## Introduction

Valley Grove Volunteer Fire Department in Ohio County began 2012 with a balance of \$8,695.37 in its state account. During FY 2012, the Department received additional monies from the State in the amount of \$44,538.77. The use of these funds by volunteer fire departments is restricted by West Virginia Code §8-15-8b. The Department received additional state funding in the amounts of \$45,010.58 in 2013, \$46,815.67 in 2014, \$47,613.31 in 2015, and \$37,053.39<sup>1</sup> in 2016.

## Objective

The objective of the audit of the Valley Grove Volunteer Fire Department was to evaluate compliance with West Virginia Code §8-15-8b. Our report is designed to assist the Post Audits Subcommittee in exercising its legislative oversight function and to provide constructive recommendations for improving the operations of volunteer fire departments.

## Scope

The Legislative Auditor conducted an audit of the revenue and expenditure transactions of Valley Grove Volunteer Fire Department's state account for the year ending December 31, 2012. The scope included determining instances of noncompliance with West Virginia Code §8-15-8b. The audit was conducted pursuant to the authority provided by West Virginia Code §12-4-14.

## Conclusion

The Valley Grove Volunteer Fire Department did not provide proper supporting documentation for expenditures totaling \$3,645.46; therefore, there was no way to determine if the state monies were spent on allowable items. Additionally, the Department expended state funds on items not allowed under West Virginia Code §8-15-8b in the amount of \$481.65, which included sales taxes and draft protection transfers to its non-state account.<sup>2</sup> The Department has already deposited \$3,912.61 into its state account; therefore, leaving only \$214.50 not accounted for by the Department.

## Recommendations

- 1. The Legislative Auditor recommends the Department maintain proper documentation for all expenditures of state funds.*
- 2. The Legislative Auditor recommends the Department cease the use of state funds for items not allowable per WV Code.*
- 3. The Legislative Auditor recommends the Department reimburse its state account in the amount of \$214.50.*

---

<sup>1</sup> Valley Grove VFD was not eligible for the 2<sup>nd</sup> Quarter State Distribution Per the State Fire Marshal's Office, which reduced its 2016 payments by \$11,633.76.

<sup>2</sup> See Appendix for a Summary of Funds Reviewed.

All findings and recommendations presented in this report have been reviewed and discussed with the Valley Grove Volunteer Fire Department. The Department was informed of the recommendation to reimburse its state account an additional \$214.50.

## Findings

---

### *FINDING 1: LACK OF SUPPORTING DOCUMENTATION FOR \$3,645.46*

---

**Condition:** The Valley Grove Volunteer Fire Department lacked proper supporting documentation to account for ten expenditures totaling \$3,645.46 in state funding.

**Criteria:** **WV Code §8-15-8b, as amended, states in part:**

“Authorized expenditures of revenues from the municipal pensions and protection fund and the fire protection fund.

Revenues allocated to volunteer and part volunteer fire companies and departments **may be expended only for the items listed in subdivisions (1) through (15) of this section.**” (Emphasis Added)

**Cause:** The Department did not maintain sufficient documentation to verify the purchases were made for the benefit of the Department and were allowed per WV Code.

**Effect:** Due to the lack of proper supporting documentation, there is no way to determine if these expenditures were allowable.

**Recommendation:**

- 1. The Legislative Auditor recommends the Department maintain proper documentation for all expenditures of state funds.**

---

*FINDING 2: UNALLOWABLE EXPENDITURES OF \$481.65*

---

**Condition:** The Valley Grove Fire Department made unallowable purchases totaling \$481.65. These expenditures included sales taxes and draft protection transfers to its non-state account.

**Criteria:** **WV Code §8-15-8b, as amended, states in part:**

“Authorized expenditures of revenues from the municipal pensions and protection fund and the fire protection fund.

Revenues allocated to volunteer and part volunteer fire companies and departments **may be expended only for the items listed in subdivisions (1) through (15) of this section.” (Emphasis Added)**

**Cause:** The Department used state money for purposes other than allowed by WV Code.

**Effect:** Use of state funding for unallowable purchases negates the purpose for which the money was given to the Department, leaving the Department vulnerable to not being able to purchase other items needed and allowed per WV Code.

**Recommendations:**

2. **The Legislative Auditor recommends the Department cease the use of state funds for items not allowable per WV Code.**
3. **The Legislative Auditor recommends the Department reimburse its state account in the amount of \$214.50.**
