**To:** Joint Redistricting  
**Subject:** Comparison Chart as of October 7  
**Attachments:** Comparison 7.pdf

I am adding Putnam County to this chart.

News sources states, "All but two of those maps keep West Virginia's two fastest-growing regions — Morgantown/Monongalia County and the Eastern Panhandle — in the same congressional district." But the chart shows seven (7) maps.

Also, there are only four maps showing splitting of Cabel, Kanawha, and Putnam.

Thanks

**Howard Lee Gorrell**

## Congressional Plan Comparison Chart
