| <p>Department Description</p> <p>Glenville State University (GSU) was established in 1872 as Glenville Normal School with the initial mission of serving as a teacher's college. Later re-named to Glenville State College, and then ultimately renamed to Glenville State University on February 22, 2022, GSU never lost sight of that original mission and continues to be known among all of West Virginia as a premier institution for developing quality teachers for secondary education throughout the State. Along with that core emphasis on teacher preparation, the University has responded to the needs of West Virginia and has developed additional programs in a variety of areas. Most recently, commensurate with its achieving University Status, it has begun to offer two Graduate programs beginning Fall, 2022, and are developing further Grad programs in Business and Criminal Justice targeted for Fall, 2023 implementation. Additional Grad programs are planned to follow. Furthermore, the University has heeded the call from the State Legislative and HEPC leadership, as well as the demand and need expressed by our core Central W.V. target area, and has launched a Nursing Program, also beginning Fall, 2022. Enabled through an MOU with Marshall University coupled with funding from the State through HEPC, GSU is poised to meet this high demand area, while it also looks toward developing a full fledged College of Health Sciences pending additional funding it hopes to secure.</p> <p>The University is committed to six core values: Service, Scholarship, Growth, Collaboration, Community, and Equity. Glenville State University provides a tradition of high quality education through innovation in the design, delivery, and evaluation of programs and services, workforce development, and comprehensive student services; a community of active learners dedicated to lifelong learning, effective teaching, applied scholarship, creative activities, and service; and leadership that promotes excellence in learning, teaching, cultural vitality, and economic development in a global community.</p> | <p>Funding is Recommended as Follows:<br/>(Description of funding for improvements above current level is in parenthesis.)</p> <p>(Recommendation includes an average of 5% pay raise for employees and associated employee benefit costs.)</p> <hr/> <p>General Revenue<br/>Fund 0363        \$7,470,766</p> |

| <p>Department Description</p> <p>Shepherd University is a four-year public liberal arts institution in the Eastern Panhandle of West Virginia. From its beginning 150 years ago, the University has evolved into a comprehensive center of higher learning, serving several related yet distinct roles. Shepherd University is a diverse community of learners and the regional center for academic, cultural, and economic opportunity.</p> <p>Shepherd offers baccalaureate, master's, and doctoral degrees in areas ranging from liberal arts, business administration, computer science, teacher education, nursing, social and natural sciences, and other career-oriented areas. The University delivers credit courses for individuals not seeking a specific degree, but desire to broaden and modernize their knowledge in both conversant and emerging fields. For the northern Shenandoah Valley region, Shepherd is a center for noncredit continuing education, public service, and convenient citizen access to extensive programs in art, music, theater, athletics, and other areas of public interest.</p> <p>The University continues to expand dual enrollment opportunities for high school students. In addition, a fully online degree program has been launched, designed to support the working student striving to acquire advanced degrees in a compressed period. The first three graduate degree programs launched in Fall 2022, were the Master of Business Administration (MBA), Master of Science in Data Analytics and Information Systems (D.A.I.S.), and the Master of Arts in Curriculum and Instruction (MACI). In addition, in Fall 2022 an undergraduate degree in Registered Nurse to Bachelor of Science in Nursing (R.N.-B.S.N.) was launched. Shepherd recognizes and embraces its responsibility to extend its resources beyond the campus, bringing higher education closer to those who seek it.</p> <p>As Shepherd maneuvers through the countless changes and challenges stemming from the COVID-19 pandemic, the University has meticulously aligned resources, personnel, and students with a determination to deliver the best educational experience possible. Financial stability is the foundation of the University's strategic plan and requires fiscal responsibility coupled with confidence in the State of West Virginia's ability to support its Higher Education system.</p> | <p>Funding is Recommended as Follows:<br/>(Description of funding for improvements above current level is in parenthesis.)</p> <p>(Recommendation includes an average of 5% pay raise for employees and associated employee benefit costs.)</p> <hr/> <p>General Revenue<br/>Fund 0366      \$13,586,867</p> |

| <p>Department Description</p> <p>West Virginia State University was founded under the provisions of the Second Morrill Act of 1890 as the West Virginia Colored Institute, one of 19 land-grant institutions authorized by Congress and designated by the states to provide for the education of black citizens in agriculture and the mechanical arts. West Virginia was one of the states that maintained segregated educational systems at that time.</p> <p>From 1891 to 1915, the original Institute offered the equivalent of a high school education, vocational training, and teacher preparation. In 1915, the West Virginia Collegiate Institute began to offer college degrees. Under the leadership of President John W. Davis, the academic program was expanded and new buildings were constructed, and in 1927, the Institution was accredited by the North Central Association. In 1929, it became West Virginia State College. Over the next decades, WVSC became recognized as one of the leading public institutions of higher education for African-Americans.</p> <p>In 1954, the United States Supreme Court gave its historic decision outlawing school segregation. The consequence of this decision for West Virginia State College was a rapid transition to an integrated institution serving a predominantly white, commuting, and older student population. Enrollment quadrupled during the following decades.</p> <p>Meanwhile, by a decision of the West Virginia Board of Education, WVSC was compelled to surrender land-grant status, the only one of the 1890 institutions to do so. Only after a 12-year effort was the college's land-grant status fully restored, in 2001, by an act of Congress.</p> <p>In 2004, the West Virginia Legislature approved WVSC's transition to University status, and today WVSU offers 22 bachelor's degrees and seven master's degrees. With a rich history and promising future, WVSU is positioned to become the most student-centered research and teaching land-grant university in West Virginia, and beyond.</p> | <p>Funding is Recommended as Follows:<br/>(Description of funding for improvements above current level is in parenthesis.)</p> <p>(Recommendation includes an average of 5% pay raise for employees and associated employee benefit costs.)<br/>(Land Grant Match provided.)</p> <hr/> <p>General Revenue<br/>Fund 0373      \$17,944,676</p> |

| <p>The Department of Human Services is one of the three Departments of the former DHHR created through HB 2006. The department is mandated by statute to provide certain basic services to eligible citizens of the state. Funding to support this effort comes from various sources including appropriations of state general revenue, federal block and categorical grants, as well as special revenue funds collected through fees, licenses and private/public entity grants. These services encompass the following five major categories.</p> <p>Bureau for Social Services - promotes the safety, permanency, and well-being of children and vulnerable adults, supporting individuals to succeed and strengthening families. This Bureau provides services including Child Protective Services, Adult Protective Services, Youth Services, Adoption, Foster Care, Adult Residential Services, Specialized Family Care, as well as Home and Community Based services such as socially necessary services and the Safe at Home initiative. The Bureau manages the centralized intake hotline, agency licensing and the child locator unit. The Bureau also maintains responsibility for the WV Childrens Home in Elkins WV. The major efforts of the Bureau are to decrease the number of children in out of family placements and to decrease the reliance on residential care.</p> <p>Bureau for Family Assistance - provides an accessible, integrated, comprehensive service system for West Virginia's children, families, and adults to help them improve their quality of life by achieving self-sufficiency. This is provided through many programs including:<br/>WV Works<br/>Medicare Premium Assistance Programs<br/>School Clothing Allowance program<br/>Utility Assistance, LIEAP, LIHWAP<br/>Burial Assistance<br/>Emergency Assistance<br/>Refugee Resettlement<br/>Supplemental Nutrition Program (SNAP)<br/>Temporary Assistance for Needy Families (TANF)<br/>Low Energy Assistance Programs<br/>Medicaid eligibility<br/>Child Care Assistance and early childhood development programs including the WV Childcare Locator program and child care program licensing<br/>Administrative and financial support to Family Support centers, early parent education programs, and Family Resource Network coalitions</p> | <p>(Recommendation includes an average of 5% pay raise for employees and associated employee benefit costs.)<br/>(Increase in general revenue for Medicaid Administration, CHIP, PEIA employer premiums, Jobs and Hope, 988 Call line and BFA leases.)<br/>(Increase in special spending authority for Child support Enforcement Division)<br/>(Increase in federal spending authority for BFA leases, Medicaid Administration, CHIP and PEIA employer insurance premiums.)</p> |                 |
