# LEGISLATURE OF WEST VIRGINIA

# ACTS

FIRST REGULAR SESSION, 2021

## CHAPTER 1

**(Com. Sub. for S. B. 277 - By Senators Blair (Mr. President)  
and Baldwin)**

**[By Request of the Executive]**

---

[Passed March 11, 2021; in effect from passage]  
[Approved by the Governor on March 19, 2021.]

---

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new article, designated §55-19-1, §55-19-2, §55-19-3, §55-19-4, §55-19-5, §55-19-6, §55-19-7, §55-19-8, and §55-19-9, all relating generally to creating the COVID-19 Jobs Protection Act; designating a short title; making legislative findings; setting forth legislative purposes; defining terms; prohibiting certain claims against persons or entities arising from COVID-19, COVID-19 care, or impacted care; extinguishing liability for death or personal injury related to the design, manufacture, or labeling of supplies or personal protective equipment either sold or donated; creating an exception to the extinguishment of claims for persons having actual knowledge of a product defect acting with conscious, reckless, and outrageous indifference to a substantial and unnecessary risk or with actual malice; providing that, when a claim for workers' compensation benefits is awarded to an employee pursuant to §23-1-1 *et seq.* of this code for a work-related injury, disease, or death caused by or arising from COVID-19 in the course of and resulting from covered employment, such claim for workers' compensation benefits shall be the sole and exclusive remedy for such injury, disease,

or death; providing that, except for §55-19-5 and §55-19-6 of this code, limitations on liability shall not apply to any person, employee, or agent who engaged in intentional conduct with actual malice; providing for severability of provisions; adding retro-activity of act to January 1, 2020; clarifying that no new cause of action is created nor defense limited by the act; and clarifying that the article does not affect duties or rights arising from contract.

*Be it enacted by the Legislature of West Virginia:*

## **ARTICLE 19. COVID-19 JOBS PROTECTION ACT.**

### **§55-19-1. Short title.**

This article shall be known and may be cited as the COVID-19 Jobs Protection Act.

### **§55-19-2. Findings and purpose.**

(a) The West Virginia Legislature finds that:

(1) The novel coronavirus, also known as COVID-19, has been deemed a pandemic and the President of the United States has declared a national emergency.

(2) The Governor issued a State of Preparedness on March 4, 2020, to allow agencies to coordinate and create necessary measures to prepare for COVID-19.

(3) The Governor proclaimed a State of Emergency on March 16, 2020, finding that the COVID-19 pandemic constitutes a disaster under §15-5-2 of this code.

(4) To protect public health, safety, and welfare, all nonessential businesses were directed to cease all activities except for minimum basic operations in the state.

(5) To protect public health, safety, and welfare, and to ensure the health care system is capable of serving all citizens in need, especially those at high risk and vulnerable to COVID-19, all West

Virginia residents were directed to stay at home unless performing an essential activity.

(6) Health care providers have operated with shortages of medical personnel, equipment, and supplies while responding to COVID-19 and were prohibited by Executive Order No. 16-20 from engaging in elective medical procedures.

(7) There is a critical need for personal protective equipment, such as masks, respirators, ventilators, and other medical equipment and products designed to guard against or treat COVID-19.

(8) Manufacturers have substantially increased production of essential products and have made products outside their ordinary course of business to aid in response to COVID-19.

(9) West Virginia is reopening its businesses, including restaurants, retail stores, office buildings, fitness centers, hotels, hair and nail salons, and barber shops, as well as religious institutions.

(10) Lawsuits are being filed across the country against health care providers and health care facilities associated with care provided during the COVID-19 pandemic and illness of health care workers due to exposure to COVID-19 while providing essential medical care, and against businesses seeking damages associated with a person's exposure to COVID-19.

(11) The threat of liability poses an obstacle to efforts to reopen and rebuild the West Virginia economy and to continue to provide medical care to impacted West Virginians.

(12) The diagnosis and treatment of COVID-19 has rapidly evolved from largely unchartered, experimental, and anecdotal observations and interventions, without the opportunity for the medical community to develop definitive evidence-based medical guidelines, making it difficult, if not impossible, to identify and establish applicable standards of care by which the acts or omissions of health care providers can fairly and objectively be measured.

(b) It is the purpose of this article to:

(1) Eliminate the liability of the citizens of West Virginia and all persons including individuals, health care providers, health care facilities, institutions of higher education, businesses, manufacturers, and all persons whomsoever, and to preclude all suits and claims against any persons for loss, damages, personal injuries, or death arising from COVID-19.

(2) Provide assurances to businesses that reopening will not expose them to liability for a person's exposure to COVID-19.

### **§55-19-3. Definitions.**

For the purposes of this article:

(1) "Arising from COVID-19" means any act from which loss, damage, physical injury, or death is caused by a natural, direct, and uninterrupted consequence of the actual, alleged, or possible exposure to, or contraction of, COVID-19, including services, treatment, or other actions in response to COVID-19, and without which such loss, damage, physical injury, or death would not have occurred, including, but not limited to:

(A) Implementing policies and procedures designed to prevent or minimize the spread of COVID-19;

(B) Testing;

(C) Monitoring, collecting, reporting, tracking, tracing, disclosing, or investigating COVID-19 exposure or other COVID-19-related information;

(D) Using, designing, manufacturing, providing, donating, or servicing precautionary, diagnostic, collection, or other health equipment or supplies, such as personal protective equipment;

(E) Closing or partially closing to prevent or minimize the spread of COVID-19;

(F) Delaying or modifying the schedule or performance of any medical procedure;

(G) Providing services or products in response to government appeal or repurposing operations to address an urgent need for personal protective equipment, sanitation products, or other products necessary to protect the public;

(H) Providing services or products as an essential business, health care facility, health care provider, first responder, or institution of higher education; or

(I) Actions taken in response to federal, state, or local orders, recommendations, or guidelines lawfully set forth in response to COVID-19.

(2) “COVID-19” and “coronavirus” means the novel coronavirus identified as SARS-CoV-2, the disease caused by the novel coronavirus SARS-CoV-2 or a virus mutating therefrom, and conditions associated with the disease.

(3) “COVID-19 Care” means services provided by a health care facility or health care provider, regardless of location and whether or not those services were provided in-person or through telehealth or telemedicine, that relate to the testing for, diagnosis, prevention, or treatment of COVID-19, or the assessment, treatment, or care of an individual with a confirmed or suspected case of COVID-19.

(10) “Impacted care” means care offered, delayed, postponed, or otherwise adversely affected at a health care facility or from a health care provider that impacted the health care facility or health care provider’s response to, or as a result of, COVID-19 or the COVID-19 emergency: *Provided*, That this provision does not prohibit claims that may otherwise be brought pursuant to §55-7B-1 *et seq.* of this code so long as such claims for loss, damage, physical injury, or death are unrelated to COVID-19 or the COVID-19 emergency and the care provided. If the issue of impacted care is raised by a defendant under §55-19-4 of this code, the circuit court shall, upon motion by the defendant, stay the proceedings, including any discovery proceedings, and, as soon as practicable, hold a hearing to determine whether the care offered, delayed, postponed, or otherwise adversely affected at a health care facility or from a health care provider was related to COVID-19 or

the COVID-19 emergency. If the circuit court determines that the care offered, delayed, postponed, or otherwise adversely affected at a health care facility or from a health care provider was related to COVID-19 or the COVID-19 emergency and the care provided, then the cause of action shall be dismissed under §55-19-4 of this code.

(11) “Person” means an individual, partnership, corporation, association, state, county, or local governmental entity, or other entity, including, but not limited to, a school, a college or university, an institution of higher education, religious organization, or nonprofit charitable organization. “Person” includes an employee, agent, or independent contractor of the person, regardless of whether the individual is a paid or an unpaid volunteer.

#### **§55-19-5. Products made, sold, and donated in response to COVID-19.**

(a) Any person that designs, manufactures, labels, sells, distributes, or donates a qualified product in response to COVID-19 that is utilized by any person, essential business, government entity, business entity, health care facility, health care provider, first responder, or volunteer shall not be liable in a civil action alleging personal injury, death, or property damage caused by or resulting from the product’s manufacturing or design, or a failure to provide proper instructions or sufficient warnings.

(b) Any person that designs, manufactures, labels, sells, distributes, or donates household disinfecting or cleaning supplies or personal protective equipment in response to COVID-19 that does not make such products in the ordinary course of the person’s business shall not be liable in a civil action alleging personal injury, death, or property damage caused by or resulting from the product’s manufacturing or design, or a failure to provide proper instructions or sufficient warnings.

(c) The limitations on liability provided in this section shall not apply to any person, or any employee or agent thereof, that:

(1) Had actual knowledge of a defect in the product when put to the use for which the product was manufactured, sold, distributed, or donated; and acted with conscious, reckless, and outrageous indifference to a substantial and unnecessary risk that the product would cause serious injury to others; or

(2) Acted with actual malice.

(d) Any action under subsection (c) of this section must be brought not later than one year after the date of personal injury, death, or property damage.

#### **§55-19-6. Workers' compensation.**

Notwithstanding the provisions of this article and the further provisions of §23-4-2 of this code which permits the filing of a civil cause of action against an employer for damages in excess of benefits received or receivable in a workers' compensation claim, if it is determined that the employer acted with deliberate intention, when a claim for workers' compensation benefits is awarded to an employee pursuant to §23-1-1 *et seq.* of this code for a work-related injury, disease, or death caused by or arising from COVID-19 in the course of and resulting from covered employment, such claim for workers' compensation benefits shall be the sole and exclusive remedy for such injury, disease, or death and the immunity from suit provided under §23-2-6 and §23-2-6a of this code shall be and remain in full force and effect.

#### **§55-19-7. Exception.**

Excluding the provisions of §55-19-5 and §55-19-6 of this code, the limitations on liability provided in this article shall not apply to any person, or employee or agent thereof, who engaged in intentional conduct with actual malice.

#### **§55-19-8. Severability.**

If any provision of this act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this act, and to this end the provisions of this act are declared to be severable.

**§55-19-9. Application.**

(a) This article shall be effective retroactively from January 1, 2020, and applies to any cause of action accruing on or after that date.

(b) Nothing in this article shall be construed to create a new cause of action or expand any liability otherwise imposed, limit any defense, or affect the applicability of any law that affords greater protections to defendants that are provided in this article.

(c) Nothing in this article shall be construed to affect any duties, rights, benefits, or any other term or condition arising from a contractual relationship.

*Be it enacted by the Legislature of West Virginia:*

## **ARTICLE 15. EQUIPMENT.**

### **§17C-15-49. Operation of vehicles with safety belts; exception; penalty; educational program by West Virginia State Police.**

(a) A person may not operate a passenger vehicle on a public street or highway of this state unless the person, any passenger in the back seat under 18 years of age, and any passenger in the front seat of the passenger vehicle is restrained by a safety belt meeting applicable federal motor vehicle safety standards. For the purposes of this section, the term “passenger vehicle” means a motor vehicle which is designed for transporting 15 passengers or less, including the driver, except that the term does not include a motorcycle, a trailer, or any motor vehicle which is not required on the date of the enactment of this section under a federal motor vehicle safety standard to be equipped with a belt system. The provisions of this section apply to all passenger vehicles manufactured after January 1, 1967, and being 1968 models and newer.

(b) The required use of safety belts as provided in this section does not apply to a duly appointed or contracted rural mail carrier of the United States Postal Service who is actually making mail deliveries or to a passenger or operator with a physically disabling condition whose physical disability would prevent appropriate restraint in the safety belt if the condition is duly certified by a physician who states the nature of the disability as well as the

reason the restraint is inappropriate. The Division of Motor Vehicles shall adopt rules, in accordance with §29A-3-1 *et seq.* of this code, to establish a method to certify the physical disability and to require use of an alternative restraint system where feasible or to waive the requirement for the use of any restraint system.

(c) Any person who violates the provisions of this section shall be fined \$25. No court costs or other fees may be assessed for a violation of this section.

(d) Notwithstanding any other provision of this code to the contrary, no points may be entered on any driver's record maintained by the Division of Motor Vehicles as a result of a violation of this section.

(e) The Governor's Highway Safety Program, in cooperation with the West Virginia State Police and any other state departments or agencies and with county and municipal law-enforcement agencies, shall initiate and conduct an educational program designed to encourage compliance with safety belt usage laws. This program shall be focused on the effectiveness of safety belts, the monetary savings, and the other benefits to the public from usage of safety belts and the requirements and penalties specified in this law.

(f) This section does not abrogate or alter the provisions of §17C-15-46 of this code relating to the mandatory use of child passenger safety devices.

**§17C-15-49a. Admissibility of use or nonuse of safety belts in civil actions.**

The admissibility of evidence of the failure of an occupant of a passenger vehicle to use a safety belt in any civil action is governed by the following rules:

(a) *Definitions.* — For the purposes of this section:

(1) "Adult" means a person who is 18 years of age or older;

(2) "Child" means a person who is under 18 years of age;

(3) “Claimant” means any person asserting a claim;

(4) “Driver” means a person, whether an adult or child, who is operating the passenger vehicle on a public street or highway of this state;

(5) “Passenger” means a person in the passenger vehicle other than the driver of the passenger vehicle while it is being operated on a public street or highway of this state; and

(6) “Passenger vehicle” means a passenger vehicle as defined in §17C-15-49(a) of this code.

(b) *Admissibility as evidence of negligence.* —

(1) *Claimant as driver.* —

(A) When a person making a claim for damages in a civil action was the driver of a passenger vehicle involved in the collision from which the damages suffered by the claimant driver are alleged to have arisen, evidence that the claimant driver of the passenger vehicle was not wearing a safety belt at the time of the collision is not admissible to show his or her negligence.

(B) The prohibition on the admissibility of evidence provided by this paragraph does not apply in an action against the manufacturer or seller of the passenger vehicle being driven by the claimant driver and/or a manufacturer or seller of any component or system incorporated into the passenger vehicle.

(2) *Claimant as adult passenger.* —

(A) When a person making a claim for damages in a civil action was an adult passenger in a passenger vehicle involved in the collision from which the damages suffered by that claimant adult passenger are alleged to have arisen, evidence that the claimant adult passenger was not wearing a safety belt at the time of the collision is not admissible to show his or her negligence.

(B) The prohibition on the admissibility of evidence provided by this paragraph does not apply in an action against the

manufacturer or seller of the passenger vehicle in which the claimant adult passenger was a passenger and/or a manufacturer or seller of any component or system incorporated into the passenger vehicle.

(3) *Claimant as child passenger.* —

When a person making a claim for damages in a civil action was a child passenger, or when the person making a claim for damages in a civil action is making the claim on behalf of a child who was a passenger, in a passenger vehicle involved in the collision from which the damages suffered by that claimant child passenger are alleged to have arisen, evidence that said claimant child passenger was not wearing a safety belt at the time of the collision is not admissible to show any negligence of the claimant child passenger: *Provided*, That the evidence may be admissible, subject to the West Virginia Rules of Evidence, to show negligence of the driver of the passenger vehicle in which the claimant child was a passenger.

(c) *Admissibility as evidence of exacerbation of or contribution to a claimant's damages.* —

(1) *Claimant as driver.* — When a person making a claim for damages in a civil action was the driver of a passenger vehicle involved in the collision from which the damages suffered by the claimant driver are alleged to have arisen, evidence that the claimant driver of the passenger vehicle was not wearing a safety belt at the time of the collision may be admissible to show that his or her failure to wear a safety belt exacerbated or contributed to the claimant driver's damages: *Provided*, That the defendant's burden of proof as set forth in subdivision (d) of this subsection must be supported by expert testimony, subject to a finding by the court that the expert testimony satisfies the threshold requirements of Rule 702 of the West Virginia Rules of Evidence.

(2) *Claimant as adult passenger.* — When a person making a claim for damages in a civil action was an adult passenger in a passenger vehicle involved in the collision from which the damages suffered by that claimant adult passenger are alleged to

have arisen, evidence that the claimant adult passenger was not wearing a safety belt at the time of the collision may be admissible to show that his or her failure to wear a safety belt exacerbated or contributed to that claimant adult passenger's damages: *Provided*, That the defendant's burden of proof as set forth in subdivision (d) of this subsection must be supported by expert testimony, subject to a finding by the court that the expert testimony satisfies the threshold requirements of Rule 702 of the West Virginia Rules of Evidence.

(3) *Claimant as child passenger.* — When a person making a claim for damages in a civil action was child passenger at the time of the accident, or when the person making a claim for damages in a civil action is making the claim on behalf of a child who was a passenger, in a passenger vehicle involved in the collision from which the damages suffered by that claimant child passenger are alleged to have arisen, evidence that the claimant child passenger was not wearing a safety belt at the time of the collision is not admissible to show that the claimant child passenger's failure to wear a safety belt exacerbated or contributed to the claimant child passenger's damages.

(4) The admissibility of evidence provided by paragraphs (1) and (2) of this subdivision does not apply if any driver with fault was driving in an "impaired state" as defined by §17C-5-2 of this code, or if the driver is found to have concurrently violated §61-5-17(h), §61-5-17(i), or §61-5-17(j) of this code.

(d) Subject to subdivision (e) of this subsection, a claimant's failure to wear a safety belt shall constitute an affirmative defense.

(e) *Court to instruct jury.* — In a civil action for damages in which the court has determined that evidence that a person was not wearing a safety belt at the time of the collision is to be admitted, the court shall instruct the jury as to the purposes for which the jury may consider, and may not consider, the evidence.

(f) *Court's discretion as to bifurcation.* — In the discretion of the court, if the court determines that it is necessary to prevent prejudice or avoid confusion of the jury, the court may, upon

request of a party, bifurcate the trial so that the questions of liability are tried first and the question of damages is presented separately thereafter. If the court, in its discretion, grants bifurcation, the court should consider whether it is possible to bifurcate these issues within a single trial, so that all of the issues to be tried in the case are tried together in a single trial with the same jury, but with the presentation of the evidence on the separate issues and the deliberations of the same jury ordered in such a way so as to achieve separation of the issues within a single trial.

(g) *Immunities not abrogated.* — It is the intent of the Legislature that the amendments made during the regular session of the Legislature, 2021, to this section and §17C-15-49 of this code do not abrogate or modify any immunities recognized by the law.

(h) *Effective date.* — This section and the amendments made during the regular session of the Legislature, 2021, to §17C-15-49 of this code applies to collisions occurring on or after the effective date of those amendments and this section.

(i) This section does not abrogate or alter the provisions of §17C-15-46 of this code relating to the mandatory use of child passenger safety devices.

AN ACT to amend and reenact §55-7J-1, §55-7J-4, §55-7J-5, and §55-7J-6 of the Code of West Virginia, 1931, as amended; and to amend and reenact §61-2-29b of said code, all relating to financial exploitation of elderly persons, protected persons or incapacitated adults; updating terms; clarifying actions by civil complaint, petition for financial exploitation protective order, or both; providing that financial exploitation protective orders are temporary; requiring notice be given to the person alleged to be engaging in financial exploitation as soon as practicable; requiring a full adversarial hearing on the merits before a court before final relief may be granted; including criminal penalties for violation or contempt of protective orders for victims of financial exploitation; and requiring notice of potential criminal penalties in all injunctive or protective orders.

*Be it enacted by the Legislature of West Virginia:*

### **CHAPTER 55. ACTIONS, SUITS, AND ARBITRATION; JUDICIAL SALE.**

#### **ARTICLE 7J. FINANCIAL EXPLOITATION OF AN ELDERLY PERSON, PROTECTED PERSON, OR INCAPACITATED ADULT.**

##### **§55-7J-1. Action for financial exploitation of an elderly person, protected person, or incapacitated adult; definitions.**

(a) Any elderly person, protected person, or incapacitated adult against whom an act of financial exploitation has been committed

may bring an action under this article against any person who has committed an act of financial exploitation against him or her by filing a civil complaint for financial exploitation, a petition for a financial exploitation protective order, or both.

(b) For the purposes of this article:

(1) “Incapacitated adult” has the same meaning as prescribed under §61-2-29 of this code;

(2) “Elderly person” means a person who is 65 years or older;

(3) “Financial exploitation” or “financially exploit” means the intentional misappropriation or misuse of funds or assets or the diminishment of assets due to undue influence of an elderly person, protected person, or incapacitated adult, but may not apply to a transaction or disposition of funds or assets where the defendant made a good-faith effort to assist the elderly person, protected person, or incapacitated adult with the management of his or her money or other things of value; and

(4) “Protected person” means any person who is defined as a “protected person” in §44A-1-4 of this code and who is subject to the protections of §44A-1-1 *et seq.* or §44C-1-1 *et seq.* of this code.

(c) Any person who believes that an elderly person, protected person, or incapacitated adult is suffering financial exploitation due to the intentional misappropriation or misuse of funds or undue influence may bring an action for a protective order pursuant to this section in the magistrate court or circuit court in the county in West Virginia in which the elderly person, protected person, or incapacitated adult resides or the financial exploitation occurred: *Provided*, That an order granting a financial exploitation protective order to stay further diminution of the assets of an elderly person, protected person, or incapacitated adult shall be temporary in nature.

(d) An action for a financial exploitation protective order brought under this section is commenced by the filing of a verified petition. Temporary relief may be granted without notice to the person alleged to be engaging in financial exploitation and without

that person being present: *Provided*, That notice shall be provided to the person alleged to be engaging in financial exploitation as soon as practicable, and that no final relief may be granted on the petition without a full, adversarial evidentiary hearing on the merits before the court.

(e) If a magistrate court grants the petition for a financial exploitation protective order and issues a temporary financial exploitation protective order, the magistrate court shall immediately transfer the matter to the circuit court of the county in which the petition was filed. Upon receipt of the notice of transfer from the magistrate court, the circuit court shall set the matter for a review hearing within 20 days. Any review hearing shall be a full, adversarial evidentiary hearing on the merits before the court. After a hearing, the circuit court may issue a permanent protective order containing any relief the circuit court determines necessary to protect the alleged victim if the court finds by a preponderance of the evidence that:

(1) The respondent has committed an act against the victim that constitutes financial exploitation; and

(2) There is reasonable cause to believe continued financial exploitation will occur unless relief is granted; or

(3) The respondent consents to entry of the permanent protective order.

(f) An order entered under this section shall state that a violation of the order may result in criminal prosecution under §61-2-29b of this code and state the penalties therefor.

**§55-7J-4. Attorneys' fees; court costs and burden of proof; statute of limitations.**

(a) The court may award reasonable attorneys' fees and costs to a person that brings an action under this article and prevails.

(b) The standard of proof in proving that a person committed financial exploitation in an action pursuant to this article is a preponderance of the evidence.

(c) An action under this article shall be brought within two years from the date of the violation or from the date of discovery, whichever is later in time.

**§55-7J-5. Action to freeze assets; burden of proof; options the court may exercise.**

(a) An elderly person, protected person, or incapacitated adult may bring an action to enjoin the alleged commission of financial exploitation and may petition the court to freeze the assets of the person allegedly committing the financial exploitation in an amount equal to, but not greater than, the alleged value of lost property or assets for purposes of restoring to the victim the value of the lost property or assets. The burden of proof required to freeze the assets of a person allegedly committing financial exploitation shall be a preponderance of the evidence. Upon a finding that the elderly person, protected person, or incapacitated adult has been formally exploited, the court may:

(1) Grant injunctive relief;

(2) Order the violator to place in escrow an amount of money equivalent to the value of the misappropriated assets for distribution to the aggrieved elderly person, protected person, or incapacitated adult;

(3) Order the violator to return to the elderly person, protected person, or incapacitated person any real or personal property which was misappropriated;

(4) Provide for the appointment of a receiver; or

(5) Order any combination or all of the above.

(b) In any action under §55-7J-1 *et seq.* of this code, the court may void or limit the application of contracts or clauses resulting from the financial exploitation.

(c) In any civil action brought under this article, upon the filing of the complaint or on the appearance of any defendant, claimant, or other party, or at any later time, the court may require the

plaintiff, defendant, claimant, or other party or parties to post security, or additional security, in a sum the court directs to pay all costs, expenses, and disbursements that are awarded against that party or that the party may be directed to pay by any interlocutory order, by the final judgment or after appeal.

(d) An order entered under this section shall state that a violation of the order may result in criminal prosecution under §61-2-29b of this code and state the penalties therefor.

### **§55-7J-6. Penalty for violation of injunction; retention of jurisdiction.**

Any person who violates the terms of an order issued under this article shall be subject to proceeding for contempt of court. The court issuing the injunction may retain jurisdiction if, in its discretion, it determines that to do so is in the best interest of the elderly person, protected person, or incapacitated adult. If the court determines that an injunction issued under §55-7J-5 of this code has been violated, the court may award reasonable costs to the party asserting that a violation has occurred.

## **CHAPTER 61. CRIMES AND THEIR PUNISHMENT.**

### **ARTICLE 2. CRIMES AGAINST THE PERSON.**

#### **§61-2-29b. Financial exploitation of an elderly person, protected person, or incapacitated adult; penalties; definitions.**

(a) Any person who financially exploits an elderly person, protected person, or an incapacitated adult in the amount of less than \$1,000 is guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than \$1,000 or confined in jail for not more than one year, or both fined and confined.

Public officers and employees are required to report suspected cases of financial exploitation to the appropriate entities as stated above. The requisite agencies shall investigate or cause the investigation of the allegations.

(f) When financial exploitation is suspected and to the extent permitted by federal law, financial institutions and their employees or other business entities required by federal law or regulation to file suspicious activity reports and currency transaction reports shall also be permitted to disclose suspicious activity reports or currency transaction reports to the prosecuting attorney of any county in which the transactions underlying the suspicious activity reports or currency transaction reports occurred.

(g) Any person or entity that in good faith reports a suspected case of financial exploitation pursuant to this section is immune from civil liability founded upon making that report.

(h) For the purposes of this section:

(1) “Incapacitated adult” means a person as defined by §61-2-29 of this code;

(2) “Elderly person” means a person who is 65 years or older;

(4) “Protected person” means any person who is defined as a “protected person” in §44A-1-4 of this code and who is subject to the protections of §44A-1-1 *et seq.* or § 44C-1-1 *et seq.* of this code.

(i) Notwithstanding any provision of this code to the contrary, acting as guardian, conservator, trustee, or attorney for, or holding power of attorney for, an elderly person, protected person, or incapacitated adult shall not, standing alone, constitute a defense to a violation of subsection (a) of this section.

(j) Any person who willfully violates a material term of an order entered pursuant to §55-7J-1 *et seq.* of this code is guilty of a misdemeanor and, upon conviction, shall:

(1) For the first offense, be fined not more than \$1,000 or confined in jail not more than 90 days, or both fined and confined; and

## **ARTICLE 21A. CONSERVATION DISTRICTS.**

### **§19-21A-1. Legislative determinations and declaration of policy.**

It is hereby declared, as a matter of legislative determination:

(a) That the farm and grazing lands of the State of West Virginia are among the basic assets of the state and that the preservation of these lands is necessary to protect and promote the health, safety and general welfare of its people; that improper land-use practices have caused and have contributed to, and are now causing and contributing to, a progressively more serious erosion of the farm and grazing lands of this state by water; that the breaking of natural grass, plant, and forest cover has interfered with the natural factors of soil stabilization, causing loosening of soil and exhaustion of humus and developing a soil condition that favors erosion; that the topsoil is being washed out of fields and

pastures; that there has been an accelerated washing of sloping fields; that these processes of erosion by water and flooding is increased with removal of absorptive topsoil, causing exposure of less absorptive and less protective but more erosive subsoil; that failure by any landowner to conserve the soil and control erosion upon his lands causes a washing of soil and water from his or her lands onto other lands and makes the conservation of soil and control of erosion of such other lands difficult or impossible and increases the potential damages from flooding.

(b) That the consequences of such soil erosion in the form of soil washing are the silting and sedimentation of stream channels, reservoirs, dams, ditches, and harbors; the piling up of soil on lower slopes and its deposit over alluvial plains; the reduction in productivity or outright ruin of rich bottom lands by over-wash of -poor subsoil material, sand and gravel swept out of the hills; deterioration of soil and its fertility, deterioration of crops grown thereon and declining acre yields despite development of scientific processes for increasing such yields; loss of soil and water which causes destruction of food and cover for wildlife; the washing of soil into streams which silts over spawning beds and destroys water plants, diminishing the food supply of fish; a diminishing of the underground water reserve which causes water shortages, intensifies periods of drought and causes crop failures; an increase in the speed and volume of rainfall runoff, causing more severe and more numerous floods which bring suffering, disease, and death; impoverishment of families attempting to farm eroding and eroded lands; damage to roads, highways, railways, farm buildings, and other property from floods; and losses in navigation, hydroelectric power, municipal water supply, irrigation developments, farming, grazing and reduction of suitable land available for homes and businesses.

(c) That to conserve soil resources and control and prevent soil erosion and prevent floodwater and sediment damage and further the conservation, development, utilization, water quality, and disposal of water, it is necessary that land-use practices contributing to soil wastage and soil erosion be discouraged and discontinued and appropriate soil-conserving land-use practices and works of improvement for flood prevention or the

conservation, development, utilization, water quality, and disposal of water be adopted and carried out; that among the procedures necessary for widespread adoption are engineering operations such as the construction of terraces, terrace outlets, dams, desilting basins, floodwater retarding structures, channel improvements, floodways, dikes, ponds, ditches, and the like; the utilization of strip cropping, lister furrowing, contour cultivating and contour furrowing; land drainage; land irrigation; seeding and planting of waste, sloping, abandoned or eroded lands with water-conserving and erosion-preventing plants, trees and grasses; forestation and reforestation; rotation of crops; soil stabilization with trees, grasses, legumes, and other thick-growing, soil-holding crops; retardation of runoff by increasing absorption of rainfall; and retirement from cultivation of steep, highly erosive areas and areas now badly gullied or otherwise eroded.

(d) It is hereby declared to be the policy of the Legislature to provide for the conservation of the soil and soil resources of this state, for the control and prevention of soil erosion, for the prevention of floodwater and sediment damage and for furthering the conservation, development, utilization, water quality, and disposal of water, and thereby to preserve natural resources, control floods, prevent impairment of dams and reservoirs, assist in maintaining the navigability of rivers and harbors, preserve wildlife, protect the tax base, protect public lands, and protect and promote the health, safety, and general welfare of the people of this state.

(e) This article contemplates that the incidental cost of organizing conservation districts will be borne by the state, while the expense of operating the districts so organized will be provided by donations, gifts, contributions, grants, and appropriations, in money, services, materials, or otherwise, from the United States or any of its agencies, from the State of West Virginia or from other sources, with the understanding that the owners or occupiers will contribute funds, labor, materials, and equipment to aid in carrying out erosion control measures on their lands.

(2) The number of farmers markets and the variety of products sold at farmers markets has increased significantly in the past 10 years, adding millions of dollars to the state's economy;

(3) Encouraging locally grown and raised food is important to the health and welfare of the citizens of West Virginia;

(4) Permit fees and requirements for farmers market vendors can vary widely from county to county and from one regulatory official to the other. Current food permit categories are not designed for farmers markets and their vendors, but rather for restaurants, grocery stores, or concessioners; and

(5) Food permits required for farmers market vendors are currently not recognized across county lines.

(b) It is the purpose of this article:

(1) To reduce barriers on participants producing, preparing, and selling certain foods at farmers markets and elsewhere within West Virginia;

Code, the State Fire Code, and any county or municipal building code or ordinance that is or may be adopted, such as the ICC International Property Maintenance Code. All other Class A licensees may sell nonintoxicating beer or nonintoxicating craft beer at retail, as licensed, for consumption on the licensed premises or off the licensed premises. Class A licensees may sell nonintoxicating beer or nonintoxicating craft beer for consumption off the licensed premises when it is in a sealed original container and sold for personal use, and not for resale. (B) For a Class B retail dealer, the license fee, authorizing the sale of both chilled and unchilled beer, is \$150 for each place of business. A Class B license authorizes the licensee to sell nonintoxicating beer at retail in bottles, cans, or other sealed containers only, and only for consumption off the licensed premises. A Class B retailer may sell to a purchasing person, for personal use, and not for resale, quantities of draught beer in original containers that are no larger in size than one-half barrel for off-premises consumption.

The Commissioner may only issue a Class B license to the proprietor or owner of a grocery store. (C) A Class A retail dealer may contract, purchase, or develop a mobile ordering application or web-based software program to permit the ordering and purchase of nonintoxicating beer or nonintoxicating craft beer, as authorized by the licensee's license. The nonintoxicating beer or nonintoxicating craft beer shall be in a sealed original container or a sealed growler and meet the requirements of §11-16-6d of this code.

(2) For a distributor, the license fee is \$1,000 for each place of business.

(3) For a brewer or a resident brewer with its principal place of business or manufacture located in this state and who produces:

(A) Twelve thousand five hundred barrels or less of nonintoxicating beer or nonintoxicating craft beer, the license fee is \$500 for each place of manufacture;

(4) For a brewer whose principal place of business or manufacture is not located in this state, the license fee is \$1,500. The brewer is exempt from the requirements set out in subsections (c), (d), and (e) of this section: *Provided*, That a brewer whose principal place of business or manufacture is not located in this state that produces less than 25,000 barrels of nonintoxicating beer or nonintoxicating craft beer may choose to apply, in writing, to the commissioner to be subject to the variable license fees of subdivision (3), subsection (b) of this section and the requirements set out in subsections (c), (d), and (e) of this section subject to

investigation and approval by the commissioner as to brewer requirements.

(5) For a brewpub, the license fee is \$500 for each place of manufacture.

(c) As part of the application or renewal application and in order to determine a brewer or resident brewer's license fee pursuant to this section, a brewer or resident brewer shall provide the commissioner, on a form provided by the commissioner, with an estimate of the number of nonintoxicating beer or nonintoxicating craft beer barrels and gallons it may produce during the year based upon the production capacity of the brewer's or resident brewer's manufacturing facilities and the prior year's production and sales volume of nonintoxicating beer or nonintoxicating craft beer.

(d) On or before July 15 of each year, every brewer, or resident brewer who is granted a license shall file a final report, on a form provided by the commissioner, that is dated as of June 30 of that year, stating the actual volume of nonintoxicating beer or nonintoxicating craft beer in barrels and gallons produced at its principal place of business and manufacture during the prior year.

(e) If the actual total production of nonintoxicating beer or nonintoxicating craft beer by the brewer or resident brewer exceeded the brewer's or resident brewer's estimate that was filed with the application or renewal application for a brewer's or resident brewer's license for that period, then the brewer or resident brewer shall include a remittance for the balance of the license fee pursuant to this section that would be required for the final, higher level of production.

(f) Any brewer or resident brewer failing to file the reports required in subsections (c) and (d) of this section, and who is not exempt from the reporting requirements, shall, at the discretion of the commissioner, be subject to the penalties set forth in §11-16-23 of this code.

(g) Notwithstanding subsections (a) and (b) of this section, the license fee per event for a nonintoxicating beer floor plan extension is \$50, and the fee may not be prorated or refunded. A licensee shall submit an application, certification that the event meets certain requirements in this code and rules, and any other information required by the commissioner, at least 15 days prior to the event, all as determined by the commissioner.

(h) Notwithstanding subsections (a) and (b) of this section, a Class A retail dealer, in good standing with the commissioner, may apply, on a form provided by the commissioner, to sell, serve, and furnish nonintoxicating beer or nonintoxicating craft beer for on-premises consumption in an outdoor dining area or outdoor street dining area, as authorized by any municipal government or county commission in the which the licensee operates. For purposes of this section, "close proximity" means an available area within 150 feet of the Class A retail dealer's licensed premises. A Class A retail dealer may operate a nonintoxicating beer or nonintoxicating craft beer outdoor dining or outdoor street dining in conjunction with a temporary private outdoor dining or temporary private outdoor street dining area set forth in §60-7-8d of this code and temporary private wine outdoor dining or temporary private wine outdoor street dining set forth in §60-8-32a of this code.

(b) An unlicensed brewer or home brewer is subject to the limits, taxes, fees, requirements, restrictions, and penalties set forth in this article: *Provided*, That the commissioner may, by rule or order, provide for certain waivers or exceptions with respect to the provisions, laws, rules, or orders as required by the circumstances of each festival or fair. (4) An applicant that receives this temporary license for any event licensed under §11-16-11 and §11-16-11b of this code shall provide a signed and notarized agreement acknowledging that it is the applicant's duty to pay all municipal, local, and sales taxes applicable to the sale of nonintoxicating beer or nonintoxicating craft beer in West Virginia.

Any applicant desiring to attend more than four events per year or otherwise operate in West Virginia shall seek appropriate licensure as a brewery or resident brewery in this state.

(6) Notwithstanding the provisions of this article and requirements for licensure, brand registration, franchise requirements, payment of beer barrel tax, and the appointment of a distributor franchise network, this temporary special license for an event licensed under §11-16-11 and §11-16-11b of this code, once granted, permits the licensee to operate in this limited capacity only at the approved specific, events licensed under §11-16-11 and §11-16-11b of this code, subject to the limitations noted in this section.

(8) The licensee is subject to all applicable violations and/or penalties under this article and related legislative rules that are not otherwise excepted by this section: *Provided*, That the commissioner may by rule or order provide for certain waivers or exceptions with respect to the provisions of this code, rules, or orders required by the circumstances of each festival or fair. The commissioner may revoke or suspend any license issued pursuant to this section prior to any notice or hearing notwithstanding the provisions of §11-16-23 and §11-16-24 of this code: *Provided, however*, That under no circumstances shall the provisions of §11-16-8(a)(1), §11-16-8(a)(2), and §11-16-8(a)(3) of this code, be

### **§60-8A-2. Applicability of other laws and licenses.**

(a) Except as stated in this article, all wine licenses and other wine requirements set forth in §60-8-1 *et seq.*, §60-4-3b, and §60-6-2, of this code, shall apply to the manufacture, distribution, or sale of hard cider. Any person or licensee legally authorized to manufacture, distribute, or sell wine may manufacture, distribute, or sell hard cider in the same manner and to the same persons, and subject to the same limitations and conditions, as such license or legal right authorizes him or her to manufacture, distribute, or sell wine. No additional wine license fees shall be charged for the privilege of manufacturing, distributing, or selling hard cider.

(b) Except as stated in this article, all hard cider distributors are bound by all wine distribution requirements set forth in §60-8-1 *et seq.*, §60-4-3b, and §60-6-2, of this code which shall apply to distribution of hard cider. Any person or licensee legally authorized to distribute hard cider may distribute hard cider in the same manner and to the same persons, and subject to the same limitations and conditions, as a license or legal right would authorize him or her to distribute wine. An additional hard cider license fee shall not be charged for the privilege of distributing hard cider.

**§60-8A-3. Taxation; reporting; deposits into Agriculture Development Fund; penalties for failure to file returns; application of state tax law; rulemaking authority.**

(a) There is hereby levied and imposed on all hard cider sold on and after July 1, 2021, by wineries, farm wineries, and suppliers to distributors, and including all hard cider sold and sent to persons 21 years of age or older who reside in West Virginia from direct shippers, a tax of 22.6 cents per gallon, in like ratio for any partial gallon or other unit of measure: *Provided*, That wineries, farm wineries, and suppliers eligible for federal tax credits in 26 U.S.C. 5041(c)(1) on hard cider are eligible for the credits in this state against the tax on hard cider. In the case of a person who produces not more than 250,000 wine gallons of hard cider during the calendar year, there shall be allowed as a credit against any tax imposed by this section of 5.6 cents per wine gallon on the first 100,000 wine gallons of hard cider which are removed during such year for consumption or sale and which have been produced at qualified facilities in the United States. That credit shall be reduced by one percent for each 1,000 wine gallons of hard cider produced in excess of 150,000 wine gallons of hard cider during the calendar year. For the purposes of this section, the term “wine gallon” means a United States gallon of liquid measure equivalent to the volume of 231 cubic inches. On lesser quantities, the tax shall be paid proportionately (fractions of less than one-tenth gallon being converted to the nearest one-tenth gallon, and five-hundredths gallon being converted to the next full one-tenth gallon). Hard cider is exempt from the liter tax established under §60-8-4 of this code.

(b) The Tax Commissioner shall deposit, at least quarterly, after deducting the amount of any refunds lawfully paid and any administrative fees authorized by this code, the taxes for the hard cider, pursuant to this section, in the Agriculture Development Fund established by §19-2-12 of this code.

(c) Before the 16th day of each month thereafter, every winery, farm winery, supplier, distributor, and direct shipper shall make a written report under oath to the Tax Commissioner and the commissioner showing the identity of the purchasing person, the quantity, label, and alcoholic content of hard cider sold by the

winery, farm winery, and supplier to West Virginia distributors or the direct shipper to persons 21 years of age or older who reside in West Virginia during the preceding month and at the same time shall pay the tax imposed by this article on the hard cider sold to the distributor or to persons 21 years of age or older who reside in West Virginia during the preceding month to the Tax Commissioner.

The reports shall contain other information and be in the form required by the Tax Commissioner. For purposes of this article, the reports required by this section shall be considered tax returns covered by the provisions of §11-10-1 *et seq.* of this code. Failure to timely file the tax returns within five calendar days of the 16th day of each month subjects a winery, farm winery, supplier, distributor, and direct shipper to penalties under §60-8-18 of this code.

(d) No hard cider imported, sold, or distributed in this state or sold and shipped to this state by a direct shipper shall be subject to more than one per-gallon tax on hard cider.

(e) *Administrative procedures.* — Each and every provision of the West Virginia Tax Procedure and Administration Act set forth in § 11-10-1 *et seq.* of this code, applies to the taxes imposed pursuant to this section, except as otherwise expressly provided in this article, with like effect as if that act were applicable only to the taxes imposed by this section and were set forth in extenso in this article.

The Agriculture Commissioner may issue a permit to the applicant to import such fruit, honey, or fruit juice concentrate in an amount determined necessary by the Agriculture Commissioner to allow the farm winery to produce hard cider within the percentage established by §60-1-5a of this code.

(b) The burden of proof is on the applicant to show that apples, pears, peaches, honey, or other fruits, of the type normally used by the licensee are not available from any other source within the State of West Virginia. The commissioner shall not consider an application for a permit under this section unless it is accompanied by written findings by the Agriculture Commissioner in support of the application.

(c) Notwithstanding any provision in §60-3-25 of this code, to the contrary, any permit issued under this section is effective for a period of up to three years: *Provided*, That the applicant files an annual statement of necessity, supported by written findings from the Agriculture Commissioner, with the commissioner. After the five-year permit issued pursuant to this section has expired, the applicant shall submit any subsequent application for a permit pursuant to §60-3-25 of this code.

(b) *Complimentary samples.* — A licensed winery or farm winery with its principal place of business or manufacturing facility located in the State of West Virginia may offer complimentary samples of hard cider manufactured at the winery’s or farm winery’s principal place of business or manufacturing facility located in the State of West Virginia. The complimentary samples may be no greater than two fluid ounces per sample per patron, and a sampling shall not exceed six complimentary two-fluid ounce samples per patron per day. A licensed winery or farm winery providing complimentary samples shall provide complimentary food items to the patron consuming the complimentary samples; and prior to any sampling, verify, using proper identification, that the patron sampling is 21 years of age or older and that the patron is not noticeably or visibly intoxicated.

(c) *Retail sales.* — Every licensed winery or farm winery under this section shall comply with all the provisions applicable to wine retailers when conducting sales of hard cider and is subject to all applicable requirements and penalties.

[Approved by the Governor on April 15, 2021.]

AN ACT making appropriations of public money out of the Treasury in accordance with section 51, article VI of the Constitution.

*Be it enacted by the Legislature of West Virginia:*

### TITLE I – GENERAL PROVISIONS.

**Section 1. General policy.** – The purpose of this bill is to appropriate money necessary for the economical and efficient discharge of the duties and responsibilities of the state and its agencies during the fiscal year 2022.

**Sec. 2. Definitions.** — For the purpose of this bill:

“Governor” shall mean the Governor of the State of West Virginia.

“Code” shall mean the Code of West Virginia, one thousand nine hundred thirty-one, as amended.

“Spending unit” shall mean the department, bureau, division, office, board, commission, agency or institution to which an appropriation is made.

The “fiscal year 2022” shall mean the period from July 1, 2021, through June 30, 2022.

“General revenue fund” shall mean the general operating fund of the state and includes all moneys received or collected by the state except as provided in W.Va. Code §12-2-2 or as otherwise provided.

“Special revenue funds” shall mean specific revenue sources which by legislative enactments are not required to be accounted for as general revenue, including federal funds.

“From collections” shall mean that part of the total appropriation which must be collected by the spending unit to be available for expenditure. If the authorized amount of collections is not collected, the total appropriation for the spending unit shall be reduced automatically by the amount of the deficiency in the collections. If the amount collected exceeds the amount designated “from collections,” the excess shall be set aside in a special surplus fund and may be expended for the purpose of the spending unit as provided by Article 2, Chapter 11B of the Code.

**Sec. 3. Classification of appropriations.** — An appropriation for:

“Personal services” shall mean salaries, wages and other compensation paid to full-time, part-time and temporary employees of the spending unit but shall not include fees or contractual payments paid to consultants or to independent contractors engaged by the spending unit. “Personal services” shall include “annual increment” for “eligible employees” and shall be disbursed only in accordance with Article 5, Chapter 5 of the Code.

Unless otherwise specified, appropriations for “personal services” shall include salaries of heads of spending units.

“Employee benefits” shall mean social security matching, workers’ compensation, unemployment compensation, pension and retirement contributions, public employees insurance matching, personnel fees or any other benefit normally paid by the employer as a direct cost of employment. Should the appropriation be insufficient to cover such costs, the remainder of such cost shall be paid by each spending unit from its “unclassified” appropriation,

or its “current expenses” appropriation or other appropriate appropriation. Each spending unit is hereby authorized and required to make such payments in accordance with the provisions of Article 2, Chapter 11B of the Code.

Each spending unit shall be responsible for all contributions, payments or other costs related to coverage and claims of its employees for unemployment compensation and workers compensation. Such expenditures shall be considered an employee benefit.

“BRIM Premiums” shall mean the amount charged as consideration for insurance protection and includes the present value of projected losses and administrative expenses. Premiums are assessed for coverages, as defined in the applicable policies, for claims arising from, inter alia, general liability, wrongful acts, property, professional liability and automobile exposures.

Should the appropriation for “BRIM Premium” be insufficient to cover such cost, the remainder of such costs shall be paid by each spending unit from its “unclassified” appropriation, its “current expenses” appropriation or any other appropriate appropriation to the Board of Risk and Insurance Management. Each spending unit is hereby authorized and required to make such payments. If there is no appropriation for “BRIM Premium” such costs shall be paid by each spending unit from its “current expenses” appropriation, “unclassified” appropriation or other appropriate appropriation.

West Virginia Council for Community and Technical College Education and Higher Education Policy Commission entities operating with special revenue funds and/or federal funds shall pay their proportionate share of the Board of Risk and Insurance Management total insurance premium cost for their respective institutions.

“Current expenses” shall mean operating costs other than personal services and shall not include equipment, repairs and alterations, buildings or lands. Appropriations classified in any of the above categories shall be expended only for the purposes as defined above and only for the spending units herein designated: *Provided*, That the secretary of each department shall have the authority to transfer within the department those general revenue funds appropriated to the various agencies of the department: *Provided, however*, That no more than five percent of the general revenue funds appropriated to any one agency or board may be transferred to other agencies or boards within the department: and no funds may be transferred to a “personal services and employee benefits” appropriation unless the source funds are also wholly from a “personal services and employee benefits” line, or unless the source funds are from another appropriation that has exclusively funded employment

expenses for at least twelve consecutive months prior to the time of transfer and the position(s) supported by the transferred funds are also permanently transferred to the receiving agency or board within the department: *Provided further*, That the secretary of each department and the director, commissioner, executive secretary, superintendent, chairman or any other agency head not governed by a departmental secretary as established by Chapter 5F of the Code shall have the authority to transfer funds appropriated to “personal services and employee benefits,” “current expenses,” “repairs and alterations,” “equipment,” “other assets,” “land,” and “buildings” to other appropriations within the same account and no funds from other appropriations shall be transferred to the “personal services and employee benefits” or the “unclassified” appropriation except that during Fiscal Year 2022, and upon approval from the State Budget Office, agencies with the appropriation “Salary and Benefits of Cabinet Secretary and Agency Heads” may transfer between this appropriation and the appropriation “Personal Services and Employee Benefits” an amount to cover annualized salaries and employee benefits for the fiscal year ending June 30, 2022, as provided by W.V. No funds may be transferred from a Special Revenue Account, dedicated account, capital expenditure account or any other account or fund specifically exempted by the Legislature from transfer, except that the use of the appropriations from the State Road Fund for the office of the Secretary of the Department of Transportation is not a use other than the purpose for which such funds were dedicated and is permitted.

Appropriations otherwise classified shall be expended only where the distribution of expenditures for different purposes cannot well be determined in advance or it is necessary or desirable to permit the spending unit the freedom to spend an appropriation for more than one of the above classifications.

AN ACT to amend and reenact §31A-8G-4 of the Code of West Virginia, 1931, as amended, relating to the aggregate liability of a surety on a consumer protection bond under the West Virginia Fintech Regulatory Sandbox Program.

*Be it enacted by the Legislature of West Virginia:*

#### **ARTICLE 8G. THE WEST VIRGINIA REGULATORY SANDBOX PROGRAM.**

##### **§31A-8G-4. Scope; testing period; licenses; consumer protections.**

(a) If the Division of Financial Institutions approves an application under §31A-8G-3 of this code, the regulatory sandbox participant has 24 months after the day on which the application was approved to test the innovative product or service described in the regulatory sandbox participant's application.

(b) An innovative product or service that is tested within the regulatory sandbox program is subject to the following:

(1) All consumers participating in the innovative product or service being tested shall be residents of the state;

(2) The Division of Financial Institutions may, on a case-by-case basis, specify the maximum number of consumers that may transact through or enter into an agreement to use the innovative product or service:

(A) For a regulatory sandbox participant testing a consumer loan, the Division of Financial Institutions may, on a case-by-case basis, specify the maximum amount of an individual loan that may be issued to an individual consumer and the maximum amount of aggregate loans that may be issued to an individual consumer; and

(B) For a regulatory sandbox participant testing an innovative product or service that would normally require a money transmission license pursuant to this code, the Division of Financial Institutions may, on a case-by-case basis, specify the maximum amount of a single transaction for an individual consumer and the maximum aggregate amount of transactions for an individual consumer.

(c) This section does not restrict a regulatory sandbox participant who holds a license or other authorization in another jurisdiction from acting in accordance with that license or other authorization.

(d) A regulatory sandbox participant is deemed to possess an appropriate license under the laws of this state for the purposes of any provision of federal law requiring state licensure or authorization.

(e) Except as otherwise provided in this chapter, including subsections (f), (g), and (h), a regulatory sandbox participant that is testing an innovative product or service is not subject to state laws that regulate financial products or services.

(f) Regulatory sandbox participants and the innovative products and services that they are testing in the regulatory sandbox program are subject to all applicable consumer protection laws, including, but not limited to those contained in chapter 46A of this code, the Collection Agency Act contained in chapter 47A of this code, and any limitations on interest rates, whether or not those interest rates would otherwise require licensure.

(g)(1) The Division of Financial Institutions may determine that additional state laws that regulate a financial product or service apply to a regulatory sandbox participant if the Division of

Financial Institutions, at its sole discretion, determines that an applicant's proposed testing plan or the innovative product or service to be tested poses significant risk to consumers or to the safety and soundness of other institutions within the financial services marketplace as to warrant the imposition of other applicable state laws.

(2) The Division of Financial Institutions shall determine the applicability of certain state laws to each innovative product or service prior to approval of any application to participate in the regulatory sandbox program and shall notify the regulatory sandbox participant of the specific regulatory provisions that shall apply to the innovative product or service throughout the duration of the regulatory sandbox testing period.

(3) If at any time during the regulatory sandbox testing period, the Division of Financial Institutions determines that the imposition of certain state laws is necessary to eliminate the risk of harm to consumers or the safety and soundness of other institutions operating within the financial services marketplace, the division may require that the regulatory sandbox participant come into compliance with such state laws within a reasonable time.

(h) Notwithstanding any other provision of this chapter, a regulatory sandbox participant does not have immunity related to any criminal offense committed during the regulatory sandbox participant's participation in the regulatory sandbox program.

(i) By written notice, the Division of Financial Institutions may end a regulatory sandbox participant's participation in the regulatory sandbox program at any time and for any reason, including if the Division of Financial Institutions determines a regulatory sandbox participant is not operating in good faith to bring an innovative product or service to market.

(j) The Division of Financial Institutions shall require a regulatory sandbox participant to post a consumer protection bond as security for potential losses suffered by consumers. The bond amount shall be determined by the commissioner in an amount not less than \$5,000 and shall be commensurate with the risk profile of

the innovative product or service. The commissioner may require that a bond be increased or decreased at any time based on risk profile and shall provide the regulatory sandbox participant with 30 days prior written notice of such increase or decrease. The aggregate liability of the surety in no event shall exceed the principal sum of the bond. The commissioner may use bond proceeds to offset losses suffered by consumers as a result of an innovative product or service. The bond shall expire two years after the date of the conclusion of the regulatory sandbox testing period. The commissioner may accept electronic bonds from any regulatory sandbox participant.

(1) The loan previously authorized by §12-6C-11(h) of this code is hereby continued, subject to the requirements of this section.

(2) Subject to a liquidity determination and cash availability, the board shall provide a nonrecourse revolving loan to the authority, from the Consolidated Fund, in an amount not to exceed \$80 million, for the purpose of funding the Broadband Loan Insurance Program authorized by §31-15-8a of this code.

(3) The board shall make the loan moneys available to the authority upon receipt of the following:

(A) A written request by the authority that the board transfer a specific amount of loan moneys to the authority; and

(B) A written statement by the authority certifying that the authority is in full compliance with all applicable provisions of federal and state law, as well as any agreements entered into with the board.

(4) The authority may not award an amount of the loan moneys exceeding \$20 million, in any single calendar year, to insure the debt or security instruments, or costs related thereto, of any one broadband provider.

(5) The authority shall maintain the loan moneys made available pursuant to this section in an account that is separate and segregated from its other assets and programs. The loan moneys may not be transferred to any other fund or account or used for any purpose other than to insure debt and security instruments, as expressly authorized in §31-15-8a of this code. The authority may withdraw the loan moneys from the account only as provided in subsection(d) of this section.

(6) The authority may not deduct or use any amount of loan moneys transferred pursuant to this subsection to pay for the authority's operating or administrative expenses.

(c) *Loan terms and requirements.* —

(1) The loan authorized by this section shall be classified by the board as a long-term fixed income investment and shall bear interest on the outstanding principal balance of the loan at a variable interest rate equal to the 12-month average of the board's yield on its West Virginia Money Market pool. The rate shall be the rate set on July 1, 2017, under prior enactment of §12-6C-11(h) of this code and adjusted quarterly during each year thereafter. The maximum annual adjustment may not exceed one percent.

(2) The loan authorized by this section is nonrecourse. Upon payment in full of any said insured debt instruments or release in full of any security instruments, the authority shall reduce the outstanding balance of the loan by a like amount. Additionally, quarterly, the authority shall determine the outstanding balance of all such insured debt and security instruments and shall accordingly adjust the outstanding balance of the loan to equal the outstanding obligations of the authority for all said insured debt and security instruments. The authority shall notify the board, in writing, of any such adjustment.

(3) The loan is secured by a security interest that pledges and assigns the cash proceeds of all collateral securing all insurance agreements entered into by the authority pursuant to §31-15-8a of this code. In the event moneys received by the authority respecting any individual insured debt or security instrument relating to providing broadband service under §31-15-8a of this code is insufficient to pay when due the principal or interest installments, or both, with respect to the loan authorized by this section by the board to the authority, the principal or interest, or both, as the case may be, due on the loan made to the authority pursuant to this section shall be deferred and any and all past-due principal and interest payments shall promptly be paid to the fullest extent possible upon receipt by the authority of all moneys respecting said debt instruments.

(d) *Withdraw of moneys in event of default.* – The authority may withdraw loan moneys from the separate and segregated account required by subdivision (5), subsection (b) of this section, only in the event that a broadband provider has defaulted on a debt instrument or security interest insured by the authority. The loan

monies may not be used for any purpose other than to pay amounts due to a financial institution resulting from the broadband provider's default, according to a loan insurance agreement entered into pursuant to §31-15-8a of this code. Prior to withdrawing any amount of loan monies from the separate and segregated account, the authority shall provide notice of the default to the board and certify to the board that:

(1) The broadband provider has defaulted on a debt instrument or security interest insured by the authority and the broadband provider does not have the option to enter into a forbearance agreement with the financial institution; and

(2) The authority has pursued or will pursue any reasonable remedies to recoup the costs to the state resulting from the default, including, but not limited to, instituting a legal action to seize the collateral described in subdivision (3), subsection (c) of this section.

(e) *Inspection of records.* – Within 30 days of receiving a written request from the board, the authority shall provide the board with the opportunity to inspect and copy any records in the custody of the authority related to the Broadband Loan Insurance Program. Records to be made available pursuant to this subsection include, but are not limited to, accounting records, loan insurance applications, loan insurance agreements, authority meeting minutes, audit reports, and transaction records. Records of the authority that may be held from time to time by the board pursuant to this subsection shall not be considered public records and shall be exempt from disclosure pursuant to the provisions of §29B-1-1 *et seq.* of this code.

If the authority elects to establish separate accounts within the insurance fund, the authority may allocate its revenues and receipts among the respective accounts in any manner the authority considers appropriate.

If the authority at any time finds that more money is needed to keep the reserves of the insurance fund at an adequate level, the authority, with the consent of the chair, shall send a written request to the Legislature for additional funds.

(b) The insurance fund shall be used for the following purposes by the authority to financially assist projects so long as such financial assistance will, as determined by the authority, fulfill the public purposes of this article:

(1) To insure the payment or repayment of all or any part of the principal of, redemption or prepayment premiums or penalties on, and interest on bonds or notes whether issued under this article or

under the Industrial Development and Commercial Development Bond Act, the West Virginia Hospital Finance Authority Act or, with respect to health care facilities only, §8-33-1 *et seq.* of this code;

(2) To insure the payment or repayment of all or any part of the principal of, redemption or prepayment premiums or penalties on, and interest on any instrument executed, obtained, or delivered in connection with the issuance and sale of bonds or notes whether under this article or under the Industrial Development and Commercial Development Bond Act, the West Virginia Hospital Finance Authority Act or, with respect to health care facilities only, §8-33-1 *et seq.* of this code;

(4) To pay or insure the payment of any fees or premiums necessary to obtain insurance, guarantees, letters of credit, or other credit support from any person or financial institution in connection with financial assistance provided by the authority under this section;

(5) To pay any and all expenses of the authority, including, but not limited to:

(A) Any and all expenses for administrative, legal, actuarial, and other services related to the operation of the insurance fund; and

(B) All costs, charges, fees, and expenses of the authority related to the authorizing, preparing, printing, selling, issuing, and insuring of bonds or notes (including, by way of example, bonds or notes, the proceeds of which are used to refund outstanding bonds or notes) and the funding of reserves; and

(6) To insure, for up to 20 years, the payment or repayment of all or any part of the principal of and interest on any form of debt instrument entered into by an eligible broadband provider with a financial institution, including, but not limited to, banks, insurance companies, and other institutions in the business of lending money, which debt instruments are to be solely for capital costs relating to the purposes authorized in §31-15-8a of this code: *Provided*, That beginning on the effective date of the amendments made to this section during the regular session of the Legislature, 2021, loan moneys shall not be transferred to the fund except as authorized by §12-6C-11a of this code.

(d) The authority may, in its sole and absolute discretion, set the premiums and fees to be paid to it for providing financial assistance under this section. The premiums and fees set by the authority shall be payable in the amounts, at the time, and in the manner that the authority, in its sole and absolute discretion, requires. The premiums and fees need not be uniform among transactions and may vary in amount: (1) Among transactions; and (2) at different stages during the terms of transactions.

(f) The authority may itself approve the form of any insurance agreement entered into under this section or may authorize the chair or his or her designee to approve the form of any such agreement. Any payment by the authority under an agreement entered into by the authority under this section shall be made at the time and in the manner that the authority, in its sole and absolute discretion, determines.

(g) The obligations of the authority under any insurance agreement entered into pursuant to this article shall not constitute a debt or a pledge of the faith and credit or taxing powers of this state or of any county, municipality, or any political subdivision of this state for the payment of any amount due thereunder or pursuant thereto, but the obligations evidenced by such insurance agreement shall be payable solely from the funds pledged for their payment.

(h) By October 30, 2021, and on or before the 30th day of January, April, July, and October of each year thereafter, the authority shall prepare and submit to the Joint Committee on Government and Finance and the Governor a quarterly report which shall include, at a minimum:

## **CHAPTER 17. ROADS AND HIGHWAYS.**

### **ARTICLE 2E. DIG ONCE POLICY.**

#### **§17-2E-3. Use of rights-of-way; broadband conduit installation in rights-of-way; permits; agreements; compensation; valuation of compensation; telecommunications facilities construction and installation in rights-of-way.**

(a) If in-ground construction or installation of a telecommunications facility in rights-of-way owned or controlled

by the division serves a public purpose and shall be accommodated as a utility pursuant to federal and state law, the division will receive applications and issue a permit consistent with this section with respect to requirements and conditions for performing work in division rights-of-way.

(b) Upon receipt of a complete application as specified in the Accommodation of Utilities on Highway Right-of-Way and Adjustment and Relocation of Utility Facilities on Highway Projects Policy, or equivalent policy, as may be currently enforced by the division, that specifies the requirements and conditions for performing work in a right-of-way, the division shall, within 60 business days, advise applicant in writing of any deficiencies with the planned project that:

(1) Adversely affect the safety, design, construction, operation, maintenance, or stability of the state road system;

(2) Interfere with or impair the present use or planned future expansion of any affected highway or bridge;

(3) Conflict with applicable division policy with respect to requirements and conditions for performing work in division rights-of-way; or

(4) Violates applicable federal or state law.

(c) An applicant may correct any deficiencies and resubmit the application, which shall be reviewed by the division and either approved or denied within 30 days of the resubmittal. Any denial of a resubmittal shall be in writing and explain any deficiencies as provided in subsection (b) of this section. After the division approves a permit application, notwithstanding any other provision of this code to the contrary, the division shall issue a specific district level construction authorization for the approved project within 10 business days unless specific logistical issues reasonably prevent commencement.

(d) Compliance with applicable environmental laws shall at all times be the responsibility of the applicant. If any environmental clearance must be performed by the division before an application

is approved, the division will notify the applicant in writing of all necessary requirements for such clearance within 15 business days of receiving a complete application. The division will also provide a list of all known federal and state entities with whom an applicant may also need to consult and coordinate for environmental clearance purposes.

(e) The division will create and make available for potential applicants an informational notice specific to in-ground telecommunications facility construction and installation that explains routine issues for such projects, including a consolidated checklist or flow chart of all state or federal regulatory requirements, including but not limited to applicable permits, required reviews, required approvals, and required forms. The division shall annually update such informational notice for accuracy and completeness by coordination with each state or federal agency having required regulatory action in the permitting process legal, regulatory, and division requirements and may request the assistance of the Office of Broadband in preparing this informational notice.

(f) The provisions of this article shall not apply to the relocation or modification of existing telecommunications facilities in a right-of-way, nor shall these provisions apply to aerial telecommunications facilities or associated apparatus or equipment in a right-of-way. Relocation of telecommunications facilities within rights-of-way for state highways shall be in accordance with the provisions of §17-4-17b of this code.

#### **§17-2E-5. Telecommunications carrier initiated construction and joint use.**

(a) Upon application for a permit, the applicant shall notify, by email, the Office of Broadband and all other telecommunications carriers on record with the office of the application. Other telecommunications carriers have 15 calendar days to notify the applicant of their interest to share the applicant's trench. This requirement extends to all underground construction technologies.

(b) If no competing telecommunications carrier provides notice of interest to share the applicant's trench within 15 calendar days of notice of the project, the applicant shall provide written certification in accordance with subsection (g) of this section.

(c) If a competing telecommunications carrier provides notice of interest to share the applicant's trench, an agreement between the two (or more) telecommunications carriers shall be executed by those entities within 30 days of the notice of interest, outlining the responsibilities and financial obligations of each, with respect to the installation within the right-of-way. The financial obligations of each carrier shall be based on the proportionate sharing of costs between each carrier for joint trenching or trench sharing based on the amount of conduit or innerduct space or excess conduit that is authorized in the agreements entered into pursuant to this article. If the division uses a trench, it shall also pay its proportional share unless it is utilizing the trench as in-kind payment for use of the right-of-way, or the division has otherwise determined, in its sole discretion, that including the division in the apportionment of costs is not warranted. A copy of the executed agreement shall be provided to the division.

(d) Should a dispute arise between the initial applying telecommunications carrier and a competing telecommunications carrier, including a failure to execute an agreement required by subsection (c) of this section, the dispute shall be adjudicated by the Public Service Commission. All disputes brought to the Public Service Commission under this article shall be adjudicated within 45 days.

(e) If two or more telecommunications carriers are required or authorized to share a single trench, each carrier in the trench must share the cost and benefits of the trench in a fair, reasonable, competitively neutral, and nondiscriminatory manner. This requirement extends to all underground construction technologies.

(f) The provisions of this section do not apply to the following projects:

(1) Projects where the total continuous length of the trench is less than 1,000 feet;

(2) Projects that use the direct bury of cable or wire facilities;

(3) Projects that are solely for the service of entities involved in national security matters or where the disclosure or sharing of a trench location would be against federal policy; or

(4) Projects made available for lease to competing telecommunications carriers on a nondiscriminatory basis at rates established by the rules of the Federal Communications Commission Projects where the telecommunications carrier installs an amount of spare conduit or innerduct equal to what is being installed for its own use and which is given to the Office of Broadband. Such spare conduit or innerduct shall be made available for sale or lease to competing telecommunications carriers on a nondiscriminatory basis at rates apportioned on the basis of the cost of the installation thereof, to other telecommunications providers, and the revenues derived from such sale, less any costs associated therewith, shall be remitted to the telecommunications carrier that installed such spare conduit or innerduct in a manner consistent with all applicable state and federal law and regulations. ### **§31G-1A-3. Mapping of areas within state.**

(a) Based on its analysis of data, broadband demand, and other relevant information, the Office of Broadband shall establish a mapping of broadband services in the state. The council shall publish an annual assessment and map of the status of broadband, including specific designations of unserved areas of the state. With

respect to unserved areas of the state, the Office of Broadband shall, to the extent it is able, map project areas with funding provided by public entities. For the purposes of this section, the term “unserved area” means an area lacking broadband internet service from at least one terrestrial broadband internet service provider offering all of the following in at least one service plan to residential consumers: (1) an actual downstream data rate of at least 25 megabits per second; and (2) an actual upstream data rate of at least three megabits per second; and (3) unlimited data usage without overage charges; and (4) unlimited data usage without “throttling” or reduction of downstream or upstream data rate due, in whole or in part, to the amount of data transferred in any period.

(b) To the extent possible, and subject to limitations contained in subsection (g) of this section, the Office of Broadband shall additionally establish an interactive public map reflecting estimated or actual downstream data rate and upstream data rate in a particular region, area, community, street or location. Any such mapping may only specify data rates at a particular street address or physical location, and shall not make public the IP address or the name of the specific individual at such location. This map shall be known as the West Virginia Broadband Availability Map.

(c) To the extent possible, and subject to limitations contained in subsection (g) of this section, the Office of Broadband shall additionally establish an interactive public map reflecting the adoption of broadband services, separately by estimated or actual downstream data rate and upstream data rates, in a particular region, area, community, street or location. Any such mapping shall provide data separately for residential connections and non-residential connections. This map shall be known as the West Virginia Broadband Adoption Map.

(d) The mapping provided for in this section may be based on information collected or received by the Broadband Council and Office of Broadband, including, but not limited to, data collected from:

(1) State and federal agencies or entities that collect data on broadband services;

(2) Industry provided information;

(3) Consumer data provided to the Broadband Council or Office of Broadband pursuant to §31G-1A-6 and §31G-1A-9 of this code; and

(4) Other data sources procured by or provided to the Office of Broadband or the Broadband Council.

(e) Any entity that has received or hereinafter receives state or federal moneys, and which has used those moneys to install infrastructure used for broadband services, shall furnish detailed information concerning the location, type, and extent of such infrastructure to the Office of Broadband for use in mapping and shall furnish the location, type, and prices of any broadband services subscribed to by residential (and separately non-residential) consumers as a result of the installed infrastructure.

(f) The mapping and designations provided for under this section may be revised on a continuing basis by the office as warranted by the data and information provided.

(g) In addition to the provisions of §31G-1A-13 of this code, the mapping of broadband services may exclude from public accessibility and availability:

(1) The location or identity of any critical infrastructure used by public or private entities in furtherance of their internet services;

(2) Personal name and personal IP addresses connected with particular data rates; and

(3) Information designated as confidential for public security reasons by either state or federal homeland security agencies: *Provided*, That it shall be duty of the public and private entities to make the Office of Broadband aware of such confidential designation: *Provided, however*, That unless the Office of Broadband determines good cause exists, the actual or estimated upstream and downstream data rates of an area or region of the state shall not be excluded from public or private availability.

(h) All executive agencies which have permitting and/or regulatory approval authority over any project permitted or reviewed and approved pursuant to §17-2E-3 of this code shall cooperate with and provide all necessary information to the Office of Broadband to determine the feasibility and federal allowability of creating Advanced Regulatory Environment Analysis (AREA) maps. AREA maps will pre-survey likely routes for middle-mile infrastructure so all relevant information can be included in a centralized GIS mapping system to be maintained by the Office of Broadband for utilization by the private sector when extending new fiber infrastructure pursuant to §17-2E-1 *et seq.* of this code. AREA mapping shall also include, but is not limited to, any areas already granted Finding of No Significant Impact (“FONSI”), categorical exclusions (“CATEX”), areas prior approved by the West Virginia State Historic Preservation Office (“SHPO”), and all West Virginia Division of Highways mapping for permits that include installation of infrastructure.

(i) If in analyzing the consumer-supplied speed data for an area of two square miles or more, the Office of Broadband finds that speeds supplied by a provider are less than 80% of the lowest speed tier advertised by the provider in more than 40% of the tests in that area in a calendar year, then the Office of Broadband shall notify the Consumer Protection Division of the Attorney General’s Office, and shall transmit such records of any relevant speed tests in their custody to the Consumer Protection Division of the Attorney General’s Office.

#### **§31G-1A-4. Collection of data.**

(a) In order to ascertain, categorize, analyze, map, and update the status of broadband in the state, as well as to enable the Office of Broadband to make informed policy and legislative recommendations, the Office of Broadband may establish a voluntary data collection program. The program may include voluntarily submitted data from internet service providers, including any home or region data rate meters utilized by the provider. The program may also utilize and collect voluntarily submitted data rate information submitted by any person reflecting the person’s personal data rate at a particular IP address. This

personal data rate may be based upon a web-based test or analysis program.

(b) Any and all data collected by the Office of Broadband shall not be deemed public information and is not subject to public release or availability pursuant to §29B-1-1 *et seq.* of this code.

(c) Any data collection program established by the Office of Broadband shall:

(1) Make clear to those providers or persons submitting information that the data rate speed may become public, including specific reference to the person's physical address;

(2) Make clear this is a voluntary data collection program and that submission of information shall be deemed consent to use and make public such data rate information; and

(3) Not include any person's personal web history or search information, or otherwise publicly identify the person's name in connection with an IP address or physical address.

(d) The Office of Broadband may establish guidelines and additional rules governing a data collection program through the legislative rulemaking pursuant to the provisions of §29A-3-1 *et seq.* of this code.

#### **§31G-1A-5. Protection of proprietary business information.**

(a) Broadband deployment information provided to the Office of Broadband or its consultants and other agents, including, but not limited to, physical plant locations, subscriber levels, and market penetration data, constitutes proprietary business information and, along with any other information that constitutes trade secrets, shall be exempt from disclosure under the provisions of §29B-1-1 *et seq.* of this code: *Provided*, That the information is identified as or would reasonably be contemplated to be confidential information when submitted to the Office of Broadband.

(b) Trade secrets or proprietary business information obtained by the council or the Office of Broadband from broadband

providers and other persons or entities shall be secured and safeguarded by the state. Such information or data shall not be disclosed to the public or to any firm, individual, or agency other than officials or authorized persons of the state.

(c) The official charged with securing and safeguarding trade secrets and proprietary data for the Office of Broadband is the Secretary of Economic Development, who is authorized to establish and administer appropriate security measures.

### **§31G-1A-6. Legislative rule-making authority.**

In order to implement and carry out the intent of this article, the Secretary of the Department of Economic Development may propose rules for legislative approval pursuant to the provisions of §29A-3-1 *et seq.* of this code.

(1) Over public rights-of-way; and

(2) Through easements, which are within the area to be served by the broadband system and which have been dedicated for compatible uses.

(b) In installing, operating, and maintaining facilities, the broadband operator shall avoid all unnecessary damage and injury to any trees, structures, and improvements in and along the routes utilized for the system.

(c) The broadband operator shall indemnify and hold the state, county and municipality harmless at all times from any and all claims for injury and damage to persons or property, both real and personal, caused by the installation, operation, or maintenance of its broadband system, notwithstanding any negligence on the part of the state, county, and/or municipality, their employees, or agents. Upon receipt of notice in writing from the state, county, and/or municipality, the broadband operator shall, at its own expense, defend any action or proceeding against the state, county

(f) An “easement dedicated for compatible uses” is a public or private easement for electric, gas, telephone, or other utility transmission

#### **ARTICLE 4. MAKE-READY POLE ACCESS.**

##### **§31G-4-1. Definitions.**

As used in this article, the following terms are defined as follows:

(1) “Applicable codes” means uniform building, fire, electrical, plumbing, or mechanical codes adopted by a recognized national code organization, including, but not limited to, the National Electrical Safety Code, or any local amendments to those codes: *Provided*, That notwithstanding any other provisions of said applicable codes, the Code of West Virginia, or the West Virginia Code of State Rules, variances for the installation and maintenance of broadband service infrastructure on utility poles shall be permitted if these are agreed upon between infrastructure owners.

(2) “Attacher” means any person, corporation, or other entity, or the agents or contractors of such seeking to permanently or temporarily fasten or affix any type of equipment, antenna, line, or facility of any kind to a utility pole in the right of way or its adjacent ground space.

(3) “Attachment Application” means the application made by an Attacher to a Pole Owner for attachment of equipment, antenna, line or facility of any kind to a utility pole. It shall include:

(A) Proof of insurance; or

(B) An indemnification agreement prepared by the Pole Owner.

(4) “Make Ready Costs” means the costs incurred by an Attacher associated with the transfer of the facilities, antenna, lines, or equipment of a Pre-Existing Third Party User, undertaken by an Attacher to enable attachment to the utility pole or similar structure. Make-Ready Costs that are to be paid by an Attacher

include, without limitation, all costs and expenses to relocate or alter the attachments or facilities of any Pre-Existing Third Party User as may be necessary to accommodate an Attacher's attachment.

(5) "Pole Owner" means a person, corporation or entity having ownership of a pole or similar structure in the right of way to which utilities, including without limitation, electric and communications facilities, are located or may be located whether such ownership is in fee simple or by franchise.

(6) "Pre-Existing Third Party User" means the owner of any currently operating facilities, antenna, lines or equipment on a pole or its adjacent ground space in the right of way.

#### **§31G-4-2. Attachment to third party facilities.**

(a) Upon approval of an Attachment Application, an Attacher may relocate or alter the attachments or facilities of any Pre-Existing Third Party User as may be necessary to accommodate an Attacher's attachment using Pole Owner approved contractors; provided, however, that an Attacher will not effectuate a relocation or alteration of a Pre-Existing Third Party User's facilities that causes or would reasonably be expected to cause a customer outage without first providing 45 days prior written notice to the Pre-Existing Third Party User, in order to permit the Pre-Existing Third Party User to relocate its facilities on its own.

(b) In the event the Pre-Existing Third Party Users of such other facilities fail to transfer or rearrange their facilities within 45 days from receipt of notice of relocation or alteration of a Pre-Existing Third Party User's facilities that causes or would reasonably be expected to cause a customer outage, an Attacher may undertake such work.

(c) Within 30 days of the completion of any relocation or alteration, an Attacher shall send notice of the move and as-built reports to the Pre-Existing Third Party User and the owner of all poles or other structures on which such relocations or alterations

were made. The as-built reports shall include a unique field label identifier, and an address or coordinates.

(d) Upon receipt of the as-built reports, the Pre-Existing Third Party User and pole or structure owner(s) may conduct an inspection within 14 days at an Attacher's expense. An Attacher shall pay the actual, reasonable, and documented expenses incurred by the Pre-Existing Third Party User and pole or structure owner for the inspection. If any such relocation or alteration results in the facilities of the Pre-Existing Third Party User on the pole or other structure failing to conform with the applicable safety Pole Owner's standards, the Pre-Existing Third Party User shall, within seven days of the inspection, notify an Attacher of such failure to conform.

(e) In a notice, the Pre-Existing Third Party User may elect to either:

(1) Perform the correction itself and bill the Attacher for the actual, reasonable and documented costs of the correction, or

(2) Instruct the Attacher to correct such conditions at Attacher's expense. Any post-inspection corrections performed by the Attacher must be completed within 30 days of such notification.

(f) As a condition of exercising the ability to relocate, rearrange, or alter a Pre-Existing Third Party User's facilities pursuant to this section, an Attacher shall indemnify, defend and hold harmless the owner or owners of all poles or other structures on which such relocation, rearrangement or alteration takes place, the affiliates of such owner or owners, and the officers, directors and employees of such owner or owners and their affiliates, each being deemed an Indemnitee, from and against all third party damage, loss, claim, demand, suit, liability, penalty or forfeiture of every kind and nature, including, but not limited to, costs and expenses of defending against the same, payment of any settlement or judgment therefor and reasonable attorney's fees, that are actually and reasonably incurred by an Indemnitee, by reason of any claim by an affected Pre-Existing Third Party User or any

person or entity claiming through such Pre-Existing Third Party User arising from such relocation, rearrangement or alteration.

(g) All work performed must be in accordance with applicable codes, as defined in section one of this article, including, but not limited to, the National Electrical Safety Code: *Provided*, That the variances to applicable codes and to private agreements as set forth in §31G-6-1 of this code shall apply to this section.

(h) In the event an ILEC accepts payment for make-ready work, and fails to perform that work within 45 days, the ILEC which has been paid and which has failed to perform the work, shall immediately return and refund the moneys paid for that work which was not completed. Failure to return those funds within 14 calendar days shall be cause for a fine, payable to the Public Service Commission, equal to the amount of the payment and a cause of action in circuit court for return of the payment and is subject to treble damages, reasonable attorney's fees, and any applicable court costs. Good-cause and good-faith efforts to have performed the work shall be a defense against the imposition of any fine: *Provided*, That the provisions of this subsection shall not apply to any make-ready work where a pole replacement is necessary.

**§31G-4.4. Public Service Commission jurisdiction; rulemaking; enforcement.**

(a) The Public Service Commission shall possess and exercise regulatory jurisdiction over the provisions of this article. The commission shall administer and adjudicate disputes relating to the issues and procedures provided for under this article.

(b) The commission shall adopt the rates, terms, and conditions of access to and use of poles, ducts, conduits, and rights-of-way as provided in 47 U.S.C. § 224 and 47 C.F.R. § 1.1401 – 1.1415, inclusive, of the dispute resolution process incorporated by reference in those regulations and any subsequent modifications or additions to the provisions of the United States Code or Code of Federal Regulations provisions referenced herein.

(c) The commission shall certify to the Federal Communications Commission that this state, as evidenced by the enactment of this article, hereby exercises jurisdiction over the regulation of pole attachments. The certification shall include notice that the State of West Virginia hereby:

(1) Regulates the rates, terms, and conditions related to pole attachments; and

(2) In so regulating such rates, terms, and conditions, the state has the authority to consider and does consider the interests of the subscribers of the services offered via such attachments, as well as the interests of the consumers of the services.

(d) (1) Notwithstanding subsection (b), the commission shall promulgate rules to address abandoned cable, conductor, and related facilities attached to utility poles. The rules shall include provisions that:

(A) Provide for the pole owner to fully recover from the owner of the attachment the costs incurred by the pole owner for the removal and disposal of abandoned cable, conductors, and related facilities;

(B) Address situations where the pole owner is unable to receive full recovery of its removal and disposal costs from the owner of the attachment by instead receiving recovery of its net unrecovered costs from its jurisdictional customers, including other Attachers, in such manner as the commission determines is just and reasonable; and

(C) Allow the pole owner to book or defer these net costs on its accounting books and request recovery to the commission outside of a base rate case proceeding through a surcharge or other rate recovery mechanism.

(2) Any pole owner, after making reasonable efforts to require the attachment owner to remove abandoned facilities, that proceeds to remove what the pole owner reasonably believes is abandoned cable, conductor, and related facilities, shall be released and held harmless from liability from claims or any related losses claimed

by the Attacher or others for the pole owner's removal work, including any loss of property value, potential business value, salvage value, or any other value of such cable, conductor, and related facilities.

(e) Notwithstanding subsection (b), the commission shall promulgate rules to govern the timely transfer of facilities from an old pole to a new pole and the removal of utility poles that have had electric facilities moved to new poles but continue to have other facilities attached in the telecommunications space on the old existing poles. Should the attached facilities not be transferred in a timely manner from the old pole to the new pole by the owner of the attachments, as determined by the commission, the rules shall address this matter and include the right and mechanism of the pole owner itself to transfer the facilities to the new pole, to remove the old pole, and to recover its costs fully and timely from the owner of the facilities transferred. Any pole owner who transfers facilities from an old pole to a new pole, after reasonable due diligence, shall be released and held harmless from liability for its transfer work, except for acts of negligence or willful misconduct.

(a) Notwithstanding any other provision of the West Virginia Code or the West Virginia Code of State Rules to the contrary, any ordinance of any political subdivision relating to broadband service is hereby pre-empted to the extent necessary in favor of such broadband installation.

(b) No corporate policy, organizational policy, institutional policy, agreement, contract, or other like document, including the rules and regulations of any Home Owners Association, or any similar entity or organization, promulgated or made effective after the effective date of this section, may regulate or prevent the exterior installation of antennas and equipment necessary to or typically utilized for broadband deployment and the terms of any

such document shall be strictly construed in favor of encouraging and assisting broadband installation and deployment.

**§31G-6-2. Pre-emption in favor of broadband service in pole attachments; construction of language in pole attachment agreements.**

(a) Notwithstanding any other provision of the West Virginia Code or the West Virginia Code of State Rules to the contrary, any ordinance of any political subdivision regarding pole attachment spacing, positioning, or order by or between any Investor Owned Utility (“IOU”) and any Incumbent Local Exchange Carrier (“ILEC”) and/or Competitive Local Exchange Carrier (“CLEC”) which would seek to provide broadband service, is hereby preempted to the extent necessary in favor of such broadband installation or deployment.

(b) Any corporate policy, individual agreement, organizational policy, contract, or like document relating to pole attachment spacing, positioning, or order by or between any Investor Owned Utility (“IOU”) and any Incumbent Local Exchange Carrier (“ILEC”) and/or Competitive Local Exchange Carrier (“CLEC”) shall be strictly construed in favor of encouraging and assisting broadband installation and deployment.

(c) In addition to any other prohibitions, any person found guilty of violating the provisions of §61-8B-3 or §61-8B-7 of this code is also prohibited from being in a supervisory position, playing a supervisory role, or being responsible for groups of children, including, but not limited to, religious organizations, Boy Scouts, Girl Scouts, 4H organizations, sporting and scholastic teams, music, sporting, and theatre groups and camps, and summer day camps.

(e) Any person sentenced to a period of supervised release pursuant to the provisions of this section shall be supervised by a

multi-judicial circuit probation officer, if available. Until a multi-judicial circuit probation officer is available, the offender shall be supervised by the probation office of the sentencing court or of the circuit in which he or she resides.

(2) Extend a period of supervised release if less than the maximum authorized period was previously imposed or modify, reduce, or enlarge the conditions of supervised release, at any time prior to the expiration or termination of the term of supervised release, consistent with the provisions of the West Virginia Rules of Criminal Procedure relating to the modification of probation and the provisions applicable to the initial setting of the terms and conditions of post-release supervision;

(3) Revoke a term of supervised release and require the defendant to serve in prison all or part of the term of supervised

release without credit for time previously served on supervised release if the court, pursuant to the West Virginia Rules of Criminal Procedure applicable to revocation of probation, finds by clear and convincing evidence that the defendant violated a condition of supervised release, except that a defendant whose term is revoked under this subdivision may not be required to serve more than the period of supervised release; or

(4) Order the defendant to remain at his or her place of residence during nonworking hours and, if the court directs, to have compliance monitored by telephone or electronic signaling devices, except that an order under this subdivision may be imposed only as an alternative to incarceration.

(i) *Written statement of conditions.* — The court shall direct that the probation officer provide the defendant with a written statement at the defendant's sentencing hearing that sets forth all the conditions to which the term of supervised release is subject and that it is sufficiently clear and specific to serve as a guide for the defendant's conduct and for such supervision as is required.

(j) *Supervised release following revocation.* — When a term of supervised release is revoked and the defendant is required to serve a term of imprisonment that is less than the maximum term of supervised release authorized under §62-12-26(a) of this code, the court may include a requirement that the defendant be placed on a term of supervised release after imprisonment. The length of the term of supervised release shall not exceed the term of supervised release authorized by this section less any term of imprisonment that was imposed upon revocation of supervised release.

(k) *Delayed revocation.* — The power of the court to revoke a term of supervised release for violation of a condition of supervised release and to order the defendant to serve a term of imprisonment and, subject to the limitations in §62-12-26(j) of this code, a further term of supervised release extends beyond the expiration of the term of supervised release for any period necessary for the adjudication of matters arising before its expiration if, before its expiration, a warrant or summons has been issued on the basis of an allegation of a violation.

AN ACT to amend and reenact §49-4-712 of the Code of West Virginia, 1931, as amended; and to amend said code by adding thereto nine new sections, designated §49-4-727, §49-4-728, §49-4-729, §49-4-730, §49-4-731, §49-4-732, §49-4-733, §49-4-734, and §49-4-735, all relating to juvenile competency proceedings generally; creating a process to raise and resolve questions of a competency in juvenile delinquency matters; prohibiting a juvenile found to be incompetent to stand trial to be placed in Bureau of Juvenile Services facility; defining terms; creating a rebuttable presumption that juveniles 14 years of age and older are competent to proceed; creating a rebuttable presumption that juveniles under 14 years of age are incompetent to proceed; providing all proceedings stayed until competency resolved; requiring the appointment of a guardian ad litem when the issue of a juvenile's competency is raised or a rebuttable presumption of incompetency exists; establishing qualifications for qualified forensic evaluators; requiring written competency evaluation report; requesting the Supreme Court to establish a training program for guardians ad litem; establishing time frames for jurisdiction and competency attainment services; establishing procedures for competency hearings; and providing disposition alternatives for incompetent juveniles and staying transfer to criminal jurisdiction.

*Be it enacted by the Legislature of West Virginia:*

#### **ARTICLE 4. COURT ACTIONS.**

**§49-4-712. Intervention and services by the department pursuant to initial disposition for status offenders or**

**juvenile found incompetent to stand trial; enforcement; further disposition; detention; out-of-home placement; department custody; least restrictive alternative; appeal; prohibiting placement of status offenders or a juvenile found incompetent to stand trial in a Bureau of Juvenile Services facility.**

(a) Services provided by the department to juveniles adjudicated as status offenders shall be consistent with §49-2-1001 *et seq.* of this code. Services provided by the department for juveniles adjudicated as status offenders pursuant to §49-4-711 of this code and juveniles found to be incompetent to proceed and in need of services pursuant to §49-4-734(b)(2) of this code shall be designed to develop skills and supports within families and to resolve problems related to the juveniles or conflicts within their families. Services may include, but are not limited to, referral of juveniles and parents, guardians, or custodians and other family members to services for psychiatric or other medical care, or psychological, welfare, legal, educational, or other social services, as appropriate to the needs of the juvenile and his or her family.

(b) If the juvenile, or his or her parent, guardian, or custodian, fails to comply with the services provided in subsection (a) of this section, the department may petition the circuit court:

(1) For a valid court order, as defined in §49-1-207 of this code, to enforce compliance with a service plan or to restrain actions that interfere with or defeat a service plan; or

(2) For a valid court order to place a juvenile out of home in a nonsecure or staff-secure setting, and/or to place a juvenile in custody of the department: *Provided*, That a juvenile adjudicated as a status offender may not be placed in an out-of-home placement, excluding placements made for abuse and neglect, if that juvenile has had no prior adjudications for a status or delinquency offense, or no prior disposition to a pre-adjudicatory improvement period or probation for the current matter: *Provided, however*, That if the court finds by clear and convincing evidence the existence of a significant and likely risk of harm to the juvenile, a family member, or the public and continued placement in the

home is contrary to the best interests of the juvenile, the juvenile may be ordered to an out-of-home placement: *Provided further*, That the court finds the department has made all reasonable efforts to prevent removal of the juvenile from his or her home, or that such reasonable efforts are not required due to an emergent situation.

(c) In ordering any further disposition under this section, the court is not limited to the relief sought in the department's petition and shall make reasonable efforts to prevent removal of the juvenile from his or her home or, as an alternative, to place the juvenile in a community-based facility which is the least restrictive alternative appropriate to the needs of the juvenile and the community. The disposition may include reasonable and relevant orders to the parents, guardians, or custodians of the juvenile that are necessary and proper to effectuate the disposition.

(d) (1) If the court finds that placement in a residential facility is necessary to provide the services under subsection (a) of this section, except as prohibited by subdivision (2), subsection (b) of this section, the court shall make findings of fact as to the necessity of this placement, stated on the record or reduced to writing and filed with the record or incorporated into the order of the court.

(2) The findings of fact shall include the factors that indicate:

(A) The likely effectiveness of placement in a residential facility for the juvenile; and

(B) The community services which were previously attempted.

(e) The disposition of the juvenile may not be affected by the fact that the juvenile demanded a trial by jury or made a plea of not guilty. Any order providing disposition other than mandatory referral to the department for services is subject to appeal to the Supreme Court of Appeals.

(f) Following any further disposition by the court, the court shall inquire of the juvenile whether or not appeal is desired and the response shall be transcribed; a negative response may not be construed as a waiver. The evidence shall be transcribed as soon as

practicable and made available to the juvenile or his or her counsel if it is requested for purposes of further proceedings. A judge may grant a stay of execution pending further proceedings.

(g) A juvenile adjudicated solely as a status offender or a juvenile found to be incompetent to proceed may not be placed in a Bureau of Juvenile Services facility.

#### **§49-4-727. Juvenile competency proceedings.**

(a) Subject to the provisions of subsection (c) of this section, a juvenile's attorney, the prosecuting attorney, or the court may raise the issue of his or her competency to participate in the proceeding any time during proceedings under this article. Once competency is raised, all proceedings unrelated to competency shall be stayed until the issue of competency is resolved. A juvenile presumed incompetent under subsection (c) of this section shall not be adjudicated unless the presumption of incompetency has been rebutted as provided in subsections (b) and (c) of this section.

(b) In any delinquency proceeding pursuant to this article, a juvenile 14 years or older is presumed to be competent. A juvenile has the burden of proof to rebut this presumption by showing incompetency by a preponderance of the evidence.

(c) In any delinquency proceeding pursuant to this article, if the juvenile is under 14 years of age, there exists a rebuttable presumption that he or she is incompetent to proceed beyond the stage of the proceeding resolving the issue of competency, unless judicially determined to be competent pursuant to the procedures set forth in §49-4-728 through §49-4-734 of this code. The state has the burden of proof to rebut this presumption by showing competency by a preponderance of the evidence.

(d) Regardless of the age of the juvenile, the court may dismiss the petition without ordering a competency evaluation or competency hearing if the prosecuting attorney, the juvenile's attorney, and the guardian ad litem, if previously appointed, agree that there is compelling evidence that the juvenile is not competent to participate in the proceedings: *Provided*, That a court may not

order services authorized by §49-4-733 of this code without a competency evaluation.

(e) If and when the issue of a juvenile's competency is raised under subsection (a) of this section or, a rebuttable presumption of incompetency exists under subsection (c) of this section, the court shall appoint a guardian ad litem for the juvenile. The Supreme Court of Appeals is requested to establish a training program for persons acting as guardians ad litem in juvenile competency matters.

#### **§49-4-728. Definitions for juvenile competency proceedings.**

As used in §49-4-727 through §49-4-734 of this code:

“Competent” and “competency” refer to whether or not a juvenile has sufficient present ability to consult with his or her lawyer with a reasonable degree of rational understanding and has a rational as well as factual understanding of the proceedings against him or her. (a) When the prosecuting attorney, the juvenile’s attorney, or the guardian ad litem has reasonable basis to believe that:

(1) A juvenile age 14 or older is incompetent to proceed in the delinquency action, that party shall file a motion for a determination of competency. The motion shall state any known facts to the movant of in support thereof. If the court raises the issue sua sponte, it shall, by written order, set forth the basis for ordering a competency evaluation.

(2) A juvenile under the age of 14 is competent to proceed in the delinquency action, the prosecuting attorney shall file a motion for determination of competency. The motion shall state the basis to believe the juvenile is competent to proceed despite the presumption of incompetency due to age and shall state any known facts to the prosecuting attorney in support of the motion. If the court raises the issue sua sponte, the court by written order shall set forth the factual basis supporting the finding that the juvenile is competent to proceed.

(b) Within 10 judicial days after a motion is made, the court shall make one of the following determinations regardless of which presumption applies:

(1) Find that there is compelling evidence that the juvenile is not competent to participate in the proceedings and dismiss the case pursuant to §49-4-727(d) of this code;

(2) Without conducting a hearing, find that there exists a reasonable basis to conduct a competency evaluation; or

(3) Schedule a hearing to determine whether there exists a reasonable basis to conduct a competency evaluation. The hearing shall be held within 30 judicial days. The court's determination shall be announced no later than three judicial days after the conclusion of the hearing.

(c) If the court determines there is a reasonable basis to order a competency evaluation pursuant to §49-4-731 of this code, or if the prosecutor and the juvenile's attorney agree to the evaluation, the court shall order a competency evaluation. If the court orders a competency evaluation, the court shall order that the competency evaluation be conducted in the least restrictive environment, taking into account the public safety and the best interests of the juvenile.

(1) Notwithstanding any other provisions of this code, the court shall provide in its order that the qualified forensic evaluator shall have access to all relevant confidential and public records related to the juvenile, including competency evaluations and reports conducted in prior delinquent proceedings. The court shall provide to the qualified forensic evaluator a copy of the petition and the names and contact information for the judge, prosecutor, juvenile's attorney, and parents or legal guardians.

(2) Within five judicial days after the court orders an evaluation, the prosecutor shall deliver to the evaluator copies of relevant police reports and other background information relevant to the juvenile that are in the prosecutor's possession.

(3) Within five judicial days after the court orders an evaluation, the juvenile's attorney shall deliver to the qualified

forensic evaluator copies of police reports and other records including, but not limited to, educational, medical, psychological, and neurological records that are relevant to the evaluation and that are in the attorney's possession. Upon good cause shown, the court may extend the time frame to deliver these documents noting that time is of the essence.

**§49-4-730. Juvenile competency qualified forensic evaluator; qualifications.**

An evaluation ordered by the court shall be conducted by a qualified forensic evaluator.

(1) A qualified forensic evaluator shall have education and training in the following areas:

(A) Forensic evaluation procedures for juveniles, including accepted criteria used in evaluating competency;

(B) Evaluation, diagnosis, and treatment of children and adolescents with developmental disability, developmental immaturity, intellectual disability, or mental illness;

**§49-4-731. Juvenile competency evaluation.**

(a) The qualified forensic evaluator shall file with the court a written competency evaluation report within 30 days after the date of entry of the order requiring the juvenile to be evaluated and appointing the qualified forensic evaluator. For good cause shown, the court may extend the time for filing for a period not to exceed an additional 30 days. The report shall include the evaluator's

opinion as to whether or not a juvenile, due to developmental disability, intellectual disability, or mental illness, has sufficient present ability to consult with his or her lawyer with a reasonable degree of rational understanding and whether the juvenile has a rational as well as factual understanding of the proceedings against him or her. The report shall not include the evaluator's opinion as to whether the juvenile committed the alleged offense or recite or reference any self-incriminating or inculpatory statements as reported by the juvenile. A self-incrimination or inculpatory statement made by a juvenile during an evaluation or hearing conducted pursuant to this article shall not be admissible on the issue of responsibility or guilt in subsequent court proceedings, including adjudication and disposition or transfer hearings.

(b) A competency evaluation report shall include:

(1) A statement of the procedures used, including psychometric tests administered, records reviewed, and the identity of persons interviewed;

(2) Pertinent background information, including a history of educational performance, psychiatric or psychological history, developmental and family history;

(1) Whether the juvenile has a developmental disability, intellectual disability, or mental illness;

(2) Whether the juvenile has sufficient present ability to consult with his or her lawyer with a reasonable degree of rational understanding;

(3) Whether a juvenile has a rational as well as factual understanding of the proceedings against him or her; and

(4) Whether the juvenile can attain competency in the foreseeable future if provided with a course of treatment, therapy, or training.

(d) If the qualified forensic evaluator determines that the juvenile is incompetent, but that there is a reasonable probability that he or she can attain competency within the periods set forth in §49-4-733(c)(3) of this code, the report shall include the following recommendations:

(1) A recommendation as to the treatment or therapy; and

(2) The least restrictive setting for juvenile competency attainment services consistent with the juvenile's ability to attain competency and the safety of both the juvenile and the public.

(e) The court shall provide a copy of each competency evaluation report it receives to the prosecutor, the juvenile's attorney, and guardian ad litem and may provide a copy upon request to the juvenile's parents or legal guardian.

(f) The department shall pay qualified forensic evaluators for all matters related to conducting a court-ordered competency evaluation. The department shall develop and implement a process for prompt payment of qualified forensic evaluators including a rate schedule. The amount of payment for court-ordered evaluations shall reasonably compensate qualified forensic evaluators for the work performed in a particular case.

**§49-4-732. Hearing to determine juvenile's competency to participate in the proceedings.**

(a) Not more than 15 judicial days after receiving the evaluator's report, the court shall conduct a hearing to determine

the juvenile's competency to participate in the proceedings. The court may continue the hearing for good cause shown.

(b) The competency evaluation report is admissible as evidence in the competency proceedings. The qualified forensic evaluator may be called as a witness and is subject to cross examination by all parties. If authorized by the court, hearings held pursuant to this section may be conducted by or participated in using teleconference or video conference technology. If the court contacts the qualified forensic evaluator to obtain clarification of the report contents, the court shall promptly inform all parties and allow each party to participate in each contact.

(c) In determining the competency of the juvenile to participate in the proceedings, the court shall consider the content of all competency evaluation reports admitted as evidence. The court may consider additional evidence introduced at the hearing by the prosecuting attorney, the juvenile's attorney, or guardian ad litem.

(d) (1) Except as otherwise provided, the court shall make a written determination as to the juvenile's competency based on a preponderance of the evidence within 10 judicial days after completion of the hearing. The applicable burden of proof shall be as set forth in §49-4-727 of this code.

(2) The court shall not find a juvenile competent to proceed solely because the juvenile is receiving or has received in-patient treatment or is receiving or has received psychotropic or other medication, even if the juvenile might become incompetent to proceed without that medication.

**§49-4-733. Procedure after determination of juvenile's competency to participate in the proceedings.**

(a) After a hearing pursuant to §49-4-732 of this code, if the court determines by a preponderance of the evidence that the juvenile is competent to proceed despite any presumption that may have applied, the delinquency proceedings shall resume as provided by law.

(b) If the court determines by a preponderance of the evidence that a juvenile is incompetent to proceed, but is likely to attain competency within a reasonable time with services, the court shall stay the proceedings and order the juvenile to receive services designated to assist the juvenile in attaining competency, based upon the recommendations in the competency evaluation report, unless the court makes specific findings that the recommended services are not justified. The court shall order the juvenile's parent or legal guardian to contact a court-designated provider by a specified date to arrange for services.

(1) The competency attainment services provided to a juvenile shall be based on the recommendations contained in the qualified forensic evaluator's report described in §49-4-731(d) of this code, and are subject to the conditions and time periods required pursuant to this section measured from the date the court approves the plan.

(2) The court shall order that the competency attainment services ordered are provided in the least restrictive environment, taking into account the public safety and the best interests of the juvenile. If the juvenile has been released on temporary orders and refuses or fails to cooperate with the service provider, the court may modify the orders to require a more appropriate setting for further services. A juvenile may not be placed in a Bureau of Juvenile Services facility to receive competency attainment services. Additionally, a juvenile presumed incompetent under §49-4-727(c) of this code shall not be placed in a Bureau of Juvenile Services facility, except in compliance with §49-4-705 and §49-4-706 of this code, and corresponding Rules of Juvenile Procedure as adopted by the Supreme Court of Appeals of West Virginia.

(3) A juvenile shall not be required to participate in competency attainment services for longer than is necessary to attain competency or after the court determines that there is no reasonable likelihood that competency can be attained. The following maximum time limits apply to the participation of a juvenile:

(A) A juvenile charged with an act which would constitute a misdemeanor or nonviolent felony if committed by an adult shall not be required to participate in competency attainment services beyond his or her 19th birthday and there shall be a rebuttable presumption that competency is not attainable if the juvenile has not attained competency after 90 days of services.

(B) A juvenile charged with an act which would constitute a felony crime of violence if committed by an adult shall not be required to participate in competency attainment services beyond his or her 21st birthday and there shall be a rebuttable presumption that competency is not attainable if the juvenile has not attained competency after 180 days of services.

(4) Not later than 10 judicial days after the court orders competency attainment services, the department shall identify the appropriate entity and location to provide those services.

(5) Within 10 judicial days after the department identifies the appropriate entity and location, the provider responsible for the juvenile's competency attainment services shall commence. The court shall deliver to that provider:

(A) The name and address of the juvenile's counsel;

(B) A copy of the juvenile's petition;

(C) A copy of the competency evaluation report;

(D) The name, address, and phone number of the juvenile's parents or legal guardian;

(E) The name of the department's caseworker, if any; and

(F) Any other relevant documents or reports concerning the juvenile's health that have come to the attention of the court.

(c) The court shall order and conduct review hearings no less often than every 90 days as determined appropriate by the court. The multidisciplinary team shall meet prior to any review hearing and provide a written status report to the court prior to the hearing.

Unless sooner ordered by the court, the qualified forensic evaluator shall submit a report to the court prior to any review hearing, and upon completion or termination of services, and shall include the following:

(1) The services provided to the juvenile, including medication, education, and counseling;

(2) The likelihood that the competency of the juvenile to proceed will be restored within the applicable period of time set forth in subdivision (3), subsection (b) of this section; and

(3) The progress made toward the goals and objectives for the restoration of competency identified in the recommendations from the competency evaluation adopted by the court.

(d) The provider responsible for the juvenile's competency attainment services shall report to the court within three judicial days if he or she determines that:

(1) The juvenile is failing to cooperate, and the lack of cooperation is significantly impeding or precluding the attainment of competency; or

(2) The current setting is no longer the least restrictive setting that is consistent with the juvenile's ability to attain competency taking into account public safety and the best interests of the juvenile. The provider shall include in the report an assessment of the danger the juvenile poses to himself, herself or others and an assessment of the appropriateness of the placement.

(e) The provider responsible for the juvenile's competency attainment services shall request a subsequent evaluation when the provider has reason to believe:

(1) The juvenile has achieved the goals of the plan and would be able to understand the nature and objectives of the proceedings against him or her, to assist in his or her defense, and to understand and appreciate the consequences that may be imposed or result from the proceedings with or without reasonable accommodations; and

(2) The juvenile will not achieve the goals of the plan within the applicable period of time pursuant to subdivision (3), subsection (b) of this section.

(f) The evaluator shall assess the observation of the provider and provide a written report to the court within 10 days of receiving a report from the provider pursuant to subsection (e) of this section.

(g) The court shall provide copies of any report made by the provider to the prosecuting attorney, the juvenile's attorney, the juvenile's case worker, and the juvenile's guardian ad litem, if any. The court shall provide copies of any reports made by the provider to the juvenile's parents or legal guardians, unless the court finds that doing so is not in the best interest of the juvenile.

(h) Within 15 judicial days after receiving an evaluator's report, the court may hold a hearing to determine if new, additional, or further orders are necessary.

(i) If the court determines that the juvenile is not making progress toward competency or is so uncooperative that attainment services cannot be effective, the court may order a change in setting or services that would help the juvenile attain competency within the relevant period of time as set forth in subdivision (3), subsection (b) of this section.

#### **§49-4-734. Disposition alternatives for incompetent juveniles.**

(a) If the court determines that the juvenile has attained competency, the court shall proceed with the delinquent juvenile's proceeding in accordance with this article.

(b) After a hearing pursuant to §49-4-732 of this code, if the court determines by the preponderance of the evidence that the juvenile is incompetent to proceed and cannot attain competency within the period of time set forth in §49-4-733(b)(3) of this code, the court may dismiss the petition without prejudice, or may take the following actions or any combination thereof the court determines to be in the juvenile's best interest and the interest of protecting the public:

(1) Refer the matter to the department and request a determination on whether a child abuse or neglect petition, pursuant to §49-4-601 *et seq.* of this code, should be filed;

(2) Refer the juvenile to the department for services pursuant to §49-4-712 of this code. Services may include, but are not limited to, referral of the juvenile and his or her parents, guardians, or custodians and other family members to services for psychiatric or other medical care, or psychological, welfare, legal, education, or other social services, as appropriate to the needs of the juvenile and his or her family;

(3) Place the juvenile in the custody of his or her parents or other suitable person or private or public institution or agency under terms and conditions as determined to be in the best interests of the juvenile and the public, which conditions may include the provision of out-patient services by any suitable public or private agency; or

(4) Upon motion by the prosecuting attorney, stay the proceeding for no more than 20 days to allow the prosecuting attorney to initiate proceedings for civil commitment pursuant to §27-5-1 *et seq.* of this code if the juvenile has attained majority.

(c) A circuit court may, sua sponte or upon a motion by any party direct that a dangerous assessment be performed prior to directing the resolutions set forth in subsection (b) of this section.

#### **§49-4-735. Stay of transfer to criminal jurisdiction.**

If a juvenile is presumed incompetent under §49-4-727(c) of this code, or if the issue of the juvenile's competency to participate in the proceedings is raised at any time during the proceedings for a juvenile presumed competent under §49-4-727(b) of this code, the procedures outlined in §49-4-727 through §49-4-734 of this code shall be used to determine the juvenile's competency and if appropriate, restore the juvenile's competency regardless of whether the case is to proceed under the court's juvenile jurisdiction or transfer to adult criminal jurisdiction pursuant to §49-4-710 of this code and corresponding Rules of Juvenile Procedure adopted by the Supreme Court of Appeals of West Virginia.

AN ACT to amend and reenact §49-2-111a of the Code of West Virginia, 1931, as amended, relating to the department's obligations to enter into performance-based contracts with child-placing agencies; extending a deadline; and exempting the contract from purchasing.

*Be it enacted by the Legislature of West Virginia:*

### **ARTICLE 2. STATE RESPONSIBILITIES FOR CHILDREN**

#### **§49-2-111a. Performance based contracting for child placing agencies.**

(a) For purposes of this section:

(1) "Child" means:

(A) A person of less than 18 years of age; or

(B) A person 18 to 21 years of age who is eligible to receive the extended foster care services.

(2) "Child-placing agency" means an agency licensed by the department to place a child in a foster care home.

(3) "Department" means the Department of Health and Human Resources.

(4) “Evidence-based” means a program or practice that is cost-effective and includes at least two randomized or statistically controlled evaluations that have demonstrated improved outcomes for its intended population.

(5) “Performance-based contracting” means structuring all aspects of the service contract around the purpose of the work to be performed and the desired results with the contract requirements set forth in clear, specific, and objective terms with measurable outcomes and linking payment for services to contractor performance.

(6) “Promising practice” means a practice that presents, based upon preliminary information, potential for becoming a research-based or consensus-based practice.

(7) “Research-based” means a program or practice that has some research demonstrating effectiveness, but that does not yet meet the standard of evidence-based practices.

(b) No later than July 1, 2021, the department shall enter into performance-based contracts with child placing agencies.

(c) The department shall actively consult with other state agencies and other entities with expertise in performance-based contracting with child placing agencies to develop the requirements of the performance-based contract.

(d) The performance-based contract shall be developed and implemented in a manner that complies with applicable provisions of this code. Contracts for child placing agencies are exempt from §5A-3-1 of this code.

(e) The resulting contracts shall include, but are not limited to, the following:

(1) Adequate capacity to meet the anticipated service needs in the contracted service area of the child placing agency;

(2) The use of evidence-based, research-based, and promising practices, where appropriate, including fidelity and quality assurance provisions;

(3) Child placing agency data reporting, including data on performance and service outcomes, including, but not limited to:

(A) Safety outcomes;

(B) Permanency outcomes;

(C) Well-being outcomes;

(D) Incentives earned;

(E) Placement of older children;

(F) Placement of children with special needs; and

(G) Recruitment and retention of foster parents; and

(4) A hold harmless period to determine a baseline for evaluation.

(f) Performance-based payment methodologies must be used in child placing agency contracting. Performance measures should relate to successful engagement by a child or parent in services included in their case plan, and resulting improvement in identified problem behaviors and interactions. For the first year of implementation of performance-based contracting, the department may transfer financial risk for the provision of services to the child placing agency only to the limited extent necessary to implement a performance-based payment methodology, such as phased payment for services. However, the department may develop a shared savings methodology through which the child placing agency will receive a defined share of any savings that result from improved performance. If the department receives a Title IV-E waiver, the shared savings methodology must be consistent with the terms of the waiver. If a shared savings methodology is adopted, the child placing agency shall reinvest the savings in

enhanced services to better meet the needs of the families and children they serve.

(g) The department shall actively monitor the child placing agency's compliance with the terms of contracts executed under this section.

(h) The use of performance-based contracts under this section shall be done in a manner that does not adversely affect the state's ability to continue to obtain federal funding for child welfare-related functions currently performed by the state and with consideration of options to further maximize federal funding opportunities and increase flexibility in the use of such funds, including use for preventive and in-home child welfare services.

(i) The department shall pay child placing agencies contracted to provide adoption services to foster families a minimum of \$1,000 per child for each adoption finalized.

(j) The rate of payment to foster parents and child placing agencies shall be reviewed by the department, at a minimum of every two years, to determine whether the level of foster care payments facilitates or hinders the efficient placement of foster children with West Virginia families. The department shall remit payments to foster parents on the same week each month to facilitate foster parents' ability to budget and appropriately expend payments for the benefit of the children in their custody.

(k) The department shall report the performance of the child placing agency to the Legislative Oversight Commission on Health and Human Resources Accountability by December 31, annually.

*Be it enacted by the Legislature of West Virginia:*

### CHAPTER 49. CHILD WELFARE.

#### ARTICLE 5. RECORD KEEPING AND DATABASE.

**§49-5-104. Confidentiality of juvenile records for children who become of age while a ward of the state or who have been transferred to adult criminal jurisdiction; separate and secure location; penalties; damages; accessibility of records for child victims of sex trafficking.**

(a) One year after the juvenile's 18th birthday, or one year after personal or juvenile jurisdiction has terminated, whichever is later, the records of a juvenile proceeding conducted under this chapter, including, but not limited to, law-enforcement files and records, may be kept in a separate secure confidential place and the records may not be inspected except by order of the circuit court.

(b) The records of a juvenile proceeding in which a juvenile was transferred to criminal jurisdiction pursuant to §49-4-710 of this code shall be kept in a separate secure confidential place and the records may not be inspected except by order of the circuit court if the juvenile is subsequently acquitted or found guilty only of an offense other than an offense upon which the waiver or order of transfer was based, or if the offense upon which the waiver or order of transfer was based is subsequently dismissed.

(c) To keep the confidentiality of juvenile records, they shall be returned to the circuit court in which the case was pending and be kept in a separate confidential file. The records shall be physically marked to show that they are to remain confidential and shall be securely kept and filed in a manner so that no one can have access to determine the identity of the juvenile, except upon order of the circuit court.

(d) Marking the juvenile records to show they are to remain confidential has the legal effect of extinguishing the offense as if it never occurred.

(e) The records of a juvenile convicted under the criminal jurisdiction of the circuit court pursuant to §49-4-710(d)(1) of this code may not be marked and kept as confidential.

(f) Any person who willfully violates this section is guilty of a misdemeanor and, upon conviction, shall be fined not more than \$1,000, or confined in jail for not more than six months, or both so fined and confined, and is liable for damages in the amount of \$300 or actual damages, whichever is greater.

(g) Notwithstanding any other provision of this code, the records of a juvenile victim of sex trafficking within the meaning

of §61-14-1 *et seq.* of this code, may be immediately accessible to the juvenile victim upon written request to the circuit court in which a juvenile delinquency case was pending.

##### **§61-14-2. Human trafficking of an individual; aiding and abetting human trafficking; penalties.**

(a) Any person who knowingly and willfully traffics an adult, or who knowingly and willfully aids, assists, or abets in any manner in the trafficking of an adult, is guilty of a felony and, upon conviction, shall be confined in a state correctional facility for not less than three nor more than 15 years, fined not more than \$200,000, or both confined and fined.

(b) Any person who knowingly and willfully traffics a minor, or who knowingly and willfully aids, assists, or abets in any manner in the trafficking of a minor, is guilty of a felony and, upon conviction, shall be confined in a state correctional facility for not less than five nor more than 20 years, fined not more than \$300,000, or both confined and fined.

AN ACT to amend and reenact §46A-5-104 and §46A-5-108 of the Code of West Virginia, 1931, as amended; to amend said code by adding thereto a new section, designated §46A-5-109; to amend and reenact §46A-6-106 of said code; and to amend and reenact §46A-8-101 of said code, all relating generally to the West Virginia Consumer Credit and Protection Act and claims arising thereunder; providing criteria for the court to evaluate reasonable attorney's fees and expense awards to the consumer in an action under the act; providing a unified mechanism for pre-suit notices of violation and offers to cure; providing that a cure offer is not admissible at trial of an action under the act, except that a timely delivered cure offer may be presented in a proceeding before the court, after entry of judgment, to determine attorney's fees, if any; providing that either party in a private action under the act may serve upon the other an offer to settle or for judgment to be entered, establishing a process therefor, and providing that if the offer is rejected, the circumstances under which parties may or may not recover attorney's fees; providing for the award of attorney's fees and expenses in actions under the act upon a judicial determination that a claim or defense presented in the case is frivolous; and providing for an effective date.

*Be it enacted by the Legislature of West Virginia:*

## **ARTICLE 5. CIVIL LIABILITY AND CRIMINAL PENALTIES.**

### **§46A-5-104. Attorney's fees.**

(a) Except as provided in §46A-5-108 and §46A-5-109 of this code, in any cause of action brought under this chapter, the court may award reasonable attorney's fees and expenses to the consumer upon examination of the following factors:

- (1) The time and labor required;
- (2) The novelty and difficulty of the questions;
- (3) The skill requisite to perform the legal service properly;
- (4) Preclusion of other employment by the attorney due to acceptance of the case;
- (5) The customary fee;
- (6) Whether the fee is fixed or contingent;
- (7) Time limitations imposed by the client or the circumstances;
- (8) The amount involved and the amount of the judgment and any nonmonetary relief obtained;
- (9) The experience, reputation, and ability of the attorneys;
- (10) The undesirability of the case;
- (11) The nature and length of the professional relationship with the client; and
- (12) Awards in similar cases.

(b) Upon a finding by the court that a claim brought under this chapter was brought in bad faith and for the purposes of harassment, the court may award reasonable attorney's fees and expenses to the defendant under an analysis of the factors set forth in subsection (a) of this section.

**§46A-5-108. Right to cure.**

(a) An action may not be brought pursuant to this article and §46A-2-1 *et seq.*, §46A-3-1 *et seq.*, §46A-4-1 *et seq.*, and §46A-6-1 *et seq.* of this code until 45 days after the consumer has informed the creditor, debt collector, seller, or lessor in writing and by certified mail, return receipt requested, to the creditor's, debt collector's, seller's, or lessor's registered agent identified by the creditor, debt collector, seller, or lessor at the Office of the West Virginia Secretary of State or, if not registered with the West Virginia Secretary of State, then to the creditor's, debt collector's, seller's, or lessor's principal place of business, of the alleged violation and the factual basis for the violation. Upon receiving the notice of alleged violation, the creditor, debt collector, seller, or lessor 45 days from receipt by the agent or at the principal place of business referenced in this subsection of the notice of violation but 20 days in the case a cause of action has already been filed to make a cure offer, which shall be provided to the consumer's counsel or, if unrepresented, to the consumer by certified mail, return receipt requested: *Provided*, That the consumer has 20 days from receipt of the cure offer to accept the cure offer or it is deemed refused and withdrawn. When a claim under the provisions set forth in §46A-1-101 of this code is presented as a counterclaim, cross-claim, or third-party claim, the notice of right to cure shall be served with the counterclaim, cross-claim, or third-party claim in any manner permitted by the Rules of Civil Procedure.

(b) If a cure offer is accepted, the creditor, debt collector, seller, or lessor has 20 days to begin effectuating the agreed upon cure and the cure must be completed within a reasonable time.

(c) Any applicable statute of limitations is tolled for the 45-day period set forth in subsection (a) of this section or for the period the effectuation of the cure offer is being performed, whichever is longer.

(d) Nothing in this section prevents a consumer that has accepted a cure offer from bringing a civil action against a creditor, debt collector, seller, or lessor for failing to timely effect the cure offer.

(e) Where an action is brought under this article or §46A-2-1 *et seq.*, §46A-3-1 *et seq.*, §46A-4-1 *et seq.*, and §46A-6-1 *et seq.* of this code, it is a complete defense that a cure offer was made, accepted, and the agreed upon cure was performed. If the court determines that the cure offer was accepted and the agreed upon cure performed, the creditor, debt collector, seller, or lessor is entitled to reasonable attorney's fees and costs attendant to defending the action.

(f) A cure offer is not admissible in any proceeding initiated pursuant to the provisions of this article, except that if the cure offer is timely delivered by the creditor, debt collector, seller, or lessor, then the cure offer may be introduced in a proceeding before the court to determine an award of attorney's fees and expenses, if any, following entry of a judgment. The creditor, debt collector, seller, or lessor is not liable for the consumer's attorney's fees and court costs incurred following delivery of the cure offer unless the actual damages, civil penalties, and any other monetary or equitable relief provided for under this article and §46A-2-1 *et seq.*, §46A-3-1 *et seq.*, §46A-4-1 *et seq.*, and §46A-6-1 *et seq.* of this code are found to have been sustained and awarded, without consideration of attorney's fees and court costs, exceed the value of the cure offer.

**§46A-5-109. Offers to settle or of judgment; damages for frivolous claims or defenses.**

(a) In a private cause of action under this chapter, at any time more than 30 days after the service of a summons and complaint on a party but not less than 30 days (or 20 days if it is a counteroffer) before trial, either party may serve upon the other party, but shall not file with the court, a written offer to settle a claim under this chapter for the money specified in the offer and to enter into an agreement dismissing the claim or to allow judgment to be entered accordingly. An offer must:

(1) Be in writing and state that it is being made pursuant to this section;

(2) Identify the party or parties making the proposal and the party or parties to whom the proposal is being made;

(3) Identify with specificity the claim or claims the proposal is attempting to resolve;

(4) State with particularity any relevant conditions;

(5) State the total amount of the proposal and, if it includes attorney's fees and expenses, specify the amount offered for the fees and expenses provided that counsel for the plaintiff has provided an estimate of fees and costs to counsel for the defendant upon request;

(6) Include a certificate of service and be served by certified mail, return receipt requested, postage prepaid or by overnight delivery using a nationally recognized carrier.

(b) If a defendant makes an offer under this section which is rejected by the plaintiff, the plaintiff is not entitled to recover attorney's fees or expenses from the date of the offer through the entry of judgment if the final judgment is one of no liability or if the final judgment obtained by the plaintiff, exclusive of attorney's fees and expenses, but inclusive of actual damages, civil penalties, and any other monetary or equitable relief provided for under this chapter, is less than 75 percent of the offer: *Provided*, That if the amount of attorney's fees and expenses were not separately specified in an offer of settlement or judgment, the court may consider any award of attorney's fees and costs earned through the date of the offer in determining whether the total award exceeds 75 percent of the offer. If the judgment entered does not exceed 75 percent of the offer, the defendant may petition the court for reasonable fees and expenses incurred from the date of the offer to the entry of final judgment. Upon petition, the court may award reasonable fees and expenses if it finds that the plaintiff acted without substantial justification or without good faith in rejecting the defendant's offer. If attorney's fees and expenses were specified in the offer, the court may consider whether the defendant's offer concerning plaintiff's attorney's fees and expenses was made in bad faith when determining either party's petition for fees and expenses.

(c) Any offer made under this section shall remain open for 14 days unless sooner withdrawn by a writing served on the offeree prior to acceptance by the offeree. A counteroffer shall be considered a rejection but may serve as an offer under subsection (a) of this section if it is denominated as an offer and meets the requirements of subsection (a) of this section. Acceptance or rejection of the offer by the offeree must be in writing and served upon the offeror. An offer that is neither withdrawn nor accepted within 14 days shall be considered rejected. The fact that an offer is made but not accepted does not preclude no more than two amended offers. If an offer is made or amended under this section, all prior offers made by that party, including any cure offer made under §46A-5-108 of this code, are null and void. Evidence of an offer is not admissible except in proceedings to enforce a settlement or to determine reasonable attorney's fees and expenses under this section.

(d) If an appeal is taken from the judgment, the court shall order payment of reasonable attorney's fees and expenses of litigation only upon order affirming the judgment, or in which the person or entity seeking attorney's fees and expenses otherwise substantially prevail on appeal.

(e) Upon motion by the prevailing party at the time that the verdict or judgment is rendered, the moving party may request that the court determine whether the opposing party presented a frivolous claim or defense. In that event, the court shall hold a separate bifurcated hearing in which the court shall make a determination of whether the frivolous claims or defenses were asserted and to award damages, if any, against the party presenting the frivolous claims or defenses. Under this subsection:

(1) Frivolous claims shall include, but are not limited to, the following:

(A) A claim, defense, or other position that lacks substantial justification or that is not made in good faith or that is made with malice or a wrongful purpose;

(B) A claim, defense, or other position with respect to which there existed such a complete absence of any justiciable issue of law or fact that it could not be reasonably believed that a court would accept the asserted claim, defense, or other position; and/or

(C) A claim, defense, or other position that was interposed for delay or harassment;

(2) Damages awarded may include reasonable attorney's fees and expenses of litigation.

## **ARTICLE 6. GENERAL CONSUMER PROTECTION.**

### **§46A-6-106. Private causes of action.**

(a) Subject to subsection (b) of this section, any person who purchases or leases goods or services and thereby suffers an ascertainable loss of money or property, real or personal, as a result of the use or employment by another person of a method, act, or practice prohibited or declared to be unlawful by the provisions of this article may bring an action in the circuit court of the county in which the seller or lessor resides or has his or her principal place of business or is doing business, or as provided for in §46A-1-1 and §46A-1-2 of this code, to recover actual damages or \$200, whichever is greater. The court may, in its discretion, provide such equitable relief it considers necessary or proper. Any party to an action for damages under this subsection has the right to demand a jury trial.

(b) An award of damages in an action pursuant to subsection (a) of this section may not be made without proof that the person seeking damages suffered an actual out-of-pocket loss that was proximately caused by a violation of this article. If a person seeking to recover damages for a violation of this article alleges that an affirmative misrepresentation is the basis for his or her claim then he or she must prove that the deceptive act or practice caused him or her to enter into the transaction that resulted in his or her damages. If a person seeking to recover damages for a violation of this article alleges that the concealment or omission of information is the basis for his or her claim, then he or she must prove that the person's loss was proximately caused by the concealment or omission.

(c) Any permanent injunction, judgment, or order of the court under §46A-7-108 of this code for a violation of §46A-6-104 of this code is prima facie evidence in an action brought pursuant to the provisions of this section that the respondent used or employed a method, act, or practice declared unlawful by §46A-6-104 of this code.

## **ARTICLE 8. OPERATIVE DATE AND PROVISIONS FOR TRANSITION.**

### **\*§46A-8-101. Time of becoming operative; provisions for transition; enforceability of prior transactions; applicability and effective dates of amendments.**

(a) Except as otherwise provided in this section, this chapter became operative at 12:01 a.m. on September 1, 1974.

(b) Notwithstanding the provisions of subsection (a) of this section, in order to allow sufficient time to prepare for the implementation and operation of this chapter and to act on applications for licenses to make regulated consumer loans under this chapter, as amended, the provisions of §46A-4-1 *et seq.* of this code relating to regulated consumer lenders, and the provisions of §46A-7-4 of this code relating to their administration, shall, to the extent necessary, become operative for such purposes at 12:01 a.m. on September 1, 1996.

(3) All consumer credit transactions made before this chapter becomes operative insofar as this chapter limits the remedies of creditors.

#### **§60A-9-5. Confidentiality; limited access to records; period of retention; no civil liability for required reporting.**

(a)(1) The information required by this article to be kept by the Board of Pharmacy is confidential and not subject to the provisions of §29B-1-1 *et seq.* of this code or obtainable as discovery in civil matters absent a court order and is open to inspection only by inspectors and agents of the Board of Pharmacy, members of the West Virginia State Police expressly authorized by the Superintendent of the West Virginia State Police to have access to the information, authorized agents of local law-enforcement agencies as members of a federally affiliated drug task force, authorized agents of the federal Drug Enforcement Administration, duly authorized agents of the Bureau for Medical Services, duly authorized agents of the Office of the Chief Medical Examiner for

All law-enforcement personnel who have access to the Controlled Substances Monitoring Program Database shall be granted access in accordance with applicable state laws and the Board of Pharmacy's rules, shall be certified as a West Virginia law-enforcement officer and shall have successfully completed training approved by the Board of Pharmacy. All information released by the Board of Pharmacy must be related to a specific patient or a specific individual or entity under investigation by any of the above parties except that practitioners who prescribe or dispense controlled substances may request specific data related to their Drug Enforcement Administration controlled substance registration number or for the purpose of providing treatment to a patient: *Provided*, That the West Virginia Controlled Substances Monitoring Program Database Review Committee established in §60A-9-5(b) of this code is authorized to query the database to comply with §60A-9-5(b) of this code.

(2) Subject to the provisions of §60A-9-5(a)(1) of this code, the Board of Pharmacy shall also review the West Virginia Controlled Substances Monitoring Program Database and issue reports that

identify abnormal or unusual practices of patients and practitioners with prescriptive authority who exceed parameters as determined by the advisory committee established in this section. The Board of Pharmacy shall communicate with practitioners and dispensers to more effectively manage the medications of their patients in the manner recommended by the advisory committee. All other reports produced by the Board of Pharmacy shall be kept confidential. The Board of Pharmacy shall maintain the information required by this article for a period of not less than five years. Notwithstanding any other provisions of this code to the contrary, data obtained under the provisions of this article may be used for compilation of educational, scholarly, or statistical purposes, and may be shared with the West Virginia Department of Health and Human Resources for those purposes, as long as the identities of persons or entities and any personally identifiable information, including protected health information, contained therein shall be redacted, scrubbed, or otherwise irreversibly destroyed in a manner that will preserve the confidential nature of the information. No individual or entity required to report under §60A-9-4 of this code may be subject to a claim for civil damages or other civil relief for the reporting of information to the Board of Pharmacy as required under and in accordance with the provisions of this article.

(3) The Board of Pharmacy shall establish an advisory committee to develop, implement, and recommend parameters to be used in identifying abnormal or unusual usage patterns of patients and practitioners with prescriptive authority in this state. This advisory committee shall:

(A) Consist of the following members: A physician licensed by the West Virginia Board of Medicine; a dentist licensed by the West Virginia Board of Dental Examiners; a physician licensed by the West Virginia Board of Osteopathic Medicine; a licensed physician certified by the American Board of Pain Medicine; a licensed physician board certified in medical oncology recommended by the West Virginia State Medical Association; a licensed physician board certified in palliative care recommended by the West Virginia Center on End of Life Care; a pharmacist licensed by the West Virginia Board of Pharmacy; a licensed

physician member of the West Virginia Academy of Family Physicians; an expert in drug diversion; and such other members as determined by the Board of Pharmacy.

(B) Recommend parameters to identify abnormal or unusual usage patterns of controlled substances for patients in order to prepare reports as requested in accordance with §60A-9-5(a)(2) of this code.

(C) Make recommendations for training, research, and other areas that are determined by the committee to have the potential to reduce inappropriate use of prescription drugs in this state, including, but not limited to, studying issues related to diversion of controlled substances used for the management of opioid addiction.

(D) Monitor the ability of medical services providers, health care facilities, pharmacists, and pharmacies to meet the 24-hour reporting requirement for the Controlled Substances Monitoring Program set forth in §60A-9-3 of this code, and report on the feasibility of requiring real-time reporting.

(E) Establish outreach programs with local law enforcement to provide education to local law enforcement on the requirements and use of the Controlled Substances Monitoring Program Database established in this article.

(b) The Board of Pharmacy shall create a West Virginia Controlled Substances Monitoring Program Database Review Committee of individuals consisting of two prosecuting attorneys from West Virginia counties, two physicians with specialties which require extensive use of controlled substances and a pharmacist who is trained in the use and abuse of controlled substances. The review committee may determine that an additional physician who is an expert in the field under investigation be added to the team when the facts of a case indicate that the additional expertise is required. The review committee, working independently, may query the database based on parameters established by the advisory committee. The review committee may make determinations on a case-by-case basis on specific unusual prescribing or dispensing patterns indicated by outliers in the system or abnormal or unusual

usage patterns of controlled substances by patients which the review committee has reasonable cause to believe necessitates further action by law enforcement or the licensing board having jurisdiction over the practitioners or dispensers under consideration. The licensing board having jurisdiction over the practitioner or dispenser under consideration shall report back to the Board of Pharmacy regarding any findings, investigation, or discipline resulting from the findings of the review committee within 30 days of resolution of any action taken by the licensing board resulting from the information provided by the Board of Pharmacy. The review committee shall also review notices provided by the chief medical examiner pursuant to §61-12-10(h) of this code and determine on a case-by-case basis whether a practitioner who prescribed or dispensed a controlled substance resulting in or contributing to the drug overdose may have breached professional or occupational standards or committed a criminal act when prescribing the controlled substance at issue to the decedent. Only in those cases in which there is reasonable cause to believe a breach of professional or occupational standards or a criminal act may have occurred, the review committee shall notify the appropriate professional licensing agency having jurisdiction over the applicable practitioner or dispenser and appropriate law-enforcement agencies and provide pertinent information from the database for their consideration. The number of cases identified shall be determined by the review committee based on a number that can be adequately reviewed by the review committee. The information obtained and developed may not be shared except as provided in this article and is not subject to the provisions of §29B-1-1 *et seq.* of this code or obtainable as discovering in civil matters absent a court order.

(c) The Board of Pharmacy is responsible for establishing and providing administrative support for the advisory committee and the West Virginia Controlled Substances Monitoring Program Database Review Committee. The advisory committee and the review committee shall elect a chair by majority vote. Members of the advisory committee and the review committee may not be compensated in their capacity as members but shall be reimbursed for reasonable expenses incurred in the performance of their duties.

(d) The Board of Pharmacy shall promulgate rules with advice and consent of the advisory committee, after consultation with the licensing boards set forth in §60A-9-5(d)(4) of this code and in accordance with the provisions of §29A-3-1 *et seq.* of this code. The legislative rules must include, but shall not be limited to, the following matters:

(1) Identifying parameters used in identifying abnormal or unusual prescribing or dispensing patterns;

(2) Processing parameters and developing reports of abnormal or unusual prescribing or dispensing patterns for patients, practitioners, and dispensers;

(3) Establishing the information to be contained in reports and the process by which the reports will be generated and disseminated;

(4) Dissemination of these reports at least quarterly to:

(A) The West Virginia Board of Medicine codified in §30-3-1 *et seq.* of this code;

(B) The West Virginia Board of Osteopathic Medicine codified in §30-14-1 *et seq.* of this code;

(C) The West Virginia Board of Examiners for Registered Professional Nurses codified in §30-7-1 *et seq.* of this code;

(D) The West Virginia Board of Dentistry codified in §30-4-1 *et seq.* of this code; and

(E) The West Virginia Board of Optometry codified in §30-8-1 *et seq.* of this code; and

(5) Setting up processes and procedures to ensure that the privacy, confidentiality, and security of information collected, recorded, transmitted, and maintained by the review committee is not disclosed except as provided in this section.

(e) Persons or entities with access to the West Virginia Controlled Substances Monitoring Program Database pursuant to

this section may, pursuant to rules promulgated by the Board of Pharmacy, delegate appropriate personnel to have access to said database.

(f) Good faith reliance by a practitioner on information contained in the West Virginia Controlled Substances Monitoring Program Database in prescribing or dispensing or refusing or declining to prescribe or dispense a Schedule II, III, IV, or V controlled substance shall constitute an absolute defense in any civil or criminal action brought due to prescribing or dispensing or refusing or declining to prescribe or dispense.

(g) A prescribing or dispensing practitioner may notify law enforcement of a patient who, in the prescribing or dispensing practitioner's judgment, may be in violation of §60A-4-410 of this code, based on information obtained and reviewed from the Controlled Substances Monitoring Program Database. A prescribing or dispensing practitioner who makes a notification pursuant to this subsection is immune from any civil, administrative, or criminal liability that otherwise might be incurred or imposed because of the notification if the notification is made in good faith.

(h) Nothing in the article may be construed to require a practitioner to access the West Virginia Controlled Substances Monitoring Program Database except as provided in §60A-9-5 of this code.

surviving spouse, or any dependent child or children under the age of 18 years, or dependent father or mother, or both, or any dependent brothers or sisters, or both, under the age of 18 years, or any dependent child over the age of 18 years of age who is totally physically or mentally disabled so long as such condition exists; or

(2) Any former member of any such department who is on a disability pension pursuant to §8-22-24 of this code if prior to July 1, 1981, , or pursuant to §8-22-23a and §8-22-24 of this code if after June 30, 1981, or is receiving or is entitled to receive retirement pension benefits pursuant to §8-22-25(a) and §8-22-25(b) of this code, dies from any cause other than as specified in subsection (b) of this section leaving in either case a surviving spouse or any dependent child or children under the age of 18 years, or dependent father or mother, or both, or any dependent brothers or sisters, or both, under the age of 18 years, or any dependent child over the age of 18 years of age who is totally physically or mentally disabled so long as such condition exists; then in any of the cases set forth in this subdivision and subdivision (1) of this subsection, the board of trustees of such pension and relief fund shall, immediately following the death of the member, pay to or for each entitled surviving dependent the following pension benefits: To the surviving spouse, until death or remarriage, a sum per month equal to 60 percent of the member's pension or, in the event the member was not receiving a pension at the time of the member's death, a sum per month equal to 60 percent of the monthly retirement pension such member would have been entitled to receive pursuant to §8-22-25 of this code on the date of the member's death if the member had then been eligible for a retirement pension, or the sum of \$300 per month, whichever is greater; to each dependent child, a sum per month equal to 20 percent of the member's pension or, in the event the member was not receiving a pension on the date of the member's death, a sum per month equal to 20 percent of the monthly retirement pension the member would have been entitled to receive pursuant to §8-22-25 of this code on the date of the member's death if the member had then been eligible for a retirement pension, or until the child attains the age of 18 years or marries, whichever first occurs; to each dependent orphaned child, a sum per month equal to 25 percent of the member's pension or,

in the event the member was not receiving a pension on the date of the member's death, a sum per month equal to 25 percent of the monthly retirement pension the member would have been entitled to receive pursuant to §8-22-25 of this code on the date of the member's death if the member had then been eligible for a retirement pension, until the child attains the age of 18 years or marries, whichever first occurs; to each dependent father or mother, a sum per month for each equal to 10 percent of the member's pension or, in the event the member was not receiving a pension on the date of the member's death, a sum per month equal to 10 percent of the monthly retirement pension the member would have been entitled to receive pursuant to §8-22-25 of this code on the date of the member's death if the member had then been eligible for a retirement pension; to each dependent brother or sister, the sum of \$50 per month until he or she attains the age of 18 years or marries, whichever first occurs, but in no event shall the aggregate amount paid to all brothers and sisters of the member exceed \$100 per month. If at any time, because of the number of dependents, all dependents cannot be paid in full as herein provided, then each dependent shall receive his or her pro rata share of the payments. In no case shall the payments to the surviving spouse and children be cut below 65 percent of the total amount paid to all dependents.

(b) The surviving spouse, child or children, or dependent father or mother, or dependent brothers or sisters, of any member who dies by reason of service rendered in the performance of the member's duties shall, regardless of the length of the member's service and irrespective of whether the member was or was not entitled to receive, or was or was not receiving, disability pension or temporary disability payments at the time of the member's death, receive the death benefits provided for in subsection (a) of this section. If the member had less than three years' service at the time of the member's death, the member's pension shall be computed on the basis of the actual number of years of service.

(c) If a member dies without leaving a spouse, dependent child or children, or dependent father or mother, or dependent brothers or sisters, the member's contributions to the fund plus six percent interest shall be refunded to the member's named beneficiary or, if

no beneficiary has been named, to the member's estate to the extent that the contributions plus interest exceed any disability or retirement benefits that the member may have received before the member's death.

(d) This section shall not be construed as creating or establishing any contractual or vested rights in favor of any individual who may be or become qualified as a beneficiary of the death benefits authorized to be made pursuant to this section. This section and benefits provided pursuant to this section are expressly subject to subsequent legislative enactments as may provide for any change, modification, or elimination of the beneficiaries or benefits specified herein.

(e) Notwithstanding the provisions of §8-22-24 of this code, the benefit provided for in this section shall be calculated as if the member had remained unemployed throughout any period of disability.

(f) For the purpose of distributing premium tax proceeds as required by §33-3-14d of this code, one beneficiary of the death benefit authorized by this section shall be included in the average monthly number of retired police officers and firefighters.

(g) If there are no survivors entitled to receive benefits pursuant to the provisions of this section because of death, age, or marital status, to the extent the member's contributions to the fund plus six percent interest exceed any survivor benefits already paid, any excess shall be refunded to the member's named beneficiary. If there is no named beneficiary, any excess shall be paid to the member's heirs to be distributed in accordance with §42-1-1 *et seq.* of this code relating to intestate succession.

*Be it enacted by the Legislature of West Virginia:*

#### ARTICLE 14D. DEPUTY SHERIFF RETIREMENT SYSTEM ACT.

##### §7-14D-2. Definitions.

As used in this article, unless a federal law or regulation or the context clearly requires a different meaning:

(a) “Accrued benefit” means on behalf of any member two and one-quarter percent of the member’s final average salary multiplied by the member’s years of credited service: *Provided*, That members who are retired on or retire after July 1, 2018, shall have an accrued benefit of two and one-half percent of the member’s final average salary multiplied by the member’s years of credited

service. A member's accrued benefit may not exceed the limits of Section 415 of the Internal Revenue Code and is subject to the provisions of §7-14D-9a of this code.

(b) "Accumulated contributions" means the sum of all amounts deducted from the compensation of a member, or paid on his or her behalf pursuant to §5-10C-1 *et seq.* of this code, either pursuant to §7-14D-7 of this code or §5-10-29 of this code as a result of covered employment together with regular interest on the deducted amounts.

(c) "Active member" means a member who is active and contributing to the plan.

(d) "Active military duty" means full-time active duty with any branch of the armed forces of the United States, including service with the National Guard or reserve military forces when the member has been called to active full-time duty and has received no compensation during the period of that duty from any board or employer other than the armed forces.

(e) "Actuarial equivalent" means a benefit of equal value computed upon the basis of the mortality table and interest rates as set and adopted by the retirement board in accordance with the provisions of this article: *Provided*, That when used in the context of compliance with the federal maximum benefit requirements of Section 415 of the Internal Revenue Code, "actuarial equivalent" shall be computed using the mortality tables and interest rates required to comply with those requirements.

(f) "Annual compensation" means the wages paid to the member during covered employment within the meaning of Section 3401(a) of the Internal Revenue Code, but determined without regard to any rules that limit the remuneration included in wages based upon the nature or location of employment or services performed during the plan year plus amounts excluded under Section 414(h)(2) of the Internal Revenue Code and less reimbursements or other expense allowances, cash, or noncash fringe benefits or both, deferred compensation, and welfare benefits. Annual compensation for determining benefits during any

determination period may not exceed the maximum compensation allowed as adjusted for cost of living in accordance with §5-10D-7 of this code and Section 401(a)(17) of the Internal Revenue Code.

(g) “Annual leave service” means accrued annual leave.

(h) “Annuity starting date” means the first day of the first calendar month following receipt of the retirement application by the board or the required beginning date, if earlier: *Provided*, That the member has ceased covered employment and reached early or normal retirement age.

(i) “Base salary” means a member’s cash compensation exclusive of overtime from covered employment during the last 12 months of employment. Until a member has worked 12 months, annualized base salary is used as base salary.

(j) “Beneficiary” means a natural person who is entitled to, or will be entitled to, an annuity or other benefit payable by the plan.

(k) “Board” means the Consolidated Public Retirement Board created pursuant to §5-10D-1 *et seq.* of this code.

(m) “Covered employment” means either: (1) Employment as a deputy sheriff and the active performance of the duties required of a deputy sheriff; (2) the period of time which active duties are not performed but disability benefits are received under §7-14D-14 or §7-14D-15 of this code; or (3) concurrent employment by a deputy sheriff in a job or jobs in addition to his or her employment as a deputy sheriff where the secondary employment requires the deputy sheriff to be a member of another retirement system which is administered by the Consolidated Public Retirement Board pursuant to §5-10D-1 *et seq.* of this code: *Provided*, That the deputy sheriff contributes to the fund created in §7-14D-6 of this code the amount specified as the deputy sheriff’s contribution in §7-14D-7 of this code.

(n) “Credited service” means the sum of a member’s years of service, active military duty, disability service, unused annual leave service, and unused sick leave service.

(o) “Deputy sheriff” means an individual employed as a county law-enforcement deputy sheriff in this state and as defined by §7-14-2 of this code.

(2) Any unmarried child under age 23:

(A) Who is enrolled as a full-time student in an accredited college or university;

(B) Who was claimed as a dependent by the member for federal income tax purposes at the time of the member’s death; and

(q) “Dependent parent” means the father or mother of the member who was claimed as a dependent by the member for federal income tax purposes at the time of the member’s death.

(r) “Disability service” means service credit received by a member, expressed in whole years, fractions thereof or both, equal to one half of the whole years, fractions thereof, or both, during

which time a member receives disability benefits under §7-14D-14 or §7-14D-15 of this code.

(s) “Early retirement age” means age 40 or over and completion of 20 years of service.

(t) “Employer error” means an omission, misrepresentation, or violation of relevant provisions of the West Virginia Code or of the West Virginia Code of State Rules or the relevant provisions of both the West Virginia Code and of the West Virginia Code of State Rules by the participating public employer that has resulted in an underpayment or overpayment of contributions required. A deliberate act contrary to the provisions of this section by a participating public employer does not constitute employer error.

(u) “Effective date” means July 1, 1998.

(v) “Final average salary” means the average of the highest annual compensation received for covered employment by the member during any five consecutive plan years within the member’s last 10 years of service. If the member did not have annual compensation for the five full plan years preceding the member’s attainment of normal retirement age and during that period the member received disability benefits under §7-14D-14 or §7-14D-15 of this code then “final average salary” means the average of the full monthly salary determined paid to the member during that period multiplied by 12.

(w) “Fund” means the West Virginia Deputy Sheriff Retirement Fund created pursuant to §7-14D-6 of this code.

(x) “Hour of service” means:

(1) Each hour for which a member is paid or entitled to payment for covered employment during which time active duties are performed. These hours shall be credited to the member for the plan year in which the duties are performed; and

(2) Each hour for which a member is paid or entitled to payment for covered employment during a plan year but where no duties are performed due to vacation, holiday, illness, incapacity

including disability, layoff, jury duty, military duty, leave of absence, or any combination thereof and without regard to whether the employment relationship has terminated. Hours under this paragraph shall be calculated and credited pursuant to West Virginia Division of Labor rules. A member will not be credited with any hours of service for any period of time he or she is receiving benefits under §7-14D-14 or §7-14D-15 of this code; and

(3) Each hour for which back pay is either awarded or agreed to be paid by the employing county commission, irrespective of mitigation of damages. The same hours of service shall not be credited both under this paragraph and paragraph (1) or (2) of this subdivision. Hours under this paragraph shall be credited to the member for the plan year or years to which the award or agreement pertains rather than the plan year in which the award, agreement, or payment is made.

(y) “Member” means a person first hired as a deputy sheriff after the effective date of this article, as defined in subdivision (u) of this section, or a deputy sheriff first hired prior to the effective date and who elects to become a member pursuant to §7-14D-5 or §7-14D-17 of this code. A member shall remain a member until the benefits to which he or she is entitled under this article are paid or forfeited or until cessation of membership pursuant to §7-14D-5 of this code.

(z) “Monthly salary” means the portion of a member’s annual compensation which is paid to him or her per month.

(aa) “Normal form” means a monthly annuity which is one-twelfth of the amount of the member’s accrued benefit which is payable for the member’s life. If the member dies before the sum of the payments he or she receives equals his or her accumulated contributions on the annuity starting date, the named beneficiary shall receive in one lump sum the difference between the accumulated contributions at the annuity starting date and the total of the retirement income payments made to the member.

(bb) “Normal retirement age” means the first to occur of the following: (1) Attainment of age 50 years and the completion of 20

or more years of service; (2) while still in covered employment, attainment of at least age 50 years, and when the sum of current age plus years of service equals or exceeds 70 years; (3) while still in covered employment, attainment of at least age 60 years, and completion of five years of service; or (4) attainment of age 62 years and completion of five or more years of service.

(cc) “Partially disabled” means a member’s inability to engage in the duties of deputy sheriff by reason of any medically determinable physical or mental impairment that can be expected to result in death or that has lasted or can be expected to last for a continuous period of not less than 12 months. A member may be determined partially disabled for the purposes of this article and maintain the ability to engage in other gainful employment which exists within the state but which ability would not enable him or her to earn an amount at least equal to two thirds of the average annual compensation earned by all active members of this plan during the plan year ending as of the most recent June 30, as of which plan data has been assembled and used for the actuarial valuation of the plan.

(dd) “Public Employees Retirement System” means the West Virginia Public Employees Retirement System created by §5-10-1 *et seq.* of this code.

(ee) “Plan” means the West Virginia Deputy Sheriff Death, Disability, and Retirement Plan established by this article.

(ff) “Plan year” means the 12-month period commencing on July 1 of any designated year and ending the following June 30.

(gg) “Qualified public safety employee” means any employee of a participating state or political subdivision who provides police protection, fire-fighting services, or emergency medical services for any area within the jurisdiction of the state or political subdivision, or such other meaning given to the term by Section 72(t)(10)(B) of the Internal Revenue Code or by Treasury Regulation §1.401(a)-1(b)(2)(v) as they may be amended from time to time.

(hh) “Regular interest” means the rate or rates of interest per annum, compounded annually, as the board adopts in accordance with the provisions of this article.

(ii) “Required beginning date” means April 1 of the calendar year following the later of: (i) The calendar year in which the member attains age 70 and one half; or (ii) the calendar year in which he or she retires or otherwise separates from covered employment.

(jj) “Retire” or “retirement” means a member’s withdrawal from the employ of a participating public employer and the commencement of an annuity by the plan.

(kk) “Retirement income payments” means the annual retirement income payments payable under the plan.

(ll) “Spouse” means the person to whom the member is legally married on the annuity starting date.

(mm) “Surviving spouse” means the person to whom the member was legally married at the time of the member’s death and who survived the member.

(nn) “Totally disabled” means a member’s inability to engage in substantial gainful activity by reason of any medically determined physical or mental impairment that can be expected to result in death or that has lasted or can be expected to last for a continuous period of not less than 12 months. For purposes of this subdivision:

(1) A member is totally disabled only if his or her physical or mental impairment or impairments are so severe that he or she is not only unable to perform his or her previous work as a deputy sheriff but also cannot, considering his or her age, education and work experience, engage in any other kind of substantial gainful employment which exists in the state regardless of whether: (A) The work exists in the immediate area in which the member lives; (B) a specific job vacancy exists; or (C) the member would be hired if he or she applied for work.

(2) “Physical or mental impairment” is an impairment that results from an anatomical, physiological, or psychological abnormality that is demonstrated by medically accepted clinical and laboratory diagnostic techniques. A member’s receipt of Social Security disability benefits creates a rebuttable presumption that the member is totally disabled for purposes of this plan. Substantial gainful employment rebuts the presumption of total disability.

(oo) “Year of service”. — A member shall, except in his or her first and last years of covered employment, be credited with year of service credit based upon the hours of service performed as covered employment and credited to the member during the plan year based upon the following schedule:

Hours of Service	Years of Service Credited
Less than 500	0
500 to 999	1/3
1,000 to 1,499	2/3
1,500 or more	1

During a member’s first and last years of covered employment, the member shall be credited with one-twelfth of a year of service for each month during the plan year in which the member is credited with an hour of service. A member is not entitled to credit for years of service for any time period during which he or she received disability payments under §7-14D-14 or §7-14D-15 of this code. Except as specifically excluded, years of service include covered employment prior to the effective date. Years of service which are credited to a member prior to his or her receipt of accumulated contributions upon termination of employment pursuant to §7-14D-13 or §5-10-30 of this code, shall be disregarded for all purposes under this plan unless the member repays the accumulated contributions with interest pursuant to §7-14D-13 of this code or had prior to the effective date made the repayment pursuant to §5-10-18 of this code.

**§7-14D-11. Retirement benefits.**

This section provides for a member's accrued benefit payable starting at the member's annuity starting date which follows the completion of a written application for the commencement of benefits. The member shall receive the accrued retirement benefit in the normal form or in an actuarial equivalent amount in an optional form as provided under §7-14D-12 of this code, subject to reduction if necessary to comply with the maximum benefit provisions of Section 415 of the Internal Revenue Code and §7-14D-9a of this code. The first day of the calendar month following the calendar month of birth shall be used in lieu of any birth date that does not fall on the first day of a calendar month.

(a) *Normal retirement.* — A member whose annuity starting date is the date the member attains normal retirement age or later is entitled to his or her accrued retirement benefit based on years of service and final average salary at termination of employment.

(b) *Early retirement.* — A member who ceases covered employment and has attained early retirement age while in covered employment may elect to receive retirement income payments commencing on the first day of the month coincident with or following the date the member ceases covered employment. "Normal retirement age" for such a member is the first day of the calendar month coincident with or next following the month in which the member attains the age of 50 years. If the member's annuity starting date is prior to the date the member attains normal retirement age, his or her accrued benefit is reduced to the actuarial equivalent benefit amount based on the years and months by which his or her annuity starting date precedes the date he or she attains normal retirement age.

(c) Retirement benefits shall be paid monthly in an amount equal to one twelfth of the retirement income payments elected and at those times established by the board.

**§7-14D-13. Refunds to certain members upon discharge or resignation; deferred retirement; preretirement death; forfeitures.**

(a) Any member who terminates covered employment and is not eligible to receive disability or retirement income benefits under this article is, by written request filed with the board, entitled to receive from the fund the member's accumulated contributions after offset of any outstanding loan balance, plus accrued interest, pursuant to §7-14D-23 of this code. Except as provided in subsection (b) of this section, upon withdrawal the member shall forfeit his or her accrued benefit and cease to be a member.

(b) Any member of this plan who ceases employment in covered employment and active participation in this plan, and who thereafter becomes reemployed in covered employment may not receive any credited service for any prior withdrawn or offset accumulated contributions from either this plan or the Public Employees Retirement System relating to the prior covered employment unless following his or her return to covered employment and active participation in this plan, the member redeposits in this plan the amount of the withdrawn accumulated contributions submitted on salary earned while a deputy sheriff, together with interest on the accumulated contributions at the rate determined by the board from the date of withdrawal to the date of redeposit. Upon repayment he or she shall receive the same credit on account of his or her former service in covered employment as if no refund had been made. The repayment authorized by this subsection shall be made in a lump sum within 60 months of the deputy sheriff's reemployment in covered employment or if later, within 60 months of the effective date of this article.

(c) A member of this plan who has elected to transfer from the Public Employees Retirement System into this plan pursuant to §7-14D-5(b) of this code may not, after having transferred into and become an active member of this plan, reinstate to his or her credit in this plan any service credit relating to periods of nondeputy sheriff service which were withdrawn from the Public Employees Retirement System plan prior to his or her elective transfer into this plan.

(d) Every member who completes 60 months of covered employment is eligible, upon cessation of covered employment, to either withdraw his or her accumulated contributions in accordance with subsection (a) of this section, or to choose not to withdraw his or her accumulated contribution and to receive retirement income payments upon attaining normal retirement age.

(e) In the event a member dies from any cause other than those specified in §7-14D-18 of this code and does not have 10 or more years of credited service, the member's accumulated contributions may be paid to a named beneficiary or beneficiaries. If no beneficiary is named, then the accumulated contributions shall be paid to the estate of the deceased member.

(f) Notwithstanding any other provision of this article, forfeitures under the plan shall not be applied to increase the benefits any member would otherwise receive under the plan.

**§7-14D-19. Awards and benefits to surviving spouse – when member dies from nonservice-connected causes.**

(a) In any case where a member who has been a member for at least 10 years, while in covered employment after the effective date of this article, has died or dies from any cause other than those specified in §7-14D-18 of this code and not due to vicious habits, intemperance, or willful misconduct on his or her part, the fund shall pay annually in equal monthly installments to the surviving spouse during his or her lifetime, a sum equal to the greater of: (i) One half of the annual compensation received in the preceding 12-month employment period by the deceased member; or (ii) if the member dies after his or her early or normal retirement age, the monthly amount which the spouse would have received had the member retired the day before his or her death, elected a 100 percent joint and survivor annuity with the spouse as the joint annuitant, and then died.

(b) Benefits for a surviving spouse received under this section, §7-14D-20, and §7-14D-21 of this code are in lieu of receipt of any other benefits under this article for the spouse or any other person

or under the provisions of any other state retirement system based upon the member's covered employment.

**§7-14D-20. Additional death benefits and scholarships - dependent children.**

(a) In addition to the spouse death benefits in §7-14D-18 and §7-14D-19 of this code, the surviving spouse is entitled to receive and there shall be paid to the spouse \$100 monthly for each dependent child.

(b) If the surviving spouse dies while receiving death benefits provided in §7-14D-18 or §7-14D-19 of this code or if there is no surviving spouse, the fund shall pay monthly to each dependent child a sum equal to one fourth of the surviving spouse's entitlement under either §7-14D-18 and §7-14D-19 of this code. If there is neither a surviving spouse nor a dependent child, the fund shall pay in equal monthly installments to the dependent parents of the deceased member during their joint lifetimes a sum equal to the amount which a surviving spouse, without children, would have received: *Provided*, That when there is only one dependent parent surviving, that parent is entitled to receive during his or her lifetime one-half the amount which both parents, if living, would have been entitled to receive: *Provided, however*, That if there is no surviving spouse, dependent child, nor dependent parent of the deceased member the accumulated contributions shall be paid to a named beneficiary or beneficiaries: *Provided further*, That if there is no surviving spouse, dependent child, nor dependent parent of the deceased member, nor any named beneficiary or beneficiaries then the accumulated contributions shall be paid to the estate of the deceased member.

(c) Any person qualifying as a dependent child under this section, in addition to any other benefits due under this or other sections of this article, is entitled to receive a scholarship to be applied to the career development education of that person. This sum, up to but not exceeding \$7,500 per year, shall be paid from the fund to any higher education institution in this state, career-technical education provider in this state, or other entity in this state approved by the board, to offset the expenses of tuition, room and

board, books, fees, or other costs incurred in a course of study at any of these institutions so long as the recipient makes application to the board on an approved form and under such rules as the board may provide, and maintains scholastic eligibility as defined by the institution or the board. The board may propose legislative rules for promulgation in accordance with §29A-3-1 *et seq.* of this code which define age requirements, physical and mental requirements, scholastic eligibility, disbursement methods, institutional qualifications, and other requirements as necessary and not inconsistent with this section. Scholarship benefits awarded pursuant to this subsection are not subject to division or payable to an alternate payee by any Qualified Domestic Relations Order.

**§7-14D-24. Service as sheriff.**

(a) Any member who, after the effective date of this article, is elected sheriff of a county in West Virginia may elect to continue as a member in this plan by paying the amounts required by §7-14D-7 of this code. Upon the election, service as a sheriff shall be treated as covered employment and the sheriff is not entitled to any credit for that service under any other retirement system of the state.

(b) Any member retired as a deputy sheriff under this plan who, after the effective date of this article, is elected or appointed sheriff of a county in West Virginia, may elect to suspend the payment of his or her annuity from this system and again become a contributing member of this plan by paying the amounts required by §7-14D-7 of this code. Upon such election, service as a sheriff shall be treated as covered employment, and the sheriff is not entitled to any credit for that period of elected service under any other retirement system of the state. At the end of his or her term as sheriff, the member making such election shall have his or her annuity recalculated and shall be granted an adjustment to his or her previous annuity to include the period of elected service.

(c) Any person who, before the effective date of this article, was elected sheriff of a county in West Virginia, and who, immediately prior to being so elected sheriff, was a deputy sheriff with at least 20 years of credited service under the Public

Employees Retirement System, with at least 16 of those 20 years having been earned as a deputy sheriff, may elect to become a member of this plan by paying the amounts required by §7-14D-7 of this code. Upon such election, service shall be transferred from the Public Employees Retirement System pursuant to §7-14D-8 of this code: *Provided*, That any service as a sheriff shall be treated as covered employment under this article and the sheriff is not entitled to any credit for that service as a sheriff or the prior service as a deputy sheriff under any other retirement system of the state. Persons making the election provided for in this subsection shall do so within 10 days of taking office as sheriff or within 10 days of the effective date of this provision.

(d) Any person who, before the effective date of this article, was elected sheriff of a county of West Virginia, and who, prior to being elected sheriff, was a deputy sheriff and also a previously elected sheriff, with credited service under the Public Employees Retirement System, with at least 16 of those years having been earned as combined service as a deputy sheriff and a previously elected sheriff, may elect to become a member of this plan by paying the amounts required by §7-14D-7 of this code. Upon such election, service shall be transferred from the Public Employees Retirement System pursuant to §7-14D-8 of this code: *Provided*, That a person's service as a sheriff shall be treated as covered employment under this article, and that person is not entitled to any credit for that service as a sheriff or deputy sheriff under any other retirement system of this state. A person making the election provided in this subsection shall do so within 30 days of taking office as a sheriff or within 30 days of the effective date of this provision.

(e) Notwithstanding any other provision of the code to the contrary, any member who was elected sheriff of a county of West Virginia to serve on or after January 1, 2013, and who has not commenced retirement in the Deputy Sheriff Retirement System or the Public Employees Retirement System, must notify the board in writing by July 31, 2020, of his or her intent to pay the difference in the employee contribution between the Public Employees Retirement System and the Deputy Sheriff Retirement System in

order to transfer all service credit earned as a sheriff or purchased in accordance with Section 414(u) of the Internal Revenue Code and the federal Uniformed Services Employment and Reemployment Rights Act from the Public Employees Retirement System to the Deputy Sheriff Retirement System. The board shall compute the difference in employee contributions owed up through September 30, 2020, on the total compensation for which assets are being transferred and notify the sheriff of the amount owed in writing by letter mailed no later than August 21, 2020. This difference in employee contributions must be paid in full by the sheriff to the Deputy Sheriff Retirement System no later than September 30, 2020. If timely paid, employee and employer contributions to the Deputy Sheriff Retirement System shall commence October 1, 2020.

(1) The board shall transfer assets from the Public Employees Retirement System into the Deputy Sheriff Retirement System no later than November 30, 2020.

(2) The amount of assets to be transferred for each transferring sheriff shall be computed as of July 1, 2019, using the actuarial valuation assumptions in effect for the July 1, 2019, actuarial valuation of the Public Employees Retirement System, and updated with seven and one-half percent annual interest to the date of the actual asset transfer. The market value of the assets of the transferring sheriff in the Public Employees Retirement System shall be determined as of the end of the month preceding the actual transfer. To determine the computation of the asset share to be transferred the board shall:

(A) Compute the market value of the Public Employees Retirement System assets;

(B) Compute the accrued liability for all Public Employees Retirement System retirees, beneficiaries, disabled retirees, and terminated inactive members;

(C) Reduce the market value of Public Employees Retirement System assets by the accrued liability determined in paragraph (B) of this subdivision;

(D) Compute the entry age method accrued liability for all active Public Employees Retirement System members;

(E) Compute the share of accrued liability as determined pursuant to paragraph (D) of this subdivision, that is attributable to those sheriffs in the Public Employees Retirement System who have elected to transfer to the plan;

(F) Compute the percentage of active member's accrued liability computed to the sheriffs by dividing paragraph (E) by paragraph (D) of this subdivision; and

(G) Determine the asset share to be transferred from Public Employees Retirement System to the plan by multiplying paragraph (C) times paragraph (F) of this subdivision.

(f) Any member who was appointed sheriff of a county in West Virginia in which retirement contributions were not made to the Deputy Sheriff Retirement System or the Public Employees Retirement System may purchase service credit for the period he or she served as appointed sheriff by the member remitting the required employee contribution and any interest thereon, and the participating public employer remitting the required employer contribution and any interest thereon. Interest shall accumulate at a rate of 7.5 percent per annum. Payments for the purchase of service credit authorized by this section must be made in full on or before September 30, 2021.

### **§7-14D-32. Severability.**

If any part of this article is declared unconstitutional by a court of competent jurisdiction, such decision shall not affect the validity of the remaining provisions of this article, or the article in its entirety.

AN ACT to amend and reenact §7-18-13a and §7-18-14 of the Code of West Virginia, 1931, as amended, all relating to the distribution of hotel occupancy tax proceeds to convention and visitor's bureaus; providing that a convention and visitor's bureau shall satisfy certain requirements to receive funding from hotel occupancy taxes; requiring certain reporting from convention and visitor's bureaus; requiring triennial financial reviews of convention and visitor's bureaus; clarifying that the State Auditor and Legislative Auditor may review the operations and finances of a convention and visitor's bureau; prohibiting the authorization of a new convention and visitor's bureau that does not satisfy certain requirements; and clarifying that it is a misdemeanor offense for a member of a governing body to facilitate the distribution of hotel occupancy tax proceeds to a convention and visitor's bureau that does not satisfy certain requirements.

*Be it enacted by the Legislature of West Virginia:*

#### **ARTICLE 18. HOTEL OCCUPANCY TAX.**

##### **§7-18-13a. Annual reports by convention and visitor's bureaus; eligibility for hotel occupancy tax proceeds.**

(a) On or before 90 days after the end of its fiscal year, every convention and visitor's bureau which receives any appropriation of hotel occupancy tax from one or more counties or municipalities shall file with each such county or municipality, the State Auditor, the Joint Committee on Government and Finance, and the West

Virginia Association of Convention and Visitors Bureaus a report, including an income statement and balance sheet, showing all amounts of hotel occupancy tax appropriated to the convention and visitor's bureau and all expenditures of hotel occupancy tax made by the convention and visitor's bureau for the prior fiscal year, as well as any such information required by subsection (b) of this section. A convention and visitor's bureau that has not filed a report in accordance with the provisions of this section shall be ineligible to receive additional appropriations of hotel occupancy tax proceeds until such report has been filed.

(b) In order to qualify for a distribution of net proceeds pursuant to §7-18-14 of this code, a convention and visitor's bureau shall satisfy the following requirements:

(1) The convention and visitor's bureau shall have a minimum annual budget;

(2) The convention and visitor's bureau shall establish a marketing plan targeting markets outside of a 50-mile radius of the bureau's municipality or county of operation;

(3) The annual operating budget for the convention and visitor's bureau allocates approximately 40 percent of annual revenues to advertising and marketing, approximately 40 percent to salaries and personnel, and approximately 20 percent to other operating expenses: *Provided*, That a convention and visitor's bureau that allocates less than 40 percent of annual revenues to salaries and personnel shall be considered to have satisfied the budget allocation requirement;

(4) The convention and visitor's bureau has a full-time executive director that maintains the minimum number of continuing education hours recommended annually by industry standards;

(5) The convention and visitor's bureau has a physical office and/or visitor center that is accessible at least 40 hours per week and has a dedicated phone line;

(6) The convention and visitor's bureau maintains a website and appropriate marketing materials;

(7) The convention and visitor's bureau has received accreditation from an accrediting body; and

(8) The convention and visitor's bureau submits an annual report to all of its funding entities, which shall include, but not be limited to, the information provided for in this subsection.

Nothing in this section may be construed as to interfere with the ability of a county or municipality to enter into any agreements or partnerships with convention and visitor's bureaus in neighboring counties or municipalities for the purposes of distributing net tax proceeds pursuant to §7-18-14 of this code, so long as all other requirements of this section are met.

(c) At least once every three years, any bureau that receives any appropriation of hotel occupancy tax from one or more counties or municipalities shall cause an audit or financial review, in a form as is appropriate to the particular bureau, to be made by an independent certified public accountant of all its books, accounts, and records relating to all receipts and expenditures of any hotel occupancy tax appropriations for the three prior fiscal years of the bureau. A copy of the audit or financial review shall be filed with each county or municipality from which the bureau received an appropriation of hotel occupancy tax, the State Auditor, the Joint Committee on Government and Finance, and the West Virginia Association of Convention and Visitors Bureaus. After July 1, 2024, a bureau that has not caused such an audit or financial review to be made is ineligible to receive an appropriation of hotel occupancy tax proceeds pursuant to §7-18-14 of this code.

(d) In order to encourage counties and municipalities to work within the existing framework of convention and visitor's bureaus, there shall be a moratorium on the authorization of new convention and visitors bureaus until June 30, 2024. A county or municipality may not appropriate any net proceeds of hotel occupancy taxes, pursuant to §7-18-14 of this code, to any convention or visitor's bureau created on or after the amendments to this section enacted

during the regular session of the Legislature, 2021, and prior to the end of the moratorium imposed by this subsection. On or after July 1, 2024, a county or municipality may authorize the creation of a new convention and visitor's bureau so long as the bureau meets all of the requirements of subsection (b) of this section.

(e) Nothing in this section may prohibit either the State Auditor or the Legislative Auditor from conducting regular reviews or audits of the operations or finances of a convention and visitor's bureau to ensure compliance with this code.

#### **§7-18-14. Proceeds of tax; application of proceeds.**

If a convention and visitor's bureau is not located within such municipality, county or region, or a bureau located within such municipality has not complied with the requirements of §7-18-13a of this code, then the percentage appropriation required by this subsection shall be appropriated as follows:

(A) Any hotel located within such municipality may apply to such municipality for an appropriation to such hotel of a portion of the tax authorized by this article and collected by such hotel and remitted to such municipality for uses directly related to the promotion of tourism and travel, including advertising, salaries,

The portion of such tax allocable to such hotel shall not exceed 75 percent of that portion of such tax collected and remitted by such hotel which is required to be expended pursuant to this subsection: *Provided*, That prior to appropriating any moneys to such hotel, such municipality shall require the submission of, and give approval to, a budget setting forth the proposed uses of such moneys.

(B) If there is more than one convention and visitor's bureau that is in compliance with the requirements of §7-18-13a of this code located within a municipality, the city council may allocate the tax authorized by this article to one or more of such bureaus in such portion as the city council in its sole discretion determines.

(2) *Counties.* — If a convention and visitor's bureau is located within a county or region and has complied with the requirements of §7-18-13a of this code, the county commission shall appropriate the percentage required by this subsection to that convention and visitor's bureau. The portion of the tax allocable to the hotel may not exceed 75 percent of that portion of the tax collected and remitted by the hotel which is required to be expended pursuant to this subsection: *Provided*, That prior to appropriating any moneys to the hotel, the county shall require the submission of, and give approval to, a budget setting forth the proposed uses of such moneys.

(B) If there is more than one convention and visitor's bureau that is in compliance with the requirements of §7-18-13a of this

code located within a county or region, the county commission may allocate the tax authorized by this article to one or more of the bureaus in such portion as the county commission in its sole discretion determines.

Therefore, in order to promote recreation and tourism, the Legislature finds that public financial support should be provided for constructing, equipping, improving, and maintaining projects, agencies, and facilities which promote recreation and tourism. (c) *Permissible expenditures.* — After making the appropriation required by subsection (b) of this section, the remaining portion of the net revenues receivable during the fiscal year by the county or municipality, pursuant to this article, may be expended for one or more of the purposes set forth in this subsection, but for no other purpose. The purposes for which expenditures may be made pursuant to this subsection are as follows:

(Com. Sub. for S. B. 695 - By Senator Rucker)

[Passed April 9, 2021; in effect from passage]  
[Approved by the Governor on April 28, 2021.]

AN ACT to amend and reenact §8-6-4a and §8-6-5 of the Code of West Virginia, 1931, as amended; and to amend and reenact §8-7-2 of said code, all relating to counties and municipalities; and providing procedures for decreasing corporate limits or increasing corporate limits by annexation and annexation by minor boundary adjustments.

*Be it enacted by the Legislature of West Virginia:*

### ARTICLE 6. ANNEXATION.

#### **§8-6-4a. Annexation without election for municipalities in counties that have an adopted countywide zoning ordinance which includes urban growth boundaries.**

(a) This section applies to municipalities in counties that have adopted a countywide zoning ordinance with designated urban growth boundaries and, prior to January 1, 2009, have adopted local impact fees pursuant to the provisions of §7-20-1 *et seq.* of this code that want to annex additional property without an election.

(b) For purposes of this section only:

(1) “Contiguous” means property that is next to, abutting, and having a boundary that is coterminous with the municipality’s designated urban growth boundary. The length of a street, highway, road, or other traffic or utility easement, streams, rivers, or other natural topography are not to be used to determine if a property is

contiguous: *Provided*, That the width of a street, highway, road, or other traffic or utility easement, streams, rivers, or other natural topography may be used to determine contiguous boundaries.

(2) “Urban growth boundary” means a site-specific line, delineated on a zoning map or a written description in a zoning ordinance identifying an area around and outside the corporate limits of a municipality within which there is a sufficient supply of developable land within the boundary for at least a prospective 20-year period of municipal growth based on demographic forecasts and the time reasonably required to effectively provide municipal services to the identified area. The urban growth boundary may be called by any name chosen by the county commission, but the word “boundary” shall be used in the name of the boundary. The boundary shall be established by the county commission in agreement with each individual municipality regarding that municipality’s boundary. If the county commission and municipality cannot agree upon the location or size of the boundary, either party may file for declaratory judgment relief in the circuit court which shall submit the dispute to mediation or arbitration prior to final resolution by the circuit court. Once a county has adopted an urban growth boundary by its designation on an adopted county zoning map, the gross area inside the boundary may not be reduced without written consent of the municipality. The county commission shall review each urban growth boundary at a period not to exceed 10 years or upon request of the individual municipality.

(c) *Procedure for a municipality to annex property within an urban growth boundary.* —

(1) If the proposed property to be annexed by a municipality is entirely within the municipality’s designated urban growth boundary, then the municipality may annex without an election the proposed property pursuant to the provisions of §8-6-4 of this code. Agreement with the county commission is not required.

(2) If the proposed property to be annexed by minor boundary adjustment by a municipality is entirely within the municipality’s designated urban growth boundary, then the municipality may

annex without an election the proposed property if the provisions of §8-6-5 of this code are followed, except that agreement with the county commission is not required.

(d) *Procedure for a municipality to annex property within urban growth boundaries of two or more municipalities.* —

If the proposed property to be annexed by a municipality is partially or wholly within another municipality's urban growth boundary, then the municipality may annex without an election the proposed property pursuant to the provisions of §8-6-4 of this code if the two municipalities have executed an intergovernmental agreement regarding the annexation of the subject property. Agreement with the county commission is not required.

(e) *Procedure for a municipality to annex contiguous property outside an urban growth boundary.* —

(1) If the proposed property to be annexed by a municipality is outside the municipality's designated urban growth boundary, then the municipality may annex without an election the proposed property pursuant to the provisions of §8-6-4 of this code, if:

(A) The proposed property to be annexed is contiguous to the municipality, as defined in this section; and

(B) The municipality has the county commission's agreement.

(2) Prior to the agreement of the county commission to the annexation of the proposed property, the county commission shall:

(A) Hold a public hearing;

(B) Place a notice on the subject property, which notice shall be the same as that required for property to be rezoned; and

(C) At least 15 days prior to the public hearing, publish a notice of the date, time, and place of the public hearing as a Class I legal advertisement in compliance with the provisions of §59-3-1 *et seq.* of this code.

(f) *Procedure for a municipality to annex noncontiguous property outside an urban growth boundary.* —

(1) If the proposed property to be annexed by a municipality is entirely outside the municipality's designated urban growth boundary and is not contiguous to the municipality, as defined in this section, then the municipality may annex without an election the proposed property pursuant to the provisions of §8-6-4 of this code if the municipality has the county commission's agreement and, prior to the agreement of the county commission to the annexation of the proposed property, the county commission shall:

(A) Hold a public hearing;

(B) Place a notice on the subject property, which notice shall be the same as that required for property to be rezoned; and

(C) At least 15 days prior to the public hearing, publish a notice of the date, time, and place of the public hearing as a Class I legal advertisement in compliance with the provisions of §59-3-1 *et seq.* of this code.

(2) After the public hearing and on-site notice, if the county commission finds, by a written record, that the proposed annexation is for the good of the county as a whole, then the county commission may agree to the annexation.

(g) Prior to the county commission entering an order for any annexation pursuant to this section, the annexed property shall be surveyed by a licensed professional surveyor and a metes and bounds description of the annexed property must be provided to the county commission of the county in which the property is located.

(h) After a municipality has annexed property pursuant to this section and the property has been surveyed, the county commission shall enter an order. After the order is entered, the corporate limits of the municipality include the annexed property.

#### **§8-6-5. Annexation by minor boundary adjustment.**

(a) If a municipality desires to increase its corporate limits by making a minor boundary adjustment, the governing body of the municipality may apply to the county commission of the county

wherein the municipality or the major portion of the territory thereof, including the territory to be annexed, is located for permission to effect annexation by minor boundary adjustment. The municipality shall pay the costs of all proceedings before the commission: *Provided, That:*

(1) A minor boundary adjustment may not exceed 105 percent of the existing total municipal boundary;

(2) A minor boundary adjustment may not exceed 120 percent of the current area of the municipality; and

(3) A minor boundary adjustment made in this manner is limited to one boundary annexation within a two-year period, regardless of subdivisions (1) and (2) of this subsection.

(b) In addition to any other annexation configuration, a municipality may incorporate by minor boundary adjustment: (i) Territory that consists of a street or highway as defined in §17C-1-35 of this code and one or more freeholders; or (ii) territory that consists of a street or highway as defined in §17C-1-35 of this code which does not include a freeholder, but which is necessary for the provision of emergency services in the territory being annexed.

(c) A county commission may develop a form application for annexation for minor boundary adjustment. An application for annexation by minor boundary adjustment shall include, but not be limited to:

(1) The number of businesses located in and persons residing in the additional territory;

(2) An affidavit of each business located in, each person residing in, and each freeholder of the additional territory stating that he, she, or it has consented to be included in the annexation, in such form as the county commission deems sufficient. If the municipality cannot obtain an affidavit from a business, resident, or freeholder within 90 days after sending the affidavit form and a letter explaining the purpose of the affidavit via certified mail, return receipt requested, to the best available address for the

business, resident, or freeholder, such business, resident, or freeholder shall be considered to have consented to the annexation;

(3) An accurate map showing the metes and bounds of the additional territory;

(4) A statement setting forth the municipality's plan for providing the additional territory with all applicable public services such as police and fire protection, solid waste collection, public water and sewer services, and street maintenance services, including to what extent the public services are or will be provided by a private solid waste collection service or a public service district;

(5) A statement of the impact of the annexation on any private solid waste collection service or public service district currently doing business in the territory proposed for annexation in the event the municipality should choose not to utilize the current service providers;

(6) A statement of the impact of the annexation on fire protection and fire insurance rates in the territory proposed for annexation;

(7) A statement of how the proposed annexation will affect the municipality's finances and services; and

(8) A statement that the proposed annexation meets the requirements of this section.

(d) Upon receipt of a complete application for annexation by minor boundary adjustment, the county commission shall determine whether the application meets the threshold requirements for consideration as a minor boundary adjustment including whether the annexation could be efficiently and cost effectively accomplished under §8-6-2 or §8-6-4 of this code. If the county commission determines that the annexation could be cost effectively and efficiently accomplished under §8-6-2 or §8-6-4 of this code, that the application lacks sufficient evidence that all affected parties of the additional territory consent to the annexation, or that the application otherwise fails to meet the

threshold requirements for consideration as a minor boundary adjustment, it shall enter an order denying the application, which order shall include the reasons upon which it is based.

(e) If the application meets the threshold requirements, the county commission shall order publication of a notice of the proposed annexation to the corporate limits and of the date and time set by the commission for a hearing on the proposal. Publication shall be as in the case of an order calling for an election, as set forth in §8-6-2 of this code. A like notice shall be prominently posted at not less than five public places within the area proposed to be annexed.

(f) In making its final decision on an application for annexation by minor boundary adjustment, the county commission shall, at a minimum, consider the following factors:

(1) Whether the territory proposed for annexation is contiguous to the corporate limits of the municipality. For purposes of this section, “contiguous” means that at the time the application for annexation is submitted, the territory proposed for annexation either abuts directly on the municipal boundary or is separated from the municipal boundary by an unincorporated street or highway, or street or highway right-of-way, a creek or river, or the right-of-way of a railroad or other public service corporation, or lands owned by the state or the federal government;

(2) Whether the proposed annexation is limited solely to a Division of Highways right-of-way or whether the Division of Highways holds title to the property in fee;

(3) Whether affected parties of the territory to be annexed oppose or support the proposed annexation. For purposes of this section, “affected parties” means freeholders, firms, corporations, and qualified voters in the territory proposed for annexation and in the municipality, and a freeholder whose property abuts a street or highway, as defined in §17C-1-35 of this code, when: (i) The street or highway is being annexed to provide emergency services; or (ii) the annexation includes one or more freeholders at the end of the street or highway proposed for annexation;

(4) Whether the proposed annexation consists of a street or highway as defined in §17C-1-35 of this code and one or more freeholders;

(5) Whether the proposed annexation consists of a street or highway as defined in §17C-1-35 of this code which does not include a freeholder, but which is necessary for the provision of emergency services in the territory being annexed;

(6) Whether another municipality has made application to annex the same or substantially the same territory; and

(7) Whether the proposed annexation is in the best interest of the county as a whole.

(g) If the county commission denies the application for annexation by minor boundary adjustment, the commission may allow the municipality to modify the proposed annexation to meet the commissions objections. The commission must order another public hearing if significant modifications are proposed.

(h) The final order of the commission shall include the reasons for the grant or denial of the application.

(i) The municipality applying for annexation or any affected party may appeal the commission's final order to the circuit court of the county in which the municipality or the major portion thereof, including the area proposed to be annexed, is located. The county commission may participate in any appeal taken from its order in the same manner and to the same extent as a party to the appeal. The order may be reviewed by the circuit court as an order of a county commission ordering an election may be reviewed under §8-5-16 of this code.

(j) If the final order of the county commission is a denial of the application for annexation, the municipality may appeal as set forth in this section, but the municipality may not present the commission with another application for annexation relating to the same proposed change or any part thereof for a period of two years after issuance of the final order of the commission, unless such application is directed by the circuit court as the result of an appeal.

**ARTICLE 7. DECREASE OF CORPORATE LIMITS.**

## Part II. Decrease of Corporate Limits by Election.

**§8-7-2. Procedure to decrease corporate limits.**

A petition to decrease the corporate limits of a municipality may be filed with the governing body thereof by five percent or more of the freeholders in the territory proposed for elimination, setting forth the change proposed in the metes and bounds of the municipality, and asking that a vote be taken upon the proposed change. The petition shall be verified and shall be accompanied by an accurate survey map showing the territory which would be eliminated from the corporate limits by the proposed change: *Provided*, That within 90 days after notice of the petition shall have been given by publication of a Class II-0 legal advertisement pursuant to §59-3-1 *et seq.* of this code, cost to be paid by the petitioners each business and freeholder within the territory proposed for elimination may file a sworn statement objecting to the change to the metes and bounds of the municipality. If a business or freeholder files a timely objection, that property shall remain within the territory or the municipality and shall be removed from the metes and bounds description and survey map submitted to the qualified voters as provided in this section. The governing body, upon bond in penalty prescribed by the governing body with good and sufficient surety being given by petitioners, and conditioned to pay the costs of such election if a majority of the legal votes cast are against the proposed change in boundary, shall thereupon order a vote of the qualified voters of such municipality to be taken upon the proposed change on a date and at a time and place therein to be named in the order, not less than 20 nor more than 30 days from the date thereof. The governing body shall cause the order to be published, at the cost of the municipality, as a Class II-0 legal advertisement in compliance with §59-3-1 *et seq.* of this code, and the publication area for such publication shall be the municipality. The first publication shall be at least 14 days prior to the date upon which the vote is to be taken. The order so published shall contain an accurate description by metes and bounds of the territory which would be eliminated from

the corporate limits by the proposed change, and, if practicable, shall also contain a popular description of the territory.

The election shall be held, superintended, and conducted, and the results thereof ascertained, certified, returned, and canvassed in the same manner and by the same individuals as elections for municipal officers. The ballots, or ballot labels where voting machines are used, shall have written, or printed on them the words:

For Decrease of Corporate Limits

Against Decrease of Corporate Limits

When an election is held in any municipality in accordance with the provisions of this section, another such election relating to the same proposed change or any part thereof shall not be held for a period of one year.

If a majority of all of the legal votes cast within such municipality are in favor of the proposed change, then the governing body shall proceed as specified in the immediately succeeding section of this article.

AN ACT to amend and reenact §8-22-20 of the Code of West Virginia, 1931, as amended, relating to the amortization of annual impacts on funding deficiencies due to new gains or losses on assets and liabilities and changes in actuarial assumptions.

*Be it enacted by the Legislature of West Virginia:*

**ARTICLE 22. RETIREMENT BENEFITS GENERALLY;  
POLICEMEN'S PENSION AND RELIEF FUND;  
FIREMEN'S PENSION AND RELIEF FUND; PENSION  
PLANS FOR EMPLOYEES OF WATERWORKS  
SYSTEM, SEWERAGE SYSTEM OR COMBINED  
WATERWORKS AND SEWERAGE SYSTEM.**

**§8-22-20. Actuary; actuarial valuation report; minimum standards for annual municipality contributions to the fund; definitions; actuarial review and audit.**

(a) The West Virginia Municipal Pensions Oversight Board shall contract with or employ a qualified actuary to annually prepare an actuarial valuation report on each pension and relief fund. The selection of contract vendors to provide actuarial services, including the reviewing actuary as provided in subsection (c) of this section, shall be by competitive bid process but is specifically exempt from the purchasing provisions of article three,

chapter five-a of this code. The expense of the actuarial report shall be paid from moneys in the Municipal Pensions Security Fund. Uses of the actuarial valuations from the qualified actuary shall include, but not be limited to, determining a municipal policemen's or firemen's pension and relief fund's eligibility to receive state money and to provide supplemental benefits.

(b) The actuarial valuation report provided pursuant to subsection (a) of this section shall consist of, but is not limited to, the following disclosures: (1) The financial objective of the fund and how the objective is to be attained; (2) the progress being made toward realization of the financial objective; (3) recent changes in the nature of the fund, benefits provided or actuarial assumptions or methods; (4) the frequency of actuarial valuation reports and the date of the most recent actuarial valuation report; (5) the method used to value fund assets; (6) the extent to which the qualified actuary relies on the data provided and whether the data was certified by the fund's auditor or examined by the qualified actuary for reasonableness; (7) a description and explanation of the actuarial assumptions and methods; (8) an evaluation of each plan using the alternative funding method, to assess advantages of changing to other funding methods as provided in this article; and (9) any other information required in §8-22-20a of this code or that the qualified actuary feels is necessary or would be useful in fully and fairly disclosing the actuarial condition of the fund.

(c)(1) Except as provided in subsections (e) and (f) of this section, beginning June 30, 1991, and thereafter, the financial objective of each municipality shall not be less than to contribute to the fund annually an amount which, together with the contributions from the members and the allocable portion of the Municipal Pensions and Protection Fund for municipal pension and relief funds established under §33-3-14d of this code or a municipality's allocation from the Municipal Pensions Security Fund created in §8-22-18b of this code and other income sources as authorized by law will be sufficient to meet the normal cost of the fund and amortize any actuarial deficiency over a period of not more than forty years beginning from July 1, 1991: *Provided*, That in the fiscal year ending June 30, 1991, the municipality may elect

to make its annual contribution to the fund using an alternative contribution in an amount not less than: (i) One hundred seven percent of the amount contributed for the fiscal year ending June 30, 1990; or (ii) an amount equal to the average of the contribution payments made in the five highest fiscal years beginning with the fiscal year ending 1984, whichever is greater: *Provided, however,* That contribution payments in subsequent fiscal years under this alternative contribution method may not be less than 107 percent of the amount contributed in the prior fiscal year: *Provided further,* That in order to avoid penalizing municipalities and to provide flexibility when making contributions, municipalities using the alternative contribution method may exclude a one-time additional contribution made in any one year in excess of the minimum required by this section: *And provided further,* That the governing body of any municipality may elect to provide an employer continuing contribution of one percent more than the municipality's required minimum under the alternative contribution plan authorized in this subsection: *And provided further,* That if any municipality decides to contribute an additional one percent, then that municipality may not reduce the additional contribution until the respective pension and relief fund no longer has any actuarial deficiency: *And provided further,* That any decision and any contribution payment by the municipality is not the liability of the State of West Virginia: *And provided further,* That if any municipality or any pension fund board of trustees makes a voluntary election and thereafter fails to contribute the voluntarily increase as provided in this section and in §8-22-19(c) of this code, then the board of trustees is not eligible to receive funds allocated under §33-3-14d of this code: *And provided further,* That prior to using this alternative contribution method the actuary of the fund shall certify in writing that the fund is projected to be solvent under the alternative contribution method for the next consecutive 15 year period. For purposes of determining this minimum financial objective: (i) The value of the fund's assets shall be determined on the basis of any reasonable actuarial method of valuation which takes into account fair market value; and (ii) all costs, deficiencies, rate of interest and other factors under the fund shall be determined on the basis of actuarial assumptions and methods which, in aggregate, are reasonable (taking into account

the experience of the fund and reasonable expectations) and which, in combination, offer the qualified actuary's best estimate of anticipated experience under the fund: *And provided further*, That any municipality which elected the alternative funding method under this section and which has an unfunded actuarial liability of not more than 25 percent of fund assets, may, beginning September 1, 2003, elect to revert to the standard funding method, which is to contribute to the fund annually an amount which is not less than an amount which, together with the contributions from the members and the allocable portion of the Municipal Pensions and Protection Fund for municipal pension and relief funds established under §33-3-14d of this code and other income sources as authorized by law, will be sufficient to meet the normal cost of the fund and amortize any actuarial deficiency over a period of not more than 40 years, beginning from July 1, 1991.

(2) No municipality may anticipate or use in any manner any state funds accruing to the police or fireman's pension fund to offset the minimum required funding amount for any fiscal year.

(3) Notwithstanding any other provision of this section or article to the contrary, each municipality shall contribute annually to its policemen's pension and relief fund and its firemen's pension and relief fund an amount which may not be less than the normal cost, as determined by the annual actuarial valuation report required by this section: *Provided*, That in any fiscal year in which the actuarial valuation report determines that a municipality's policemen's pension and relief fund or firemen's pension and relief fund is funded at 125 percent or higher and the Municipal Pensions Oversight Board's actuary provides an actuarial recommendation that the normal cost does not need to be paid by the employer for that fiscal year, that municipality may elect to make no contribution for that fiscal year. A municipality's election not to contribute the normal cost in any year does not affect the payments required by §8-22-19 of this code by members to a pension and relief fund and these payments are to continue as required by that section.

(4) The actuarial process, which includes the selection of methods and assumptions, shall be reviewed by the qualified actuary no less than once every five years. Furthermore, the

qualified actuary shall provide a report to the oversight board with recommendations on any changes to the actuarial process.

(5) The oversight board shall hire an independent reviewing actuary to perform an actuarial audit of the work performed by the qualified actuary no less than once every seven years.

(d) For purposes of this section, the term “qualified actuary” means only an actuary who is a member of the Society of Actuaries or the American Academy of Actuaries. The qualified actuary shall be designated a fiduciary and shall discharge his or her duties with respect to a fund solely in the interest of the members and members’ beneficiaries of that fund. In order for the standards of this section to be met, the qualified actuary shall certify that the actuarial valuation report is complete and accurate and that in his or her opinion the technique and assumptions used are reasonable and meet the requirements of this section.

(e)(1) Beginning January 1, 2010, municipalities may choose the optional method of financing municipal policemen’s or firemen’s pension and relief funds as outlined in this subsection in lieu of the standard or alternative methods as provided in subdivision (1), subsection (c) of this section.

(2) For those municipalities choosing the optional method of finance, the minimum standard for annual municipality contributions to each policemen’s or firemen’s pension and relief fund shall be an amount which, together with the contributions from the members and allocable portion of the Municipal Pensions and Protection Fund or Municipal Pensions Security Fund created in §8-22-18b of this code, and other income sources as authorized by law, will be sufficient to meet the normal cost of the fund and amortize any actuarial deficiency over a period of not more than 40 years beginning January 1, 2010: *Provided*, That those municipalities using the standard method of financing in 2009 shall continue to amortize their actuarial deficiencies over a period of not more than 40 years beginning July 1, 1991. The required contribution shall be determined each plan year as described above by the actuary retained by the oversight board, based on an actuarial valuation reflecting actual demographic and investment

experience and consistent with the Actuarial Standards of Practice published by the Actuarial Standards Board.

(3) A municipality choosing the optional method of financing a policemen's or firemen's pension and relief fund as provided in this subsection shall close the fund to police officers or fire fighters newly hired on or after January 1, 2010, and provide for those employees to be members of the Municipal Police Officers and Firefighters Retirement System as established in §8-22A-1 *et seq.*, of this code.

(f)(1) Beginning April 1, 2011, any municipality using the alternative method of financing may choose a conservation method of financing its municipal policemen's and firemen's pension and relief funds as outlined in this subsection, in lieu of the alternative method as provided in subdivision (1), subsection (c), or the optional method as provided in subsection (e) of this section.

(2) For those municipalities choosing the conservation method of finance, until a plan is funded at 100 percent, a part of each plan member's employee contribution to the fund equal to one and one-half percent of the employee's compensation, shall be deposited into and remain in the trust and accumulate investment return. In addition, until a plan is funded at 100 percent, an actuarially determined portion of the premium tax allocation to each fund provided in accordance with section fourteen-d, article three, and section seven, article twelve-c of chapter thirty-three of this code shall also be deposited into and remain in the trust and accumulate investment return. This variable percentage of premium tax allocation to be retained in each fund shall be determined annually by the qualified actuary provided pursuant to subsection (a) of this section to be an amount required, along with other assets of the fund as necessary to reach a funded level of 100 percent in 35 years from the time of adoption of the conservation financing method. The variable percentage shall be calculated using a prospective four-year rolling average.

(3) Upon adoption of the conservation method of finance, the municipality shall close its pension and relief funds to new members and shall place police officers and firefighters newly

hired after adoption of the conservation method into the Municipal Police Officers and Firefighters Retirement System created in §8-22A-1 *et seq.*, of this code.

(4) Upon adoption of the conservation method of financing, the minimum standard for annual municipality contributions to each policemen's or firemen's pension and relief fund shall be an amount which, together with member contributions and premium tax proceeds not required to be retained in the trust pursuant to this subsection, and other income sources as authorized by law, is sufficient to meet the annual benefit and administrative expense payments from the funds on a pay-as-you-go basis: *Provided*, That at the time the actuarial report required by this section indicates no actuarial deficiency in the municipal policemen's or firemen's pension and relief fund, the minimum annual required contribution of the municipality may not be less than an amount which together with all member contributions and other income authorized by law, is sufficient to pay normal cost.

(g) Beginning with the July 1, 2020, actuarial valuation, the existing actuarial deficiency, prior to reflecting any new gains or losses as of July 1, 2020, such as those due to investment experience, differences between actual and expected contributions, demographic experience, and changes to actuarial assumptions, shall continue to be amortized as required by subsections (c) and (e) of this section: *Provided*, That on July 1, 2020, and each successive annual valuation date thereafter, the annual impacts on the funding deficiency due to: (i) New gains or losses on assets and liabilities; and (ii) changes in actuarial assumptions, shall each be amortized over a closed period of 15 years, thereby creating layers of amortization bases rather than amortizing the entire actuarial deficiency over the same single and decreasing period: *Provided, however*, That impacts on the funding deficiency due to plan changes shall be amortized over closed five year periods. The management of these amortization bases by the actuary should entail the consideration, at least every five years, of whether to implement strategies, such as the synchronization of certain amortization layers, to help avoid volatility to the sum of the amortization payments generally resulting from the expiration of

charge and credit layers at different times. The required contribution shall be determined each plan year as described above by the actuary retained by the oversight board, based on an actuarial valuation reflecting actual demographic and investment experience and consistent with the Actuarial Standards of Practice published by the Actuarial Standards Board.

(a) “Accrued benefit” means on behalf of any member two and six-tenths percent per year of the member’s final average salary for the first 20 years of credited service. Additionally, two percent per year for 21 through 25 years and one percent per year for 26 through 30 years will be credited with a maximum benefit of 67 percent of a member’s final average salary. (e) “Annual compensation” means the wages paid to the member during covered employment within the meaning of Section 3401(a) of the Internal Revenue Code, but determined without regard to any rules that limit the remuneration included in wages based on the nature or location of employment or services

performed during the plan year plus amounts excluded under Section 414(h)(2) of the Internal Revenue Code and less reimbursements or other expense allowances, cash or noncash fringe benefits, or both, deferred compensation and welfare benefits. Annual compensation for determining benefits during any determination period may not exceed the maximum compensation allowed as adjusted for cost-of-living in accordance with §5-10D-7 of this code and Section 401(a) (17) of the Internal Revenue Code.

(f) “Annual leave service” means accrued annual leave.

(g) “Annuity starting date” means the first day of the month for which an annuity is payable after submission of a retirement application or the required beginning date, if earlier. For purposes of this subsection, if retirement income payments commence after the normal retirement age, “retirement” means the first day of the month following or coincident with the latter of the last day the member worked in covered employment or the member’s normal retirement age and after completing proper written application for retirement on an application supplied by the board.

article the amount specified as the member's contribution in §8-22A-8 of this code.

(k) "Credited service" means the sum of a member's years of service, active military duty and disability service.

Hours under this subdivision shall be calculated and credited pursuant to West Virginia Division of Labor rules. The same hours of service may not be credited both under subdivision (1) or (2) of this subsection and under this subdivision. Hours under this paragraph shall be credited to the member for the plan year or years to which the award or agreement pertains, rather than the plan year in which the award, agreement or payment is made.

(t) "Member" means, except as provided in §8-22A-32 and §8-22A-33 of this code, a person hired as a municipal police officer or municipal firefighter, as defined in this section, by a participating municipal employer on or after January 1, 2010. A member shall

(v) “Municipality” has the meaning ascribed to it in this code.

(w)(1) “Municipal police officer” means an individual employed as a member of a paid police department by a West Virginia municipality or municipal subdivision which has established and maintains a municipal policemen’s pension and relief fund, and who is not a member of, and not eligible for membership in, a municipal policemen’s pension and relief fund as provided in §8-22-16 of this code: *Provided*, That municipal police officer also means an individual employed as a member of a paid police department by a West Virginia municipality or municipal subdivision which is authorized to elect to participate in the plan pursuant to §8-22A-33 of this code. Paid fire department does not mean a department whose employees are paid nominal salaries or wages or are paid only for services actually rendered on an hourly basis.

(x) “Municipal subdivision” means any separate corporation or instrumentality established by one or more municipalities, as permitted by law; and any public corporation charged by law with

the performance of a governmental function and whose jurisdiction is coextensive with one or more municipalities.

If there is neither a surviving spouse nor a dependent child, the fund shall pay in equal monthly installments to the dependent parents of the deceased member during their joint lifetimes a sum equal to the amount which a surviving spouse, without children, would have

**(Com. Sub. for H. B. 2953 - By Delegates Hardy, Westfall,  
Jennings, Clark, Linville, Hott, D. Jeffries, Graves, Tully,  
Storch and Forsht)**

[Passed April 10, 2021; in effect ninety days from passage.]  
[Approved by the Governor on April 26, 2021.]

AN ACT to amend and reenact §7-17-3 and §7-17-12 of the Code of West Virginia, 1931, as amended, all relating to county fire protection services; clarifying that county commission may contract with fire department of any political subdivision for fire protection services; and modifying existing method for imposing fire service fees to add procedure for a ballot referendum to be used, if desired, instead of utilizing current procedure requiring 10 percent of voters to petition for imposition of such fees.

*Be it enacted by the Legislature of West Virginia:*

### **ARTICLE 17. COUNTY FIRE BOARDS.**

#### **§7-17-3. County fire association creation; prohibiting entrance by a municipality maintaining a full time paid fire department.**

The fire departments within each county are hereby authorized to create and establish a county fire association, hereinafter referred to as “fire association.” The county fire association is created to discuss fire protection services to address fire protection problems at the county level.

Upon the creation of a fire association, any full-time paid fire department located in a municipality, as defined in §8-15-9 of this code is excluded from the provisions of this article.

However, this provision shall not prohibit the county commission or the fire board with the approval of the county commission from contracting with the fire department of any political subdivision for fire protection services rendered to the county.

**§7-17-12. County fire service fees; petition; election; dedication; and amendment.**

(a) Every county commission which provides fire protection services has plenary power and authority to provide by ordinance for the continuance or improvement of such service, to make regulations with respect thereto and to impose by ordinance, upon the users of such services, reasonable fire service rates, fees and charges to be collected in the manner specified in the ordinance.

(b) Any fees imposed under this article are dedicated to the county fire board for the purposes provided in this article.

(c) A county commission can impose by ordinance, upon the users of such service, a reasonable fire service fee, by one of two methods:

(1) Ten percent of the qualified voters shall present a petition duly signed by them in their own handwriting, and filed with the clerk of the county commission, directing that the county commission impose such a fee. The county commission shall not have a lien on any property as security for payments due under the ordinance. Any ordinance enacted under the provisions of this section shall be published as a Class II legal advertisement in compliance with the provisions of §59-3-1 *et seq.* of this code, and the publication area for such publication shall be the county in which the county fire board is located. In the event 30 percent of the qualified voters of the county by petition duly signed by them in their own handwriting and filed with the clerk of the county commission within 45 days after the expiration of such publication protest against such ordinance as enacted or amended, the ordinance may not become effective until it is ratified by a majority of the legal votes cast thereon by the qualified voters of such county at any primary, general or special election as the county

commission directs. Voting thereon may not take place until after notice of the submission has been given by publication as above provided for the publication of the ordinance after it is adopted. The powers and authority hereby granted to county commissions are in addition to and supplemental to the powers and authority otherwise granted to them by other provisions of this code; or

(2) If the county fire board determines an amendment in the fee imposed in subsection (a) of this article is necessary, it may, by resolution, request the county commission for such a change. Upon receipt of the resolution from the county fire board, the county commission shall, by ballot referendum, amend the ordinance imposing a fire fee and adopt the changes in the fee requested by the county fire board.

(A) This referendum, to determine whether it is the will of the voters of a county that an amendment to the fire fee is necessary, may be held at any regular primary or general election, or, in conjunction with any other countywide election. Any election at which the question of amending the fire fee is voted upon shall be held at the voting precincts established for holding primary or general elections. All of the provisions of the election laws, when not in conflict with the provisions of this article, shall apply to voting and elections hereunder, insofar as practicable. The county commission shall, not less than 90 days before the election, order that the issue be placed on the ballot and referendum held at the next primary, general, or special election to determine whether it is the will of the voters of the county that a fire fee be amended: *Provided*, That prior to issuing the order, the county commission shall publish the ordinance which must contain the anticipated allocation of any fees or charges and which would be enacted should the referendum succeed as a Class II legal advertisement in compliance with the provisions of §59-3-1 *et seq.* of this code, and the publication area for such publication shall be the county in which the county fire board is located.

(B) The ballot, or the ballot labels where voting machines are used, shall have printed thereon substantially the following:

“Shall the county commission be permitted to amend the fire fee in \_\_\_\_\_ County, West Virginia?

For the fee amendment.

Against the fee amendment.

(Place a cross mark in the square opposite your choice.)”

(C) If a majority of legal votes cast upon the question be for the fire fee amendment, the county commission shall, after the certification of the results of the referendum, thereafter adopt an ordinance, within 60 days of certification, establishing the fire fee amendment in the county: *Provided*, That such program shall be implemented and operational no later than 12 months following certification. If a majority of the legal votes cast upon the question be against the fire fee amendment, then the policy shall not take effect, but the question may again be submitted to a referendum at any subsequent election in the manner herein provided.

(C) Any other ballot or portion of a ballot on a question is to have a heading which clearly states the purpose of the election according to the statutory requirements for that question.

(3) (A) For paper ballots, the heading of the ballot is to be separated from the rest of the ballot by heavy lines and the offices shall be arranged in columns with the following headings, from left to right across the ballot: “National Ticket”, “State Ticket”, “Nonpartisan Judicial Ballot”, “County Ticket”, “Nonpartisan Ballot” in a nonpresidential election year, “District Ticket” or, in a presidential election year, “National Convention”. The columns are to be separated by heavy lines. Within the columns, the offices are to be arranged in the order prescribed in §3-5-13a of this code.

(B) For voting machines, electronic voting devices and any ballot tabulated by electronic means, the offices are to appear in the same sequence as prescribed in §3-5-13a of this code and under the same headings as prescribed in paragraph (A) of this subdivision. The number of pages, columns or rows, where applicable, may be

modified to meet the limitations of ballot size and composition requirements subject to approval by the Secretary of State.

(C) The title of each office is to be separated from preceding offices or candidates by a line and is to be printed in bold type no smaller than eight point. Below the office is to be printed the number of the district, if any, the number of the division, if any, and the words "Vote for \_\_\_\_\_" with the number to be nominated or elected or "Vote For Not More Than \_\_\_\_\_" in multicandidate elections. For counties in which the number of county commissioners exceeds three and the total number of members of the county commission is equal to the number of magisterial districts within the county, the office of county commission is to be listed separately for each district to be filled with the name of the magisterial district and the words "Vote for One" printed below the name of the office: *Provided*, That the office title and applicable instructions may span the width of the ballot so as it is centered among the respective columns.

Subject to the rules promulgated by the Secretary of State, the name of each candidate is to appear in the form set out by the candidate on the certificate of announcement, but in no case may the name misrepresent the identity of the candidate nor may the name include any title, position, rank,

degree, or nickname implying or inferring any status as a member of a class or group or affiliation with any system of belief.

(B) The city of residence of every candidate, the state of residence of every candidate residing outside the state, the county of residence of every candidate for an office on the ballot in more than one county and the magisterial district of residence of every candidate for an office subject to magisterial district limitations are to be printed in lower case letters beneath the names of the candidates.

(C) The arrangement of names within each office must be determined as prescribed in §3-5-13a of this code.

(D) If the number of candidates for an office exceeds the space available on a column or ballot page and requires that candidates for a single office be separated, to the extent possible, the number of candidates for the office on separate columns or pages are to be nearly equal and clear instructions given the voter that the candidates for the office are continued on the following column or page.

(5) When an insufficient number of candidates has filed for a party to make the number of nominations allowed for the office or for the voters to elect sufficient members to the Board of Education or to executive committees, the vacant positions on the ballot shall be filled with the words "No Candidate Filed": *Provided*, That in paper ballot systems which allow for write-ins to be made directly on the ballot, a blank line shall be placed in any vacant position in the office of Board of Education or for election to any party executive committee. A line shall separate each candidate from every other candidate for the same office. Notwithstanding any other provision of this code, if there are multiple vacant positions on a ballot for one office, the multiple vacant positions which would otherwise be filled with the words "No Candidate Filed" may be replaced with a brief detailed description, approved by the Secretary of State, indicating that there are no candidates listed for the vacant positions.

(6) In presidential election years, the words “For election in accordance with the plan adopted by the party and filed with the Secretary of State” is to be printed following the names of all candidates for delegate to national convention.

(7) All paper ballots are to be printed in black ink on paper sufficiently thick so that the printing or marking cannot be discernible from the back: *Provided*, That no paper ballot voted pursuant to the provisions of 42 U. S. C. §1973, *et seq.*, the Uniformed and Overseas Citizens Absentee Voting Act of 1986, or federal write-in absentee ballot may be rejected due to paper type, envelope type, or notarization requirement. Ballot cards and paper for printing ballots using electronically sensible ink are to meet minimum requirements of the tabulating systems and are to conform in size and weight to ensure ease in tabulation.

(8) Ballots are to contain perforated tabs at the top of the ballots and are to be printed with unique sequential numbers from one to the highest number representing the total number of ballots printed. On paper ballots, the ballot is to be bordered by a solid line at least one sixteenth of an inch wide and the ballot is to be trimmed to within one-half inch of that border.

(9) On the back of every official ballot or ballot card the words “Official Ballot” with the name of the county and the date of the election are to be printed. Beneath the date of the election there are to be two blank lines followed by the words “Poll Clerks”.

(10) The face of sample paper ballots and sample ballot labels are to be like other official ballots or ballot labels except that the word “sample” is to be prominently printed across the front of the ballot in a manner that ensures the names of candidates are not obscured and the word “sample” may be printed in red ink. No printing may be placed on the back of the sample.

## **ARTICLE 5. REVIEW.**

### **§23-5-1. Notice by commission or self-insured employer of decision; procedures on claims; objections and hearing; effective until June 30, 2022.**

(a) The Insurance Commissioner, private carriers, and self-insured employers may determine all questions within their jurisdiction. In matters arising under §23-2C-8(c) of this code, and under §23-3-1 *et seq.* and §23-4-1 *et seq.* of this code, the Insurance Commissioner, private carriers, and self-insured employers shall promptly review and investigate all claims. The parties to a claim are the claimant and, if applicable, the claimant's dependents, and the employer, and with respect to claims involving funds created in §23-2C-1 *et seq.* of this code for which he or she has been designated the administrator, the Insurance Commissioner. In claims in which the employer had coverage on the date of the injury or last exposure, the employer's carrier has sole authority to act on the employer's behalf in all aspects related to litigation of the claim. With regard to any issue which is ready for a decision, the Insurance Commissioner, private carrier, or self-insured employer, whichever is applicable, shall promptly send the decision to all parties, including the basis of its decision. As soon as practicable after receipt of any occupational pneumoconiosis or occupational disease claim, or any injury claim in which temporary total benefits are being claimed, the Insurance Commissioner, private carrier, or self-insured employer, whichever is applicable, shall send the claimant a brochure approved by the Insurance Commissioner setting forth the claims process.

(b) (1) Except with regard to interlocutory matters, upon making any decision, upon making or refusing to make any award, or upon making any modification or change with respect to former findings or orders, as provided by §23-4-16 of this code, the Insurance Commissioner, private carrier, or self-insured employer, whichever is applicable, shall give notice, in writing, to the parties to the claim of its action. The notice shall state the time allowed for

filing a protest to the finding. The action of the Insurance Commissioner, private carrier, or self-insured employer, whichever is applicable, is final unless the decision is protested within 60 days after the receipt of such decision unless a protest is filed within the 60-day period, the finding or action is final. This time limitation is a condition of the right to litigate the finding or action and hence jurisdictional. Any protest shall be filed with the Office of Judges with a copy served upon the parties to the claim, and other parties in accordance with the procedures set forth in §23-8-1 *et seq.* and §23-9-1 *et seq.* of this code. An employer may protest decisions incorporating findings made by the Occupational Pneumoconiosis Board, decisions made by the Insurance Commissioner acting as administrator of claims involving funds created in §23-2C-1 *et seq.* of this code or decisions entered pursuant to §23-4-7A(c)(1) of this code.

(2) (A) With respect to every application for benefits filed on or after July 1, 2008, in which a decision to deny benefits is protested and the matter involves an issue as to whether the application was properly filed as a new claim or a reopening of a previous claim, the party that denied the application shall begin to make conditional payment of benefits and must promptly give notice to the Office of Judges that another identifiable person may be liable. The Office of Judges shall promptly order the appropriate persons be joined as parties to the proceeding: *Provided*, That at any time during a proceeding in which conditional payments are being made in accordance with the provisions of this subsection, the Office of Judges may, pending final determination of the person properly liable for payment of the claim, order that such conditional payments of benefits be paid by another party.

(B) Any conditional payment made pursuant to paragraph (A) of this subdivision shall not be deemed an admission or conclusive finding of liability of the person making such payments. When the administrative law judge has made a determination as to the party properly liable for payment of the claim, he or she shall direct any monetary adjustment or reimbursement between or among the Insurance Commissioner, private carriers, and self-insured employers as is necessary.

(c) The Office of Judges may direct that:

(1) An application for benefits be designated as a petition to reopen, effective as of the original date of filing;

(2) A petition to reopen be designated as an application for benefits, effective as of the original date of filing; or

(3) An application for benefits or petition to reopen filed with the Insurance Commissioner, private carrier, or self-insured employer be designated as an application or petition to reopen filed with another private carrier, self-insured employer, or Insurance Commissioner, effective as of the original date of filing.

(d) Where an employer protests a written decision entered pursuant to a finding of the Occupational Pneumoconiosis Board, a decision on a claim made by the Insurance Commissioner acting as the administrator of a fund created in §23-2C-1 *et seq.* of this code, or decisions entered pursuant to §23-4-7A(c)(1) of this code, and the employer does not prevail in its protest, and in the event the claimant is required to attend a hearing by subpoena or agreement of counsel, or at the express direction of the Office of Judges, then the claimant, in addition to reasonable traveling and other expenses, shall be reimbursed for loss of wages incurred by the claimant in attending the hearing.

(e) The Insurance Commissioner, private carrier, or self-insured employer, whichever is applicable, may amend, correct, or set aside any order or decision on any issue entered by it, which, at the time of issuance or any time after that, is discovered to be defective or clearly erroneous or the result of mistake, clerical error, or fraud, or with respect to any order or decision denying benefits, otherwise not supported by the evidence, but any protest filed prior to entry of the amended decision is a protest from the amended decision unless and until the administrative law judge before whom the matter is pending enters an order dismissing the protest as moot in light of the amendment. Jurisdiction to issue an amended decision pursuant to this subsection continues until the expiration of two years from the date of a decision to which the amendment is made unless the decision is sooner affected by an

action of an administrative law judge or other judicial officer or body: *Provided*, That corrective actions in the case of fraud may be taken at any time.

(f) This section is of no force and effect after June 30, 2022.

**§23-5-1a. Notice by commission or self-insured employer of decision; procedures on claims; objections and hearing; effective July 1, 2022.**

(a) The Insurance Commissioner, private carriers, and self-insured employers may determine all questions within their jurisdiction. In matters arising under §23-2C-8(c), and under §23-3-1 *et seq.* and §23-4-1 *et seq.* of this code, the Insurance Commissioner, private carriers, and self-insured employers, whichever is applicable, shall promptly review and investigate all claims. The parties to a claim are the claimant and, if applicable, the claimant's dependents, the employer, and, with respect to claims involving funds created in §23-2C-1 *et seq.* of this code for which he or she has been designated the administrator, the Insurance Commissioner. In claims in which the employer had coverage on the date of the injury or last exposure, the employer's carrier has sole authority to act on the employer's behalf in all aspects related to litigation of the claim. With regard to any issue which is ready for a decision, the Insurance Commissioner, private carrier, or self-insured employer, whichever is applicable, shall promptly send the decision to all parties, including the basis of its decision. As soon as practicable after receipt of any occupational pneumoconiosis or occupational disease claim or any injury claim in which temporary total benefits are being claimed, the Insurance Commissioner, private carrier, or self-insured employer, whichever is applicable, shall send the claimant a brochure approved by the Insurance Commissioner setting forth the claims process.

(b) (1) Except with regard to interlocutory matters, upon making any decision, upon making or refusing to make any award, or upon making any modification or change with respect to former findings or orders, as provided by §23-4-16 of this code, the Insurance Commissioner, private carrier, or self-insured employer,

whichever is applicable, shall give notice, in writing, to the parties to the claim of its action. The notice shall state the time allowed for filing an objection to the finding. The action of the Insurance Commissioner, private carrier, or self-insured employer, whichever is applicable, is final unless an objection to the decision is properly filed within 60 days after the receipt of such decision. This time limitation is a condition of the right to litigate the finding or action and hence jurisdictional. Any objection shall be filed with the Workers' Compensation Board of Review, as provided in §23-5-8a and §23-5-8b of this code, with a copy served upon the parties to the claim, and other parties in accordance with the procedures set forth in §23-5-8a and §23-5-9a of this code. An employer may file an objection to a decision incorporating findings made by the Occupational Pneumoconiosis Board, decisions made by the Insurance Commissioner acting as administrator of claims involving funds created in §23-2C-1 *et seq.* of this code, or decisions entered pursuant to §23-4-7a(c)(1) of this code.

(2) (A) With respect to every application for benefits in which an objection to a decision to deny benefits is filed and the matter involves an issue as to whether the application was properly filed as a new claim or a reopening of a previous claim, the party that denied the application shall begin to make conditional payment of benefits and must promptly give notice to the Workers' Compensation Board of Review that another identifiable person may be liable. The Workers' Compensation Board of Review shall promptly order the appropriate persons be joined as parties to the proceeding: *Provided*, That at any time during a proceeding in which conditional payments are being made in accordance with the provisions of this subsection, the Workers' Compensation Board of Review may, pending final determination of the person properly liable for payment of the claim, order that such conditional payments of benefits be paid by another party.

(B) Any conditional payment made pursuant to paragraph (A) of this subdivision shall not be deemed an admission or conclusive finding of liability of the person making such payments. When the Workers' Compensation Board of Review has made a determination as to the party properly liable for payment of the

claim, the Board of Review shall direct any monetary adjustment or reimbursement between or among the Insurance Commissioner, private carriers, and self-insured employers as is necessary.

(c) The member of the Workers' Compensation Board of Review assigned to an objection, as provided in §23-5-9a(b) of this code, may direct that:

(1) An application for benefits be designated as a petition to reopen, effective as of the original date of filing;

(2) A petition to reopen be designated as an application for benefits, effective as of the original date of filing; or

(3) An application for benefits or petition to reopen filed with the Insurance Commissioner, private carrier, or self-insured employer be designated as an application or petition to reopen filed with another private carrier, self-insured employer, or Insurance Commissioner, effective as of the original date of filing.

(d) Where an employer files an objection to a written decision entered pursuant to a finding of the Occupational Pneumoconiosis Board, a decision on a claim made by the Insurance Commissioner acting as the administrator of a fund created in §23-2C-1 *et seq.* of this code, or decisions entered pursuant to §23-4-7a(c)(1) of this code, and the employer does not prevail in its objection, and in the event the claimant is required to attend a hearing by subpoena, or agreement of counsel, or at the express direction of Workers' Compensation Board of Review, then the claimant, in addition to reasonable traveling and other expenses, shall be reimbursed for loss of wages incurred by the claimant in attending the hearing.

(e) The Insurance Commissioner, private carrier, or self-insured employer, whichever is applicable, may amend, correct, or set aside any order or decision on any issue entered by it which, at the time of issuance or any time after that, is discovered to be defective, or clearly erroneous, or the result of mistake, clerical error, or fraud, or with respect to any order or decision denying benefits, otherwise not supported by the evidence: *Provided*, That any objection filed prior to entry of the amended

decision is an objection to the amended decision unless and until the Workers' Compensation Board of Review enters an order dismissing the objection as moot in light of the amendment. Jurisdiction to issue an amended decision pursuant to this subsection continues until the expiration of two years from the date of a decision to which the amendment is made unless the decision is sooner affected by an action of the Workers' Compensation Board of Review or a judicial officer or body: *Provided, however*, That corrective actions in the case of fraud may be taken at any time.

(a) If it appears to the Insurance Commissioner, private insurance carriers, and self-insured employers, whichever is applicable, that an application filed under §23-2-1 *et seq.* of this code fails to disclose a progression or aggravation in the claimant's condition, or some other fact or facts which were not previously considered in its former findings and which would entitle the claimant to greater benefits than the claimant has already received, the Insurance Commissioner, private insurance carriers, and self-insured employers, whichever is applicable, shall, within a reasonable time, notify the claimant and the employer that the application fails to establish a prima facie cause for reopening the claim. The notice shall be in writing stating the reasons for denial and the time allowed for objection to the decision of the commission. The claimant may, within 60 days after receipt of the notice, object in writing to the finding. Unless the objection is filed within the 60-day period, no objection shall be allowed. This time limitation is a condition of the right to objection and hence jurisdictional. The notice shall be in writing stating the reasons for denial and the time allowed for objection to the decision of the commission. If the application discloses cause for a further adjustment, the commission, the successor to the commission, other private insurance carriers and self-insured employers, whichever is applicable, shall, after due notice to the employee, make the modifications or changes with respect to former findings or orders that are justified. Any party dissatisfied with any

The employer may, within 30 days after receipt of the notice, object in writing to the decision. Unless the objection is filed within the 30-day period, no objection shall be allowed. (3) A decision of the Board of Review is binding upon the executive director and the commission and the successor to the commission, other private insurance carriers, and self-insured employers, whichever is applicable, with respect to the parties involved in the particular appeal. The executive director, the successor to the commission, other private insurance carriers, and self-insured employers, whichever is applicable, shall have the right to seek judicial review of a board of review decision irrespective of whether or not he or she appeared or participated in the appeal to the Board of Review.

(d) Instead of affirming, reversing, or modifying the decision of the administrative law judge, the board may, upon motion of any party or upon its own motion, for good cause shown, to be set forth in the order of the board, remand the case to the chief administrative law judge for the taking of such new, additional, or further evidence as in the opinion of the board may be necessary for a full and complete development of the facts of the case. In the event the board shall remand the case to the chief administrative law judge for the taking of further evidence, the administrative law

judge shall proceed to take new, additional, or further evidence in accordance with any instruction given by the board within 30 days after receipt of the order remanding the case. The chief administrative law judge shall give to the interested parties at least 10 days' written notice of the supplemental hearing, unless the taking of evidence is postponed by agreement of parties, or by the administrative law judge for good cause. After the completion of a supplemental hearing, the administrative law judge shall, within 60 days, render his or her decision affirming, reversing, or modifying the former action of the administrative law judge. The decision shall be appealable to and proceeded with by the Board of Review in the same manner as other appeals. In addition, upon a finding of good cause, the board may remand the case to the Workers' Compensation Commission, the successor to the commission, other private insurance carriers, and self-insured employers, whichever is applicable, for further development. Any decision made by the commission, the successor to the commission, other private insurance carriers, and self-insured employers, whichever is applicable, following a remand shall be subject to objection to the Office of Judges and not to the board. The board may remand any case as often as in its opinion is necessary for a full development and just decision of the case.

(e) All appeals from the action of the administrative law judge shall be decided by the board at the same session at which they are heard, unless good cause for delay thereof be shown and entered of record.

(f) In all proceedings before the board, any party may be represented by counsel.

(g) This section is of no force and effect after June 30, 2022.

**§23-5-12a. Appeal of board decisions to the Intermediate Court of Appeals; procedure; remand and supplemental hearing; effective July 1, 2022.**

(a) Any employer, employee, claimant, or dependent who shall feel aggrieved by a decision of the Workers' Compensation Board of Review shall have the right to appeal to the West Virginia

Intermediate Court of Appeals, created by §51-11-1 *et seq.* of this code, for a review of such action. The Insurance Commissioner, other private insurance carriers, and self-insured employers, whichever is applicable, shall likewise have the right to appeal to the Intermediate Court of Appeals any final action taken by the Workers' Compensation Board of Review. The aggrieved party shall file a written notice of appeal with the Intermediate Court of Appeals, with a copy to the Workers' Compensation Board of Review, within 30 days after receipt of notice of the action complained of or, in any event, regardless of notice, within 60 days after the date of the action complained of: *Provided*, That unless the notice of appeal is filed within the time specified, no appeal shall be allowed: *Provided, however*, That the time limitation is a condition of the right to appeal and hence jurisdictional. The board shall notify the other parties immediately upon the filing of a notice of appeal. The notice of appeal shall state the grounds for review and whether oral argument is requested. The Workers' Compensation Board of Review, after receiving a copy of the notice of appeal, shall forthwith make up a transcript of any proceedings before the board of review and certify and transmit it to the Intermediate Court of Appeals. The certificate shall incorporate a brief recital of the proceedings in the matter and recite each order entered or decision issued and the date thereof.

(b) The Intermediate Court of Appeals shall set a time and place for the hearing of arguments on each claim and shall notify the interested parties thereof. The review by the court shall be based upon the record submitted to it and such oral argument as may be requested and received. The Intermediate Court of Appeals may affirm, reverse, modify, or supplement the decision of the Workers' Compensation Board of Review and make such disposition of the case as it determines to be appropriate. Briefs may be filed by the interested parties in accordance with the rules of procedure prescribed by the court. The Intermediate Court of Appeals may affirm the order or decision of the Workers' Compensation Board of Review or remand the case for further proceedings. It shall reverse, vacate, or modify the order or decision of the Workers' Compensation Board of Review, if the

substantial rights of the petitioner or petitioners have been prejudiced because the Board of Review's findings are:

- (1) In violation of statutory provisions;
- (2) In excess of the statutory authority or jurisdiction of the Board of Review;
- (3) Made upon unlawful procedures;
- (4) Affected by other error of law;
- (5) Clearly wrong in view of the reliable, probative, and substantial evidence on the whole record; or
- (6) Arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.

(c) After a review of the case, the Intermediate Court of Appeals shall issue a written decision and send a copy by mail to the parties.

(1) All decisions, findings of fact, and conclusions of law of the Intermediate Court of Appeals shall be in writing and state with specificity the laws and facts relied upon to sustain, reverse, or modify the Board of Review's decision.

(2) A decision of the Intermediate Court of Appeals is binding upon the Insurance Commissioner, other private insurance carriers, and self-insured employers, whichever is applicable, with respect to the parties involved in the particular appeal. The Insurance Commissioner, other private insurance carriers, and self-insured employers, whichever is applicable, shall have the right to seek judicial review of a final decision of the Intermediate Court of Appeals, pursuant to §51-11-13 of this code, irrespective of whether the party appeared or participated in the appeal to the Intermediate Court of Appeals.

(d) Instead of affirming, reversing, or modifying the decision of the Workers' Compensation Board of Review, the Intermediate Court of Appeals may, upon motion of any party or upon its own motion, for good cause shown, to be set forth in the order of the

court, remand the case to the Board of Review for the taking of such new, additional, or further evidence as in the opinion of the court considers necessary for a full and complete development of the facts of the case. In the event the Intermediate Court of Appeals shall remand the case to the Board of Review for the taking of further evidence, the Board of Review shall proceed to take new, additional, or further evidence in accordance with any instruction given by the court within 30 days after receipt of the order remanding the case. The Workers' Compensation Board of Review shall give to the interested parties at least 10 days' written notice of the supplemental hearing, unless the taking of evidence is postponed by agreement of parties, or by the Board of Review for good cause. After the completion of a supplemental hearing, the Workers' Compensation Board of Review shall, within 60 days, render its decision affirming, reversing, or modifying the former action of the Workers' Compensation Board of Review. The decision shall be appealable to, and proceeded with, by the Intermediate Court of Appeals in the same manner as other appeals. In addition, upon a finding of good cause, the court may remand the case to the Insurance Commissioner, other private insurance carriers, or self-insured employers, whichever is applicable, for further development. Any decision made by the Insurance Commissioner, other private insurance carriers, or self-insured employers, whichever is applicable, following a remand, shall be subject to objection to the Workers' Compensation Board of Review and not to the Intermediate Court of Appeals. The Intermediate Court of Appeals may remand any case as often as, in its opinion, is necessary for a full development and just decision of the case.

(e) In all proceedings before the Intermediate Court of Appeals, any party may be represented by counsel.

(f) This section becomes effective on July 1, 2022.

**§23-5-13. Continuances and supplemental hearings; claims not to be denied on technicalities; effective until June 30, 2022.**

(a) It is the policy of this chapter that the rights of claimants for workers' compensation be determined as speedily and expeditiously as possible to the end that those incapacitated by injuries and the dependents of deceased workers may receive

benefits as quickly as possible in view of the severe economic hardships which immediately befall the families of injured or deceased workers. Therefore, the criteria for continuances and supplemental hearings “for good cause shown” are to be strictly construed by the chief administrative law judge and his or her authorized representatives to prevent delay when granting or denying continuances and supplemental hearings. It is also the policy of this chapter to prohibit the denial of just claims of injured or deceased workers or their dependents on technicalities.

(b) This section is of no force and effect after June 30, 2022.

**§23-5-13a. Continuances and supplemental hearings; claims not to be denied on technicalities; effective July 1, 2022.**

(a) It is the policy of this chapter that the rights of claimants for workers’ compensation be determined as speedily and expeditiously as possible to the end that those incapacitated by injuries and the dependents of deceased workers may receive benefits as quickly as possible in view of the severe economic hardships which immediately befall the families of injured or deceased workers. Therefore, the criteria for continuances and supplemental hearings “for good cause shown” are to be strictly construed by the Workers’ Compensation Board of Review and its authorized representatives to prevent delay when granting or denying continuances and supplemental hearings. It is also the policy of this chapter to prohibit the denial of just claims of injured or deceased workers or their dependents on technicalities.

(b) This section becomes effective on July 1, 2022.

**§23-5-15. Appeals from final decisions of board to Supreme Court of Appeals of West Virginia prior to July 1, 2022; procedure; costs.**

(a) As provided in §23-5-8b of this code, the provisions of this section do not apply to any decision issued by the Workers’ Compensation Board of Review after June 30, 2022.

(b) Review of any final decision of the board, including any order of remand, may be prosecuted by either party or by the

Insurance Commissioner, other private insurance carriers, and self-insured employers, whichever is applicable, to the Supreme Court of Appeals within 30 days from the date of the final order by filing a petition therefor with the court against the board and the adverse party or parties as respondents. Unless the petition for review is filed within the 30-day period, no appeal or review shall be allowed, such time limitation is a condition of the right to such appeal or review and hence jurisdictional. The clerk of the Supreme Court of Appeals shall notify each of the respondents and the Insurance Commissioner, other private insurance carriers, and self-insured employers, whichever is applicable, of the filing of such petition. The board shall, within 10 days after receipt of the notice, file with the clerk of the court the record of the proceedings had before it, including all the evidence. The court or any judge thereof in vacation may thereupon determine whether or not a review shall be granted. If review is granted to a nonresident of this state, he or she shall be required to execute and file with the clerk before an order or review shall become effective, a bond, with security to be approved by the clerk, conditioned to perform any judgment which may be awarded against him or her. The board may certify to the court and request its decision of any question of law arising upon the record, and withhold its further proceeding in the case, pending the decision of court on the certified question, or until notice that the court has declined to docket the same. If a review is granted or the certified question is docketed for hearing, the clerk shall notify the board and the parties litigant or their attorneys and the Insurance Commissioner, other private insurance carriers, and self-insured employers, whichever is applicable, of that fact by mail. If a review is granted or the certified question docketed, the case shall be heard by the court in the same manner as in other cases, except that neither the record nor briefs need be printed. Every review granted or certified question docketed prior to 30 days before the beginning of the term, shall be placed upon the docket for that term. The Attorney General shall, without extra compensation, represent the board in such cases. The court shall determine the matter brought before it and certify its decision to the board and to the commission. The cost of the proceedings on petition, including a reasonable attorney's fee, not exceeding \$30 to the claimant's attorney, shall be fixed by the court and taxed

against the employer if the latter is unsuccessful. If the claimant, or the commission (in case the latter is the applicant for review) is unsuccessful, the costs, not including attorney's fees, shall be taxed against the commission, payable out of the Workers' Compensation Fund, or shall be taxed against the claimant, in the discretion of the court: But there shall be no cost taxed upon a certified question.

(c) In reviewing a decision of the Board of Review, the Supreme Court of Appeals shall consider the record provided by the board and give deference to the board's findings, reasoning, and conclusions, in accordance with subsections (d) and (e) of this section.

(d) If the decision of the board represents an affirmation of a prior ruling by both the commission and the Office of Judges that was entered on the same issue in the same claim, the decision of the board may be reversed or modified by the Supreme Court of Appeals only if the decision is in clear violation of constitutional or statutory provision, is clearly the result of erroneous conclusions of law, or is based upon the board's material misstatement or mischaracterization of particular components of the evidentiary record. The court may not conduct a *de novo* reweighing of the evidentiary record. If the court reverses or modifies a decision of the board pursuant to this subsection, it shall state with specificity the basis for the reversal or modification and the manner in which the decision of the board clearly violated constitutional or statutory provisions, resulted from erroneous conclusions of law, or was based upon the board's material misstatement or mischaracterization of particular components of the evidentiary record.

(e) If the decision of the board effectively represents a reversal of a prior ruling of either the commission or the Office of Judges that was entered on the same issue in the same claim, the decision of the board may be reversed or modified by the Supreme Court of Appeals only if the decision is in clear violation of constitutional or statutory provisions, is clearly the result of erroneous conclusions of law, or is so clearly wrong based upon the evidentiary record that even when all inferences are resolved in

favor of the board's findings, reasoning, and conclusions, there is insufficient support to sustain the decision. The court may not conduct a de novo reweighing of the evidentiary record. If the court reverses or modifies a decision of the board pursuant to this subsection, it shall state with specificity the basis for the reversal or modification and the manner in which the decision of the board clearly violated constitutional or statutory provisions, resulted from erroneous conclusions of law, or was so clearly wrong based upon the evidentiary record that even when all inferences are resolved in favor of the board's findings, reasoning, and conclusions, there is insufficient support to sustain the decision.

**§23-5-16. Fees of attorney for claimant; unlawful charging or receiving of attorney fees; effective until June 30, 2022.**

(a) An attorney's fee in excess of 20 percent of any award granted may not be charged or received by an attorney for a claimant or dependent. In no case may the fee received by the attorney of the claimant or dependent be in excess of 20 percent of the benefits to be paid during a period of 208 weeks. The interest on disability or dependent benefits as provided in this chapter may not be considered as part of the award in determining the attorney's fee. However, any contract entered into in excess of 20 percent of the benefits to be paid during a period of 208 weeks, as herein provided, is unlawful and unenforceable as contrary to the public policy of this state and any fee charged or received by an attorney in violation thereof is an unlawful practice and renders the attorney subject to disciplinary action.

(b) On a final settlement an attorney may charge a fee not to exceed 20 percent of the total value of the medical and indemnity benefits: *Provided*, That this attorney's fee, when combined with any fees previously charged or received by the attorney for permanent partial disability or permanent total disability benefits may not exceed 20 percent of an award of benefits to be paid during a period of 208 weeks.

(c) Except attorney's fees and costs recoverable pursuant to §23-2C-21(c) of this code, an attorney's fee for successful recovery of denied medical benefits may be charged or received by an

attorney, and paid by the private carrier or self-insured employer, for a claimant or dependent under this section. In no event may attorney's fees and costs be awarded pursuant to both this section and §23-2C-21(c) of this code.

(1) If a claimant successfully prevails in a proceeding relating to a denial of medical benefits brought before the commission, successor to the commission, other private carrier, or self-insured employer, whichever is applicable, as a result of utilization review, arbitration, mediation, or other proceedings, or a combination thereof, relating to denial of medical benefits before the Office of Judges, Board of Review, or court, there shall additionally be charged against the private carriers or self-insured employers, whichever is applicable, the reasonable costs and reasonable hourly attorney fees of the claimant. Following the successful resolution of the denial in favor of the claimant, a fee petition shall be submitted by the claimant's attorney to the Insurance Commissioner or his or her successors, arbitrators, mediator, the Office of Judges, the Board of Review, or court, whichever enters a final decision on the issue. An attorney representing a claimant must submit a claim for attorney fees and costs within 30 days following a decision in which the claimant prevails and the order becomes final.

(2) The Insurance Commissioner or his or her successors, arbitrators, mediator, the Office of Judges, the Board of Review, or court shall enter an order within 30 days awarding reasonable attorney fees not to exceed \$125 per hour and reasonable costs of the claimant to be paid by the private carriers or self-insured employers, whichever is applicable, which shall be paid as directed. In no event may an award of the claimant's attorney's fees under this subsection exceed \$500 per litigated medical issue, not to exceed \$2,500 in a claim.

(3) In determining the reasonableness of the attorney fees to be awarded, the Insurance Commission, arbitrator, mediator, Office of Judges, Board of Review, or court shall consider the experience of the attorney, the complexity of the issue, the hours expended, and the contingent nature of the fee.

(d) This section is of no force and effect after June 30, 2022.

**§23-5-16a. Fees of attorney for claimant; unlawful charging or receiving of attorney fees.**

(a) An attorney's fee in excess of 20 percent of any award granted may not be charged or received by an attorney for a claimant or dependent. In no case may the fee received by the attorney of the claimant or dependent be in excess of 20 percent of the benefits, to be paid during a period of 208 weeks. The interest on disability or dependent benefits, as provided in this chapter, may not be considered as part of the award in determining the attorney's fee. However, any contract entered into in excess of 20 percent of the benefits to be paid during a period of 208 weeks, as herein provided, is unlawful and unenforceable as contrary to the public policy of this state and any fee charged or received by an attorney in violation thereof is an unlawful practice and renders the attorney subject to disciplinary action.

(b) On a final settlement an attorney may charge a fee not to exceed 20 percent of the total value of the medical and indemnity benefits: *Provided*, That this attorney's fee, when combined with any fees previously charged or received by the attorney for permanent partial disability or permanent total disability benefits may not exceed 20 percent of an award of benefits to be paid during a period of 208 weeks.

(c) Except attorney's fees and costs recoverable pursuant to §23-2C-21(c) of this code, an attorney's fee for successful recovery of denied medical benefits may be charged or received by an attorney and paid by the private carrier or self-insured employer, for a claimant or dependent under this section. In no event may attorney's fees and costs be awarded pursuant to both this section and §23-2C-21(c) of this code.

(1) If a claimant successfully prevails in a proceeding relating to a denial of medical benefits brought before the Insurance Commissioner, other private carrier, or self-insured employer, whichever is applicable, as a result of utilization review, arbitration, mediation, or other proceedings, or a combination

thereof, relating to denial of medical benefits before the Workers' Compensation Board of Review, or a court, there shall additionally be charged against the private carriers or self-insured employers, whichever is applicable, the reasonable costs and reasonable hourly attorney's fees of the claimant. Following the successful resolution of the denial in favor of the claimant, a fee petition shall be submitted by the claimant's attorney to the Insurance Commissioner or his or her successors, arbitrators, mediator, the Workers' Compensation Board of Review, or a court, whichever enters a final decision on the issue. An attorney representing a claimant must submit a claim for attorney's fees and costs within 30 days following a decision in which the claimant prevails and the order becomes final.

(2) The Insurance Commissioner or his or her successors, arbitrators, mediators, the Workers' Compensation Board of Review, or a court shall enter an order within 30 days awarding reasonable attorney's fees not to exceed \$125 per hour and reasonable costs of the claimant to be paid by the private carriers or self-insured employers, whichever is applicable, which shall be paid as directed. In no event may an award of the claimant's attorney's fees under this subsection exceed \$500 per litigated medical issue, not to exceed \$2,500 in a claim.

(3) In determining the reasonableness of the attorney's fees to be awarded, the Insurance Commissioner, arbitrator, mediator, Workers' Compensation Board of Review, or court shall consider the experience of the attorney, the complexity of the issue, the hours expended, and the contingent nature of the fee.

(d) This section becomes effective on July 1, 2022.

## **CHAPTER 29A. STATE ADMINISTRATIVE PROCEDURES ACT.**

### **ARTICLE 5. CONTESTED CASES.**

#### **§29A-5-4. Judicial review of contested cases.**

(a) Any party adversely affected by a final order or decision in a contested case is entitled to judicial review thereof under this

chapter, but nothing in this chapter shall be deemed to prevent other means of review, redress, or relief provided by law.

(b) Proceedings for review of any final order or decision issued on or before June 30, 2022, shall be instituted by filing a petition, at the election of the petitioner, in either the Circuit Court of Kanawha County, West Virginia, or in the circuit court of the county in which the petitioner or any one of the petitioners resides or does business, or with the judge thereof in vacation, within 30 days after the date upon which such party received notice of the final order or decision of the agency. Notwithstanding any provision of this code to the contrary, proceedings for judicial review of any final order or decision issued after June 30, 2022, must be instituted by filing an appeal to the Intermediate Court of Appeals as provided in §51-11-1 *et seq.* of this code. A copy of the petition shall be served upon the agency and all other parties of record by registered or certified mail. The petition shall state whether the appeal is taken on questions of law or questions of fact, or both. No appeal bond shall be required to affect any such appeal.

(c) The filing of the petition shall not stay enforcement of the agency order or decision or act as a supersedeas thereto, but the agency may stay such enforcement, and the appellant, at any time after the filing of his or her petition, may apply to such court for a stay of or supersedeas to such final order or decision. Pending the appeal, the court may grant a stay or supersedeas upon such terms as it deems proper.

(d) Within 15 days after receipt of a copy of the petition by the agency, or within such further time as the court may allow, the agency shall transmit to such court the original or a certified copy of the entire record of the proceeding under review, including a transcript of all testimony and all papers, motions, documents, evidence, and records as were before the agency, all agency staff memoranda submitted in connection with the case, and a statement of matters officially noted; but, by stipulation of all parties to the review proceeding, the record may be shortened. The expense of preparing such record shall be taxed as a part of the costs of the appeal. The appellant shall provide security for costs satisfactory to the court. Any party unreasonably refusing to stipulate to limit

the record may be taxed by the court for the additional costs involved. Upon demand by any party to the appeal, the agency shall furnish, at the cost of the party requesting same, a copy of such record. In the event the complete record is not filed with the court within the time provided for in this section, the appellant may apply to the court to have the case docketed, and the court shall order such record filed.

(e) Appeals taken on questions of law, fact, or both, shall be heard upon assignments of error filed in the cause or set out in the briefs of the appellant. Errors not argued by brief may be disregarded, but the court may consider and decide errors which are not assigned or argued. The court or judge shall fix a date and time for the hearing on the petition, but such hearing, unless by agreement of the parties, shall not be held sooner than 10 days after the filing of the petition, and notice of such date and time shall be forthwith given to the agency.

(f) The review shall be conducted by the court without a jury and shall be upon the record made before the agency, except that in cases of alleged irregularities in procedure before the agency, not shown in the record, testimony thereon may be taken before the court. The court may hear oral arguments and require written briefs.

(g) The court may affirm the order or decision of the agency or remand the case for further proceedings. It shall reverse, vacate, or modify the order or decision of the agency if the substantial rights of the petitioner or petitioners have been prejudiced because the administrative findings, inferences, conclusions, decision, or order are:

- (1) In violation of constitutional or statutory provisions;
- (2) In excess of the statutory authority or jurisdiction of the agency;
- (3) Made upon unlawful procedures;
- (4) Affected by other error of law;

(5) Clearly wrong in view of the reliable, probative, and substantial evidence on the whole record; or

(6) Arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.

(h) The judgment of the circuit court or the Intermediate Court of Appeals, whichever is applicable, shall be final unless reversed, vacated, or modified on appeal to the Supreme Court of Appeals of this state in accordance with the provisions of §29A-6-1 of this code.

## **ARTICLE 6. APPEALS.**

Upon receipt from the clerk, the prosecuting attorney shall file the release of judgment in the office of the clerk of the county commission in each county where an abstract of the judgment was recorded. The clerk of the county commission shall record and index the release of judgment without charge or fee to the prosecuting attorney.

(e) It is unlawful for any purchaser to purchase any scrap metal without obtaining and recording the information required under subsections (c) and (d) of this section. The provisions of this subsection do not apply to purchases made at wholesale under contract or as a result of a bidding process: *Provided*, That the purchaser retains and makes available for review consistent with

subsection (g) of this section the contract, bill of sale, or similar documentation of the purchase made at wholesale under contract or as a result of a bidding process: *Provided, however,* That the purchaser may redact any pricing or other commercially sensitive information from the contract, bill of sale, or similar documentation before making it available for inspection.

(j) Nothing in this section applies to scrap purchases by manufacturing facilities that melt, or otherwise alter, the form of scrap metal and transform it into a new product or to the purchase or transportation of food and beverage containers or other nonindustrial materials having a marginal value per individual unit.

(k)(1) Nothing in this section applies to a purchaser of a motor vehicle on which a catalytic converter is installed, a scrap metal dealer purchasing a detached catalytic converter or converters accompanying the motor vehicle or motor vehicles from which it or they were removed, a purchaser of a catalytic converter intended for installation on a vehicle owned or leased by the purchaser, or any person who purchases, other than for purposes of resale, a catalytic converter, or a motor vehicle on which a catalytic converter is installed, for personal, family, household, or business use.

(2) In transactions not exempted by subdivision (1) of this subsection, any person delivering one or more automobile catalytic converters to a scrap metal dealer shall, in addition to the requirements set forth in subsection (c) of this section, execute a document containing the name of the person or entity from whom or which the catalytic converter or converters being delivered was received and affirming that he or she is the lawful owner of the catalytic converters or is authorized by the lawful owner to sell the catalytic converters. This documentation shall be maintained consistent with subsection (c) of this section. Payment shall be made by check payable to the seller. No scrap metal dealer may process, sell, or remove a catalytic converter from its premises for at least 14 days after its acquisition: *Provided*, That the 14-day retention requirement may be reduced to five days if, within the

first consecutive five-day period, the scrap dealer provides all documentation required under this section to the local detachment of the State Police and: (A) The chief of police of the municipality; or (B) the sheriff of the county in which he or she is transacting business. A scrap metal dealer shall make a good faith effort to record any identifying information on a catalytic converter received or purchased and shall not purchase or take possession of a catalytic converter if the identifying information on it has been manually altered.

**ARTICLE 6A. COMPETENCY AND CRIMINAL RESPONSIBILITY OF PERSONS CHARGED OR CONVICTED OF A CRIME.**

**§27-6A-1. Qualified forensic evaluator; qualified forensic psychiatrist; qualified forensic psychologist; definitions and requirements.**

(a) For purposes of this article:

(1) “Competency restoration” means the treatment or education process for attempting to restore a criminal defendant’s ability to consult with his or her attorney with a reasonable degree of rational understanding, including a rational and factual understanding of the court proceedings and charges against the person. Competency restoration services may be provided in a jail-based, outpatient, or inpatient setting as may be ordered by the court.

(2) “Competency to stand trial” means the ability of a criminal defendant to consult with his or her attorney with a reasonable degree of rational understanding, including a rational and factual understanding of the procedure and charges against him or her.

(3) “Court” or “court of record” means the circuit court with jurisdiction over the charge or charges against the defendant or acquittee.

(4) “Department” means the Department of Health and Human Resources.

(5) A “qualified forensic evaluator” is either a qualified forensic psychiatrist or a qualified forensic psychologist as defined in this section.

(6) A “qualified forensic psychiatrist” is:

(A) A psychiatrist licensed under the laws in this state to practice medicine who has completed post-graduate education in psychiatry in a program accredited by the Accreditation Council of Graduate Medical Education; and

(B) Board-eligible or board-certified in forensic psychiatry by the American Board of Psychiatry and Neurology or actively enrolled in good standing in a West Virginia training program accredited by the Accreditation Council of Graduate Medical Education to make the evaluator eligible for board certification by the American Board of Psychiatry and Neurology in forensic psychiatry or has two years of experience in completing court-ordered forensic criminal evaluations, including having been qualified as an expert witness by a West Virginia circuit court.

(7) A “qualified forensic psychologist” is:

(A) A licensed psychologist licensed under the laws of this state to practice psychology; and

(B) Board-eligible or board-certified in forensic psychology by the American Board of Professional Psychology or actively enrolled in good standing in a West Virginia training program approved by the American Board of Forensic Psychology to make the evaluator eligible for board certification in forensic psychology or has at least two years of experience in performing court-ordered forensic criminal evaluations, including having been qualified as an expert witness by a West Virginia circuit court.

(b) (A) qualified forensic evaluator may not perform a forensic evaluation on an individual under §27-1-1 *et seq.* of this code if the qualified forensic evaluator has been the individual’s treating psychologist or psychiatrist within one year prior to any evaluation order.

**§27-6A-2. Competency of defendant to stand trial; cause for appointment of qualified forensic evaluator; written report; observation period; rules.**

(a) Whenever a court of record has reasonable cause to believe that a defendant in a criminal matter in which an indictment has been returned, or a warrant or summons issued, may be incompetent to stand trial, it shall, sua sponte, or upon motion filed by the state or by or on behalf of the defendant, order a forensic evaluation of the defendant's competency to stand trial to be conducted by a qualified forensic evaluator. If a court of record orders both a competency evaluation and a criminal responsibility or diminished capacity evaluation, the competency evaluation shall be performed first, and if the qualified forensic evaluator is of the opinion that the defendant is not competent to stand trial, no criminal responsibility or diminished capacity evaluation may be conducted absent further order of the court. The initial forensic evaluation may not be conducted at a state inpatient mental health facility unless the defendant is a current patient there or the court of record has found that the initial forensic evaluation cannot be performed at a community mental health center consistent with §27-2A-1(b)(4) of this code, at an outpatient facility, at a Division of Corrections and Rehabilitation Facility by a qualified forensic evaluator or at the office of the qualified forensic evaluator.

(b) The court shall require the party making the motion for the evaluation, and other parties as the court considers appropriate, to provide to the qualified forensic evaluator appointed under subsection (a) of this section any information relevant to the evaluations within 10 business days of its evaluation order. The information shall include, but not be limited to:

(1) A copy of the warrant or indictment;

(2) Information pertaining to the alleged crime, including statements by the defendant made to the police, investigative reports, and transcripts of preliminary hearings, if any;

(3) Any available psychiatric, psychological, medical, or social records that are considered relevant;

(4) A copy of the defendant's criminal record; and

(5) If the evaluations are to include a diminished capacity assessment, the nature of any lesser included criminal offenses.

(c) A qualified forensic evaluator shall schedule and arrange for the prompt completion of any court-ordered evaluation which may include record review and a defendant interview and shall, within 10 business days of the date of the completion of any evaluation, provide to the court of record a written, signed report of his or her opinion on the issue of competency to stand trial. If it is the qualified forensic evaluator's opinion that the defendant is not competent to stand trial, the report shall state whether the defendant is substantially likely to attain competency within the next 90 days and, as provided in this section, and, whether the defendant may attain competency by receiving competency restoration services at an outpatient mental health facility, outpatient mental health practice, or a jail-based competency restoration program, if available. If the qualified forensic evaluator determines that a defendant is likely to attain competency, but that competency restoration can only be attained by inpatient management in a mental health facility or state hospital, the qualified forensic evaluator shall set forth in his or her report the reasons why competency restoration is not viable in a less restrictive environment or a jail-based competency restoration program.

(d) The report of a qualified forensic evaluator as to a defendant's competency shall be performed with standards and requirements established by the department consistent with best medical practices. The report shall address:

(1) The forensic evaluator's opinion on the defendant's competency to stand trial;

(2) A diagnosis, if any;

(3) A proposed plan for competency attainment if appropriate; and

(4) An opinion as to whether the individual is dangerous to himself, herself, or others.

(5) The court may extend the 10-day period for filing the report if a qualified forensic evaluator shows good cause to extend the period, but in no event may the period exceed 30 days.

(e) If the court determines that the defendant has been uncooperative during the forensic evaluation ordered pursuant to subsection (a) of this section, or there have been one or more inadequate or conflicting forensic evaluations performed pursuant to subsection (a) of this section and the court has reason to believe that an observation period is necessary in order to determine if a person is competent to stand trial, the court may order the defendant be committed to a mental health facility designated by the department for a period not to exceed 15 days and an additional evaluation be conducted in accordance with subsection (a) of this section by a qualified forensic evaluator. The court shall order that at the conclusion of the 15-day observation period the sheriff of the county where the defendant was charged shall take immediate custody of the defendant for transportation and disposition as ordered by the court.

(f) A mental health facility not operated by the state has no obligation to admit and treat a defendant under this section if the facility has no outpatient competency restoration program established and recognized by the department, notwithstanding the provisions of §27-2A-1(b)(4) and §27-5-9 of this code: *Provided*, That medication administration and medication management for stabilization on an outpatient basis shall be provided by the mental health facility.

(g) A mental health facility not operated by the state that constitutes a charitable or public service organization as defined by §29-12-5(b)(1)(B) of this code, and provides competency restoration services pursuant to a court order may purchase liability coverage for injury or civil damages related to the provision of the services from the Board of Risk and Insurance Management.

(h) In consultation with the Supreme Court of Appeals, the secretary may propose rules for legislative approval in accordance with the provisions of §29A-3-1 *et seq.* of this code to implement the provisions of this article. The secretary may promulgate emergency rules, pursuant to §29A-3-15 of this code, as may be required.

**§27-6A-3. Competency of defendant to stand trial determination; preliminary finding; hearing; evidence; disposition.**

(a) Within five days of the receipt of the qualified forensic evaluator's report and opinion on the issue of competency to stand trial, the court of record shall make a preliminary determination on the issue of whether the defendant is competent to stand trial. If the court of record finds that the defendant is not competent, the court shall make a further finding as to whether there is a substantial likelihood that the defendant can attain competency within 90 days, and whether competency can be attained by receiving competency restoration services at an outpatient mental health facility, outpatient mental health practice, or a jail-based competency restoration program. If the court of record orders, or if the state or defendant or defendant's counsel within 20 days of receipt of the preliminary findings makes a motion for a hearing, then a hearing shall be held by the court of record within 15 days of the date of the motion for a hearing, absent good cause being shown for a continuance. If a hearing order or motion is not filed within 20 days, the findings of the court become the final order.

(b) At a hearing to determine a defendant's competency to stand trial, the defendant has the right to be present and he or she has the right to be represented by counsel and introduce evidence and cross-examine witnesses. The defendant shall be afforded timely and adequate notice of the issues at the hearing and shall have access to all forensic evaluator's opinions. All rights generally afforded to a defendant in criminal proceedings shall be afforded to a defendant in the competency proceedings, except trial by jury.

(c) The court of record pursuant to a preliminary finding or hearing on the issue of a defendant's competency to stand trial and

with due consideration of any forensic evaluation conducted pursuant to §27-6A-2 and §27-6A-3 of this code, shall make findings of fact upon a preponderance of the evidence as to the defendant's competency to stand trial based on whether or not the defendant has sufficient present ability to consult with his or her lawyer with a reasonable degree of rational understanding and whether he or she has a rational as well as a factual understanding of the proceedings against him or her.

(d) If at any point in the proceedings the defendant is found not competent to stand trial and substantially likely to attain competency, the court of record shall in the same order, upon the evidence, make further findings as to whether the defendant, in order to attain competency, should receive outpatient competency restoration services or if the attainment of competency requires inpatient management in a mental health facility or state hospital. If inpatient management is required, the court shall order the defendant be committed to an inpatient mental health facility or state hospital designated by the department to attain competency to stand trial and for a competency evaluation. The information and documents obtained as required by §27-6A-2(b) of this code, shall be provided to the chief medical officer of the mental health facility or state hospital within two days of entry of the court order. The term of this commitment under this subsection may not exceed 90 days from the time of entry into the facility except as otherwise provided by subsection (g) of this section.

(e) If at any point in the proceedings the defendant who has been indicted or charged with a misdemeanor or felony which does not involve an act of violence against a person is found not competent to stand trial and is found not substantially likely to attain competency after having received competency restoration services for the lesser of 180 days or the maximum sentence he or she would serve, if convicted of the offense, the defendant shall be released upon any conditions that the court determines to be appropriate and shall have the criminal charges dismissed without prejudice. The discharge order may, however, be stayed for 20 days to allow civil commitment proceedings to be instituted by the prosecutor pursuant to §27-5-1 *et seq.* of this code. The defendant

shall be immediately released from any inpatient facility unless civilly committed.

(f) Subject to subsection (i) of this section, if at any point in the proceedings a defendant who has been indicted or charged with a misdemeanor or felony involving an act of violence against a person is found not competent to stand trial and is found not substantially likely to attain competency after having received competency restoration services for 180 days, he or she shall be placed in the least restrictive setting and shall remain under the jurisdiction of the court upon any conditions that the court considers appropriate and the charges against him or her shall be held in abeyance. Release of the defendant may be stayed by the court for up to 30 days or longer for good cause shown, upon the filing of a motion to challenge the individual's release to a less restrictive setting. The circuit court may, sua sponte or upon motion, order that a dangerousness evaluation be performed by a qualified forensic evaluator to aid in its consideration of the proposed placement and supervision of the defendant. The dangerousness evaluation shall be paid for by the department and completed within 30 days. The defendant shall be immediately released from any inpatient facility to the least restrictive setting necessary under §27-5-1 *et seq.* of this code, unless civilly committed.

(g)(1) If it is determined that a defendant indicted or charged as provided under subsection (f) of this section has a substantial probability of regaining competency, then the defendant may be ordered to remain in a mental health facility or state hospital for an additional reasonable time until he or she attains competency, or the pending charges are disposed of according to law, whichever is earlier in time: *Provided*, That a defendant may not be held in the mental health facility or state hospital for a period longer than 240 days for competency restoration treatment.

(2) If, at the end of the maximum period for inpatient competency restoration treatment as provided in this subsection, the court finds that the defendant has not attained competency and is not substantially likely to attain competency in the foreseeable future, the defendant shall be released to the least restrictive setting

upon any conditions the court determines to be appropriate and the charges against him or her held in abeyance for the maximum sentence he or she could have received for the offense and the defendant released unless civil commitment proceedings have been initiated pursuant to §27-5-1 *et seq.* of this code. Notwithstanding anything in this article to the contrary, the court, in its discretion, may continue its oversight of the individual and the court's jurisdiction over the individual: *Provided*, That notwithstanding any provision of this article to the contrary, an individual may not be released as provided in this subsection until the court reviews and approves a recent dangerousness risk assessment of the individual and the chief medical officer's recommended release plan for the individual based on the needs of the individual and the public. The court shall order the discharge of the individual if it finds by a preponderance of the evidence that the individual has recovered from his or her mental illness and that he or she no longer creates a substantial risk of bodily injury to another person.

(3) When a defendant is released upon a condition the court determines to be appropriate and the charges against him or her are held in abeyance, the circuit court shall, no less frequently than every six months, review the defendant's circumstances to determine if his or her condition has deteriorated to the extent that requires civil commitment. Upon notice from the treatment provider that a defendant who is released on the condition that he or she continues treatment does not continue his or her treatment, the prosecuting attorney shall, by motion, cause the court to reconsider the defendant's release. Upon a showing that the defendant is in violation of the conditions of his or her release, the court may reorder the defendant to a mental health facility under the authority of the department which is the least restrictive setting that will allow for the protection of the public.

(h) The prosecuting attorney may, by motion, cause the competency to stand trial of a defendant subject to the court's jurisdiction pursuant to subsection (f) of this section or released pursuant to subsection (g) of this section to be determined by the court of record while the defendant remains under the jurisdiction of the court. The court may order a forensic evaluation of

competency to stand trial be conducted by a qualified forensic evaluator and a report rendered to the court in like manner as pursuant to §27-6A-2(a) and §27-6A-2(b) of this code.

(i) Any defendant found not competent to stand trial may at any time petition the court of record for a hearing on his or her competency but may do so not more than every six months.

(j) Notice of court findings of a defendant's competency to stand trial, of commitment for inpatient management to attain competency, of dismissal of charges, of order for inpatient management to protect the public, of release or conditional release, or any hearings to be conducted pursuant to this section shall be sent to the prosecuting attorney, the defendant, and his or her counsel, and the mental health facility or state hospital. Notice of a court release hearing or order for release or conditional release pursuant to subsection (e) of this section shall be provided to the victim or next of kin of the victim of the offense for which the defendant was charged by U.S. mail to such person's last known address. The burden is on the victim or next of kin of the victim to keep the court apprised of his or her current mailing address.

(k) A mental health facility not operated by the state is not obligated to admit or treat a defendant under this section except as otherwise provided by §27-2A-1(b)(4) and §27-5-9 of this code.

(l) Notwithstanding anything in this article to the contrary, for each individual who is committed to a state hospital, or committed to a state hospital and diverted to a licensed hospital prior to the effective date of the amendments to this section enacted during the regular session of the Legislature, 2021, who has received or will receive the maximum amount of competency restoration treatment authorized under this section prior to January 1, 2022, and who the medical director of the hospital and the court have determined is not restorable, the medical director shall inform the court and prosecutor of record for each such individual as soon as practicable but no later than March 31, 2022. The medical director shall immediately provide a recommendation to the court and prosecutor for the clinical disposition, placement, or treatment of each individual. The state hospital or prosecutor shall thereafter file a

civil commitment proceeding, if warranted, as provided under §27-5-1 *et seq.* of this code for each individual or make other appropriate recommendations to the court of record. The court shall hold any hearing for each individual as soon as practicable, but no later than June 30, 2022.

**§27-6A-4. Criminal responsibility or diminished capacity evaluation; court jurisdiction over persons found not guilty by reason of mental illness.**

(a) If the court of record finds, upon hearing evidence or representations of counsel for the defendant, that there is probable cause to believe that the defendant's criminal responsibility or diminished capacity will be a significant factor in his or her defense, the court shall appoint a qualified forensic evaluator to conduct a forensic evaluation of the defendant's state of mind at the time of the alleged offense. However, if a qualified forensic evaluator is of the opinion that the defendant is not competent to stand trial then no criminal responsibility or diminished capacity evaluation may be conducted. The forensic evaluation may not be conducted at a state inpatient mental health facility unless the defendant has been ordered to a mental health facility or state hospital in accordance with §27-6A-2(c) or §27-6A-3(f) or §27-6A-3(h) of this code. To the extent possible, qualified forensic evaluators who have conducted evaluations of competency under §27-6A-2(a) of this code, shall be used to evaluate criminal responsibility or diminished capacity under this subsection and all evaluations shall be performed consistent with the department's program standards and requirements for the reports.

(b) The court shall require the party making the motion for the evaluations, and other parties as the court considers appropriate, to provide to the qualified forensic evaluator appointed under subsection (a) of this section any information relevant to the evaluation within 10 business days of its evaluation order. The information shall include, but not be limited to:

- (1) A copy of the warrant or indictment;

(2) Information pertaining to the alleged crime, including statements by the defendant made to the police, investigative reports, and transcripts of preliminary hearings, if any;

(3) Any available psychiatric, psychological, medical, or social records that are considered relevant;

(4) A copy of the defendant's criminal record; and

(5) If the evaluation is to include a diminished capacity assessment, the nature of any lesser criminal offenses.

(c) A qualified forensic evaluator shall schedule and arrange within 15 days of the receipt of appropriate documents the completion of any court-ordered evaluation which may include record review and defendant interview and shall, within 10 business days of the date of the completion of any evaluation, provide to the court of record a written, signed report of his or her opinion on the issue of criminal responsibility, and if ordered, on diminished capacity. The court may extend the 10-day period for filing the report if a qualified forensic evaluator shows good cause to extend the period, but in no event may the period exceed 30 days. If there are no objections by the state or defense counsel, the court may, by order, dismiss the requirement for a written report if the qualified forensic evaluator's opinion may otherwise be made known to the court and interested parties.

(d) If the court determines that the defendant has been uncooperative during a forensic evaluation ordered pursuant to subsection (a) of this section or there are inadequate or conflicting forensic evaluations performed pursuant to subsection (a) of this section, and the court has reason to believe that an observation period and additional forensic evaluation or evaluations are necessary in order to determine if a defendant was criminally responsible or with diminished capacity, the court may order the defendant be admitted to a mental health facility or state hospital designated by the department for a period not to exceed 15 days and an additional evaluation be conducted and a report rendered in like manner as subsections (a) and (b) of this section by a qualified forensic evaluator. At the conclusion of the observation period, the

court shall enter a disposition order and the sheriff of the county where the defendant was charged shall take immediate custody of the defendant for transportation and disposition as ordered by the court.

(e) If the verdict in a criminal trial is a judgment of not guilty by reason of mental illness, the court shall determine on the record the offense or offenses of which the acquittee could have otherwise been convicted, and the maximum sentence he or she could have received. The acquittee shall remain under the court's jurisdiction until the expiration of the maximum sentence or until discharged by the court. The court shall order a qualified forensic evaluator to conduct a dangerousness evaluation to include dangerousness risk factors to be completed within 30 days of admission to the mental health facility and a report rendered to the court within 10 business days of the completion of the evaluation. The dangerousness evaluation shall be performed consistent with the department's program standards and requirements for such evaluations. The medical director of the mental health facility shall provide the court a written clinical summary report of the defendant's condition at least annually during the time of the court's jurisdiction. The court's jurisdiction continues an additional 10 days beyond any expiration to allow civil commitment proceedings to be instituted by the prosecutor pursuant to §27-5-1 *et seq.* of this code. The defendant shall then be immediately released from the facility unless civilly committed.

(f) In addition to any court-ordered evaluations completed pursuant to §27-6A-2, §27-6A-3, and §27-6A-4 of this code, the defendant or the state has the right to an evaluation or evaluations by a forensic evaluator or evaluators of his or her choice and at his or her expense.

(g) The court shall place persons acquitted under subsection (e) of this section in the temporary custody of the department for evaluation to determine if the acquittee may be released with or without conditions or if the acquittee requires commitment. The court may authorize that the evaluation be conducted on an outpatient basis. If the court authorizes an outpatient evaluation, the department shall determine, on the basis of all information

available, whether the evaluation shall be conducted on an outpatient basis or whether the acquittee shall be confined in a hospital for evaluation. If the court does not authorize an outpatient evaluation, the acquittee shall be confined in a hospital for evaluation. If an acquittee who is being evaluated on an outpatient basis fails to comply with the evaluation, the department shall petition the court for an order to confine the acquittee in a hospital for the evaluation. A copy of the petition shall be sent to the acquittee's attorney and the prosecutor of the acquittee's case. The evaluation shall be conducted by a qualified clinical evaluator skilled in the diagnosis of mental illness and intellectual disability and qualified by training and experience to perform the evaluations. The evaluator shall determine whether the acquittee currently has mental illness or intellectual disability and shall assess the acquittee and report on his or her condition and need for hospitalization with respect to the factors set forth in §27-6A-5(b) of this code. The evaluator shall conduct an examination and report his or her findings separately within 30 days of the department's assumption of custody of the acquittee. Copies of the report shall be sent to the acquittee's attorney, the prosecuting attorney for the jurisdiction where the person was acquitted, and the comprehensive community mental health center designated by the department. If the evaluator recommends conditional release or release without conditions, the court shall extend the evaluation period to permit the department and the comprehensive community mental health center or licensed behavioral health provider to jointly prepare a conditional release or discharge plan, as applicable, prior to the hearing.

(h) A mental health facility not operated by the state is not required to admit or treat a defendant or acquittee under this section except as otherwise provided by §27-2A-1(b)(4) and §27-5-9 of this code.

**§27-6A-5. Release of acquittee to less restrictive environment; discharge from jurisdiction of the court; conditional release; and commitment.**

(a) Upon receipt of the evaluation report as provided in §27-6A-4(e) of this code, and, if applicable, a conditional release or

discharge plan, the court shall schedule the matter for hearing to determine the appropriate disposition of the acquittee. The hearing shall be conducted within 30 days receipt of the evaluation report. The circuit court may, sua sponte or upon motion, order that an independent dangerousness evaluation by an independent qualified forensic evaluator be performed to aid in its consideration of the proposed placement and supervision of the acquittee. The dangerousness evaluation shall be paid for by the department and shall be performed consistent with the department's program standards and requirements for the evaluations. As an alternative to ordering an independent dangerousness assessment, the court may avail itself of the services of the Dangerousness Assessment Review Board established in §27-6A-12 of this code. Except as otherwise ordered by the court, the attorney who represented the defendant at the criminal proceedings shall represent the acquittee through the proceedings pursuant to this section. The matter may be continued on motion of either party for good cause shown. The acquittee shall be provided with adequate notice of the hearing, of the right to be present at the hearing, of the right to assistance of counsel in preparation for and during the hearing, and the right to introduce evidence and cross-examine witnesses at the hearing. The hearing is a civil proceeding.

(b) At the conclusion of the hearing, the court cannot commit the acquittee to a mental health facility or state hospital unless it finds by clear and convincing evidence that the acquittee has a mental illness or an intellectual disability, and that because of the nature or severity of acquittee's condition, the acquittee cannot be treated on an outpatient basis and requires inpatient management. The decision of the court shall be based upon consideration of the following factors:

(1) To what extent the acquittee has mental illness or an intellectual disability;

(2) The likelihood that the acquittee will engage in conduct presenting a substantial risk of bodily harm to other persons or to himself or herself in the foreseeable future;

(3) The likelihood that the acquittee can be adequately controlled with supervision and treatment on an outpatient basis; and

(4) Any other factors reflected in §27-5-4 of this code.

(c) If inpatient hospitalization is ordered by the court, the mental health facility or state hospital shall periodically provide written clinical reports to the court regarding the continued need for hospitalization as provided by this subsection. A report shall be sent to the court after the initial six months of treatment and every two years after the initial report is made. The court shall provide copies of the reports to the prosecutor and attorney for the acquittee. Within 30 days after receipt of the report, the court shall hold a hearing to consider the issue of the continued commitment of the acquittee. The acquittee may request a change in the conditions of confinement, and the trial court shall conduct a hearing on that request if six months or more have elapsed since the most recent hearing was conducted under this section.

(d) Notwithstanding anything in this section to the contrary, the court shall order the acquittee released if the court finds that the acquittee meets the criteria for conditional release as set forth in subsection (f) of this section. The court may order any other conditions it determines to be necessary in accordance with subsection (c) of this section. If the court finds that the acquittee does not need inpatient hospitalization nor does the acquittee meet the criteria for conditional release, the court shall release the acquittee without conditions, provided the court has approved a discharge plan prepared by the appropriate comprehensive community mental health center or licensed behavioral health provider in consultation with the department.

(e) The court shall order that any person, acquitted by reason of mental illness and committed pursuant to this section, who is sentenced to a term of incarceration for any other offense in the same proceeding or in any proceeding conducted prior to the proceeding in which the person is acquitted by reason of mental illness, complete any sentence imposed for the other offense prior to being placed in the custody of the department until released from

commitment pursuant to §27-1-1 *et seq.* of this code. The court shall order that any acquittee by reason of mental illness and committed pursuant to this section who is sentenced to a term of incarceration in any proceeding conducted during the period of commitment be transferred to the custody of the correctional facility where he or she is to serve his or her sentence, and, upon completion of his or her sentence, that person shall be placed in the custody of the department until released from commitment pursuant to §27-1-1 *et seq.* of this code.

(f) At any time the court considers the acquittee's need for inpatient hospitalization pursuant to this section, the court shall place the acquittee on conditional release if it finds that: (1) Based on consideration of the factors which the court must consider in its commitment decision as provided in subsection (b) of this section, the acquittee does not need inpatient hospitalization but may require outpatient treatment or monitoring to prevent his or her condition from deteriorating to a degree that he or she would become likely to cause serious harm to self or others; (2) appropriate outpatient supervision and treatment are reasonably available; (3) the acquittee is not mentally ill or does not have significant dangerousness risk factors associated with mental illness; (4) there is significant reason to believe that the acquittee, if conditionally released, would comply with the conditions specified; and (5) conditional release will not present an undue risk to public safety. The court shall subject a conditionally released acquittee to any orders and conditions it determines will best meet the acquittee's need for treatment and supervision and best serve the interests of justice and society.

(g) The comprehensive community mental health center or licensed behavioral health provider designated by the department shall implement the court's conditional release orders and shall submit written reports to the court on the acquittee's progress and adjustment in the community no less frequently than every six months. An acquittee's conditional release shall not be revoked solely because of his or her voluntary admission to a state hospital.

(h) If at any time the court that conditionally released an acquittee pursuant to subsection (f) of this section finds reasonable

cause exists to believe that an acquittee on conditional release has violated the conditions of his or her release or is no longer a proper subject for conditional release based on application of the criteria for conditional release and requires inpatient hospitalization, it may order an evaluation of the acquittee by a qualified forensic evaluator. If the court, based on the evaluation and after hearing evidence on the issue, finds by a preponderance of the evidence that an acquittee on conditional release has violated the conditions of his or her release or is no longer a proper subject for conditional release based on application of the criteria for conditional release and has a mental illness or an intellectual disability and requires inpatient hospitalization, the court may revoke the acquittee's conditional release and order him or her returned to the custody of the department.

(i) At any hearing pursuant to this section, the acquittee shall be provided with adequate notice of the hearing, of the right to be present at the hearing, of the right to the assistance of counsel in preparation for and during the hearing, and of the right to introduce evidence and cross-examine witnesses at the hearing. The hearing shall be scheduled on an expedited basis. Written notice of the hearing shall be provided to the prosecuting attorney for the committing jurisdiction. The hearing is a civil proceeding.

(j) If during the term of the acquittee's conditional release the court finds that the acquittee has violated the conditions of his or her release, but does not require inpatient hospitalization, the court may hold the acquittee in contempt of court for violation of the conditional release order.

(k) The court may modify the conditions of release or remove the conditions placed on release pursuant to subsection (f) of this section upon petition by the comprehensive community mental health center or licensed behavioral health provider, the prosecuting attorney, the acquittee, or upon its own motion based upon the report of the comprehensive community mental health center or behavioral health provider: *Provided*, That the acquittee may petition no more frequently than annually and only six months after the conditional release order is entered. Upon petition, the

court shall require the comprehensive community mental health center or behavioral health provider to provide a report on the acquittee's progress while on conditional release.

(1) As it considers appropriate and based on the report from the comprehensive community mental health center or behavioral health provider and any other evidence provided to it, the court may issue a proposed order for modification or removal of conditions. The court shall provide notice of the order, and their right to object to it, within 10 days of its issuance, to the acquittee, the comprehensive community mental health center or behavioral health provider, and the prosecuting attorney for the committing jurisdiction and for the jurisdiction where the acquittee is residing on conditional release. The proposed order shall become final if no objection is filed within 10 days of its issuance. If an objection is filed, the court shall conduct a hearing at which the acquittee, the prosecuting attorney, and the comprehensive community mental health center or behavioral health provider have an opportunity to present evidence challenging the proposed order. At the conclusion of the hearing, the court shall issue an order specifying conditions of release or removing existing conditions of release, as the court considers appropriate.

**§27-6A-6. Judicial hearing of defendant's defense other than not guilty by reason of mental illness.**

If a defendant who has been found to be not competent to stand trial believes that he or she can establish a defense of not guilty to the charges pending against him or her, other than the defense of not guilty by reason of mental illness, the defendant may request an opportunity to offer a defense thereto on the merits before the court which has criminal jurisdiction. If the defendant is unable to obtain legal counsel, the court of record shall appoint counsel for the defendant to assist him or her in supporting the request by affidavit or other evidence. If the court of record in its discretion grants the request, the evidence of the defendant and of the state shall be heard by the court of record sitting without a jury. If after hearing the petition the court of record finds insufficient evidence

to support a conviction, it shall dismiss the indictment and order the release of the defendant from criminal custody. The release order, however, may be stayed for 10 days to allow civil commitment proceedings to be instituted by the prosecutor pursuant to §27-5-1 *et seq.* of this code: *Provided*, That a defendant committed to a mental health facility or state hospital pursuant to §27-6A-3 (d) or §27-6A-3 (f) shall be immediately released from the facility unless civilly committed.

**§27-6A-8. Credit for time; expenses.**

(a) If a person is convicted of a crime, any time spent in involuntary confinement in a mental health facility or state hospital as a result of being charged with the crime shall be credited to the sentence.

(b) All inpatient care and treatment shall be paid by the department.

(c) All competency restoration services not covered by other government, third-party funding sources, or other grant agreements shall be paid by the department.

**§27-6A-10. Medications and management of court-ordered individuals.**

(a) At any time pursuant to §27-6A-2, §27-6A-3, or §27-6A-4 of this code, an individual is court ordered to a mental health facility or state hospital, the individual has the right to receive treatment under the standards of medical management.

(b) An individual with health care decision-making capacity may refuse medications or other management unless court-ordered to be treated, or unless a treating clinician determines that medication or other management is necessary in emergencies or to prevent danger to the individual or others: *Provided*, That medication management intended to treat an individual's condition that causes or contributes to incompetency shall constitute treatment.

**§27-6A-12. Study of adult criminal competency and responsibility issues; requiring and requesting report and proposed legislation; submission to legislature.**

[Repealed.]

**§27-6A-13. Dangerousness Assessment Review Board.**

(a) There is hereby created the Dangerousness Assessment Advisory Board. The board shall consist of the following persons:

(1) The Commissioner of the Bureau of Behavioral Health and Health Facilities, or a designee of the commissioner who was not involved in the decision under review;

(2) The forensic coordinator of the state;

(3) A representative of the protection and advocacy system for the state as defined by 29 U.S.C. § 794e, 42 U.S.C. § 15041 *et seq.*; and 42 U.S.C. § 10801 *et seq.*;

(4) An employee of the Division of Corrections and Rehabilitation designated by the commissioner with experience in inmate classification;

(5) An employee of the Division of Rehabilitation Services with experience in independent living programs;

(6) Two board-certified forensic psychiatrists appointed by the Governor with the advice and consent of the Senate; and

(7) Two psychologists who are West Virginia qualified forensic evaluators with at least five years demonstrated experience in state and federal courts, appointed by the Governor with the advice and consent of the Senate.

(b) The purpose of the board is to provide opinion, guidance, and informed objective expertise to circuit courts as to the appropriate level of custody or supervision necessary to ensure that persons who have been judicially determined to be incompetent to stand trial and not restorable or not guilty by reason of mental

illness are in the least restrictive environment available to protect the person, other persons, and the public generally.

(c) A circuit court when reviewing a proposed less restrictive placement for a person found incompetent to stand trial and not restorable or not guilty by reason of mental illness may request the assistance of the board in considering the proposed placement plan. The circuit court may request that the medical director convene the board to seek its opinion or opinions on the appropriateness of the proposed placement. The secretary shall provide necessary suggestions, space, and support staff to the board to conduct its activities.

(d) The provisions of §6-9A-1 *et seq.* and §29B-1-1 *et seq.* of this code are inapplicable to the operation of the board.

(e) In performing its duties under this section, the board shall have access to all court records, and medical and mental health records available to the court and all documents of any type used by the medical director in developing the proposed placement plan.

(f) Each member of the board whose regular salary is not paid by the State of West Virginia shall be paid the same compensation and expense reimbursement that is paid to members of the Legislature for their interim duties as recommended by the Citizens Legislative Compensation Commission and authorized by law for each day or portion thereof engaged in the discharge of official duties. Reimbursement for expenses shall not be made, except upon an itemized account, properly certified by the members of the board. All reimbursement for expenses shall be paid out of the State Treasury upon a requisition upon the State Auditor.

(g) A board member shall recuse himself or herself if the board member has previously evaluated a person whose classification or placement is under review.

(h) The members of the board shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused or arising out of any actual or alleged act, error, or

omission that occurred within the scope of their board, duties, or responsibilities: *Provided*, That nothing in this subsection shall be construed to protect any person from suit and/or liability for any damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of that person.

## CHAPTER 89

### (H. B. 2888 - By Delegate Higginbotham)

[Passed April 2, 2021; in effect ninety days from passage.]

[Approved by the Governor on April 19, 2021.]

AN ACT to amend and reenact §53-4A-1 of the West Virginia Code, 1931, as amended, relating to clarifying when a contention is adjudicated; defining forensic scientific evidence; and providing that no additional liabilities are created.

*Be it enacted by the Legislature of West Virginia:*

#### **ARTICLE 4A. POST-CONVICTION HABEAS CORPUS.**

##### **§53-4A-1. Right to habeas corpus for post-conviction review; jurisdiction; when contention deemed finally adjudicated or waived; effect upon other remedies.**

(a) Any person convicted of a crime and incarcerated under sentence of imprisonment therefor who contends that there was such a denial or infringement of his or her rights as to render the conviction or sentence void under the Constitution of the United States or the Constitution of this state, or both, or that the court was without jurisdiction to impose the sentence, or that the sentence exceeds the maximum authorized by law, or that the conviction or sentence is otherwise subject to collateral attack upon any ground of alleged error heretofore available under the common law or any statutory provision of this state, may, without paying a filing fee, file a petition for a writ of habeas corpus ad subjiciendum, and prosecute the same, seeking release from such illegal imprisonment, correction of the sentence, the setting aside of the plea, conviction and sentence, or other relief, if and only if such contention or contentions and the grounds in fact or law relied upon in support thereof have not been previously and finally adjudicated

or waived in the proceedings which resulted in the conviction and sentence, or in a proceeding or proceedings on a prior petition or petitions filed under the provisions of this article, or in any other proceeding or proceedings which the petitioner has instituted to secure relief from such conviction or sentence. Any such petition shall be filed with the clerk of the Supreme Court of Appeals, or the clerk of any circuit court, said Supreme Court of Appeals and all circuit courts of this state having been granted original jurisdiction in habeas corpus cases by the Constitution of this state, or with the clerk of any court of record of limited jurisdiction having criminal jurisdiction in this state. Jurisdiction is hereby conferred upon each and every such court of record of limited jurisdiction having criminal jurisdiction (hereinafter for convenience of reference referred to simply as a "statutory court") to refuse or grant writs of habeas corpus ad subjiciendum in accordance with the provisions of this article and to hear and determine any contention or contentions and to pass upon all grounds in fact or law relied upon in support thereof in any proceeding on any such writ made returnable thereto in accordance with the provisions of this article. All proceedings in accordance with this article shall be civil in character and shall under no circumstances be regarded as criminal proceedings or a criminal case.

(b) For the purposes of this article, a contention or contentions and the grounds in fact or law relied upon in support thereof shall be deemed to have been previously and finally adjudicated only when at some point in the proceedings which resulted in the conviction and sentence, or in a proceeding or proceedings on a prior petition or petitions filed under the provisions of this article, or in any other proceeding or proceedings instituted by the petitioner to secure relief from his or her conviction or sentence, there was a decision on the merits thereof after a full and fair hearing thereon and the time for the taking of an appeal with respect to such decision has not expired or has expired, as the case may be, or the right of appeal with respect to such decision has been exhausted, unless said decision upon the merits is clearly wrong.

(1) For purposes of this article, and notwithstanding any other provisions of this article, a contention or contentions shall not be deemed to be previously and finally adjudicated when either relevant forensic scientific evidence exists that was not available to be offered by a petitioner at the time of the petitioner's conviction or which undermines forensic scientific evidence relied on by the state at trial; and there is a reasonable probability there would be a different outcome at trial.

(2) For purposes of this section:

(A) "Forensic science" is the application of scientific or technical practices to the recognition, collection, analysis, and interpretation of evidence for criminal and civil law or regulatory issues.

(B) "Forensic scientific evidence" shall include scientific or technical knowledge; a testifying forensic analyst's or expert's scientific or technical knowledge or opinion; reports and/or testimony offered by experts or forensic analysts; scientific standards; or a scientific method or technique upon which the relevant forensic scientific evidence is based.

(C) "Scientific knowledge" shall be defined broadly to include the knowledge of the general scientific community and all fields of scientific knowledge on which those fields or disciplines rely and shall not be limited to practitioners or proponents of a particular scientific or technical field or discipline.

(c) For the purposes of this article, a contention or contentions and the grounds in fact or law relied upon in support thereof shall be deemed to have been waived when the petitioner could have advanced, but intelligently and knowingly failed to advance, such contention or contentions and grounds before trial, at trial, or on direct appeal (whether or not said petitioner actually took an appeal), or in a proceeding or proceedings on a prior petition or petitions filed under the provisions of this article, or in any other proceeding or proceedings instituted by the petitioner to secure relief from his or her conviction or sentence, unless such contention or contentions and grounds are such that, under the Constitution of

the United States or the Constitution of this state, they cannot be waived under the circumstances giving rise to the alleged waiver. When any such contention or contentions and grounds could have been advanced by the petitioner before trial, at trial, or on direct appeal (whether or not said petitioner actually took an appeal), or in a proceeding or proceedings on a prior petition or petitions filed under the provisions of this article, or in any other proceeding or proceedings instituted by the petitioner to secure relief from his or her conviction or sentence, but were not in fact so advanced, there shall be a rebuttable presumption that the petitioner intelligently and knowingly failed to advance such contention or contentions and grounds. For the purposes of this article, and notwithstanding any other provisions of this article, a contention or contentions shall not be deemed to have been waived when either relevant forensic scientific evidence exists that was not available to be offered by a petitioner at the time of the petitioner's conviction or which undermines forensic scientific evidence relied on by the state at trial; and there is a reasonable probability there would be a different outcome at trial.

(d) This section does not create additional liabilities, beyond those already recognized, for an expert who repudiates his or her original opinion provided at a hearing or trial or whose opinion has been undermined by later scientific research or technological advancements.

(e) For the purposes of this article, and notwithstanding any other provisions of this article, no such contention or contentions and grounds shall be deemed to have been previously and finally adjudicated or to have been waived where, subsequent to any decision upon the merits thereof or subsequent to any proceeding or proceedings in which said question otherwise may have been waived, any court whose decisions are binding upon the Supreme Court of Appeals of this state or any court whose decisions are binding upon the lower courts of this state holds that the Constitution of the United States or the Constitution of West Virginia, or both, impose upon state criminal proceedings a procedural or substantive standard not theretofore recognized, if and only if such standard is intended to be applied retroactively and

would thereby affect the validity of the petitioner's conviction or sentence.

(f) The writ of habeas corpus ad subjiciendum provided for in this article is not a substitute for nor does it affect any remedies which are incident to the criminal proceedings in the trial court or any remedy of direct review of the conviction or sentence, but such writ comprehends and takes the place of all other common law and statutory remedies, including, but not limited to, the writ of habeas corpus ad subjiciendum provided for in §53-4-1 of this code, which have heretofore been available for challenging the validity of a conviction or sentence and shall be used exclusively in lieu thereof: *Provided*, That nothing contained in this article shall operate to bar any proceeding or proceedings in which a writ of habeas corpus ad subjiciendum is sought for any purpose other than to challenge the legality of a criminal conviction or sentence of imprisonment therefor. A petition for a writ of habeas corpus ad subjiciendum in accordance with the provisions of this article may be filed at any time after the conviction and sentence in the criminal proceedings have been rendered and imposed and the time for the taking of an appeal with respect thereto has expired or the right of appeal with respect thereto has been exhausted.

## CHAPTER 90

**(H. B. 3078 - By Delegates Capito, Lovejoy, Fast, Pushkin,  
Brown, Fluharty, Queen, Pinson, L. Pack, Bruce and Zukoff)**

[Passed April 10, 2021; in effect ninety days from passage.]  
[Approved by the Governor on April 28, 2021.]

AN ACT to amend and reenact §62-12-13 of the Code of West Virginia, 1931, as amended, relating to the powers and duties of the parole board; providing as a new parole eligibility requirement the successful completion of certain rehabilitative and educational programs during incarceration; providing that an inmate who is unable, through no fault of the inmate, to complete the required rehabilitative and educational programs, but who has completed all other parole eligibility requirements, may be granted parole under certain conditions; authorizing completion of specified rehabilitative and educational programs outside of a correctional institution as a special condition of a person's parole term; authorizing the Parole Board to consider whether completion of the outstanding amount of rehabilitative and educational programming would interfere with an inmate's successful reintegration into society; and requiring the Commissioner of Corrections and Rehabilitation to develop, maintain, and make publicly available a list of certain rehabilitative and educational programs outside of the correctional institution which an inmate may be required to complete as a special condition of parole, and the manner and method for an inmate to complete such programs.

*Be it enacted by the Legislature of West Virginia:*

### **ARTICLE 12. PROBATION AND PAROLE.**

**§62-12-13. Powers and duties of board; eligibility for parole; procedure for granting parole.**

(a) The Parole Board, whenever it is of the opinion that the best interests of the state and of the inmate will be served, and subject to the limitations provided in this section, shall release any inmate on parole for terms and upon conditions provided by this article.

(b) Any inmate of a state correctional institution is eligible for parole if he or she:

(1) (A) Has served the minimum term of his or her indeterminate sentence or has served one fourth of his or her definite term sentence, as the case may be; or

(B) He or she has applied for and been accepted by the Commissioner of Corrections and Rehabilitation into an accelerated parole program. To be eligible to participate in an accelerated parole program, the commissioner must determine that the inmate:

(i) Does not have a prior criminal conviction for a felony crime of violence against the person, a felony offense involving the use of a firearm, or a felony offense where the victim was a minor child;

(ii) Is not serving a sentence for a crime of violence against the person, or more than one felony for a controlled substance offense for which the inmate is serving a consecutive sentence, a felony offense involving the use of a firearm, or a felony offense where the victim was a minor child; and

(iii) Has successfully completed a rehabilitation treatment program created with the assistance of a standardized risk and needs assessment.

(C) Notwithstanding any provision of this code to the contrary, any inmate who committed, or attempted to commit, a felony with the use, presentment, or brandishing of a firearm is not eligible for parole prior to serving a minimum of three years of his or her sentence or the maximum sentence imposed by the court, whichever is less: *Provided*, That any inmate who committed, or attempted to commit, any violation of §61-2-12 of this code, with the use, presentment, or brandishing of a firearm, is not eligible for

parole prior to serving a minimum of five years of his or her sentence or one third of his or her definite term sentence, whichever is greater. Nothing in this paragraph applies to an accessory before the fact or a principal in the second degree who has been convicted as if he or she were a principal in the first degree if, in the commission of or in the attempted commission of the felony, only the principal in the first degree used, presented, or brandished a firearm. An inmate is not ineligible for parole under the provisions of this paragraph because of the commission or attempted commission of a felony with the use, presentment, or brandishing of a firearm unless that fact is clearly stated and included in the indictment or presentment by which the person was charged and was either: (i) Found guilty by the court at the time of trial upon a plea of guilty or nolo contendere; (ii) found guilty by the jury upon submitting to the jury a special interrogatory for such purpose if the matter was tried before a jury; or (iii) found guilty by the court if the matter was tried by the court without a jury.

(D) The amendments to this subsection adopted in the year 1981:

(i) Apply to all applicable offenses occurring on or after August 1 of that year;

(ii) Apply with respect to the contents of any indictment or presentment returned on or after August 1 of that year irrespective of when the offense occurred;

(iii) Apply with respect to the submission of a special interrogatory to the jury and the finding to be made thereon in any case submitted to the jury on or after August 1 of that year or to the requisite findings of the court upon a plea of guilty or in any case tried without a jury: *Provided*, That the state gives notice in writing of its intent to seek such finding by the jury or court, as the case may be. The notice shall state with particularity the grounds upon which the finding will be sought as fully as the grounds are otherwise required to be stated in an indictment, unless the grounds upon which the finding will be sought are alleged in the indictment or presentment upon which the matter is being tried;

(iv) Does not apply with respect to cases not affected by the amendments and in those cases the prior provisions of this section apply and are construed without reference to the amendments; and

(v) Insofar as the amendments relate to mandatory sentences restricting the eligibility for parole, all matters requiring a mandatory sentence shall be proved beyond a reasonable doubt in all cases tried by the jury or the court.

(E) As used in this section, “felony crime of violence against the person” means felony offenses set forth in §61-2-1 *et seq.*, §61-3E-1 *et seq.*, §61-8B-1 *et seq.*, or §61-8D-1 *et seq.* of this code.

(F) As used in this section, “felony offense where the victim was a minor child” means any felony crime of violence against the person and any felony violation set forth in §61-8-1 *et seq.*, §61-8A-1 *et seq.*, §61-8C-1 *et seq.*, or §61-8D-1 *et seq.* of this code.

(G) For the purpose of this section, the term “firearm” means any instrument which will, or is designed to, or may readily be converted to, expel a projectile by the action of an explosive, gunpowder, or any other similar means;

(2) Is not in punitive segregation or administrative segregation as a result of disciplinary action;

(3) Has prepared and submitted to the Parole Board a written parole release plan setting forth proposed plans for his or her place of residence, employment and, if appropriate, his or her plans regarding education and post-release counseling and treatment which has been approved by the Division of Corrections and Rehabilitation: *Provided*, That an inmate’s application for parole may be considered by the board without the prior submission of a home plan, but the inmate shall have a home plan approved by the division prior to his or her release on parole. The Commissioner of the Division of Corrections and Rehabilitation, or his or her designee, shall review and investigate the plan and provide findings to the board as to the suitability of the plan: *Provided, however*, That in cases in which there is a mandatory 30-day notification period required prior to the release of the inmate, pursuant to §62-

12-23 of this code, the board may conduct an initial interview and deny parole without requiring the development of a plan. In the event the board believes parole should be granted, it may defer a final decision pending completion of an investigation and receipt of the commissioner's findings. Upon receipt of the plan, together with the investigation and findings, the board, through a panel, shall make a final decision regarding the granting or denial of parole;

(4) Has satisfied the board that if released on parole he or she will not constitute a danger to the community; and

(5) Has successfully completed any individually required rehabilitative and educational programs, as determined by the division, while incarcerated: *Provided*, That, effective September 1, 2021, any inmate who satisfies all other parole eligibility requirements but is unable, through no fault of the inmate, to complete his or her required rehabilitative and educational programs while incarcerated, which are eligible to be taken while on parole, may be granted parole with the completion of such specified programs outside of the correctional institutions being a special condition of that person's parole term: *Provided, however*, That the Parole Board may consider whether completion of the inmate's outstanding amount of such programming would interfere with his or her successful reintegration into society.

(c) Except in the case of an inmate serving a life sentence, a person who has been previously twice convicted of a felony may not be released on parole until he or she has served the minimum term provided by law for the crime for which he or she was convicted. An inmate sentenced for life may not be paroled until he or she has served 10 years, and an inmate sentenced for life who has been previously twice convicted of a felony may not be paroled until he or she has served 15 years: *Provided*, That an inmate convicted of first degree murder for an offense committed on or after June 10, 1994, is not eligible for parole until he or she has served 15 years.

(d) In the case of an inmate sentenced to a state correctional facility regardless of the inmate's place of detention or

incarceration, the Parole Board, as soon as that inmate becomes eligible, shall consider the advisability of his or her release on parole.

(e) If, upon consideration, parole is denied, the board shall promptly notify the inmate of the denial. The board shall, at the time of denial, notify the inmate of the month and year he or she may apply for reconsideration and review. The board shall at least once a year reconsider and review the case of every inmate who was denied parole and who is still eligible: *Provided*, That the board may reconsider and review parole eligibility any time within three years following the denial of parole of an inmate serving a life sentence with the possibility of parole.

(f) Any inmate in the custody of the commissioner for service of a sentence who reaches parole eligibility is entitled to a timely parole hearing without regard to the location in which he or she is housed.

(g) The board shall, with the approval of the Governor, adopt rules governing the procedure in the granting of parole. No provision of this article and none of the rules adopted under this article are intended or may be construed to contravene, limit, or otherwise interfere with or affect the authority of the Governor to grant pardons and reprieves, commute sentences, remit fines, or otherwise exercise his or her constitutional powers of executive clemency.

(h) (1) The Division of Corrections and Rehabilitation shall promulgate policies and procedures for developing a rehabilitation treatment plan created with the assistance of a standardized risk and needs assessment. The policies and procedures shall provide for, at a minimum, screening and selecting inmates for rehabilitation treatment and development, using standardized risk and needs assessment and substance abuse assessment tools, and prioritizing the use of residential substance abuse treatment resources based on the results of the standardized risk and needs assessment and a substance abuse assessment. The results of all standardized risk and needs assessments and substance abuse assessments are confidential.

(2) An inmate shall not be paroled under paragraph (B), subdivision (1), subsection (b) of this section solely due to having successfully completed a rehabilitation treatment plan, but completion of all the requirements of a rehabilitation treatment plan along with compliance with the requirements of subsection (b) of this section creates a rebuttable presumption that parole is appropriate. The presumption created by this subdivision may be rebutted by a Parole Board finding that, according to the standardized risk and needs assessment, at the time parole release is sought the inmate still constitutes a reasonable risk to the safety or property of other persons if released. Nothing in subsection (b) of this section or in this subsection may be construed to create a right to parole.

(i) Notwithstanding the provisions of subsection (b) of this section, the Parole Board may grant or deny parole to an inmate against whom a detainer is lodged by a jurisdiction other than West Virginia for service of a sentence of incarceration, upon a written request for parole from the inmate. A denial of parole under this subsection precludes consideration for parole for a period of one year or until the provisions of subsection (b) of this section are applicable.

(j) If an inmate is otherwise eligible for parole pursuant to subsection (b) of this section, and has completed the rehabilitation treatment program required under subdivision (1), subsection (h) of this section, the Parole Board may not require the inmate to participate in an additional program, but may determine that the inmate must complete an assigned task or tasks prior to actual release on parole. The board may grant parole contingently, effective upon successful completion of the assigned task or tasks, without the need for a further hearing.

(k) (1) The Division of Corrections and Rehabilitation shall supervise all probationers and parolees whose supervision may have been undertaken by this state by reason of any interstate compact entered into pursuant to the Uniform Act for Out-of-State Parolee Supervision.

(2) The Division of Corrections and Rehabilitation shall provide supervision, treatment/recovery, and support services for all persons released to mandatory supervision under §15A-4-17 of this code.

(1) (1) When considering an inmate of a state correctional facility for release on parole, the Parole Board panel considering the parole shall have before it an authentic copy of, or report on, the inmate's current criminal record as provided through the West Virginia State Police, the United States Department of Justice, or any other reliable criminal information sources and written reports of the superintendent of the state correctional institution to which the inmate is sentenced:

(A) On the inmate's conduct record while in custody, including a detailed statement showing any and all infractions of disciplinary rules by the inmate and the nature and extent of discipline administered for the infractions;

(B) On the inmate's industrial record while in custody which shall include: The nature of his or her work, occupation or education, the average number of hours per day he or she has been employed or in class while in custody and a recommendation as to the nature and kinds of employment which he or she is best fitted to perform and in which the inmate is most likely to succeed when he or she leaves the state correctional institution; and

(C) On any physical, mental, psychological, or psychiatric examinations of the inmate.

(2) The Parole Board panel considering the parole may waive the requirement of any report when not available or not applicable as to any inmate considered for parole but, in every case, shall enter in its record its reason for the waiver: *Provided*, That in the case of an inmate who is incarcerated because the inmate has been found guilty of, or has pleaded guilty to, a felony under the provisions of §61-8-12 of this code or under the provisions of §61-8B-1 *et seq.* or §61-8C-1 *et seq.* of this code, the Parole Board panel may not waive the report required by this subsection. The report shall include a study and diagnosis of the inmate, including an on-going

treatment plan requiring active participation in sexual abuse counseling at an approved mental health facility or through some other approved program: *Provided, however,* That nothing disclosed by the inmate during the study or diagnosis may be made available to any law-enforcement agency, or other party without that inmate's consent, or admissible in any court of this state, unless the information disclosed indicates the intention or plans of the parolee to do harm to any person, animal, institution, or to property. Progress reports of outpatient treatment are to be made at least every six months to the parole officer supervising the parolee. In addition, in such cases, the Parole Board shall inform the prosecuting attorney of the county in which the person was convicted of the parole hearing and shall request that the prosecuting attorney inform the Parole Board of the circumstances surrounding a conviction or plea of guilty, plea bargaining, and other background information that might be useful in its deliberations.

(m) Before releasing any inmate on parole, the Parole Board shall arrange for the inmate to appear in person before a Parole Board panel and the panel may examine and interrogate him or her on any matters pertaining to his or her parole, including reports before the Parole Board made pursuant to the provisions of this section: *Provided,* That an inmate may appear by video teleconference if the members of the Parole Board panel conducting the examination are able to contemporaneously see the inmate and hear all of his or her remarks and if the inmate is able to contemporaneously see each of the members of the panel conducting the examination and hear all of the members' remarks: *Provided, however,* That the requirement that an inmate personally appear may be waived where a physician authorized to do so by the Commissioner of the Division of Corrections and Rehabilitation certifies that the inmate, due to a medical condition or disease, is too debilitated, either physically or cognitively, to appear. The panel shall reach its own written conclusions as to the desirability of releasing the inmate on parole and the majority of the panel considering the release must concur in the decision. The superintendent shall furnish all necessary assistance and cooperate to the fullest extent with the Parole Board. All information, records,

and reports received by the Parole Board shall be kept on permanent file.

(n) The Parole Board and its designated agents are at all times to have access to inmates imprisoned in any state correctional facility or in any jail in this state and may obtain any information or aid necessary to the performance of its duties from other departments and agencies of the state or from any political subdivision of the state.

(o) The Parole Board shall, if requested by the Governor, investigate and consider all applications for pardon, reprieve, or commutation and shall make recommendation on the applications to the Governor.

(p) Prior to making a recommendation for pardon, reprieve or commutation, the board shall notify the sentencing judge and prosecuting attorney at least 10 days before the recommendation.

(q) A parolee shall participate as a condition of parole in the litter control program of the county to which he or she is released to the extent directed by the Parole Board, unless the board specifically finds that this alternative service would be inappropriate.

(r) The commissioner shall develop, maintain, and make publicly available a general list of rehabilitative and educational programs available outside of the correctional institutions which an inmate may be required to complete as a special condition of parole pursuant to subdivision (5) of subsection (b) of this section, and the manner and method in which such programs shall be completed by the parolee.

## CHAPTER 91

**(Com. Sub. for H. B. 3106 - By Delegates Barrett, Steele, Fast  
and Fleischauer)**

[Passed April 10, 2021; in effect ninety days from passage.]  
[Approved by the Governor on April 26, 2021.]

AN ACT to amend and reenact §62-1C-1a of the Code of West Virginia, 1931, as amended, relating to bail; increasing the time for a secured bond hearing to 5 days; allowing a bond hearing to be held by any magistrate or judge; and clarifying the bond hearing procedure applies only to misdemeanors.

*Be it enacted by the Legislature of West Virginia:*

### **ARTICLE 1C. BAIL.**

#### **§62-1C-1a. Pretrial release; types of release; conditions for release; considerations as to conditions of release.**

(a) Subject to the provisions of §62-1C-1 of this code, when a person charged with a violation or violations of the criminal laws of this state first appears before a judicial officer:

(1) Except for good cause shown, a judicial officer shall release a person charged with a misdemeanor offense on his or her own recognizance unless that person is charged with:

(A) A misdemeanor offense of actual violence or threat of violence against a person;

(B) A misdemeanor offense where the victim was a minor, as defined in §61-8C-1 of this code;

(C) A misdemeanor offense involving the use of a deadly weapon, as defined in §61-7-2 of this code;

(D) A misdemeanor offense of the Uniform Controlled Substances Act as set forth in chapter 60A of this code;

(E) Misdemeanor offenses of sexual abuse;

(F) A serious misdemeanor traffic offense set forth in §17C-5-1 or §17C-5-2 of this code; or

(G) A misdemeanor offense involving auto tampering, petit larceny or possession, transfer or receiving of stolen property when alleged value on the property involved exceeds \$250.

(2) For the misdemeanor offenses specified in subsection (a) of this section and all other offenses which carry a penalty of incarceration, the arrested person is entitled to be admitted to bail subject to the least restrictive condition or combination of conditions that the judicial officer determines reasonably necessary to assure that person will appear as required, and which will not jeopardize the safety of the arrested person, victims, witnesses, or other persons in the community or the safety and maintenance of evidence. Further conditions may include that the person charged shall:

(A) Not violate any criminal law of this state, another state, or the United States;

(B) Remain in the custody of a person designated by the judicial officer, who agrees to assume supervision and to report any violation of a release condition to the court, if the designated person is reasonably able to assure the judicial officer that the person will appear as required and will not pose a danger to himself or herself or to the safety of any other person or the community;

(C) Participate in home incarceration pursuant to §62-11B-1 *et seq.* of this code;

(D) Participate in an electronic monitoring program if one is available where the person is charged or will reside.

(E) Maintain employment, or, if unemployed, actively seek employment;

(F) Avoid all contact with an alleged victim of the alleged offense and with potential witnesses and other persons as directed by the court;

(G) Refrain from the use or excessive use of alcohol, or any use of a narcotic drug or other controlled substance, as defined in §60A-1-1 *et seq.* of this code without a prescription from a licensed medical practitioner;

(H) Execute an agreement to forfeit, upon failing to appear as required, property of a sufficient unencumbered value, including money, as is reasonably necessary to assure the appearance of the person as required. The person charged shall provide the court with proof of ownership, the value of the property, and information regarding existing encumbrances of the property as, in the discretion of the judicial officer, is reasonable and necessary collateral to ensure the subsequent appearance of the person as required;

(I) Post a cash bond, or execute a bail bond with solvent sureties who will execute an agreement to forfeit an amount reasonably necessary to assure appearance of the person as required. If other than an approved surety, the surety shall provide the court with information regarding the value of its assets and liabilities and the nature and extent of encumbrances against the surety's property. The surety shall have a net worth of sufficiently unencumbered value to pay the amount of the bail bond; or

(J) Satisfy any other condition that is reasonably necessary to assure the appearance of the person as required and to assure the safety of the arrested person, victims, witnesses, other persons in the community, or the safety and maintenance of evidence.

(3) Proper considerations in determining whether to release the arrested person on an unsecured bond, fixing a reasonable amount of bail, or imposing other reasonable conditions of release are:

(A) The ability of the arrested person to give bail;

(B) The nature, number, and gravity of the offenses;

(C) The potential penalty the arrested person faces;

(D) Whether the alleged acts were violent in nature;

(E) The arrested person's prior record of criminal convictions and delinquency adjudications, if any;

(F) The character, health, residence, and reputation of the arrested person;

(G) The character and strength of the evidence which has been presented to the judicial officer:

(H) Whether the arrested person is currently on probation, extended supervision, or parole;

(I) Whether the arrested person is already on bail or subject to other release conditions in other pending cases;

(J) Whether the arrested person has been bound over for trial after a preliminary examination;

(K) Whether the arrested person has in the past forfeited bail or violated a condition of release or was ever a fugitive from justice; and

(L) The policy against unnecessary incarceration of arrested persons pending trial set forth in this section.

(b) In all misdemeanors, cash bail may not exceed three times the maximum fine provided for the offense. If the person is charged with more than one misdemeanor, cash bail may not exceed three times the highest maximum fine of the charged offenses.

(c) Notwithstanding any provisions of this article to the contrary, whenever a person not subject to the provisions of §62-1C-1 of this code remains incarcerated after his or her initial appearance, relating to a misdemeanor, due to the inability to meet the requirements of a secured bond, a magistrate or judge shall hold a hearing within 5 days of setting the initial bail to determine if there is a condition or combination of conditions which can meet the considerations set forth in §62-1C-1a(a)(2) of this code.

(d) A judicial officer may upon notice and hearing modify the conditions of release at any time by imposing additional or different conditions.

(e) A prosecuting attorney and defense counsel, unless expressly waived by the defendant, shall appear at all hearings in which bail or bond conditions are at issue other than the proceeding at which the conditions of release are initially set.

(f) No judicial officer may recommend the services of a surety who is his or her relative as that term is defined in §6B-1-3 of this code.

AN ACT to amend and reenact §48-8-105 of the Code of West Virginia, 1931, as amended, relating to correcting erroneous cross-references within this section regarding factors considered in awarding spousal support and separate maintenance.

*Be it enacted by the Legislature of West Virginia:*

#### **ARTICLE 8. SPOUSAL SUPPORT.**

##### **§48-8-105. Rehabilitative spousal support.**

(a) The court may award rehabilitative spousal support for a limited period of time to allow the recipient spouse, through reasonable efforts, to become gainfully employed. When awarding rehabilitative spousal support, the court shall make specific findings of fact to explain the basis for the award, giving due consideration to the factors set forth in §48-6-301 of this code. An award of rehabilitative spousal support is appropriate when the dependent spouse evidences a potential for self-support that could be developed through rehabilitation, training, or academic study.

(b) The court may modify an award of rehabilitative spousal support if a substantial change in the circumstances under which rehabilitative spousal support was granted warrants terminating, extending, or modifying the award or replacing it with an award of permanent spousal support. In determining whether a substantial change of circumstances exists which would warrant a modification of a rehabilitative spousal support award, the court

may consider a reassessment of the dependent spouse's potential work skills and the availability of a relevant job market, the dependent spouse's age, health and skills, the dependent spouse's ability or inability to meet the terms of the rehabilitative plan and other relevant factors as provided for in §48-6-301 of this code.

## **CHAPTER 48. DOMESTIC RELATIONS.**

### **ARTICLE 1. GENERAL PROVISIONS, DEFINITIONS.**

#### **§48-1-220. Decision-making responsibility defined.**

“Decision-making responsibility” refers to authority for making significant life decisions on behalf of a child, including, but not limited to, the child's education, spiritual guidance and health care: *Provided*, That with regard to healthcare, both parents in any shared parenting plan, regardless of the relative ratio of parenting time allocated between the parents, shall have the authority to make emergency or other non-elective healthcare decisions concerning their child necessary for the child's health or welfare during such parent's parenting time.

#### **§48-1-239. Shared parenting defined.**

(a) “Shared parenting” means either basic shared parenting or extended shared parenting.

(b) “Basic shared parenting” means an arrangement under which one parent keeps a child or children overnight for less than 35 percent of the year and under which both parents contribute to the expenses of the child or children in addition to the payment of child support.

(c) “Extended shared parenting” means an arrangement under which each parent keeps a child or children overnight for more than 35 percent of the year and under which both parents contribute to the expenses of the child or children in addition to the payment of child support.

(d) In any case where, in the absence of an agreement between the parents, a court orders shared parenting; the order shall be in writing and include specific findings of fact supporting the Court's determination.

**§48-1-239a. Shared legal custody defined.**

“Shared legal custody” means a continued mutual responsibility and involvement by both parents in major decisions regarding the child's welfare including matters of education, medical care, and emotional, moral, and religious development consistent with the provisions of §48-9-207 of this code.

**§48-1-239b. Sole legal custody defined.**

“Sole legal custody” means that one parent has the right and responsibility to make major decisions regarding the child's welfare including matters of education, non-emergency medical care, and emotional, moral, and religious development.

**§48-1-241a. Shared physical custody defined.**

“Shared physical custody” means a child has periods of residing with, and being under the supervision of, each parent consistent with the provisions of §48-9-206 of this code: *Provided*, That physical custody shall be shared by the parents in such a way as to assure a child has frequent and continuing contact with both parents. Such frequent and continuing contact with both parents is rebuttably presumed to be in the best interests of the child unless the evidence shows otherwise.

**§48-1-241b. Sole physical custody defined.**

“Sole physical custody” means a child resides with and is under the supervision of one parent, subject to reasonable visitation by the other parent, unless the court determines that the visitation would not be in the best interests of the child.

**ARTICLE 9. ALLOCATION OF CUSTODIAL  
RESPONSIBILITY AND DECISION-MAKING  
RESPONSIBILITY OF CHILDREN.**

**§48-9-102. Objectives; best interests of the child.**

(a) The primary objective of this article is to serve the child's best interests, by facilitating:

(1) Stability of the child;

(2) Parental planning and agreement about the child's custodial arrangements and upbringing;

(3) Continuity of existing parent-child attachments;

(4) Meaningful contact between a child and each parent;

(5) Caretaking and parenting relationships by adults who love the child, know how to provide for the child's needs, and who place a high priority on doing so;

(6) Security from exposure to physical or emotional harm;

(7) Expedient, predictable decision-making and avoidance of prolonged uncertainty respecting arrangements for the child's care and control; and

(8) Meaningful contact between a child and his or her siblings, including half-siblings.

(b) A secondary objective of article is to achieve fairness between the parents.

**§48-9-105. Venue for custodial allocation actions independent of divorce.**

(a) Venue for the initial determination of custodial allocation or child custody determination within a divorce action shall be governed by §48-5-106 or §48-20-101 *et seq.* of this code, or both.

(b) Venue for the initial determination of custodial allocation or child custody determination as between parties who reside in separate states shall be governed by §48-20-101 *et seq.* of this code.

(c) Venue for modification of custodial allocation or modification of child custody determination which was previously determined in a tribunal of a state other than West Virginia shall be governed by §48-20-101 *et seq.* of this code.

**§48-9-203. Proposed temporary parenting plan; temporary order; amendment; vacation of order.**

(a) A parent seeking a temporary order relating to parenting shall file and serve a proposed temporary parenting plan by motion. The other parent, if contesting the proposed temporary parenting plan, shall file and serve a responsive proposed parenting plan. Either parent may move to have a proposed temporary parenting plan entered as part of a temporary order. The parents may enter an agreed temporary parenting plan at any time as part of a temporary order. The proposed temporary parenting plan may be supported by relevant evidence and shall be verified and shall state at a minimum the following:

(1) The name, address and length of residence with the person or persons with whom the child has lived for the preceding twelve months;

(2) The performance by each parent during the last 12 months of the parenting functions relating to the daily needs of the child;

(3) The parents' work and child-care schedules for the preceding twelve months;

(4) The parents' current work and child-care schedules; and

(5) Any of the circumstances set forth in §48-9-209 of this code that are likely to pose a serious risk to the child and that warrant limitation on the award to a parent of temporary residence or time with the child pending entry of a permanent parenting plan.

(b) At the hearing, the court shall enter a temporary parenting order incorporating a temporary parenting plan which includes:

(1) A schedule for the child's time with each parent when appropriate;

(2) Designation of a temporary residence for the child;

(3) Allocation of decision-making authority, if any. Absent allocation of decision-making authority consistent with §48-9-207 of this code, neither party shall make any decision for the child other than those relating to day-to-day or emergency care of the child, which shall be made by the party who is present with the child;

(4) Provisions for temporary support for the child;

(5) Restraining orders, if applicable; and

(6) Specific findings of fact upon which the court bases its determinations.

(c) A parent may make a motion for an order to show cause and the court may enter a temporary order, including a temporary parenting plan, upon a showing of necessity.

(d) A parent may move for amendment of a temporary parenting plan, and the court may order amendment to the temporary parenting plan, if the amendment conforms to the limitations of §48-9-209 of this code and is in the best interest of the child. The court's order modifying the plan shall be in writing and contain specific findings of fact upon which the court bases its determinations.

#### **§48-9-204. Criteria for temporary parenting plan.**

(a) After considering the proposed temporary parenting plan filed pursuant to §48-9-203 of this code and other relevant evidence presented, the court shall make a temporary parenting plan that is in the best interest of the child, which shall be in writing and contain specific findings of fact upon which the court bases its determinations. In making this determination, the court shall give particular consideration to:

(1) Which parent has taken greater responsibility during the last 12 months for performing caretaking and/or parenting functions relating to the daily needs of the child; and

(2) Which parenting arrangements will cause the least disruption to the child's emotional stability while the action is pending.

(b) The court shall also consider the factors used to determine residential provisions in the permanent parenting plan.

(c) Upon credible evidence of one or more of the circumstances set forth in §48-9-209(a) of this code, the court shall issue a temporary order limiting or denying access to the child as required by that section, in order to protect the child or the other party, pending adjudication of the underlying facts. The temporary order shall be in writing and include specific findings of fact supporting the court's determination.

(d) Expedited procedures shall be instituted to facilitate the prompt issuance of a parenting plan.

**§48-9-206. Allocation of custodial responsibility.**

(a) Unless otherwise resolved by agreement of the parents under §48-9-201 of this code or unless harmful to the child, the court shall allocate custodial responsibility so that, except to the extent required under §48-9-209 of this code, the custodial time the child spends with each parent may be expected to achieve any of the following objectives:

(1) To permit the child to have a meaningful relationship with each parent who has performed a reasonable share of parenting functions;

(2) To accommodate, if the court determines it is in the best interests of the child, the firm and reasonable preferences of a child who is 14 years of age or older; and to accommodate, if the court determines it is in the best interests of the child, the firm and reasonable preferences of a child under 14 years of age, but sufficiently matured that he or she can intelligently express a voluntary preference for one parent;

(3) To keep siblings together when the court finds that doing so is necessary to their welfare;

(4) To protect the child's welfare when, under an otherwise appropriate allocation, the child would be harmed because of a gross disparity in the quality of the emotional attachments between each parent and the child, or in each parent's demonstrated ability or availability to meet a child's needs;

(5) To take into account any prior agreement of the parents that, under the circumstances as a whole, including the reasonable expectations of the parents in the interest of the child, would be appropriate to consider;

(6) To avoid an allocation of custodial responsibility that would be extremely impractical or that would interfere substantially with the child's need for stability in light of economic, physical, or other circumstances, including the distance between the parents' residences, the cost and difficulty of transporting the child, the parents' and child's daily schedules, and the ability of the parents to cooperate in the arrangement;

(7) To apply the principles set forth in §48-9-403(d) of this code if one parent relocates or proposes to relocate at a distance that will impair the ability of a parent to exercise the amount of custodial responsibility that would otherwise be ordered under this section;

(8) To consider the stage of a child's development;

(9) To consider which parent will encourage and accept a positive relationship between the child and the other parent, including which parent is more likely to keep the other parent involved in the child's life and activities;

(10) To take into account the preference that time allocated to the parent resulting in the child being under the care and custody of that parent is preferred to time allocated to the parent resulting in the child being under the care or custody of a family member of that parent or a third party; and

(11) To allow reasonable access to the child by telephone or other electronic contact, which shall be defined in the parenting plan.

(b) The court may consider the allocation of custodial responsibility arising from temporary agreements made by the parties after separation if the court finds, by a preponderance of the evidence, that such agreements were consensual. The court shall afford those temporary consensual agreements the weight the court believes the agreements are entitled to receive, based upon the evidence. The court may not consider the temporary allocation of custodial responsibility imposed by a court order on the parties.

(c) If the court is unable to allocate custodial responsibility under §48-9-206(a) of this code because the allocation under §48-9-206(a) of this code would be harmful to the child, or because there is no history of past performance of caretaking functions, as in the case of a newborn, or because the history does not establish a pattern of caretaking sufficiently dispositive of the issues of the case, the court shall allocate custodial responsibility based on the child's best interest, taking into account the factors in considerations that are set forth in this section and in §48-9-209 and §48-9-403(d) of this code and preserving to the extent possible this section's priority on the share of past caretaking functions each parent performed: *Provided*, That if either parent or both has demonstrated reasonable participation in parenting functions as defined in §48-1-235.2 of this code, the court cannot rely solely on caretaking functions, and shall consider the parents' participation in parenting functions.

(d) In determining how to schedule the custodial time allocated to each parent, the court shall take account of the economic, physical, and other practical circumstances such as those listed in §48-9-206(a)(6) of this code.

(e) In the absence of an agreement of the parents, the court's determination of allocation of custodial responsibility under this section shall be made pursuant to a hearing, which shall not be conducted exclusively by the presentation of evidence by proffer. The court's order determining allocation of custodial responsibility shall be in writing, and include specific findings of fact supporting the determination.

**§48-9-207. Allocation of significant decision-making responsibility.**

(a) Unless otherwise resolved by agreement of the parents under §48-9-201 of this code, the court shall allocate responsibility for making significant life decisions on behalf of the child, including the child's education and health care, to one parent or to two parents jointly, in accordance with the child's best interest, in light of:

(1) The allocation of custodial responsibility under §48-9-206 of this code;

(2) The level of each parent's participation in past decision-making on behalf of the child;

(3) The wishes of the parents;

(4) The level of ability and cooperation the parents have demonstrated in decision-making on behalf of the child;

(5) Prior agreements of the parties; and

(6) The existence of any limiting factors, as set forth in section 9-209 of this article.

(b) If each of the child's legal parents has been exercising a reasonable share of parenting functions for the child, the court shall presume that an allocation of decision-making responsibility to both parents jointly is in the child's best interests. The presumption is overcome if there is a history of domestic abuse, neglect, or abandonment, or by a showing that joint allocation of decision-making responsibility is not in the child's best interest: *Provided*, That the court's determination shall be in writing and include specific findings of fact supporting any determination that joint allocation of decision-making responsibility is not in the child's best interest.

(c) Unless otherwise provided or agreed by the parents, each parent who is exercising custodial responsibility shall be given sole responsibility for day-to-day decisions for the child, while the child

is in that parent's care and control, including emergency decisions affecting the health and safety of the child.

### Part 2 – Parenting Plans

#### **§48-9-209. Parenting plan; limiting factors.**

(a) If either of the parents so requests, or upon receipt of credible information thereof, the court shall determine whether a parent who would otherwise be allocated responsibility under a parenting plan:

(1) Has abused, neglected or abandoned a child, as defined by state law;

(2) Has sexually assaulted or sexually abused a child as those terms are defined in §61-8B-1 *et seq.* and §61-8D-1 *et seq.* of this code;

(3) Has committed domestic violence, as defined in §48-27-202 of this code;

(4) Has overtly or covertly, persistently violated, interfered with, impaired, or impeded the rights of a parent or a child with respect to the exercise of shared authority, residence, visitation, or other contact with the child, except in the case of actions taken for the purpose of protecting the safety of the child or the interfering parent or another family member, pending adjudication of the facts underlying that belief; or

(5) Has made one or more fraudulent reports of domestic violence or child abuse: *Provided*, That a person's withdrawal of or failure to pursue a report of domestic violence or child support shall not alone be sufficient to consider that report fraudulent.

(b) If a parent is found to have engaged in any activity specified by subsection (a) of this section, the court shall impose limits that are reasonably calculated to protect the child or child's parent from harm. The limitations that the court shall consider include, but are not limited to:

(1) An adjustment of the custodial responsibility of the parents, including but not limited to:

(A) Increased parenting time with the child to make up for any parenting time the other parent lost as a result of the proscribed activity;

(B) An additional allocation of parenting time in order to repair any adverse effect upon the relationship between the child and the other parent resulting from the proscribed activity; or

(C) The allocation of exclusive custodial responsibility to one of them;

(2) Supervision of the custodial time between a parent and the child;

(3) Exchange of the child between parents through an intermediary, or in a protected setting;

(4) Restraints on the parent from communication with or proximity to the other parent or the child;

(5) A requirement that the parent abstain from possession or consumption of alcohol or nonprescribed drugs while exercising custodial responsibility and in the twenty-four hour period immediately preceding such exercise;

(6) Denial of overnight custodial responsibility;

(7) Restrictions on the presence of specific persons while the parent is with the child;

(8) A requirement that the parent post a bond to secure return of the child following a period in which the parent is exercising custodial responsibility or to secure other performance required by the court;

(9) A requirement that the parent complete a program of intervention for perpetrators of domestic violence, for drug or alcohol abuse, or a program designed to correct another factor; or

(10) Any other constraints or conditions that the court deems necessary to provide for the safety of the child, a child's parent or any person whose safety immediately affects the child's welfare.

(c) If a parent is found to have engaged in any activity specified in subsection (a) of this section, the court may not allocate custodial responsibility or decision-making responsibility to that parent without making special written findings that the child and other parent can be adequately protected from harm by such limits as it may impose under subsection (b) of this section. The parent found to have engaged in the behavior specified in subsection (a) of this section has the burden of proving that an allocation of custodial responsibility or decision-making responsibility to that parent will not endanger the child or the other parent.

(d) If the court determines, based on the investigation described in part three of this article or other evidence presented to it, that an accusation of child abuse or neglect, or domestic violence made during a child custody proceeding is false and the parent making the accusation knew it to be false at the time the accusation was made, the court may order reimbursement to be paid by the person making the accusations of costs resulting from defending against the accusations. Such reimbursement may not exceed the actual reasonable costs incurred by the accused party as a result of defending against the accusation and reasonable attorney's fees incurred.

(e) (1) A parent who believes he or she is the subject of activities by the other parent described in subdivision (5) of subsection (a), may move the court pursuant to subdivision (4), subsection (b), section one hundred and one, article five, chapter forty-nine of this code for the Department of Health and Human Resources to disclose whether the other parent was the source of the allegation and, if so, whether the department found the report to be:

(A) Substantiated;

(B) Unsubstantiated;

(C) Inconclusive; or

(D) Still under investigation.

(2) If the court grants a motion pursuant to this subsection, disclosure by the Department of Health and Human Resources shall be in camera. The court may disclose to the parties information received from the department only if it has reason to believe a parent knowingly made a false report.

### PART 3. FACT FINDING.

#### **§48-9-301. Court-ordered investigation.**

(a) In its discretion, the court may order a written investigation and report to assist it in determining any issue relevant to proceedings under this article: *Provided*, That the court must serve notice to all parties of the court's order. The investigation and report may be made by the guardian ad litem, the staff of the court, or other professional social service organization experienced in counseling children and families: *Provided*, That the court shall identify to all parties the identity of the assigned investigator, and the investigator shall be a compulsory witness and subject to full examination and cross-examination by both parties. The court shall specify the scope and objective of the investigation or evaluation and the authority of the investigator.

(b) In preparing the report concerning a child, the investigator may consult any person who may have information about the child and the potential parenting or custodian arrangements: *Provided*, That the person(s) consulted by the investigator shall be identified to the parties and shall be subject to complete discovery including but not limited to pre-hearing deposition. Upon order of the court, the investigator may refer the child to professional personnel for diagnosis. The investigator may consult with and obtain information from medical, psychiatric or other expert persons who have served the child in the past without obtaining the consent of the parent or the child's custodian; but the child's consent must be obtained if the child has reached the age of twelve, unless the court finds that the child lacks mental capacity to consent. If the

requirements of subsection (c) of this section are fulfilled, the investigator's report may be received in evidence at the hearing.

(c) The investigator shall deliver the investigator's report to counsel and to any party not represented by counsel at least 10 days prior to the hearing unless a shorter time is ordered by the court for good cause shown: *Provided*, That in no event shall the hearing take place until after the report has been provided to the parties and the completion of any discovery requested thereupon. The court may grant a continuance, upon motion by a party showing good cause that discovery cannot be adequately completed within 10 days. The investigator shall make available to counsel and to any party not represented by counsel the investigator's file of underlying data and reports, records or documents reviewed or relied upon by the investigator, complete texts of diagnostic reports made to the investigator pursuant to the provisions of subsection (b) of this section, and the names and addresses of all persons whom the investigator has consulted. Any party to the proceeding may call as a hearing witness the investigator and any person whom the investigator has consulted for cross-examination. A party may not waive the right of cross-examination prior to the hearing.

(d) Services and tests ordered under this section shall be ordered only if at no cost to the individuals involved, or at a cost that is reasonable in light of the available financial resources.

#### PART 4. MODIFICATION OF PARENTING PLAN.

##### **§48-9-403. Relocation of a parent.**

(a) The relocation of a parent constitutes a substantial change in the circumstances of the child under §48-9-401(a) of this code when it impairs either parent's ability to exercise responsibilities that the parent has been exercising, or when it impairs the schedule of custodial allocation that has been ordered by the court for a parent or any other person.

(b) A parent who has responsibility under a parenting plan who changes, or intends to change, residences must file a verified petition with the court for modification of the parenting plan, and

cause a copy of the same to be served upon the other parent and upon all other persons who, pursuant to the court's order in effect at the time of the petition, have been allocated custodial time with the child. The petition shall be filed at least 90 days prior to any relocation, and the summons must be served at least 60 days in advance of any relocation, unless the relocating parent establishes that it was impracticable under the circumstances to provide such notice 90 days in advance. The verified petition shall include:

- (1) The proposed relocation date;
- (2) The address of the intended new residence;
- (3) The specific reasons for the proposed relocation;
- (4) A proposal for how custodial responsibility shall be modified, in light of the intended move; and
- (5) A request for a hearing.

Failure to comply with the requirements of this section may be a factor in the determination of whether the relocation is in good faith under subsection (d) of this section, and may also be a basis for reallocation of the primary residence and custodial responsibility for the child and for an award of reasonable expenses and reasonable attorney's fees to another parent or another person exercising custodial responsibility for the child pursuant to an order of the court that are attributable to such failure.

(c) A hearing on the petition shall be held by the court at least 30 days in advance of the proposed date of relocation. A parent proposing to relocate may move for an expedited hearing upon the petition in circumstances under which the parent needs an answer expeditiously. If the hearing is held fewer than 30 days in advance of the proposed date of relocation, the court's order shall include findings of fact as to why the hearing was not held at least 30 days prior to the petition's proposed date of relocation. After a hearing upon a petition filed under this section, the court shall, if practical, revise the parenting plan so as to both accommodate the relocation and maintain the same proportion of custodial responsibility being exercised by each of the parents and all such other persons

exercising custodial responsibility for the child pursuant to the order of the court. In making such revision, the court may consider the additional costs that a relocation imposes upon the respective parties for transportation and communication, and may equitably allocate such costs between the parties and may consider §48-13-702 of this code authorizing the court to disregard the child support formula relating to long distance visitation costs.

(d) (1) At the hearing held pursuant to this section, the relocating parent has the burden of proving that: (A) The reasons for the proposed relocation are legitimate and made in good faith; (B) that allowing relocation of the relocating parent with the child is in the best interests of the child as defined in §48-9-102 of this code; and (C) that there is no reasonable alternative, other than the proposed relocation, available to the relocating parent that would be in the child's best interests and less disruptive to the child.

(2) A relocation is for a legitimate purpose if it is to be close to immediate family members, for substantial health reasons, to protect the safety of the child or another member of the child's household from significant risk of harm, to pursue a significant employment or educational opportunity, or to be with one's spouse or significant other with whom the relocating parent has cohabitated for at least a year, who is established, or who is pursuing a significant employment or educational opportunity, in another location.

(3) The relocating parent has the burden of proving the proposed relocation is for one of these legitimate purposes. The relocating parent has the burden of proving the legitimacy of any other purpose. A move with a legitimate purpose is unreasonable unless the relocating parent proves that the purpose is not substantially achievable without moving, and that moving to a location that is substantially less disruptive of the other parent's relationship to the child is not feasible.

(4) When the relocation is for a legitimate purpose, in good faith, and renders it impractical to maintain the same proportion of custodial responsibility as that being exercised by each parent and all other persons exercising custodial responsibility for the child

pursuant to an order of the court, the court shall modify the parenting plan in accordance with the child's best interests.

(5) If the relocating parent does not establish that the purpose for that parent's relocation is made in good faith for a legitimate purpose to a location that is reasonable in light of the purpose, the court may modify the parenting plan in accordance with the child's best interests and the effects of the relocation on the child. Among the modifications the court may consider is a reallocation of primary custodial responsibility, to become effective if and when the parent's relocation occurs.

(6) The court shall attempt to minimize impairment to a parent-child relationship caused by a parent's relocation through alternative arrangements for the exercise of custodial responsibility appropriate to the parents' resources and circumstances and the developmental level of the child.

(e) If the parties file with the court a modified parenting plan signed by all the parties the court may enter an order modifying custodial responsibility in accordance with the parenting plan if the court determines that the parenting plan is in the best interest of the child to do so.

(f) Except in extraordinary circumstance articulated in the court's order, a relocation may not be considered until an initial permanent parenting plan is established.

(g) In determining the effect of the relocation or proposed relocation on a child, any interviewing or questioning of the child shall be conducted in accordance with the provisions of Rule 17 of the Rules of Practice and Procedure for Family Court as promulgated by the Supreme Court of Appeals.

#### PART 6. MISCELLANEOUS PROVISIONS.

##### **§48-9-601. Access to a child's records.**

(a)(1) Each parent has full and equal access to a child's educational records absent a court order to the contrary. Neither parent may veto the access requested by the other parent.

Educational records are academic, attendance and disciplinary records of public and private schools in all grades pre-kindergarten through 12 and any form of alternative school. Educational records are any and all school records concerning the child that would otherwise be properly released to the primary custodial parent, including, but not limited to, report cards and progress reports, attendance records, disciplinary reports, results of the child's performance on standardized tests and statewide tests and information on the performance of the school that the child attends on standardized statewide tests; curriculum materials of the class or classes in which the child is enrolled; names of the appropriate school personnel to contact if problems arise with the child; information concerning the academic performance standards, proficiencies, or skills the child is expected to accomplish; school rules, attendance policies, dress codes and procedures for visiting the school; and information about any psychological testing the school does involving the child.

(2) In addition to the right to receive school records, the nonresidential parent has the right to participate as a member of a parent advisory committee or any other organization comprised of parents of children at the school that the child attends.

(3) The nonresidential parent or noncustodial parent has the right to question anything in the child's record that the parent feels is inaccurate or misleading or is an invasion of privacy and to receive a response from the school.

(4) Each parent has a right to arrange appointments for parent-teacher conferences absent a court order to the contrary. Neither parent can be compelled against their will to exercise this right by attending conferences jointly with the other parent.

(b)(1) Each parent has full and equal access to a child's medical records and vital records absent a court order to the contrary. Neither parent may veto the access requested by the other parent. If necessary, either parent is required to authorize medical providers to release to the other parent copies of any and all information concerning medical care provided to the child which would otherwise be properly released to either parent.

(2) If the child is in the actual physical custody of one parent, that parent is required to promptly inform the other parent of any illness of the child which requires medical attention.

(3) Each parent is required to consult with the other parent prior to any elective surgery being performed on the child, and in the event emergency medical procedures are undertaken for the child which require the parental consent of either parent, if time permits, the other parent shall be consulted, or if time does not permit such consultation, the other parent shall be promptly informed of the emergency medical procedures: *Provided*, That nothing contained herein alters or amends the law of this state as it otherwise pertains to physicians or health care facilities obtaining parental consent prior to providing medical care or performing medical procedures.

(c)(1) Each parent has full and equal access to a child's juvenile court records, process and pleadings, absent a court order to the contrary. Neither parent may veto any access requested by the other parent. Juvenile court records are limited to those records which are normally available to a parent of a child who is a subject of the juvenile justice system.

(2) Each parent has the right to be notified by the other party if the minor child is the victim of an alleged crime, including the name of the investigating law-enforcement officer or agency, if known. There is no duty to notify if the party to be notified is the alleged perpetrator.

**§48-9-603. Effect of enactment; operative dates.**

(a) The enactment of this article, formerly enacted as article eleven of this chapter during the second extraordinary session of the 1999 Legislature, is prospective in operation unless otherwise expressly indicated.

(b) The provisions of §48-9-202 of this code, insofar as they provide for parent education and mediation, became operative on January 1, 2000. Until that date, parent education and mediation with regard to custody issues were discretionary unless made

mandatory under a particular program or pilot project by rule or direction of the Supreme Court of Appeals or a circuit court.

(c) The provisions of this article that authorize the court, in the absence of an agreement of the parents, to order an allocation of custodial responsibility and an allocation of significant decision-making responsibility became operative on January 1, 2000, at which time the primary caretaker doctrine was replaced with a system that allocates custodial and decision-making responsibility to the parents in accordance with this article. Any order entered prior to January 1, 2000, based on the primary caretaker doctrine remains in full force and effect until modified by a court of competent jurisdiction.

(d) The amendments to this chapter made during the 2021 session of the Legislature shall become applicable upon the effective date of those amendments. Any order entered prior to the effective date of those amendments remains in full force and effect until modified by a court of competent jurisdiction.

*Be it enacted by the Legislature of West Virginia:*

### CHAPTER 12. PUBLIC MONEYS AND SECURITIES.

#### ARTICLE 6C. WEST VIRGINIA BOARD OF TREASURY INVESTMENTS.

##### **\*§12-6C-11. Legislative findings; loans for industrial development; availability of funds and interest rates.**

(a) The Legislature finds and declares that the citizens of the state benefit from the creation of jobs and businesses within the state;

---

\*NOTE: This section was also amended by S. B. 295 (Chapter 47), which passed prior to this act.

that business and industrial development loan programs provide for economic growth and stimulation within the state; that loans from pools established in the Consolidated Fund will assist in providing the needed capital to assist business and industrial development; and that time constraints relating to business and industrial development projects prohibit duplicative review by both the board and West Virginia Economic Development Authority Board.

(b) Subject to a liquidity determination, the West Virginia Board of Treasury Investments shall make a revolving loan available to the West Virginia Economic Development Authority in an amount of up to \$200 million. The revolving loan shall be used for business or industrial development projects authorized by §31-15-7 of this code and to consolidate existing loans authorized to be made to the West Virginia Economic Development Authority pursuant to this section and pursuant to §31-15-20 of this code which authorizes a \$150 million revolving loan and §31-18B-1 *et seq.* of this code which authorizes a \$50 million investment pool: *Provided,* That the West Virginia Economic Development Authority may not loan more than \$15 million for any one business or industrial development project. The revolving loan authorized by this subsection shall be secured by one note at a variable interest rate equal to 50% of the West Virginia Economic Development Authority's weighted average interest rate for outstanding loans in the Business and Industrial Development Loan Program authorized by §31-15-7 of this code. The rate may not be lower than 1.50% and must be reset on July 1 of each year. Monthly payments made by the West Virginia Economic Development Authority to the board shall be calculated on a 120-month amortization. The revolving loan is secured by a security interest that pledges and assigns the cash proceeds of collateral from all loans under this revolving loan pool. The West Virginia Economic Development Authority may also pledge as collateral certain revenue streams from other revolving loan pools which source of funds does not originate from federal sources or from the board.

(c) The outstanding principal balance of the revolving loan from the board to the West Virginia Economic Development Authority may at no time exceed 103 percent of the aggregate outstanding principal balance of the business and industrial loans

from the West Virginia Economic Development Authority to economic development projects funded from this revolving loan pool. The independent audit of the West Virginia Economic Development Authority financial records shall annually certify that 103 percent requirement.

(d) The interest rates and maturity dates on the loans made by the West Virginia Economic Development Authority for business and industrial development projects authorized by §31-15-7 of this code shall be at competitive rates and maturities as determined by the West Virginia Economic Development Authority Board.

(e) Any and all outstanding loans made by the West Virginia Board of Treasury Investments, or any predecessor entity, to the West Virginia Economic Development Authority are refundable by proceeds of the revolving loan contained in this section and the board shall make no loans to the West Virginia Economic Development Authority pursuant to §31-15-20 of this code or §31-18B-1 *et seq.* of this code.

(f) The directors of the West Virginia Board of Treasury Investments shall bear no fiduciary responsibility with regard to any of the loans contemplated in this section.

(g) *Inspection of records.* – Within 30 days of receiving a written request from the board, the authority shall provide the board with the opportunity to inspect and copy any records in the custody of the authority related to any loan issued by the board to the authority or any loan from the authority to a third party funded by a loan issued by the board. Records to be made available pursuant to this subsection include, but are not limited to, accounting records, loan applications, loan agreements, board minutes, audit reports, and transaction records. Records of the authority held, from time to time, by the board pursuant to this subsection that are exempt from disclosure pursuant to the provisions of §31-15-22 of this code or §29B-1-1 *et seq.* of this code shall remain so while held by the board.

**CHAPTER 31. CORPORATIONS.****ARTICLE 15. WEST VIRGINIA ECONOMIC DEVELOPMENT AUTHORITY.****§31-15-5. West Virginia economic development authority; composition; appointment; terms; delegation of authority by chairman; voting; compensation and expenses.**

(a) The West Virginia Economic Development Authority is continued as a body corporate and politic, constituting a public corporation and government instrumentality.

(b) The authority shall be composed of a board of members consisting of a chairperson, who shall be the Governor, or his or her designated representative, the State Treasurer, or his or her designated representative, the Tax Commissioner, and seven members who shall be appointed by the Governor, by and with the advice and consent of the Senate, and who shall be broadly representative of the geographic regions of the state. One member of the House of Delegates to be appointed by the Speaker and one member of the Senate to be appointed by the President shall serve on the board in an advisory capacity as ex officio, nonvoting members. The board shall direct the exercise of all the powers given to the authority in this article. The Governor shall also be the chief executive officer of the authority, and shall designate the treasurer and the secretary of the board.

(c) As appointments expire, each subsequent appointment shall be for a full four-year term. Any member whose term has expired shall serve until his or her successor has been duly appointed and qualified. Any person appointed to fill a vacancy shall serve only for the unexpired term. Any member is eligible for reappointment.

(d) The Governor may, by written notice filed with the secretary of the authority, from time to time, delegate to any subordinate the power to represent him or her at any meeting of the authority. In that case, the subordinate has the same power and privileges as the Governor and may vote on any question.

(e) Members of the authority are not entitled to compensation for services performed as members, but are entitled to reimbursement for all reasonable and necessary expenses actually incurred in the performance of their duties.

(f) A majority of the members constitutes a quorum for the purpose of conducting business. Except in the case of a loan or insurance application or unless the bylaws require a larger number, action may be taken by majority vote of the members present. Approval or rejection of a loan or insurance application shall be made by majority vote of the full membership of the board.

(g) The board shall manage the property and business of the authority and may prescribe, amend, adopt, and repeal bylaws and rules and regulations governing the manner in which the business of the authority is conducted.

(h) The board shall, without regard to the provisions of civil service laws applicable to officers and employees of the State of West Virginia, appoint any necessary managers, assistant managers, officers, employees, attorneys, and agents for the transaction of its business, fix their compensation, define their duties, and provide a system of organization to fix responsibility and promote efficiency. Any appointee of the board may be removed at the discretion of the board. The authority may reimburse any state spending unit for any special expense actually incurred in providing any service or the use of any facility to the authority.

(i) The board may delegate to the executive director the authority to make and execute all contracts and other agreements or instruments necessary to carry out the duties and powers of the authority, as provided in this article: *Provided*, That nothing in this article authorizes the authority to enter into contracts or agreements with financial institutions, as that term is defined in §31A-1-2 of this code, for banking goods or services without approval of the State Treasurer, in accordance with §12-1-1 *et seq.* of this code.

(j) In cases of any vacancy in the office of a voting member, the vacancy shall be filled by the Governor. Any member

appointed to fill a vacancy in the board occurring prior to the expiration of the term for which his or her predecessor was appointed shall be appointed for the remainder of the term.

AN ACT to amend and reenact §18-5-16 of the Code of West Virginia, 1931, as amended, relating to county board of education open enrollment; amending provisions pertaining to the contents of county board of education policies for open enrollment; prohibiting transfer refusal by virtue of student transferring from approved exemption (k) school; setting forth reasons for which an open enrollment application may be denied and the process for application denial; and amending provisions pertaining to funding in certain instances of a student transfer.

*Be it enacted by the Legislature of West Virginia:*

### **ARTICLE 5. COUNTY BOARD OF EDUCATION.**

#### **§18-5-16. Student transfers; definitions; appeals; calculating net enrollment; fees for transfer.**

(a) *Establishment of attendance zones within counties.* — The county board may establish attendance zones within the county to designate the schools that its resident students shall attend. Upon the written request of any parent or guardian, or person legally responsible for any student, or for reasons affecting the best interests of the schools, the superintendent may transfer students from one school to another within the county. Any aggrieved person may appeal the decision of the county superintendent to the county board, and the decision of the county board is final.

(b) *Definitions.* — For the purposes of this section, unless a different meaning clearly appears from the context:

(1) “Nonresident student” means a student who resides in this state and who is enrolled in or is seeking enrollment in a county school district other than the county school district in which the student resides.

(2) “Open enrollment” means a policy adopted and implemented by a county board to allow nonresident students to enroll in any school within the district. Open enrollment is distinct from a mutual agreement of two county boards regarding mass transfer of students, as contemplated in §18-5-13(f)(1)(C) of this code.

(c) *Enrollment policies.* — County boards shall establish and implement an open enrollment policy without charging tuition and without obtaining approval from the board of the county in which a student resides and transfers. This policy shall clearly outline the application process nonresident students are to follow. Enrollment policies are subject to the following:

(1) A county board may give enrollment preference to:

(A) Siblings of students already enrolled through the open enrollment policy;

(B) Secondary students who have completed 10th grade and, due to family relocation, become nonresident students, but express the desire to remain in a specific school to complete their education;

(C) Students who are children, grandchildren, or legal wards of employees;

(D) Students whose legal residences, though geographically within another county, are more proximate to a school within the receiving county, whether calculated by miles or transportation time;

(E) Students who reside in a portion of a county where topography, impassable roads, long bus rides, or other conditions prevent the practicable transportation of the student to a school within the county, and a school within a contiguous county is more easily accessible; and

(F) The county board to which the student wishes to be transferred may not refuse a transfer by virtue of the student transferring from a private, parochial, church, or religious school holding an exemption approved pursuant to §18-8-1(k) of this code: *Provided*, That nothing in this paragraph shall be construed to allow a county board to give an enrollment preference to a student transferring from a private, parochial, church, or religious school holding an exemption approved pursuant to §18-8-1(k) of this code.

(2) A county must comply with all enrollment requirements for children who are in foster care or who meet the definition of unaccompanied youth prescribed in the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11434a(6)).

(3) The county board for the county educating the nonresident student may provide an adequate means of transportation to nonresident students when students have complied with the procedure for obtaining authorization to attend school outside their county of residence, subject to the following:

(A) County boards of education are not required to uniformly provide nonresident student transportation, and may consider whether a nonresident student meets the eligibility criteria for free or reduced price lunch and milk established within the Richard B. Russell National School Lunch Act (42 U.S.C. § 1758); and

(B) The county board for the county educating the nonresident student shall provide transportation to and from the school of attendance, or to and from an agreed pickup point on a regular transportation route, or for the total miles traveled each day for the nonresident student to reach the school of enrollment if the nonresident student is a student with disabilities and has an

individualized education program that specifies that transportation is necessary for fulfillment of the program.

(4) An application may only be denied by a county board of education due to lack of grade level capacity or if the nonresident student failed to fill out or submit the application correctly. The denial shall be in writing, sent to the parent or guardian of the nonresident student and the West Virginia Department of Education within three business days of the decision, and include the reason and explanation for the denial and information on appealing the denial of the application.

(d) *Appeal.* — The State Board of Education shall establish a process whereby a parent or guardian of a student may appeal to the State Superintendent the refusal of a county board to accept the transfer of the student. If during the appeal process, the State Superintendent discovers that the education and the welfare of the student could be enhanced, the State Superintendent may direct that the student may be permitted to attend a school in the receiving county.

(e) *Net enrollment.* — For purposes of net enrollment as defined in §18-9A-2 of this code, whenever a student is transferred on a full-time basis from one school district to another district pursuant to the provisions of this section, the county to which the student is transferred shall include the student in its net enrollment, subject to the following:

(1) If a student transfers after the second month of any school year, the county to which the student transferred may issue, in the following fiscal year, an invoice to the county from which the student transferred for the amount, determined on a pro rata basis, that the county now responsible for educating the student otherwise would have received under the state basic foundation program established in §18-9A-1 *et seq.* of this code had such student been included in the county's prior year's net enrollment;

(2) If a student in grades kindergarten through 12 transfers after the second month of any school year, the county to which the student transferred may issue, in the following fiscal year, an

invoice to the county from which the student transferred for the amount the county now responsible for educating the student otherwise would have received under aid to exceptional students had such student been included in the county's prior year's child count enrollment;

(3) If a student in prekindergarten transfers after the child count of exceptional students is certified for any school year, the county to which the student transferred may issue, in the following fiscal year, an invoice to the county from which the student transferred for the amount the county now responsible for educating the student otherwise would have received under aid to exceptional students had such student been included in the county's prior year's child count enrollment; and

(4) The county from which the student transferred shall reimburse the county to which the student transferred for the amount of the invoice.

(f) *Transfers between states.* — Transfer of students from this state to another state shall be upon such terms, including payment of tuition, as shall be mutually agreed upon by the board of the receiving county and the authorities of the school or district from which the transfer is made.

(g) No parent, guardian, or person acting as parent or guardian is required to pay for the transfer of a student or for the tuition of the student after the transfer when the transfer is carried out under the terms of this section.

(h) Nothing in this section supersedes the eligibility requirements for participation in extra-curricular activities established by the Secondary School Activities Commission.

(i) The amendments to this section during the 2019 First Extraordinary Session of the Legislature shall be effective for school years beginning on or after July 1, 2020, and the provisions of this section existing immediately prior to the 2019 First Extraordinary Session of the Legislature remain in effect for school years beginning prior to July 1, 2020.

AN ACT to amend and reenact §18-2-9 of the Code of West Virginia, 1931, as amended, relating to imposing additional requirements for the courses required for all public, private, parochial, and denominational schools in the history of the State of West Virginia, the history of the United States, in civics, in the Constitution of the United States, and in the government of West Virginia; requiring the State Board of Education to consult with certain other entities in prescribing the courses of study; requiring the State Board of Education to include the basic course requirements for middle school and high school and the academic standards when prescribing the courses of study; requiring the State Board of Education to publish an approved list of instructional resources; requiring the State Board of Education to provide testing or assessment instruments for the history and civics courses of instruction; and expanding amendments to the Constitution of the United States to be emphasized as a part of the instruction in each social studies class required during Celebrate Freedom Week.

*Be it enacted by the Legislature of West Virginia:*

### **ARTICLE 2. STATE BOARD OF EDUCATION.**

#### **§18-2-9. Required courses of instruction.**

(a) (1) In all public, private, parochial, and denominational schools located within this state there shall be given prior to the completion of the eighth grade at least one year of instruction in

the history of the State of West Virginia. The schools shall require regular courses of instruction by the completion of the 12th grade in the history of the United States, in civics, in the Constitution of the United States, and in the government of the State of West Virginia for the purpose of teaching, fostering, and perpetuating the ideals, principles, and spirit of political and economic democracy in America, and increasing the knowledge of the organization and machinery of the government of the United States and of the State of West Virginia. The required courses shall include instruction on the institutions and structure of American government, such as the separation of powers, the Electoral College, and federalism. The required courses shall include instruction that provides students an understanding of American political philosophy and history, utilizing writings from prominent figures in Western civilization, such as Aristotle, Thomas Hobbes, John Locke, and Thomas Jefferson. The courses of instruction shall offer an objective and critical analysis of ideologies throughout history including, but not limited to, capitalism, republicanism, democracy, socialism, communism, and fascism. The required courses shall emphasize the use of primary sources and interactive learning techniques, such as mock scenarios, debates, and open and impartial discussions.

(2) The state board shall, with the advice of the state superintendent, and after consultation with other entities, prescribe the courses of study, including the basic course requirements for middle school and high school, and the academic standards listed in subdivision (1) of this subsection for these courses of study covering these subjects for the public schools, and publish an approved list of instructional resources pursuant to §18-2A-1 *et seq.* of this code. The curriculum used in the delivery of instruction shall cover the standards adopted for such courses. The other entities for consultation may include such organizations as the Florida Joint Center for Citizenship, the College Board, the Bill of Rights Institute, Hillsdale College, the Gilder Lehrman Institute of American History, the Constitutional Sources Project, educators, school administrators, postsecondary education representatives, elected officials, business and industry leaders, parents, and the public. Officials or boards having authority over the respective private, parochial, and denominational schools shall prescribe

courses of study for the schools under their control and supervision similar to those required for the public schools.

(3) The state board shall provide testing or assessment instruments for the history and civics courses of instruction required by this section. These testing instruments shall:

(A) Be aligned with the academic standards required by this section;

(B) Be mandatory for students enrolled in those courses of instruction;

(C) Be cumulative by including questions about knowledge learned in prior history and civics courses; and

(D) Measure students' factual and conceptual knowledge including how the facts interrelate and the reasons behind historical documents and events.

(4) To further this study, every high school student eligible by age for voter registration shall be afforded the opportunity to register to vote pursuant to §3-2-22 of this code.

(b) The state board shall cause to be taught in all public schools of this state the subject of health education, including instruction in any of the grades six through 12 as considered appropriate by the county board, on: (1) The prevention, transmission, and spread of acquired immune deficiency syndrome and other sexually transmitted diseases; (2) substance abuse, including the nature of alcoholic drinks and narcotics, tobacco products, and other potentially harmful drugs, with special instruction as to their effect upon the human system and upon society in general; (3) the importance of healthy eating and physical activity in maintaining healthy weight; and (4) education concerning cardiopulmonary resuscitation and first aid, including instruction in the care for conscious choking, and recognition of symptoms of drug or alcohol overdose. The course curriculum requirements and materials for the instruction shall be adopted by the state board by rule in consultation with the Department of Health and Human Resources. The state board shall prescribe a standardized health education

assessment to be administered within health education classes to measure student health knowledge and program effectiveness.

(c) An opportunity shall be afforded to the parent or guardian of a child subject to instruction in the prevention, transmission, and spread of acquired immune deficiency syndrome and other sexually transmitted diseases to examine the course curriculum requirements and materials to be used in the instruction. The parent or guardian may exempt the child from participation in the instruction by giving notice to that effect in writing to the school principal.

(d) After July 1, 2015, the required instruction in cardiopulmonary resuscitation in subsection (b) of this section shall include at least 30 minutes of instruction for each student prior to graduation on the proper administration of cardiopulmonary resuscitation (CPR) and the psychomotor skills necessary to perform cardiopulmonary resuscitation. The term “psychomotor skills” means the use of hands-on practicing to support cognitive learning. Cognitive-only training does not qualify as “psychomotor skills”. The CPR instruction shall be based on an instructional program established by the American Heart Association or the American Red Cross, or another program which is nationally recognized and uses the most current national evidence-based emergency cardiovascular care guidelines and incorporates psychomotor skills development into the instruction. A licensed teacher is not required to be a certified trainer of cardiopulmonary resuscitation to facilitate, provide, or oversee such instruction. The instruction may be given by community members, such as emergency medical technicians, paramedics, police officers, firefighters, licensed nurses, and representatives of the American Heart Association or the American Red Cross. These community members are encouraged to provide necessary training and instructional resources such as cardiopulmonary resuscitation kits and other material at no cost to the schools. The requirements of this subsection are minimum requirements. A local school district may offer CPR instruction for longer periods of time and may enhance the curriculum and training components, including, but not limited to, incorporating into the instruction the use of an

automated external defibrillator (AED): *Provided*, That any instruction that results in a certification being earned shall be taught by an authorized CPR/AED instructor.

(e) A full week of classes during the week selected by the county board of education shall be recognized as Celebrate Freedom Week. The purpose of Celebrate Freedom Week is to educate students about the sacrifices made for freedom in the founding of this country and the values on which this country was founded.

Celebrate Freedom Week shall include appropriate instruction in each social studies class which:

(1) Includes an in-depth study of the intent, meaning, and importance of the Declaration of Independence, the Emancipation Proclamation, and the Constitution of the United States with an emphasis on the amendments that are crucial to the survival of democracy and freedom, such as the Bill of Rights and the thirteenth, fourteenth, fifteenth, and nineteenth amendments;

(2) Uses the historical, political, and social environments surrounding each document at the time of its initial passage or ratification; and

(3) Includes the study of historical documents to firmly establish the historical background leading to the establishment of the provisions of the constitution and Bill of Rights by the founding fathers for the purposes of safeguarding our constitutional republic.

The requirements of this subsection are applicable to all public, private, parochial, and denominational schools located within this state. Nothing in this subsection creates a standard or requirement subject to state accountability measures.

(f) Beginning the 2018-2019 school year, students in public schools shall be administered a test the same as or substantially similar to the civics portion of the naturalization test used by the United States Citizenship and Immigration Services between their ninth and 12th grade years as an indicator of student achievement in the area of civics education. The test results may be reported in

the aggregate to the county board for evaluation by the board's curriculum director and reported to the board members. Nothing in this subsection creates a standard or requirement subject to state accountability measures.

Any remaining funds shall be paid to the county board. If the assets of the public charter school are insufficient to pay all parties to whom the public charter school owes compensation, the prioritization of distribution of assets may be determined by decree of a court of law.

(j) If a public charter school is subject to closure or transition, following exhaustion of any appeal allowed under §18-5G-13 of this code, an authorizer may remove at will at any time any or all of the members of the board of directors of the public charter school in connection with ensuring a smooth and orderly closure or transition. If the authorizer removes members of the board of directors such that the board of directors can no longer function, the authorizer shall be empowered to take any further necessary and proper acts connected with closure or transition of the public charter school in the name and interest of the public charter school.

as an enrollment option for students and the process for application and enrollment, including dates and timelines. If the public charter school includes in its mission a specific focus on students with special needs, including, but not limited to, at-risk students, English language learners, students with severe disciplinary problems at a noncharter public school or students involved with the juvenile justice system, it shall include the information in such publication. (3) A county board may not require any student residing in the county to enroll in a public charter school, nor may it prohibit any public charter school student from returning to a noncharter public school;

(4) A public charter school shall designate its primary recruitment area in its charter application and charter contract. The establishment of a primary recruitment area by a public charter school does not negate any overlapping attendance area or areas established by a county board or boards for noncharter public schools. A primary recruitment area may include territory in more than one county;

(5) The primary recruitment area shall be based on the public charter school's estimated facility and program capacity. The capacity of the public charter school shall be determined annually by the governing board of the public charter school in conjunction with its authorizer and in consideration of the public charter school's ability to facilitate the academic success of its students, to achieve the other objectives specified in the charter contract, and to ensure that the student enrollment does not exceed the capacity of its facility, site and programs. An authorizer may not restrict the number of students a public charter school may enroll;

(6) Public charter schools may not discriminate against any person on any basis which would be unlawful for noncharter public schools in the school district. A public charter school may not establish admission policies or limit student admissions in any manner in which a public school is not permitted to establish admission policies or limit student admissions: *Provided*, That this subdivision may not be construed to limit the formation of a public charter school that is dedicated to focusing its education program and services on students with special needs, including, but not limited to, at-risk students, English language learners, students with severe disciplinary problems at a noncharter public school, or students involved with the juvenile justice system;

(7) A public charter school may establish any one or more of the following enrollment preferences for:

(B) Students enrolled in the public charter school the previous school year and siblings of students already enrolled in the public charter school;

(C) Children with special needs, including, but not limited to, at-risk students, English language learners, students with severe disciplinary problems at a noncharter public school, or students involved with the juvenile justice system; and

(8) A start-up public charter school shall enroll all students who apply and to whom an enrollment preference has been established. If the school has excess capacity after enrolling these students, the school shall enroll all other students who apply: *Provided*, That if the remaining applicants exceed the enrollment capacity of the program, class, grade level or building of the public charter school, the public charter school shall select students for enrollment from

among all remaining applicants by a random selection lottery. The school's lottery procedures and timelines support equal and open access for all students and take place in an open meeting;

(9) A conversion public charter school shall guarantee enrollment to all students who were previously enrolled in the noncharter public school and shall adopt and maintain a policy that gives enrollment preference to students who reside within the attendance area as established prior to the conversion of the school. If the school has excess capacity after enrolling these students and all others to whom an enrollment preference has been given, the school shall enroll all other students who apply: *Provided*, That if the remaining applicants exceed the enrollment capacity of the program, class, grade level or building of a public charter school, the public charter school shall select students for enrollment from among all remaining applicants by a random selection lottery. The school's lottery procedures and timelines support equal and open access for all students and take place in an open meeting; and

(10) A program conversion public charter school shall enroll all students who apply for enrollment in the program who, at the time of authorization, are enrolled in the noncharter public school at which the program is operated. A program conversion public charter school shall adopt and maintain a policy that gives enrollment preference to students who are enrolled in the noncharter public school at which the program is operated. If the school has excess capacity after enrolling these students, the school shall enroll all other students who apply: *Provided*, That if the remaining applicants exceed the enrollment capacity of the program, class, grade level or building of a public charter school, the public charter school shall select students for enrollment from among all remaining applicants by a random selection lottery. The school's lottery procedures and timelines support equal and open access for all students and take place in an open meeting.

(b) If a student who was previously enrolled in a public charter school transfers enrollment to a noncharter public school in this state, the school to which the student transfers shall accept credits earned by the student in courses or instructional programs at the public charter school in a uniform and consistent manner and

according to the same criteria that are used to accept academic credits from other noncharter public schools or that consider content competency when appropriate due to differences in curriculum delivery, instructional methods and strategies, or course designations and sequence.

(c) Each public charter school shall be given access to and shall utilize the electronic education information system established by the West Virginia Department of Education, is subject to the Student Data Accessibility, Transparency and Accountability Act pursuant to section §18-2-5h of this code, and shall report information on student and school performance to parents, policy-makers and the general public in the same manner as noncharter public schools utilizing the electronic format established by the West Virginia Department of Education.

(d) Each public charter school shall certify annually to the State Department of Education and to the county board of the school district in which the public charter school is located its student enrollment, average daily attendance and student participation in the national school lunch program, special education, vocational education, gifted education, advanced placement and dual credit courses, and federal programs in the same manner as school districts.

**§18-5G-13. Appeal of authorizer's decision to West Virginia Board of Education.**

(a) A charter applicant or governing board of an existing public charter school may appeal a decision of an authorizer concerning the denial of a charter application or the nonrenewal of a charter contract to the state board within 30 days of the authorizer's decision: *Provided*, That the authority to appeal an authorizer's decision pursuant to this subsection does not apply to instances where the state board is the authorizer that denies the charter application or fails to renew a charter contract.

(b) The state board shall promulgate a rule pursuant to §29A-3B-1 *et seq.* establishing the process and timeline for appeals filed pursuant to this section.

(c) The state board shall remand the authorizer's decision back to the authorizer for further proceedings if the substantive rights of the applicant have been prejudiced because the authorizer's findings, inferences, conclusions, or decisions are:

(1) In violation of constitutional or statutory provisions or state board policy;

(2) In excess of the statutory authority or jurisdiction of the authorizer;

(3) Made upon unlawful procedures;

(4) Affected by other error of law;

(5) Clearly wrong in view of the reliable, probative, and substantial evidence on the whole record; or

## **ARTICLE 8. COMPULSORY SCHOOL ATTENDANCE.**

### **§18-8-1. Compulsory school attendance; exemptions.**

(a) Exemption from the requirements of compulsory public school attendance established in §18-8-1a of this code shall be made on behalf of any child for the causes or conditions set forth in this section. Each cause or condition set forth in this section is subject to confirmation by the attendance authority of the county. A child who is exempt from compulsory school attendance under this section is not subject to prosecution under §18-8-2 of this code, nor is such a child a status offender as defined by §49-1-202 of this code.

(b) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code if the requirements of this subsection, relating to instruction in a private, parochial or other approved school, are met. The instruction shall be in a school approved by the county board and for a time equal to the instructional term set forth in §18-5-45 of this code. In all private, parochial or other schools approved pursuant to this subsection, it is the duty of the principal or other person in control, upon the request of the county superintendent, to furnish to the county board such information and records as may be required with respect to attendance, instruction and progress of students enrolled.

(c) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code if the requirements of either subdivision (1) or subdivision (2) of this subsection, both relating to home instruction, are met.

(1) The instruction shall be in the home of the child or children or at some other place approved by the county board and for a time equal to the instructional term set forth in §18-5-45 of this code. If the request for home instruction is denied by the county board,

good and reasonable justification for the denial shall be furnished in writing to the applicant by the county board. The instruction shall be conducted by a person or persons who, in the judgment of the county superintendent and county board, are qualified to give instruction in subjects required to be taught in public elementary schools in the state. The person or persons providing the instruction, upon request of the county superintendent, shall furnish to the county board information and records as may be required periodically with respect to attendance, instruction and progress of students receiving the instruction. The state board shall develop guidelines for the home schooling of special education students including alternative assessment measures to assure that satisfactory academic progress is achieved.

(2) The child meets the requirements set forth in this subdivision: *Provided*, That the county superintendent may, after a showing of probable cause, seek from the circuit court of the county an order denying home instruction of the child. The order may be granted upon a showing of clear and convincing evidence that the child will suffer neglect in his or her education or that there are other compelling reasons to deny home instruction.

(A) Upon commencing home instruction under this section the parent of a child receiving home instruction shall present to the county superintendent or county board a notice of intent to provide home instruction that includes the name, address, and age of any child of compulsory school age to be instructed and assurance that the child shall receive instruction in reading, language, mathematics, science and social studies and that the child shall be assessed annually in accordance with this subdivision. The person providing home instruction shall notify the county superintendent upon termination of home instruction for a child who is of compulsory attendance age. Upon establishing residence in a new county, the person providing home instruction shall notify the previous county superintendent and submit a new notice of intent to the superintendent of the new county of residence: *Provided*, That if a child is enrolled in a public school, notice of intent to provide home instruction shall be given on or before the date home instruction is to begin.

(B) The person or persons providing home instruction shall submit satisfactory evidence of a high school diploma or equivalent, or a post-secondary degree or certificate from a regionally accredited institution or from an institution of higher education that has been authorized to confer a post-secondary degree or certificate in West Virginia by the West Virginia Council for Community and Technical College Education or by the West Virginia Higher Education Policy Commission.

(C) Annually, the person or persons providing home instruction shall obtain an academic assessment of the child for the previous school year in one of the following ways:

(i) The child receiving home instruction takes a nationally normed standardized achievement test published or normed not more than 10 years from the date of administration and administered under the conditions as set forth by the published instructions of the selected test and by a person qualified in accordance with the test's published guidelines in the subjects of reading, language, mathematics, science and social studies. The child is considered to have made acceptable progress when the mean of the child's test results in the required subject areas for any single year is within or above the fourth stanine or, if below the fourth stanine, shows improvement from the previous year's results;

(ii) The child participates in the testing program currently in use in the state's public schools. The test shall be administered to the child at a public school in the county of residence. Determination of acceptable progress shall be based on current guidelines of the state testing program;

(iii) A portfolio of samples of the child's work is reviewed by a certified teacher who determines whether the child's academic progress for the year is in accordance with the child's abilities. The teacher shall provide a written narrative about the child's progress in the areas of reading, language, mathematics, science and social studies and shall note any areas which, in the professional opinion of the reviewer, show need for improvement or remediation. If the narrative indicates that the child's academic progress for the year

is in accordance with the child's abilities, the child is considered to have made acceptable progress; or

(iv) The child completes an alternative academic assessment of proficiency that is mutually agreed upon by the parent or legal guardian and the county superintendent.

(D) A parent or legal guardian shall maintain copies of each student's Academic Assessment for three years. When the annual assessment fails to show acceptable progress, the person or persons providing home instruction shall initiate a remedial program to foster acceptable progress. The county board upon request shall notify the parents or legal guardian of the child, in writing, of the services available to assist in the assessment of the child's eligibility for special education services. Identification of a disability does not preclude the continuation of home schooling. In the event that the child does not achieve acceptable progress for a second consecutive year, the person or persons providing instruction shall submit to the county superintendent additional evidence that appropriate instruction is being provided.

(E) The parent or legal guardian shall submit to the county superintendent the results of the academic assessment of the child at grade levels three, five, eight and 11, as applicable, by June 30 of the year in which the assessment was administered.

(3) This subdivision applies to both home instruction exemptions set forth in subdivisions (1) and (2) of this subsection. The county superintendent or a designee shall offer such assistance, including textbooks, other teaching materials and available resources, all subject to availability, as may assist the person or persons providing home instruction. Any child receiving home instruction may upon approval of the county board exercise the option to attend any class offered by the county board as the person or persons providing home instruction may consider appropriate subject to normal registration and attendance requirements.

(d) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code if the requirements of this subsection, relating to physical or mental incapacity, are

met. Physical or mental incapacity consists of incapacity for school attendance and the performance of school work. In all cases of prolonged absence from school due to incapacity of the child to attend, the written statement of a licensed physician or authorized school nurse is required. Incapacity shall be narrowly defined and in any case the provisions of this article may not allow for the exclusion of the mentally, physically, emotionally or behaviorally handicapped child otherwise entitled to a free appropriate education.

(e) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code if conditions rendering school attendance impossible or hazardous to the life, health or safety of the child exist.

(f) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code upon regular graduation from a standard senior high school or alternate secondary program completion as determined by the state board.

(g) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code if the child is granted a work permit pursuant to the subsection. After due investigation the county superintendent may grant work permits to youths under the termination age designated in §18-8-1a of this code, subject to state and federal labor laws and regulations. A work permit may not be granted on behalf of any youth who has not completed the eighth grade of school.

(h) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code if a serious illness or death in the immediate family of the child has occurred. It is expected that the county attendance director will ascertain the facts in all cases of such absences about which information is inadequate and report the facts to the county superintendent.

(i) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code if the requirements of this subsection, relating to destitution in the home, are met. Exemption based on a condition of extreme destitution in the home

may be granted only upon the written recommendation of the county attendance director to the county superintendent following careful investigation of the case. A copy of the report confirming the condition and school exemption shall be placed with the county director of public assistance. This enactment contemplates every reasonable effort that may properly be taken on the part of both school and public assistance authorities for the relief of home conditions officially recognized as being so destitute as to deprive children of the privilege of school attendance. Exemption for this cause is not allowed when the destitution is relieved through public or private means.

(j) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code if the requirements of this subsection, relating to church ordinances and observances of regular church ordinances, are met. The county board may approve exemption for religious instruction upon written request of the person having legal or actual charge of a child or children. This exemption is subject to the rules prescribed by the county superintendent and approved by the county board.

(k) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code if the requirements of this subsection, relating to alternative private, parochial, church or religious school instruction, are met. Exemption shall be made for any child attending any private school, parochial school, church school, school operated by a religious order or other nonpublic school which elects to comply with the provisions of §18-28-1 *et seq.* of this code.

(l) Completion of the eighth grade does not exempt any child under the termination age designated in §18-8-1a of this code from the compulsory attendance provision of this article.

(m) A child is exempt from the compulsory school attendance requirements set forth in §18-8-1a of this code if the child is an eligible recipient participating in the Hope Scholarship Program, as provided for in §18-31-1 *et seq.* of this code and provides a notice of intent to participate in the Hope Scholarship Program to the county superintendent. The county superintendent shall enter

the following into the West Virginia Education Information System (WVEIS):

(1) The filing of the notice of intent pursuant to this subsection;

(2) In the case of a Hope Scholarship recipient who chooses an individualized instructional program, annually, the child's test results or determination that a student is making academic progress commensurate with his or her age and ability, as applicable, pursuant to §18-31-8(a)(4) of this code; and

**§18-31-8. Renewal of Hope Scholarship accounts; participation in public school system.**

(a) A parent must renew an eligible recipient's Hope Scholarship on an annual basis. (c) If a parent fails to renew an eligible recipient's Hope Scholarship, the board shall notify the parent that the eligible recipient's account will be closed in 45 calendar days. (d) If an eligible recipient decides to return to the Hope Scholarship Program after failing to renew, they must reapply.

(e) The board, in consultation with the Department of Education, may adopt rules and policies to provide the least disruptive process for Hope Scholarship students who desire to stop receiving Hope Scholarship payments and return full-time to a public school.

(f) The board, in consultation with the Department of Education, may adopt rules and policies for Hope Scholarship students who want to continue to receive services provided by a public school or district, including individual classes and extracurricular programs, in combination with an individualized instructional program. The board, in consultation with the Department of Education, shall ensure that any public school or school district providing such services receives the appropriate pro rata share of a student's Hope Scholarship funds based on the percentage of total instruction provided to the student by the public school or school district. County boards shall charge tuition to Hope Scholarship students who enroll for services in a public

school within the county. Hope Scholarship students who enroll for services part-time in public school shall not be included in net enrollment for state aid funding purposes under §18-9A-2 of this code. Nothing in this subsection prohibits a Hope Scholarship student from using the funds deposited in his or her account on both services provided by a public school or district and other qualifying expenses as provided for in §18-31-7 of this code.

### **§18-31-9. Administration of Hope Scholarship accounts.**

(a) In addition to the duties, obligations, and authority stated in this section and in other parts of this article, the board has the following duties, obligations, and authority with respect to the administration of Hope Scholarship accounts:

(1) To maintain an updated list of participating schools and shall ensure that the list is publicly available through various sources, including the internet;

(3) To ensure that parents of students with a disability receive notice that participation in the Hope Scholarship Program is a parental placement under 20 U.S.C. §1412 of the Individuals with Disabilities Education Act (IDEA) along with an explanation of the rights that parentally placed students possess under (IDEA) and any applicable state laws and regulations.

(b) The board may contract with private organizations to administer the Hope Scholarship Program. This includes, but is not limited to, private financial management firms to manage Hope Scholarship accounts.

(c) The board shall implement, or contract with a private organization to implement, a commercially viable, cost effective, and parent-friendly system for payment for services from Hope

Scholarship accounts to participating schools or education service providers, including, but not limited to, the use of debit cards or other electronic or online fund transfers: *Provided*, That a Hope Scholarship account may not be reduced for debit card or electronic payment fees.

(d) The board shall also seek to implement a commercially viable, cost-effective, and parent-friendly system for publicly rating, reviewing, and sharing information about participating schools and education service providers, ideally as part of the same system that facilitates the electronic or online funds transfers so as to create a one-stop-shop for parents and Hope Scholarship students.

(e) If an education service provider requires partial payment of tuition or fees prior to the start of the academic year to reserve space for a Hope Scholarship student admitted to the education service provider, such partial payment may be paid prior to the start of the school year in which the Hope Scholarship is awarded, and deducted in an equitable manner from subsequent Hope Scholarship deposits to ensure adequate funds remain available throughout the school year; but if a Hope Scholarship student decides not to use the education service provider, the partial reservation payment must be returned to the board by such education service provider and credited to the student's Hope Scholarship account.

(f) The board may accept gifts and grants from any source to cover administrative costs, to inform the public about the Hope Scholarship Program, or to provide additional funding for Hope Scholarship Accounts.

(g) The board may propose legislative rules for legislative approval pursuant to §29A-3-1 *et seq.* of this code, including emergency rules, if necessary, to meet timelines set forth in this article, that are not inconsistent with this article and that are necessary for the administration of this article, including:

(4) Procedures for entering into reciprocal agreements with other state education savings account agencies or entities, whether public or private, to recognize and allow education service providers approved in other states to receive payments from Hope Scholarship accounts under this article.

(h) The rules or policies adopted by the board should avoid excessive bureaucracy and overly prescriptive mandates and instead shall focus on encouraging participation in the program and encouraging education service providers to provide parents and Hope Scholarship students with a broad array of educational options.

**§18-31-10. Auditing of Hope Scholarship Program; suspension of accounts and providers.**

(a) The board may propose legislative rules for legislative approval pursuant to §29A-3-1 *et seq.* of this code for the auditing of individual Hope Scholarship accounts and shall conduct or contract for the random auditing of individual Hope Scholarship accounts as needed to ensure compliance with the requirements of this article and rules promulgated pursuant to this article.

(b) As part of the auditing process, the board may remove a parent or eligible recipient from the Hope Scholarship program and close a Hope Scholarship account for failure to comply with the terms of the parental agreement required by §18-31-5 of this code, failure to comply with the applicable laws, failure of the student to remain eligible, or intentional and fraudulent misuse of Hope Scholarship funds: *Provided*, That the board shall create procedures to ensure that a fair process exists to determine the removal of a parent or eligible recipient from the Hope Scholarship

program and a parent or Hope Scholarship student may appeal the decision to make the student ineligible for funds to the board.

(c) The board may conduct or contract for the audit of education service providers accepting payments from Hope Scholarship accounts if it determines that the education service provider has:

(1) Intentionally and substantially misrepresented information or failed to refund any overpayments in a timely manner; or

(2) Routinely failed to provide students with promised educational goods or services.

(d) If the board determines that an education service provider has intentionally and substantially misused Hope Scholarship funds, the board may bar the education service provider from continuing to receive payments. The board shall create procedures to ensure that a fair process exists to determine whether an education service provider may be barred from receiving payment from Hope Scholarship accounts and an education service provider may appeal a decision to bar it from receiving payments to the board. If the board bars an education service provider from receiving payments from Hope Scholarship accounts, it shall notify parents and students of its decision as quickly as possible.

(e) If the board obtains evidence of potential fraudulent use of Hope Scholarship funds, it may refer suspected cases to the State Auditor for purposes of investigation, collection and potential criminal investigation.

#### **§18-31-11. Requirements for and rights of education service providers.**

(a) To be eligible to accept payments from a Hope Scholarship account, an education service provider shall:

(1) Submit notice to the board that they wish to participate in the Hope Scholarship Program;

(2) Provide participating parents with a receipt for all qualifying educational expenses for the Hope Scholarship student;

(3) Agree not to refund, rebate, or share Hope Scholarship funds with parents or students in any manner, except that funds may be remitted or refunded to a Hope Scholarship account in accordance with §18-31-7(c) of this code;

(4) Certify that it will not discriminate on any basis prohibited by 42 U.S.C. 1981;

(5) Agree to submit any employee who will have contact with Hope Scholarship students to a criminal background check; and

(6) In the case of a participating school, provide notice of enrollment annually to the county superintendent of any student for which a student's tuition is being paid through the Hope Scholarship Program.

(b) This article does not limit the independence or autonomy of an education service provider or make the actions of an education service provider the actions of the state government.

(c) Education service providers shall be given maximum freedom to provide for the educational needs of Hope Scholarship students without governmental control.

(d) A participating school or education service provider is not required to alter its creed, practices, admission policy, hiring policy or curriculum in order to accept eligible recipients whose parents pay tuition or fees from a Hope Scholarship account pursuant to this article.

(e) This article does not expand the regulatory authority of the state, its officers, or any school district to impose any additional regulation of education service providers beyond those necessary to enforce the requirements of the program.

### **§18-31-12. Responsibilities of resident school districts.**

The resident school district or school district in which a Hope Scholarship student was last enrolled, as applicable, shall provide an education service provider that has enrolled the student with a

complete copy of the student's school records, while complying with the Family Educational Rights and Privacy Act of 1974 (20 U.S.C. §1232 g).

**§18-31-13. Legal proceedings; severability.**

(a) No liability arises on the part of the board or the state or of any county school district based on the award or use of a Hope Scholarship awarded pursuant to this article.

(b) It is the intention of the Legislature in the enactment of this article that if any part of this article is challenged in court as violating either the state or federal constitution, the parents of eligible Hope Scholarship students should be deemed to have standing to be parties to such litigation, and should be permitted by the court to intervene if they are not already parties to such litigation.

AN ACT to amend and reenact §18-9A-15 of the Code of West Virginia, 1931, as amended, relating to distribution of the allowance for increased enrollment; removing mandated distribution of 60 percent of allowance based on projected increased enrollment prior to September 1; authorizing advance at district request prior to availability of actual increased enrollment of partial distribution of up to 60 percent of school districts estimated share; providing for refund of excess distribution; and requiring notification of the Joint Committee on Government and Finance and the Legislative Oversight Commission on Education Accountability whenever an advanced partial distribution is made.

*Be it enacted by the Legislature of West Virginia:*

### **ARTICLE 9A. PUBLIC SCHOOL SUPPORT.**

#### **§18-9A-15. Allowance for increased enrollment; extraordinary sustained increased enrollment impact supplement.**

(a) To provide for the support of increased net enrollments in the counties in a school year over the net enrollments used in the computation of total state aid for that year, there shall be appropriated for that purpose from the General Revenue Fund an amount to be determined as follows:

(1) The state board shall promulgate a rule pursuant to §29A-3B-1 *et seq.* of this code that establishes an objective method for projecting the increase in net enrollment for each school district.

The state superintendent shall use the method prescribed by the rule to project the increase in net enrollment for each school district.

(2) The state superintendent shall multiply the average total state aid per net pupil by the sum of the projected increases in net enrollment for all school districts and report this amount to the Governor for inclusion in his or her proposed budget to the Legislature. The Legislature shall appropriate to the West Virginia Department of Education the amount calculated by the state superintendent and proposed by the Governor.

(3) The state superintendent shall calculate each school district's share of the appropriation by multiplying the increase in net enrollment for the school district by the average total state aid per net pupil and shall distribute each school district's share to the school district on or before December 31, of each year.

Nothing in this subsection prohibits, however, the state superintendent, at the request of a school district, before the actual increase in net enrollment is available, from advancing a partial distribution to the school district of up to 60 percent of its estimated share based on its projected increased enrollment, subject to the following:

(A) If the amount of the advanced partial distribution to a school district is greater than the total amount to which a district is entitled to receive for the year, the district shall refund the difference to the Department of Education prior to June 30 of the fiscal year in which the excess distribution is made; and

(B) The Department of Education shall notify the Joint Committee on Government and Finance and the Legislative Oversight Commission on Education Accountability whenever an advanced partial distribution is made.

(4) If the amount of the appropriation for increased enrollment is not sufficient to provide payment in full for the total of these allocations, each county allocation shall be reduced to an amount which is proportionate to the appropriation compared to the total of the allocations and the allocations as thus adjusted shall be

distributed to the counties as provided in this section: *Provided*, That the Governor shall request a supplemental appropriation at the next legislative session for the reduced amount.

(b) To help offset the budgetary impact of extraordinary and sustained increases in net enrollment in a county, there shall be included in the basic state aid of any county whose most recent three-year average growth in second month net enrollment is two percent or more, an amount equal to one fourth of the state average per pupil state aid multiplied by the increase in the county's second month net enrollment in the latest year.

(c) No provision of this section shall be construed to in any way affect the allocation of moneys for educational purposes to a county under other provisions of law.

### (H. B. 2906 - By Delegates Higginbotham and Griffith)

[Passed April 6, 2021; in effect ninety days from passage.]

AN ACT to amend and reenact §18-9D-15 of the Code of West Virginia, 1931, as amended, relating to the allocation of money among categories of projects; and providing that the School Building Authority's discretion be increased to allow them to allocate up to ten percent of their funds available for distribution, except funds from the School Major Improvement fund and the School Access Safety Fund, for projects that service the educational community statewide, for school facilities under the direct supervision of the state board or an administrative council of an area vocational educational center, and for other purposes.

*Be it enacted by the Legislature of West Virginia:*

**§18-9D-15. Legislative intent; allocation of money among categories of projects; lease-purchase options; limitation on time period for expenditure of project allocation; county maintenance budget requirements; project disbursements over period of years; preference for multicounty arrangements; submission of project designs; set-aside to encourage local participation.**

(a) It is the intent of the Legislature to empower the School Building Authority to facilitate and provide state funds and to administer all federal funds provided for the construction and major improvement of school facilities so as to meet the educational needs of the people of this state in an efficient and economical manner. The authority shall make funding

determinations in accordance with the provisions of this article and shall assess existing school facilities and each facility's school major improvement plan in relation to the needs of the individual student, the general school population, the communities served by the facilities and facility needs statewide.

(b) An amount that is not more than ten percent of the sum of moneys that are determined by the authority to be available for distribution during the then current fiscal year from:

(1) Moneys paid into the School Building Capital Improvements Fund pursuant to section ten, article nine-a of this chapter;

(2) The issuance of revenue bonds for which moneys in the School Building Debt Service Fund or the Excess Lottery School Building Debt Service Fund are pledged as security;

(3) Moneys paid into the School Construction Fund pursuant to section six of this article; and

(4) Any other moneys received by the authority, except moneys paid into the School Major Improvement Fund pursuant to section six of this article and moneys deposited into the School Access Safety Fund pursuant to section five, article nine-f of this chapter, may be allocated and may be expended by the authority for projects authorized in accordance with the provisions of section sixteen of this article that service the educational community statewide or, upon application by the state board, for educational programs that are under the jurisdiction of the state board. In addition, upon application by the state board or the administrative council of an area vocational educational center established pursuant to article two-b of this chapter, the authority may allocate and expend under this subsection moneys for school major improvement projects authorized in accordance with the provisions of section sixteen of this article proposed by the state board or an administrative council for school facilities under the direct supervision of the state board or an administrative council, respectively. Furthermore, upon application by a county board, the authority may allocate and expend under this subsection moneys for school major

improvement projects for vocational programs at comprehensive high schools, vocational programs at comprehensive middle schools, vocational schools cooperating with community and technical college programs, or any combination of the three. Each county board is encouraged to cooperate with community and technical colleges in the use of existing or development of new vocational technical facilities. All projects eligible for funds from this subsection shall be submitted directly to the authority which shall be solely responsible for the project's evaluation, subject to the following:

(A) The authority may not expend any moneys for a school major improvement project proposed by the state board or the administrative council of an area vocational educational center unless the state board or an administrative council has submitted a ten-year facilities plan; and

(B) The authority shall, before allocating any moneys to the state board or the administrative council of an area vocational educational center for a school improvement project, consider all other funding sources available for the project.

(c) An amount that is not more than two percent of the moneys that are determined by the authority to be available for distribution during the current fiscal year from:

(1) Moneys paid into the School Building Capital Improvements Fund pursuant to section ten, article nine-a of this chapter;

(2) The issuance of revenue bonds for which moneys in the School Building Debt Service Fund or the Excess Lottery School Building Debt Service Fund are pledged as security;

(3) Moneys paid into the School Construction Fund pursuant to section six of this article; and

(4) Any other moneys received by the authority, except moneys deposited into the School Major Improvement Fund and moneys deposited into the School Access Safety Fund pursuant to section five, article nine-f of this chapter, shall be set aside by the authority

as an emergency fund to be distributed in accordance with the guidelines adopted by the authority.

(d) An amount that is not more than five percent of the moneys that are determined by the authority to be available for distribution during the current fiscal year from:

(1) Moneys paid into the School Building Capital Improvements Fund pursuant to section ten, article nine-a of this chapter;

(2) The issuance of revenue bonds for which moneys in the School Building Debt Service Fund or the Excess Lottery School Building Debt Service Fund are pledged as security;

(3) Moneys paid into the School Construction Fund pursuant to section six of this article; and

(4) Any other moneys received by the authority, except moneys deposited into the School Major Improvement Fund and moneys deposited into the School Access Safety Fund pursuant to section five, article nine-f of this chapter, may be reserved by the authority for multiuse vocational-technical education facilities projects that may include post-secondary programs as a first priority use. The authority may allocate and expend under this subsection moneys for any purposes authorized in this article on multiuse vocational-technical education facilities projects, including equipment and equipment updates at the facilities, authorized in accordance with the provisions of section sixteen of this article. If the projects approved under this subsection do not require the full amount of moneys reserved, moneys above the amount required may be allocated and expended in accordance with other provisions of this article. A county board, the state board, an administrative council or the joint administrative board of a vocational-technical education facility which includes post-secondary programs may propose projects for facilities or equipment, or both, which are under the direct supervision of the respective body: *Provided*, That the authority shall, before allocating any moneys for a project under this subsection, consider all other funding sources available for the project.

(e) The remaining moneys determined by the authority to be available for distribution during the then current fiscal year from:

(1) Moneys paid into the School Building Capital Improvements Fund pursuant to section ten, article nine-a of this chapter;

(2) The issuance of revenue bonds for which moneys in the School Building Debt Service Fund or the Excess Lottery School Building Debt Service Fund are pledged as security;

(3) Moneys paid into the School Construction Fund pursuant to section six of this article; and

(4) Any other moneys received by the authority, except moneys deposited into the School Major Improvement Fund and moneys deposited into the School Access Safety Fund pursuant to section five, article nine-f of this chapter, shall be allocated and expended on the basis of need and efficient use of resources for projects funded in accordance with the provisions of section sixteen of this article.

(f) If a county board proposes to finance a project that is authorized in accordance with section sixteen of this article through a lease with an option to purchase leased premises upon the expiration of the total lease period pursuant to an investment contract, the authority may not allocate moneys to the county board in connection with the project: *Provided*, That the authority may transfer moneys to the state board which, with the authority, shall lend the amount transferred to the county board to be used only for a one-time payment due at the beginning of the lease term, made for the purpose of reducing annual lease payments under the investment contract, subject to the following conditions:

(1) The loan shall be secured in the manner required by the authority, in consultation with the state board, and shall be repaid in a period and bear interest at a rate as determined by the state board and the authority and shall have any terms and conditions that are required by the authority, all of which shall be set forth in

a loan agreement among the authority, the state board and the county board;

(2) The loan agreement shall provide for the state board and the authority to defer the payment of principal and interest upon any loan made to the county board during the term of the investment contract, and annual renewals of the investment contract, among the state board, the authority, the county board and a lessor, subject to the following:

(A) In the event a county board which has received a loan from the authority for a one-time payment at the beginning of the lease term does not renew the lease annually until performance of the investment contract in its entirety is completed, the county board is in default and the principal of the loan, together with all unpaid interest accrued to the date of the default, shall, at the option of the authority, in consultation with the state board, become due and payable immediately or subject to renegotiation among the state board, the authority and the county board;

(B) If a county board renews the lease annually through the performance of the investment contract in its entirety, the county board shall exercise its option to purchase the leased premises;

(C) The failure of the county board to make a scheduled payment pursuant to the investment contract constitutes an event of default under the loan agreement;

(D) Upon a default by a county board, the principal of the loan, together with all unpaid interest accrued to the date of the default, shall, at the option of the authority, in consultation with the state board, become due and payable immediately or subject to renegotiation among the state board, the authority and the county board; and

(E) If the loan becomes due and payable immediately, the authority, in consultation with the state board, shall use all means available under the loan agreement and law to collect the outstanding principal balance of the loan, together with all unpaid

interest accrued to the date of payment of the outstanding principal balance; and

(3) The loan agreement shall provide for the state board and the authority to forgive all principal and interest of the loan upon the county board purchasing the leased premises pursuant to the investment contract and performance of the investment contract in its entirety.

(g) To encourage county boards to proceed promptly with facilities planning and to prepare for the expenditure of any state moneys derived from the sources described in this section, any county board or other entity to whom moneys are allocated by the authority that fails to expend the money within three years of the allocation shall forfeit the allocation and thereafter is ineligible for further allocations pursuant to this section until it is ready to expend funds in accordance with an approved facilities plan: *Provided*, That the authority may authorize an extension beyond the three-year forfeiture period not to exceed an additional two years. Any amount forfeited shall be added to the total funds available in the School Construction Fund of the authority for future allocation and distribution. Funds may not be distributed for any project under this article unless the responsible entity has a facilities plan approved by the state board and the School Building Authority and is prepared to commence expenditure of the funds during the fiscal year in which the moneys are distributed.

(h) The remaining moneys that are determined by the authority to be available for distribution during the then current fiscal year from moneys paid into the School Major Improvement Fund pursuant to section six of this article shall be allocated and distributed on the basis of need and efficient use of resources for projects authorized in accordance with the provisions of section sixteen of this article, subject to the following:

(1) The moneys may not be distributed for any project under this section unless the responsible entity has a facilities plan approved by the state board and the authority and is to commence expenditures of the funds during the fiscal year in which the moneys are distributed;

(2) Any moneys allocated to a project and not distributed for that project shall be deposited in an account to the credit of the project, the principal amount to remain to the credit of and available to the project for a period of two years; and

(3) Any moneys which are unexpended after a two-year period shall be redistributed on the basis of need from the School Major Improvement Fund in that fiscal year.

(i) Local matching funds may not be required under the provisions of this section. However, this article does not negate the responsibilities of the county boards to maintain school facilities. Therefore, as a prerequisite for eligibility to receive an allocation of school major improvement funds from the authority, a county board must provide annual school facility maintenance expenditure data to the authority which shall be jointly reviewed by the authority and the state Department of Education Office of School Facilities and Transportation to assist the authority in its determination of the most meritorious projects to be funded through the School Major Improvement Fund. The state board shall promulgate rules relating to county boards' school facility maintenance budgets, including items which shall be included in these budgets.

(j) Any county board may use moneys provided by the authority under this article in conjunction with local funds derived from bonding, special levy or other sources. Distribution to a county board, or to the state board or the administrative council of an area vocational educational center pursuant to subsection (b) of this section, may be in a lump sum or in accordance with a schedule of payments adopted by the authority pursuant to guidelines adopted by the authority.

(k) Funds in the School Construction Fund shall first be transferred and expended as follows:

(1) Any funds deposited in the School Construction Fund shall be expended first in accordance with an appropriation by the Legislature.

(2) To the extent that funds are available in the School Construction Fund in excess of that amount appropriated in any fiscal year, the excess funds may be expended for projects authorized in accordance with the provisions of section sixteen of this article.

(l) It is the intent of the Legislature to encourage county boards to explore and consider arrangements with other counties that may facilitate the highest and best use of all available funds, which may result in improved transportation arrangements for students or which otherwise may create efficiencies for county boards and the students. In order to address the intent of the Legislature contained in this subsection, the authority shall grant preference to those projects which involve multicounty arrangements as the authority shall determine reasonable and proper.

(m) County boards shall submit all designs for construction of new school buildings to the School Building Authority for review and approval prior to preparation of final bid documents. A vendor who has been debarred pursuant to the provisions of sections thirty-three-a through thirty-three-f, inclusive, article three, chapter five-a of this code may not bid on or be awarded a contract under this section.

(n) The authority may elect to disburse funds for approved construction projects over a period of more than one year subject to the following:

(1) The authority may not approve the funding of a school construction project over a period of more than three years;

(2) The authority may not approve the use of more than fifty percent of the revenue available for distribution in any given fiscal year for projects that are to be funded over a period of more than one year; and

(3) In order to encourage local participation in funding school construction projects, the authority may set aside limited funding, not to exceed \$500,000, in reserve for one additional year to provide a county the opportunity to complete financial planning for

a project prior to the allocation of construction funds. Any funding shall be on a reserve basis and converted to a part of the construction grant only after all project budget funds have been secured and all county commitments have been fulfilled. Failure of the county to solidify the project budget and meet its obligations to the state within eighteen months of the date the funding is set aside by the authority will result in expiration of the reserve and the funds shall be reallocated by the authority in the succeeding funding cycle.

(D) For each sparse-density county, 95 percent;

(E) For any county for the transportation cost for maintenance, operation and related costs, exclusive of all salaries, for transporting students to and from classes at a multicounty vocational center, the percentage provided in paragraphs (A) through (D) of this subdivision as applicable for the county plus an additional 10 percent; and

(F) For any county for that portion of its school bus system that uses as an alternative fuel compressed natural gas or propane, the percentage provided in paragraphs (A) through (D) of this subdivision as applicable for the county plus an additional 10 percent: *Provided*, That any county using an alternative fuel and qualifying for the additional allowance under this subdivision shall submit a plan regarding the intended future use of alternatively fueled school buses;

(2) The total cost, within each county, of insurance premiums on buses, buildings and equipment used in transportation;

(3) An amount equal to 8.33 percent of the current replacement value of the bus fleet within each county as determined by the state board. The amount shall only be used for the replacement of buses except as provided in subdivision (4) of this subsection. Buses purchased after July 1, 1999 that are driven 180,000 miles, regardless of year model, are subject to the replacement value of 8.33 percent as determined by the state board. In addition, in any school year in which its net enrollment increases when compared to the net enrollment the year immediately preceding, a school district may apply to the state superintendent for funding for an additional bus or buses. The state superintendent shall make a decision regarding each application based upon an analysis of the individual school district's net enrollment history and transportation needs: *Provided*, That the superintendent may not consider any application which fails to document that the county

has applied for federal funding for additional buses. If the state superintendent finds that a need exists, a request for funding shall be included in the budget request submitted by the state board for the upcoming fiscal year;

(4) Notwithstanding the restriction on the use of funds for the replacement of buses pursuant to subdivision (3) of this subsection, up to \$200,000 of these funds in any school year may be used by a county for school facility and equipment repair, maintenance and improvement or replacement or other current expense priorities if a request by the county superintendent listing the amount, the intended use of the funds and the serviceability of the bus fleet is approved by the state superintendent. Before approving the request, the state superintendent shall verify the serviceability of the county's bus fleet based upon the state school bus inspection defect rate of the county over the two prior years; and

(5) Aid in lieu of transportation equal to the state average amount per pupil for each pupil receiving the aid within each county.

(b) The total state share for this purpose is the sum of the county shares: *Provided*, That a county may not receive an allowance which is greater than one-third above the computed state average allowance per transportation mile multiplied by the total transportation mileage in the county exclusive of the allowance for the purchase of additional buses.

(c) One half of one percent of the transportation allowance distributed to each county is for the purpose of trips related to academic classroom curriculum and not related to any extracurricular activity. Any remaining funds credited to a county for the purpose of trips related to academic classroom curriculum during the fiscal year shall be carried over for use in the same manner the next fiscal year and shall be separate and apart from, and in addition to, the appropriation for the next fiscal year. The state board may request a county to document the use of funds for trips related to academic classroom curriculum if the board determines that it is necessary.

**§18-9A-8a. Foundation allowance for regional education service agencies.**

[Repealed.]

**§18-9A-16. General school fund and its use.**

There is continued a separate school fund to be known as the “general school fund” which shall be administered by the state superintendent. The proceeds from the income of this school fund, and the interest thereon, as provided for under the irreducible school fund amendment to the Constitution shall accrue to the General School Fund which, with moneys appropriated by the Legislature, shall be used to support the public schools of the state. All other State funds and taxes formerly dedicated to the General School Fund shall hereafter be paid into the State General Fund.

**ARTICLE 9B. COUNTY SCHOOL BOARD BUDGETS AND AUDITS.****§18-9B-1. Purpose and construction of article.**

Because of the adoption of the “Tax Limitation Amendment,” it has become necessary for the state to participate, to an increasing degree, in the financing of the free public schools. In the fiscal year 1938-1939, this participation aggregated 55 percent of the total expended by county boards of education for the operation of the schools of the state, and in 17 counties state aid represented in excess of 70 percent of the total amounts spent for public education in those counties. In consequence of this state investment in local education, the state has acquired a paramount interest in the sound and stable management of the financial affairs of county school districts so that the maximum effectiveness of education may be obtained from the expenditure of the limited funds available.

With the foregoing purposes in view, this article is enacted to develop improved methods of financial administration and to bring increased financial guidance and assistance to the management of county school affairs.

The provisions of this article shall be construed to be in addition to the authority now exercised by the State Auditor as chief inspector and supervisor of public offices under §6-9-1 *et seq.* of the code for the purposes of fidelity accounting and auditing. The intent of the Legislature is that the powers granted by this article to the State Superintendent of Schools over financial management shall in administration be fully coordinated with those of the State Auditor over the legality and fidelity of public expenditures.

The provisions of this article shall be liberally construed to give effect to the purposes stated.

### **§18-9B-2. Definitions.**

For the purposes of this article:

“State superintendent” means the State Superintendent of Schools.

“Budget” means the annual budget of school revenues and expenditures prepared and adopted by a county board of education in accordance with this article.

“Levy estimate” means the summary statement of the total budgeted school requirements prepared and adopted by a county board of education in accordance with law, in justification of the amount levied upon taxable property within the county for the support of the local schools.

“Appropriation” means an item, or the amount of an item, budgeted by a county board of education for expenditure during the fiscal year.

“Expenditure schedule” means a schedule for the expenditure of amounts budgeted throughout the fiscal year and adopted in conjunction with the annual budget.

“County board” means a county board of education.

### **§18-9B-3. State Superintendent of Schools.**

The State Superintendent of Schools shall exercise the powers and perform the duties conferred upon him or her by this article.

**§18-9B-4. Powers and duties of State Superintendent of Schools.**

The State Superintendent of Schools, in addition to the specific powers and duties conferred upon him or her, shall advise and assist county boards of education and county superintendents in the planning and management of school finances to the end that the most effective program of public education be realized from the funds available for expenditure by the several counties.

In the exercise of the powers granted under this article, the state superintendent shall not substitute his or her discretion and judgment for that of a county board of education with respect to the desirability or reasonability of a lawful school expenditure if the provisions of law and the orders of the state superintendent are complied with by the county board. If, however, a county board fails or refuses to provide for the support of the standard school term, to adhere to the budget and the expenditure schedule, or to comply with other provisions of this article, the state superintendent may require such action on the part of the county board, not in violation of law, as the state superintendent may find to be best calculated to restore the financial affairs of the county board to a proper and lawful basis.

**§18-9B-5. School district budgeting.**

The state superintendent shall formulate and prescribe a uniform system of school district budgeting for the use of all county school districts to include, at least:

- (1) Itemization schedules for estimating anticipated revenues and receipts of all kinds;
- (2) Itemization schedules for estimating anticipated requirements for expenditure during the fiscal year;
- (3) The form, classification and itemization of budget items for appropriation purposes;
- (4) Expenditure schedules for the allotment of amounts of proposed expenditures throughout the fiscal year;

(5) A budget calendar fixing the dates by or upon which schedules shall be prepared, budgets adopted, and reports made to the state superintendent;

(6) Methods and procedures of budgeting to be followed in the use of the uniform system.

#### **§18-9B-6. Submission and approval of budget.**

A county board of education shall, on or before the day fixed by the budget calendar, submit its proposed budget to the state superintendent together with such supporting schedules as the state superintendent may require.

A county board shall not finally adopt its budget until after the written approval of the state superintendent has been received, and the levy estimate has been approved by the State Auditor as required by law. If the State Auditor finds that the levy estimate, based upon the budget, does not conform to the requirements of law, the board shall authorize and require such further revision of the budget as may be necessary for the correction of the levy estimate as required by the State Auditor.

A county board of education shall submit a preliminary budget upon requirement of the state superintendent, which approved budget shall be considered by the State Auditor when approving levy estimates.

#### **§18-9B-6a. Delaying submission of budget.**

Notwithstanding any other provisions of the code to the contrary, the county board shall not be required to submit its budget for approval by the state superintendent as provided by §18-9B-6 and §18-9B-7 of this code, until the 10th day next following the state superintendent's transmittal of final state aid computations following the adoption of the state budget, but no later than May 30: *Provided*, That, in any year in which the state budget is not adopted on or before May 1, the state superintendent may require the county board to adopt a preliminary budget and to submit it to the state superintendent no later than May 30, and when final computations of state aid are transmitted to the county board, the

county board shall make such adjustments as are necessary prior to final adoption of the budget.

**§18-9B-7. Determination by the state superintendent before final approval of budget; length of term.**

The state superintendent, before giving his or her final approval to a proposed budget, shall require that:

(1) Estimates of revenue and receipts are reasonable and accurate;

(2) Amounts are budgeted so as to cover actual requirements of school operation; and

(3) Amounts are budgeted so as to maintain the schools of the county for the employment term and the instructional term as provided by §18-5-45 of this code.

**§18-9B-8. Projected expenditures order of revision in budget.**

If the state superintendent finds that the proposed budget for a county will not maintain the proposed educational program as well as other financial obligations of their county board of education, he or she may require that the budget be revised, but in no case shall he or she permit the reduction of the instructional term pursuant to the provisions contained in §18-5-45 of this code nor the employment term below 200 days. Any required revision in the budget for this purpose may be made in the following order:

(1) Postpone expenditures for permanent improvements and capital outlays except from the permanent improvement fund;

(2) Reduce the amount budgeted for maintenance exclusive of service personnel so as to guarantee the payment of salaries for the employment term; or

(3) Adjust amounts budgeted in any other way so as to assure the required employment term of 200 days and the required instructional term of 180 days under the applicable provisions of law.

**§18-9B-9. Uniform accounting systems for school districts.**

The state superintendent shall formulate the requirements of a uniform system of management accounting for the use of county school districts. The requirements shall include at least:

(1) The accrual accounting of all revenues and other receipts from whatever source;

(2) The accounting of expenditures under the several items of appropriation in accordance with the expenditure schedule;

(3) Monthly and quarterly reports of rate of expenditure, encumbrances, and free balances under the several items of appropriation;

(4) Methods of accounting practice and procedures to be followed in the use of the uniform system.

The accounting requirements so formulated shall be certified to the State Auditor. The State Auditor shall then incorporate the requirements into a uniform system of school district accounting and as chief inspector and supervisor of local government offices, shall prescribe the use of the uniform system by all county school districts by virtue of the authority vested in him or her by §6-9-2 of this code.

**§18-9B-10. Restrictions on county boards.**

County boards of education shall:

(1) Authorize the expenditure of funds and incur obligations only in accordance with the budget and the expenditure schedule;

(2) Make transfers between items of appropriation only with the prior written approval of the state superintendent.

**§18-9B-11a. Adjustments in average daily attendance to assure equitable allocation of aid.**

[Repealed.]

**§18-9B-12. Practices of fiscal administration.**

The state superintendent may formulate the requirements of adequate practices of fiscal administration to be followed by county school districts. Such requirements may include:

- (1) Procedures for the receipts, control and disbursement of county school funds;
- (2) Forms for requisitions, purchase orders, disbursements, and other necessary documents;
- (3) Regulations for the performance of the powers and duties pertaining to school finance;
- (4) Regulations for the exercise of the comptroller function;
- (5) Other instructions and regulations for the proper procedures and practices of fiscal administration in the county schools.

The requirements formulated by the state superintendent shall be certified by the state superintendent to the State Auditor. The State Auditor as chief inspector and supervisor of local government offices shall incorporate the requirements so certified in his or her instructions with respect to fiscal administration and shall prescribe their use by all county school districts by virtue of the authority vested in him or her by §6-9-2 of this code.

**§18-9B-13. Inspection and audit of school finance administration.**

The state superintendent may, through his or her duly authorized representatives, make inspections and examinations of the fiscal administration of a county school district. The inspection and examination may extend to any matter or practice subject to regulation by the state superintendent. Regular and special examinations may be made by a certified public accountant approved pursuant to §6-9-7 of this code selected by the county board in accordance with nonemergency regulations submitted by the chief inspector, or by the chief inspector himself or herself. All examinations shall be made as provided in §6-9-7 of this code. The state superintendent may make selective audits to determine the

accuracy of statements and reports made by a county board or superintendent.

The report of the examination shall be certified to the county board, which should include the identification of procedures and practices found to not be in accordance with the requirements of the state superintendent. The county board shall comply with the instructions forthwith.

The state superintendent, through his or her duly authorized representatives, shall have full access to all books, records, papers, and documents of the county board.

**§18-9B-14. Establishment of permanent improvement fund; contents and use of fund.**

A county board of education may establish a special fund for county school purposes to be known as the “permanent improvement fund.” The fund shall consist of:

(1) The proceeds of the levy allocated to that purpose by §11-8-6c, §11-8-12 and §11-8-12a of this code;

(2) Unexpended balances of other funds transferred to the fund, with the approval of the state superintendent, at the end of the fiscal year; and

(3) Any other moneys authorized by law to be used for the purposes of the fund.

The proceeds of the fund shall be used only for the support of building and permanent improvement projects. The fund may be accumulated from year to year but moneys shall not be paid into the fund so as to increase the assets of the fund to a total amount in excess of 25 percent of the amount of the foundation school program for that county for the same school year.

**§18-9B-15. Permanent improvement fund — To be treated as separate fund; expenditures; limitation on accumulations and assets of fund.**

A county board shall treat the permanent improvement fund as a separate fund in the annual budget for county school

purposes. Expenditures shall be made from the fund only in accordance with an appropriation made pursuant to the annual budget, or made otherwise in accordance with this article. If the state superintendent finds, in his or her examination of the budget of a county school district, that a county board has accumulated, or with proposed additions to the fund in the fiscal year will accumulate, the fund of the county to an amount in excess of 25 percent of the amount of the foundation school program of the county for the same fiscal year, the state superintendent shall order that no moneys in excess of the limitation be appropriated for or paid into the fund. If the state superintendent finds that the assets of the fund of a county exceed 25 percent of the amount of the foundation school program for the county for the same year, the state superintendent may require that building and permanent improvement projects included in the annual budget, be paid for out of the fund.

The state superintendent shall administer this section so as to keep the accumulated assets of the fund, as near as may be, within the limitation of 25 percent of the amount of the foundation school program.

#### **§18-9B-17. Duties of county board and county superintendent.**

A county board of education and a county superintendent shall comply with the instructions of the state superintendent and shall perform the duties required of them in accordance with the provisions of this article.

#### **§18-9B-18. Issuance and enforcement of orders.**

The state superintendent shall enforce the requirements of and his or her regulations issued under this article. The state superintendent may issue orders to county boards of education requiring specific compliance with his or her instructions. If a county board fails or refuses to comply, the state superintendent may proceed to enforce his or her order by any appropriate remedy in any court of competent jurisdiction.

**§18-9B-19. Withholding of state aid for noncompliance by county board.**

The state superintendent may withhold payment of state aid from a county board that fails or refuses to comply with the provisions of this article or the requirements of the state superintendent made in accordance therewith.

**§18-9B-20. Fiscal reports to state superintendent.**

The state superintendent may require, and prescribe the form of, fiscal reports to be made to the state superintendent at such times and to contain such information as the state superintendent may determine.

**§18-9B-21. Reports by state superintendent.**

The state superintendent shall make an annual report to the Governor and to the Legislature pertaining to the work of the state superintendent and the finances of school districts. The state superintendent shall make such special reports as the Governor or the Legislature may request.

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section, designated §18-2-25d, relating to designation of athletic teams or sports sponsored by any public secondary school or state institution of higher education according to biological sex; providing legislative findings; defining “biological sex”, “female”, and “male”; providing for designation of athletic teams as “males, men, or boys”, “females, women, or girls”, or “coed or mixed”; prohibiting biological males from participating on athletic teams or sports designated for biological females where competitive skill or contact is involved; clarifying that eligibility of any student to participate on athletic teams or sports designated for biological males is not restricted; providing cause of action for student aggrieved by violation of this section; requiring identity of minor student related to such action to remain anonymous; requiring promulgation of rules by the State Board of Education; and requiring proposal of legislative rules by the Higher Education Policy Commission and Council for Community and Technical College Education.

*Be it enacted by the Legislature of West Virginia:*

### **ARTICLE 2. STATE BOARD OF EDUCATION.**

**§18-2-25d. Clarifying participation for sports events to be based on biological sex of the athlete at birth.**

(a) The Legislature hereby finds:

(1) There are inherent differences between biological males and biological females, and that these differences are cause for celebration, as determined by the Supreme Court of the United States in *United States v. Virginia* (1996);

(2) These inherent differences are not a valid justification for sex-based classifications that make overbroad generalizations or perpetuate the legal, social, and economic inferiority of either sex. Rather, these inherent differences are a valid justification for sex-based classifications when they realistically reflect the fact that the sexes are not similarly situated in certain circumstances, as recognized by the Supreme Court of the United States in *Michael M. v. Sonoma County, Superior Court* (1981) and the Supreme Court of Appeals of West Virginia in *Israel v. Secondary Schools Act. Com'n* (1989);

(3) In the context of sports involving competitive skill or contact, biological males and biological females are not in fact similarly situated. Biological males would displace females to a substantial extent if permitted to compete on teams designated for biological females, as recognized in *Clark v. Ariz. Interscholastic Ass'n* (9th Cir. 1982);

(4) Although necessarily related, as concluded by the United States Supreme Court in *Bostock v. Clayton County* (2020), gender identity is separate and distinct from biological sex to the extent that an individual's biological sex is not determinative or indicative of the individual's gender identity. Classifications based on gender identity serve no legitimate relationship to the State of West Virginia's interest in promoting equal athletic opportunities for the female sex; and

(5) Classification of teams according to biological sex is necessary to promote equal athletic opportunities for the female sex.

(b) Definitions. - As used in this section, the following words have the meanings ascribed to them unless the context clearly implies a different meaning:

(1) “Biological sex” means an individual’s physical form as a male or female based solely on the individual’s reproductive biology and genetics at birth.

(2) “Female” means an individual whose biological sex determined at birth is female. As used in this section, “women” or “girls” refers to biological females.

(3) “Male” means an individual whose biological sex determined at birth is male. As used in this section, “men” or “boys” refers to biological males.

(c) Designation of Athletic Teams. —

(1) Interscholastic, intercollegiate, intramural, or club athletic teams or sports that are sponsored by any public secondary school or a state institution of higher education, including a state institution that is a member of the National Collegiate Athletic Association (NCAA), National Association of Intercollegiate Athletics (NAIA), or National Junior College Athletic Association (NJCAA), shall be expressly designated as one of the following based on biological sex:

(A) Males, men, or boys;

(B) Females, women, or girls; or

(C) Coed or mixed.

(2) Athletic teams or sports designated for females, women, or girls shall not be open to students of the male sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport.

(3) Nothing in this section shall be construed to restrict the eligibility of any student to participate in any interscholastic, intercollegiate, or intramural athletic teams or sports designated as “males,” “men,” or “boys” or designated as “coed” or “mixed”: *Provided*, That selection for a team may still be based on those who try out and possess the requisite skill to make the team.

(d) Cause of Action. —

(1) Any student aggrieved by a violation of this section may bring an action against a county board of education or state institution of higher education alleged to be responsible for the alleged violation. The aggrieved student may seek injunctive relief and actual damages, as well as reasonable attorney's fee and court costs, if the student substantially prevails.

(2) In any private action brought pursuant to this section, the identity of a minor student shall remain private and anonymous.

(e) The State Board of Education shall promulgate rules, including emergency rules, pursuant to §29A-3B-1 *et. seq.* of this code to implement the provisions of this section. The Higher Education Policy Commission and the Council for Community and Technical College Education shall promulgate emergency rules and propose rules for legislative approval pursuant to §29A-3A-1 *et. seq.* of this code to implement the provisions of this section.

AN ACT to amend and reenact §3-8-5e of the Code of West Virginia, 1931, as amended, relating to modifying the date to file pre-candidacy registration papers, receive contributions, and make expenditures for persons undertaking to determine the advisability of becoming or preparing to be a candidate for a public office or position.

*Be it enacted by the Legislature of West Virginia:*

### CHAPTER 3. ELECTIONS.

#### ARTICLE 8. REGULATION AND CONTROL OF ELECTIONS.

##### **§3-8-5e. Pre-candidacy financing and expenditures.**

(a) Notwithstanding any other provisions of this code, it is lawful for a person, otherwise qualified to be a candidate for any public office or position to be determined by public election, to receive contributions or make expenditures, or both personally or by another individual acting as a treasurer, to determine the advisability of becoming such a candidate or preparing to be such a candidate: *Provided*, That an individual may file his or her pre-candidacy papers, and may receive contributions and make expenditures related thereto, beginning on the day after the general election is held for the term of office immediately preceding the term of office for which the person may become a candidate, if such term of office is four years or less: *Provided, however*, That such pre-candidacy papers may be filed, such contributions may be

received, and such expenditures may be made only during the four years immediately preceding the term of office for which such person may be a candidate, if such term of office is more than four years: *Provided further*, That no person is disqualified from receiving contributions or making expenditures as permitted under the provisions of this section solely because such person then holds a public office or position.

(b) Any person undertaking to determine the advisability of becoming or preparing to be a candidate, who desires to receive contributions before filing a certificate of candidacy, shall designate himself or another individual to act as a treasurer and shall file a designation of treasurer in the manner provided in §3-8-4 of this code before receiving any contributions permitted by this section. Any expenditures made before the filing of a designation of treasurer shall be reported in accordance with the provisions of §3-8-5 of this code regardless of the source of funds used for such expenditures.

(c) A person who receives a contribution who is acting for and by himself or herself or as treasurer or agent for another pursuant to the provisions of this section shall keep detailed accounts of every sum of money or other thing of value received by him or her, and of all expenditures and disbursements made, and liabilities incurred, in the same manner as such accounts are required by §3-8-5 of this code.

(d) Regardless of whether such person becomes a candidate as originally intended, becomes a candidate for some office other than the office or position originally intended, or does not become a candidate, all limits on campaign contributions and campaign expenditures applicable to the candidacy of or advocacy of the candidacy of such person for the office he or she actually seeks shall be applicable to and inclusive of the receipts had and expenditures made during such pre-candidacy period as well as after the person becomes a candidate.

### (Com. Sub. for Com. Sub. for S. B. 542 - By Senators Phillips, Caputo, and Woodrum)

---

[Passed April 10, 2021; in effect 90 days from passage (July 9, 2021)]  
[Approved by the Governor on April 28, 2021.]

---

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section, designated †§24-1-1c; and to amend said code by adding thereto two new sections, designated §24-2-1q and §24-2-21, all relating to the Public Service Commission; making legislative findings; requiring that all public electric utilities maintain a contract for a 30-day aggregate fuel supply for the remainder of the life of existing coal-fired plants; and requiring that public electric utilities provide advance notice of retirement, shutdown, or sale of electricity-generating units.

*Be it enacted by the Legislature of West Virginia:*

#### ARTICLE 1. GENERAL PROVISIONS.

##### †§24-1-1c. Additional Legislative findings related to the coal industry.

The Legislature finds that:

- (1) Over 600 coal-fired electric units nationally have been forced to close;
- (2) Eighteen coal-fired electric units within West Virginia's borders have been forced to close;

---

†NOTE: H. B. 3310 (Chapter 111), which passed prior to this act, also created a new Section 1c. Therefore, this has been redesignated as Section 1d for the code.

(3) Markets for West Virginia coal have been severely diminished due to the closure of regional coal plants to the point that West Virginia coal shipments have been reduced from 162 coal plants a decade ago to only 43 plants today;

(4) West Virginia coal mines are forced to close, resulting in West Virginia coal miners being out of work, compromising homeland security and defense measures, and threatening grid stability and resiliency;

(5) It is imperative the State of West Virginia take immediate steps to reverse these undesirable trends to ensure that no more coal-fired plants close, no additional jobs are lost, and long-term state prosperity is maintained;

(6) Throughout the past decade, no group has been hit harder by the decline of coal than West Virginia's coal miners and their families. Many coal miners are struggling to make ends meet and provide for their families;

(7) In addition to working toward sustaining coal employment levels and coal-based, electric generation, the State of West Virginia should take immediate steps to provide education, training, and retraining opportunities for displaced coal miners and their families;

(8) West Virginia coal-fired power plants should continue to provide base load generation critical for maintaining slow, steady generation that produces power on a continuous cycle, ensures grid stability, and protects against overloads and power shortages;

(9) West Virginia coal and electricity generated in West Virginia are relied upon throughout a multi-state region, thus playing a vital role in regional homeland security;

(10) West Virginia's coal fleet, comprised of nine individual plants and 25 units, is fueled on average by a total of 25 million tons annually; accounts for over \$2 billion of economic activity; and sustains approximately 3,500 mining jobs, 2,000 plant worker jobs, thousands of downstream and indirect local and surrounding

county jobs, and hundreds of millions of dollars of payroll and tax dollars;

(11) The role of West Virginia and West Virginia coal in regional homeland security is of paramount importance; thus, it is incumbent for our state to continue to provide leadership in this increasingly critical area in order to sustain and protect our regional electric supplies; and

(12) Public electric utilities in West Virginia should be encouraged to operate their coal-fired plants at maximum reasonable output and for the duration of the life of the plants.

## **ARTICLE 2. POWERS AND DUTIES OF PUBLIC SERVICE COMMISSION.**

### **§24-2-1q. Base fuel supply requirements for electric grid resiliency.**

Any coal-fired power plant owned by a public electric utility as of the effective date of this section shall, in order to ensure grid resiliency and homeland security, maintain a minimum 30-day aggregate coal supply under contract for the remainder of the life of those plants.

### **§24-2-21. Required notice for power plant closure or sale.**

(a) The Legislature hereby finds that:

(1) Coal-fired power plants owned by public electric utilities in West Virginia provide electric utility customers in the state with reliable and affordable energy;

(2) West Virginia's access to coal reserves has provided the citizens of the state with access to an energy resource that is affordable and accessible to coal-fired power plants in West Virginia; and

(3) Matters generally related to homeland security and national defense are of paramount importance to West Virginia and its residents and coal-fired power plants provide optimal protection

and resiliency toward state security and uninterrupted power supplies for household, industrial, and military applications.

(b) It is the purpose of the Legislature to:

(1) Require the West Virginia Public Service Commission to consider all economics associated with its actions regarding the in-state plants operated by a public electric utility, including impacts on local communities and surrounding counties, and all impacts on employment; and

(2) Require public electric utilities to provide adequate notice before plant closure or permanently idling.

(c) Before any public electric utility announces the retirement of an electricity-generating unit, the proposed shutdown of an electricity-generating unit, or the proposed sale of an electricity-generating plant to another operator, the public electric utility shall give notice to the West Virginia Office of Homeland Security and Emergency Management, Public Service Commission of West Virginia, and the Legislature's Joint Committee on Government and Finance.

(d) Nothing in this section shall restrict or impede the commission's ability to act on future rate cases or other matters coming before the commission that ultimately affect electrical rates.

### (H. B. 3310 - By Delegates Capito, Queen, Lovejoy and Garcia)

[Passed April 9, 2021; in effect from passage.]

---

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section, designated §24-1-1c; to amend and reenact §24-1-2 of said code; and to amend and reenact §24-2-1 of said code; all generally relating to jurisdiction of the Public Service Commission; making legislative findings; defining terms; creating exception to the term public utility for certain solar photovoltaic energy facilities on the premises of a retail electric customer, the output of which is subject to solar power purchase agreements; providing for rulemaking; and limiting jurisdiction of the Public Service Commission.

(3) Installation of solar photovoltaic energy facilities will stabilize long-term energy costs making the state more attractive for industry and commercial investment;

(4) Financing arrangements, including those in which payments are based on the performance and output of the solar photovoltaic energy facility installed on the property of a retail electric customer, will help reduce or eliminate upfront costs involved in the investments and installation by the customers; and

If the utility does not respond within 30 days, the generator may proceed and the caps will be presumed not to have been reached; and

(v) The Public Service Commission may promulgate rules to govern and implement the provisions of interconnections for PPAs, except the PSC does not have authority over the power rates for the arrangements between the on-site generator and the customer;

(8) Sewer systems servicing 25 or more persons or firms other than the owner of the sewer systems; *Provided*, That if a public utility other than a political subdivision intends to provide sewer service by an innovative, alternative method, as defined by the federal Environmental Protection Agency, the innovative, alternative method is a public utility function and subject to the jurisdiction of the Public Service Commission, regardless of the number of customers served by the innovative, alternative method;

(9) Any public service district created under the provisions of §16-13A-1 *et seq.* of this code, except that the Public Service

Commission has no jurisdiction over the provision of stormwater services by a public service district;

(10) Toll bridges located more than five miles from a toll-free bridge which crosses the same body of water or obstacle, wharves, ferries; solid waste facilities; and

(11) Any other public service.

(b) The jurisdiction of the commission over political subdivisions of this state providing separate or combined water and/or sewer services and having at least 4,500 customers and annual combined gross revenues of \$3 million or more that are political subdivisions of the state is limited to:

(1) General supervision of public utilities, as granted and described in §24-2-5 of this code;

(2) Regulation of measurements, practices, acts, or services, as granted and described in §24-2-7 of this code;

(3) Regulation of a system of accounts to be kept by a public utility that is a political subdivision of the state, as granted and described in §24-2-8 of this code;

(4) Submission of information to the commission regarding rates, tolls, charges, or practices, as granted and described in §24-2-9 of this code;

(5) Authority to subpoena witnesses, take testimony, and administer oaths to any witness in any proceeding before or conducted by the commission, as granted and described in §24-2-10 of this code; and

(6) Investigation and resolution of disputes between a political subdivision of the state providing wholesale water and/or wastewater treatment or other services, whether by contract or through a tariff, and its customer or customers, including, but not limited to, rates, fees, and charges, service areas and contested utility combinations: *Provided*, That any request for an investigation related to a dispute that is based on the act or omission

of the political subdivision shall be filed within 30 days of the act or omission of the political subdivision and the commission shall resolve the dispute within 120 days of filing. The 120-day period for resolution of the dispute may be tolled by the commission until the necessary information showing the basis of the rates, fees, and charges or other information required by the commission is filed: *Provided, however,* That the disputed rates, fees, and charges fixed by the political subdivision providing separate or combined water and/or sewer services shall remain in full force and effect until set aside, altered or, amended by the commission in an order to be followed in the future.

(7) Customers of water and sewer utilities operated by a political subdivision of the state may bring formal or informal complaints regarding the commission's exercise of the powers enumerated in this section and the commission shall resolve these complaints: *Provided,* That any formal complaint filed under this section that is based on the act or omission of the political subdivision shall be filed within 30 days of the act or omission complained of and the commission shall resolve the complaint within 180 days of filing. The 180-day period for resolution of the dispute may be tolled by the commission until the necessary information showing the basis of the matter complained of is filed by the political subdivision: *Provided, however,* That whenever the commission finds any regulations, measurements, practices, acts, or service to be unjust, unreasonable, insufficient, or unjustly discriminatory, or otherwise in violation of any provisions of this chapter, or finds that any service is inadequate, or that any service which is demanded cannot be reasonably obtained, the commission shall determine and declare, and by order fix reasonable measurement, regulations, acts, practices or services, to be furnished, imposed, observed, and followed in lieu of those found to be unjust, unreasonable, insufficient, or unjustly discriminatory, inadequate, or otherwise in violation of this chapter, and shall make an order that is just and reasonable: *Provided further,* That if the matter complained of would affect rates, fees, and charges fixed by the political subdivision providing separate or combined water and/or sewer services, the rates, fees, or charges shall remain in full

force and effect until set aside, altered, or amended by the commission in an order to be followed in the future.

(8) If a political subdivision has a deficiency in either its bond revenue or bond reserve accounts, or is otherwise in breach of a bond covenant, any bond holder may petition the Public Service Commission for any redress that will bring the accounts to current status or otherwise resolve the breached covenant. The commission has jurisdiction to fully resolve the alleged deficiency or breach.

(c) The commission may, upon application, waive its jurisdiction and allow a utility operating in an adjoining state to provide service in West Virginia when:

(1) An area of West Virginia cannot be practicably and economically served by a utility licensed to operate within the State of West Virginia;

(2) The area can be provided with utility service by a utility which operates in a state adjoining West Virginia;

(3) The utility operating in the adjoining state is regulated by a regulatory agency or commission of the adjoining state; and

(4) The number of customers to be served is not substantial. The rates the out-of-state utility charges West Virginia customers shall be the same as the rate the utility may charge in the adjoining jurisdiction. The commission, in the case of any such utility, may revoke its waiver of jurisdiction for good cause.

(d) Any other provisions of this chapter to the contrary notwithstanding:

(1) An owner or operator of an electric generating facility located or to be located in this state that has been designated as an exempt wholesale generator under applicable federal law, or will be so designated prior to commercial operation of the facility, for which the facility the owner or operator holds a certificate of public convenience and necessity issued by the commission on or before July 1, 2003, is subject to §24-2-11c(e) through §24-2-11c(j) of this code as if the certificate of public convenience and necessity for

the facility were a siting certificate issued under §24-2-11c of this code, and is not otherwise subject to the jurisdiction of the commission or to the provisions of this chapter with respect to the facility except for the making or constructing of a material modification thereof as provided in §24-2-1(d)(5) of this code.

(2) Any person, corporation, or other entity that intends to construct or construct and operate an electric generating facility to be located in this state that has been designated as an exempt wholesale generator under applicable federal law, or will be designated prior to commercial operation of the facility, for which facility the owner or operator does not hold a certificate of public convenience and necessity issued by the commission on or before July 1, 2003, shall, prior to commencement of construction of the facility, obtain a siting certificate from the commission pursuant to the provisions of §24-2-11c of this code in lieu of a certificate of public convenience and necessity pursuant to the provisions of §24-2-11 of this code. An owner or operator of an electric generating facility as is described in this subdivision for which a siting certificate has been issued by the commission is subject to §24-2-11c(e) through §24-2-11c(j) of this code and is not otherwise subject to the jurisdiction of the commission or to the provisions of this chapter with respect to the facility except for the making or constructing of a material modification thereof as provided in §24-2-1(d)(5) of this code.

(3) An owner or operator of an electric generating facility located in this state that had not been designated as an exempt wholesale generator under applicable federal law prior to commercial operation of the facility that generates electric energy solely for sale at retail outside this state or solely for sale at wholesale in accordance with any applicable federal law that preempts state law or solely for both sales at retail and sales at wholesale and that had been constructed and had engaged in commercial operation on or before July 1, 2003, is not subject to the jurisdiction of the commission or to the provisions of this chapter with respect to the facility, regardless of whether the facility subsequent to its construction has been or will be designated as an exempt wholesale generator under applicable

federal law: *Provided*, That the owner or operator is subject to §24-2-1(d)(5) of this code if a material modification of the facility is made or constructed.

(4) Any person, corporation, or other entity that intends to construct or construct and operate an electric generating facility to be located in this state that has not been or will not be designated as an exempt wholesale generator under applicable federal law prior to commercial operation of the facility that will generate electric energy solely for sale at retail outside this state or solely for sale at wholesale in accordance with any applicable federal law that preempts state law or solely for both sales at retail and sales at wholesale and that had not been constructed and had not been engaged in commercial operation on or before July 1, 2003, shall, prior to commencement of construction of the facility, obtain a siting certificate from the commission pursuant to the provisions of §24-2-11c of this code in lieu of a certificate of public convenience and necessity pursuant to the provisions of §24-2-11 of this code. An owner or operator of an electric generating facility as is described in this subdivision for which a siting certificate has been issued by the commission is subject to §24-2-11c(e) through §24-2-11c(j) of this code, and is not otherwise subject to the jurisdiction of the commission or to the provisions of this chapter with respect to the facility except for the making or constructing of a material modification thereof as provided in §24-2-1(d)(5) of this code.

(5) An owner or operator of an electric generating facility described in this subsection shall, before making or constructing a material modification of the facility that is not within the terms of any certificate of public convenience and necessity or siting certificate previously issued for the facility or an earlier material modification thereof, obtain a siting certificate for the modification from the commission pursuant to the provisions of §24-2-11c of this code, in lieu of a certificate of public convenience and necessity for the modification pursuant to the provisions of §24-2-11 of this code and, except for the provisions of §24-2-11c of this code, is not otherwise subject to the jurisdiction of the commission or to the provisions of this chapter with respect to the modification.

(6) The commission shall consider an application for a certificate of public convenience and necessity filed pursuant to §24-2-11 of this code, to construct an electric generating facility described in this subsection or to make or construct a material modification of the electric generating facility as an application for a siting certificate pursuant to §24-2-11c of this code if the application for the certificate of public convenience and necessity was filed with the commission prior to July 1, 2003, and if the commission has not issued a final order as of that date.

(7) The limitations on the jurisdiction of the commission over, and on the applicability of the provisions of this chapter to, the owner or operator of an electric generating facility as imposed by and described in this subsection do not affect or limit the commission's jurisdiction over contracts or arrangements between the owner or operator of the facility and any affiliated public utility subject to the provisions of this chapter.

(e) The commission does not have jurisdiction of Internet protocol-enabled service or voice-over Internet protocol-enabled service. As used in this subsection:

(1) "Internet protocol-enabled service" means any service, capability, functionality, or application provided using Internet protocol, or any successor protocol, that enables an end user to send or receive a communication in Internet protocol format, or any successor format, regardless of whether the communication is voice, data, or video.

(2) "Voice-over Internet protocol service" means any service that:

(i) Enables real-time, two-way voice communications that originate or terminate from the user's location using Internet protocol or a successor protocol; and

(ii) Uses a broadband connection from the user's location.

(3) The term "voice-over Internet protocol service" includes any service that permits users to receive calls that originate on the

public-switched telephone network and to terminate calls on the public-switched telephone network.

(f) Notwithstanding any other provisions of this article, the commission does not have jurisdiction to review or approve any transaction involving a telephone company otherwise subject to §24-2-12 and §24-2-12a of this code, if all entities involved in the transaction are under common ownership.

(g) The Legislature finds that the rates, fees, charges, and ratemaking of municipal power systems are most fairly and effectively regulated by the local governing body. Therefore, notwithstanding any other provisions of this article, the commission does not have jurisdiction over the setting or adjustment of rates, fees, and charges of municipal power systems. Further, the jurisdiction of the Public Service Commission over municipal power systems is limited to that granted specifically in this code.

## **CHAPTER 22. ENVIRONMENTAL RESOURCES.**

### **ARTICLE 15. SOLID WASTE MANAGEMENT ACT.**

#### **§22-15-11. Solid waste assessment fee; penalties.**

(a) *Imposition.* —

(1) A solid waste assessment fee is hereby imposed upon the disposal of solid waste at any solid waste disposal facility in this state in the amount of \$1.75 per ton or part thereof of solid waste. The fee imposed by this section is in addition to all other fees and taxes levied by law and shall be added to and constitute part of any other fee charged by the operator or owner of the solid waste disposal facility.

(2) Effective July 1, 2021, in addition to the fee set forth in subdivision (1) of this subsection, an additional solid waste assessment fee shall be levied and imposed upon the disposal of solid waste at any solid waste landfill disposal facility in this state. This additional fee shall be in the amount of 20 cents per ton beginning July 1, 2021, 40 cents per ton beginning July 1, 2022, 60 cents per ton beginning July 1, 2023, 80 cents per ton beginning July 1, 2024, and \$1.00 per ton beginning July 1, 2025, thereafter or like ratio on any part of a ton of solid waste. The additional fee set forth in this subdivision shall be distributed as follows:

(A) Twenty-five percent of the additional fee shall be distributed equally to each county or regional solid waste authority; and

(B) Seventy-five percent of the additional fee shall be distributed on a per capita basis to each county or regional solid waste authority based on the most recent population projections from the United States Census Bureau.

The proceeds from this fee are to be expended for the reasonable costs of administration of the county or regional solid waste authority including the necessary and reasonable expenses of its members, and any other expenses incurred from refuse cleanup, recycling programs, litter control programs, or any other locally important solid waste programs deemed necessary to fulfill its duties. The Tax Commissioner may promulgate interpretive rules to provide for the distribution of funds as provided by this subdivision.

(b) *Collection, return, payment, and records.* — The person disposing of solid waste at the solid waste disposal facility shall pay the fees imposed by this section, whether or not such person owns the solid waste, and the fees shall be collected by the operator of the solid waste facility who shall remit it to the Tax Commissioner.

(1) The fees imposed by this section accrues at the time the solid waste is delivered to the solid waste disposal facility.

(2) The operator shall remit the fees imposed by this section to the Tax Commissioner on or before the 15th day of the month next succeeding the month in which the fees accrued. Upon remittance of the fees, the operator is required to file returns on forms and in the manner as prescribed by the Tax Commissioner.

(3) The operator shall account to the state for all fees collected under this section and shall hold them in trust for the state until remitted to the Tax Commissioner.

(4) If any operator fails to collect the fees imposed by this section, he or she is personally liable for such amount as he or she failed to collect, plus applicable additions to tax, penalties, and interest imposed by §11-10-1 *et seq.* of this code.

(5) Whenever any operator fails to collect, truthfully account for, remit the fees, or file returns with the fees as required in this section, the Tax Commissioner may serve written notice requiring such operator to collect the fees which become collectible after service of such notice, to deposit such fees in a bank approved by the Tax Commissioner, in a separate account, in trust for and payable to the Tax Commissioner and to keep the amount of such fees in such account until remitted to the Tax Commissioner. Such notice remains in effect until a notice of cancellation is served on the operator or owner by the Tax Commissioner.

(6) Whenever the owner of a solid waste disposal facility leases the solid waste facility to an operator, the operator is primarily liable for collection and remittance of the fees imposed by this section and the owner is secondarily liable for remittance of the fees imposed by this section. However, if the operator fails, in whole or in part, to discharge his or her obligations under this section, the owner and the operator of the solid waste facility are jointly and severally responsible and liable for compliance with the provisions of this section.

(7) If the operator or owner responsible for collecting the fees imposed by this section is an association or corporation, the officers thereof are liable, jointly and severally, for any default on the part of the association or corporation, and payment of the fees and any additions to tax, penalties, and interest imposed by §11-10-1 *et seq.* of this code may be enforced against them as against the association or corporation which they represent.

(8) Each person disposing of solid waste at a solid waste disposal facility and each person required to collect the fees imposed by this section shall keep complete and accurate records in such form as the Tax Commissioner may require in accordance with the rules of the Tax Commissioner.

(c) *Regulated motor carriers.* — The fees imposed by this section and §7-5-22 of this code is considered a necessary and reasonable cost for motor carriers of solid waste subject to the jurisdiction of the Public Service Commission under chapter 24A of this code. Notwithstanding any provision of law to the contrary,

upon the filing of a petition by an affected motor carrier, the Public Service Commission shall, within 14 days, reflect the cost of said fees in said motor carrier's rates for solid waste removal service. In calculating the amount of said fees to said motor carrier, the commission shall use the national average of pounds of waste generated per person per day as determined by the United States Environmental Protection Agency.

(d) *Definition of "solid waste disposal facility"*. — For purposes of this section, the term "solid waste disposal facility" means any approved solid waste facility or open dump in this state, and includes a transfer station when the solid waste collected at the transfer station is not finally disposed of at a solid waste disposal facility within this state that collects the fees imposed by this section. Nothing herein authorizes in any way the creation or operation of or contribution to an open dump.

(e) *Exemptions*. — The following transactions are exempt from the fees imposed by this section:

(1) Disposal of solid waste at a solid waste facility: (A) By the person who owns, operates, or leases the solid waste disposal facility if it is used exclusively to dispose of waste originally produced by that person in his or her regular business or personal activities; (B) by persons utilizing the facility on a cost-sharing or nonprofit basis; or (C) by a mixed waste processing and resource recovery facility as those facilities are defined in code or rule and which processes a minimum of 70 percent of the material brought to the facility on any given day on a 30-day aggregate basis;

(2) Reuse or recycling of any solid waste;

(3) Disposal of residential solid waste by an individual not in the business of hauling or disposing of solid waste on such days and times as designated by the secretary is exempt from the solid waste assessment fees; and

(4) Disposal of solid waste at a solid waste disposal facility by a commercial recycler which disposes of 30 percent or less of the total waste it processes for recycling. In order to qualify for this

exemption each commercial recycler must keep accurate records of incoming and outgoing waste by weight. Such records must be made available to the appropriate inspectors from the division, upon request.

(f) *Procedure and administration.* — Notwithstanding §11-10-3 of this code, each and every provision of the West Virginia Tax Procedure and Administration Act set forth in §11-10-1 *et seq.* of this code shall apply to the imposed by this section with like effect as if said act were applicable only to the fees imposed by this section and were set forth in extenso herein.

(g) *Criminal penalties.* — Notwithstanding §11-9-2 of this code, sections three through seventeen, article nine, chapter eleven of this code shall apply to the fees imposed by this section with like effect as if said sections were applicable only to the fees imposed by this section and were set forth in extenso herein.

(h) *Dedication of proceeds.* — Except as provided in subdivision (2), subsection (a) of this section, the net proceeds of the fees collected by the Tax Commissioner pursuant to this section shall be deposited at least monthly in an account designated by the secretary. The secretary shall allocate 25 cents for each ton of solid waste disposed of in this state upon which the fees imposed by this section is collected and shall deposit the total amount so allocated into the Solid Waste Reclamation and Environmental Response Fund to be expended for the purposes hereinafter specified. The first \$1 million of the net proceeds of the fees imposed by this section collected in each fiscal year shall be deposited in the Solid Waste Enforcement Fund and expended for the purposes hereinafter specified. The next \$250,000 of the net proceeds of the fees imposed by this section collected in each fiscal year shall be deposited in the Solid Waste Management Board Reserve Fund, and expended for the purposes hereinafter specified: *Provided*, That in any year in which the Water Development Authority determines that the Solid Waste Management Board Reserve Fund is adequate to defer any contingent liability of the fund, the Water Development Authority shall so certify to the secretary and the secretary shall then cause no less than \$50,000 nor more than \$250,000 to be deposited to the fund: *Provided, however*, That in

any year in which the Water Development Authority determines that the Solid Waste Management Board Reserve Fund is inadequate to defer any contingent liability of the fund, the Water Development Authority shall so certify to the secretary and the secretary shall then cause not less than \$250,000 nor more than \$500,000 to be deposited in the fund: *Provided further*, That if a facility owned or operated by the State of West Virginia is denied site approval by a county or regional solid waste authority, and if such denial contributes, in whole or in part, to a default, or drawing upon a reserve fund, on any indebtedness issued or approved by the Solid Waste Management Board, then in that event the Solid Waste Management Board or its fiscal agent may withhold all or any part of any funds which would otherwise be directed to such county or regional authority and shall deposit such withheld funds in the appropriate reserve fund. The secretary shall allocate the remainder, if any, of said net proceeds among the following three special revenue accounts for the purpose of maintaining a reasonable balance in each special revenue account, which are hereby continued in the State Treasury:

(1) The Solid Waste Enforcement Fund which shall be expended by the secretary for administration, inspection, enforcement, and permitting activities established pursuant to this article;

(2) The Solid Waste Management Board Reserve Fund which shall be exclusively dedicated to providing a reserve fund for the issuance and security of solid waste disposal revenue bonds issued by the solid waste management board pursuant to §22C-3-1 *et seq.* of this code;

(3) The Solid Waste Reclamation and Environmental Response Fund which may be expended by the secretary for the purposes of reclamation, cleanup, and remedial actions intended to minimize or mitigate damage to the environment, natural resources, public water supplies, water resources and the public health, safety, and welfare which may result from open dumps or solid waste not disposed of in a proper or lawful manner.

(i) *Findings.* — In addition to the purposes and legislative findings set forth in §22-15-1 of this code, the Legislature finds as follows:

(1) In-state and out-of-state locations producing solid waste should bear the responsibility of disposing of said solid waste or compensate other localities for costs associated with accepting such solid waste;

(2) The costs of maintaining and policing the streets and highways of the state and its communities are increased by long distance transportation of large volumes of solid waste; and

(3) Local approved solid waste facilities are being prematurely depleted by solid waste originating from other locations.

(j) The Gas Field Highway Repair and Horizontal Drilling Waste Study Fund is hereby created as a special revenue fund in the State Treasury to be administered by the West Virginia Division of Highways and to be expended only on the improvement, maintenance, and repair of public roads of three lanes or less located in the county where the waste is generated through the Division of Highways county office in that county that are identified by the Commissioner of the Division of Highways as having been damaged by trucks and other traffic associated with horizontal well drilling sites or the disposal of waste generated by such sites, and that experience congestion caused, in whole or in part, by such trucks and traffic that interferes with the use of said roads by residents in the vicinity of such roads: *Provided*, That up to \$750,000 from such fund shall be made available to the Department of Environmental Protection from the same fund to offset contracted costs incurred by the Department of Environmental Protection while undertaking the horizontal drilling waste disposal studies mandated by the provisions of §22-15-8(j) of this code. Any balance remaining in the special revenue account at the end of any fiscal year shall not revert to the General Revenue Fund but shall remain in the special revenue account and shall be used solely in a manner consistent with this section. The fund shall consist of the fee provided for in subsection (k) of this section.

(k) *Horizontal drilling waste assessment fee.* — An additional solid waste assessment fee is hereby imposed upon the disposal of drill cuttings and drilling waste generated by horizontal well sites in the amount of \$1 per ton, which fee is in addition to all other fees and taxes levied by this section or otherwise and shall be added to and constitute part of any other fee charged by the operator or owner of the solid waste disposal facility: *Provided*, That the horizontal drilling waste assessment fee shall be collected and administered in the same manner as the solid waste assessment fee imposed by this section, but shall be imposed only upon the disposal of drill cuttings and drilling waste generated by horizontal well sites.

## **ARTICLE 15A. THE A. JAMES MANCHIN REHABILITATION ENVIRONMENTAL ACTION PLAN.**

### **§22-15A-1. Legislative findings and purpose.**

(a) The Legislature finds that litter is a public nuisance and distracts from the beauty of the state and its natural resources. It is therefore necessary to establish and implement a litter control program to coordinate public and private litter control efforts; to establish penalties for littering; to provide for litter pickup programs; to create education programs; and to provide assistance to local solid waste authority litter control efforts.

(b) The Legislature further finds that the improper management of commercial and residential solid waste and the unlawful disposal of such waste create open dumps that adversely impact the state's natural resources, public water supplies, and the public health, safety, and welfare of the citizens of the state. It is therefore necessary to establish a program to promote pollution prevention and to eliminate and remediate open dumps.

(c) The Legislature further finds that waste tire piles are a direct product of state citizens' use and enjoyment of state roads and highways, and proper tire waste disposal is a necessary component of maintenance of the transportation system. The accumulation of waste tires has also become a significant environmental and public health hazard to the state, and the location and number of waste

tires are directly related to the efficiency of travel, by citizens, visitors, and commerce, along public highways in West Virginia. In particular, the Legislature recognizes that waste tires are widespread in location and in number throughout the state; waste tires physically touch and concern public highways, including, but not limited to, state roads, county roads, park roads, secondary routes, and orphan roads, all of which interferes with the efficiency of public highways; and further that the existence of waste tires along and near public highways is sometimes accompanied by other hazards and, in turn, adversely impacts the proper maintenance and efficiency of public highways for citizens.

(d) The Legislature also recognizes and declares that waste tires are a public nuisance and hazard; that waste tires serve as harborage and breeding places for rodents, mosquitoes, fleas, ticks, and other insects and pests injurious to the public health, safety, and general welfare; that waste tires collected in large piles pose an excessive risk to public health, safety, and welfare from disease or fire; that the environmental, economic, and societal damage resulting from fires in waste tire piles can be avoided by removing the piles; and that tire pile fires cause extensive pollution of the air and surface and groundwater for miles downwind and downstream from the fire.

(e) Therefore, in view of the findings relating to waste tires, the Legislature declares it to be the public policy of the State of West Virginia to eliminate the present danger resulting from discarded or abandoned waste tires and to eliminate the visual pollution resulting from waste tire piles and that in order to provide for the public health, safety, welfare, and quality of life, and to reverse the adverse impacts to the proper maintenance and efficiency of public highways, it is necessary to enact legislation to those ends by providing expeditious means and methods for effecting the disposal of waste tires.

(f) The Legislature further finds that abandoned and dilapidated structures statewide have become a significant hazard and can result in the formation of open dumps or solid waste not disposed of in a proper or lawful manner. In particular, the Legislature recognizes that damage to the environment, natural

resources, and the public health, safety, and welfare may result from abandoned and dilapidated structures. Abandoned and dilapidated structures are widespread in location and in number throughout the state; and further, that the existence of abandoned and dilapidated structures along and near public highways is sometimes accompanied by other hazards and, in turn, adversely impacts the proper maintenance and efficiency of public highways for citizens.

(g) In view of the findings relating to abandoned and dilapidated structures, the Legislature declares it to be the public policy of the State of West Virginia to establish a program to eliminate and remediate abandoned and dilapidated structures.

(h) The Legislature finds that many citizens desire a recycling program in order to conserve limited natural resources, reduce litter, recycle valuable materials, extend the useful life of solid waste landfills, reduce the need for new landfills, and create markets for recyclable materials. It is therefore necessary to establish goals for recycling solid waste; to require certain municipalities to implement recycling programs; to authorize counties to adopt comprehensive recycling programs; to encourage source separation of solid waste; to increase the purchase of recycled products by the various agencies and instrumentalities of government; and to educate the public concerning the benefits of recycling.

(i) The Legislature finds that the effectiveness of litter control, open dump, tire cleanup programs and recycling programs have been made less efficient by fragmented implementation of the various programs by different agencies. It is therefore necessary to coordinate all such programs under one program managed by the department to ensure that all current and future litter, open dump, waste tire, and recycling issues are managed and addressed efficiently and effectively.

(j) This article implements the A. James Manchin Rehabilitation Environmental Action Plan, a coordinated effort to address litter, waste, open dump, tire cleanup, and recycling programs.

**§22-15A-19. Recycling assessment fee; regulated motor carriers; dedication of proceeds; criminal penalties.**

(a) *Imposition.* — A recycling assessment fee is hereby levied and imposed upon the disposal of solid waste at all solid waste disposal facilities in this state, to be collected at the rate of \$2 per ton or part of a ton of solid waste. The fee imposed by this section is in addition to all other fees levied by law.

(b) *Collection, return, payment, and records.* — The person disposing of solid waste at the solid waste disposal facility shall pay the fee imposed by this section, whether or not that person owns the solid waste, and the fee shall be collected by the operator of the solid waste facility who shall remit it to the Tax Commissioner:

(1) The fee imposed by this section accrues at the time the solid waste is delivered to the solid waste disposal facility;

(2) The operator shall remit the fee imposed by this section to the Tax Commissioner on or before the 15th day of the month next succeeding the month in which the fee accrued. Upon remittance of the fee, the operator shall file returns on forms and in the manner as prescribed by the Tax Commissioner;

(3) The operator shall account to the state for all fees collected under this section and shall hold them in trust for the state until they are remitted to the Tax Commissioner;

(4) If any operator fails to collect the fee imposed by this section, he or she is personally liable for the amount that he or she failed to collect, plus applicable additions to tax, penalties and interest imposed by §11-10-1 *et seq.* of this code;

(5) Whenever any operator fails to collect, truthfully account for, remit the fee or file returns with the fee as required in this section, the Tax Commissioner may serve written notice requiring the operator to collect the fees which become collectible after service of the notice, to deposit the fees in a bank approved by the Tax Commissioner, in a separate account, in trust for and payable to the Tax Commissioner, and to keep the amount of the fees in the

account until remitted to the Tax Commissioner. The notice remains in effect until a notice of cancellation is served on the operator or owner by the Tax Commissioner;

(6) Whenever the owner of a solid waste disposal facility leases the solid waste facility to an operator, the operator is primarily liable for collection and remittance of the fee imposed by this section and the owner is secondarily liable for remittance of the fee imposed by this section. However, if the operator fails, in whole or in part, to discharge his or her obligations under this section, the owner and the operator of the solid waste facility are jointly and severally responsible and liable for compliance with the provisions of this section;

(7) If the operator or owner responsible for collecting the fee imposed by this section is an association or corporation, the officers of the association or corporation are liable, jointly and severally, for any default on the part of the association or corporation, and payment of the fee and any additions to tax, penalties and interest imposed by §11-10-1 *et seq.* of this code may be enforced against them and against the association or corporation which they represent; and

(8) Each person disposing of solid waste at a solid waste disposal facility and each person required to collect the fee imposed by this section shall keep complete and accurate records in the form required by the Tax Commissioner in accordance with the rules of the Tax Commissioner.

(c) *Regulated motor carriers.* — The fee imposed by this section is a necessary and reasonable cost for motor carriers of solid waste subject to the jurisdiction of the Public Service Commission under §24A-1-1 *et seq.* of this code. Notwithstanding any provision of law to the contrary, upon the filing of a petition by an affected motor carrier, the Public Service Commission shall, within 14 days, reflect the cost of the fee in the motor carrier's rates for solid waste removal service. In calculating the amount of the fee to the motor carrier, the commission shall use the national average of pounds of waste generated per person per day as

determined by the United States Environmental Protection Agency.

(d) *Definition.* — For purposes of this section, “solid waste disposal facility” means any approved solid waste facility or open dump in this state and includes a transfer station when the solid waste collected at the transfer station is not finally disposed of at a solid waste facility within this state that collects the fee imposed by this section.

Nothing in this section authorizes in any way the creation or operation of or contribution to an open dump.

(e) *Exemptions.* — The following transactions are exempt from the fee imposed by this section:

(1) Disposal of solid waste at a solid waste facility: (A) By the person who owns, operates, or leases the solid waste disposal facility if it is used exclusively to dispose of waste originally produced by that person in his or her regular business or personal activities; (B) by persons utilizing the facility on a cost-sharing or nonprofit basis; or (C) by a mixed waste processing and resource recovery facility as those facilities are defined in code or rule and which processes a minimum of 70 percent of the material brought to the facility on any given day on a 30-day aggregate basis;

(2) Reuse or recycling of any solid waste; and

(3) Disposal of residential solid waste by an individual not in the business of hauling or disposing of solid waste on the days and times designated by the secretary by rule as exempt from the fee imposed pursuant to §22-15-11 of this code.

(f) *Procedure and administration.* — Notwithstanding the provisions of §11-10-3 of this code, each and every provision of the West Virginia Tax Procedure and Administration Act set forth in §11-10-1 *et seq.* of this code applies to the fee imposed by this section with like effect as if the act were applicable only to the fee imposed by this section and were set forth in extenso in this section.

(g) *Criminal penalties.* — Notwithstanding §11-9-2 and §11-9-3 through §11-9-17, inclusive, of this code apply to the fee imposed by this section with like effect as if the sections were the only fee imposed by this section and were set forth in extenso in this section.

(h) *Dedication of proceeds.* — The proceeds of the fee collected pursuant to this section shall be deposited by the Tax Commissioner, at least monthly, in a special revenue account designated as the Recycling Assistance Fund which is hereby continued and transferred to the Department of Environmental Protection. The secretary shall allocate the proceeds of the fund as follows:

(1) Fifty percent of the total proceeds shall be provided in grants to assist municipalities, counties, and other interested parties in the planning and implementation of recycling programs, public education programs and recycling market procurement efforts, established pursuant to this article. The secretary shall promulgate rules, in accordance with. §29A-3-1 *et seq.* of this code, containing application procedures, guidelines for eligibility, reporting requirements, and other matters considered appropriate: *Provided*, That persons responsible for collecting, hauling, or disposing of solid waste who do not participate in the collection and payment of the solid waste assessment fee imposed by this section in addition to all other fees and taxes levied by law for solid waste generated in this state which is destined for disposal, are not eligible to receive grants under the provisions of this article;

(2) Twelve and one-half percent of the total proceeds shall be expended for personal services and benefit expenses of full-time salaried natural resources police officers;

(3) Twelve and one-half percent of the total proceeds shall be directly allocated to the solid waste planning fund;

(4) Twelve and one-half percent of the total proceeds shall be transferred to the Solid Waste Reclamation and Environmental Response Fund, established pursuant to §22-15-11 of this code, to be expended by the Department of Environmental Protection to

assist in the funding of the pollution prevention and open dumps program which encourages recycling, reuse, waste reduction, and clean-up activities; and

(5) Twelve and one-half percent of the total proceeds shall be deposited in the Hazardous Waste Emergency Response Fund established in §22-19-1 *et seq.* of this code.

**§22-15A-30. Reclamation of Abandoned and Dilapidated Properties Program.**

(a) To assist county commissions or municipalities in their efforts to remediate abandoned and dilapidated structures as provided by §7-1-3ff and §8-38-5 of this code, the Department of Environmental Protection may develop a program called the Reclamation of Abandoned and Dilapidated Properties Program. Using the fund established in subsection (b) of this section, the Department of Environmental Protection may work with county commissions or municipalities and implement redevelopment plans which will, at a minimum, establish prioritized inventories of structures eligible to participate in the program, offer reuse options for high-priority sites, and recommend actions county commissions or municipalities may take to remediate abandoned and dilapidated structures in their communities.

(b) There is created in the State Treasury a special revenue fund known as the Reclamation of Abandoned and Dilapidated Properties Program Fund. The fund shall be comprised of any money granted by charitable foundations, allocated by the Legislature, allocated from federal agencies, and earned from the investment of money held in the fund, and all other money designated for deposit to the fund from any source, public or private. The fund shall operate as a special revenue fund and all deposits and payments into the fund do not expire to the General Revenue Fund but shall remain in the account and be available for expenditure in succeeding fiscal years.

(c) The fund, to the extent that money is available, may be used solely to assist county commissions or municipalities in remediating abandoned and dilapidated structures in their

communities by demolishing or deconstructing them and other activities as authorized by a charitable grant or legislative appropriation. The fund may also be used to defray costs incurred by the Department of Environmental Protection in administering the provisions of this section. However, no more than five percent of money transferred from the Solid Waste Facility Closure Cost Assistance Fund may be used for administrative purposes.

(d) The Department of Environmental Protection may promulgate rules, in accordance with the provisions of §29A-3-1 *et seq.* of this code, to govern the disbursement of money from the fund, establish the Reclamation of Abandoned and Dilapidated Properties Program, direct the distribution of money from the fund, and establish criteria for eligibility to receive money from the fund.

(e) Nothing in this section shall be construed to limit, restrain, or otherwise discourage this state and its political subdivisions from disposing of abandoned and dilapidated structures in any other manner provided by the laws of this state.

## **ARTICLE 16. SOLID WASTE LANDFILL CLOSURE ASSISTANCE PROGRAM.**

### **§22-16-4. Solid waste assessment fee; penalties.**

(a) *Imposition.* — A solid waste assessment fee is levied and imposed upon the disposal of solid waste at any solid waste disposal facility in this state in the amount of \$3.30 per ton beginning July 1, 2021, \$3.10 per ton beginning July 1, 2022, \$2.90 per ton beginning July 1, 2023, \$2.70 per ton beginning July 1, 2024, and \$2.50 per ton beginning July 1, 2025, and thereafter or like ratio on any part of a ton of solid waste, except as provided in subsection (e) of this section: *Provided*, That any solid waste disposal facility may deduct from this assessment fee an amount, not to exceed the fee, equal to the amount that the facility is required by the Public Service Commission to set aside for the purpose of closure of that portion of the facility required to close by article fifteen of this chapter. The fee imposed by this section is in addition to all other fees and taxes levied by law and shall be

added to and constitute part of any other fee charged by the operator or owner of the solid waste disposal facility.

(b) *Collection, return, payment, and records.* — The person disposing of solid waste at the solid waste disposal facility shall pay the fee imposed by this section, whether or not that person owns the solid waste, and the fee shall be collected by the operator of the solid waste facility who shall remit it to the Tax Commissioner:

(1) The fee imposed by this section accrues at the time the solid waste is delivered to the solid waste disposal facility;

(2) The operator shall remit the fee imposed by this section to the Tax Commissioner on or before the 15th day of the month next succeeding the month in which the fee accrued. Upon remittance of the fee, the operator shall file returns on forms and in the manner prescribed by the Tax Commissioner;

(3) The operator shall account to the state for all fees collected under this section and shall hold them in trust for the state until they are remitted to the Tax Commissioner;

(4) If any operator fails to collect the fee imposed by this section, he or she is personally liable for the amount he or she failed to collect, plus applicable additions to tax, penalties, and interest imposed by §11-10-1 *et seq.* of this code;

(5) Whenever any operator fails to collect, truthfully account for, remit the fee, or file returns with the fee as required in this section, the Tax Commissioner may serve written notice requiring the operator to collect the fees which become collectible after service of the notice, to deposit the fees in a bank approved by the Tax Commissioner, in a separate account, in trust for and payable to the Tax Commissioner, and to keep the amount of the fees in the account until remitted to the Tax Commissioner. The notice shall remain in effect until a notice of cancellation is served on the operator or owner by the Tax Commissioner;

(6) Whenever the owner of a solid waste disposal facility leases the solid waste facility to an operator, the operator is primarily

liable for collection and remittance of the fee imposed by this section and the owner is secondarily liable for remittance of the fee imposed by this section. However, if the operator fails, in whole or in part, to discharge his or her obligations under this section, the owner and the operator of the solid waste facility are jointly and severally responsible and liable for compliance with the provisions of this section;

(7) If the operator or owner responsible for collecting the fee imposed by this section is an association or corporation, the officers of the association or corporation are liable, jointly and severally, for any default on the part of the association or corporation, and payment of the fee and any additions to tax, penalties and interest imposed by §11-10-1 *et seq.* of this code may be enforced against them as against the association or corporation which they represent; and

(8) Each person disposing of solid waste at a solid waste disposal facility and each person required to collect the fee imposed by this section shall keep complete and accurate records in the form required by the Tax Commissioner in accordance with the rules of the Tax Commissioner.

(c) *Regulated motor carriers.* — The fee imposed by this section is a necessary and reasonable cost for motor carriers of solid waste subject to the jurisdiction of the Public Service Commission under chapter 24A of this code. Notwithstanding any provision of law to the contrary, upon the filing of a petition by an affected motor carrier, the Public Service Commission shall, within 14 days, reflect the cost of the fee in the motor carrier's rates for solid waste removal service. In calculating the amount of the fee to the motor carrier, the commission shall use the national average of pounds of waste generated per person per day as determined by the United States Environmental Protection Agency.

(d) *Definitions.* — For purposes of this section, the term “solid waste disposal facility” means any approved solid waste facility or open dump in this state, and includes a transfer station when the solid waste collected at the transfer station is not finally disposed of at a solid waste facility within this state that collects the fee

imposed by this section. Nothing in this section authorizes in any way the creation or operation of or contribution to an open dump.

(e) *Exemptions.* — The following transactions are exempt from the fee imposed by this section:

(1) Disposal of solid waste at a solid waste facility: (A) By the person who owns, operates, or leases the solid waste disposal facility if it is used exclusively to dispose of waste originally produced by that person in his or her regular business or personal activities; (B) by persons utilizing the facility on a cost-sharing or nonprofit basis; or (C) by a mixed waste processing and resource recovery facility as those facilities are defined in code or rule and which processes a minimum of 70 percent of the material brought to the facility on any given day on a 30-day aggregate basis;

(2) Reuse or recycling of any solid waste;

(3) Disposal of residential solid waste by an individual not in the business of hauling or disposing of solid waste on the days and times designated by the director as exempt from the solid waste assessment fee; and

(4) Disposal of solid waste at a solid waste disposal facility by a commercial recycler which disposes of 30 percent or less of the total waste it processes for recycling. In order to qualify for this exemption each commercial recycler shall keep accurate records of incoming and outgoing waste by weight. The records shall be made available to the appropriate inspectors from the division, upon request.

(f) *Procedure and administration.* — Notwithstanding §11-10-3 of this code, each and every provision of the West Virginia Tax Procedure and Administration Act set forth in §11-10-1 *et seq.* of this code applies to the fee imposed by this section with like effect as if the act were applicable only to the fee imposed by this section and were set forth in extenso in this section.

(g) *Criminal penalties.* — Notwithstanding §11-9-2 and §11-9-3 through §11-9-17 of this code apply to the fee imposed by this section with like effect as if the sections were applicable only to

the fee imposed by this section and were set forth in extenso in this section.

(h) *Dedication of proceeds.* — (1) The proceeds of the fee collected pursuant to this section shall be deposited in the closure cost assistance fund established pursuant to §22-16-12 of this code: *Provided*, That the director may transfer up to 50 cents for each ton of solid waste disposed of in this state upon which the fee imposed by this section is collected on or after July 1, 1998, to the solid waste enforcement fund established pursuant to §22-15-11 of this code.

(2) Fifty percent of the proceeds of the fee collected pursuant to this article in excess of 30,000 tons per month from any landfill which is permitted to accept in excess of 30,000 tons per month pursuant to §22-15-9 of this code shall be remitted, at least monthly, to the county commission in the county in which the landfill is located. The remainder of the proceeds of the fee collected pursuant to this section shall be deposited in the closure cost assistance fund established pursuant to §22-16-12 of this code.

**§22-16-12. Solid Waste Facility Closure Cost Assistance Fund; closure extension; reporting requirements.**

(a) The Solid Waste Facility Closure Cost Assistance Fund continues as a special revenue account in the State Treasury. The fund operates as a special fund in which all deposits and payments do not expire to the General Revenue Fund, but remain in the account and are available for expenditure in the succeeding fiscal year. Separate subaccounts may be established within the special account for the purpose of identification of various revenue resources and payment of specific obligations.

(b) Interest earned on any money in the fund shall be deposited to the credit of the fund.

(c) The fund consists of the following:

(1) Moneys collected and deposited in the State Treasury which are specifically designated by Acts of the Legislature for inclusion

in the fund, including moneys collected and deposited into the fund pursuant to §22-16-4 of this code;

(2) Contributions, grants, and gifts from any source, both public and private, which may be used by the secretary for any project or projects;

(3) Amounts repaid by permittees pursuant to §22-15-18 of this code; and

(4) All interest earned on investments made by the state from moneys deposited in this fund.

(d) The Solid Waste Management Board, upon written approval of the secretary, has the authority to pledge all or part of the revenues paid into the Solid Waste Facility Closure Cost Assistance Fund as needed to meet the requirements of any revenue bond issue or issues of the Solid Waste Management Board authorized by this article, including the payment of principal of, interest and redemption premium, if any, on the revenue bonds and the establishing and maintaining of a reserve fund or funds for the payment of the principal of, interest and redemption premium, if any, on the revenue bond issue or issues where other moneys pledged may be insufficient. Any pledge of moneys in the Solid Waste Facility Closure Cost Assistance Fund for revenue bonds is a prior and superior charge on the fund over the use of any of the moneys in the fund to pay for the cost of any project on a cash basis. Expenditures from the fund, other than for the retirement of revenue bonds, may only be made in accordance with this article.

(e) The amounts deposited in the fund may be expended only on the cost of projects as provided in §22-16-3 and §22-16-15 of this code, as provided in subsection (f) of this section, and for payment of bonds and notes issued pursuant to §22-16-5 of this code. No more than two percent of the annual deposits to the fund may be used for administrative purposes.

(f) Notwithstanding any provision of this article, upon request of the Solid Waste Management Board, and with the approval of the projects by the Secretary of the Department of Environmental

Protection, the secretary may pledge and place into escrow accounts up to an aggregate of \$2 million of the fund to satisfy two years debt service requirement that permittees of publicly owned landfills and transfer stations are required to meet in order to obtain loans. Pledges shall be made on a project-by-project basis, may not exceed \$500,000 for a project, and are made available after loan commitments are received. The secretary may pledge funds for a loan only when the following conditions are met:

(1) The proceeds of the loan are used only to perform construction of a transfer station or a composite liner system that is required to meet Title 47, Series 38, Solid Waste Management Rules;

(2) The permittee dedicates all yearly debt service revenue, as determined by the Public Service Commission, to meet the repayment schedule of the loan, before it uses available revenue for any other purpose; and

(3) That any funds pledged may only be paid to the lender if the permittee is in default on the loan.

(g) Notwithstanding any provision of this code to the contrary, the Elkins-Randolph County Landfill, located in Randolph County, and the Webster County Landfill, located in Webster County, are eligible for funds from the Solid Waste Facility Closure Cost Assistance Fund necessary to complete their closure upon the filing of appropriate application. Upon the filing of an appropriate application, the Department of Environmental Protection shall work with the applicant to ensure the application meets the department's requirements.

(h) The Department of Environmental Protection is required to file, by January 1 of each year, an annual report with the Joint Committee on Government and Finance providing details on the manner in which the landfill closure assistance funds were expended for the prior fiscal year.

(i) The Prichard Landfill in Wayne County is eligible for funds from the Solid Waste Facility Closure Cost Assistance Fund

necessary to complete post-closure maintenance and monitoring upon the filing of an appropriate application. In the event of a permit transfer, neither the state nor the Wayne County Economic Development Authority or entity may assume any liability from the private landfill other than post-closure maintenance and monitoring costs.

(j)(1) Notwithstanding any other provision of this code, upon completion of the landfill closure-related services at all eligible landfills pursuant to §22-16-3 of this code, the secretary may transfer excess money from the Solid Waste Facility Closure Cost Assistance Fund to the Reclamation of Abandoned and Dilapidated Properties Program Fund created by §22-15A-30 of this code. However, the secretary may not transfer moneys from the Solid Waste Facility Closure Cost Assistance Fund that are required to be maintained so that the department can conduct post-closure activities authorized by this article and the legislative rules promulgated thereunder. The department shall maintain in the Solid Waste Facility Closure Cost Assistance Fund a minimum balance of twice the total cost of post-closure expenses projected for the fiscal year as a buffer for unanticipated necessary post-closure activities.

(2) Contingent upon the Department of Environmental Protection securing private foundation funding to establish the Reclamation of Abandoned and Dilapidated Properties Program, and prior to the completion of the landfill closure-related services at all eligible landfills, the secretary may expend money from the Solid Waste Facility Closure Cost Assistance Fund for pilot projects conducted by the Department of Environmental Protection demonstrating the function of the Reclamation of Abandoned and Dilapidated Properties Program.

(a) *Imposition.* — Effective July 1, 1989, a solid waste assessment fee is hereby levied and imposed upon the disposal of solid waste at any solid waste disposal facility in this state to be collected at the rate of \$1 per ton or part thereof of solid waste. The fee imposed by this section is in addition to all other fees levied by law.

(b) *Collection, return, payment, and record.* — The person disposing of solid waste at the solid waste disposal facility shall pay the fee imposed by this section, whether or not such person owns the solid waste, and the fee shall be collected by the operator of the solid waste facility who shall remit it to the Tax Commissioner.

(1) The fee imposed by this section accrues at the time the solid waste is delivered to the solid waste disposal facility.

(2) The operator shall remit the fee imposed by this section to the Tax Commissioner on or before the 15th day of the month next succeeding the month in which the fee accrued. Upon remittance of the fee, the operator is required to file returns on forms and in the manner as prescribed by the Tax Commissioner.

(5) Whenever any operator fails to collect, truthfully account for, remit the fee, or file returns with the fee as required in this section, the Tax Commissioner may serve written notice requiring such operator to collect the fees which become collectible after service of such notice, to deposit such fees in a bank approved by the Tax Commissioner, in a separate account, in trust for and

payable to the Tax Commissioner, and to keep the amount of such fees in such account until remitted to the Tax Commissioner. Such notice remains in effect until a notice of cancellation is served on the operator or owner by the Tax Commissioner.

(6) Whenever the owner of a solid waste disposal facility leases the solid waste facility to an operator, the operator is primarily liable for collection and remittance of the fee imposed by this section and the owner is secondarily liable for remittance of the fee imposed by this section. However, if the operator fails, in whole or in part, to discharge his or her obligations under this section, the owner and the operator of the solid waste facility are jointly and severally responsible and liable for compliance with the provisions of this section.

(7) If the operator or owner responsible for collecting the fee imposed by this section is an association or corporation, the officers thereof are liable, jointly and severally, for any default on the part of the association or corporation, and payment of the fee and any additions to tax, penalties and interest imposed by §11-10-1 *et seq.* of this code may be enforced against them as against the association or corporation which they represent.

(8) Each person disposing of solid waste at a solid waste disposal facility and each person required to collect the fee imposed by this section shall keep complete and accurate records in such form as the Tax Commissioner may require in accordance with the rules of the Tax Commissioner.

(c) *Regulated motor carriers.* — The fee imposed by this section and §7-5-22 of this code is a necessary and reasonable cost for motor carriers of solid waste subject to the jurisdiction of the Public Service Commission under §24A-1-1 *et seq.* of this code. Notwithstanding any provision of law to the contrary, upon the filing of a petition by an affected motor carrier, the Public Service Commission shall, within 14 days, reflect the cost of said fee in said motor carrier's rates for solid waste removal service. In calculating the amount of said fee to said motor carrier, the commission shall use the national average of pounds of waste

generated per person per day as determined by the United States Environmental Protection Agency.

(d) *Definition of solid waste disposal facility.* — For purposes of this section, the term “solid waste disposal facility” means any approved solid waste facility or open dump in this state and includes a transfer station when the solid waste collected at the transfer station is not finally disposed of at a solid waste facility within this state that collects the fee imposed by this section. Nothing herein authorizes in any way the creation or operation of or contribution to an open dump.

In order to qualify for this exemption each commercial recycler must keep accurate records of incoming and outgoing waste by weight. Such records must be made available to the appropriate inspectors from the Division of Environmental Protection of solid waste authority, upon request.

(f) *Procedure and administration.* — Notwithstanding §11-10-3 of this code, each and every provision of the West Virginia Tax Procedure and Administration Act set forth in §11-10-1 *et seq.* of this code applies to the fee imposed by this section with like effect as if said act were applicable only to the fee imposed by this section and were set forth in extenso herein.

## **ARTICLE 32. THE WEST VIRGINIA WIND AND SOLAR ENERGY FACILITY RECLAMATION ACT.**

### **§22-32-1. Legislative findings and purpose.**

(a) The Legislature finds that the State of West Virginia has an interest in assuring that wind generation facilities and solar generation facilities are properly decommissioned and reclaimed once the facility has been permanently closed.

(b) The Legislature further finds that the most efficient manner by which to protect the citizens of the State of West Virginia is to require that wind generation facilities and solar generation facilities secure bonding sufficient to pay for all decommissioning and reclamation costs of the property on which wind generation facilities and solar generation facilities are operated.

(c) Therefore, in view of the findings relating to the decommissioning and reclamation of wind generation facilities and solar generation facilities, the Legislature declares it to be the public policy of the State of West Virginia to eliminate the present danger resulting from abandoned wind generation facilities and solar generation facilities and that in order to provide for the public health, safety, and welfare, it is necessary to enact legislation to those ends by requiring companies that construct and operate wind generation facilities and solar generation facilities to post bonds and execute agreements sufficient to cover the costs of decommissioning and reclamation in the event they are abandoned after closure.

### **§22-32-2. Short title.**

This article shall be known and cited as The West Virginia Wind and Solar Energy Facility Reclamation Act.

(d) If a property owner and the owner of a wind generation facility or solar generation facility and to the extent necessary any local governing body reach an agreement concerning: (1) Alternative restoration of buildings, equipment, other associated property (including appurtenant land, improvements, and personal property), cabling, electrical components, roads, or any other associated facilities (instead of removal); or (2) alternative plans for reclamation of surface lands; or (3) both, the agreement must be provided to the DEP for review and approval by the Cabinet Secretary or his assigns. The DEP must approve or deny the alternative plan submission within 90 days of receipt. Decommissioning agreements which legally bind exempt parties are not subject to approval or modification by DEP but are subject to review and comment by DEP.

(e)(1) Upon application by the wind generation facility or solar generation facility, the DEP may modify a plan for decommissioning and adjust bond requirements in accordance with this article.

(2) The DEP shall notify the owner of the facility of any modification. The owner of the wind generation facility or solar generation facility may appeal a modification by the DEP of a plan for decommissioning to the Environmental Quality Board within 30 days of receiving notice of the modification to the plan.

(f) To determine the amount of a bond required in accordance with this act, the DEP shall take into account the report submitted with an application and assess a bond value based upon the total

disturbed acreage of land upon which the wind generation or solar generation facility is operated, less salvage value: *Provided*, That the amount of the bond required shall not exceed the total projected future cost of decommissioning, less salvage value.

(g) Except as provided in subsection (i) of this section, the owner of a wind generation facility or solar generation facility shall submit to the DEP a bond payable to the State of West Virginia in a form acceptable by the DEP and in the sum determined by the DEP, conditioned on the faithful decommissioning of the wind generation facility or solar generation facility.

(h)(1) Except as provided in subsection (i) of this section, if a wind generation facility or solar generation facility commenced commercial operation on or before July 1, 2021, the operator shall submit the decommissioning bond to the DEP on or before July 1, 2022.

(2) Except as provided in subsection (i) of this section, if a wind generation facility or solar generation facility commenced commercial operation after July 1, 2021, the operator shall submit the decommissioning bond to the DEP within one year of the date on which the wind generation facility or solar generation facility first produces electricity for consumer or industrial use.

(1) The facility has less than 1.0 megawatts in nameplate capacity;

(2) The facility is operated by a regulated public utility who can successfully demonstrate to the Public Service Commission and the DEP an acceptable showing of financial integrity and long-term viability; or

(3) The facility is legally bound by a decommissioning agreement, based upon a qualified independent party and executed before the effective date of this article; or is or was granted a siting certificate or other authorization to construct by the Public Service Commission, conditioned upon the execution of such agreement

before the effective date of this article: Such facilities are exempt, unless or until the facility, is (A) found to be in breach of such agreement or such agreement is found to be unenforceable, (B) sold or transferred to a party or parties not bound under such agreement, or (C) substantially expanded in total disturbed acreage.

(j)(1) If the owner of the wind generation facility or solar generation facility fails to submit a decommissioning bond acceptable to the DEP or the properly executed and legally binding decommissioning agreement within the time frame required by this section, the DEP shall provide notice to the facility owner. If, after 30 days, the owner of a wind generation facility or solar generation facility has not submitted a decommissioning bond or such agreement, the DEP may assess an administrative penalty of not more than \$10,000 for the first day of violation and may assess an additional administrative penalty of not more than \$500 for each day the failure to submit the decommissioning bond continues.

(2) The owner of the wind generation facility or solar generation facility may appeal a penalty assessment to the Environmental Quality Board within 30 days after receipt of written notice of the penalty. The provisions of §22B-1-1 *et seq.* of this code shall apply to such appeals.

(k) If the owner of a bonded wind generation facility or solar generation facility transfers ownership of the facility to a successor owner, the first owner's bond must be released after 90 days. The new owner of a bonded facility shall submit any necessary bond within 90 days after transfer of ownership or be subject to penalties in accordance with this section. The new owner of an unbonded facility shall submit any necessary bond within 90 days after transfer of ownership or be subject to penalties in accordance with this section.

(m) Submitting a bond or a properly executed and legally binding decommissioning agreement in accordance with this section does not absolve the owner of a wind generation facility or solar generation facility from complying with all other applicable laws, rules, regulations, and requirements applicable to a wind generation facility or solar generation facility.

(n) The Public Service Commission of West Virginia shall condition all siting certificates issued on full compliance, as determined by the DEP, with the provisions of this article and the rules promulgated hereunder and shall not require further decommission bonding. Entities subject to and in compliance with this article shall not be subjected to any municipal, county, or local political subdivision's code, ordinances, rules, or regulations including additional decommission bonding.

(o) DEP shall issue a decision approving, approving with modifications, or denying an application, plan, amended plan, modification, or bond within 90 days of receipt.

(p) Any person adversely affected by a decision of DEP to approve or deny a decommissioning plan; establish the amount of a decommissioning bond; approve or deny an application to modify a decommissioning plan or bond; grant or release a decommissioning bond; or to forfeit a decommissioning bond may appeal that decision to the Environmental Quality Board and thereafter to the appropriate court in accordance with the provisions of §22B-1-1, *et seq* of this code.

#### **§22-32-6. Bond release.**

(a)(1) Subject to subdivision (2) of this subsection, the Department of Environmental Protection (DEP) shall release the bond if it is satisfied that an owner has properly decommissioned a wind generation facility or solar generation facility in accordance with the plan required by this article.

(2) At any time, an owner of a wind generation facility or solar generation facility may petition the DEP for release of the bond, and the DEP shall reply with a determination within 90 days.

(b) If the owner of a wind generation facility or solar generation facility fails to properly decommission a wind generation facility or solar generation facility and has not commenced action to rectify deficiencies within 90 days after notification by the DEP, the DEP shall cause the bond to be forfeited. The DEP, through its Office of Environmental Remediation or by contract with a private entity, may take any necessary actions to decommission the wind generation facility or solar generation facility. Upon completion, the DEP may file suit to enforce the permit conditions, plans, and agreements to recoup the cost of decommissioning and reclamation in the circuit court of Kanawha County or in the circuit court of the county in which the wind generation facility or solar generation facility is located.
