shall be paid directly to the member starting in the month following the end of the DROP participation period.

(3) A member may voluntarily terminate DROP participation early with 60 days’ advance notice. Deferred accumulated benefits will be paid with no interest for the DROP period and benefits payments will commence following the early termination date. Covered employment must terminate before benefit distributions may be made. Should the employer wish to terminate the employment during the participation period, the member may terminate participation with 30 days’ notice and the deferred accumulation balance shall be paid with interest according to the DROP design: Provided, That if the employee is terminated for cause during the participation period, the member may terminate participation with 30 days’ notice
and the deferred accumulation balance shall be paid without
interest according to the DROP design.

(4) A member who is unable to continue working because
of disability shall cease participation the first day of the month
following notice of disability to the employer and the pension
and relief fund. The accumulation account balance shall be
paid to the member with no interest. No additional benefits are
due the member on account of the disability.

(5) In the event of death of a member during DROP
participation, the accumulation account of the member
through the member’s date of death is payable to the
member’s beneficiary or beneficiaries, with interest
according to DROP design.

(6) A member entering the DROP is contractually
obligated to terminate employment at the end of the DROP
participation period. Failure to terminate voluntarily results
in termination of employment for cause, except that a
member who continues to work with the consent of the
employer past the DROP participation period shall have all
benefits frozen during the extension period and no
additional benefit accumulates. During the period of time
the member continues to work beyond the end of the DROP
participation period with the consent of the employer, the
employer shall continue to make regular contributions to the
employee’s pension and relief fund. Regular retirement
benefits will commence the month following eventual
employment termination or death. The member’s
accumulation account balance is frozen in value following
the end of the DROP participation period.

(e) The oversight board shall annually report to the
Legislature’s Joint Committee on Pensions and Retirement,
and to the Legislature as required by §4-1-23 and §5-1-20
of this code, on DROPs submitted to the board for approval
and the status of any DROP that has been approved,
including any experienced impact on an affected pension
and relief fund.

structure, dwelling, or building for unsafe or unsanitary
conditions and not for the purpose of criminal prosecution
or gathering evidence for use in any criminal charge or
proceeding unrelated to the unsafe or unsanitary condition
of the structure, dwelling, or building.

(f) The governing body of every municipality has
plenary power and authority to adopt an ordinance
providing for the vacating, closing, removal, or demolition
of any dwelling, structure or building by the municipality in
the absence of owner agreement or court order: Provided,
That the ordinance requires the code enforcement agency to
provide lawful notice to and undertake reasonable efforts to
seek agreement from the owner before taking any action
permitted by this section and shall comply with the
requirements set forth in this subsection:

(1) Any ordinance adopted under this subsection applies
only to dwellings, structures, or buildings which meet the
definition of unsafe, unsanitary, dangerous, or detrimental
to the public safety or welfare as set forth in:

(A) Paragraph (C), (E) or (H), subdivision (4),
subsection (a) of this section; or

(B) Paragraph (F), (G), (I) or (K), subdivision (4),
subsection (a) of this section: Provided, That the dwelling,
building, or structure is vacant, abandoned, or has been
lawfully declared unfit for human habitation; and the reasonable estimated cost of repair, rehabilitation, or corrective action exceeds the fair market value of the dwelling, building, or structure.

(2) Any ordinance adopted under this subsection must provide for the following:

(A) The code enforcement agency shall produce a written notice containing the date of the last inspection, the name of the inspector, a reasonable description of the unsafe, unsanitary, dangerous, or detrimental conditions, the corrective measures required, the allotted time to correct the substandard conditions and the allotted time the owner has to apply to the circuit court for a temporary injunction or other similar relief restraining action by the enforcement agency.

(B) The notice shall be served upon the owner or landowner by conspicuously posting and attaching a copy of the notice to the subject property, and by serving the notice on the owner or landowner in the same manner as service of a complaint as set forth in subsection (j) of this section.

(C) If the code enforcement agency cannot effect personal service on the owner, a code enforcement agency official shall subscribe a written affidavit, to be maintained for a minimum of two years, that demonstrates the structure, dwelling, or building falls within one of the categories set forth in paragraph (A) or (B), subdivision (1), subsection (f) of this section and sets forth the basis in reasonable detail, including documentation of same, and memorializes the code enforcement agency official’s efforts to contact or get permission for entry and any corrective action from the owner; and the code enforcement agency shall publish notice of its intent to enter the property for the purpose of demolition or correction, along with the address of the property, the name of the owners and the date of the proposed action, as a Class II legal advertisement consistent
with the requirements of §59-3-2 of this code, the first of
which shall run at least 30 days before the date of the
proposed action by the enforcement agency, and the last
being no later than 20 days before the date of the proposed
action by the enforcement agency.

(D) If there is no response to the notice by the owner or
landowner in the time specified in the notice, then the
municipality may proceed in correction or demolition of the
subject dwelling, building, or structure.

(3) It is an absolute defense to any civil action by an
owner, landowner, or tenant for damages resulting from the
closure, demolition, or other corrective action taken by a
municipality under this section: Provided, That the
municipality acted in good faith, can demonstrate that the
structure, dwelling, or building falls within one of the
categories set forth in paragraph (A) or (B), subdivision (1),
subsection (f) of this section, that the municipality followed
the procedures set forth in this subsection, and that the
municipality had adopted the state building code at the time
of the closure, demolition, or other corrective action
occurred.

(4) Any ordinance adopted under this subsection must
also provide for notice to the owner of the owner’s right to
apply to the circuit court for a temporary injunction or other
similar relief restraining correction or demolition by the
enforcement agency. If the application is made by the
owner, a hearing shall be had within 20 days of the
application, or as soon as reasonably possible.

(A) Continuances of the hearing provided for in this
subdivision may be made for cause only. If a continuance is
granted upon request by the owner, the owner is required to
pay into court, in the form of a bond, any reasonable and
necessary costs related to the property likely to be incurred
by the municipality during the continuance.
(B) At the conclusion of a hearing held under this subdivision, if the court finds that the property is unsafe, unsanitary, dangerous, or detrimental to the public safety or welfare, the court shall make and enter an order granting the relief as requested by the municipality. The court may disburse any moneys paid into court by the owner in accordance with this section.

(g)(1) The governing body of every municipality has plenary power and authority to adopt an ordinance requiring the owner of any dwelling or building under determination of the State Fire Marshal, as provided in §29-3-12 of this code, or under order of the code enforcement agency of the municipality, to pay for the costs of repairing, altering, or improving, or of vacating and closing, removing or demolishing any dwelling or building, and may file a lien against the real property in question for an amount that reflects all costs incurred by the municipality for repairing, altering, or improving, or of vacating and closing, removing, or demolishing any dwelling or building, or structure. Any municipality that adopts an ordinance under this section may authorize the municipal court to place a structure, dwelling, or building into receivership when the following circumstances are present:

(A) The owner cannot be located after reasonable inquiry by the code enforcement agency as required by this section or if the owner refuses entry;

(B) The code enforcement agency has obtained an administrative search warrant from either the municipal court or the magistrate court located in the jurisdiction of the municipality or county where the structure, dwelling, or building is located;

(C) Upon entry, the code enforcement agency has determined that the structure, dwelling, or building is salvageable and does not require immediate demolition; and
(D) The code enforcement agency has proffered to the court that the structure, dwelling or building will require demolition or presents a substantial threat to nearby structures, property, or residents due to risk of fire, structural instability, or attractive nuisance if it is not repaired, altered, or improved in the near future.

(2) If all of these circumstances are present, the municipal court may place the structure, dwelling, or building into receivership with the municipality or another entity that is capable of making the necessary repairs, alterations, and improvements to the structure, dwelling or building. Any owner of the structure, dwelling, or building may petition the municipal court to terminate the receivership at any time and, upon showing that the owner will either demolish the structure, dwelling, or building or make the necessary repairs, alterations, and improvements to the satisfaction of the code enforcement agency, the municipal court may terminate the receivership.

(h) Every municipality may also institute a civil action in circuit court against the landowner or other responsible party to obtain an order allowing the municipality to take corrective action up to and including demolition of any structure, dwelling or building that is unsafe, unsanitary, dangerous, or detrimental to the public safety or welfare; and to recover all reasonable costs and expenses incurred by the municipality with respect to the property and for reasonable attorney fees and court costs incurred in the prosecution of the action:

(1) No fewer than 10 days before instituting a civil action as provided in this subsection, the municipality shall send notice to the landowner by certified mail, return receipt requested, advising the landowner of the governing body’s intention to institute such action.

(2) The notice shall be sent to the most recent address of the landowner of record in the office of the assessor of the county where the subject property is located and to any other
address for the landowner as may exist on record with the municipality. If, for any reason, the certified mail is returned without evidence of proper receipt, the municipality shall resend the notices by first class mail, postage prepaid, and shall also post notice on the front door or other conspicuous location on the subject property.

(i) To the extent not otherwise authorized by state law, all notices of violation or correction for violations that do not fall within one of the categories set forth in paragraph (A) or (B), subdivision (1), subsection (f) of this section issued by the enforcement agency of a municipality that has adopted the state building code shall be served in accordance with the process set forth in the state building code. All notices of violation or correction orders for violations that do not fall within one of the categories set forth in paragraph (A) or (B), subdivision (1), subsection (f) of this section issued by a code enforcement agency of a municipality that has not adopted the state building code shall be served in accordance with the law of this state concerning the service of process in civil actions, except that personal service may be made by a code enforcement agency official and the method of service effectuated by mail by the clerk of a court as permitted by Rule 4(d)(1)(D) of the West Virginia Rules of Civil Procedure is effectuated by mailing by a code enforcement agency official and shall be posted in a conspicuous place on the property that is the subject of the notice of violation or correction.

(j) Any violation of an ordinance adopted under this section, may be prosecuted by the municipality consistent with state and local laws. Unless otherwise authorized by state law, prosecution of a violation shall be initiated by a complaint presented to and sworn or affirmed before a municipal judge or other municipal official with lawful authority to hear and determine violations of municipal code in the municipality where the offense is alleged to have occurred. Unless otherwise provided by statute, the presentation and oath or affirmation shall be made by a code
enforcement agency official or municipal attorney showing reason to have reliable information and belief. If from the facts stated in the complaint the municipal judge or other municipal official with lawful authority to hear and determine violations of municipal code finds probable cause, the complaint becomes the charging instrument initiating a criminal proceeding. A complaint lawfully authorized by this subsection along with a summons setting forth the date, time, and place of appearance before a municipal judge or other municipal official with lawful authority to hear and determine violations of municipal code shall be served in accordance with the law of the State of West Virginia concerning the service of process in civil actions, except that personal service of a summons and complaint may be made by a code enforcement agency official. If service is made by certified mail under Rule 4(d)(1)(D) of the West Virginia Rules of Civil Procedure and delivery of the summons and complaint is refused, the code enforcement agency official, promptly upon the receipt of the notice of the refusal, shall mail to the person or entity being noticed, by first class mail, postage prepaid, a copy of the summons and complaint. If the first class mailing is not returned as undeliverable by the U. S. Postal Service, service of the summons and complaint is presumed to have been effectuated. Upon service of the summons and complaint consistent with this subsection, the violation may be prosecuted consistent with state and local law.
AN ACT to amend and reenact §8-14-15 of the Code of West Virginia, 1931, as amended, relating to eliminating the requirement that municipal police civil service commissions certify a list of at least one but no more than three individuals for every position vacancy in a municipal police department not filled by promotion, reinstatement, or reduction.

Be it enacted by the Legislature of West Virginia:

ARTICLE 14. LAW AND ORDER; POLICE FORCE OR DEPARTMENTS; POWERS, AUTHORITY AND DUTIES OF LAW-ENFORCEMENT OFFICIALS AND POLICEMEN; POLICE MATRONS; SPECIAL SCHOOL ZONE AND PARKING LOT OR PARKING BUILDING POLICE OFFICERS; CIVIL SERVICE FOR CERTAIN POLICE DEPARTMENTS.

§8-14-15. Appointments from list of eligibles.

Every position, unless filled by promotion, reinstatement or reduction, shall be filled only in the manner specified in this section. The appointing officer shall notify the policemen’s Civil Service Commission of any vacancy or vacancies in a position or positions which he or she desires to fill and shall request the certification of eligibles. The commission shall forthwith certify the names of at least one but no more than three eligible individuals ranked according to their averages at preceding competitive examinations held under the civil
service provisions of this article within a period of three years next preceding the date of the prospective appointment. The appointing officer shall, thereupon, with sole reference to the relative merit and fitness of the candidates, make an appointment or appointments from the names so certified: Provided, That should he make objection, to the commission, to one or more of these individuals, for any of the reasons stated in section fourteen of this article, and should such objection be sustained by the commission, after a public hearing along the lines of the hearing provided for in said section fourteen of this article, if any such hearing is requested, the commission shall thereupon strike the name of any such individual from the eligible list, and certify the next highest name for each individual so stricken. As each subsequent vacancy occurs, in the same or another position, precisely the same procedure shall be followed: Provided, however, That after any name has been three times rejected for the same or another position in favor of a name or names below it on the same list, the said name shall be stricken from the list. When there are a number of positions of the same kind to be filled at the same time, each appointment shall, nevertheless, be made separately and in accordance with the foregoing provisions. When an appointment is made under the provisions of this section it shall be, in the first instance, for the probationary period of one year, as provided in §8-14-11 of this code.
AN ACT to amend and reenact §50-1-3 of the Code of West Virginia, 1931, as amended; to amend and reenact §51-1-10a of said code; to amend and reenact §51-2-13 of said code; and to amend and reenact §51-2A-6 of said code, all relating to providing a 10 percent salary increase to certain judicial officers.

Be it enacted by the Legislature of West Virginia:

CHAPTER 50. MAGISTRATE COURTS.

ARTICLE 1. COURTS AND OFFICERS.

(a) The Legislature finds and declares that:

1. The West Virginia Supreme Court of Appeals has held that a salary system for magistrates which is based upon the population that each magistrate serves does not violate the equal protection clause of the Constitution of the United States;

2. The West Virginia Supreme Court of Appeals has held that a salary system for magistrates which is based upon the population that each magistrate serves does not violate section 39, article VI, of the Constitution of West Virginia;
The Administrative Office of the Supreme Court of Appeals of West Virginia has stated that the utilization of a two-tiered salary schedule for magistrates is no longer an equitable and rational manner by which magistrates should be compensated for work performed;

Organizing the two tiers of the salary schedule into one tier for magistrates serving less than 7,300 in population and a second tier for magistrates serving 7,300 or more in population is no longer rational and equitable given current statistical information relating to population and caseload; and

That, by January 1, 2017, all magistrates should be compensated equally.

The salary of each magistrate shall be paid by the state. Magistrates who serve fewer than 7,300 in population shall be paid annual salaries of $51,125 and magistrates who serve 7,300 or more in population shall be paid annual salaries of $57,500.

For the purpose of determining the population served by each magistrate, the number of magistrates authorized for each county shall be divided into the population of each county. For the purpose of this article, the population of each county is the population as determined by the last preceding decennial census taken under the authority of the United States government.

Notwithstanding any provision of this code to the contrary, the amendments made to this section during the 2013 First Extraordinary Session are effective upon passage and are retroactive to January 1, 2013.

On or before July 1, 2013, the Joint Committee on Government and Finance shall request a study by the National Center for State Courts, working in conjunction with the Administrative Office of the Supreme Court of Appeals of West Virginia, to review the weighted caseloads
in each of the magistrate courts in this state, and present
recommendations as to how the present resources and
personnel in the magistrate court system could be better
apportioned to equitably and timely meet the collective
needs of the magistrate court system in West Virginia.
Based on the findings and data generated by that study, the
National Center for State Courts shall make
recommendations as to the equitable redistribution of
personnel and resources, by temporary or permanent
reassignment, to better meet the needs and weighted loads
that are demonstrated to exist in the various magistrate
courts in this state. This study shall be presented to the Joint
Committee on Government and Finance no later than
December 1, 2014, and shall include recommendations and
proposed legislation resulting from such study and shall also
include a plan to continue the efficient delivery of justice by
the magistrate court system and the justification for
equalization of pay for all magistrates. As a part of the
submitted study, the plan shall consider the reassignment of
magistrates or the extension of their duties and jurisdiction
to include holding court or delivering services to adjacent
counties with higher caseloads, as part of their regular
duties, or being on call as needed to serve other needs in
other adjacent counties or within the same judicial circuit.

On or before January 15, 2015, the Supreme Court of
Appeals of West Virginia shall present its recommendations
to the Legislature regarding how to allocate or assign a
maximum of 158 magistrates throughout this state to
improve the magistrate process, and more equitably
distribute the magistrate court resources to efficiently and
effectively meet the needs of the citizens of this state.

(f) Notwithstanding any provision of this code to the
contrary, beginning January 1, 2017, all magistrates shall be
compensated equally and the annual salary of all
magistrates shall be $57,500.

(g) Notwithstanding any provisions of this code to the
contrary, beginning July 1, 2021, the annual salary of a
magistrate shall be $60,375, and beginning July 1, 2022, the annual salary of a magistrate shall be $63,250.

In addition, any person employed as a secretary-clerk to a family court judge on the effective date of the enactment of this section during the sixth extraordinary session of the Legislature in the year 2001 who is receiving an additional $500 per year up to 10 years of a certain period of prior employment under the provisions of the prior enactment of §51-2A-8 of this code during the second extraordinary session of the Legislature in the year 1999 shall continue to receive such additional amount. Further, the secretary-clerk will receive such percentage or proportional salary increases as may be provided by general law for other public employees and is entitled to receive the annual incremental salary increase as provided in §5-5-1 et seq. of this code.

(c) The family court judge may employ not more than one family case coordinator who serves at his or her will and pleasure. The expenses and compensation will be determined and paid by the Director of the Administrative Office of the Supreme Court of Appeals under such guidelines as he or she may prescribe, as approved by the Supreme Court of Appeals.

(g) Notwithstanding any other provision of law, family court judges are not eligible to participate in the retirement system for judges under the provisions of §51-9-1 et seq. of this code.
AN ACT to amend and reenact §22-15A-4 of the Code of West Virginia, 1931, as amended, relating to limiting the civil penalty for persons convicted of littering to not less than $200 nor more than $2,000.

(3) If any litter is placed, deposited, dumped, discharged, thrown, or caused to be placed, deposited, dumped, or thrown from a motor vehicle, boat, airplane, or other conveyance, it is prima facie evidence that the owner or the operator of the motor vehicle, boat, airplane, or other conveyance intended to violate the provisions of this section.

(4) Any person who violates the provisions of this section by placing, depositing, dumping, or throwing or causing to be placed, deposited, dumped, or thrown any litter on his or her private property in an amount not exceeding 50 pounds in weight is not subject to the criminal provisions of this section.

(6) Any person who violates the provisions of this section by placing, depositing, dumping, or throwing or causing to be placed, deposited, dumped, or thrown any litter, not collected for commercial purposes, in an amount greater than 100 pounds in weight or 27 cubic feet in size,
but less than 500 pounds in weight or 216 cubic feet in size is guilty of a misdemeanor. Upon conviction, he or she is subject to a fine of not less than $2,500 nor more than $5,000, or in the discretion of the court, may be sentenced to perform community service by cleaning up litter from any public highway, road, street, alley, or any other public park or public property, or waters of the state, as designated by the court, for not less than 16 hours nor more than 200 hours, or both. If any person is convicted of the misdemeanor by placing, depositing, dumping, or throwing litter in the waters of the state, that person shall be fined not less than $3,000 nor more than $5,500, or in the discretion of the court sentenced to perform community service by cleaning up litter from any waters of the state, as designated by the court, for not less than 20 hours nor more than 220 hours, or both.

In addition, he or she may be guilty of creating or contributing to an open dump as defined in §22-15-2 of this code and subject to the enforcement provisions of §22-15-15 of this code.

(8) Any person convicted of a second or subsequent violation of this section is subject to double the authorized range of fines and community service for the subsection violated.
(9) The sentence of litter clean up shall be verified by environmental inspectors from the Department of Environmental Protection. Any defendant receiving the sentence of litter clean up shall provide, within a time to be set by the court, written acknowledgment from an environmental inspector that the sentence has been completed and the litter has been disposed of lawfully.

(10) Any person who has been found by the court to have willfully failed to comply with the terms of a litter clean-up sentence imposed by the court pursuant to this section is subject to, at the discretion of the court, double the amount of the original fines and community service penalties originally ordered by the court.

(11) All law-enforcement agencies, officers, and environmental inspectors shall enforce compliance with this section within the limits of each agency’s statutory authority.

(13) No portion of this section restricts an owner, renter, or lessee in the lawful use of his or her own private property or rented or leased property or prohibits the disposal of any industrial and other wastes into waters of this state in a manner consistent with the provisions of §22-11-1 et seq. of this code. But if any owner, renter, or lessee, private or otherwise, knowingly permits any of these materials or substances to be placed, deposited, dumped, or thrown in a location that high water or normal drainage conditions will cause these materials or substances to wash into any waters of the state, it is prima facie evidence that the owner, renter, or lessee intended to violate the provisions of this section: Provided, That if a landowner, renter, or lessee, private or otherwise, reports any placing, depositing, dumping, or
throwing of these substances or materials upon his or her property to the prosecuting attorney, county commission, the Division of Natural Resources, or the Department of Environmental Protection, the landowner, renter, or lessee will be presumed to not have knowingly permitted the placing, depositing, dumping, or throwing of the materials or substances.

(b) Any indication of ownership found in litter is prima facie evidence that the person identified violated the provisions of this section: *Provided*, That no inference may be drawn solely from the presence of any logo, trademark, trade name, or other similar mass reproduced things of identifying character appearing on the found litter.

(c) (1) Every person who is convicted of or pleads guilty to disposing of litter in violation of subsection (a) of this section shall pay a civil penalty of not less than $200 nor more than $2,000 as costs for clean up, investigation, and prosecution of the case, in addition to any other court costs that the court is otherwise required by law to impose upon a convicted person.

(2) The clerk of the circuit court, magistrate court, or municipal court in which these additional costs are imposed shall, on or before the last day of each month, transmit 50 percent of a civil penalty received pursuant to this section to the State Treasurer for deposit in the State Treasury to the credit of a special revenue fund known as the Litter Control Fund which was transferred to the Department of Environmental Protection. Expenditures for purposes set forth in this section are not authorized from collections but are to be made only in accordance with appropriation and in accordance with the provisions of §12-3-1 *et seq.* of this code and upon fulfillment of the provisions set forth in §5A-2-1 *et seq.* of this code. Amounts collected which are found from time to time to exceed the funds needed for the purposes set forth in this article may be transferred to other accounts or funds and designated for other purposes by appropriation of the Legislature.
(d) The remaining 50 percent of each civil penalty collected pursuant to this section shall be transmitted to the county or regional solid waste authority in the county where the litter violation occurred. Moneys shall be expended by the county or regional solid waste authority for the purpose of litter prevention, clean up, and enforcement. The county commission shall cooperate with the county or regional solid waste authority serving the respective county to develop a coordinated litter control program pursuant to §22C-4-8 of this code.

(e) The Commissioner of the Division of Motor Vehicles, upon registering a motor vehicle or issuing an operator’s or chauffeur’s license, shall issue to the owner or licensee, as the case may be, a summary of this section and §17C-14-14 of this code.

(f) The Commissioner of the Division of Highways shall cause appropriate signs to be placed at the state boundary on each primary and secondary road, and at other locations throughout the state, informing those entering the state of the maximum penalty provided for disposing of litter in violation of subsection (a) of this section.

(g) Any state agency or political subdivision that owns, operates, or otherwise controls any public area designated by the secretary by rule promulgated pursuant to §22-15A-3(a)(8) of this code shall procure and place litter receptacles at its own expense upon its premises and shall remove and dispose of litter collected in the litter receptacles. After receiving two written warnings from any law-enforcement officer or officers to comply with this subsection or the rules of the secretary, any state agency or political subdivision that fails to place and maintain the litter receptacles upon its premises in violation of this subsection or the rules of the secretary shall be fined $30 per day of the violation.
AN ACT to amend and reenact §61-6-19 of the Code of West Virginia, 1931, as amended; and to amend and reenact §61-7-2 of said code, all relating to defining “pepper spray”; exempting pepper spray from definition of “deadly weapons”; providing that persons over 16 years of age may carry pepper spray for the purpose of self-defense; and providing that such persons may carry pepper spray in the State Capitol Complex.

Be it enacted by the Legislature of West Virginia:

locking or catching device.

(3) “Knife” means an instrument, intended to be used or
readily adaptable to be used as a weapon, consisting of a
sharp-edged or sharp-pointed blade, usually made of steel,
attached to a handle which is capable of inflicting cutting,
stabbing, or tearing wounds. The term “knife” includes, but
is not limited to, any dagger, dirk, poniard, or stiletto, with
a blade over three and one-half inches in length, any
switchblade knife or gravity knife, and any other instrument
capable of inflicting cutting, stabbing, or tearing wounds. A
pocket knife with a blade three and one-half inches or less
in length, a hunting or fishing knife carried for hunting,
fishing, sports, or other recreational uses, or a knife
designed for use as a tool or household implement is not
included within the term “knife” as defined in this
subsection unless the knife is knowingly used or intended to
be used to produce serious bodily injury or death.

(4) “Switchblade knife” means any knife having a
spring-operated blade which opens automatically upon
pressure being applied to a button, catch, or other releasing
device in its handle.

(5) “Nunchaku” means a flailing instrument consisting
of two or more rigid parts, connected by a chain, cable, rope,

knuckles” includes any such instrument without reference
to the metal or other substance or substances from which the
metallic or false knuckles are made.

(7) “Pistol” means a short firearm having a chamber
which is integral with the barrel, designed to be aimed and
fired by the use of a single hand.

person over the age of 16 solely for self-defense purposes.

(11) “Concealed” means hidden from ordinary
observation so as to prevent disclosure or recognition. A
deadly weapon is concealed when it is carried on or about
the person in such a manner that another person in the
ordinary course of events would not be placed on notice that
the deadly weapon was being carried. For purposes of
concealed handgun licensees, a licensee is considered to be
carrying on or about his or her person while in or on a motor

ARTICLE 16. THE MILITARY SERVICE MEMBERS COURT ACT.

§62-16-5. Eligibility; written agreement.

(a) Eligibility. — A military service member offender, who is eligible for probation based upon the nature of the offense for which he or she has been charged, and in consideration of his or her criminal background, if any, may, upon application, be admitted into a court program only upon the agreement of the prosecutor and the offender. Additionally, the court must also determine whether the offense is in any way attributable to the offender’s military service.

(b) A military service member offender may not participate in the court program if he or she has been charged with any of the following offenses:
(1) A sexual offense, including, but not limited to, a violation of the felony provisions of §61-8-1 et seq., §61-8B-1 et seq., §61-8C-1 et seq., or §61-8D-1 et seq. of this code or a criminal offense where the judge has made a written finding that the offense was sexually motivated;

(2) A felony violation of the provisions of §61-8D-2, §61-8D-2a, or §61-8D-3a of this code;

(3) A felony violation of the provisions of §61-14-3 or §61-14-4 of this code;

(4) A felony violation of §61-2-9b or §61-2-14 of this code;

(5) A felony violation of §61-2-28 of this code;

(6) If he or she has previously been convicted in this state, another state, or in a federal court for any of the offenses enumerated above; or

(7) A violation of §17C-5-2 of this code.

(c) Written agreement. — Participation in a Military Service Members Court program, with the consent of both the prosecutor and the court, shall be pursuant to a written agreement. This written agreement shall set forth all of the agreed upon provisions to allow the military service member offender to proceed in the court. The offender shall execute a written agreement with the court as to his or her participation in the program and shall agree to all of the terms and conditions of the program, including, but not limited to, the possibility of sanctions or incarceration for failing to comply with the terms of the program.

(d) Upon successful completion of a court program, the judge shall dispose of an offender’s case in the manner prescribed by the written agreement and by the applicable policies and procedures adopted by the court. Disposition may include, but is not limited to, withholding criminal charges, dismissal of charges, probation, deferred
sentencing, suspended sentencing, split sentencing, or a reduced period of incarceration: *Provided*, That a military service member court may not enter an order or take any action to mask a charge or conviction, divert a charge, or modify the records of a charge or conviction in a manner that would prevent an offense from appearing on an offender’s commercial driving record.

AN ACT to amend and reenact §62-1C-1a of the Code of West Virginia, 1931, as amended, relating to bail generally; authorizing the release of a person charged with a misdemeanor criminal violation when first appearing before a judicial officer; establishing that a judicial officer shall release a person charged with a misdemeanor offense on his or her own recognizance unless charged with certain offenses; establishes that in certain instances and with certain conditions the arrested person is entitled to the least restrictive bail conditions determined to be reasonably necessary to assure appearance as well as ensure safety of persons in the community and maintenance of evidence; establishing that in certain circumstances the arrested person is entitled to bail under least restrictive further conditions; identifying least restrictive further conditions; establishing considerations to determine whether to release an individual without bail, the reasonable amount of bail, or imposition of other conditions of release; establishing that in all misdemeanor cases, cash bail cannot exceed the maximum fine for the offense;
requiring review of bail of an incarcerated person unable to meet the requirements of a secured bond; requiring the presence of a prosecuting attorney and, if not waived, defense counsel at hearings, other than the hearing at which conditions of release are initially set, where bail is at issue; prohibiting judicial officer recommending the services of a surety who is a relative; and, further providing that a judicial officer may modify the conditions of release at any time.

Be it enacted by the Legislature of West Virginia:

ARTICLE 1C. BAIL.

§62-1C-1a. Pretrial release; types of release; conditions for release; considerations as to conditions of release.

(a) Subject to the provisions of §62-1C-1 of this code, when a person charged with a violation or violations of the criminal laws of this state first appears before a judicial officer:

(1) Except for good cause shown, a judicial officer shall release a person charged with a misdemeanor offense on his or her own recognizance unless that person is charged with:

(A) A misdemeanor offense of actual violence or threat of violence against a person;

(B) A misdemeanor offense where the victim was a minor, as defined in §61-8C-1 of this code;

(C) A misdemeanor offense involving the use of a deadly weapon, as defined in §61-7-2 of this code;

(D) A misdemeanor offense of the Uniform Controlled Substances Act as set forth in chapter 60A of this code;

(E) Misdemeanor offenses of sexual abuse;

(F) A serious misdemeanor traffic offense set forth in §17C-5-1 or §17C-5-2 of this code; or
(G) A misdemeanor offense involving auto tampering, petit larceny or possession, transfer or receiving of stolen property when alleged value on the property involved exceeds $250.

(2) For the misdemeanor offenses specified in subsection (a) of this section and all other offenses which carry a penalty of incarceration, the arrested person is entitled to be admitted to bail subject to the least restrictive condition or combination of conditions that the judicial officer determines reasonably necessary to assure that person will appear as required, and which will not jeopardize the safety of the arrested person, victims, witnesses, or other persons in the community or the safety and maintenance of evidence. Further conditions may include that the person charged shall:

(A) Not violate any criminal law of this state, another state, or the United States;

(B) Remain in the custody of a person designated by the judicial officer, who agrees to assume supervision and to report any violation of a release condition to the court, if the designated person is reasonably able to assure the judicial officer that the person will appear as required and will not pose a danger to himself or herself or to the safety of any other person or the community;

(C) Participate in home incarceration pursuant to §62-11B-1 et seq. of this code;

(D) Participate in an electronic monitoring program if one is available where the person is charged or will reside.

(E) Maintain employment, or, if unemployed, actively seek employment;

(F) Avoid all contact with an alleged victim of the alleged offense and with potential witnesses and other persons as directed by the court;
(G) Refrain from the use or excessive use of alcohol, or any use of a narcotic drug or other controlled substance, as defined in §60A-1-1 et seq. of this code without a prescription from a licensed medical practitioner;

(H) Execute an agreement to forfeit, upon failing to appear as required, property of a sufficient unencumbered value, including money, as is reasonably necessary to assure the appearance of the person as required. The person charged shall provide the court with proof of ownership, the value of the property, and information regarding existing encumbrances of the property as, in the discretion of the judicial officer, is reasonable and necessary collateral to ensure the subsequent appearance of the person as required;

(I) Post a cash bond, or execute a bail bond with solvent sureties who will execute an agreement to forfeit an amount reasonably necessary to assure appearance of the person as required. If other than an approved surety, the surety shall provide the court with information regarding the value of its assets and liabilities and the nature and extent of encumbrances against the surety’s property. The surety shall have a net worth of sufficiently unencumbered value to pay the amount of the bail bond; or

(J) Satisfy any other condition that is reasonably necessary to assure the appearance of the person as required and to assure the safety of the arrested person, victims, witnesses, other persons in the community, or the safety and maintenance of evidence.

(3) Proper considerations in determining whether to release the arrested person on an unsecured bond, fixing a reasonable amount of bail, or imposing other reasonable conditions of release are:

(A) The ability of the arrested person to give bail;

(B) The nature, number, and gravity of the offenses;

(C) The potential penalty the arrested person faces;
(D) Whether the alleged acts were violent in nature;

(E) The arrested person’s prior record of criminal convictions and delinquency adjudications, if any;

(F) The character, health, residence, and reputation of the arrested person;

(G) The character and strength of the evidence which has been presented to the judicial officer:

(H) Whether the arrested person is currently on probation, extended supervision, or parole;

(I) Whether the arrested person is already on bail or subject to other release conditions in other pending cases;

(J) Whether the arrested person has been bound over for trial after a preliminary examination;

(K) Whether the arrested person has in the past forfeited bail or violated a condition of release or was ever a fugitive from justice; and

(L) The policy against unnecessary incarceration of arrested persons pending trial set forth in this section.

(b) In all misdemeanors, cash bail may not exceed three times the maximum fine provided for the offense. If the person is charged with more than one misdemeanor, cash bail may not exceed three times the highest maximum fine of the charged offenses.

(c) Notwithstanding any provisions of this article to the contrary, whenever a person not subject to the provisions of §62-1C-1 of this code remains incarcerated after his or her initial appearance, due to the inability to meet the requirements of a secured bond, the magistrate or judge who set the secured bond shall hold a hearing within 72 hours of setting the initial bail to determine if there is a condition or combination of conditions which can meet the
considerations set forth in subdivision (2), subsection (a) of this section.

(d) A judicial officer may upon notice and hearing modify the conditions of release at any time by imposing additional or different conditions.

(e) A prosecuting attorney and defense counsel, unless expressly waived by the defendant, shall appear at all hearings in which bail or bond conditions are at issue other than the proceeding at which the conditions of release are initially set.

(f) No judicial officer may recommend the services of a surety who is his or her relative as that term is defined in §6B-1-3 of this code.

AN ACT to amend and reenact §62-12-26 of the Code of West Virginia, 1931, as amended, relating to prohibiting certain sex offenders from being in a supervisory position over children.

Be it enacted by the Legislature of West Virginia:

ARTICLE 12. PROBATION AND PAROLE.

§62-12-26. Extended supervision for certain sex offenders; sentencing; conditions; supervision provisions; supervision fee.

(a) Notwithstanding any other provision of this code to the contrary, any defendant convicted after the effective date of this section of a violation of §61-8-12 of this code or a felony violation of the provisions of §61-8B-1 et seq., §61-8C-1 et seq., and §61-8D-1 et seq. of this code shall, as part of the sentence imposed at final disposition, be required to serve, in addition to any other penalty or condition imposed by the court, a period of supervised release of up to 50 years:
Provided, That the period of supervised release imposed by the court pursuant to this section for a defendant convicted after the effective date of this section as amended and reenacted during the first extraordinary session of the Legislature, 2006, of a violation of §61-8B-3 or §61-8B-7 of this code and sentenced pursuant to §61-8B-9a* of this code, shall be no less than 10 years: Provided, however, That a defendant designated after the effective date of this section as amended and reenacted during the first extraordinary session of the Legislature, 2006, as a sexually violent predator pursuant to the provisions of §15-12-2a of this code shall be subject, in addition to any other penalty or condition imposed by the court, to supervised release for life: Provided further, That pursuant to the provisions of §62-12-26(h) of this code, a court may modify, terminate, or revoke any term of supervised release imposed pursuant to §62-12-26(a) of this code.

(b) Any person required to be on supervised release between the minimum term of 10 years and life pursuant to the provisos of §62-12-26(a) of this code also shall be further prohibited from:

(1) Establishing a residence or accepting employment within one thousand feet of a school or child care facility or within one thousand feet of the residence of a victim or victims of any sexually violent offenses for which the person was convicted;

(2) Loitering within 1,000 feet of a school or child care facility or within 1,000 feet of the residence of a victim or victims of any sexually violent offenses for which the person was convicted: Provided, That the imposition of this prohibition shall apply to a defendant convicted after the effective date of this section as amended and reenacted during the regular session of the Legislature, 2015: Provided, however, That as used herein “loitering” means to enter or remain on property while having no legitimate purpose or, if a legitimate purpose exists, remaining on that property beyond the time necessary to fulfill that purpose:

*NOTE: Correction of apparent word to number translation error.
That nothing in this subdivision shall be construed to prohibit or limit a person’s presence within 1,000 feet of a location or facility referenced in this subdivision if the person is present for the purposes of supervision, counseling, or other activity in which the person is directed to participate as a condition of supervision or where the person has the express permission of his supervising officer to be present;

(3) Establishing a residence or any other living accommodation in a household in which a child under 16 resides if the person has been convicted of a sexually violent offense against a child, unless the person is one of the following:

(i) The child’s parent;

(ii) The child’s grandparent; or

(iii) The child’s stepparent and the person was the stepparent of the child prior to being convicted of a sexually violent offense, the person’s parental rights to any children in the home have not been terminated, the child is not a victim of a sexually violent offense perpetrated by the person, and the court determines that the person is not likely to cause harm to the child or children with whom such person will reside: Provided, That nothing in this subsection shall preclude a court from imposing residency or employment restrictions as a condition of supervised release on defendants other than those subject to the provision of this subsection.

(c) In addition to any other prohibitions, any person found guilty of violating the provisions of §61-8B-3 or §61-8B-7 of this code is also prohibited from being in a supervisory position, playing a supervisory role or being responsible for groups of children, including, but not limited to, religious organizations, Boy Scouts, Girl Scouts, 4H organizations, sporting and scholastic teams, music,
sporting, and theatre groups and camps, and summer day camps.

(d) The period of supervised release imposed by the provisions of this section shall begin upon the expiration of any period of probation, the expiration of any sentence of incarceration or the expiration of any period of parole supervision imposed or required of the person so convicted, whichever expires later.

(e) Any person sentenced to a period of supervised release pursuant to the provisions of this section shall be supervised by a multijudicial circuit probation officer, if available. Until such time as a multijudicial circuit probation officer is available, the offender shall be supervised by the probation office of the sentencing court or of the circuit in which he or she resides.

(f) A defendant sentenced to a period of supervised release shall be subject to any or all of the conditions applicable to a person placed upon probation pursuant to the provisions of §62-12-9 of this code: Provided, That any defendant sentenced to a period of supervised release pursuant to this section shall be required to participate in appropriate offender treatment programs or counseling during the period of supervised release unless the court deems the offender treatment programs or counseling to no longer be appropriate or necessary and makes express findings in support thereof.

Within 90 days of the effective date of this section as amended and reenacted during the first extraordinary session of the Legislature, 2006, the Secretary of the Department of Health and Human Resources shall propose rules and emergency rules for legislative approval in accordance with the provisions of §29A-3-1 et seq. of this code establishing qualifications for sex offender treatment programs and counselors based on accepted treatment protocols among licensed mental health professionals.
(g) The sentencing court may, based upon defendant’s ability to pay, impose a supervision fee to offset the cost of supervision. Said fee shall not exceed $50 per month. Said fee may be modified periodically based upon the defendant’s ability to pay.

(h) Modification of conditions or revocation. — The court may:

(1) Terminate a term of supervised release and discharge the defendant released at any time after the expiration of two years of supervised release, pursuant to the provisions of the West Virginia Rules of Criminal Procedure relating to the modification of probation, if it is satisfied that such action is warranted by the conduct of the defendant released and the interests of justice;

(2) Extend a period of supervised release if less than the maximum authorized period was previously imposed or modify, reduce, or enlarge the conditions of supervised release, at any time prior to the expiration or termination of the term of supervised release, consistent with the provisions of the West Virginia Rules of Criminal Procedure relating to the modification of probation and the provisions applicable to the initial setting of the terms and conditions of post-release supervision;

(3) Revoke a term of supervised release and require the defendant to serve in prison all or part of the term of supervised release without credit for time previously served on supervised release if the court, pursuant to the West Virginia Rules of Criminal Procedure applicable to revocation of probation, finds by clear and convincing evidence that the defendant violated a condition of supervised release, except that a defendant whose term is revoked under this subdivision may not be required to serve more than the period of supervised release;

(4) Order the defendant to remain at his or her place of residence during nonworking hours and, if the court so
directs, to have compliance monitored by telephone or electronic signaling devices, except that an order under this paragraph may be imposed only as an alternative to incarceration.

(i) **Written statement of conditions.** — The court shall direct that the probation officer provide the defendant with a written statement at the defendant’s sentencing hearing that sets forth all the conditions to which the term of supervised release is subject and that it is sufficiently clear and specific to serve as a guide for the defendant’s conduct and for such supervision as is required.

(j) **Supervised release following revocation.** — When a term of supervised release is revoked and the defendant is required to serve a term of imprisonment that is less than the maximum term of supervised release authorized under §62-12-26(a) of this code, the court may include a requirement that the defendant be placed on a term of supervised release after imprisonment. The length of such term of supervised release shall not exceed the term of supervised release authorized by this section less any term of imprisonment that was imposed upon revocation of supervised release.

(k) **Delayed revocation.** — The power of the court to revoke a term of supervised release for violation of a condition of supervised release and to order the defendant to serve a term of imprisonment and, subject to the limitations in §62-12-26(j) of this code a further term of supervised release extends beyond the expiration of the term of supervised release for any period necessary for the adjudication of matters arising before its expiration if, before its expiration, a warrant or summons has been issued on the basis of an allegation of such a violation.
AN ACT to amend and reenact §48-10-802 of the Code of West Virginia, 1931, as amended; and to amend said code by adding thereto a new section, designated §48-10-803, all relating to specifying forms of grandparent visitation; allowing daytime and overnight visits as well as electronic communication; and defining the term “electronic communication”.

Be it enacted by the Legislature of West Virginia:

ARTICLE 10. GRANDPARENT VISITATION.

§48-10-802. Grandparent visitation orders.

In the court’s discretion, an order granting visitation privileges to a grandparent may provide for daytime visits, overnight visits and electronic communications. For the purposes of this section, the term “electronic communications” includes, but is not limited to, communications by telephone, email, Skype, Facetime, text messaging and instant messaging.

§48-10-803. Supervised visitation; conditions on visitation.

In the court’s discretion, an order granting visitation privileges to a grandparent may require supervised visitation or may place such conditions on visitation that it finds are in the best interests of the child, including, but not limited to, the following:
(1) That the grandparent not attempt to influence any religious beliefs or practices of the children in a manner contrary to the preferences of the child’s parents;

(2) That the grandparent not engage in, permit or encourage activities, or expose the grandchild to conditions or circumstances that are contrary to the preferences of the child’s parents; or

(3) That the grandparent not otherwise act in a manner to contradict or interfere with child-rearing decisions made by the child’s parents.

CHAPTER 102

(H. B. 3039 - By Delegates Foster, Phillips, D. Jeffries, Mandt, Wilson and Williams)

[Passed March 7, 2020; in effect ninety days from passage.]
[Approved by the Governor on March 25, 2020.]

AN ACT to amend and reenact §44-10-4 of the Code of West Virginia, 1931, as amended; and to amend and reenact §48-9-206 and §48-9-402 of said code, all relating to a court’s consideration of the right of a minor to nominate his or her guardian and to a court’s consideration of the expression of a preference by a child in certain child custody matters; and giving the court discretion to consider the preferences of a child under the age of fourteen years who is sufficiently matured that he or she can intelligently express a voluntary preference.

Be it enacted by the Legislature of West Virginia:

CHAPTER 44. ADMINISTRATION OF ESTATES AND TRUSTS.
ARTICLE 10. GUARDIANS AND WARDS GENERALLY.

§44-10-4. Right of minor to nominate guardian.

(a) If the minor is above the age of fourteen years, he or she may in the presence of the circuit or family court, or in writing acknowledged before any officer authorized to take the acknowledgment of a deed, nominate his or her own guardian, who, if approved by the court, shall be appointed accordingly.

(b) If the minor is below the age of fourteen years and, if the court determines it is in the best interests of the minor, the court may consider the firm and reasonable preferences of a minor who, in the discretion of the court, is sufficiently matured that he or she can intelligently express a preference. He or she may in the presence of the circuit or family court, or in writing acknowledged before any officer authorized to take the acknowledgment of a deed, nominate his or her own guardian, who, if approved by the court, after giving that preference the weight warranted by the circumstances, shall be appointed accordingly.

(c) If the guardian nominated by the minor is not appointed by the court, or if the minor resides outside the state, or if, after being summoned, the minor neglects to nominate a suitable person, the court may appoint the guardian in the same manner as if the minor were under the age of fourteen years.

CHAPTER 48. DOMESTIC RELATIONS.

ARTICLE 9. ALLOCATION OF CUSTODIAL RESPONSIBILITY AND DECISION-MAKING RESPONSIBILITY OF CHILDREN.

(a) Unless otherwise resolved by agreement of the parents under §48-9-201 of this code or unless harmful to the child, the court shall allocate custodial responsibility so
that, except to the extent required under §48-9-209 of this code, the custodial time the child spends with each parent may be expected to achieve any of the following objectives:

1. To permit the child to have a meaningful relationship with each parent who has performed a reasonable share of parenting functions;

2. To accommodate, if the court determines it is in the best interests of the child, the firm and reasonable preferences of a child who is 14 years of age or older; and to accommodate, if the court determines it is in the best interests of the child, the firm and reasonable preferences of a child under 14 years of age, but sufficiently matured that he or she can intelligently express a voluntary preference for one parent;

3. To keep siblings together when the court finds that doing so is necessary to their welfare;

4. To protect the child’s welfare when, under an otherwise appropriate allocation, the child would be harmed because of a gross disparity in the quality of the emotional attachments between each parent and the child, or in each parent’s demonstrated ability or availability to meet a child’s needs;

5. To take into account any prior agreement of the parents that, under the circumstances as a whole, including the reasonable expectations of the parents in the interest of the child, would be appropriate to consider;

6. To avoid an allocation of custodial responsibility that would be extremely impractical or that would interfere substantially with the child’s need for stability in light of economic, physical, or other circumstances, including the distance between the parents’ residences, the cost and difficulty of transporting the child, the parents’ and child’s daily schedules, and the ability of the parents to cooperate in the arrangement;
(7) To apply the principles set forth in §48-9-403(d) of this code if one parent relocates or proposes to relocate at a distance that will impair the ability of a parent to exercise the amount of custodial responsibility that would otherwise be ordered under this section;

(8) To consider the stage of a child’s development; and

(9) To consider which parent will encourage and accept a positive relationship between the child and the other parent, including which parent is more likely to keep the other parent involved in the child’s life and activities.

(b) The court may consider the allocation of custodial responsibility arising from temporary agreements made by the parties after separation if the court finds, by a preponderance of the evidence, that such agreements were consensual. The court shall afford those temporary consensual agreements the weight the court believes the agreements are entitled to receive, based upon the evidence. The court may not consider the temporary allocation of custodial responsibility imposed by a court order on the parties.

(c) If the court is unable to allocate custodial responsibility under §48-9-206(a) of this code because the allocation under §48-9-206(a) of this code would be harmful to the child, or because there is no history of past performance of caretaking functions, as in the case of a newborn, or because the history does not establish a pattern of caretaking sufficiently dispositive of the issues of the case, the court shall allocate custodial responsibility based on the child’s best interest, taking into account the factors in considerations that are set forth in this section and in §48-9-209 and §48-9-403(d) of this code and preserving to the extent possible this section’s priority on the share of past caretaking functions each parent performed.

(d) In determining how to schedule the custodial time allocated to each parent, the court shall take account of the
economic, physical, and other practical circumstances such as those listed in §48-9-206(a)(6) of this code.

§48-9-402. Modification without showing of changed circumstances.

(a) The court shall modify a parenting plan in accordance with a parenting agreement, unless it finds that the agreement is not knowing and voluntary or that it would be harmful to the child.

(b) The court may modify any provisions of the parenting plan without the showing of change circumstances required by §48-9-401(a) if the modification is in the child’s best interests, and the modification:

(1) Reflects the de facto arrangements under which the child has been receiving care from the petitioner, without objection, in substantial deviation from the parenting plan, for the preceding six months before the petition for modification is filed, provided the arrangement is not the result of a parent’s acquiescence resulting from the other parent’s domestic abuse;

(2) Constitutes a minor modification in the plan; or

(3) Is necessary to accommodate the reasonable and firm preferences of a child who, has attained the age of fourteen; or

(4) Is necessary to accommodate the reasonable and firm preferences of a child who, is under the age of fourteen and, in the discretion of the court, is sufficiently matured that he or she can intelligently express a voluntary preference.

(c) Evidence of repeated filings of fraudulent reports of domestic violence or child abuse is admissible in a domestic relations action between the involved parties when the allocation of custodial responsibilities is in issue, and the fraudulent accusations may be a factor considered by the court in making the allocation of custodial responsibilities.
AN ACT to amend and reenact §48-22-201 and §48-22-501 of the Code of West Virginia, 1931, as amended, all relating to adoption; providing for the location of the adoption hearing; and eliminating a waiting period.

Be it enacted by the Legislature of West Virginia:

CHAPTER 48. DOMESTIC RELATIONS.

PART 2. PERSONS WHO MAY ADOPT.

ARTICLE 22. ADOPTION.

§48-22-201. Persons who may petition for decree of adoption.

Any person not married or any person, with his or her spouse’s consent, or any husband and wife jointly, may petition a circuit court of the county wherein such person or persons reside for a decree of adoption of any minor child or person who may be adopted by the petitioner or petitioners: Provided, That if the minor child to be adopted has been removed from a prior home due to an abuse or neglect proceeding, the petition may be filed in the same county as the original abuse and neglect proceeding regarding the minor child.

PART 5. PETITION FOR ADOPTION.

The petition for adoption may be filed at any time after the child who is the subject of the adoption is born, the adoptive placement determined and all consents or relinquishments that can be obtained have been executed. The hearing on the petition may be held only after the child has lived with the adoptive parent or parents for a period of six months, proper notice of the petition has been given and all necessary consents or relinquishments have been executed and submitted or the rights of all nonconsenting birth parents have otherwise been terminated.

(b) The fund shall consist of all moneys made available for the purposes of this article from any source, including, but not limited to, any moneys that may be appropriated and designated for those purposes by the Legislature; all interest or other return earned or received from investment of the fund; any moneys which the fund is authorized to receive under any provision of this code for the purposes of this article; all gifts, grants, bequests or transfers made to the fund from any source; all interest or other return received from the Investment Committee’s deposits or investments, as provided by this article; and any other funds which the Investment Committee directs to be deposited into the fund. The funds
contained in the fund shall be available for appropriation by

§12-6E-3. Purpose and goal; investment standards.

(a) The purpose of this article is to continue the efforts
of this state to further economic development, infrastructure
development, and job creation in the State of West Virginia
for the public benefit. It is not the intent of this article that
the state compete with private entities by investing in
projects to further economic development, infrastructure
development and job creation for the public benefit where
private capital investment is available for that purpose, but
where private capital is not available for major investments
to further that purpose, it is in the public interest that the
state act to facilitate those major investments. To that end,
it is necessary that the state provide the opportunity and
support for major investments of capital in this state for
projects that would not otherwise be expected to attract
private investment in the usual course of business
transactions without state sponsorship of and partnership in
the investments. The establishment and functions of the
West Virginia Impact Fund, the Investment Committee, and
the Mountaineer Impact Office as provided in this article are
intended to facilitate these investments.

(b) The assets of the West Virginia Impact Fund, upon
transfer to the Investment Committee as provided by this
article, may be:

(1) Invested in any final project presented by the
Mountaineer Impact Office under this article that is
approved by resolution of the Investment Committee that
requires an aggregate investment of moneys in the project
of not less than $25 million by either the Investment
Committee, as sole investor, or by the Investment
Committee and one or more co-investors, public or private,
with the goal of furthering economic development,
infrastructure development and job creation in the State of
West Virginia; and
(2) Expended by the Investment Committee in such amounts necessary to provide for the payment of expenses incurred in the administration of this article.

(c) The Mountaineer Impact Office shall identify specific project proposals for projects, which may be single target companies, blind pool investment funds or other, to implement the goal of the West Virginia Impact Fund.

(d) The Mountaineer Impact Office shall present such project proposals for approval or disapproval to the Investment Committee pursuant to §12-6E-6 of this code.

(e) When determining whether to approve a final project, the Investment Committee shall take into consideration:

(1) The ability of the project to leverage other sources of funding;

(2) Whether investment funding for the project from other sources, public or private, is available or could otherwise reasonably be expected to be available without the state’s participation in the investment made under this article;

(3) The ability of the project to create or retain jobs, considering the number of jobs, the type of jobs, whether benefits are or will be paid, the type of benefits involved, and the compensation reasonably anticipated to be paid to persons filling new jobs or the compensation currently paid to persons whose jobs would be retained;

(4) Whether, and the extent to which, the project will promote economic development, infrastructure development, and job creation in the state; and

(5) Whether the project is in the best interest of the public.
(f) The Investment Committee may not approve a project or accept funding from or participation in any investment by a potential partner, investor, or entity when such approval or participation would violate the laws of the United States or the laws of the State of West Virginia, or where such approval or participation would provide aid or comfort to any designated enemy of the United States or the agent of any regime determined by the United States Government to be a narcotics trafficking, human trafficking, sponsor of terrorism, totalitarian, or other criminal regime.

§12-6E-4. Establishment of the Investment Committee; appointments; removal; vacancy; quorum.

(a) There is hereby created the Investment Committee, as an agency of the State of West Virginia, to manage the investment of the assets transferred to the Investment Committee from the West Virginia Impact Fund.

(b) The Investment Committee shall consist of seven voting members. The President of the Senate and the Speaker of the House of Delegates shall serve ex officio as non-voting members. The voting members shall consist of:

(1) The Governor and the Secretary of the Department of Commerce, or their designees shall serve as members of the Investment Committee. They shall serve by virtue of their office and are not entitled to compensation under the provisions of this article. The Governor and the Secretary of the Department of Commerce or their designees are subject to all duties, responsibilities and requirements of the provisions of this article, including, but not limited to, the provisions of paragraph (A), subdivision (2) of this subsection and subdivision (3) of this subsection.

(2)(A) Five members of the Investment Committee shall be appointed by the Governor, with the advice and consent of the Senate. The terms of the appointed members shall be three years, subject to the following: The initial appointment of one member shall be for a term of one year; the initial
appointment of two members shall be for terms of two years; and the initial appointment of two members shall be for terms of three years. At the end of each member’s term, the Governor may reappoint, or appoint a successor, who shall serve for a term ending on the thirty-first day of January in the third year following the year of his or her appointment. Except for vacancy appointments made pursuant to this paragraph, all subsequent appointments shall be for terms ending on the thirty-first day of January in the third year following the expiration of the prior term for the position to which the appointment is made. No more than three of the five appointed members may belong to the same political party. In the event of a vacancy among the trustees, the Governor shall promptly make an appointment to fill the unexpired term.

(B) The Governor may remove any appointed member in case of gross negligence or misfeasance and may declare that position vacant and may appoint a person for the vacancy as provided in this subsection. A removal by the Governor must be in writing and must state the reason for the removal. A member who is removed by the Governor may not participate in Investment Committee business and may not be counted for purposes of establishing a quorum after the member receives written notice of removal from the Governor.

(C) The appointed members may not hold any other state or federal office, position or employment, either elective or appointive, except as a member of the armed forces of either the United States or of this state or as a member of a governing board of an institution of higher education of this state, and must have recognized competence and experience in finance, investments, or other business management-related fields.

(3) Each appointed member is entitled to receive and, at the member’s option, the Investment Committee shall pay to the member compensation in the amount of $400 for each day on which the member attended a meeting of the
Investment Committee. In addition, all appointed members shall receive reasonable and necessary expenses actually incurred in discharging member duties pursuant to this article.

(c) The Investment Committee may continue to act notwithstanding any vacancy.

(d) The presence of four voting members of the Investment Committee shall constitute a quorum for the exercise of any authority granted to the Investment Committee in this article. Action may be taken only upon affirmative vote of four voting members of the Investment Committee, which vote may be in person or in writing.

of understanding with a selected manager to develop a final
project in accordance with each approved project proposal.
(h) The Mountaineer Impact Office shall, with the selected manager, negotiate the terms and amount of any proposed investment of funds held by the Investment Committee in any final project.

(i) The Mountaineer Impact Office shall present such final negotiated terms and amount of a proposed investment in a final project for approval or disapproval to the Investment Committee, together with any disclosures of conflicts of interest in the proposed investment as required pursuant to §12-6E-5(d) of this code.

(j) The Mountaineer Impact Office shall monitor the qualitative and quantitative performance of each approved investment on an ongoing basis, with respect to the goal of investments prescribed in §12-6E-3 of this code, including without limitation, the exit and termination of each approved investment.

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new article, designated §5B-1B-1, §5B-1B-2, §5B-1B-3 and §5B-1B-4, all relating to establishing the Southern West Virginia Lake Development Study Commission; providing legislative findings; establishing the commission and designating its membership; defining components of commission study; authorizing the commission to create committees and utilize university and other state government resources; providing for expense reimbursement for certain commission members; and requiring reports to the Legislature.

Be it enacted by the Legislature of West Virginia:

ARTICLE 1B. SOUTHERN WEST VIRGINIA LAKE DEVELOPMENT STUDY COMMISSION.

§5B-1B-1. Southern West Virginia Lake Development Study Commission Act.

This article shall be known as the “Southern West Virginia Lake Development Study Commission Act.”

§5B-1B-2. Legislative findings.

(a) The Legislature finds that the southern coalfields of West Virginia, long one of the most productive coal producing areas of the world, having provided untold millions of dollars to the state economy, and having been
the financial backbone of the state’s economy for over a century, is now in the midst of a long decline in coal production and population, and because of rugged terrain and remoteness from surrounding regions, suffers from high unemployment and deteriorating infrastructure and economic base, and requires innovative and alternative approaches to revitalization; and therefore demands the Legislature look at innovative ideas and alternatives for new industries and businesses that provide sustainable long term development for southern West Virginia.

(b) The natural beauty of the mountainous regions, now popular with outdoor enthusiasts for its Hatfield McCoy Trail System, would be an ideal location for a large recreational lake or lakes, constructed with hundreds of miles of lake front property, tens of thousands of acres of lake surface, near a four lane highway and situated near large tracts of developable property, with carefully considered design and development, could create a new and exciting recreational area of the state, and provide a myriad of opportunities for further development and with creative initiative could revitalize this area of our state. Such a proposal is worthy of careful study and marshalling the forces of our state and federal governments to thoroughly evaluate and consider this development, maximizing the design and use of a lake or lake system to provide a variety of benefits, potentially including hydro-electric generation, resort developments, housing, and economic opportunities that would create diversity and renewal to this long neglected and deserving area of our state.

§5B-1B-3. Commission created; undertake study; report to the Legislature.

(a) There is hereby created the Southern West Virginia Lake Development Study Commission within the West Virginia Development Office. The commission shall consist of the following members:

(3) One member representing the Department of Environmental Protection, to be appointed by the Governor;

(4) One member representing the Division of Natural Resources, to be appointed by the Governor;

(5) One member representing and having expertise in each of the following fields, to be appointed by the Governor:

(A) Geology;

(B) Land use planning;

(D) Natural resource management;

(E) Tourism development;

(F) Public recreation;

(G) Hydrology; and

(H) Ecology; and

(6) Six citizen members representing Boone, Logan, McDowell, Mercer, Mingo, and Wyoming to be appointed by the Governor.

by this section and by the commission. Working with the commission, the two research groups shall investigate lake developments across the region and country to identify what makes large lake developments successful, types of unique amenities and development sites that would promote economic growth, alternative uses for the lake and its resources in power generation, regional resource preservation and integration, enhancement of the Hatfield and McCoy ATV Trail System, and other outdoor recreational opportunities.

(c) The commission shall oversee studies that evaluate where a lake can be located to maximize economic benefits and assess environmental impacts, property ownership assessment and purchasing costs, impacts to mineral ownership and development impacts, and other issues as identified by the commission. The commission is empowered to form specialized committees of experts in various fields of law, science, economic development, geological, mineral, and natural resources to make recommendations and provide expertise in their respective fields regarding viability and implications of lake construction, road location, and resource preservation.

(d) The commission is directed to undertake the inclusion of federal resources for assistance in the study of the feasibility and implementation recommendations. The commission shall pursue federal funding for undertaking the study and the subsequent construction of this project upon the finding of viability of the study project.

(e) The commission may call upon other officers, departments, and agencies of state government to assist in its investigation. Upon the request of the commission, the Attorney General of the state shall render legal research and analysis on legal issues associated with developing recommendations for lawful land development construction and compliance with state and federal laws associated with land acquisition and lake construction, to the commission.
(f) All actual and necessary travel expenses of the members of the commission shall be reimbursed by the member’s employing agency. All other expenses incurred by the commission shall be paid by the Development Office.

§5B-1B-4. Report to the Legislature.

The commission shall provide regular updates to the Legislature, through the Joint Committee on Government and Finance, and shall complete this study and its recommendations by July 1, 2022. The report shall include at a minimum, recommendations for any necessary legislation, funding recommendations, and analysis of the implications and costs associated with the development project provided in this article.

Section 18-2-40. Suicide prevention awareness training; dissemination of information.

(a)(1) Legislative findings. — The Legislature recognizes that the state of West Virginia has one of the highest rates of suicide in the nation, and that suicide serves as one of the leading causes of death in our state.

(2) The Legislature further finds that nationwide, suicide rates amongst adolescents and young adults are on the rise. As a result of disrupted families, poverty, and the

(3) Consequently, the Legislature finds that it is imperative that those in our education system closest to our students receive training to increase their ability to better recognize students who may be exhibiting signs that they are at risk of suicide.

(b) On or before September 1, 2020, and each year thereafter, the State Board of Education shall provide for the routine education of all professional educators, including principals and administrators, and those service personnel having direct contact with students on warning signs and resources to assist in suicide prevention under guidelines established by the state board. The education may be accomplished through self-review of suicide prevention materials and resources approved by the state board.

(c) On or before September 1, 2020, and each year thereafter, a public middle and high school administrator shall disseminate and provide opportunities to discuss suicide prevention awareness information to all middle and high school students. Be it enacted by the Legislature of West Virginia:

[Passed March 7, 2020; in effect from passage.]
[Approved by the Governor on March 25, 2020.]

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section, designated §18-2E-11a, relating to making a nursing career pathway available to students statewide; setting forth legislative findings; requiring that a nursing career pathway workgroup be convened; charging the workgroup with developing a career pathway to address the unmet need for nursing assistants, licensed practical nurses, registered nurses, and registered nurses with
a bachelor’s degree in nursing; requiring the nursing career pathway to be made available to students statewide; requiring report to the Legislative Oversight Commission on Education Accountability, as requested, but at least annually, on the progress in implementing the career pathway; and requiring consideration of certain specified ideas in establishing the pathway.

Be it enacted by the Legislature of West Virginia:

ARTICLE 2E. HIGH QUALITY EDUCATIONAL PROGRAMS.

§18-2E-11a. Nursing career pathway.

(a) The Legislature finds that:

(1) There are numerous reports relating that the nursing shortage is causing currently employed nurses to be overworked and that hospitals are bringing in travel nurses from other states;

(2) While the recent passage of the Advance Career Education and West Virginia Invests Grant programs legislation would address nursing shortages along with addressing other shortage areas, having a sufficient number of qualified nurses is of such importance to the health of the citizens of the state that additional efforts should be made to ensure that there is an adequate number of nurses to meet the state’s health care needs as soon as possible; and

(3) Providing a seamless process for students pursuing careers in nursing from high school through attainment of a nursing credential or degree would assist in ensuring an adequate nursing workforce.

(b) The State Superintendent of Schools, the Chancellor for the Higher Education Policy Commission, and the Chancellor for the Community and Technical College System shall convene the West Virginia Nursing Career Pathway Workgroup consisting of:
(1) Representatives of health care providers that need nurses and could potentially provide clinical space. Due to the importance of health care providers providing clinical space, as many representatives of health care providers as possible, especially the largest health care providers, shall be invited to be members of the workgroup, provide input, and be encouraged to provide clinical space. (4) The state should explore various ways to address this issue;

(5) One such method of successfully addressing behavioral problems could be through the use of behavior interventionists; and

The county school districts designated for the pilot programs shall
establish the qualifications for personnel employed in the behavior interventionist position and shall establish the initial and continuing training requirements for the personnel employed in the position.

(d) Annually, for the duration of the pilot programs and once after the conclusion of the pilot programs, the county superintendents of the county school districts designated for the pilot programs shall report to the Legislative Oversight Commission on Education Accountability on:

(1) Progress toward and methods of implementation of the pilot programs, including the required qualifications and training for personnel employed in the behavior interventionist position;

(2) Indicators of the success of the pilot programs, which may include reductions in disciplinary actions and increases in student achievement at the schools in which the behavior interventionists are assigned;

CHAPTER 18. EDUCATION.

ARTICLE 2. STATE BOARD OF EDUCATION.

§18-2-7e. Business and community partnerships for improving student engagement and preparation; roles of school district leadership and local school improvement councils; future-ready graduate profile.

(a) The purpose of this section is to complement the delivery of programs in workforce preparation set forth in §18-2-7d of this code by providing a framework for schools, school systems, and communities to:

(1) Engage their local stakeholders in developing a shared vision of the knowledge, college, and career skills, and life characteristics that a future-ready graduate of their school system will need for success in occupations and entrepreneurship in the changing world of work;

(2) Build strategic partnerships that instill within students an awareness of the changing world of work, build an appreciation of the relevancy of academic subject matter for future success, nurture the whole child, and promote student acquisition of the knowledge, skills, and characteristics needed for success; and

The school system leadership may include the stakeholders in creating visibility and support for their unique, shared vision of a future-ready graduate and in setting the stage for planning and action steps that may be necessary to prepare future-ready graduates. The school system leadership may engage external champions who are committed to the shared vision of a future-ready graduate to help generate community awareness and support for the project and to build strategic partnerships for program implementation. The action steps should include clearly articulating the profile of the future-ready graduate to participating schools, parents and the community, nurturing the whole child, and beginning the development of foundational knowledge, skills, and characteristics beginning in the early years of school, and establishing multiple paths toward college and career readiness for students that include internships, externships, and credentialing.

(c) Local school improvement councils can play a key role in the implementation of programs at the age appropriate grade levels by engaging the school’s business and community partners, including two-year and four-year institutions of higher education, to help develop within
students an awareness of the changing world of work and an appreciation of the relevancy of academic subject matter for success in various occupations and entrepreneurship. CHAPTER 127

(Com. Sub. for H. B. 4593 - By Delegate Higginbotham)

[Passed March 5, 2020; in effect ninety days from passage.]
[Approved by the Governor on March 25, 2020.]

AN ACT to amend and reenact §3-1-5 and §3-1-30 of the Code of West Virginia, 1931, as amended, all relating to authorizing the assignment of members of a standard receiving board to serve on the standard receiving board for more than one precinct in certain circumstances.

Be it enacted by the Legislature of West Virginia:

ARTICLE 1. GENERAL PROVISIONS AND DEFINITIONS.

§3-1-5. Voting precincts and places established; number of voters in precincts; precinct map; municipal map.

(a) The precinct is the basic territorial election unit. The county commission shall divide each magisterial district of the county into election precincts, shall number the precincts, shall determine and establish the boundaries thereof and shall designate one voting place in each precinct, which place shall be established as nearly as possible at the point most convenient for the voters of the precinct. Each magisterial district shall contain at least one
voting precinct and each precinct shall have but one voting
place therein.

Each precinct within any urban center shall contain not
less than three hundred nor more than one thousand five
hundred registered voters. Each precinct in a rural or less
thickly settled area shall contain not less than two hundred
nor more than seven hundred registered voters. A county
commission may permit the establishment or retention of a
precinct less than the minimum numbers allowed in this
subsection upon making a written finding that to do
otherwise would cause undue hardship to the voters. If, at
any time the number of registered voters exceeds the
maximum number specified, the county commission shall
rearrange the precincts within the political division so that
the new precincts each contain a number of registered voters
within the designated limits: Provided, That any precincts
with polling places that are within a one mile radius of each
other on or after July 1, 2014, may be consolidated, at the
discretion of the county clerk and county commission into
one or more new precincts that contain not more than three
thousand registered voters in any urban center, nor more
than one thousand five hundred registered voters in a rural
or less thickly settled area: Provided, however, That no
precincts may be consolidated pursuant to this section if the
consolidation would create a geographical barrier or path of
travel between voters in a precinct and their proposed new
polling place that would create an undue hardship to voters
of any current precinct.

If a county commission fails to rearrange the precincts
as required, any qualified voter of the county may apply for
a writ of mandamus to compel the performance of this duty:
Provided, That when in the discretion of the county
commission, there is only one place convenient to vote
within the precinct and when there are more than seven
hundred registered voters within the existing precinct, the
county commission may designate two or more precincts
with the same geographic boundaries and which have voting
places located within the same building. The county
commission shall designate alphabetically the voters who are eligible to vote in each precinct so created. Each precinct shall be operated separately and independently with separate voting booths, ballot boxes, election commissioners and clerks, and whenever possible, in separate rooms. No two precincts may use the same standard receiving board, except as permitted by the provisions of §3-1-30(j) of this code.

(b) In order to facilitate the conduct of local and special elections and the use of election registration records therein, precinct boundaries shall be established to coincide with the boundaries of any municipality of the county and with the wards or other geographical districts of the municipality except in instances where found by the county commission to be wholly impracticable so to do. Governing bodies of all municipalities shall provide accurate and current maps of their boundaries to the clerk of any county commission of a county in which any portion of the municipality is located.

(c) To facilitate the federal and state redistricting process, precinct boundaries shall be comprised of intersecting geographic physical features or municipal boundaries recognized by the U. S. Census Bureau. For purposes of this subsection, geographic physical features include streets, roads, streams, creeks, rivers, railroad tracks and mountain ridge lines. The county commission of every county shall modify precinct boundaries to follow geographic physical features or municipal boundaries and submit changes to the Joint Committee on Government and Finance by June 30, 2007, and by June 30, every ten calendar years thereafter. The county commission shall also submit precinct boundary details to the U.S. Census Bureau upon request.

(d) The county commission shall keep available at all times during business hours in the courthouse at a place convenient for public inspection a map or maps of the county and municipalities with the current boundaries of all precincts.
§3-1-30. Nomination and appointment of election officials and alternates; notice of appointment; appointment to fill vacancies in election boards.

(a) For any primary, general or special election held throughout a county, poll clerks and election commissioners may be nominated as follows:

1. The county executive committee for each of the two major political parties may, by a majority vote of the committee at a duly called meeting, nominate one qualified person for each team of poll clerks and one qualified person for each team of election commissioners to be appointed for the election;

2. The appointing body shall select one qualified person as the additional election commissioner for each board of election officials;

3. Each county executive committee shall also nominate qualified persons as alternates for at least 10 percent of the poll clerks and election commissioners to be appointed in the county and is authorized to nominate as many qualified persons as alternates as there are precincts in the county to be called upon to serve in the event any of the persons originally appointed fail to accept appointment or fail to appear for the required training or for the preparation or execution of their duties;

4. When an executive committee nominates qualified persons as poll clerks, election commissioners or alternates, the committee, or its chair or secretary on its behalf, shall file in writing with the appointing body, no later than the 70th day before the election, a list of those persons nominated and the positions for which they are designated.

(b) For any municipal primary, general or special election, the poll clerks and election commissioners may be nominated as follows:
(1) In municipalities which have municipal executive committees for the two major political parties in the municipality, each committee may nominate election officials in the manner provided for the nomination of election officials by county executive committees in subsection (a) of this section;

(2) In municipalities which do not have executive committees, the governing body shall provide by ordinance for a method of nominating election officials or shall nominate as many eligible persons as are required, giving due consideration to any recommendations made by voters of the municipality or by candidates on the ballot.

(c) The governing body responsible for appointing election officials is:

(1) The county commission for any primary, general or special election ordered by the county commission and any joint county and municipal election;

(2) The board of education for any special election ordered by the board of education conducted apart from any other election;

(3) The municipal governing body for any primary, general or special municipal election ordered by the governing body.

(d) The qualifications for persons nominated to serve as election officials may be confirmed prior to appointment by the clerk of the county commission for any election ordered by the county commission or for any joint county and municipal election and by the official recorder of the municipality for a municipal election.

(e) The appropriate governing body shall appoint the election officials for each designated election board no later than the 49th day before the election as follows:
(1) Those eligible persons whose nominations for poll clerk and election commissioner were timely filed by the executive committees and those additional persons selected to serve as an election commissioner are to be appointed;

(2) The governing body shall fill any positions for which no nominations were filed.

(f) At the same time as the appointment of election officials or at a subsequent meeting the governing body shall appoint persons as alternates. However, no alternate may be eligible for compensation for election training unless the alternate is subsequently appointed as an election official or is instructed to attend and actually attends training as an alternate and is available to serve on election day. Alternates shall be appointed and serve as follows:

(1) Those alternates nominated by the executive committees shall be appointed;

(2) The governing body may appoint additional alternates who may be called upon to fill vacancies after all alternates designated by the executive committees have been assigned, have declined to serve or have failed to attend training; and

(3) The governing body may determine the number of persons who may be instructed to attend training as alternates.

(g) The clerk of the county commission shall appoint qualified persons to fill all vacancies existing after all previously appointed alternates have been assigned, have declined to serve or have failed to attend training.

(h) Within seven days following appointment, the clerk of the county commission shall notify, by first-class mail, all election commissioners, poll clerks and alternates of the fact of their appointment and include with the notice a response notice form for the appointed person to return
indicating whether or not he or she agrees to serve in the specified capacity in the election.

(i) The position of any person notified of appointment who fails to return the response notice or otherwise confirm to the clerk of the county commission his or her agreement to serve within 14 days following the date of appointment is considered vacant and the clerk shall proceed to fill the vacancies according to the provisions of this section.

(j) If the governing body and the clerk of the county commission are unable to nominate a sufficient number of qualified persons agreeing to serve on a standard receiving board for each precinct, the clerk may assign members of one precinct’s standard receiving board to serve simultaneously on the standard receiving board of another precinct where the polling places of both precincts are located within the same physical building or facility: Provided, That no more than three precincts within the same building or facility may share board members in this manner.

(k) If an appointed election official fails to appear at the polling place by 45 minutes past five o’clock a.m. on election day, the election officials present shall contact the office of the clerk of the county commission for assistance in filling the vacancy. The clerk shall proceed as follows:

(1) The clerk may attempt to contact the person originally appointed, may assign an alternate nominated by the same political party as the person absent if one is available or, if no alternate is available, may appoint another eligible person;

3. Wells which are not a threat to the environment and which do not hinder or impede the development of mineral resources of this state and for which plugging may be deferred for an indefinite period.

(b) The classifications shall, among other things, take into consideration the following factors, as appropriate:

2. The length of time the well has been abandoned;

3. The casing remaining in the well;

4. The presence of any leaks either at the surface or underground;

(1) The bond is forfeited as a result of failure to plug the abandoned well, repair the well that is causing immediate threat to the environment, or which hinders or impedes the development of mineral resources of this state; or

(2) The well operator was cited for and then failed to correct an immediate threat to the environment or hinderance or impediment to the development of mineral resources of this state; or

(S. B. 727 - By Senators Clements, Ihlenfeld, Maroney, Romano, Hardesty, Roberts, Stollings and Plymale)

[Passed March 5, 2020; in effect ninety days from passage.]
[Approved by the Governor on March 25, 2020.]

AN ACT to amend and reenact §22-15-11 of the Code of West Virginia, 1931, as amended, relating to disbursement of the funds in the Gas Field Highway Repair and Horizontal Drilling Waste Study Fund for highway road repair; providing that money from the fund is to be expended within the district where gas field and horizontal drilling waste is deposited; and updating grammatical style throughout the section.

Be it enacted by the Legislature of West Virginia:

ARTICLE 15. SOLID WASTE MANAGEMENT ACT.

(a) Imposition. — A solid waste assessment fee is hereby imposed upon the disposal of solid waste at any solid waste disposal facility in this state in the amount of $1.75 per ton or part thereof of solid waste. The fee imposed by this section is in addition to all other fees and taxes levied by law and shall be added to and constitute part of any other fee charged by the operator or owner of the solid waste disposal facility.

(b) Collection, return, payment, and records. — The person disposing of solid waste at the solid waste disposal facility shall pay the fee imposed by this section, whether or not the person owns the solid waste, and the fee shall be
collected by the operator of the solid waste facility who shall remit it to the Tax Commissioner.

(1) The fee imposed by this section accrues at the time the solid waste is delivered to the solid waste disposal facility.

(2) The operator shall remit the fee imposed by this section to the Tax Commissioner on or before the 15th day of the month next succeeding the month in which the fee accrued. Upon remittance of the fee, the operator is required to file returns on forms and in the manner as prescribed by the Tax Commissioner.

(3) The operator shall account to the state for all fees collected under this section and shall hold them in trust for the state until remitted to the Tax Commissioner.

(4) If any operator fails to collect the fee imposed by this section, he or she is personally liable for the amount as he or she failed to collect, plus applicable additions to tax, penalties, and interest imposed by §11-10-1 et seq. of this code.

(5) Whenever any operator fails to collect, truthfully account for, remit the fee, or file returns with the fee as required in this section, the Tax Commissioner may serve written notice requiring the operator to collect the fees which become collectible after service of the notice, to deposit the fees in a bank approved by the Tax Commissioner, in a separate account, in trust for and payable to the Tax Commissioner, and to keep the amount of the fees in the account until remitted to the Tax Commissioner. The notice remains in effect until a notice of cancellation is served on the operator or owner by the Tax Commissioner.

(6) Whenever the owner of a solid waste disposal facility leases the solid waste facility to an operator, the operator is primarily liable for collection and remittance of
the fee imposed by this section and the owner is secondarily liable for remittance of the fee imposed by this section. However, if the operator fails, in whole or in part, to discharge his or her obligations under this section, the owner and the operator of the solid waste facility are jointly and severally responsible and liable for compliance with the provisions of this section.

(7) If the operator or owner responsible for collecting the fee imposed by this section is an association or corporation, the officers thereof are liable, jointly and severally, for any default on the part of the association or corporation, and payment of the fee and any additions to tax, penalties, and interest imposed by §11-10-1 et seq. of this code may be enforced against them as against the association or corporation which they represent.

(8) Each person disposing of solid waste at a solid waste disposal facility and each person required to collect the fee imposed by this section shall keep complete and accurate records in the form as the Tax Commissioner may require in accordance with the rules of the Tax Commissioner.

(c) Regulated motor carriers. — The fee imposed by this section and §7-5-22 of this code is considered a necessary and reasonable cost for motor carriers of solid waste subject to the jurisdiction of the Public Service Commission under chapter 24A of this code. Notwithstanding any provision of law to the contrary, upon the filing of a petition by an affected motor carrier, the Public Service Commission shall, within 14 days, reflect the cost of said fee in said motor carrier’s rates for solid waste removal service. In calculating the amount of said fee to said motor carrier, the commission shall use the national average of pounds of waste generated per person per day as determined by the United States Environmental Protection Agency.

(d) Definition of solid waste disposal facility. — For purposes of this section, the term “solid waste disposal
“facility” means any approved solid waste facility or open dump in this state, and includes a transfer station when the solid waste collected at the transfer station is not finally disposed of at a solid waste disposal facility within this state that collects the fee imposed by this section. Nothing herein authorizes in any way the creation or operation of or contribution to an open dump.

(e) Exemptions. — The following transactions are exempt from the fee imposed by this section:

(1) Disposal of solid waste at a solid waste disposal facility by the person who owns, operates, or leases the solid waste disposal facility if the facility is used exclusively to dispose of waste originally produced by the person in his or her regular business or personal activities or by persons utilizing the facility on a cost-sharing or nonprofit basis;

(2) Reuse or recycling of any solid waste;

(3) Disposal of residential solid waste by an individual not in the business of hauling or disposing of solid waste on the days and times as designated by the secretary is exempt from the solid waste assessment fee; and

(4) Disposal of solid waste at a solid waste disposal facility by a commercial recycler which disposes of 30 percent or less of the total waste it processes for recycling. In order to qualify for this exemption each commercial recycler must keep accurate records of incoming and outgoing waste by weight. The records must be made available to the appropriate inspectors from the division, upon request.

(f) Procedure and administration. — Notwithstanding §11-10-3 of this code, each and every provision of the West Virginia Tax Procedure and Administration Act set forth in §11-10-1 et seq. of this code shall apply to the fee imposed by this section with like effect as if said act were applicable
only to the fee imposed by this section and were set forth in extenso herein.

(g) **Criminal penalties.** — Notwithstanding §11-9-2 of this code, §11-3-3 through §11-3-17, inclusive, of this code shall apply to the fee imposed by this section with like effect as if said sections were applicable only to the fee imposed by this section and were set forth in extenso herein.

(h) **Dedication of proceeds.** — The net proceeds of the fee collected by the Tax Commissioner pursuant to this section shall be deposited at least monthly in an account designated by the secretary. The secretary shall allocate 25 cents for each ton of solid waste disposed of in this state upon which the fee imposed by this section is collected and shall deposit the total amount so allocated into the Solid Waste Reclamation and Environmental Response Fund to be expended for the purposes hereinafter specified. The first $1 million of the net proceeds of the fee imposed by this section collected in each fiscal year shall be deposited in the Solid Waste Enforcement Fund and expended for the purposes hereinafter specified. The next $250,000 of the net proceeds of the fee imposed by this section collected in each fiscal year shall be deposited in the Solid Waste Management Board Reserve Fund, and expended for the purposes hereinafter specified: Provided, That in any year in which the Water Development Authority determines that the Solid Waste Management Board Reserve Fund is adequate to defer any contingent liability of the fund, the Water Development Authority shall so certify to the secretary and the secretary shall then cause no less than $50,000 nor more than $250,000 to be deposited to the fund: Provided, however, That in any year in which the Water Development Authority determines that the Solid Waste Management Board Reserve Fund is inadequate to defer any contingent liability of the fund, the Water Development Authority shall so certify to the secretary and the secretary shall then cause not less than $250,000 nor more than $500,000 to be deposited in the fund: Provided further, That
if a facility owned or operated by the State of West Virginia is denied site approval by a county or regional solid waste authority, and if the denial contributes, in whole or in part, to a default, or drawing upon a reserve fund, on any indebtedness issued or approved by the Solid Waste Management Board, then in that event the Solid Waste Management Board or its fiscal agent may withhold all or any part of any funds which would otherwise be directed to the county or regional authority and shall deposit the withheld funds in the appropriate reserve fund. The secretary shall allocate the remainder, if any, of said net proceeds among the following three special revenue accounts for the purpose of maintaining a reasonable balance in each special revenue account, which are hereby continued in the State Treasury:

(1) The Solid Waste Enforcement Fund which shall be expended by the secretary for administration, inspection, enforcement, and permitting activities established pursuant to this article;

(2) The Solid Waste Management Board Reserve Fund which shall be exclusively dedicated to providing a reserve fund for the issuance and security of solid waste disposal revenue bonds issued by the Solid Waste Management Board pursuant to §22C-3-1 et seq. of this code; and

(3) The Solid Waste Reclamation and Environmental Response Fund which may be expended by the secretary for the purposes of reclamation, cleanup, and remedial actions intended to minimize or mitigate damage to the environment, natural resources, public water supplies, water resources, and the public health, safety, and welfare which may result from open dumps or solid waste not disposed of in a proper or lawful manner.

(i) Findings. — In addition to the purposes and legislative findings set forth in §22-15-1 of this code, the Legislature finds as follows:
(1) In-state and out-of-state locations producing solid waste should bear the responsibility of disposing of said solid waste or compensate other localities for costs associated with accepting the solid waste;

(2) The costs of maintaining and policing the streets and highways of the state and its communities are increased by long distance transportation of large volumes of solid waste; and

(3) Local approved solid waste facilities are being prematurely depleted by solid waste originating from other locations.

(j) The Gas Field Highway Repair and Horizontal Drilling Waste Study Fund is hereby created as a special revenue fund in the State Treasury to be administered by the West Virginia Division of Highways and to be expended only on the improvement, maintenance, and repair of public roads of three lanes or less located in the Division of Highways district where the waste is deposited that are identified by the Commissioner of Highways as having been damaged by trucks and other traffic associated with horizontal well drilling sites or the disposal of waste generated by the sites, and that experience congestion caused, in whole or in part, by the trucks and traffic that interferes with the use of said roads by residents in the vicinity of the roads: Provided, That up to $750,000 from the fund shall be made available to the Department of Environmental Protection from the same fund to offset contracted costs incurred by the Department of Environmental Protection while undertaking the horizontal drilling waste disposal studies mandated by the provisions of §22-15-8(j) of this code. Any balance remaining in the special revenue account at the end of any fiscal year shall not revert to the General Revenue Fund but shall remain in the special revenue account and shall be used solely in a manner consistent with this section. The fund shall consist of the fee provided for in subsection (k) of this section.
(k) *Horizontal drilling waste assessment fee.* — An additional solid waste assessment fee is hereby imposed upon the disposal of drill cuttings and drilling waste generated by horizontal well sites in the amount of $1 per ton, which fee is in addition to all other fees and taxes levied by this section or otherwise and shall be added to and constitute part of any other fee charged by the operator or owner of the solid waste disposal facility: *Provided,* That the horizontal drilling waste assessment fee shall be collected and administered in the same manner as the solid waste assessment fee imposed by this section, but shall be imposed only upon the disposal of drill cuttings and drilling waste generated by horizontal well sites.

(2) Upon entering into an expedited permit process and meeting all the criteria set forth in this article, the secretary shall issue or deny a permit within 45 days of the submission of a permit application under this article, unless the secretary seeks additional information or modification from the applicant, which would toll the 45 day period until the
secretary receives the required responsive information from the applicant.

(3) Each day the agency exceeds: (A) The 45-day deadline for approval or denial of an expedited initial horizontal well drilled, the secretary shall refund $1,333.33 per day up to and including day 60 after the submission of a permit application until the expedited fee is reduced to the normal permit fee amount; or (B) the 45-day deadline for approval or denial of an expedited permit for any additional horizontal well drilled on a single well pad at the same location, the secretary shall be required to refund $666.66 per day up to and including day 60 after the submission of a permit application, until the expedited fee is reduced to the normal permit fee amount.

(4)(A) After all refunds are paid by the secretary, one half of the additional expedited permit fee shall be deposited in the Oil and Gas Operating Permit and Processing Fund and shall be used by the agency to cover costs to review, process, and approve or deny the applicable horizontal well permit applications and modifications pending before the agency, but not to exceed $1 million annually in combination with proceeds received through §22-6A-7(i)(4)(A) of this code and any residuary fee proceeds to be distributed as set forth in §22-6A-7(h)(4)(B) of this code.

(B) After all refunds are paid by the secretary, one half of the additional expedited permit fee, plus any residuary as set forth in §22-6A-7(h)(4)(A) of this code, shall be deposited in the Oil and Gas Reclamation Fund and used specifically for the reclamation and plugging of orphaned oil or gas wells.

(i)(1) An applicant may enter into an expedited permit modification application process with the secretary for a well permit and pay an expedited permit modification fee of $5,000 for the modification of the permit for any horizontal well drilled at a location: Provided, That deep well permit modifications are excluded from this expedited permit
modification process if the modification is subject to independent board review and approval.

(2) Upon entering into an expedited permit modification process and meeting all the criteria set forth in this article, the secretary shall issue or deny a permit modification within 20 days of the submission of a permit modification application under this article, unless the secretary seeks additional information or further modification from the applicant, which would toll the 20 day period until the secretary receives the required responsive information from the applicant.

(3) Each day the agency exceeds the 20-day deadline for approval or denial of an expedited horizontal well permit modification, the secretary shall refund $500 per day up to and including day 30 after the submission of an expedited permit modification application, until the expedited permit modification fee of $5,000 is reduced to zero.

(4)(A) After all refunds are paid by the secretary, one half of the expedited permit modification fee shall be deposited in the Oil and Gas Operating Permit and Processing Fund and shall be used by the agency to cover costs to review, process, and approve or deny the applicable horizontal well permit applications and modifications pending before the agency, but not to exceed $1 million annually in combination with proceeds received through §22-6A-7(h)(4)(A) of this code and any residuary fee proceeds to be distributed as set forth in §22-6A-7(i)(4)(B) of this code.

(j) Any balance in the Oil and Gas Reclamation Fund, earmarked specifically for the reclamation and plugging of orphaned oil or gas wells pursuant to §22-6A-7(h)(4)(B) and §22-6A-7(i)(4)(B) of this code, which remains at the end of any state fiscal year does not revert to the General Revenue Fund but shall remain in the special revenue account as indicated and may be used only as provided in §22-6-29(b) of this code. The revenues deposited in the Oil and Gas Reclamation Fund, earmarked specifically for the reclamation and plugging of orphaned oil or gas wells pursuant to §22-6A-7(h)(4)(B) and §22-6A-7(i)(4)(B) of this code may not be designated as nonaligned state special revenue funds under §11B-2-32 of this code.

(k) The well operator named in the application shall designate the name and address of an agent for the operator who is the attorney-in-fact for the operator and who is a resident of the State of West Virginia upon whom notices, orders, or other communications issued pursuant to this article or §22-11-1 et seq. of this code may be served, and upon whom process may be served. Every well operator required to designate an agent under this section shall, within five days after the termination of the designation, notify the secretary of the termination and designate a new agent.

(l) The well owner or operator shall install the permit number as issued by the secretary and a contact telephone number for the operator in a legible and permanent manner to the well upon completion of any permitted work. The dimensions, specifications, and manner of installation shall be in accordance with the rules of the secretary.

(m) The secretary may waive the requirements of this section and §22-6A-8, §22-6A-10, §22-6A-11, and §22-6A-24 of this code in any emergency situation if the secretary considers the action necessary. In that case the secretary may issue an emergency permit which is effective for not more than 30 days, unless reissued by the secretary.

(n) The secretary shall deny the issuance of a permit if the secretary determines that the applicant has committed a substantial violation of a previously issued permit for a
horizontal well, including the applicable erosion and sediment control plan associated with the previously issued permit, or a substantial violation of one or more of the rules promulgated under this article, and in each instance has failed to abate or seek review of the violation within the time prescribed by the secretary pursuant to the provisions of §22-6A-5(a)(1) and §22-6A-5(a)(2) of this code and the rules promulgated hereunder, which time may not be unreasonable.

(o) If the secretary finds that a substantial violation has occurred and that the operator has failed to abate or seek review of the violation in the time prescribed, the secretary may suspend the permit on which the violation exists, after which suspension the operator shall forthwith cease all well work being conducted under the permit. However, the secretary may reinstate the permit without further notice, at which time the well work may be continued. The secretary shall make written findings of the suspension and may enforce the same in the circuit courts of this state. The operator may appeal a suspension pursuant to the provisions of §22-6A-5(a)(23) of this code. The secretary shall make a written finding of any such determination.

(p) Any well work permit issued in accordance with this section may be transferred with the prior written approval of the secretary upon his or her finding that the proposed transferee meets all requirements for holding a well work permit, notwithstanding any other provision of this article or rule adopted pursuant to this article. Application for the transfer of any well work permit shall be upon forms prescribed by the secretary and submitted with a permit transfer fee of $500. Within 90 days of the receipt of approval by the secretary, the transferee shall give notice of the transfer to those persons entitled to notice in §22-6A-10(b) of this code by personal service or by registered mail or by any method of delivery that requires a receipt or signature confirmation, and shall further update the emergency point of contact provided pursuant to subdivision (13), subsection (b) of this section.

(c) The revenues collected from the annual certification fee shall be deposited in the State Treasury to the credit of the Hazardous Waste Management Fee Fund, which is continued. Moneys of the fund, together with any interest or other return earned on the fund, shall be expended to meet the matching requirements of federal grant programs which support the hazardous waste management program. Amounts collected which are found, from time to time, to exceed the funds needed for purposes set forth in this article may be transferred to other accounts by appropriation of the Legislature.
(d) The fee provided in subsection (b) of this section and the fund established in subsection (c) of this section shall terminate on June 30, 2025. The department shall, by December 31 of each year, report to the Joint Committee on Government and Finance regarding moneys collected into the Hazardous Waste Management Fee Fund and expenditures by the agency, including any federal matching moneys received and providing an accounting on the collection of the fee by type of permit activity, funds being expended and current and future projected balances of the fund.

(2) The duty of a trustee to act in good faith and in accordance with the terms and purposes of the trust but subject to the provisions of §44D-8A-901, §44D-8A-1101, and §44D-8A-1201 of this code;

(2) A trust director’s principal place of business is located in, or a trust director is a resident of the designated jurisdiction; or

(3) All or part of the administration occurs in the designated jurisdiction.

(c) When the proposed transfer of a trust’s principal place of administration is to another state or to a jurisdiction outside of the United States, the trustee shall notify the current beneficiaries of a proposed transfer of a trust’s principal place of administration not less than 60 days before initiating the transfer. §44D-6-603. Grantor’s powers; powers of withdrawal.

(a) While a trust is revocable and the grantor has capacity to revoke the trust, rights of the beneficiaries are subject to the control of, and the duties of the trustee are owed exclusively to, the grantor.

(b) During the period the power may be exercised, the holder of a power of withdrawal has the rights of a grantor of a revocable trust under this section to the extent of the property subject to the power.

ARTICLE 7. OFFICE OF THE TRUSTEE.

§44D-7-703. Cotrustees.

(a) Unless otherwise provided in the terms of the trust instrument, cotrustees who are unable to reach a unanimous decision may act by majority decision. Unless otherwise provided by the trust instrument, when a dispute arises among trustees as to the exercise or nonexercise of any of their powers and there is no agreement by a majority of them, the court in its discretion upon a petition filed by any of the trustees, the grantor, if living, a qualified beneficiary, or any interested person, may direct the exercise or nonexercise of the power as it considers necessary for the best interest of the trust.

(b) If a vacancy occurs in a cotrusteeship, the remaining cotrustees may act for the trust, unless otherwise provided in the terms of the trust instrument.

(c) Subject to the provisions of §44D-8A-801 et seq. of this code, a cotrustee must participate in the performance of a trustee’s function unless the cotrustee is unavailable to perform the function because of absence, illness, disqualification under other law, or other temporary incapacity or the cotrustee has properly delegated the performance of the function to another trustee.

(d) If a cotrustee is unavailable to perform duties because of absence, illness, disqualification under other law, or other temporary incapacity, and prompt action is necessary to achieve the purposes of the trust or to avoid injury to the trust property, the remaining cotrustee or a majority of the remaining cotrustees may act for the trust.

(e) A trustee may delegate to a cotrustee the performance of a function other than a function that the terms of the trust expressly require to be performed by the trustees jointly. Unless a delegation was irrevocable, a trustee may revoke a delegation of a function previously made.
(f) Except as otherwise provided in subsection (g) of this section, a trustee who does not join in an action of another trustee is not liable for the action.

(g) Subject to the provisions of §44D-8A-801 et seq. of this code, each trustee shall exercise reasonable care to:

(1) Prevent a cotrustee from committing a serious breach of trust; and

(2) Compel a cotrustee to redress a serious breach of trust.

(h) A dissenting trustee who joins in an action at the direction of the majority of the trustees and who notifies any cotrustee of the dissent at or before the time of the action is not liable for the action unless the action is a serious breach of trust.

ARTICLE 8. DUTIES AND POWERS OF TRUSTEE.

§44D-8-808. Powers to direct.

The terms of a trust instrument which confer upon a person other than the grantor of a revocable trust power to direct certain actions of the trustee are governed by the provisions of the West Virginia Uniform Directed Trust Act contained in §44D-8A-801 et seq. of this code.

ARTICLE 8A. WEST VIRGINIA UNIFORM DIRECTED TRUST ACT.

This article may be cited as the West Virginia Uniform Directed Trust Act.

In addition to the definitions contained in §44D-1-103 of this code, as used in this article:

(1) “Breach of trust” means a violation by a trust director or trustee of a duty imposed on that director or
trustee by the terms of the trust, this article, or law of this state, other than this article pertaining to trusts.

(2) “Directed trust” means a trust for which the terms of the trust grant a power of direction.

(3) “Directed trustee” means a trustee that is subject to a trust director’s power of direction.

(4) “Power of direction” means a power over a trust granted to a person by the terms of the trust to the extent the power is exercisable while the person is not serving as a trustee. The term includes a power over the investment, management, or distribution of trust property or other matters of trust administration. The term excludes the powers described in §44D-8A-501(b) of this code.

(5) “Trust director” means a person that is granted a power of direction by the terms of a trust to the extent the power is exercisable while the person is not serving as a trustee. The person is a trust director whether or not the terms of the trust refer to the person as a trust director and whether or not the person is a beneficiary or grantor of the trust.

(6) “Knowingly” means known by the trustee based on the contents of the direction and any information provided by the trust director to the trustee.

(7) “Willful misconduct” means intentional malicious conduct or conduct intentionally designed to defraud or seek an unconscionable advantage and which is not mere negligence, gross negligence, or recklessness.

§44D-8A-803. Application; principal place of administration.

The provisions of the West Virginia Uniform Directed Trust Act apply to a trust, whenever created, that has its principal place of administration in this state, subject to the following rules:

The common law and principles of equity supplement this article, except to the extent modified by this article or law of this state other than this article.

(a) In this section, “power of appointment” means a power that enables a person acting in a nonfiduciary capacity to designate a recipient of an ownership interest in or another power of appointment over trust property.

(b) This article does not apply to a:

(1) Power of appointment;

(2) Power to appoint or remove a trustee or trust director;

(3) Power of a grantor over a trust to the extent the grantor has a power to revoke the trust;

(4) Power of a beneficiary over a trust to the extent the exercise or nonexercise of the power affects the beneficial interest of:

(A) The beneficiary; or

(B) Another beneficiary represented by the beneficiary under §44D-3-301, §44D-3-302, §44D-3-303, §44D-3-304, and §44D-3-305 of this code with respect to the exercise or nonexercise of the power; or
(5) Power over a trust if:

(A) The terms of the trust provide that the power is held in a nonfiduciary capacity; and

(B) The power must be held in a nonfiduciary capacity to achieve the grantor’s tax objectives under the United States Internal Revenue Code of 1986 and regulations issued thereunder.

(c) Unless the terms of a trust provide otherwise, a power granted to a person to designate a recipient of an ownership interest in or power of appointment over trust property which is exercisable while the person is not serving as a trustee is a power of appointment and not a power of direction.

(a) Subject to §44D-8A-807 of this code, the terms of a trust may grant a power of direction to a trust director.

(b) Unless the terms of a trust provide otherwise:

(1) A trust director may exercise any further power appropriate to the exercise or nonexercise of a power of direction granted to the director under subsection (a) of this section; and

(2) Trust directors with joint powers must act by majority decision.

§44D-8A-807. Limitations on trust director.

A trust director is subject to the same rules as a trustee in a like position and under similar circumstances in the exercise or nonexercise of a power of direction or further power under §44D-8A-806(b)(1) of this code regarding:

(1) A payback provision in the terms of a trust necessary to comply with the reimbursement requirements of Medicaid law in Section 1917 of the Social Security Act, 42

(a) Subject to subsection (b) of this section, with respect to a power of direction or further power under §44D-8A-806(b)(1) of this code:

(1) A trust director has the same fiduciary duty and liability in the exercise or nonexercise of the power:

(A) If the power is held individually, as a sole trustee in a like position and under similar circumstances; or

(B) If the power is held jointly with a trustee or another trust director, as a cotrustee in a like position and under similar circumstances; and

(2) The terms of the trust may vary the director’s duty or liability to the same extent the terms of the trust could vary the duty or liability of a trustee in a like position and under similar circumstances.

(b) Unless the terms of a trust provide otherwise, if a trust director is licensed, certified, or otherwise authorized or permitted by law other than in §44D-8A-801 et seq. of this code to provide health care in the ordinary course of the director’s business or practice of a profession, to the extent the director acts in that capacity, the director has no duty or liability under this article.

(c) The terms of a trust may impose a duty or liability on a trust director in addition to the duties and liabilities under this section.
§44D-8A-809. Duty and liability of directed trustee.

(a) Subject to subsection (b) of this section, a directed trustee shall take reasonable action to comply with a trust director’s exercise or nonexercise of a power of direction or further power under §44D-8A-806(b)(1) of this code, and the trustee is not liable for the action.

(b) A directed trustee must not comply with a trust director’s exercise or nonexercise of a power of direction or further power under §44D-8A-806(b)(1) of this code to the extent that the directed trustee is thereby directed knowingly to violate the laws or regulations of any jurisdiction applicable to the trust. The directed trustee may reasonably rely upon the advice of legal counsel to determine what actions would be consistent with or contrary to applicable law. Reasonable expenses incurred by the directed trustee in good faith for legal advice concerning an instruction from a trust director or a petition to the court for instructions shall be proper expenses of the trust.

(c) An exercise of a power of direction under which a trust director may release a trustee or another trust director from liability for breach of trust is not effective if:

(1) The breach involved the trustee’s or other director’s willful misconduct;

(2) The release was induced by improper conduct of the trustee or other director in procuring the release; or

(3) At the time of the release, the director did not know the material facts relating to the breach.

(d) A directed trustee that has reasonable doubt about its duty under this section may petition the court for instructions.

(e) The terms of a trust may impose a duty or liability on a directed trustee in addition to the duties and liabilities under this section.
§44D-8A-810. Duty to provide information to trust director or trustee.

(a) Subject to §44D-8A-811 of this code, a trustee shall provide information to a trust director to the extent the information is reasonably related both to:

(1) The powers or duties of the trustee; and

(2) The powers or duties of the director.

(b) Subject to §44A-8A-811 of this code, a trust director shall provide information to a trustee or another trust director to the extent the information is reasonably related both to:

(1) The powers or duties of the director; and

(2) The powers or duties of the trustee or other director.

(c) A trustee that acts in reliance upon information provided by a trust director is not liable for a breach of trust to the extent the breach resulted from the reliance, unless by so acting the trustee engages in willful misconduct.

(d) A trust director that acts in reliance upon information provided by a trustee or another trust director is not liable for a breach of trust to the extent the breach resulted from the reliance, unless by so acting the trust director engages in willful misconduct.

§44D-8A-811. No duty to monitor, inform, or advise.

(a) Unless the terms of a trust provide otherwise:

(1) A trustee does not have a duty to:

(A) Monitor a trust director; or

(B) Inform or give advice to a grantor, beneficiary, trustee, or trust director concerning an instance in which the trustee might have acted differently than the director; and
(2) By taking an action described in §44D-8A-811(a)(1) of this code, a trustee does not assume the duty excluded by §44D-8A-811(a)(1) of this code.

(b) Unless the terms of a trust provide otherwise:

(1) A trust director does not have a duty to:

(A) Monitor a trustee or another trust director; or

(B) Inform or give advice to a grantor, beneficiary, trustee, or another trust director concerning an instance in which the director might have acted differently than a trustee or another trust director; and

(2) By taking an action described in §44D-8A-811(b)(1) of this code, a trust director does not assume the duty excluded by §44D-8A-811(b)(1) of this code.

The terms of a trust may relieve a cotrustee from duty and liability with respect to another cotrustee’s exercise or nonexercise of a power of the other cotrustee to the same extent that in a directed trust a directed trustee is relieved from duty and liability with respect to a trust director’s power of direction under §44D-8A-809, §44D-8A-810, and §44D-8A-811 of this code.

§44D-8A-813. Limitation of action against trust director.

(a) An action against a trust director for breach of trust must be commenced within the same limitation period as provided in §44D-10-1005 of this code for an action for breach of trust against a trustee in a like position and under similar circumstances.

(b) A report or accounting has the same effect on the limitation period for an action against a trust director for breach of trust that the report or accounting would have under §44D-10-1005 of this code in an action for breach of
trust against a trustee in a like position and under similar circumstances.

§44D-8A-814. Defenses in action against trust director.

In an action against a trust director for breach of trust, the director may assert the same defenses a trustee in a like position and under similar circumstances could assert in an action for breach of trust against the trustee.

§44D-8A-815. Jurisdiction over trust director.

(a) By accepting appointment as a trust director of a trust subject to this article, the director submits to personal jurisdiction of the courts of this state regarding any matter related to a power or duty of the director.

(b) §44D-8A-815 of this code does not preclude other methods of obtaining jurisdiction over a trust director.

Unless the terms of a trust provide otherwise, the rules applicable to a trustee apply to a trust director regarding the following matters:

(1) Acceptance under §44D-7-701 of this code;

(2) Giving of bond to secure performance under §44D-7-702 of this code;

(3) Reasonable compensation under §44D-7-708 of this code;

§44D-8A-817. Effective date.

This article takes effect on July 1, 2020.

In addition to all other remedies available for the collection of debts due this state, the Tax Commissioner may proceed by foreclosure of the lien provided in §11-10-12 of this code, or by levy and distraint under §11-10-13 of this code.

(b) Prerequisite to final settlement of contracts with nonresident contractor; user personally liable. —

(1) Any person contracting with a nonresident contractor subject to the taxes imposed by §11-13-1 et seq., §11-21-1 et seq., and §11-24-1 et seq. of this code, shall withhold payment, in the final settlement of the contract, of a sufficient amount, not exceeding six percent of the

(2) If any person shall fail to withhold as provided in
subdivision (1) of this subsection, that person is personally
liable for the payment of all taxes attributable to the

taxes attributable shall be recoverable by the Tax
Commissioner by appropriate legal proceedings, which may
include issuance of an assessment under this article.

(c) Prerequisite for issuance of certificate of dissolution
or withdrawal of corporation. — The Secretary of State
shall withhold the issuance of any certificate of dissolution
or withdrawal in the case of any corporation organized
under the laws of this state, or organized under the laws of
another state and admitted to do business in this state, until
the receipt of a certificate from the Tax Commissioner to the
effect that every tax administered under this article imposed
against any corporation has been paid or provided for, or
that the applicant is not liable for any tax administered under
this article.

(d) Prerequisite to final settlement of contract with this
state or political subdivision; penalty. — All state, county,
district, and municipal officers and agents making contracts
on behalf of this state or any political subdivision thereof
shall withhold payment, in the final settlement of any
contract, until the receipt of a certificate from the Tax
Commissioner to the effect that the taxes imposed by §11-
13-1 et seq., §11-21-1 et seq., and §11-24-1 et seq. of this
code against the contractor have been paid or provided for.
If the transaction embodied in the contract or the subject

The certificates of the Tax Commissioner provided in subsections (b), (c), and (d) of this section shall not bar subsequent investigations, assessments, refunds, and credits with respect to the taxpayer.

(f) Payment when person sells out or quits business; liability of successor; lien. —

(1) If any person subject to any tax administered under this article sells out his, her, or its business or stock of goods, or ceases doing business, any tax, additions to tax, penalties, and interest imposed by this article or any of the other articles of this chapter to which this article is applicable shall become due and payable immediately and that person shall, within 30 days after selling out his, her, or its business or stock of goods or ceasing to do business, make a final return or returns and pay any tax or taxes which are due. The unpaid amount of any tax is a lien upon the property of that person.

(2) The successor in business of any person who sells out his, her, or its business or stock of goods, or ceases doing business, is personally liable for the payments of tax, additions to tax, penalties, and interest unpaid after expiration of the 30-day period allowed for payment: Provided, That if the business is purchased in an arms-length transaction, and if the purchaser withholds so much of the consideration for the purchase as will satisfy any tax, additions to tax, penalties, and interest which may be due until the seller produces a receipt from the Tax Commissioner evidencing the payment thereof, the purchaser is not personally liable for any taxes attributable to the former owner of the business unless the contract of sale provides for the purchaser to be liable for some or all
of the taxes. The amount of tax, additions to tax, penalties, and interest for which the successor is liable is a lien on the property of the successor, which shall be enforced by the Tax Commissioner as provided in this article.

(g) **Priority in distribution of estate or property in receivership.** — All taxes due and unpaid under this article shall be paid from the first money available for distribution, voluntary or compulsory, in receivership, bankruptcy or otherwise, of the estate of any person or entity, subject to §38-10C-1 et seq. of this code and subject to the priority of taxes and debts due the United States which under federal law are given priority over the debts and liens created by this article.

(h) **Injunction.** — If the taxpayer fails for a period of more than 60 days to fully comply with any of the provisions of this article or of any other article of this chapter to which this article is applicable, the Tax Commissioner may institute a proceeding to secure an injunction to restrain the taxpayer from doing business in this state until the taxpayer fully complies with the provisions of this article or any other articles. No bond is required of the Tax Commissioner in any action instituted under this subsection.

(i) **Costs.** — In any proceeding under this section, upon judgment or decree for the Tax Commissioner, he or she shall be awarded his or her costs.

(j) **Refunds; credits; right to offset.** —

(1) Whenever a taxpayer has a refund or credit due it for an overpayment of any tax administered under this article, the Tax Commissioner may reduce the amount of the refund or credit by the amount of any tax administered under this article, whether it be the same tax or any other tax, which is owed by the same taxpayer and collectible as provided in subsection (a) of this section.
(2) The Tax Commissioner may enter into agreements with the Internal Revenue Service that provide for offsetting state tax refunds against federal tax liabilities; offsetting federal tax refunds against state tax liabilities; and establishing the amount of the offset fee per transaction which both agencies may charge each other: Provided, That offsets under subdivision (1) of this subsection shall occur prior to offsets under this subdivision. At the times moneys are received as a result of an offset of a taxpayer’s federal tax refund under the provisions of section 6402(e) of the Internal Revenue Code, the taxpayer is given credit against state tax liability for the amount of the offset less a deduction for the offset fee imposed by the Internal Revenue Service: Provided, however, That the amount of the offset fee imposed by the Internal Revenue Service shall be added to the taxes, interest, and penalties owed by the taxpayer to this state: Provided further, That the amount of the offset fee imposed by the Tax Commissioner shall be deducted from the moneys retained from the taxpayer’s state tax refund and then deposited in the special revolving fund which is hereby created and established in the State Treasury and designated as the Tax Offset Fee Administration Fund: And provided further, That the fees deposited in the Tax Offset Fee Administration Fund may be expended by the Tax Commissioner for the general administration of the taxes administered under the authority of this article.

(k) Spouse relieved of liability in certain cases. —

(1) In general. — Under regulations prescribed by the Tax Commissioner, if:

(A) A joint personal income tax return has been made for a taxable year;

(B) On the return there is a substantial understatement of tax attributable to grossly erroneous items of one spouse;
(C) The other spouse establishes that in signing the return he or she did not know, and had no reason to know, that there was a substantial understatement; and

(D) Taking into account all the facts and circumstances, it is inequitable to hold the other spouse liable for the deficiency in tax for the taxable year attributable to the substantial understatement, then the other spouse is relieved of any liability for tax, including interest, additions to tax, and other amounts for the taxable year to the extent the liability is attributable to the substantial understatement.

(2) Grossly erroneous items. — For purposes of this subsection, the term “grossly erroneous items” means, with respect to any spouse:

(A) Any item of gross income attributable to a spouse which is omitted from gross income; and

However, real property continues to be exempt from property taxes if it is leased to a nonprofit or governmental agency at substantially less than fair market value.

(c) Methods of acquisition. — A land reuse agency or municipal land bank may acquire real property or interests in real property by any means on terms and conditions and in a manner the land reuse agency considers proper: Provided, That a land reuse agency or municipal land bank may not acquire any interest in oil, gas, or minerals which have been severed from the realty.

Notwithstanding the provisions of §11A-3-8 of this code, if no person present at the tax sale bids the amount of the taxes, interest, and charges due on any unredeemed tract or lot or undivided interest in real estate offered for sale, the sheriff shall, prior to certifying the real estate to the Auditor for disposition pursuant to §11A-3-44 of this code, provide a list of all of said real estate within a land reuse or municipal land bank jurisdiction to the land reuse agency or municipal land bank and the land reuse agency or municipal land bank shall be given an opportunity to purchase the tax lien and pay the taxes, interest, and charges due for any unredeemed tract or lot or undivided interest therein as if the land reuse agency or municipal land bank were an individual who purchased the tax lien at the tax sale.

Any such property owner shall have a period of 120 days from the receipt of notice, actual or constructive, to express an interest in purchasing the tax-delinquent property from the land reuse agency or municipal land bank for an amount equal to the amount paid for the property plus expenses incurred by the land reuse agency or municipal land bank: Provided, That the land reuse agency or municipal land bank may refuse to sell the property to the adjacent property
owner that expressed interest in the tax-delinquent property if that property owner or an entity owned by the property owner or its directors is delinquent on any state and local taxes or municipal fees on any of their property.

[Passed March 2, 2020; in effect ninety days from passage.] [Approved by the Governor on March 25, 2020.]

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section, designated §36-4-9b, relating to the termination, expiration, or cancellation of oil or natural gas leases; providing a requirement for a lessee to execute and deliver to the lessor, within a specified time and without cost, a recordable release for terminated, expired, or canceled oil or natural gas leases; providing for a procedure by which a lessee may serve notice to a lessee if a lessee fails to timely provide the release; providing requirements for the content of the notice; requiring a lessee to timely notify the lessor in writing
of a dispute regarding the termination, expiration, or cancellation of the oil and natural gas lease; providing for an affidavit of termination, expiration, or cancellation with specified contents; and providing a requirement that county clerks accept and record said affidavit.

Be it enacted by the Legislature of West Virginia:

ARTICLE 4. COVENANTS.

§36-4-9b. Release of terminated, expired or canceled oil or natural gas leases.

(a) Unless a different time is required by the lease, within 60 days after the termination, expiration, or cancellation of an oil or natural gas lease, the lessee shall deliver to the lessor, without cost to the lessor, or his or her successors or assigns, a properly executed and notarized release of such lease in recordable form.

(b) If the lessee fails to provide a timely release as required by subsection (a) of this section, the lessor, or his or her successors or assigns, may serve notice of lessee’s failure to provide such release. The notice shall be made in good faith and contain the following:

(1) A statement that:

(A) The lease is terminated, expired, or canceled according to its terms, including the date of such termination, expiration, or cancellation;

(B) The lessee has a duty to provide a release pursuant to subsection (a) of this section; and

(C) If the release, or a written dispute to such termination, expiration, or cancellation, is not received by the lessor, or his or her successors or assigns, from the lessee within 60 days from receipt of the notice, the lessor, or his or her successors or assigns, shall have the right to file an
affidavit of termination, expiration, or cancellation under subsection (e) of this section;

(2) The name and address of the lessor, or his or her successors or assigns;

(3) A brief description of the land covered by the lease including, but not limited to, the state, county, tax district, tax map and parcel, watershed, historical farm name, or other identifying information;

(4) If there is a well on the land covered by the lease, the name or API number of the well, if known to the lessor, or his or her successors or assigns;

(5) If located in a unit, the name of the unit, if known, to the lessor, or his or her successors or assigns; and

(6) The recording information for the lease, or a memorandum of lease, in the public records of the county or counties, along with the execution date of the lease, and the identity of the original lessor and lessee under the lease.

(7) The notice when served shall include a service sheet showing the names and addresses of all persons upon whom the notice has been served.

(c) The notice shall be sent to the following persons as are shown by the lessor’s reasonable examination of the public records: (1) Lessee; (2) lessee’s assignee; (3) all other lessors; and (4) all other persons who have an interest in the leasehold estate or the oil and natural gas leased thereunder. A lessor’s inability to afford notice to everyone to whom notice is to be given thereunder does not relieve a lessee of its obligation to respond.

(d) Service of notice under subsections (b) and (c) of this section shall be effected either personally or by certified mail to the recipient’s last known business addresses, or, if service cannot reasonably be made by those means, by publication once a week for two weeks in a newspaper of
general circulation in the county or counties in which the  
lands covered by the lease are located.

(e) If, after receiving a notice of termination, expiration,  
or cancellation under subsections (b), (c), and (d) of this  
section, a lessee disputes in good faith that the oil or natural  
gas lease is terminated, expired, or canceled as stated in the  
otice, the lessee must, not more than 60 days after receipt  
of the notice, deliver a written dispute of the contents of the  
otice to the lessor, or his or her successors or assigns,  
detailing the good-faith basis for such dispute.

(f) A lessor, or his or her successors or assigns, who has  
served a notice under subsections (b), (c) and (d) of this  
section, and who fails to receive a timely dispute from a  
lessee under subsection (e) of this section, may record an  
affidavit of termination, expiration, or cancellation of an oil  
or natural gas lease in the office of the county clerk in the  
county or counties where the lands covered by the lease are  
situated. The county clerk of each county shall accept all  
such affidavits and shall enter and record them in the official  
records of that county and shall index each in the indices  
under the names, as they appear in the affidavit, of the  
original lessor, the original lessee, the lessor seeking the  
release, and the lessee identified in the affidavit.

(g) An affidavit of termination, expiration, or  
cancellation of an oil or a natural gas lease shall be in the  
form of an affidavit and contain the following information:

(1) The name and address of the affiant;

(2) The names and addresses of the lessor and lessee;

(3) If located in a unit, the name of the unit, if known to  
the affiant;

(4) If there is a well on the land, the name or API number  
of the well, if known to the affiant;
(5) The recording information for the lease, or a memorandum of same, in the public record of the county or counties where the interest is located, along with the execution date of the lease, and the names of the original lessors and lessees under the lease;

(6) A brief recitation of the facts known to the affiant relating to the termination, expiration, or cancellation of the lease, including relevant dates;

(7) A statement that the lessor, or its successors or assigns, complied with his or her duty to serve proper notice to the lessee under subsections (b), (c), and (d) of this section and that the lessee failed to provide a timely challenge to the notice as provided in subsection (e) of this section. The lessor’s affidavit shall have attached to it a copy of the notice made and served under subsections (b), (c), and (d) of this section including therewith a copy of the service sheet accompanying the notice; and

(8) The notarized signature of the affiant.

(h) A person who files an affidavit under this section shall serve a copy of the same upon all persons to whom notice was required to be given under subsections (b), (c), and (d) of this section in the same manner as notice was required to be served. The filing of an affidavit under this section does not constitute a modification of a lease, nor does it limit, waive, or prejudice any claim or defense of any party to the lease in law or in equity.

(i) A lessor’s, or his or her successors or assigns, decision not to use the provisions of this section is not evidence that a lease is still in effect.
AN ACT to amend and reenact §44-3-1 of the Code of West Virginia, 1931, as amended, relating to removing language restricting more than two fiduciary commissioners being from the same political party.

Be it enacted by the Legislature of West Virginia:

ARTICLE 3. FIDUCIARY COMMISSIONERS; POWERS AND DUTIES.

§44-3-1. Fiduciary commissioners.

1 The office previously known as commissioner of accounts is hereby abolished. 15 The fiduciary commissioner shall report to and settle accounts with the county clerk. On or before the last day of
March, June, September, and December, the fiduciary commissioner shall file with the county clerk a report on the status and disposition of every active case referred to the fiduciary commissioner. In the next succeeding term of the county commission, the county clerk shall provide a copy of the report to the county commission, and shall inform the county commission of any cases referred to a fiduciary commissioner in which the fiduciary commissioner has not fulfilled duties relating to the case in accordance with deadlines established by law. The county commission shall take appropriate action to ensure that all deadlines established by law are observed including, if necessary, the removal of fiduciary commissioners who consistently fail to meet the deadlines.

(b) On application of an authorized fiduciary, the court may approve:

(1) An increase in the fiduciary’s compensation under §44D-8B-16 of this code; or

(2) A modification under §44D-8B-18 of this code of a provision granting a person the right to remove or replace the fiduciary.

§44D-8B-10. Formalities.

An exercise of the decanting power must be made in a record signed by an authorized fiduciary. The signed record must, directly or by reference to the notice required by §44D-8B-7 of this code, identify the first trust and the second trust or trusts and state the property of the first trust being distributed to each second trust and the property, if any, that remains in the first trust.

§44D-8B-11. Decanting power under expanded distributive discretion.

(a) In this section:

(1) “Noncontingent right” means a right that is not subject to the exercise of discretion or the occurrence of a specified event that is not certain to occur. The term does not include a right held by a beneficiary if any person has discretion to distribute property subject to the right to any person other than the beneficiary or the beneficiary’s estate.

(2) “Presumptive remainder beneficiary” means a qualified beneficiary other than a current beneficiary.

(3) “Successor beneficiary” means a beneficiary that is not a qualified beneficiary on the date the beneficiary’s qualification is determined. The term does not include a
person that is a beneficiary only because the person holds a nongeneral power of appointment.

(4) “Vested interest” means:

(A) A right to a mandatory distribution that is a noncontingent right as of the date of the exercise of the decanting power;

(B) A current and noncontingent right, annually or more frequently, to a mandatory distribution of income, a specified dollar amount, or a percentage of value of some or all of the trust property;

(C) A current and noncontingent right, annually or more frequently, to withdraw income, a specified dollar amount, or a percentage of value of some or all of the trust property;

(D) A presently exercisable general power of appointment; or

(E) A right to receive an ascertainable part of the trust property on the trust’s termination which is not subject to the exercise of discretion or to the occurrence of a specified event that is not certain to occur.

(b) Subject to subsection (c) of this section and §44D-8B-14 of this code, an authorized fiduciary that has expanded distributive discretion over the principal of a first trust for the benefit of one or more current beneficiaries may exercise the decanting power over the principal of the first trust.

(c) Subject to §44D-8B-13 of this code, in an exercise of the decanting power under this section, a second trust may not:

(1) Include as a current beneficiary a person that is not a current beneficiary of the first trust, except as otherwise provided in subsection (d) of this section;
(2) Include as a presumptive remainder beneficiary or successor beneficiary a person that is not a current beneficiary, presumptive remainder beneficiary, or successor beneficiary of the first trust, except as otherwise provided in subsection (d) of this section; or

(3) Reduce or eliminate a vested interest.

(d) Subject to subdivision (3), subsection (c) of this section and §44D-8B-14 of this code, in an exercise of the decanting power under this section, a second trust may be a trust created or administered under the law of any jurisdiction and may:

(1) Retain a power of appointment granted in the first trust;

(2) Omit a power of appointment granted in the first trust, other than a presently exercisable general power of appointment;

(3) Create or modify a power of appointment if the powerholder is a current beneficiary of the first trust and the authorized fiduciary has expanded distributive discretion to distribute principal to the beneficiary; and

(4) Create or modify a power of appointment if the powerholder is a presumptive remainder beneficiary or successor beneficiary of the first trust, but the exercise of the power may take effect only after the powerholder becomes, or would have become if then living, a current beneficiary.

(e) A power of appointment described in subdivisions (1) through (4), inclusive, subsection (d) of this section may be general or nongeneral. The class of permissible appointees in favor of which the power may be exercised may be broader than or different from the beneficiaries of the first trust.
(f) If an authorized fiduciary has expanded distributive discretion over part, but not all of the principal of a first trust, the fiduciary may exercise the decanting power under this section over that part of the principal over which the authorized fiduciary has expanded distributive discretion.

§44D-8B-12. Decanting power under limited distributive discretion.

(a) In this section, “limited distributive discretion” means a discretionary power of distribution that is limited to an ascertainable standard or a reasonably definite standard.

(b) An authorized fiduciary that has limited distributive discretion over the principal of the first trust for benefit of one or more current beneficiaries may exercise the decanting power over the principal of the first trust.

(c) Under this section and subject to §44D-8B-14 of this code, a second trust may be created or administered under the law of any jurisdiction. Under this section, the second trusts, in the aggregate, must grant each beneficiary of the first trust beneficial interests which are substantially similar to the beneficial interests of the beneficiary in the first trust.

(d) A power to make a distribution under a second trust for the benefit of a beneficiary who is an individual is substantially similar to a power under the first trust to make a distribution directly to the beneficiary. A distribution is for the benefit of a beneficiary if:

(1) The distribution is applied for the benefit of the beneficiary;

(2) The beneficiary is under a legal disability or the trustee reasonably believes the beneficiary is incapacitated, and the distribution is made as permitted under this chapter; or
(3) The distribution is made as permitted under the

terms of the first-trust instrument and the second-trust

instrument for the benefit of the beneficiary.

(e) If an authorized fiduciary has limited distributive
discretion over part, but not all of, the principal of a first
trust, the fiduciary may exercise the decanting power under
this section over that part of the principal over which the
authorized fiduciary has limited distributive discretion.

(a) In this section:

(1) “Beneficiary with a disability” means a beneficiary

of a first trust who the special-needs fiduciary believes may
qualify for governmental benefits based on disability,
whether or not the beneficiary currently receives those
benefits or is an individual who has been adjudicated a
protected person.

(2) “Governmental benefits” means financial aid or
services from a state, federal, or other public agency.

(3) “Special-needs fiduciary” means, with respect to a
trust that has a beneficiary with a disability:

(A) A trustee or other fiduciary, other than a grantor,
that has discretion to distribute part or all of the principal of
a first trust to one, or more current beneficiaries;

(B) If no trustee or fiduciary has discretion under
paragraph (A) of this subdivision, a trustee or other
fiduciary, other than a grantor, that has discretion to
distribute part, or all of, the income of the first trust to one
or more current beneficiaries; or

(C) If no trustee or fiduciary has discretion under
paragraphs (A) and (B) of this subdivision, a trustee or other
fiduciary, other than a grantor, that is required to distribute
part, or all of, the income or principal of the first trust to one
or more current beneficiaries.

(4) “Special-needs trust” means a trust the trustee
believes would not be considered a resource for purposes of
determining whether a beneficiary with a disability is
eligible for governmental benefits.

(b) A special-needs fiduciary may exercise the
decanting power under §44D-8B-11 of this code over the
principal of a first trust as if the fiduciary had authority to
distribute principal to a beneficiary with a disability subject
to expanded distributive discretion if:

(1) A second trust is a special-needs trust that benefits
the beneficiary with a disability; and

(2) The special-needs fiduciary determines that exercise
of the decanting power will further the purposes of the first
trust.

(c) In an exercise of the decanting power under this
section, the following rules apply:

(1) Notwithstanding §44D-8B-11(c)(2) of this code, the
interest in the second trust of a beneficiary with a disability
may:

(A) Be a pooled trust as defined by Medicaid law for the
benefit of the beneficiary with a disability under 42 U.S.C.
§1396p(d)(4)(C); or

(B) Contain payback provisions complying with
reimbursement requirements of Medicaid law under 42

(2) Section 44D-8B-11(c)(3) of this code does not apply
to the interests of the beneficiary with a disability.

(3) Except as affected by any change to the interests of
the beneficiary with a disability, the second trust, or if there
are two or more second trusts, the second trusts in the aggregate, must grant each other beneficiary of the first trust beneficial interests in the second trusts which are substantially similar to the beneficiary’s beneficial interests in the first trust.

§44D-8B-14. Protection of charitable interest.

(a) In this section:

(1) “Determinable charitable interest” means a charitable interest that is a right to a mandatory distribution currently, periodically, on the occurrence of a specified event, or after the passage of a specified time and which is unconditional or will be held solely for charitable purposes.

(2) “Unconditional” means not subject to the occurrence of a specified event that is not certain to occur, other than a requirement in a trust instrument that a charitable organization be in existence or qualify under a particular provision of the United States Internal Revenue Code of 1986 on the date of the distribution, if the charitable organization meets the requirement on the date of determination.

(b) If a first trust contains a determinable charitable interest which is not held by an identified charitable organization, the Attorney General has the rights of a qualified beneficiary and may represent and bind the charitable interest.

(c) If a first trust contains a charitable interest, the second trust or trusts may not:

(1) Diminish the charitable interest;

(2) Diminish the interest of an identified charitable organization that holds the charitable interest;

(3) Alter any charitable purpose stated in the first-trust instrument; or
(4) Alter any condition or restriction related to the charitable interest.

(d) If there are two or more second trusts, the second trusts shall be treated as one trust for purposes of determining whether the exercise of the decanting power diminishes the charitable interest or diminishes the interest of an identified charitable organization for purposes of subsection (c) of this section.

(e) If a first trust contains a determinable charitable interest which is not held by an identified charitable organization, the second trust or trusts that include a charitable interest pursuant to subsection (c) of this section must be administered under the law of this state unless:

(1) The Attorney General, after receiving notice under §44D-8B-7 of this code, fails to object in a signed record delivered to the authorized fiduciary within the notice period;

(2) The Attorney General consents in a signed record to the second trust or trusts being administered under the law of another jurisdiction; or

(3) The court approves the exercise of the decanting power.

§44D-8B-15. Trust limitation on decanting.

(a) An authorized fiduciary may not exercise the decanting power to the extent the first-trust instrument expressly prohibits exercise of:

(1) The decanting power; or

(2) A power granted by state law to the fiduciary to distribute part, or all of, the principal of the trust to another trust or to modify the trust.
(b) Exercise of the decanting power is subject to any restriction in the first-trust instrument that expressly applies to exercise of:

(1) The decanting power; or

(2) A power granted by state law to a fiduciary to distribute part, or all of, the principal of the trust to another trust or to modify the trust.

(c) A general prohibition of the amendment or revocation of a first trust, a spendthrift clause, or a clause restraining the voluntary or involuntary transfer of a beneficiary’s interest does not preclude exercise of the decanting power.

(d) Subject to subsections (a) and (b) of this section, an authorized fiduciary may exercise the decanting power under this article even if the first-trust instrument permits the authorized fiduciary or another person to modify the first-trust instrument or to distribute part, or all of, the principal of the first trust to another trust.

(e) If a first-trust instrument contains an express prohibition described in subsection (a) of this section or an express restriction described in subsection (b) of this section, the provision must be included in the second-trust instrument.

§44D-8B-16. Change in compensation.

(a) If a first-trust instrument specifies an authorized fiduciary’s compensation, the fiduciary may not exercise the decanting power to increase the fiduciary’s compensation above the specified compensation unless:

(1) All qualified beneficiaries of the second trust consent to the increase in a signed record; or

(2) The increase is approved by the court.
(b) If a first-trust instrument does not specify an authorized fiduciary’s compensation, the fiduciary may not exercise the decanting power to increase the fiduciary’s compensation above the compensation permitted by this chapter unless:

(1) All qualified beneficiaries of the second trust consent to the increase in a signed record; or

(2) The increase is approved by the court.

(c) A change in an authorized fiduciary’s compensation which is incidental to other changes made by the exercise of the decanting power is not an increase in the fiduciary’s compensation for purposes of subsections (a) and (b) of this section.

§44D-8B-17. Relief from liability and indemnification.

(a) Except as otherwise provided in this section, a second-trust instrument may not relieve an authorized fiduciary from liability for breach of trust to a greater extent than the first-trust instrument.

(b) A second-trust instrument may provide for indemnification of an authorized fiduciary of the first trust or another person acting in a fiduciary capacity under the first trust for any liability or claim that would have been payable from the first trust if the decanting power had not been exercised.

(c) A second-trust instrument may not reduce fiduciary liability in the aggregate.

(d) Subject to subsection (c) of this section, a second-trust instrument may divide and reallocate fiduciary powers among fiduciaries, including one or more trustees, distribution advisors, investment advisors, trust protectors, or other persons, and relieve a fiduciary from liability for an act or failure to act of another fiduciary as permitted by law of this state other than this article.
§44D-8B-18. Removal or replacement of authorized fiduciary.

An authorized fiduciary may not exercise the decanting power to modify a provision in a first-trust instrument granting another person power to remove or replace the fiduciary unless:

1. The person holding the power consents to the modification in a signed record and the modification applies only to the person;
2. The person holding the power and the qualified beneficiaries of the second trust consent to the modification in a signed record and the modification grants a substantially similar power to another person; or
3. The court approves the modification and the modification grants a substantially similar power to another person.

(a) In this section:

1. “Grantor trust” means a trust as to which a grantor of a first trust is considered the owner under 26 U.S.C. §§671-677 or 26 U.S.C. §679.
3. “Nongrantor trust” means a trust that is not a grantor trust.
4. “Qualified benefits property” means property subject to the minimum distribution requirements of 26 U.S.C. §401(a)(9), and any applicable regulations, or to any similar requirements that refer to 26 U.S.C. §401(a)(9) or the regulations.

(b) An exercise of the decanting power is subject to the following limitations:
(1) If a first trust contains property that qualified, or would have qualified but for provisions of this article other than this section, for a marital deduction for purposes of the gift or estate tax under the Internal Revenue Code or a state gift, estate, or inheritance tax, the second-trust instrument must not include or omit any term that, if included in or omitted from the trust instrument for the trust to which the property was transferred, would have prevented the transfer from qualifying for the deduction, or would have reduced the amount of the deduction, under the same provisions of the Internal Revenue Code or state law under which the transfer qualified.

(2) If the first trust contains property that qualified, or would have qualified but for provisions of this article other than this section, for a charitable deduction for purposes of the income, gift, or estate tax under the Internal Revenue Code or a state income, gift, estate, or inheritance tax, the second-trust instrument must not include or omit any term that, if included in or omitted from the trust instrument for the trust to which the property was transferred, would have prevented the transfer from qualifying for the deduction, or would have reduced the amount of the deduction, under the same provisions of the Internal Revenue Code or state law under which the transfer qualified.

(3) If the first trust contains property that qualified, or would have qualified but for provisions of this article other than this section, for the exclusion from the gift tax described in 26 U.S.C. §2503(b), the second-trust instrument must not include or omit a term that, if included in or omitted from the trust instrument for the trust to which the property was transferred, would have prevented the transfer from qualifying under 26 U.S.C. §2503(b). If the first trust contains property that qualified, or would have qualified but for provisions of this article other than this section, for the exclusion from the gift tax described in 26 U.S.C. §2503(b) by application of 26 U.S.C. §2503(c), the second-trust instrument must not include or omit a term that,
if included or omitted from the trust instrument for the trust to which the property was transferred, would have prevented the transfer from qualifying under 26 U.S.C. §2503(c).

(4) If the property of the first trust includes shares of stock in an S corporation, as defined in 26 U.S.C. §1361 and the first trust is, or but for provisions of this article other than this section would be, a permitted shareholder under any provision of 26 U.S.C. §1361, an authorized fiduciary may exercise the power with respect to part or all of the S corporation stock only if any second trust receiving the stock is a permitted shareholder under 26 U.S.C. §1361(c)(2). If the property of the first trust includes shares of stock in an S corporation and the first trust is, or but for provisions of this article other than this section would be, a qualified subchapter-S trust within the meaning of 26 U.S.C. §1361(d), the second-trust instrument must not include or omit a term that prevents the second trust from qualifying as a qualified subchapter-S trust.

(5) If the first trust contains property that qualified, or would have qualified but for provisions of this article other than this section, for a zero inclusion ratio for purposes of the generation-skipping transfer tax under 26 U.S.C. §2642(c) the second-trust instrument must not include or omit a term that, if included in or omitted from the first-trust instrument, would have prevented the transfer to the first trust from qualifying for a zero inclusion ratio under 26 U.S.C. §2642(c).

(6) If the first trust is directly or indirectly the beneficiary of qualified benefits property, the second-trust instrument may not include or omit any term that, if included in or omitted from the first-trust instrument, would have increased the minimum distributions required with respect to the qualified benefits property under 26 U.S.C. §401(a)(9) and any applicable regulations, or any similar requirements that refer to 26 U.S.C. §401(a)(9) or the regulations. If an attempted exercise of the decanting power
violates the preceding sentence, the trustee is determined to have held the qualified benefits property and any reinvested distributions of the property as a separate share from the date of the exercise of the power and §2201 applies to the separate share.

(7) If the first trust qualifies as a grantor trust because of the application of 26 U.S.C. §672(f)(2)(A), the second trust may not include or omit a term that, if included in or omitted from the first-trust instrument, would have prevented the first trust from qualifying under 26 U.S.C. §672(f)(2)(A).

(8) In this subdivision, “tax benefit” means a federal or state tax deduction, exemption, exclusion, or other benefit not otherwise listed in this section, except for a benefit arising from being a grantor trust. Subject to subdivision (9) of this subsection, a second-trust instrument may not include or omit a term that, if included in or omitted from the first-trust instrument, would have prevented qualification for a tax benefit if:

(A) The first-trust instrument expressly indicates an intent to qualify for the benefit or the first-trust instrument clearly is designed to enable the first trust to qualify for the benefit; and

(B) The transfer of property held by the first trust or the first trust qualified, or but for provisions of this article other than this section, would have qualified for the tax benefit.

(9) Subject to subdivision (4) of this subsection:

(A) Except as otherwise provided in subdivision (7) of this subsection, the second trust may be a nongrantor trust, even if the first trust is a grantor trust; and

(B) Except as otherwise provided in subdivision (10) of this subsection, the second trust may be a grantor trust, even if the first trust is a nongrantor trust.
An authorized fiduciary may not exercise the decanting power if a grantor objects in a signed record delivered to the fiduciary within the notice period and:

(A) The first trust and a second trust are both grantor trusts, in whole or in part, the first trust grants the grantor or another person the power to cause the first trust to cease to be a grantor trust, and the second trust does not grant an equivalent power to the grantor or other person; or

(B) The first trust is a nongrantor trust and a second trust is a grantor trust, in whole or in part, with respect to the grantor, unless:

(i) The grantor has the power at all times to cause the second trust to cease to be a grantor trust; or

(ii) The first-trust instrument contains a provision granting the grantor or another person a power that would cause the first trust to cease to be a grantor trust and the second-trust instrument contains the same provision.

§44D-8B-20. Duration of second trust.

(a) Subject to subsection (b) of this section, a second trust may have a duration that is the same as or different from the duration of the first trust.

(b) To the extent that property of a second trust is attributable to property of the first trust, the property of the second trust is subject to any rules governing maximum perpetuity, accumulation, or suspension of the power of alienation which apply to property of the first trust.

§44D-8B-21. Need to distribute not required.

An authorized fiduciary may exercise the decanting power whether or not under the first trust’s discretionary distribution standard the fiduciary would have made or could have been compelled to make a discretionary distribution of principal at the time of the exercise.
§44D-8B-22. Saving provision.

(a) If exercise of the decanting power would be effective under this article except that the second-trust instrument in part does not comply with this article, the exercise of the power is effective and the following rules apply with respect to the principal of the second trust attributable to the exercise of the power:

(1) A provision in the second-trust instrument which is not permitted under this article is void to the extent necessary to comply with this article; and

(2) A provision required by this article to be in the second-trust instrument which is not contained in the instrument is considered to be included in the instrument to the extent necessary to comply with this article.

(b) If a trustee or other fiduciary of a second trust determines that subsection (a) of this section applies to a prior exercise of the decanting power, the fiduciary shall take corrective action consistent with the fiduciary’s duties.

§44D-8B-23. Trust for care of animal.

(a) In this section:

(1) “Animal trust” means a trust or an interest in a trust created to provide for the care of one or more animals.

(2) “Protector” means a person appointed in an animal trust to enforce the trust on behalf of the animal or, if no person is appointed in the trust, a person appointed by the court for that purpose.

(b) The decanting power may be exercised over an animal trust that has a protector to the extent the trust could be decanted under this article if each animal that benefits from the trust were an individual, if the protector consents in a signed record to the exercise of the power.
(c) A protector for an animal has the rights under this article of a qualified beneficiary.

(d) Notwithstanding any other provision of this article, if a first trust is an animal trust, in an exercise of the decanting power, the second trust must provide that trust property may be applied only to its intended purpose for the period the first trust benefitted the animal.

§44D-8B-24. Terms of second trust.

Any reference in this chapter to a trust instrument or terms of the trust includes a second-trust instrument and the terms of the second trust.

(a) For purposes of law of this state other than this article and subject to subsection (b) of this section, a grantor of a first trust is considered to be the grantor of the second trust with respect to the portion of the principal of the first trust subject to the exercise of the decanting power.

(b) In determining grantor intent with respect to a second trust, the intent of a grantor of the first trust, a grantor of the second trust, and the authorized fiduciary may be considered.

§44D-8B-26. Later-discovered property.

(a) Except as otherwise provided in subsection (c) of this section, if exercise of the decanting power was intended to distribute all the principal of the first trust to one or more second trusts, later-discovered property belonging to the first trust and property paid to or acquired by the first trust after the exercise of the power is part of the trust estate of the second trust or trusts.

(b) Except as otherwise provided in subsection (c) of this section, if exercise of the decanting power was intended to distribute less than all the principal of the first trust to one or more second trusts, later-discovered property belonging to the first trust or property paid to or acquired by the first trust.
trust after exercise of the power remains part of the trust
estate of the first trust.

(c) An authorized fiduciary may provide in an exercise
of the decanting power or by the terms of a second trust for
disposition of later-discovered property belonging to the
first trust or property paid to or acquired by the first trust
after exercise of the power.

§44D-8B-27. Obligations.

A debt, liability, or other obligation enforceable against
property of a first trust is enforceable to the same extent
against the property when held by the second trust after
exercise of the decanting power.

In applying and construing this uniform act,
consideration must be given to the need to promote
uniformity of the law with respect to its subject matter
among states that enact it.

§44D-8B-29. Relation to Electronic Signatures in Global and
National Commerce Act.

This article modifies, limits, or supersedes the
Electronic Signatures in Global and National Commerce
Act, 15 U.S.C. §7001 et seq., but does not modify, limit, or
supersede Section 101(c) of that act, 15 U.S.C. §7001(c), or
authorize electronic delivery of any of the notices described
in §103(b) of that act, 15 U.S.C. §7003(b).

§44D-8B-30. Severability.

If any provision of this article or its application to any
person or circumstance is held invalid, the invalidity does not
affect other provisions or applications of this article which can
be given effect without the invalid provision or application, and
to this end the provisions of this article are severable.

§44D-8B-31. Effective date.

This article takes effect on July 1, 2020.
AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section, designated §37-4-9; and to amend and reenact §55-12A-7 of said code, all relating to funding the Oil and Gas Reclamation Fund; providing that proceeds from certain real property interests that are due to persons whose names or addresses are unknown or unlocatable which are being kept in special funds throughout the state, if unclaimed for seven years or more, shall be transferred to the Oil and Gas Reclamation Fund and used to plug orphaned and abandoned oil and natural gas wells; providing and clarifying that certain deed or will provisions purporting to convey or reserve interests created by this article are void; clarifying that receivers include both general and special receivers; providing that certain provisions take effect beginning when funds have been unclaimed for seven years after the Special Commissioner’s lease regardless of when the lease was signed; and authorizing rulemaking.

Be it enacted by the Legislature of West Virginia:

CHAPTER 55. ACTIONS, SUITS AND ARBITRATION; JUDICIAL SALE.

ARTICLE 12A. LEASE AND CONVEYANCE OF MINERAL INTERESTS OWNED BY MISSING OR UNKNOWN OWNERS OR ABANDONING OWNERS.

§55-12A-7. When special commissioner may convey title in mineral interest to surface owner; form of deed; final report of special Commissioner; unknown owners; transfer of funds; rulemaking.

(a) (1) If an owner of any mineral interest leased under section six of this article remains unknown or missing, or does not disavow the abandonment, for a period of seven years from the date of the special commissioner’s lease, the special or general receiver shall report the same to the court, whereupon the court shall enter an order naming those who then appear to be surface owners as additional parties and giving notice to them, pursuant to the West Virginia rules of civil procedure, of an opportunity to appear and present proof of ownership in fee of the surface estate. Upon a finding by the court of the present ownership in fee of the surface estate, the court shall (i) order the special Commissioner to convey to the proven surface owner,
subject to the special commissioner’s lease, the mineral
interest specified in the motion, by a deed substantially in
the form specified in subsection (b) of this section and (ii)
order the special or general receiver to pay to the Oil and
Gas Reclamation Fund established pursuant to §22-6-29 the

interests specified in the motion to the date of his or her
report after payment of all allowable fees, expenses and
court costs, including special Commissioner’s fees paid or
to be paid in amounts determined by the court. After the date
of the special Commissioner’s deed, the surface owner
grantee shall be entitled to receive all proceeds under the
lease attributable to the mineral interests specified in the
deed.

(2) If the boundaries of the mineral tract subject to the
special Commissioner’s lease encompass two or more
surface tracts, a separate deed shall be made for the mineral
interest underlying each surface tract. If a surface tract is
owned by more than one person, the deed respecting that
surface tract shall convey the mineral interest according to
the surface estate and interest of each surface owner.

(b) The special Commissioner’s deed may be made in
the following form, or to the same effect:

Be it enacted by the Legislature of West Virginia:

ARTICLE 25. RESORT AREA DISTRICTS.

§7-25-22. Liens; recording notice of liens; priority; release of lien; notice to future property owners.

(a) With the exception of property exempt from assessment pursuant to §7-25-18 of this code, there shall be a lien on all real property located within the resort area district for the assessments imposed by §7-25-17 of this code, which shall attach to those parcels made subject to the assessment on the date specified in the notice to property owners. A notice of the liens of the assessments referring to the assessing resolution and setting forth a list of the property assessed, described respectively as to amounts of assessment, ownership, and location of the property, shall be certified, by the chair and secretary of the board, to the clerk of the county commission of the county in which the
project is located. The county clerk shall record the notice 13 of the lien in the appropriate trust deed book or other 14 appropriate county lien book and index the lien in the name 15 of each owner of real property assessed. From the date of an 16 assessment, the trustee, for the benefit of bondholders if 17 assessment bonds are issued by the resort area district, 18 and/or the district has the lien and is entitled to enforce the 19 lien in its, his, her, or their name to the extent of the amount, 20 including principal and interest and any penalty due for any 21 failure to pay an installment when due, of the assessments 22 and against the property to which the assessment applies, as 23 to any assessment not paid as and when due. The trustee or 24 the district, as an alternative to the enforcement provision 25 set forth in §7-25-21 of this code, are granted all legal 26 remedies necessary to collect the assessment. The 27 assessments are and constitute liens for the benefit of the 28 resort area district or the trustee, for the benefit of 29 bondholders if assessment bonds are issued by the resort 30 area district, upon the respective lots and parcels of land 31 assessed and have priority over all other liens except: (1) 32 Any liens for land taxes due the state, county, and 33 municipality; (2) any liens for preexisting special 34 assessments provided under this code; and (3) any liens by 35 a lien creditor, including, without limitation, any lien 36 creditor secured by a deed of trust lien, with respect to any 37 of the lots or parcels of land with a lien properly recorded 38 with the Clerk of the County Commission of the county in 39 which the lots or parcels of land are located prior to the time 40 that the notice of the assessment lien is recorded. If any 41 assessment is revised in accordance with this article, the lien 42 created by this section extends to the revised assessment and 43 has the same priority as the priority of the lien created upon 44 the laying of the original assessment. The assessments and 45 interest thereon shall be paid by the owners of the property 46 assessed as and when the installments are due. Following 47 the payment in full of any assessment bonds including any 48 interest thereon, the chair and secretary of the board shall 49 execute a release of all liens and shall certify the release to 50 the county clerk for recondition.
(b) Following the grant of any assessment on property as provided in this article, the seller of the property shall provide reasonable disclosure to the buyer in the real estate contract that an assessment has been granted on the property, the amount of the assessment, and the duration of the assessment.

(e) All concealed weapons license applications must be notarized by a notary public duly licensed under §39-4-1 et seq. of this code. Falsification of any portion of the application constitutes false swearing and is punishable under §61-5-2 of this code.

(f) The sheriff shall issue a license unless he or she determines that the application is incomplete, that it contains statements that are materially false or incorrect or that applicant otherwise does not meet the requirements set forth in this section. The sheriff shall issue, reissue, or deny the license within 45 days after the application is filed if all required background checks authorized by this section are completed.

(g) Before any approved license is issued or is effective, the applicant shall pay to the sheriff a fee in the amount of $25 which the sheriff shall forward to the Superintendent of the West Virginia State Police within 30 days of receipt. A license in effect as of the effective date of the amendments to this section enacted during the 2019 regular session of the Legislature shall, subject to revocation for cause, be valid until the licensee’s birthday during the fifth year from the date of issuance or five years from the date of issuance, whichever is later in time. session of the Legislature shall, subject to revocation for cause, be valid for a period of five years from the licensees’ most recent birthday.

(h) Each license shall contain the full name and address of the licensee and a space upon which the signature of the licensee shall be signed with pen and ink. The issuing sheriff shall sign and attach his or her seal to all license cards. (j) If an application is denied, the specific reasons for the denial shall be stated by the sheriff denying the application. Any person denied a license may file, in the circuit court of the county in which the application was made, a petition seeking review of the denial. The petition shall be filed within 30 days of the denial. The court shall then determine whether the applicant is entitled to the issuance of a license under the criteria set forth in this section. The applicant may be represented by counsel, but in no case is the court required to appoint counsel for an applicant. The final order of the court shall include the court’s findings of fact and conclusions of law. If the final order upholds the denial, the applicant may file an appeal in accordance with the Rules of Appellate Procedure of the Supreme Court of Appeals. If the findings of fact and
conclusions of law of the court fail to uphold the denial, the applicant may be entitled to reasonable costs and attorney’s fees, payable by the sheriff’s office which issued the denial.

(k) If a license is lost or destroyed, the person to whom the license was issued may obtain a duplicate or substitute license for a fee of $5 by filing a notarized statement with the sheriff indicating that the license has been lost or destroyed.

(l) Whenever any person after applying for and receiving a concealed weapon license moves from the address named in the application to another county within the state, the license remains valid for the remainder of the five years unless the sheriff of the new county has determined that the person is no longer eligible for a concealed weapon license under this article, and the sheriff shall issue a new license bearing the person’s new address and the original expiration date for a fee not to exceed $5: Provided, That the licensee, within 20 days thereafter, notifies the sheriff in the new county of residence in writing of the old and new addresses.

The sheriff shall furnish to the Superintendent of the West Virginia State Police at any time so requested a certified list of all licenses issued in the county. The Superintendent of the West Virginia State Police shall maintain a registry of all persons who have been issued concealed weapons licenses.

(n) The sheriff shall deny any application or revoke any existing license upon determination that any of the licensing application requirements established in this section have been violated by the licensee.

(o) A person who is engaged in the receipt, review or in the issuance or revocation of a concealed weapon license
does not incur any civil liability as the result of the lawful performance of his or her duties under this article.

(p) Notwithstanding subsection (a) of this section, with respect to application by an honorably discharged veteran of the armed forces of the United States or a former law-enforcement officer honorably retired from agencies governed by §7-14-1 et seq. of this code; §8-14-1 et seq. of this code; §15-2-1 et seq. of this code; and §20-7-1 et seq. of this code, an honorably retired officer or an honorably discharged veteran of the armed forces of the United States is exempt from payment of fees and costs as otherwise required by this section. All other application and background check requirements set forth in this section are applicable to these applicants.

(q) Information collected under this section, including applications, supporting documents, permits, renewals or any other information that would identify an applicant for or holder of a concealed weapon license, is confidential: Provided, That this information may be disclosed to a law-enforcement agency or officer: (i) To determine the validity of a license; (ii) to assist in a criminal investigation or prosecution; or (iii) for other lawful law-enforcement purposes. (s) Except as restricted or prohibited by the provisions of this article or as otherwise prohibited by law, the issuance of a concealed weapon license issued in accordance with the provisions of this section authorizes the holder of the license
to carry a concealed pistol or revolver on the lands or waters of this state.

A provisional license may not be issued unless the issuing sheriff has verified through the National Instant Criminal Background Check System that the information available does not indicate that receipt of or possession of a firearm by the applicant would be in violation of the provisions of section seven of this article or federal law, including 18 U. S. C. §922(g) or (n).

(c) Fifteen dollars of the application fee and any fees for replacement of lost or stolen provisional licenses received by the sheriff shall be deposited by the sheriff into a concealed weapons license administration fund. The fund shall be administered by the sheriff and shall take the form

A NICS check must be performed prior to purchase of a
firearm from a federally licensed firearm dealer.”

(i) The Superintendent of the West Virginia State
Police, in coordination with the West Virginia Sheriffs’
Bureau of Professional Standards, shall prepare uniform
applications for provisional licenses and license cards
showing that the license has been granted and shall perform
any other act required to protect the state and to enforce this
section.

the denial shall be stated by the sheriff denying the
application. Any person denied a provisional license may
file, in the circuit court of the county in which the

represented by counsel, but in no case is the court required
to appoint counsel for an applicant. The final order of the
court shall include the court’s findings of fact and

(l) Whenever any person after applying for and receiving a provisional concealed weapon license moves from the address named in the application to another county within the state, the license remains valid until the licensee turns twenty-one years of age unless the sheriff of the new county has determined that the person is no longer eligible for a provisional concealed weapon license under this article, and the sheriff shall issue a new provisional license bearing the person’s new address and the original expiration date for a fee not to exceed $5: Provided, That the licensee within twenty days thereafter notifies the sheriff in the new county of residence in writing of the old and new addresses.

(m) The sheriff shall, immediately after the provisional license is granted, furnish the Superintendent of the West Virginia State Police a certified copy of the approved application. The Superintendent of the West Virginia State Police shall maintain a registry of all persons who have been issued provisional concealed weapon licenses.

(n) The sheriff shall deny any application or revoke any existing provisional license upon determination that any of the licensing application requirements established in this section have been violated by the licensee.

(o) A person who is engaged in the receipt, review or in the issuance or revocation of a concealed weapon provisional license does not incur any civil liability as the result of the lawful performance of his or her duties under this article.

A person who violates this subsection is guilty of a misdemeanor and, upon conviction thereof, shall be fined not less than $50 or more than $200 for each offense.

(q) Except as restricted or prohibited by the provisions of this article or as otherwise prohibited by law, the issuance of a provisional concealed weapon license issued in accordance with the provisions of this section authorizes the holder of the license to carry a concealed pistol or revolver on the lands or waters of this state.

Be it enacted by the Legislature of West Virginia:

ARTICLE 22B. LIMITED VIDEO LOTTERY.

§29-22B-1107. Bidding process.

1. (a) Bids for issuance of permits shall be obtained by public notice published as a Class II-0 legal advertisement in compliance with the provisions of §59-3-1 et seq. of this code.

2. (b) The second publication of the notice shall appear more than 60 days next preceding the final day for submitting bids.

3. (c) Each bid shall indicate the number of video lottery terminals for which the permit is sought. The bid shall state the amount bid for each video lottery terminal for which the permit is sought.
(d) No bid may be altered or withdrawn after the appointed hour for the opening of the bids.

(e) Subject to the provisions of subsection (f) of this section, permits shall be awarded to the persons submitting the highest per terminal bids, except that no person may be authorized to directly or indirectly own or lease more than seven and one-half percent of the total number of video lottery terminals authorized in §29-22B-1101 of this code. If a high bidder already holds a permit issued under this section, the bid shall be awarded to that bidder, but only to the extent the total number of video lottery terminals the operator or limited video lottery retailer is authorized to directly or indirectly own or lease does not exceed seven and one-half percent of the number of video lottery terminals authorized for the entire state specified in §29-22B-1101 of this code.

(h) All bids for a permit may be rejected by the commission if the commission determines that the bids are inadequate. In this event, the director shall begin anew the bidding process for the permits.

(i) Whenever there are two or more bids of the same dollar amount and the number of authorizations for which the bids were submitted exceeds the number of authorizations still available to fill the bids, the director shall award the permit based upon the drawing of lots among the bidders.
(j) A person submitting a bid under this article shall deliver one copy to the Director of Purchasing of the Purchasing Division within the Department of Administration. The bid must be received at the designated office location prior to the specified date and time of the bid opening.

(l) After the award of a permit, the Director of the Lottery shall indicate upon the successful bid that it was the successful bid and the number of video lottery terminals for which a permit is awarded to the bidder. This shall be the number of video lottery terminals for which the bid was submitted, or the remaining number of video lottery terminals to be awarded when the number of video lottery terminals remaining is less than the number of terminals for which the bid was submitted. The amount paid shall be deposited into the fund established in §29-22-18a of this code.
(n) All permits shall be signed by the Director of the Lottery in the name of the state.

(o) If the successful bidder fails to pay to the commission the bid price and the operator’s annual license fee or the limited video lottery retailer’s license fee for the first license year, at the time specified by the commission, the bond provided for in §29-22B-1109 of this code shall be forfeited and the bidder may not be issued the permit.

(p) In the event of a default, as provided in subsection (h) of this section, the commission shall then issue the permit to the next highest bidder for video lottery terminals, or reject all remaining bids and start anew the bidding procedure for the remaining number of video lottery terminals.

(q) If after a permit is awarded, an operator or limited video lottery retailer surrenders the permit, in whole or in part, or the permit is revoked or canceled by operation of law, the commission may seek bids for video lottery terminals for which authorization was surrendered or revoked, subject to the limitations and requirements of this article.

(r) During the fiscal year of the state ending June 30, 2011, the commission shall seek bids for the 10-year period beginning July 1, 2011, and ending June 30, 2021.

(s) For all bids conducted subsequent to June 30, 2011, the commission shall give a priority preference, to allow current permit holders to acquire permits which are held by those permit holders at the minimum stated bid price before those permits are made available for bid to other applicants.

If the spending unit does not immediately report to the director, the director may suspend the purchasing authority of the spending unit until the spending unit complies with the reporting requirement of this subsection. The director may conduct a review of any spending unit to ensure compliance with this subsection. Following a review, the director shall complete a report summarizing his or her findings and forward the report to the spending unit. In addition, the director shall report to the Joint Committee on Government and Finance on January 1 and July 1 of each year the spending units which have reported under this subsection and the findings of the director.

[Approved by the Governor on March 24, 2020.]

AN ACT to amend and reenact §5A-3-10e of the Code of West Virginia, 1931, as amended, relating to prequalification of vendors for state contracts; allowing for prequalification agreements for the purchase of services; and removing obsolete terms.

Be it enacted by the Legislature of West Virginia:

ARTICLE 3. PURCHASING DIVISION.

§5A-3-10e. Prequalification agreement; agency-delegated bidding.

(a) Subject to the limitations of this section, the director may permit spending units to procure commodities and
services from a preapproved vendor through a prequalification agreement and delegated prequalification bidding if the director determines the process is fair, economical, and in the best interests of the state.

(b) Definitions. — For purposes of this section:

“Prequalification agreement” means an agreement, having a term of no more than three years, between the Purchasing Division and at least two prequalified vendors authorizing a spending unit to purchase a commodity or service on a recurrent basis through the delegated prequalification bidding process defined in the prequalification agreement.

“Prequalified vendor” means a “vendor”, as that term is defined in §5A-1-1 of this code, that has entered into a prequalification agreement with the Purchasing Division and may participate in the delegated prequalification bidding subject to the terms and conditions of the prequalification agreement.

“Delegated prequalification bidding” means the competitive bidding process whereby the prequalified vendors that are parties to a prequalification agreement may submit sealed bids directly to spending units to provide a commodity or service identified in the prequalification agreement subject to the limitations set forth in this section.

(c) Prequalification agreement. —

(1) For each prequalification agreement, the director shall set forth the requirements, technical or otherwise, under which a vendor may be qualified to supply a commodity or service through the delegated prequalification bidding. For each prequalification agreement, the director shall follow the notice and advertising requirements set forth in §5A-3-10 of this code.

(2) A prequalification agreement may authorize the delegated prequalification bidding for only one type of commodity or service.
(3) A vendor may submit information to the director to establish that it meets the requirements set forth in the prequalification agreement.

(4) If the director determines that a vendor meets the requirements set forth in the prequalification agreement, the vendor may enter into the prequalification agreement as a prequalified vendor.

(d) Delegated prequalification bidding procedures. —

(1) A spending unit may commence the delegated prequalification bidding process by issuing a request for a commodity or service identified in the prequalification agreement stating in the request the quantity of the commodity or if a service, the scope of work to be completed, to be procured.

(2) The prequalified vendor that submits the lowest bid in response to the request shall be awarded the procurement.

(3) The delegated prequalification bidding may not be utilized for any request for commodities or services anticipated to cost more than $1 million, unless approved in writing by the Director of Purchasing. The state may not issue a series of orders each anticipated to cost less than $1 million to circumvent the monetary limitation in this subsection. The limit expressed herein applies to each delegated prequalification bid conducted pursuant to the prequalification agreement and not to total spending under the prequalification agreement.

(e) Rule-making authority. — The Director of the Purchasing Division shall propose rules for legislative approval in accordance with the provisions of §29A-3-1 et seq. of this code to implement this section, including, but not limited to, provisions to establish procedures for the solicitation and authorization of prequalification agreements, prequalification of vendors, and implementation of delegated prequalification bidding.

presented for review and approval and sanctioned for use by
the State Fire Commission. In any question, the decision of
the State Fire Commission determines the relative priority

and national criminal history record check as set forth in this
section and may deny licensing, registration, or certification
based upon the results of the criminal history record check.

(b) Whenever the State Fire Marshal determines that any building or structure has been constructed, altered, or repaired in a manner violating the State Building Code, or State Fire Code, prior to the commencement of such construction, alteration, or repairs; or whenever he or she may determine that any building or structure constitutes a fire hazard by reason of want of repair, age, or dilapidated or abandoned condition, or otherwise, and is so situated as to endanger other buildings and property; or whenever he or she may find in any building or upon any premises any combustible, flammable, or explosive substance or material, or other conditions dangerous to the safety of persons occupying the building or premises and adjacent premises or property, he or she may make reasonable orders in writing, directed to the owner of such building, structure, or premises, for the repair or demolition of such building or structure, or the removal of the combustible, flammable, or explosive substance or material, as the case may be, and the remedying of any conditions found to be in violation of a
regulation promulgated as aforesaid or to be dangerous to
the safety of persons or property.

A true copy of every order of the State Fire Marshal as
provided for in this section shall be filed in the county where
the premises are totally or partially located, with the county
clerk who shall index and record the order in the general lien
book. Upon filing, the order constitutes notice of such
proceedings to all persons or parties thereafter having
dealings involving said property.

A statement of the expenses and administrative charges
shall also be filed with the county clerk, recorded, and
indexed in the general lien book and upon filing, shall
become a lien against the property. Thereafter, a court

is absent from the state or his or her whereabouts be
unknown to the State Fire Marshal, by mailing a true copy
thereof by certified mail to the said owner’s last known post-

In the event any owner of any building or premises served with a copy of an order as provided in §15A-10-9 and §15A-10-10 of this code shall fail substantially to comply with such order within 30 days from the date of issuance thereof, or within 30 days after any appeal from such order has been affirmed by the State Fire Marshal or by the court, the State Fire Marshal, or his or her designee, may enter into and upon the premises affected by such order and cause the building, structure, or premises to be repaired, torn down, materials removed, and all dangerous conditions to be remedied, as the case may be, at the expense of the owner and with any administrative charges as established by the State Fire Marshal also being borne by the owner, and if such person shall fail or neglect to repay the State Fire Marshal the expense and administrative charge thereby incurred by him or her within 30 days after written demand shall have been delivered or mailed to the said owner as provided in §15A-10-10 of this code, the State Fire Marshal is hereby authorized to bring an action in the name of the state to recover such expenses, with interest, and any administrative charge as established by the commission, in any court of competent jurisdiction.

Upon a determination by the State Fire Marshal that the provisions of §15A-10-9 and §15A-10-10 of this code have not been met, and that such property constitutes a hazard to health or public safety, in lieu of initiating an order as
27 therein provided, the State Fire Marshal may notify the
28 county commission or the county health officer in order that
29 they may perform their duties pursuant to section §7-1-3ff
30 of this code. The State Fire Marshal may also, in lieu
31 thereof, notify the municipality where the property is
32 located so that the municipality may perform its duties
33 pursuant to §8-12-14 of this code.

34 The State Fire Marshal may designate, pursuant to this
35 section, a designee to accomplish the building, structure, or
36 premises to be repaired, torn down, materials removed, and
37 all dangerous conditions to be remedied, as the case may be.
38 The designee may include an employee of the Fire Marshal,
39 an agent of the Fire Marshal, a vendor, a Fire Department
40 and its employees or agents, or a governmental entity and

dwellings; carbon monoxide detectors in residential units,
schools, and daycare facilities; penalty.

2 the immediate vicinity of each sleeping area within all one-
3 and two-family dwellings, including any “manufactured
4 home” as that term is defined in §21-9-2(j) of this code. The
5 smoke detector shall be capable of sensing visible or
6 invisible particles of combustion and shall meet the
7 specifications and be installed as provided in the current
8 edition of the State Fire Code, and in the manufacturer’s
9 specifications. When activated, the smoke detector shall
10 provide an alarm suitable to warn the occupants of the
11 danger of fire.

12 (b) The owner of each dwelling described in subsection
13 (a) of this section shall provide, install, and replace the
14 operational smoke detectors required by this section. To
15 assure that the smoke detector continues to be operational
16 in each dwelling described in subsection (a) of this section
which is not occupied by the owner of the dwelling, the 
tenant in any dwelling shall perform routine maintenance on 
the smoke detectors within the dwelling.

(c) Where a dwelling is not occupied by the owner and 
is occupied by an individual who is deaf or hard of hearing, 
the owner shall, upon written request by or on behalf of the 
individual, provide and install a smoke detector with a light 
signal sufficient to warn the deaf or hard of hearing 
individual of the danger of fire.

accordance with the current edition of the State Fire Code 
and the State Building Code may be provided in lieu of 
smoke detectors.

in subsection (a) of this section, the local investigating 
authority shall issue to the owner a smoke detector 
installation order in the absence of the required smoke 
detectors.

(f) An operational single station carbon monoxide 
detector with a suitable alarm or a combination smoke 
detector and carbon monoxide detector, which shall be 
alternating current (AC) powered, either plugged directly in 
to an electrical outlet that is not controlled by a switch or 
hardwired into an alternating current (AC) electrical source, 
with battery backup, shall be installed, maintained, tested, 
repaired, or replaced, if necessary, in accordance with the 
manufacturer’s direction:

(3) In either a common area where the general public has access or all rooms in which a person will be sleeping that are adjoining to and directly below and above all areas or rooms that contain permanently installed fuel-burning appliances and equipment that emit carbon monoxide as a byproduct of combustion located within all apartment buildings, boarding houses, dormitories, long-term care facilities, adult or child care facilities, assisted living facilities, one- and two-family dwellings intended to be rented or leased, hotels, and motels.

(g) All single station carbon monoxide detectors with a suitable alarm or a combination smoke detector and carbon monoxide detectors shall be hardwired into an alternating current (AC) electrical source, with battery backup, when installed in all newly constructed apartment buildings, boarding houses, dormitories, hospitals, long-term care facilities, adult or child care facilities, assisted living facilities, one- and two-family dwellings intended to be rented or leased, hotels, and motels.

(h) In any long-term care facility that is staffed on a 24-hour, seven day a week basis, the single station carbon monoxide detector with a suitable alarm or a combination smoke detector and carbon monoxide detector is only required to be installed in an area of the facility that permits the detector to be audible to the staff on duty.

(i) Carbon monoxide detectors shall be installed in every public or private school or daycare facility that uses a fuel-burning heating system or other fuel-burning device that produces combustion gases. A carbon monoxide detector shall be located in each area with a fuel-burning heating system or other fuel-burning device that produces combustion gases.
(j) Any person installing a carbon monoxide detector in a residential unit shall inform the owner, lessor, or the occupant or occupants of the residential unit of the dangers of carbon monoxide poisoning and instructions on the operation of the installed carbon monoxide detector.

(k) When repair or maintenance work is undertaken on a fuel-burning heating or cooking source or a venting system in an existing residential unit, the person making the repair or performing the maintenance shall inform the owner, lessor, or the occupant or occupants of the unit being served by the fuel-burning heating or cooking source or venting system of the dangers of carbon monoxide poisoning and recommend the installation of a carbon monoxide detector.

For a second offense, the person is guilty of a misdemeanor and, upon conviction thereof, shall be fined $750. For a third and subsequent offenses, the person is guilty of a misdemeanor and, upon conviction thereof, shall be fined $2000.

(m) A violation of this section may not be considered to constitute evidence of negligence or contributory negligence or comparative negligence in any civil action or proceeding for damages.

(n) A violation of this section may not constitute a defense in any civil action or proceeding involving any insurance policy.

(o) Nothing in this section shall be construed to limit the rights of any political subdivision in this state to enact laws imposing upon owners of any dwelling or other building described in subsection (a) or (f) of this section a greater duty with regard to the installation, repair, and replacement of the smoke detectors or carbon monoxide detectors than is required by this section.

Notwithstanding any other provision of law to the contrary, live trees may be displayed in public buildings if the trees are decorated with U/L approved miniature lights, or are not decorated with electrical lights. The provisions of this section do not apply to public buildings used for education, health care, nursing homes, or correctional facilities.

§15A-10-14. Safety standards for bed and breakfast establishments; findings.

(a) Findings. — Bed and breakfast establishments provide a unique and important contribution to the state, allowing visitors the opportunity to enjoy many of the aspects of our communities and state not available at hotels and motels, and often provide vacationers access to overnight accommodation in areas of this state that would not otherwise be available. These operations continue to grow in number and importance in our state’s economy and must be promoted and encouraged by state and local government. Most of these facilities are older residences being converted to this use, and in many cases have architectural and historical significance; and, as with most small businesses, are begun with limited capital available for investment. Any fire safety code standards applicable to these facilities must be sensitive to this distinction and avoid placing a large financial burden on persons operating or planning to operate these facilities. Further, the personal safety of those who live in and visit these facilities is of paramount importance and requires that consideration be made to assure that adequate safety requirements are placed on these facilities to provide for the safety of visitors, residents, and, in an emergency, responding firefighters and rescue workers.

(b) Definition. — For the purposes of this section, the term “bed and breakfast establishment” means a building occupied as a one-family dwelling unit that provides
sleeping accommodations and breakfast to transient guests
for a single fee and does not offer more than six guest rooms
to no more than 12 guests.

(c) **Fire code standards.** — Notwithstanding any
provision of this code to the contrary, every bed and
breakfast establishment shall be exempt from provisions of
fire safety code requirements which are contrary to the
following standards:

1. Each bed and breakfast shall have operational smoke
alarms in all common areas, guest rooms, and hallways, and
heat detectors as otherwise required by this code or rule of
the Fire Commission. Battery-powered smoke alarms shall
be permitted where the establishment has demonstrated that
the testing, maintenance, and battery replacement
procedures will ensure reliable power to the smoke alarms.
Notwithstanding any provision of this code to the contrary,
no smoking will be allowed inside a bed and breakfast
establishment.

2. Each bed and breakfast shall have operational hard-
wired, battery-powered, or plug-in emergency lighting that
indicates available means of egress. Battery-powered or
plug-in emergency lighting devices shall be permitted
where the establishment has demonstrated that the testing,
maintenance, and battery replacement procedures will
ensure reliable power to the emergency lighting devices.

3. The State Fire Marshal shall permit bed and
breakfast establishments that cannot readily comply with
the requirements of a legislative rule, which may mandate
the installation of a secondary means of escape or a sprinkler
system, one year per floor of the establishment to comply
with the requirements.

4. All other provisions of the state fire safety code not
inconsistent with this section and rules promulgated
pursuant to subsection (d) of this section are applicable to
bed and breakfast establishments.
(d) Legislative rules. — The State Fire Commission shall promulgate or amend an existing legislative rule, in accordance with the provisions of §29A-3-1 et seq. of this code, to effectuate the provisions of this section. The rule shall include a mechanism for the Fire Marshal to grant individual variances to bed and breakfast establishments which cannot otherwise meet provisions of the state fire safety code due to the historic and architectural significance of the establishment, with due consideration of the economic limitations inherent in the operation of this type of small business.

(e) Historic preservation review. — The owner of a bed and breakfast may request the historical preservation section of the Division of Culture and History, pursuant to §15A-1-8 of this code, to consult with the owner and provide a recommendation to the Fire Marshal regarding the historic character of the structures used or proposed to be used as a bed and breakfast and any objections or concerns regarding any renovations or other changes required by the Fire Marshal. If an appeal regarding a decision made by the Fire Marshal is made as provided by §15A-10-18 of this code, the Fire Marshal shall consider the recommendation of the historical preservation section when making a determination regarding the variance as provided for in subsection (d) of this section.

(a) Notwithstanding any statutory or regulatory provisions to the contrary, any person who installs, fuels, maintains, or services any fuel gas system to a one- or two-family dwelling shall comply with rules promulgated by the Fire Commission relating to fuel gas systems.

(b) This section does not apply to any person who performs this work on a single-family dwelling, owned or leased, and occupied by that person. The personal exemption provided in this subsection is the same as the
personal exemption provided in §29-3D-1, *et seq.* of this code.

**§15A-10-16. Additional remedies to abate, etc., fire hazards.**

In case any building, structure, or equipment is, or is proposed to be, erected, constructed, reconstructed, altered, maintained, or used, or any land is or is proposed to be used in such a way to endanger life or property from the hazards of fire or explosion or in violation of this article, §15A-11-1 *et seq.* of this code, the State Fire Marshal, or the Attorney General may, in addition to other remedies provided by law, institute injunction, mandamus, abatement, or any other appropriate action or actions, proceedings to prevent, enjoin, abate, or remove such unlawful erection, construction, reconstruction, alteration, maintenance, or use.

**§15A-10-17. License denial limitation, suspension, or revocation.**

(a) The State Fire Marshal shall deny, limit, suspend, or revoke a license issued if the provisions of this article, or if the rules promulgated pursuant to this article or §15A-11-1 *et seq.* of this code are violated.

(b) Before any such license is denied, limited, suspended, or revoked, however, written notice shall be given to the licensee stating the grounds for such denial, limitation, suspension, or revocation.

(c) An applicant or licensee has 10 working days after receipt of the order denying, limiting, suspending, or revoking a license to request a formal hearing contesting the denial, limitation, suspension, or revocation of a license under this article. If a formal hearing is requested, the applicant or licensee and the secretary shall proceed in accordance with the provisions of §29A-5-1 *et seq.* of this code.

(d) If the license is denied, limited, suspended, or revoked, the license or certification holder shall cease and
desist practices of their profession as of the effective date of the denial, limitation, suspension, or revocation. Any administrative appeal of such denial, limitation, suspension, or revocation shall not stay the denial, limitation, suspension, or revocation.

(e) A party aggrieved by a decision by the State Fire Marshal may appeal such final decision to the Office of Administrative Hearings, pursuant to §15A-9-1 et seq. of this code, or may choose independent informal dispute resolution as set forth in this article.

(a) A license or certification holder adversely affected by an order or citation of a deficient practice issued pursuant to this article may request the independent informal dispute resolution process. A license or certificate holder may contest a cited deficiency as contrary to law or unwarranted by the facts or both.

(b) The State Fire Marshal has the authority to establish conference panels composed of three persons of the licensed or certified skill to decide the outcome of the independent informal dispute resolution process. One member shall be selected by the State Fire Marshal, one member shall be selected by the licensee or certificate holder, and one member shall be selected by agreement of both. If a vacancy occurs on the panel, the replacement for that member shall be made by the original individual who had selected such member. The members of the panel shall serve without compensation. This panel shall hear the matter and render a decision. The licensee or certificate holder may not be accompanied by counsel during the independent informal dispute resolution conference.

(c) Upon appeal of a decision rendered by the State Fire Marshal, the panel shall hold an informal conference affirming, modifying, or vacating an order of the State Fire Marshal, or issuing an order in the name of the State Fire
The panel shall forthwith notify the parties of its decision and as soon as practicable send written notices of its decision to the parties. The decision of the panel is final. The independent informal dispute resolution process is not a formal evidentiary proceeding.

(d) A party aggrieved by a decision of a panel may appeal pursuant to §29A-5-1 et seq. of this code.

(e) The State Fire Marshal shall promulgate a procedural rule to carry out the provisions of this section.

§15A-10-19. Establishment of demonstration buildings and equipment for educational instruction in fire prevention and protection; payment therefor.

The State Fire Marshal is authorized to establish for educational purposes in public and private schools and state educational institutions, demonstration buildings and equipment for fire prevention and protection, and such expenditures therefor shall be made from the funds appropriated therefor to the office of the State Fire Marshal.

§15A-10-20. False alarm of fire; penalties.

“State funds account” means a bank account established by a volunteer or part-volunteer fire company or department and maintained for the exclusive use and accounting of money from formula distributions and equipment and training grants.

(b) Filing required documentation. — Every volunteer and part-volunteer fire company or department seeking to
receive formula distributions or an equipment and training grant shall file copies of bank statements and check images from the company’s or department’s state funds account for the previous calendar year with the Legislative Auditor on or before February 1 of each year.

(c) Reviews and audits. — The Legislative Auditor is authorized to conduct regular reviews or audits of deposits and expenditures from formula distribution and equipment and training grant funds by volunteer and part-volunteer fire companies or departments. The Legislative Auditor may assign an employee or employees to perform audits or reviews at his or her direction. The State Treasurer shall provide the Legislative Auditor information, in the manner designated by the Legislative Auditor, concerning formula distributions and equipment and training grants paid to volunteer or part-volunteer fire companies and departments. The volunteer or part-volunteer fire company or department shall cooperate with the Legislative Auditor, the Legislative Auditor’s employees, and the State Auditor in performing their duties under the laws of this state.

(d) State Auditor. — Whenever the State Auditor performs an audit of a volunteer or part-volunteer fire company or department for any purpose, the Auditor shall also conduct an audit of other state funds received by the company or department pursuant to §33-3-14d, §33-3-33, and §33-12C-7 of this code. The Auditor shall send a copy of the audit to the Legislative Auditor. The Legislative Auditor may accept an audit performed by the Auditor in lieu of performing an audit under this section.

(e) Withholding of funds. — The Treasurer is authorized to withhold payment of a formula distribution or an equipment and training grant from a volunteer or part-volunteer fire company or department, when properly notified by the Legislative Auditor pursuant to this section, of any of the following conditions:
(1) Failure to file, in a timely manner, copies of bank statements and check images with the Legislative Auditor;

(f) Delinquency in filing. — If, after February 1, a volunteer or part-volunteer fire company or department has failed to file the required bank statements and check images with the Legislative Auditor, the Legislative Auditor shall notify the delinquent company or department at two separate times in writing of the delinquency and of possible forfeiture of its Fire Service Equipment and Training Fund distribution for the year. If the required bank statements and check images are not filed with the Legislative Auditor by March 31, unless the time period is extended by the Legislative Auditor, the Legislative Auditor shall then notify the Treasurer who shall withhold payment of any amount that would otherwise be distributed to the company or department. Prior to each subsequent quarterly disbursement of funds by the Treasurer, the Legislative Auditor shall notify each delinquent company or department twice per each quarter in which the company or department is delinquent. The Legislative Auditor may choose the method or methods of notification most likely to be received by the delinquent company or department.

(g) Noncooperation. — If, in the course of an audit or review by the Legislative Auditor, a volunteer or part-volunteer fire company or department fails to provide documentation of its accounts and expenditures in response to a request of the Legislative Auditor, the Legislative Auditor shall notify the State Treasurer who shall withhold payment of any amount that would otherwise be distributed

If the Treasurer receives notice that the volunteer or part-volunteer fire company or department has come into compliance in less than one year from the date of deposit into this special revenue account, then the Treasurer shall release and distribute the withheld amounts to the company or department, except that any interest that has accrued thereon shall be credited to the general revenue of the state. If, after one year from payment of the amount withheld into the special revenue account, the Legislative Auditor informs the State Treasurer of continued noncooperation by the company or department, the delinquent company or department forfeits the amounts
(j) Misuse of state money. — If the Legislative Auditor determines that a volunteer or part-volunteer fire company or department has used formula distribution money for purposes not authorized by §8-15-8b of this code or has used equipment and training grant money for purposes not authorized by the grant program, the Legislative Auditor shall give a written notice of noncompliance to the company or department. If a volunteer or part-volunteer fire company or department disagrees or disputes the finding, the company or department may contest the finding by submitting a written objection to the Legislative Auditor within five working days of receipt of the Legislative Auditor’s finding. The department or company shall then have 60 days from the date of the Legislative Auditor’s finding to provide documentation to substantiate that the expenditures were made for authorized purposes. If the volunteer or part-volunteer fire company or department does not dispute the findings of the Legislative Auditor or if the company or department is not able to substantiate an authorized purpose for the expenditure, the Legislative Auditor shall notify the Treasurer of the amount of misapplied money and the Treasurer shall deduct that amount from future distributions to that company or department until the full amount of unauthorized expenditure is offset.

Be it enacted by the Legislature of West Virginia:

CHAPTER 11. TAXATION.

ARTICLE 16. NONINTOXICATING BEER.

§11-16-3. Definitions.

For the purpose of this article, except where the context clearly requires differently:

1. “Brand” means a nonintoxicating beer product manufactured, brewed, mixed, concocted, blended, bottled, or otherwise produced, imported, or transshipped by a brewer or manufacturer, the labels of which have been registered and approved by the commissioner, that is being offered for sale or sold in West Virginia by a distributor who has been appointed in a valid franchise agreement or a valid amendment thereto.

2. “Brewer” or “manufacturer” means any person manufacturing, otherwise producing, importing, or transshipping nonintoxicating beer or nonintoxicating craft beer for sale at wholesale to any licensed distributor. Brewer or manufacturer may be used interchangeably throughout this article. A brewer may obtain only one brewer’s license for its nonintoxicating beer or nonintoxicating craft beer.

3. “Brewpub” means a place of manufacture of nonintoxicating beer or nonintoxicating craft beer owned by a resident brewer, subject to federal and state regulations and guidelines, a portion of which premises is designated for retail sales of nonintoxicating beer or nonintoxicating craft beer by the resident brewer owning the brewpub.

4. “Class A retail license” means a retail license permitting the retail sale of liquor at a freestanding liquor retail outlet licensed pursuant to chapter 60 of this code.

5. “Class B retail license” means a retail license permitting the retail sale of liquor at a mixed retail liquor outlet licensed pursuant to chapter 60 of this code.
(6) “Commissioner” means the West Virginia Alcohol Beverage Control Administration Commissioner.

(7) “Distributor” means and includes any person jobbing or distributing nonintoxicating beer or nonintoxicating craft beer to retailers at wholesale and whose warehouse and chief place of business shall be within this state. For purposes of a distributor only, the term “person” means and includes an individual, firm, trust, partnership, limited partnership, limited liability company, association, or corporation. Any trust licensed as a distributor or any trust that is an owner of a distributor licensee, and the trustee or other persons in active control of the activities of the trust relating to the distributor license, is liable for acts of the trust or its beneficiaries relating to the distributor license that are unlawful acts or violations of §11-11-1 et seq. of this code notwithstanding the liability of trustees in §44D-10-1 et seq. of this code.

(8) “Franchise agreement” means the written agreement between a brewer and a distributor that is identical as to terms and conditions between the brewer and all its distributors, which agreement has been approved by the commissioner. The franchise agreement binds the parties so that a distributor, appointed by a brewer, may distribute all of the brewer’s nonintoxicating beer products, brands, or family of brands imported and offered for sale in West Virginia, including, but not limited to, existing brands, line extensions, and new brands all in the brewer’s assigned territory for the distributor. All brands and line extensions being imported or offered for sale in West Virginia must be listed by the brewer in the franchise agreement or a written amendment to the franchise agreement. A franchise agreement may be amended by mutual written agreement of the parties as approved by the commissioner with identical terms and conditions for a brewer and all of its distributors. Any approved amendment to the franchise agreement becomes a part of the franchise agreement. A brewer and a distributor may mutually agree in writing to cancel a
franchise agreement. A distributor terminated by a brewer as provided in this article and the promulgated rules no longer has a valid franchise agreement. If a brewer has reached an agreement to cancel a distributor or has terminated a distributor, then a brewer may appoint a successor distributor who accedes to all the rights of the cancelled or terminated distributor.

(9) “Franchise distributor network” means the distributors who have entered into a binding written franchise agreement, identical as to terms and conditions, to distribute nonintoxicating beer products, brands, and line extensions in an assigned territory for a brewer. The growler is utilized by an authorized licensee for purposes of off-premise sales only of nonintoxicating beer or nonintoxicating craft beer for personal consumption not on a licensed premise and not for resale. Notwithstanding any other provision of this code to the contrary, a securely sealed growler is not an open container under federal, state, and local law. A growler with a broken seal is an open container under federal, state, and local law unless it is located in an area of the motor vehicle physically separated from the
passenger compartment. The secure sealing of a growler requires the use of a tamper-resistant seal, security tape, or other material, as approved by the commissioner, placed on or over the growler’s opening, which seal, security tape or other material is clearly marked with the date of the secure sealing by the authorized licensee who is selling the growler.

(12) “Line extension” means any nonintoxicating beer product that is an extension of brand or family of brands that is labeled, branded, advertised, marketed, promoted, or offered for sale with the intent or purpose of being manufactured, imported, associated, contracted, affiliated, or otherwise related to a brewer’s existing brand through the use of a brewer, its subsidiaries, parent entities, contracted entities, affiliated entities, or other related entities. In determining whether a nonintoxicating beer product is a line extension, the commissioner may consider, but is not limited to, the following factors: Name or partial name; trade name or partial trade name; logos; copyrights; trademarks or trade design; product codes; advertising promotion; or pricing.

(13) “Manager” means an individual who is the applicant’s or licensee’s on-premises employee, member, partner, shareholder, director, or officer who meets the licensure requirements of §11-16-1 et seq. of this code and rules promulgated thereunder who actively manages, conducts, and carries on the day-to-day operations of the applicant or licensee with full and apparent authority or actual authority to act on behalf of the applicant or licensee. After September 1, 2020, any agency which has not filed its procedural rule as required by this section shall follow the procurement requirements established by the Purchasing Division.

ARTICLE 22. GOVERNMENT CONSTRUCTION CONTRACTS.

§5-22-1a. Permitting government construction contracts arising out of declared states of emergency on open-ended quantity or unit price basis; types of contracts allowed for construction projects; specific location of construction project not required in solicitation; certain bonds discretionary; other bidding requirements applicable.
(a) The state, not including its subdivisions, may solicit competitive bids for construction projects arising out of a state of emergency declared pursuant to §15-5-6 of this code, in a manner that is open-ended as to quantity only, or for unit prices on estimated quantities, and may also award contracts to multiple qualified responsible bidders, thereby creating a pool of qualified responsible bidders, so long as the nature of the contract is fully disclosed in the solicitation in a way that allows for fair and competitive bidding. The state reserves the right to reject a bid that it deems to be nonresponsive, a bid from a bidder that is not qualified responsible, as defined in the first section of this article, or a bid that is higher than the state is willing to pay.

(b) If the state creates a pool of qualified responsible bidders, it must first offer work available to the multiple contract holders to the contract holder identified as the lowest qualified responsible bidder, and if that vendor is unable or unwilling to perform, then the same work must be extended to the contract holder identified as the second lowest qualified responsible bidder, and so on, until the work is either accepted or there are no remaining qualified responsible bidders holding a contract that are willing to perform the work. If no vendors accept the work, the state may revise the work and reoffer it to the lowest qualified responsible bidder, then the second lowest qualified responsible bidder, and so on.

(c) Solicitations or contracts under this section are not required to specify the exact addresses or identify the locations of the construction project, so long as the solicitation and resulting contract clearly articulate the mechanism by which the exact address or location will be identified prior to work being performed.

(d) For projects limited to the construction or replacement of one or more residential dwellings or appurtenances, the state agency responsible for overseeing the work may, in its discretion, choose not to require an entity to whom the contract is awarded to furnish payment
or performance bonds, but only if it clearly indicates in the solicitation for bids that payment or performance bonds will not be required: *Provided*, That in the event a payment or performance bond is not required, the entity responsible for the contract shall provide to the state agency responsible for overseeing the work a document certifying that all of the claims of subcontractors, laborers, materialmen, and all persons furnishing material have been paid, satisfied, and discharged before final payment is released.

(e) A vendor or contractor that has been debarred pursuant to §5A-3-33f of this code may not bid on or be awarded a contract under this section.

(f) Except where other provisions of this article conflict with the provisions of this section, the other provisions of this article remain in effect.

CHAPTER 29. MISCELLANEOUS BOARDS AND OFFICERS.

ARTICLE 19. SOLICITATION OF CHARITABLE FUNDS ACT.

As used in this article:

(1) “Audit” means the systematic examination of records and documents and the securing of other evidence by confirmation, physical inspection, or otherwise, that includes a written assurance that financial statements and reports are fairly presented in conformity with generally accepted accounting principles issued by the American Institute of Certified Public Accountants.

(2) “Charitable organization” means a person who is or holds itself out to be a benevolent, educational, philanthropic, humane, patriotic, religious or eleemosynary organization, or any person who solicits or obtains contributions solicited from the public for charitable purposes, or any person who in any manner employs any appeal for contributions which may be reasonably interpreted to suggest that any part of those contributions will be used for charitable purposes. A chapter, branch, area, office or similar affiliate or any person soliciting contributions within the state for a charitable organization
which has its principal place of business outside the state is a charitable organization for the purposes of this article.

(3) “Contribution” means the promise or grant of any money or property of any kind or value.

(4) “Financial review” means an examination of financial statements in accordance with generally accepted accounting principles issued by the American Institute of Certified Public Accountants, in which a certified public accountant has a reasonable basis for expressing limited assurance that the reviewed statements are free of material misstatements or false or missing information and are found to be accurate, complete and fairly presented to meet the requirements of the generally accepted accounting principles.

(5) “Solicit” and “solicitation” means the request or appeal, directly or indirectly, for any contribution on the plea or representation that the contribution will be used for a charitable purpose, including, without limitation, the following methods of requesting a contribution:

(A) Any oral or written request;

(B) Any announcement to the press, over the radio or television, or by telephone, electronic mail or messaging, electronic bulletin board, or Internet technology, concerning an appeal or campaign to which the public is requested to make a contribution for any charitable purpose connected therewith;

(C) The distribution, circulation, posting or publishing of any handbill, written advertisement or other publication which directly or by implication seeks to obtain public support; or

(D) The sale of, offer or attempt to sell, any advertisement, advertising space, subscription, ticket or any service or tangible item in connection with which any appeal is made for any charitable purpose or where the name
of any charitable or civic organization is used or referred to
in an appeal as an inducement or reason for making the sale,
or when or where in connection with the sale, any statement
is made that the whole, or any part of, the proceeds from the
sale will be donated to any charitable purpose.

“Solicitation”, as defined herein, occurs when the
request is made, at the place the request is received, whether
or not the person making the request actually receives any
contribution.

(6) “Federated fund-raising organization” means a
federation of independent charitable organizations which
have voluntarily joined together, including, but not limited
to, a united fund or community chest, for purposes of raising
and distributing money for and among themselves and
where membership does not confer operating authority and
control of the individual agencies upon the federated group
organization.

(7) “Parent organization” is that part of a charitable
organization which coordinates, supervises or exercises
control over policy, fund raising and expenditures, or
assists, receives funds from or advises one or more chapters,
branches or affiliates in the state.

foundation, group, association, partnership, corporation,
society or any combination of them.

person who for a flat fixed fee under a written agreement
plans, conducts, manages, carries on, advises or acts as a
consultant, whether directly or indirectly, in connection
with soliciting contributions for, or on behalf of any
charitable organization but who actually solicits no
contributions as a part of the services. A bona fide salaried
officer or employee of a charitable organization maintaining
a permanent establishment within the state is not a
professional fund-raising counsel.
(10) “Professional solicitor” means any person who, for a financial or other consideration, solicits contributions for, or on behalf of a charitable organization, whether the solicitation is performed personally or through that person’s agents, servants or employees specially employed by, or for a charitable organization, who are engaged in the solicitation of contributions under the direction of that person, or a person who plans, conducts, manages, carries on, advises or acts as a consultant to a charitable organization in connection with the solicitation of contributions but does not qualify as “professional fund-raising counsel” within the meaning of this article. A bona fide salaried officer or employee of a charitable organization maintaining a permanent establishment within the state is not a professional solicitor.

No attorney, investment counselor or banker, who advises any person to make a contribution to a charitable organization, is considered, as the result of the advice, a professional fund-raising counsel or a professional solicitor.

(11) “Sign” means the action of affixing a person’s signature to any document or record, whether by manual, written, or approved electronic means.

(12) “Signature” means any mark, symbol, facsimile, or electronic mark or symbol, that depicts a person’s name on any document or record, affixed to the document or record by the person with the intent to authenticate, assert, certify, or agree to the matters, validity, information, or attestation set forth in the document or record.

§29-19-5. Registration of charitable organizations; fee.

(a) Every charitable organization, except as provided in section six of this article, which intends to solicit contributions, donations or grants within this state or to have funds solicited or received on its behalf shall, prior to any solicitation, register with the Secretary of State, in a manner or method authorized and upon forms prescribed by him or
her which shall be good for one full year and which shall be refiled in the next and each following year in which the charitable organization is engaged in solicitation activities. If an organization discontinues solicitation at any time after its last registration filing, then it shall file a registration statement reflecting its activities during its last fiscal year in which solicitation in West Virginia took place. The president, chairman, or principal officer of the charitable organization signed by an authorized agent of the charitable organization shall file the statements required under this article. The statements shall be sworn to and shall contain the following information:

5. The names and addresses of the officers, directors, trustees and the principal salaried executive staff officer;

6. A copy of a balance sheet and a statement or report of income and expenses for the organization’s immediately preceding fiscal year or a financial statement reporting information showing the kind and amount of funds raised during the preceding fiscal year, the costs and expenses incidental to the fundraising and showing how the funds were disbursed or allocated for the same fiscal year. c) No incentive provided for in this section shall be granted except in furtherance of programmatic changes undertaken pursuant to the findings, directives, goals, and objectives set forth in this article.

d) No plan proposed by an institution pursuant to this section shall be implemented without approval of the legislative joint committee on pensions and retirement.

Any costs associated with any incentive adopted or implemented in accordance with this section shall be borne entirely by the institutions and no incentive shall be granted that imposes costs on the retirement systems of the state or the Public Employees Insurance Agency unless those costs are paid entirely by the institutions.
(e) The Legislature further finds and declares that there is a compelling state interest in restricting the availability and application of these incentives to individual employees determined by the institutions to be in furtherance of the aims of this section and nothing herein shall be interpreted as granting a right or entitlement of any such incentive to any individual or group of individuals. Any employee granted incentives shall be ineligible for reemployment by the institutions during or after the negotiated period of his or her incentive concludes, including contract employment in excess of $25,000 per fiscal year.

(f) The West Virginia network for educational telecomputing may utilize the incentives contained in any plan approved by the legislative Joint Committee on Pensions and Retirement pursuant to this section.

AN ACT to amend and reenact §18B-2B-9 of the Code of West Virginia, 1931, as amended, relating to increasing the amount of the bond required to be posted by proprietary schools; establishing methods of bonding; and requiring suspension of a proprietary school’s permit if there is not required bond coverage.

Be it enacted by the Legislature of West Virginia:

ARTICLE 2B. WEST VIRGINIA COUNCIL FOR COMMUNITY AND TECHNICAL COLLEGE EDUCATION.

§18B-2B-9. Permits required for correspondence, business, occupational and trade schools; surety bonds amount and method of bonding; fees; issuance, renewal and revocation of permit; reports; rules; penalty and enforcement.

(a) The following words when used in this section have the meaning hereinafter ascribed to them unless the context clearly indicates a different meaning:

(1) “Proprietary schools that award specialized associate degrees” means institutions of higher education; and

(2) “Specialized associate degrees” means degrees awarded by such institutions pursuant to a program of not fewer than two academic years.
(b) Nothing in this section qualifies proprietary schools for additional state moneys not otherwise qualified under other provisions of this code.

(c) It is unlawful for any person representing a correspondence, business, occupational or trade school inside or outside this state, as these are defined by the council by rule promulgated in accordance with §29A-3A-1 et seq. of this code, to solicit, sell or offer to sell courses of instruction to any resident of this state for consideration or remuneration unless the school first applies for a permit, or obtains a permit, from the council in the manner and on the terms herein prescribed, except this section does not apply to private organizations which offer only tax return preparation courses. The rule previously promulgated by the state College System Board of Directors and transferred to the council by §18B-2B-6 of this code remains in effect until rescinded or amended by the council.

(1) All private training or educational institutions, schools or academies or other organizations shall apply for a permit from the council on forms provided by the council.

(2) Each initial application shall be accompanied by a nonrefundable fee of $2,000. The council also may assess an additional fee based on any additional expense required to evaluate the application.

(3) The council shall make a determination on the initial permit application within 90 days after receipt of the application and fee.

(4) An applicant for an initial permit shall show proof at the time of filing an application that adequate facilities are available and ready for occupancy and that all instructional equipment, books and supplies and personnel are in place and ready for operation. A representative of the council shall make an on-site visit to the facilities of all new applicants to confirm their readiness for operation prior to
issuance of the initial permit if the facilities are located in West Virginia.

(5) A school is considered to be established under the provisions of this article on the date it first begins to operate lawfully. An established school is not required to reapply for a permit as a result of changes in governance; administration; ownership; or form of operation.

(6) After the first permit year, an annual fee of $500 is imposed on each school for each campus it operates in this state.

(d) Each application for a proprietary school that has its physical facilities in this state shall be accompanied by a penal bond, on a form to be prescribed and furnished by the council, payable to the State of West Virginia and conditioned upon the school faithfully performing all of the requirements of this section, the rules promulgated hereunder, and the permit. The penal amount of the bond, as determined by the council, may not be less than $50,000 nor more than $100,000.

(1) If the school has changed ownership within the last 10 years by transfer of ownership control to a person who is a spouse, parent, sibling, child or grandchild of the previous owner, the surety bond shall continue in the penal sum as determined by the council. The period of liability for bond coverage begins with the issuance of the permit and continues for the full term of the permit, plus any renewals thereof. The council shall release the bond upon satisfaction that the conditions thereof have been fully performed. Upon release of the bond, any cash or collateral securities deposited by the school shall be returned to the school that deposited the same.

(2) Any school which has operated in West Virginia for fewer than 10 years, excluding those schools which have changed ownership within the last 10 years as provided in subdivision (1) of this section, and any school located in
another state which applies for a permit hereunder, shall provide a surety bond as determined by the council. The form of the bond shall be approved by the Chancellor and may include, at the option of the school, surety bonding, collateral bonding (including cash and securities), establishment of an escrow account, submission of a letter of credit or a combination of these methods. If collateral bonding is used, the school may elect to deposit cash or collateral securities or certificates as follows: bonds of the United States or its possessions; full faith and credit general obligations bonds of the State of West Virginia or other states and of any county, district or municipality of the State of West Virginia or other states; or certificates of deposit in a bank in this state, which certificates shall be in favor of the council. The cash deposit or market value of the securities or certificates shall be equal to or greater than the penal sum of the bond. The Chancellor shall, upon receipt of any deposit of cash, securities or certificates, promptly place the same with the Treasurer of the State of West Virginia, whose duty it is to receive and hold the deposit in the name of the state in trust for the purpose for which the deposit is made when the permit is issued. The school making the deposit is entitled, from time to time, to receive from the State Treasurer, upon the written approval of the Chancellor, the whole or any portion of any cash, securities or certificates so deposited, upon depositing with him or her in lieu thereof cash or other securities or certificates of the classes specified in this subsection having value equal to or greater than the sum of the bond.

(3) Any school may be required to increase its bond to $150,000 if either of the following conditions apply:

(A) The school’s accreditation is terminated for cause; or

(B) The school’s institutional eligibility under the Higher Education Act of 1965, as amended, has been terminated for cause. Expiration, nonrenewal or voluntary relinquishment of accreditation or institutional eligibility
(4) Any school may be required to increase its bond to an amount not to exceed $400,000 if, in accordance with the standards of the American Institute of Certified Public Accountants, the school’s audited financial statements are qualified because the school’s continued financial viability as an ongoing concern is in doubt and the council determines an increased bond is reasonably necessary to protect the financial obligations legally due the students then enrolled at the institution.

(A) A school may be required to maintain the increased bonding requirements described above until all students attending classes at the date of termination either graduate or withdraw.

(B) The bond may be continuous and shall be conditioned to provide indemnification to any student suffering loss as a result of any fraud or misrepresentation used in procuring the student’s enrollment, failure of the school to meet contractual obligations, or failure of the school to meet the requirements of this section.

(C) The bond shall be given by the school itself as a blanket bond covering all of its representatives.

(5) The surety on a bond or other collateral may be released upon giving 30 days’ notice in writing to the principal on the bond and to the council and thereafter shall be relieved of liability for any breach of condition occurring after the effective date of the release. Upon 10 days’ written notice, the council shall suspend the permit when the proprietary school is no longer covered by a surety bond or other collateral as required by this section, and the suspension shall remain in effect until the school obtains another bond or establishes other collateral and posts it in
the same manner and like amount as required for the initial bond.

(e) A permit is valid for one year corresponding to the effective date of the bond and may be renewed upon application, accompanied by the required fee and the surety bond as herein required. All fees collected for the issuance or renewal of a permit shall be deposited in the State Treasury to the credit of the council.

(f) The council may refuse a permit to any school if the council finds that the school engages in practices which are inconsistent with this section or with rules issued pursuant thereto.

(g) A permit issued hereunder may be suspended or revoked by the council for fraud or misrepresentation in soliciting or enrolling students, for failure of the school to fulfill its contract with one or more students who are residents of West Virginia or for violation of or failure to comply with any provision of this section or with any regulation of the council pertinent thereto.

(1) Before taking any action to suspend or revoke a school’s permit, the council shall give the school 15 days’ notice and convene a hearing, if a hearing is requested by the school.

(2) Prior to the council taking any adverse action, including refusal, suspension or revocation of a permit, the council shall give the school reasonable opportunity to take corrective measures.

(3) Any refusal, suspension or revocation of a permit, or any other adverse action against a school, shall comply with all constitutional provisions, including due process, relating to the protection of property rights.

(h) All correspondence, business, occupational or trade schools which have been issued a permit shall make annual reports to the council on forms furnished by the council and
shall provide such appropriate information as the council reasonably may require. All correspondence, business, occupational or trade schools which have been issued a permit shall furnish to the council a list of its official representatives. Each school shall be issued a certificate of identification by the council for each of its official representatives.

(i) The issuance of a permit pursuant to this section does not constitute approval or accreditation of any course or school. No school, nor any representative of a school, may make any representation stating, asserting or implying that a permit issued pursuant to this section constitutes approval or accreditation by the State of West Virginia, council or any other department or agency of the state.

(j) The council may adopt rules and conduct on-site reviews to evaluate academic standards maintained by schools for the awarding of certificates, diplomas, associate degrees and specialized associate degrees.

(1) These standards may include curriculum, personnel, facilities, materials and equipment.

(2) For accredited correspondence, business, occupational and trade schools under permit on July 1, 1979, which have their physical facilities located in this state and which are accredited by the appropriate nationally recognized accrediting agency or association approved by the United States Department of Education, the accrediting agency’s standards, procedures and criteria are accepted as meeting applicable laws, standards and rules of the council.

(3) Institutions which are institutionally accredited by accrediting agencies recognized by the United States Department of Education to establish academic standards for post-secondary education may offer post-secondary educational programs leading to certificates, diplomas and associate degrees and may award certificates, diplomas and associate degrees to graduates who successfully complete
required programs in accordance with the academic standards required by such accrediting agency.

(4) If a review undertaken by the council indicates there may be deficiencies in the academic standards the institution maintains in its educational programs and if such deficiencies are of such a material nature that they jeopardize continued accreditation, the council shall notify the institution. If the council and the institution are unable to agree on the deficiencies or the steps necessary to correct the deficiencies, the council shall consult with the institution’s accrediting agency regarding an academically appropriate resolution which may include a joint on-site review by the council and the accrediting agency.

(5) The council also may review the academic standards of unaccredited institutions and may require such institutions to maintain recognized academic standards that are reasonably appropriate to the nature of the institution and the training offered.

(k) The council may authorize an investigation of written student complaints alleging a violation of this section, council rules or accreditation standards and may take appropriate action based on the findings of such an investigation.

(l) All evaluations or investigations of correspondence, business, occupational and trade schools and actions resulting from such evaluations or investigations shall be made in accordance with rules promulgated by the council pursuant to §29A-3A-1 et seq. of this code.

(m) In regard to private, proprietary educational institutions operating under this section of the code, accredited by a national or regional accrediting agency or association recognized by the United States Department of Education and which provide training at a campus located in this state:
(1) Any rule or standard which is authorized by this or any section of the code or other law and which is now in effect or promulgated hereafter by the council (or other agency with jurisdiction) shall be clearly, specifically and expressly authorized by narrowly construed enabling law and shall be unenforceable and without legal effect unless authorized by an Act of the Legislature under the provisions of §29A-3A-1 et seq. of this code.

(2) Notwithstanding any other provision of this section or other law to the contrary, the institution’s accrediting agency standards, procedures and criteria shall be accepted as the standards and rules of the council (or other agency with jurisdiction) and as meeting other law or legal requirements relating to the operation of proprietary institutions which such council or other agency has the legal authority to enforce under any section of the code or other law. Nothing in this section denies students the use of remedies that would otherwise be available under state or federal consumer laws or federal law relating to federal college financial assistance programs.

(3) Accredited institutions operating hereunder are hereby recognized as postsecondary. Academic progress is measured and reported in credit hours and all reports/documents are filed on a credit-hour basis unless the institution notifies the council that it utilizes clock hours as its unit of measurement.

(n) A representative of any school who solicits, sells or offers to sell courses of instruction to any resident of this state for consideration or remuneration unless the school first applies for a permit, or obtains a permit, is guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than $200 per day per violation, or confined in jail not more than 60 days, or both fined and confined. No correspondence, business, occupational or trade school may maintain an action in any court of this state to recover for services rendered pursuant to a contract solicited by the school if the school did not hold a valid permit at the time
the contract was signed by any of the parties thereto. The
Attorney General or any county prosecuting attorney, at the
request of the council or upon his or her own motion, may
bring any appropriate action or proceeding in any court of
competent jurisdiction for the enforcement of the provisions
of this section relating to permits, bonds and sureties.

(o) In regard to institutions operating under this section,
all substantive standards and procedural requirements
established by the council (or the West Virginia state
program review entity or other agency with jurisdiction over
institutions operating hereunder) shall meet all substantive
and procedural standards of due process relating to the
protection of an individual citizen’s property rights as
provided under the United States Constitution and shall
follow the substantive standards and procedural
requirements established by or under authority of this
section.

[Approved by the Governor on March 25, 2020.]

AN ACT to amend and reenact §18B-10-14 of the Code of West Virginia, 1931, as amended, relating to the purchase of educational materials at institutions of higher education; establishing or continuing an educational materials affordability committee; requiring that the educational materials affordability committee make certain recommendations to the institutional governing boards; and defining the term “educational materials”.

Be it enacted by the Legislature of West Virginia:

ARTICLE 10. FEES AND OTHER MONEY COLLECTED AT STATE INSTITUTIONS OF HIGHER EDUCATION.

(a) Each governing board may establish and operate a bookstore at the institutions under its jurisdiction to sell
educational materials, books, stationery, and other school and office supplies generally carried in college bookstores.

(b) The prices to be charged may not be less than the prices fixed by any fair trade agreements and shall, in all cases, include in addition to the purchase price paid by the bookstore, a sufficient handling charge to cover all expenses incurred for personal and other services, supplies and equipment, storage, and other operating expenses.

(c) Each governing board shall establish, or if already established, continue, an educational materials affordability committee consisting of faculty, students, administrators and bookstore representatives and the committee shall make recommendations to the governing board to:

(1) Ensure that bookstores operated at institutions under its jurisdiction minimize the costs to students of purchasing educational materials;

(2) Ensure appropriate, high quality course educational materials are selected by course instructors;

(d) The Legislature recognizes that in 2004, the Congress of the United States commissioned the United States Government Accountability Office to study the high prices of college textbooks. Upon completion of the study, the Legislative Oversight Commission on Education Accountability shall obtain the results and any related reports produced by the office.

(e) An employee of a governing board:

(1) May not:

(A) Receive a payment, loan, subscription, advance, deposit of money, service, benefit or thing of value, present or promised, as an inducement for requiring students to purchase a specific textbook for coursework or instruction; or

(B) Require for any course a textbook that includes his or her own writing or work if the textbook incorporates either detachable worksheets or workbook-style pages intended to be written on or removed from the textbook. This provision does not prohibit an employee from requiring as a supplement to a textbook any workbook or similar material which is published independently from the textbook; and

(2) May receive:

(A) Sample copies, instructor’s copies and instructional material which are not to be sold; and

(B) Royalties or other compensation from sales of textbooks that include the employee’s own writing or work.

(g) All moneys derived from the operation of the bookstore shall be paid into a special revenue fund as provided in §12-2-2 of this code. Subject to the approval of the Governor, each governing board periodically shall change the amount of the revolving fund necessary for the proper and efficient operation of each bookstore.

(h) Moneys derived from the operation of the bookstore shall be used first to replenish the stock of goods and to pay the costs of operating and maintaining the bookstore. Notwithstanding any other provision of this section, any institution that has contracted with a private entity for bookstore operation shall deposit into an appropriate account all revenue generated by the operation and ensuring to the benefit of the institution. The institution shall use the funds for nonathletic scholarships.

(i) Each governing board shall promulgate a rule in accordance with the provisions of section six, article one of this chapter to implement the provisions of this section.
(j) This section applies to textbook sales and bookstores supported by an institution’s auxiliary services and those operated by a private contractor.

CHAPTER 181

(H. B. 4737 - By Delegates Rowan, Toney, Sypolt, Linville, Graves, Zukoff, Bartlett, Pethtel, Maynard, Queen and Williams)

[Passed March 7, 2020; in effect from passage.] [Approved by the Governor on March 24, 2020.]

AN ACT to amend and reenact §18C-1-1 of the Code of West Virginia, 1931, as amended, relating to the qualifications for state financial aid.

Be it enacted by the Legislature of West Virginia:

ARTICLE 1. FINANCIAL ASSISTANCE GENERALLY.

§18C-1-1. Legislative findings; purpose; administration generally; reporting.

(a) The Legislature makes the following findings:

(1) Although enrollments in institutions of higher education in this state and throughout the nation continue to increase at a rapid pace, West Virginia has not developed sufficiently the state’s human talent and resources because many able, but needy, students are not able to finance a higher education program;
(2) The state can achieve its full economic and social potential only when the following elements are in place:

(A) Every individual has the opportunity to contribute to the full extent of his or her capability; and

(B) The state assists in removing financial barriers to the individual’s education goals that remain after he or she has used all resources and work opportunities available;

(b) The ultimate state goal in providing student financial aid is to create a culture that values education, to improve the quality of the workforce, and to enhance the quality of life for the citizens of West Virginia.

(c) The vice chancellor for administration has a ministerial duty to administer, oversee, and monitor all state and federal student financial aid programs administered at the state level in accordance with established rules under the direction of the commission and council and in consultation with the Higher Education Student Financial Aid Advisory Board.

(d) These programs include, but are not limited to, the following programs:

(1) The Guaranteed Student Loan Program, which may be administered by a private nonprofit agency;

(2) The Medical Student Loan Program;

(3) The Underwood-Smith Teacher Scholarship Program;

(4) The Engineering, Science and Technology Scholarship Program;

(5) The West Virginia Higher Education Grant Program;

(6) The Higher Education Adult Part-Time Student Grant Program;
(7) The West Virginia Providing Real Opportunities for Maximizing In-State Student Excellence (PROMISE) Scholarship Program;

(8) The Higher Education Student Assistance Loan Program established pursuant to §18-22D-1 et seq. of this code;

(9) The West Virginia College Prepaid Tuition and Savings Program established pursuant to §18-30-1 et seq. of this code, which is administered by the State Treasurer;

(10) The state aid programs for students of optometry, pursuant to §18C-3-1 et seq. of this code;

(11) The state aid programs for students of veterinary medicine pursuant to §18-11-6a of this code;

(12) Any reciprocal program and contract program for student aid established pursuant to §18B-4-3 and §18B-4-4 of this code;

(13) Any other state-level student aid programs in this code; and

(14) Any federal grant or contract student assistance or support programs administered at the state level.

(e) Notwithstanding any provision of this code to the contrary, the qualifications for state financial aid are separate and apart from the requirements for federal financial aid, and the inability of a student to complete the Free Application for Federal Student Aid (FAFSA) because of extenuating family circumstances, as determined by the vice chancellor for administration in consultation with the student’s high school, shall not affect the student’s eligibility for state financial aid. This provision in no way determines the student’s compliance with federal rules or eligibility relating to federal student financial aid programs.
(f) The vice chancellor for administration shall publish comprehensive data to the official websites of the commission and council regarding the implementation of the financial aid programs identified in subsection (d) of this section which are administered under his or her supervision, including data regarding how many students had to avail themselves of the provisions of subsection (e) above. A concise summary report shall be provided to the commission and the council and shall be presented to the Legislative Oversight Commission on Education Accountability no later than January 1 annually. The report shall address all financial aid issues for which reports are required in this code, as well as any findings and recommendations.

CHAPTER 183

(Com. Sub. for S. B. 716 - By Senators Takubo and Stollings)

[Passed March 7, 2020; in effect July 1, 2020.]
[Approved by the Governor on March 24, 2020.]

AN ACT to amend and reenact §9-5-12 of the Code of West Virginia, 1931, as amended, relating to requiring Department of Health and Human Resources to make payment for tubal ligation without requiring at least 30 days between the date of informed consent and date of the tubal ligation procedure; and removing obsolete language.

Be it enacted by the Legislature of West Virginia:

ARTICLE 5. MISCELLANEOUS PROVISIONS.

§9-5-12. Medicaid program; maternity and infant care.
(a) The Legislature finds that high rates of infant mortality and morbidity are costly to the state in terms of human suffering and of expenditures for long-term institutionalization, special education, and medical care. It is well documented that appropriate care during pregnancy and delivery can prevent many of the expensive, disabling problems our children experience. There exists a crisis in this state relating to the availability of obstetrical services, particularly to patients in rural areas, and to the cost patients must pay for obstetrical services. The availability of obstetrical service for Medicaid patients enables these patients to receive quality medical care and to give birth to healthier babies and, consequently, improve the health status of the next generation.

The Legislature further recognizes that public and private insurance mechanisms remain inadequate, and poor and middle-income women and children are among the most likely to be without insurance. Generally, low-income, uninsured children receive half as much health care as their insured counterparts. The state is now investing millions to care for sick infants whose deaths and disabilities could have been avoided.

It is the intent of the Legislature that the Department of Health and Human Resources participate in the Medicaid program for indigent children and pregnant women established by Congress under the Consolidated Omnibus Budget Reconciliation Act (COBRA), Public Law 99-272, the Sixth Omnibus Budget Reconciliation Act (SOBRA), Public Law 99-504, and the Omnibus Budget Reconciliation Act (OBRA), Public Law 100-203.

(b) The department shall:

(1) Extend Medicaid coverage to pregnant women and their newborn infants to 185 percent of the federal poverty level and to provide coverage up to 60 days postpartum care, effective July 1, 2019, or as soon as federal approval has occurred.
(2) As provided under COBRA, SOBRA, and OBRA, effective July 1, 1988, infants shall be included under Medicaid coverage with all children eligible for Medicaid coverage born after October 1, 1983, whose family incomes are at or below 100 percent of the federal poverty level and continuing until such children reach the age of eight years.

(3) Elect the federal options provided under COBRA, SOBRA, and OBRA impacting pregnant women and children below the poverty level: Provided, That no provision in this article shall restrict the department in exercising new options provided by or to be in compliance with new federal legislation that further expands eligibility for children and pregnant women.

(4) The department is responsible for the implementation and program design for a maternal and infant health care system to reduce infant mortality in West Virginia. The health system design shall include quality assurance measures, case management, and patient outreach activities. The department shall assume responsibility for claims processing in accordance with established fee schedules and financial aspects of the program necessary to receive available federal dollars and to meet federal rules and regulations.

(5) Beginning July 1, 1988, the department shall increase to no less than $600 the reimbursement rates under the Medicaid program for prenatal care, delivery, and postpartum care.

(c) In order to be in compliance with the provisions of OBRA through rules and regulations, the department shall ensure that pregnant women and children whose incomes are above the Aid to Families and Dependent Children (AFDC) payment level are not required to apply for entitlements under the AFDC program as a condition of eligibility for Medicaid coverage. Further, the department shall develop a short, simplified pregnancy/pediatric
application of no more than three pages, paralleling the simplified OBRA standards.

(d) Any woman who establishes eligibility under this section shall continue to be treated as an eligible individual without regard to any change in income of the family of which she is a member until the end of the 60-day period beginning on the last day of her pregnancy.

(e) The department shall make payment for tubal ligation without requiring at least 30 days between the date of informed consent and the date of the tubal ligation procedure.

§9-6-4. Action to abate abuse, neglect, emergency, or financial exploitation.

The department or any reputable person may bring and maintain an action against any person having actual care, custody, or control of a vulnerable adult, for injunctive relief, including a preliminary injunction, to restrain and abate any abuse, neglect, or financial exploitation of a vulnerable adult or to abate an emergency situation. In any such proceeding the court shall appoint a guardian ad litem, to protect the interests of the vulnerable adult, who shall not be an employee of the state, nor be a party to the proceeding, nor be selected by, or in the employ of, any party to the proceeding: Provided, That the court may by order terminate assistance granted or paid to any person found to have abused, neglected, or financially exploited a vulnerable adult and order any such assistance to be paid to another person solely for the use and benefit of such abused, neglected, or financially exploited person, and grant such other equitable relief as may be appropriate in the circumstances to restrain and abate such abuse or neglect: Provided, however, That in the case of an action to abate an emergency situation, the court may grant the relief authorized in §9-6-5 of this code.

§9-6-5. Emergency immediate remedial treatment; procedure.

Whenever a circuit court shall find in an action to abate an emergency situation that there is probable cause to believe that a vulnerable adult is in an emergency situation and that the person or persons having the immediate care, custody, and control of such vulnerable adult refuses to take necessary steps to alleviate such emergency, or that such vulnerable adult is without the actual care, custody, and control of any persons, it may issue an order of attachment for such vulnerable adult and direct that the peace officer executing the same deliver such vulnerable adult in his custody to a hospital or other safe place except a jail, for immediate remedial treatment to reduce or avoid the risk of
death or serious injury. In the event that an order of
attachment is issued pursuant to this section, any peace
officer executing the order, and such employees of the
department the peace officer directs to accompany him, may
enter into the place of abode to remove such vulnerable
person, notwithstanding the residence therein of other
persons.

If any employee or officer of the department shall by
direct observation of a vulnerable adult not in the immediate
care, custody, or control of another, have reasonable cause
to believe that such vulnerable person is then and there in
an emergency situation, then such officer or employee may
offer transportation to a hospital or other safe place, other
than a jail, to such vulnerable adult for immediate remedial
treatment to reduce or avoid the risk of death or serious
injury.

Immediately upon delivery of any vulnerable person to
such hospital or other safe place, such officer or employee
shall apply to the circuit court for and the court shall
appoint, and in the case of an attachment the court shall
contemporaneously with its issuance appoint, a guardian ad
litem who shall not be an employee of the state, nor be an
interested party, nor be selected by, nor in the employ of,
any interested party, to represent the interests of such
vulnerable adult, and the court shall fix a time, not later than
one judicial day later, to determine if such remedial
treatment shall continue or such vulnerable adult should be
released. A copy of that attachment and notice of such
hearing shall be served on any person in whose actual care,
custody, and control such vulnerable adult is found. If
further remedial treatment is required, application shall be
promptly made to the county commission or such other
proper tribunal for appropriate relief: Provided, That the
commitment for further remedial treatment may be
continued until proceedings for such appropriate relief be
concluded: Provided, however, That application for release
from such remedial treatment may be made and granted at
any time that the emergency ceases.
§9-6-6. Payment and termination of payment for services to a vulnerable adult.

If any vulnerable adult requires and is granted remedial treatment for an emergency, or the department determines that a vulnerable adult is abused, neglected, or financially exploited, the department may pay any assistance granted for the use and benefit of such vulnerable adult to the person actually providing care for such adult, and terminate payments to any person alleged or shown to have abused, neglected, or financially exploited such vulnerable adult, or to whom such payments were made prior to such remedial treatment, for so long as such remedial treatment continues, or until such abuse, neglect, or financial exploitation is abated, and such vulnerable adult continues to be in the immediate care, custody, and control of such person.

§9-6-7. Comprehensive system of adult protective services; compulsory assistance prohibited.

The department shall develop a plan for a comprehensive system of adult protective services, including social casework, medical and psychiatric services, home care, day care, counseling, research, and others to achieve the goals of this article.

It shall offer such services as are available and appropriate in the circumstances to persons who, other than for compensation, have or intend to have the actual, physical custody and control of a vulnerable adult and to such vulnerable adults or to adults who may request and be entitled to such protective services: Provided, That except as expressly provided in this article, the department may not directly or indirectly compel the acceptance of such services by any person or discriminate against a person who refuses such services.

§9-6-8. Confidentiality of records.

(a) Except as otherwise provided in this section, all records of the department, state and regional long-term care
ombudsmen, nursing home or facility administrators, the Office of Health Facility Licensure and Certification, and all protective services agencies concerning an adult or facility resident under this article are confidential and may not be released, except in accordance with the provisions of §9-6-11 of this code.

(b) Unless the vulnerable adult concerned is receiving adult protective services, or unless there are pending proceedings regarding the vulnerable adult, the records maintained by the adult protective services agency shall be destroyed 30 years following their preparation.

(c) Notwithstanding the provisions of subsection (a) of this section or any other provision of this code to the contrary, records concerning reports of abuse, neglect, or financial exploitation of a vulnerable adult, including all records generated as a result of such reports, may be made available to:

(1) Employees or agents of the department who need access to the records for official business;

(2) Any law-enforcement agency investigating a report of known or suspected abuse, neglect, or financial exploitation of a vulnerable adult;

(3) The prosecuting attorney of the judicial circuit in which the vulnerable adult resides or in which the alleged abuse, neglect, or financial exploitation occurred;

(4) A circuit court or the Supreme Court of Appeals subpoenaing the records. (5) A grand jury, by subpoena, upon its determination that access to the records is necessary in the conduct of its official business;

(6) The recognized protection and advocacy agency for the disabled of the State of West Virginia;

(7) The victim; and

Any person who the department has determined to have abused, neglected, or financially exploited the victim.

(e) Notwithstanding the provisions of subsection (a) of this section or any other provision of this code to the contrary, summaries concerning substantiated and unsubstantiated investigative reports of abuse, neglect, or financial exploitation of vulnerable adults may be made available to:

(1) Any appropriate official of the state or regional long-term care ombudsman investigating a report of known or suspected abuse, neglect or financial exploitation of a vulnerable adult;

(2) Any person engaged in bona fide research or auditing, as defined by the department. However, information identifying the subjects of the report may not be made available to the researcher;

(3) Employees or agents of an agency of another state that has jurisdiction to investigate known or suspected abuse, neglect, or exploitation of vulnerable adults;
(4) A professional person when the information is necessary for the diagnosis and treatment of, and service delivery to, a vulnerable adult; and

(5) A department administrative hearing officer when the hearing officer determines the information is necessary for the determination of an issue before the officer.

(f) The identity of any person reporting abuse, neglect, or financial exploitation of a vulnerable adult may not be released without that person’s written consent to any person other than employees of the department responsible for protective services or the appropriate prosecuting attorney or law-enforcement agency. This subsection grants protection only for the person who reported the abuse, neglect, or financial exploitation and protects only the fact that the person is the reporter. This subsection does not prohibit the subpoena of a person reporting the abuse, neglect, or financial exploitation when deemed necessary by the prosecuting attorney or the department to protect a vulnerable adult who is the subject of a report, if the fact that the person made the report is not disclosed.

§9-6-9. Mandatory reporting of incidences of abuse, neglect, financial exploitation, or emergency situation.

(a) If any medical, dental, or mental health professional, Christian Science practitioner, religious healer, social service worker, law-enforcement officer, humane officer, or any employee of any nursing home or other residential facility, has reasonable cause to believe that a vulnerable adult or facility resident is or has been neglected, abused, financially exploited or placed in an emergency situation, or if such person observes a vulnerable adult or facility resident being subjected to conditions that are likely to result in abuse, neglect, financial exploitation, or an emergency situation, the person shall immediately report the circumstances pursuant to the provisions of §9-6-11 of this code: Provided, That nothing in this article is intended to prevent individuals from reporting on their own behalf.

(6) Coverage for treatment of serious mental illness:

(A) The coverage does not include custodial care, residential care, or schooling. financial requirements and quantitative treatment
limitations specified in 45 CFR 146.136(c)(2) and (c)(3), or
any successor regulation. The agency may not apply any
nonquantitative treatment limitations to benefits for
behavioral health, mental health, and substance use

facility charges provided by appropriately licensed health
care individuals in conjunction with dental care if the
covered person is:

disabled and is an individual for whom a successful result
cannot be expected from dental care provided under local
anesthesia because of a physical, intellectual, or other
medically compromising condition of the individual and for
whom a superior result can be expected from dental care
provided under general anesthesia.
(B) A child who is 12 years of age or younger with documented phobias or with documented mental illness and with dental needs of such magnitude that treatment should not be delayed or deferred and for whom lack of treatment can be expected to result in infection, loss of teeth, or other increased oral or dental morbidity and for whom a successful result cannot be expected from dental care provided under local anesthesia because of such condition and for whom a superior result can be expected from dental care provided under general anesthesia.

(8) (A) Any plan issued or renewed on or after January 1, 2012, shall include coverage for diagnosis, evaluation, and treatment of autism spectrum disorder in individuals ages 18 months to 18 years. To be eligible for coverage and benefits under this subdivision, the individual must be diagnosed with autism spectrum disorder at age eight or younger. The annual maximum benefit for applied behavior analysis required by this subdivision shall be in an amount not to exceed $30,000 per individual for three consecutive years from the date treatment commences. At the conclusion of the third year, coverage for applied behavior analysis required by this subdivision shall be in an amount not to exceed $2,000 per month, until the individual reaches 18 years of age, as long as the treatment is medically necessary and in accordance with a treatment plan developed by a certified behavior analyst pursuant to a comprehensive evaluation or reevaluation of the individual. This subdivision does not limit, replace, or affect any obligation to provide services to
an individual under the Individuals with Disabilities Education Act, 20 U. S. C. §1400 et seq., as amended from time to time, or other publicly funded programs. Nothing in this subdivision requires reimbursement for services provided by public school personnel.

(C) The certified behavior analyst shall file progress reports with the agency semiannually. In order for treatment to continue, the agency must receive objective evidence or a clinically supportable statement of expectation that:

(i) The individual’s condition is improving in response to treatment;

(ii) A maximum improvement is yet to be attained; and

(iii) There is an expectation that the anticipated improvement is attainable in a reasonable and generally predictable period of time.

(D) On or before January 1 each year, the agency shall file an annual report with the Joint Committee on Government and Finance describing its implementation of the coverage provided pursuant to this subdivision. (iv) “Objective evidence” means standardized patient assessment instruments, outcome measurements tools, or measurable assessments of functional outcome. Use of objective measures at the beginning of treatment, during, and after treatment is recommended to quantify progress and support justifications for continued treatment. The tools are not required but their use will enhance the justification for continued treatment.

(F) To the extent that the provisions of this subdivision require benefits that exceed the essential health benefits specified under section 1302(b) of the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended, the specific benefits that exceed the specified essential health benefits shall not be required of insurance plans offered by the Public Employees Insurance Agency.

(9) For plans that include maternity benefits, coverage for the same maternity benefits for all individuals participating in or receiving coverage under plans that are issued or renewed on or after January 1, 2014: Provided, that to the extent that the provisions of this subdivision require benefits that exceed the essential health benefits specified under section 1302(b) of the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended,

(B) The coverage required by paragraph (A) of this subdivision shall include medical foods for home use for which a physician has issued a prescription and has declared them to be medically necessary, regardless of methodology of delivery.

(C) For purposes of this subdivision, “medically necessary foods” or “medical foods” shall mean prescription amino acid-based elemental formulas obtained through a pharmacy: Provided, That these foods are specifically designated and manufactured for the treatment of severe allergic conditions or short bowel.
(D) The provisions of this subdivision shall not apply to persons with an intolerance for lactose or soy.

(b) The agency shall, with full authorization, make available to each eligible employee, at full cost to the employee, the opportunity to purchase optional group life and accidental death insurance as established under the rules of the agency. In addition, each employee is entitled to have his or her spouse and dependents, as defined by the rules of the agency, included in the optional coverage, at full cost to the employee, for each eligible dependent.

(4) Any other categorization which would ensure the stability of the overall program.

(d) The agency shall maintain the medical and prescription drug coverage for Medicare-eligible retirees by providing coverage through one of the existing plans or by enrolling the Medicare-eligible retired employees into a Medicare-specific plan, including, but not limited to, the Medicare/Advantage Prescription Drug Plan. If a Medicare-specific plan is no longer available or advantageous for the agency and the retirees, the retirees remain eligible for coverage through the agency.

(e) The agency shall establish procedures to authorize treatment with a nonparticipating provider if a covered
service is not available within established time and distance standards and within a reasonable period after service is requested, and with the same coinsurance, deductible, or copayment requirements as would apply if the service were provided at a participating provider, and at no greater cost to the covered person than if the services were obtained at or from a participating provider.

(f) If the Public Employees Insurance Agency offers a plan that does not cover services provided by an out-of-network provider, it may provide the benefits required in paragraph (A), subdivision (6), subsection (a) of this section if the services are rendered by a provider who is designated by and affiliated with the Public Employees Insurance Agency, and only if the same requirements apply for services for a physical illness.

(g) In the event of a concurrent review for a claim for coverage of services for the prevention of, screening for, and treatment of behavioral health, mental health, and substance use disorders, the service continues to be a covered service until the Public Employees Insurance Agency notifies the covered person of the determination of the claim.

(h) Unless denied for nonpayment of premium, a denial of reimbursement for services for the prevention of, screening for, or treatment of behavioral health, mental health, and substance use disorders by the Public Employees Insurance Agency shall include the following language:

(1) A statement explaining that covered persons are protected under this section, which provides that limitations placed on the access to mental health and substance use disorder benefits may be no greater than any limitations placed on access to medical and surgical benefits;

treatment limitation, as written, and the written processes
and strategies used to apply each nonquantitative treatment
limitation for benefits for behavioral health, mental health,
and substance use disorders are comparable to, and are
applied no more stringently than, the processes and
strategies used to design and apply each nonquantitative
treatment limitation, as written, and the written processes
and strategies used to apply each nonquantitative treatment
limitation for medical and surgical benefits;

(D) Provide the comparative analysis, including the
results of the analyses, performed to determine that the
processes and strategies used to apply each nonquantitative
treatment limitation, in operation, for benefits for behavioral
health, mental health, and substance use disorders are
comparable to, and are applied no more stringently than, the processes and strategies used to apply each nonquantitative treatment limitation, in operation, for medical and surgical benefits; and

(E) Disclose the specific findings and conclusions reached by the Public Employees Insurance Agency that the results of the analyses indicate that each health benefit plan offered by the Public Employees Insurance Agency complies with paragraph (B), subdivision (6), subsection (a) of this section.

In the event that federal funds are no longer authorized for participation by individuals eligible at income levels above 200 percent, the board shall take immediate steps to terminate the expansion provided for in this section and notify all enrollees of such termination. In the event federal appropriations decrease for the programs created pursuant to Title XXI of the Social Security Act of 1997, the board is directed to make those decreases in this expansion program before making changes to the programs created for those children whose family income is less than 200 percent of the federal poverty level.

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section, designated §33-6-40, relating to military service as a factor in certain insurance coverage rates generally; prohibiting an insurance company from increasing premiums when reinstating an insurance contract or writing a new policy that was previously cancelled or suspended due to active duty military service of the insured; defining terms; and creating presumption of continuous coverage when lapse occurs while insured is on active duty.

Be it enacted by the Legislature of West Virginia:

ARTICLE 6. THE INSURANCE POLICY.

§33-6-40. Military service as factor in insurance rates.
With respect to any fire, marine, or casualty insurance contract, no person may deny, refuse to renew, cancel coverage, or charge increased premiums for applicants or insureds solely as a result of a uniformed service member’s performance of active military duty in the United States armed forces or as a member of a reserve component of the United States armed forces, to include the National Guard of a state or territory, because the uniformed service member fails to meet underwriting standards that require continuous coverage unless the failure to maintain continuous coverage existed prior to the applicant’s or insured’s entry into active duty status and was not related in any way to the applicant’s or insured’s military service. For the purposes of this section, service in the National Guard includes any full-time active duty for training in the National Guard, active duty operational support, active duty special work, state active duty as a member of a National Guard unit, or any other periods of service pursuant to Title 32 of the United States Code or active service of the state or territory. (H. B. 4146 - By Delegates Westfall, Nelson, Porterfield and Espinosa)
[By Request of the West Virginia Insurance Commission]

[Passed March 4, 2020; in effect ninety days from passage.]
[Approved by the Governor on March 25, 2020.]

AN ACT to amend and reenact §33-4-15a of the Code of West Virginia, 1931, as amended, relating to credit for reinsurance; allowing a credit on an insurer’s annual statement when reinsurance is ceded to an assuming insurer and the assuming insurer is licensed in a reciprocal jurisdiction; defining terms; setting forth the criteria required regarding the credit for reinsurance; removing emergency rulemaking authority;

† Redesignated
Be it enacted by the Legislature of West Virginia:

ARTICLE 4. GENERAL PROVISIONS.

§33-4-15a. Credit for reinsurance.

(a) The purpose of this section is to protect the interest of insureds, claimants, ceding insurers, assuming insurers, and the public generally. The Legislature hereby declares its intent is to ensure adequate regulation of insurers and reinsurers, and the adequate protection for those to whom they owe obligations. In furtherance of that stated interest, it is hereby mandated that upon the insolvency of a non-United States insurer or reinsurer that provides security to fund its United States obligations in accordance with this section, the assets representing the security shall be maintained in the United States and claims shall be filed with and valued by the state Insurance Commissioner with regulatory oversight, and the assets shall be distributed, in accordance with the insurance laws of the state in which the trust is domiciled that are applicable to the liquidation of domestic United States insurance companies. The Legislature further declares that the matters contained in this section are fundamental to the business of insurance in accordance with 15 U.S.C. §§1011-1012.

(b) (1) Credit for reinsurance shall be allowed a domestic ceding insurer as either an asset or a reduction from liability on account of reinsurance ceded only when the reinsurer meets the requirements of §33-4-15a(b)(2)(A), §33-4-15a(b)(2)(B), §33-4-15a(b)(2)(C), §33-4-15a(b)(2)(D), §33-4-15a(b)(2)(E), §33-4-15a(b)(2)(F), or
Provided, That the commissioner may adopt by rule pursuant to §33-4-15a(e)(2) of this code additional requirements relating to or setting forth:

(A) The valuation of assets or reserve credits;

(B) The amount and forms of security supporting reinsurance arrangements described in §33-4-15a(e)(2) of this code; and/or

(C) The circumstances pursuant to which credit will be reduced or eliminated.

(2) Credit shall be allowed under §33-4-15a(b)(2)(A), §33-4-15a(b)(2)(B), or §33-4-15a(b)(2)(C) of this code only with respect to cessions of those kinds or classes of business which the assuming insurer is licensed or otherwise permitted to write or assume in its state of domicile or, in the case of a United States branch of an alien assuming insurer, in the state through which it is entered and licensed to transact insurance or reinsurance. Credit shall be allowed under §33-4-15a(b)(2)(C) or §33-4-15a(b)(2)(D) of this code only if the applicable requirements of §33-4-15a(b)(2)(H) of this code have been satisfied.

(A) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is licensed to transact insurance or reinsurance in this state.

(B) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is accredited by the commissioner as a reinsurer in this state. To be eligible for accreditation, a reinsurer must:

(i) File with the commissioner evidence of its submission to this state’s jurisdiction;

(ii) Submit to this state’s authority to examine its books and records;
(iii) Be licensed to transact insurance or reinsurance in at least one state, or in the case of a United States branch of an alien assuming insurer, be entered through and licensed to transact insurance or reinsurance in at least one state;

(iv) File annually with the commissioner a copy of its annual statement filed with the insurance department of its state of domicile and a copy of its most recent audited financial statement; and

(v) Demonstrate to the satisfaction of the commissioner that it has adequate financial capacity to meet its reinsurance obligations and is otherwise qualified to assume reinsurance from domestic insurers. An assuming insurer is considered to meet this requirement as of the time of its application if it maintains a surplus as regards policyholders in an amount not less than $20 million and its accreditation has not been denied by the commissioner within 90 days after submission of its application.

(C)(i) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is domiciled in, or in the case of a United States branch of an alien assuming insurer is entered through, a state that employs standards regarding credit for reinsurance substantially similar to those applicable under this statute and the assuming insurer or United States branch of an alien assuming insurer:

(I) Maintains a surplus as regards policyholders in an amount not less than $20 million; and

(II) Submits to the authority of this state to examine its books and records.

(ii) The requirement of §33-4-15a(b)(2)(C)(i)(I) of this code does not apply to reinsurance ceded and assumed pursuant to pooling arrangements among insurers in the same holding company system.

(D)(i) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that maintains a trust fund in
a qualified United States financial institution, as defined in §33-4-15a(d)(2) of this code, for the payment of the valid claims of its United States ceding insurers, their assigns and successors in interest. To enable the commissioner to determine the sufficiency of the trust fund, the assuming insurer shall report annually to the commissioner information substantially the same as that required to be reported on the National Association of Insurance Commissioners’ Annual Statement form by licensed insurers. The assuming insurer shall submit to examination of its books and records by the commissioner and bear the expense of examination.

(ii)(I) Credit for reinsurance may not be granted under this paragraph unless the form of the trust and any amendments to the trust have been approved by the commissioner of the state where the trust is domiciled or the commissioner of another state who, pursuant to the terms of the trust instrument, has accepted principal regulatory oversight of the trust.

(II) The form of the trust and any trust amendments also shall be filed with the commissioner of every state in which the ceding insurer beneficiaries of the trust are domiciled. The trust instrument shall provide that contested claims shall be valid and enforceable upon the final order of any court of competent jurisdiction in the United States. The trust shall vest legal title to its assets in its trustees for the benefit of the assuming insurer’s United States ceding insurers, their assigns, and successors in interest. The trust and the assuming insurer are subject to examination as determined by the commissioner.

(III) The trust shall remain in effect for as long as the assuming insurer has outstanding obligations due under the reinsurance agreements subject to the trust. No later than February 28 of each year the trustee of the trust shall report to the commissioner in writing the balance of the trust and listing the trust’s investments at the preceding year-end and shall certify the date of termination of the trust, if so
planned, or certify that the trust will not expire prior to the following December 31.

(iii) The following requirements apply to the following categories of assuming insurer:

(I) The trust fund for a single assuming insurer shall consist of funds in trust in an amount not less than the assuming insurer’s liabilities attributable to reinsurance ceded by United States ceding insurers, and, in addition, the assuming insurer shall maintain a trusteed surplus of not less than $20 million, except as provided in §33-4-15a(b)(2)(D)(iii)(II) of this code.

(II) At any time after the assuming insurer has permanently discontinued underwriting new business secured by the trust for at least three full years, the commissioner with principal regulatory oversight of the trust may authorize a reduction in the required trusteed surplus, but only after a finding, based on an assessment of the risk, that the new required surplus level is adequate for the protection of United States ceding insurers, policyholders, and claimants in light of reasonably foreseeable adverse loss development. The risk assessment may involve an actuarial review, including an independent analysis of reserves and cash flows, and shall consider all material risk factors, including when applicable the lines of business involved, the stability of the incurred loss estimates, and the effect of the surplus requirements on the assuming insurer’s liquidity or solvency. The minimum required trusteed surplus may not be reduced to an amount less than 30 percent of the assuming insurer’s liabilities attributable to reinsurance ceded by United States ceding insurers covered by the trust.

(III)(a) When there is a group, including incorporated and individual unincorporated underwriters for reinsurance ceded under reinsurance agreements with an inception, amendment, or renewal date on or after January 1, 1993, the trust shall consist of a trusteed account in an amount not less
than the respective underwriters’ several liabilities attributable to business ceded by United States domiciled ceding insurers to any underwriter of the group.

(b) When there is a group, including incorporated and individual unincorporated underwriters for reinsurance ceded under reinsurance agreements with an inception date on or before December 31, 1992, and not amended or renewed after that date, notwithstanding the other provisions of this section, the trust shall consist of a trusteed account in an amount not less than the respective underwriters’ several insurance and reinsurance liabilities attributable to business written in the United States.

(c) In addition to the trusts described in §33-4-15a(b)(2)(D)(iii)(III)(a) and §33-4-15a(b)(2)(D)(iii)(III)(b) of this code, the group shall maintain in trust a trusteed surplus of which $100 million shall be held jointly for the benefit of the United States domiciled ceding insurers of any member of the group for all years of account.

(d) The incorporated members of the group may not be engaged in any business other than underwriting as a member of the group and are subject to the same level of regulation and solvency control by the group’s domiciliary regulator as are the unincorporated members.

(e) Within 90 days after its financial statements are due to be filed with the group’s domiciliary regulator, the group shall provide to the commissioner an annual certification by the group’s domiciliary regulator of the solvency of each underwriter member; or if a certification is unavailable, financial statements, prepared by independent public accountants, of each underwriter member of the group.

(IV) When there is a group of incorporated underwriters under common administration, the group shall:
(a) Have continuously transacted an insurance business outside the United States for at least three years immediately prior to making application for accreditation;

(b) Maintain aggregate policyholders’ surplus of at least $10 billion;

(c) Maintain a trust fund in an amount not less than the group’s several liabilities attributable to business ceded by United States domiciled ceding insurers to any member of the group pursuant to reinsurance contracts issued in the name of the group;

(d) In addition, maintain a joint trusteed surplus of which $100 million shall be held jointly for the benefit of United States domiciled ceding insurers of any member of the group as additional security for these liabilities; and

(e) Within 90 days after its financial statements are due to be filed with the group’s domiciliary regulator, make available to the commissioner an annual certification of each underwriter member’s solvency by the member’s domiciliary regulator and financial statements of each underwriter member of the group prepared by its independent public accountant.

(E) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that has been certified by the commissioner as a reinsurer in this state and secures its obligations in accordance with the requirements of this paragraph.

(i) In order to be eligible for certification, the assuming insurer shall meet the following requirements:

(I) The assuming insurer shall be domiciled and licensed to transact insurance or reinsurance in a qualified jurisdiction, as determined by the commissioner pursuant to §33-4-15a(b)(2)(E)(iii) of this code;
(II) The assuming insurer shall maintain minimum capital and surplus, or its equivalent, in an amount to be determined by the commissioner pursuant to a rule proposed pursuant to §33-4-15a(e) of this code;

(III) The assuming insurer shall maintain financial strength ratings from two or more rating agencies deemed acceptable by the commissioner pursuant to a rule proposed pursuant to §33-4-15a(e) of this code;

(IV) The assuming insurer shall agree to submit to the jurisdiction of this state, appoint the commissioner as its agent for service of process in this state, and agree to provide security for 100 percent of the assuming insurer’s liabilities attributable to reinsurance ceded by United States ceding insurers if it resists enforcement of a final United States judgment;

(V) The assuming insurer shall agree to meet applicable information filing requirements as determined by the commissioner, both with respect to an initial application for certification and on an ongoing basis; and

(VI) The assuming insurer shall satisfy any other requirements for certification deemed relevant by the commissioner.

(ii) An association including incorporated and individual unincorporated underwriters may be a certified reinsurer. In order to be eligible for certification, in addition to satisfying requirements of §33-4-15a(b)(2)(E)(i) of this code:

(I) The association shall satisfy its minimum capital and surplus requirements through the capital and surplus equivalents (net of liabilities) of the association and its members, which shall include a joint central fund that may be applied to any unsatisfied obligation of the association or any of its members, in an amount determined by the commissioner to provide adequate protection;
(II) The incorporated members of the association may not be engaged in any business other than underwriting as a member of the association and shall be subject to the same level of regulation and solvency control by the association’s domiciliary regulator as are the unincorporated members; and

(III) Within 90 days after its financial statements are due to be filed with the association’s domiciliary regulator, the association shall provide to the commissioner an annual certification by the association’s domiciliary regulator of the solvency of each underwriter member; or if a certification is unavailable, financial statements, prepared by independent public accountants, of each underwriter member of the association.

(iii) The commissioner shall create and publish a list of qualified jurisdictions, under which an assuming insurer licensed and domiciled in such jurisdiction is eligible to be considered for certification by the commissioner as a certified reinsurer.

(I) In order to determine whether the domiciliary jurisdiction of a non-United States assuming insurer is eligible to be recognized as a qualified jurisdiction, the commissioner shall evaluate the appropriateness and effectiveness of the reinsurance supervisory system of the jurisdiction, both initially and on an ongoing basis, and consider the rights, benefits, and the extent of reciprocal recognition afforded by the non-United States jurisdiction to reinsurers licensed and domiciled in the United States. A qualified jurisdiction shall agree to share information and cooperate with the commissioner with respect to all certified reinsurers domiciled within that jurisdiction. A jurisdiction may not be recognized as a qualified jurisdiction if the commissioner has determined that the jurisdiction does not adequately and promptly enforce final United States judgments and arbitration awards. Additional factors may be considered in the discretion of the commissioner.
(II) A list of qualified jurisdictions shall be published through the National Association of Insurance Commissioners’ Committee Process. The commissioner shall consider this list in determining qualified jurisdictions. If the commissioner approves a jurisdiction as qualified that does not appear on the list of qualified jurisdictions, the commissioner shall provide thoroughly documented justification in accordance with criteria to be developed by rules proposed pursuant to §33-4-15a(e) of this code.

(III) United States jurisdictions that meet the requirement for accreditation under the National Association of Insurance Commissioners’ financial standards and accreditation program shall be recognized as qualified jurisdictions.

(IV) If a certified reinsurer’s domiciliary jurisdiction ceases to be a qualified jurisdiction, the commissioner may suspend the reinsurer’s certification indefinitely, in lieu of revocation.

(iv) The commissioner shall assign a rating to each certified reinsurer, giving due consideration to the financial strength ratings that have been assigned by rating agencies considered acceptable to the commissioner as developed by rules proposed pursuant to §33-4-15a(e) of this code. The commissioner shall publish a list of all certified reinsurers and their ratings.

(v) A certified reinsurer shall secure obligations assumed from United States ceding insurers under this paragraph at a level consistent with its rating, as specified in rules proposed pursuant to §33-4-15a(e) of this code.

(I) In order for a domestic ceding insurer to qualify for full financial statement credit for reinsurance ceded to a certified reinsurer, the certified reinsurer shall maintain security in a form acceptable to the commissioner and consistent with the provisions of §33-4-15a(c) of this code, or in a multibeneficiary trust in accordance with §33-4-
15a(b)(2)(D) of this code, except as otherwise provided in this paragraph.

(II) If a certified reinsurer maintains a trust to fully secure its obligations subject to §33-4-15a(b)(2)(D) of this code, and chooses to secure its obligations incurred as a certified reinsurer in the form of a multibeneficiary trust, the certified reinsurer shall maintain separate trust accounts for its obligations incurred under reinsurance agreements issued or renewed as a certified reinsurer with reduced security as permitted by this paragraph or comparable laws of other United States jurisdictions and for its obligations subject to §33-4-15a(b)(2)(D) of this code. It shall be a condition to the grant of certification under this paragraph that the certified reinsurer shall have bound itself, by the language of the trust and agreement with the commissioner with principal regulatory oversight of each such trust account, to fund, upon termination of any such trust account, out of the remaining surplus of such trust any deficiency of any other such trust account.

(III) The minimum trusteed surplus requirements provided in §33-4-15a(b)(2)(D) of this code are not applicable with respect to a multibeneficiary trust maintained by a certified reinsurer for the purpose of securing obligations incurred under this paragraph, except that such trust shall maintain a minimum trusteed surplus of $10 million.

(IV) With respect to obligations incurred by a certified reinsurer under this paragraph, if the security is insufficient, the commissioner shall reduce the allowable credit by an amount proportionate to the deficiency, and has the discretion to impose further reductions in allowable credit upon finding that there is a material risk that the certified reinsurer’s obligations may not be paid in full when due.

(V) For purposes of this paragraph, a certified reinsurer whose certification has been terminated for any reason shall be treated as a certified reinsurer required to secure 100
percent of its obligations. If the commissioner continues to assign a higher rating as permitted by other provisions of this section, this requirement does not apply to a certified reinsurer in inactive status or to a reinsurer whose certification has been suspended. As used in this paragraph, the term “terminated” refers to revocation, suspension, voluntary surrender, and inactive status.

(vi) If an applicant for certification has been certified as a reinsurer in a National Association of Insurance Commissioners’ accredited jurisdiction, the commissioner may defer to that jurisdiction’s certification, and may defer to the rating assigned by that jurisdiction, and such assuming insurer shall be considered to be a certified reinsurer in this state.

(vii) A certified reinsurer that ceases to assume new business in this state may request to maintain its certification in inactive status in order to continue to qualify for a reduction in security for its in-force business. An inactive certified reinsurer shall continue to comply with all applicable requirements of this paragraph, and the commissioner shall assign a rating that takes into account, if relevant, the reasons why the reinsurer is not assuming new business.

(F)(i) Credit shall be allowed when the reinsurance is ceded to an assuming insurer meeting each of the conditions set forth in this paragraph.

(I) The assuming insurer shall have its head office or be domiciled in, as applicable, and be licensed in a reciprocal jurisdiction. A “reciprocal jurisdiction” is a jurisdiction that meets one of the following:

(a) A non-United States jurisdiction that is subject to an in-force covered agreement with the United States, each within its legal authority, or, where there is a covered agreement between the United States and European Union, is a member state of the European Union. For purposes of
this paragraph, a “covered agreement” is an agreement entered into pursuant to Dodd-Frank Wall Street Reform and Consumer Protection Act, 31 U.S.C. §§313 and 314, that is currently in effect or in a period of provisional application and addresses the elimination, under specified conditions, of collateral requirements as a condition for entering into any reinsurance agreement with a ceding insurer domiciled in this state or for allowing the ceding insurer to recognize credit for reinsurance;

(b) A United States jurisdiction that meets the requirements for accreditation under the National Association of Insurance Commissioners’ financial standards and accreditation program; or

(c) A qualified jurisdiction, as determined by the commissioner pursuant to §33-4-15a(b)(2)(E)(iii) of this code, which is not otherwise described in §33-4-15a(b)(2)(F)(i)(a) or §33-4-15a(b)(2)(F)(i)(I)(b) of this code and which meets certain additional requirements, consistent with the terms and conditions of in-force covered agreements, as specified in rules proposed pursuant to §33-4-15a(e) of this code.

(II) The assuming insurer shall have and maintain, on an ongoing basis, minimum capital and surplus, or its equivalent, calculated according to the methodology of its domiciliary jurisdiction, in an amount to be set forth in rules proposed pursuant to §33-4-15a(e) of this code. If the assuming insurer is an association, including incorporated and individual unincorporated underwriters, it must have and maintain, on an ongoing basis, minimum capital and surplus equivalents (net of liabilities), calculated according to the methodology applicable in its domiciliary jurisdiction, and a central fund containing a balance in amounts to be set forth in rules proposed pursuant to §33-4-15a(e) of this code.

(III) The assuming insurer shall have and maintain, on an ongoing basis, a minimum solvency or capital ratio, as
applicable, which will be set forth in rules proposed pursuant to §33-4-15a(e) of this code. If the assuming insurer is an association, including incorporated and individual unincorporated underwriters, it must have and maintain, on an ongoing basis, a minimum solvency or capital ratio in the reciprocal jurisdiction where the assuming insurer has its head office or is domiciled, as applicable, and is also licensed.

(IV) The assuming insurer shall agree and provide adequate assurance to the commissioner, in a form specified by the commissioner and as set forth in rules proposed pursuant to §33-4-15a(e) of this code, as follows:

(a) The assuming insurer shall provide prompt written notice and explanation to the commissioner if it falls below the minimum requirements set forth in §33-4-15a(b)(2)(F)(i)(II) or §33-4-15a(b)(2)(F)(i)(III) of this code, or if any regulatory action is taken against it for serious noncompliance with applicable law;

(b) The assuming insurer shall consent in writing to the jurisdiction of the courts of this state and to the appointment of the commissioner as agent for service of process. The commissioner may require that consent for service of process be provided to the commissioner and included in each reinsurance agreement. Nothing in this provision may limit, or in any way alter, the capacity of parties to a reinsurance agreement to agree to alternative dispute resolution mechanisms, except to the extent such agreements are unenforceable under applicable insolvency or delinquency laws;

(c) The assuming insurer shall consent in writing to pay all final judgments, wherever enforcement is sought, obtained by a ceding insurer or its legal successor, that have been declared enforceable in the jurisdiction where the judgment was obtained;
(d) Each reinsurance agreement shall include a provision requiring the assuming insurer to provide security in an amount equal to 100 percent of the assuming insurer’s liabilities attributable to reinsurance ceded pursuant to that agreement if the assuming insurer resists enforcement of a final judgment that is enforceable under the law of the jurisdiction in which it was obtained or a properly enforceable arbitration award, whether obtained by the ceding insurer or by its legal successor on behalf of its resolution estate; and

(e) The assuming insurer shall confirm that it is not presently participating in any solvent scheme of arrangement which involves this state’s ceding insurers, and agree to notify the ceding insurer and the commissioner and to provide security in an amount equal to 100 percent of the assuming insurer’s liabilities to the ceding insurer, should the assuming insurer enter into such a solvent scheme of arrangement. The security shall be in a form consistent with the provisions of §33-4-15a(b)(2)(E) and §33-4-15a(c) of this code and as specified by the commissioner in rules proposed pursuant to §33-4-15a(e) of this code.

(V) The assuming insurer or its legal successor shall provide, if requested by the commissioner, on behalf of itself and any legal predecessors, certain documentation to the commissioner, as specified by the commissioner in rules proposed pursuant to §33-4-15a(e) of this code.

(VI) The assuming insurer shall maintain a practice of prompt payment of claims under reinsurance agreements, pursuant to criteria set forth by the commissioner in rules proposed pursuant to §33-4-15a(e) of this code.

(VII) The assuming insurer’s supervisory authority shall confirm to the commissioner on an annual basis, as of the preceding December 31 or at the annual date otherwise statutorily reported to the reciprocal jurisdiction, that the assuming insurer complies with the requirements set forth
in §33-4-15a(b)(2)(F)(i)(II) and §33-4-15a(b)(2)(F)(i)(III) of this code.

(VIII) Nothing in this subparagraph precludes an assuming insurer from providing the commissioner with information on a voluntary basis.

(ii) In addition to the list of reciprocal jurisdictions published through the National Association of Insurance Commissioners’ committee process, the commissioner shall timely create and publish a list of reciprocal jurisdictions.

(I) The commissioner’s list shall include any reciprocal jurisdiction as defined under §33-4-15a(b)(2)(F)(i)(I)(a) and §33-4-15a(b)(2)(F)(i)(I)(b) of this code and shall consider any other reciprocal jurisdiction included on the National Association of Insurance Commissioners’ list. The commissioner may approve a jurisdiction that does not appear on the National Association of Insurance Commissioners’ list of reciprocal jurisdictions in accordance with criteria to be developed by the commissioner in rules proposed pursuant to §33-4-15a(e) of this code.

(II) The commissioner may remove a jurisdiction from the list of reciprocal jurisdictions upon a determination that the jurisdiction no longer meets the requirements of a reciprocal jurisdiction, in accordance with a process set forth by the commissioner in rules proposed pursuant to §33-4-15a(e) of this code, except that the commissioner may not remove from the list a reciprocal jurisdiction as defined under §33-4-15a(b)(2)(F)(i)(I)(a) and §33-4-15a(b)(2)(F)(i)(I)(b) of this code. Upon removal of a reciprocal jurisdiction from the list, credit for reinsurance ceded to an assuming insurer which has its home office or is domiciled in that jurisdiction shall be allowed, if otherwise allowed pursuant to this section.

(iii) The commissioner shall timely create and publish a list of assuming insurers that have satisfied the conditions
set forth in this paragraph and to which cessions shall be
granted credit in accordance with this paragraph. The
commissioner may add an assuming insurer to the list if a
National Association of Insurance Commissioners
accredited jurisdiction has added the assuming insurer to a
list of such assuming insurers or if, upon initial eligibility,
the assuming insurer submits the information to the
commissioner as required under §33-4-15a(b)(2)(F)(i)(IV)
of this code and complies with any additional requirements
that the commissioner may impose by rules proposed
pursuant to §33-4-15a(e) of this code, except to the extent
that they conflict with an applicable covered agreement.

(iv) If the commissioner determines that an assuming
insurer no longer meets one or more of the requirements
under this paragraph, the commissioner may revoke or
suspend the eligibility of the assuming insurer for
recognition under this paragraph in accordance with
procedures set forth by the commissioner in rules proposed
pursuant to §33-4-15a(e) of this code.

(I) While an assuming insurer’s eligibility is suspended,
no reinsurance agreement issued, amended, or renewed after
the effective date of the suspension qualifies for credit
except to the extent that the assuming insurer’s obligations
under the contract are secured in accordance with §33-4-
15a(c) of this code.

(II) If an assuming insurer’s eligibility is revoked, no
credit for reinsurance may be granted after the effective date
of the revocation with respect to any reinsurance
agreements entered into by the assuming insurer, including
reinsurance agreements entered into prior to the date of
revocation, except to the extent that the assuming insurer’s
obligations under the contract are secured in a form
acceptable to the commissioner and consistent with the
provisions of §33-4-15a(c) of this code.

(v) If subject to a legal process of rehabilitation,
liquidation, or conservation, as applicable, the ceding
insurer, or its representative, may seek and, if determined appropriate by the court in which the proceedings are pending, may obtain an order requiring that the assuming insurer post security for all outstanding ceded liabilities.

(vi) Nothing in this paragraph may limit or in any way alter the capacity of parties to a reinsurance agreement to agree on requirements for security or other terms in that reinsurance agreement, except as expressly prohibited by this section or other applicable law or regulation.

(vii) Credit may be taken under this paragraph only for reinsurance agreements entered into, amended, or renewed on or after the effective date of the statute adding this paragraph, and only with respect to losses incurred and reserves reported on or after the later of:

(I) The date on which the assuming insurer has met all eligibility requirements pursuant to §33-4-15a(b)(2)(F)(i) of this code; and

(II) The effective date of the new reinsurance agreement, amendment, or renewal.

(a) This subparagraph does not alter or impair a ceding insurer’s right to take credit for reinsurance, to the extent that credit is not available under this paragraph, as long as the reinsurance qualifies for credit under any other applicable provision of this section.

(b) Nothing in this paragraph may authorize an assuming insurer to withdraw or reduce the security provided under any reinsurance agreement except as permitted by the terms of the agreement.

(c) Nothing in this paragraph may limit, or in any way alter, the capacity of parties to any reinsurance agreement to renegotiate the agreement.

(G) Credit shall be allowed when the reinsurance is ceded to an assuming insurer not meeting the requirements
of §33-4-15a(b)(2)(A), §33-4-15a(b)(2)(B), §33-4-15a(b)(2)(C), §33-4-15a(b)(2)(D), §33-4-15a(b)(2)(E), or §33-4-15a(b)(2)(F) of this code, but only as to the insurance of risks located in jurisdictions where the reinsurance is required by applicable law or regulation of that jurisdiction.

(H)(i) If the assuming insurer is not licensed, accredited, or certified to transact insurance or reinsurance in this state, the credit permitted by §33-4-15a(b)(2)(C) and §33-4-15a(b)(2)(D) of this code may not be allowed unless the assuming insurer agrees in the reinsurance agreements:

(I) If there is a failure of the assuming insurer to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, shall submit to the jurisdiction of any court of competent jurisdiction in any state of the United States, will comply with all requirements necessary to give the court jurisdiction, and will abide by the final decision of the court or of any appellate court upon an appeal; and

(II) To designate the Secretary of State as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of the ceding insurer.

(ii) This paragraph is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if this obligation is created in the agreement.

(I) If the assuming insurer does not meet the requirements of §33-4-15a(b)(2)(A), §33-4-15a(b)(2)(B), §33-4-15a(b)(2)(C), or §33-4-15a(b)(2)(F) of this code, the credit permitted by §33-4-15a(b)(2)(D) or §33-4-15a(b)(2)(E) of this code may not be allowed unless the assuming insurer agrees in the trust agreements to the following conditions:
(i) Notwithstanding any other provisions in the trust instrument, if the trust fund is inadequate because it contains an amount less than the amount required by §33-4-15a(b)(2)(D)(iii) of this code, or if the grantor of the trust has been declared insolvent or placed into receivership, rehabilitation, liquidation, or similar proceedings under the laws of its state or country of domicile, the trustee shall comply with an order of the commissioner with regulatory oversight over the trust or with an order of a court of competent jurisdiction directing the trustee to transfer to the commissioner with regulatory oversight all of the assets of the trust fund.

(ii) The assets shall be distributed by and claims shall be filed with and valued by the commissioner with regulatory oversight in accordance with the laws of the state in which the trust is domiciled that are applicable to the liquidation of domestic insurance companies.

(iii) If the commissioner with regulatory oversight determines that the assets of the trust fund or any part thereof are not necessary to satisfy the claims of the United States ceding insurers of the grantor of the trust, the assets, or part thereof shall be returned by the commissioner with regulatory oversight to the trustee for distribution in accordance with the trust agreement.

(iv) The grantor shall waive any right otherwise available to it under United States law that is inconsistent with this provision.

(J) If an accredited or certified reinsurer ceases to meet the requirements for accreditation or certification, the commissioner may suspend or revoke the reinsurer’s accreditation or certification.

(i) The commissioner shall give the reinsurer notice and opportunity for hearing. The suspension or revocation may not take effect until after the commissioner’s order on hearing, unless:
(I) The reinsurer waives its right to hearing;

(II) The commissioner’s order is based on regulatory action by the reinsurer’s domiciliary jurisdiction or the voluntary surrender or termination of the reinsurer’s eligibility to transact insurance or reinsurance business in its domiciliary jurisdiction or in the primary certifying state of the reinsurer under §33-4-15a(b)(2)(E)(vi) of this code; or

(III) The commissioner finds that an emergency requires immediate action and a court of competent jurisdiction has not stayed the commissioner’s action.

(ii) While a reinsurer’s accreditation or certification is suspended, no reinsurance contract issued or renewed after the effective date of the suspension qualifies for credit except to the extent that the reinsurer’s obligations under the contract are secured in accordance with §33-4-15a(c) of this code. If a reinsurer’s accreditation or certification is revoked, no credit for reinsurance may be granted after the effective date of the revocation except to the extent that the reinsurer’s obligations under the contract are secured in accordance with §33-4-15a(b)(2)(E)(v) or §33-4-15a(c) of this code.

(K) Concentration Risk.

(i) A ceding insurer shall take steps to manage its reinsurance recoverables proportionate to its own book of business. A domestic ceding insurer shall notify the commissioner within 30 days after reinsurance recoverables from any single assuming insurer, or group of affiliated assuming insurers, exceeds 50 percent of the domestic ceding insurer’s last reported surplus to policyholders, or after it is determined that reinsurance recoverables from any single assuming insurer, or group of affiliated assuming insurers, is likely to exceed this limit. The notification shall demonstrate that the exposure is safely managed by the domestic ceding insurer.
(ii) A ceding insurer shall take steps to diversify its reinsurance program. A domestic ceding insurer shall notify the commissioner within 30 days after ceding to any single assuming insurer, or group of affiliated assuming insurers, more than 20 percent of the ceding insurer’s gross written premium in the prior calendar year, or after it has determined that the reinsurance ceded to any single assuming insurer, or group of affiliated assuming insurers, is likely to exceed this limit. The notification shall demonstrate that the exposure is safely managed by the domestic ceding insurer.

(c) (1) An asset or a reduction from liability for the reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of §33-4-15a(b) of this code shall be allowed in an amount not exceeding the liabilities carried by the ceding insurer: Provided, That the commissioner may adopt by rule pursuant to §33-4-15a(e)(2) of this code specific additional requirements relating to or setting forth:

(A) The valuation of assets or reserve credits;

(B) The amount and forms of security supporting reinsurance arrangements described in §33-4-15a(e)(2) of this code; and/or

(C) The circumstances pursuant to which credit will be reduced or eliminated.

(2) The reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, under a reinsurance contract with the assuming insurer as security for the payment of obligations thereunder, if the security is held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer; or, in the case of a trust, held in a qualified United States financial institution, as defined in §33-4-15a(d)(2) of this code. This security may be in the form of:

(ii) Letters of credit meeting applicable standards of issuer acceptability as of the dates of their issuance (or confirmation) shall, notwithstanding the issuing (or confirming) institution’s subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification, or amendment, whichever first occurs; or

(D) Any other form of security acceptable to the commissioner.

(d)(1) For purposes of §33-4-15a(c)(2)(C) of this code, a “qualified United States financial institution” means an institution that:

(A) Is organized or, in the case of a United States office of a foreign banking organization, licensed, under the laws of the United States or any state thereof;

(C) Has been determined by either the commissioner or the Securities Valuation Office of the National Association of Insurance Commissioners to meet such standards of financial condition and standing as are considered necessary and appropriate to regulate the quality of financial institutions whose letters of credit will be acceptable to the commissioner.

(2) A “qualified United States financial institution” means, for purposes of those provisions of this section specifying those institutions that are eligible to act as a fiduciary of a trust, an institution that:

The certification must be of a license

The scope of this section is to set forth the applicability of the criminal history record check to applicants for a home state insurance adjuster license.

(b) As used in this section, the following terms have the meanings ascribed in this subsection, unless a different meaning is clearly required by the context:

(1) “Applicant” means a natural person applying for:

(d) The commissioner shall require a criminal history record check on each applicant in accordance with this section. The commissioner shall require each applicant to submit a full set of fingerprints, including a scanned file from a hard copy fingerprint, in order for the commissioner to obtain and receive national criminal history records from the Federal Bureau of Investigation’s Criminal Justice Information Services Division.

(e) The commissioner shall collect a fee from each applicant in an amount sufficient to cover:

(1) The cost of the collection and transmittal of fingerprints by persons, including local law enforcement agencies that are approved by the commissioner to capture fingerprints, to the West Virginia State Police and the Federal Bureau of Investigation; and

(2) The cost of any amounts charged by the West Virginia State Police and the Federal Bureau of Investigation to perform the criminal history record checks.

transmitting fingerprints be payable directly by the applicant to the contractor.

(g) The commissioner is authorized to receive criminal history record information directly from the Federal Bureau of Investigation, in lieu of via transmission of the information from the Federal Bureau of Investigation to the West Virginia State Police.

(h) The commissioner shall treat and maintain an applicant’s fingerprints and any criminal history record information obtained under this section as confidential and shall apply security measures consistent with the Federal Bureau of Investigation’s Criminal Justice Information Services Division standards for the electronic storage of fingerprints and necessary identifying information. The commissioner shall limit the use of records solely to the purposes authorized in this section. The fingerprints and the criminal history record information in the custody of the commissioner are not subject to subpoena, other than one issued in a criminal action or investigation, are confidential by law and privileged, and are not subject to discovery or admissible in evidence in any private civil action.

§33-12B-9. Licensing of nonresident adjusters.

(a) A nonresident applicant for an adjuster license who holds a similar license in his or her home state may be licensed as a nonresident adjuster in this state if the applicant’s home state has established, by law or regulation, like requirements for the licensing of a resident of this state as a nonresident adjuster.

(b) As a condition of continuing a nonresident adjuster license, the licensee must maintain a license in his or her home state. The commissioner may verify the adjuster’s licensing status through the producer database maintained by the National Association of Insurance Commissioners, its affiliates, or subsidiaries.

(c) If a nonresident adjuster desires to become a resident adjuster, he or she must apply to become one within 90 days of establishing legal residency in this state.

(d) If a nonresident adjuster has his or her license suspended, terminated, or revoked by his or her home state, the adjuster must immediately notify the commissioner of that action and, with respect to license terminations or revocations, surrender the license to the commissioner.

(e) A resident of Canada may be licensed as a nonresident adjuster under this section if that person has obtained a resident or home state adjuster license in another United States jurisdiction.
§33-12B-10. Expiration of license; renewal.

(a) The commissioner may, in his or her discretion, fix the dates of expiration of respective licenses for all adjusters in any manner as is considered by him or her to be advisable for an efficient distribution of the workload of his or her office. If the expiration date so fixed would upon first occurrence shorten the period for which a license fee has theretofore been paid, no refund of the unearned fee shall be made. If the expiration date so fixed would upon first occurrence lengthen the period for which license fee had theretofore been paid, the commissioner shall charge no additional fee for the lengthened period. If another date is not so fixed by the commissioner, each license shall, unless continued as herein above provided, expire at midnight on May 31 next following the date of issuance, and the commissioner shall renew annually the license of all such licensees who qualify, and make application therefor, and have paid the fees set forth in this article.

(b) An adjuster whose license expires may, if application is made within one year of the expiration date, be reissued a license upon payment of twice the renewal fee.

(c) The commissioner may waive any renewal requirement for any adjuster who is unable to comply due to military service, long-term medical disability, or other extenuating circumstance.

(d) As a condition of the renewal of an adjuster license with the designation of a crop insurance line of authority, the commissioner may require that the licensee demonstrate that he or she has maintained certification of proficiency issued or approved by the United States Department of Agriculture Risk Management Agency.

§33-12B-11. Denial, revocation, suspension, probation, or refusal to renew license; penalties; violations.

(a) The commissioner may examine and investigate the business affairs and conduct of persons applying for or
holding an adjuster license to determine whether such person is trustworthy and competent or has been or is engaged in any violation of the insurance laws or rules of this state or in any unfair or deceptive acts or practices in any state.

(b) If the commissioner denies an initial or renewal application for a license, he or she shall notify the applicant or licensee in writing of the reason for such action. The applicant or licensee may, within 10 days of receipt of such notice, make written demand for a hearing before the commissioner to determine the reasonableness of the action, and such hearing shall be held in accordance with the provisions of §33-2-13 of this code.

(c) Whenever, after notice and hearing, the commissioner is satisfied that any adjuster has violated any provision of this chapter or of rules promulgated or proposed hereunder, or is incompetent or untrustworthy, he or she shall place the adjuster on probation or refuse to issue, revoke, suspend, or, if renewal of license is pending, refuse to renew the license of such adjuster. In addition to placing a licensee on probation or revoking, suspending, or refusing to renew or issue his or her license, the commissioner may in his or her discretion order such licensee to pay to the State of West Virginia an administrative penalty in a sum not to exceed $1,000 for each violation. Upon the failure of a licensee to pay within 30 days a civil penalty imposed by the commissioner, his or her license shall be revoked or suspended by the commissioner.

(d) Each of the following shall constitute a violation under this article:

1. Providing incorrect, misleading, incomplete, or materially untrue information in the license application;

(a) The purpose of this section is to provide continuing education requirements for individual adjusters under guidelines established by the commissioner’s office in conjunction with the Board of Insurance Agent Education as provided in §33-12-7 of this code.

(b) This section applies to company adjusters, independent adjusters, and public adjusters licensed pursuant to §33-12B-2 of this code.

(c) This section shall not apply to:

(1) Licensees not licensed for one full year prior to the end of the applicable continuing education biennium; or

(2) Licensees holding nonresident adjuster licenses who have met substantially similar continuing education requirements of their designated home state and whose home state gives credit to residents of this state on the same basis.
(d)(1) The Board of Insurance Agent Education as established by §33-12-7 of this code shall develop a program of continuing education for adjusters and submit the proposal for the approval of the commissioner on or before December 31 of each year. No program may be approved by the commissioner that includes a requirement that any individual adjuster complete more than 24 hours of continuing insurance education biennially.

(2) The biennium mandatory continuing education provisions of this section become effective on the reporting period beginning July 1, 2021.

(e) An individual who holds an adjuster license and who is not exempt shall satisfactorily complete a minimum of 24 hours of continuing education courses, of which three hours must be in ethics, reported to the commissioner on a biennial basis in conjunction with their license renewal cycle.

(j) The commissioner shall notify the individual adjuster of his or her suspension pursuant to subsection (i) of this section by certified mail, return receipt requested, to the last address on file with the commissioner pursuant to §33-12B-2(b) of this code. Any individual insurance adjuster who has had a suspension order entered against him or her pursuant to this section may, within 30 calendar days of receipt of the order, file with the commissioner a request for a hearing for reconsideration of the matter.

(k) Any individual adjuster who does not satisfactorily demonstrate compliance with this section and all other applicable thereto as of the last day of the biennium following his or her suspension shall have his or her license
automatically terminated and is subject to the licensing and examination requirements of §33-12B-5 of this code.

(l) The commissioner is authorized to hire personnel and make reasonable expenditures considered necessary for purposes of establishing and maintaining a system of continuing education for adjusters. †ARTICLE 59. REQUIRED COVERAGE FOR HEALTH INSURANCE.

†§33-59-1. Cost sharing in prescription insulin drugs.

(a) Findings. –

(1) It is estimated that over 240,000 West Virginians are diagnosed and living with type 1 or type 2 diabetes and another 65,000 are undiagnosed;

(2) Every West Virginian with type 1 diabetes and many with type 2 diabetes rely on daily doses of insulin to survive;

(3) The annual medical cost related to diabetes in West Virginia is estimated at $2.5 billion annually;

(4) Persons diagnosed with diabetes will incur medical costs approximately 2.3 times higher than persons without diabetes;

(5) The cost of insulin has increased astronomically, especially the cost of insurance copayments, which can exceed $600 per month. Similar increases in the cost of diabetic equipment and supplies, and insurance premiums have resulted in out-of-pocket costs for many West Virginia diabetics in excess of $1,000 per month;

† Redesignated
(6) National reports indicate as many as one in four type 1 diabetics underuse, or ration, insulin due to these increased costs. Rationing insulin has resulted in nerve damage, diabetic comas, amputation, kidney damage, and even death; and

(7) It is important to enact policies to reduce the costs for West Virginians with diabetes to obtain life-saving and life-sustaining insulin.

(b) As used in this section:

(1) “Cost-sharing payment” means the total amount a covered person is required to pay at the point of sale in order to receive a prescription drug that is covered under the covered person’s health plan.

(2) “Covered person” means a policyholder, subscriber, participant, or other individual covered by a health plan.

(3) “Health plan” means any health benefit plan, as defined in §33-16-1a(h) of this code, that provides coverage for a prescription insulin drug.

(4) “Pharmacy benefits manager” means an entity that engages in the administration or management of prescription drug benefits provided by an insurer for the benefit of its covered persons.

(5) “Prescription insulin drug” means a prescription drug that contains insulin and is used to treat diabetes.

(c) Each health plan shall cover at least one type of insulin in all the following categories:

(1) Rapid-acting;

(2) Short-acting;

(3) Intermediate-acting;

(4) Long-acting;
(5) Pre-mixed insulin products;

(6) Pre-mixed insulin/GLP-1 RA products; and

(7) Concentrated human regular insulin.

(d) Notwithstanding the provisions of §33-1-1 et seq. of this code, an insurer subject to §33-15-1 et seq., §33-16-1 et seq., §33-24-1 et seq., §33-25-1 et seq., and §33-25A-1 et seq. of this code which issues or renews a health insurance policy on or after July 1, 2020, shall provide coverage for prescription insulin drugs pursuant to this section.

(e) Cost sharing for a 30-day supply of a covered prescription insulin drug shall not exceed $100 for a 30-day supply of a covered prescription insulin, regardless of the quantity or type of prescription insulin used to fill the covered person’s prescription needs.

(f) Nothing in this section prevents an insurer from reducing a covered person’s cost sharing to an amount less than the amount specified in subsection (e) of this section.

(g) No contract between an insurer subject to §33-15-1 et seq., §33-16-1 et seq., §33-24-1 et seq., §33-25-1 et seq., and §33-25A-1 of this code or its pharmacy benefits manager and a pharmacy or its contracting agent shall contain a provision: (i) Authorizing the insurer’s pharmacy benefits manager or the pharmacy to charge; (ii) requiring the pharmacy to collect; or (iii) requiring a covered person to make a cost-sharing payment for a covered prescription insulin drug in an amount that exceeds the amount of the cost-sharing payment for the covered prescription insulin drug established by the insurer pursuant to subsection (e) of this code.

(h) An insurer subject to §33-15-1 et seq., §33-16-1 et seq., §33-24-1 et seq., §33-25-1 et seq., and §33-25A-1 of this code shall provide coverage for the following equipment and supplies for the treatment and/or management of diabetes for both insulin-dependent and
noninsulin-dependent persons with diabetes and those with gestational diabetes: Blood glucose monitors, monitor supplies, insulin, injection aids, syringes, insulin infusion devices, pharmacological agents for controlling blood sugar, and orthotics.

(i) An insurer subject to §33-15-1 et seq., §33-16-1 et seq., §33-24-1 et seq., §33-25-1 et seq., and §33-25A-1 of this code shall include coverage for diabetes self-management education to ensure that persons with diabetes are educated as to the proper self-management and treatment of their diabetes, including information on proper diets.

(j) All health care plans must offer an appeals process for persons who are not able to take one or more of the offered prescription insulin drugs noted in subsection (c) of this code. The appeals process shall be provided to covered persons in writing and afford covered persons and their health care providers a meaningful opportunity to participate with covered persons health care providers.

(k) Diabetes self-management education shall be provided by a health care practitioner who has been appropriately trained. (l) A pharmacy benefits manager, a health plan, or any other third party that reimburses a pharmacy for drugs or services shall not reimburse a pharmacy at a lower rate and shall not assess any fee, charge-back, or adjustment upon a pharmacy on the basis that a covered person’s costs sharing is being impacted.
AN ACT to amend and reenact §21-3E-16 of the Code of West Virginia, 1931, as amended; and to amend and reenact §21A-6-3 of said code, all relating to unemployment compensation; revising provisions relating to employer testing, notice, termination, and forfeiture of unemployment compensation benefits; and providing that violation of an employer’s drug-free workplace program, or violation of an employer’s alcohol-free workplace program, can still be grounds for a finding of gross misconduct.

Be it enacted by the Legislature of West Virginia:

CHAPTER 21. LABOR.

ARTICLE 3E. THE WEST VIRGINIA SAFER WORKPLACE ACT.

§21-3E-16. Employer testing; notice; termination; forfeiture.

If an employer implements a drug-free workplace program in accordance with this article, which includes notice, education, and procedural requirements for testing for drugs and alcohol pursuant to this law, the employer may require the employee to submit to a test for the presence of drugs or alcohol. If an employee is terminated because alcohol or a drug is found to be present in the employee’s system at a level proscribed by the employer’s policy, the employee, if injured at the time of the intoxication, forfeits
indemnity benefits under the Workers’ Compensation Laws. However, the employer’s drug-free workplace program must notify all employees that it is a condition of employment for an employee to refrain from reporting to work or working with the presence of drugs or alcohol in his or her body and that policy must also state that if an injured employee refuses to submit to a test for drugs or alcohol that employee forfeits eligibility for indemnity benefits under the Workers’ Compensation Laws. Employers who do not notify their employees of this condition of employment waive their right to assert that eligibility for benefits is entirely forfeited.

Nothing in this section may be construed or determined to affect §23-4-2(a) of this code and the provisions of said section shall be the sole manner in which intoxication may be proven to establish such intoxication as the proximate cause of an injury for purposes of said chapter.

CHAPTER 21A. UNEMPLOYMENT COMPENSATION.

ARTICLE 6. EMPLOYEE ELIGIBILITY; BENEFITS.

§21A-6-3. Disqualification for benefits.

Upon the determination of the facts by the commissioner, an individual is disqualified for benefits:

(1) For the week in which he or she left his or her most recent work voluntarily without good cause involving fault on the part of the employer and until the individual returns to covered employment and has been employed in covered employment at least 30 working days.

For the purpose of this subdivision, an individual has not left his or her most recent work voluntarily without good cause involving fault on the part of the employer if the individual leaves his or her most recent work with an employer and if he or she in fact, within a 14-day calendar period, does return to employment with the last preceding employer with whom he or she was previously employed.
within the past year prior to his or her return to work, and which last preceding employer, after having previously employed the individual for 30 working days or more, laid off the individual because of lack of work, which layoff occasioned the payment of benefits under this chapter or could have occasioned the payment of benefits under this chapter had the individual applied for benefits. It is the intent of this paragraph to cause no disqualification for benefits for an individual who complies with the foregoing set of requirements and conditions. Further, for the purpose of this subdivision, an individual has not left his or her most recent work voluntarily without good cause involving fault on the part of the employer, if the individual was compelled to leave his or her work for his or her own health-related reasons and notifies the employer prior to leaving the job or within two business days after leaving the job or as soon as practicable and presents written certification from a licensed physician within 30 days of leaving the job that his or her work aggravated, worsened, or will worsen the individual’s health problem.

(2) For the week in which he or she was discharged from his or her most recent work for misconduct and the six weeks immediately following that week; or for the week in which he or she was discharged from his or her last 30-day employing unit for misconduct and the six weeks immediately following that week. The disqualification carries a reduction in the maximum benefit amount equal to six times the individual’s weekly benefit. However, if the claimant returns to work in covered employment for 30 days during his or her benefit year, whether or not the days are consecutive, the maximum benefit amount is increased by the amount of the decrease imposed under the disqualification; except that:

If he or she were discharged from his or her most recent work for one of the following reasons, or if he or she were discharged from his or her last 30 days employing unit for one of the following reasons: Gross misconduct consisting
of willful destruction of his or her employer’s property; 
assault upon the person of his or her employer or any 
employee of his or her employer; if the assault is committed 
at the individual’s place of employment or in the course of 
employment; reporting to work in an intoxicated condition, 
or being intoxicated while at work; reporting to work under 
the influence of any controlled substance, as defined in 
chapter 60A of this code without a valid prescription, or 
being under the influence of any controlled substance, as 
defined in said chapter without a valid prescription, while at 
work; adulterating or otherwise manipulating a sample or 
specimen in order to thwart a drug or alcohol test lawfully 
required of an employee; refusal to submit to random testing 
for alcohol or illegal controlled substances for employees in 
safety-sensitive positions as defined in §21-1D-2 of this 
code; violation of an employer’s drug-free workplace 
program; violation of an employer’s alcohol-free workplace 
program; arson, theft, larceny, fraud, or embezzlement in 
connection with his or her work; or any other gross 
misconduct, he or she is disqualified for benefits until he or 
she has thereafter worked for at least 30 days in covered 
employment: Provided, That for the purpose of this 
subdivision, the words “any other gross misconduct” 
includes, but is not limited to, any act or acts of misconduct 
where the individual has received prior written warning that 
termination of employment may result from the act or acts.

(3) For the week in which he or she failed without good 
cause to apply for available, suitable work, accept suitable 
work when offered, or return to his or her customary self-
employment when directed to do so by the commissioner, 
and for the four weeks which immediately follow for such 
additional period as any offer of suitable work shall 
continue open for his or her acceptance. The disqualification 
carries a reduction in the maximum benefit amount equal to 
four times the individual’s weekly benefit amount.

(4) For any week or portion thereof in which he or she 
did not work as a result of:
(a) A strike or other bona fide labor dispute which caused him or her to leave or lose his or her employment.

(b) A lockout is not a strike or a bona fide labor dispute and no individual may be denied benefits by reason of a lockout. However, the operation of a facility by nonstriking employees of the company, contractors, or other personnel is not a reason to grant employees of the company on strike unemployment compensation benefit payments. If the operation of a facility is with workers hired to permanently replace the employees on strike, the employees would be eligible for benefits.

(c) For the purpose of this subsection, an individual shall be determined to leave or lose his or her employment by reason of a lockout where the individual employee has established that: (i) The individual presented himself or herself physically for work at the workplace on the first day of such lockout or on the first day he or she is able to present himself at the workplace or herself; and (ii) the employer denied the individual the opportunity to perform work.

(d) For purposes of this subsection, an individual is determined to be permanently replaced where the individual employee establishes that: (i) He or she is currently employed by an employer who is the subject of a strike or other bona fide labor dispute; and (ii) the position of the employee has been occupied by another employee who has been notified they are permanently replacing the employee who previously occupied the position. Employees or contractors who are hired to perform striking employees’ work on a temporary basis, such as the duration of a strike or other bona fide labor dispute, or a shorter period of time, may not be determined to have permanently replaced a striking employee.

(5) For a week with respect to which he or she is receiving or has received:

(a) Wages in lieu of notice;
(b) Compensation for temporary total disability under the workers’ compensation law of any state or under a similar law of the United States; or

(c) Unemployment compensation benefits under the laws of the United States or any other state.

(6) For the week in which an individual has voluntarily quit employment to marry or to perform any marital, parental, or family duty, or to attend to his or her personal business or affairs and until the individual returns to covered employment and has been employed in covered employment at least 30 working days: Provided, That an individual who has voluntarily quit employment to accompany a spouse serving in active military service who has been reassigned from one military assignment to another is not disqualified for benefits pursuant to this subdivision: Provided, however, That the account of the employer of an individual who leaves the employment to accompany a spouse reassigned from one military assignment to another may not be charged.

(7) Benefits may not be paid to any individual on the basis of any services, substantially all of which consist of participating in sports or athletic events or training or preparing to so participate, for any week which commences during the period between two successive sport seasons (or similar periods) if the individual performed the services in the first of the seasons (or similar periods) and there is a reasonable assurance that the individual will perform the services in the later of the seasons (or similar periods).

(8) (a) Benefits may not be paid on the basis of services performed by an alien unless the alien is an individual who was lawfully admitted for permanent residence at the time the services were performed, was lawfully present for purposes of performing the services or was permanently residing in the United States under color of law at the time the services were performed (including an alien who is lawfully present in the United States as a result of the
application of the provisions of Section 203(a)(7) or Section 212(d)(5) of the Immigration and Nationality Act:

Provided, That any modifications to the provisions of Section 3304(a)(14) of the federal Unemployment Tax Act as provided by Public Law 94-566 which specify other conditions or other effective date than stated in this subdivision for the denial of benefits based on services performed by aliens and which modifications are required to be implemented under state law as a condition for full tax credit against the tax imposed by the federal Unemployment Tax Act are applicable under the provisions of this section.

(b) Any data or information required of individuals applying for benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits.

(c) In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to the individual are not payable because of his or her alien status may be made except upon a preponderance of the evidence.

(9) For each week in which an individual is unemployed because, having voluntarily left employment to attend a school, college, university, or other educational institution, he or she is attending that school, college, university, or other educational institution, or is awaiting entrance thereto or is awaiting the starting of a new term or session thereof, and until the individual returns to covered employment.

(10) For each week in which he or she is unemployed because of his or her request, or that of his or her duly authorized agent, for a vacation period at a specified time that would leave the employer no other alternative but to suspend operations.

(11) In the case of an individual who accepts an early retirement incentive package, unless he or she: (i) Establishes a well-grounded fear of imminent layoff
supported by definitive objective facts involving fault on the part of the employer; and (ii) establishes that he or she would suffer a substantial loss by not accepting the early retirement incentive package.

(12) For each week with respect to which he or she is receiving or has received benefits under Title II of the Social Security Act or similar payments under any Act of Congress, or remuneration in the form of an annuity, pension, or other retirement pay from a base period employer or chargeable employer or from any trust or fund contributed to by a base period employer or chargeable employer or any combination of the above, the weekly benefit amount payable to the individual for that week shall be reduced (but not below zero) by the prorated weekly amount of those benefits, payments, or remuneration: Provided, That if the amount of benefits is not a multiple of $1, it shall be computed to the next lowest multiple of $1: Provided, however, That there is no disqualification if in the individual’s base period there are no wages which were paid by the base period employer or chargeable employer paying the remuneration, or by a fund into which the employer has paid during the base period: Provided further, That notwithstanding any other provision of this subdivision to the contrary, the weekly benefit amount payable to the individual for that week may not be reduced by any retirement benefits he or she is receiving or has received under Title II of the Social Security Act or similar payments under any Act of Congress. A claimant may be required to certify as to whether or not he or she is receiving or has been receiving remuneration in the form of an annuity, pension, or other retirement pay from a base period employer or chargeable employer or from a trust fund contributed to by a base period employer or chargeable employer.

(13) For each week in which and for 52 weeks thereafter, beginning with the date of the decision, if the commissioner finds the individual who within 24 calendar months immediately preceding the decision, has made a
false statement or representation knowing it to be false or knowingly fails to disclose a material fact, to obtain or increase any benefit or payment under this article: Provided, That disqualification under this subdivision does not preclude prosecution under §21A-10-7 of this code.

CHAPTER 204

(Com. Sub. for H. B. 2646 - By Delegates Higginbotham, Foster, Wilson, Sypolt, Hardy, Butler, Atkinson and Cadle)

[Passed March 6, 2020; in effect ninety days from passage.]
[Approved by the Governor on March 25, 2020.]

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section, designated §21-5-4a, relating to providing a safe harbor for employers to correct underpayment or nonpayment of wages and fringe benefits due to separated employees prior to the filing of a lawsuit; prohibiting an employee from seeking liquidated damages or attorney’s fees when bringing an action for the underpayment or nonpayment of wages and fringe benefits due upon the employee’s separation of employment without first making a written demand to the employer; requiring the employer to inform the employee in writing of who the authorized representative is and where to send a written demand; exempting employee from compliance where employer fails to provide written notice; providing a time limit during which the employer must correct the nonpayment or underpayment; permitting an employee to file a written demand with the employer on behalf of a class; and allowing the class action to proceed if only the named employee is paid; and defining the term “written demand”.

Be it enacted by the Legislature of West Virginia:
ARTICLE 5. WAGE PAYMENT AND COLLECTION.

§21-5-4a. Safe Harbor.

(a) An employee, in bringing an action for the underpayment or nonpayment of wages and fringe benefits due upon the employee’s separation of employment as contemplated by §21-5-4 of this code, is not entitled to seek liquidated damages or attorney’s fees from an employer without first making a written demand, as defined in subsection (c) of this section, to the employer seeking the payment of any alleged underpayment or nonpayment as set forth in this section: Provided, That upon separation or with the issuance of the final paycheck, the employer shall notify the employee in writing who the employer’s authorized representative is and where to send a written demand by both e-mail and regular mail: Provided however, that if the employer fails to provide the required written notice, the employee is not required to comply with the provisions of this section. Upon receiving a written demand, the employer has seven calendar days from receipt to correct the alleged underpayment or nonpayment of the wages and fringe benefits due. If, after seven days, the employer has not corrected the alleged underpayment or nonpayment, or paid all undisputed amounts due to the employee, the employee may seek liquidated damages and attorney’s fees. Nothing in this section prohibits the employee from presenting a claim under this article without making a written demand to the employer.

(b) In a class action lawsuit brought under this article for the underpayment or nonpayment of wages and fringe benefits due upon the employees’ separation of employment, the employee, prior to the filing of the class action, shall submit a written demand stating it is a demand for all other employees similarly situated for the underpayment or nonpayment of their wages and fringe benefits: Provided, That if only the underpayment or nonpayment of wages and fringe benefits of the named employee is corrected, a class action may proceed for the
36 underpayment or nonpayment of wages and fringe benefits
37 still owed to the other members of the class.
38 (c) For purposes of this section, a “written demand”
39 means any writing, including e-mail, from or on behalf of
40 an employee stating that the employer has not paid all of the
41 wages or fringe benefits which the employee is owed.
